National Vision, Inc. Announces 2016 College Scholarship Recipients

Company Gives Up to \$50,000 in Scholarship Awards

As Students go Back to School, National Vision, Inc. Provides 3,500 School Health Professional Kits to Promote Vision Health

Duluth, Ga. (August 30, 2016) – National Vision, Inc., one of the nation's largest optical retailers providing comprehensive, quality, affordable eye care and vision health, is pleased to announce it has selected five outstanding students as recipients of the 2016 National Vision, Inc. College Scholarship Program. Recipients will receive \$2,500 to fund the advancement of their education. The award is renewable for up to three years for a total scholarship of \$10,000 per student.

"We are proud to continue to provide this important scholarship and want to congratulate this year's winners on their impressive accomplishments thus far," said Reade Fahs, CEO of National Vision, Inc., which includes brands like America's Best Contacts & Eyeglasses and Eyeglass World. "All five winners have already achieved great things in their academic careers, and we are proud to support them in furthering their education."

Awards are selected based on applicants' past academic performance, future potential, leadership participation within their school and community activities, work experience, their statement of career and educational aspirations along with their goals, unusual personal or family circumstances and an outside appraisal from Scholarship America, the nation's leading scholarship program administrator.

The recipients of the 2016 National Vision, Inc. College Scholarship Program are:

- **Haley Clark**, daughter of National Vision Retail Support Center (RSC) employee Gregg Robinson, lives in St. Peters, Mo., and is a graduate of Francis Howell Central High School;
- **Ramonah Gibson**, daughter of National Vision RSC employee Francis Gibson, resides in Grayson, Ga., and is a graduate of St. Bernard Preparatory School;
- **Jaclyn Hayman**, daughter of licensed optician Nathalie Hayman in Deptford, NJ, America's Best store, is a resident of Cherry Hill, NJ and is a graduate of Cherry Hill High School East;
- **Hailee Silva**, daughter of Santa Maria, Calif., Walmart Vision Center Assistant Manager Bonnie Silva, lives in Santa Maria, Calif., and is a graduate of Ernest Righetti High School; and,
- **Jamison Whitten**, daughter of Ogden, Utah America's Best Store Manager Hollee Whitten, resides in Farmington, Utah, and is a graduate of Viewmont High School.

The National Vision, Inc. College Scholarship Program is open to all students whose parents are employed by National Vision, Inc. at one of its more than 900 retail locations, three labs or its RSC. Established in 2006, the program has awarded a total of \$272,500 in scholarships to 40 students since its inception. Applicants must be high school seniors or graduates who plan to enroll for the first time at an accredited two- or four-year college or university.

Just as important as higher education, National Vision, Inc. is also focused on the all-important early years in a child's education in which visual health plays a key role in a successful school year. As another school year begins, National Vision, Inc. provided over 3,500 School Health Professional Kits to elementary schools across the country. With the understanding that good vision is vital to a child's success in the classroom, National Vision created School Health Professional Kits as a resource to promote and support school vision screenings. These free kits are helpful tools to make vision screening easier for school health professionals, providing eye charts and disposable occluders, while keeping it fun for students with stickers and interactive takeaways.
