MARKET, RANKING, AND OTHER INDUSTRY DATA

The data included in this prospectus regarding markets, ranking and other industry information are based on reports of government agencies or published industry sources, and our own internal estimates are based on our management's knowledge and experience in the markets in which we operate. Data regarding the industry in which we compete and our market position and market share within this industry are inherently imprecise and are subject to significant business, economic and competitive uncertainties beyond our control, but we believe they generally indicate size, position and market share within this industry. Our own estimates are based on information obtained from our customers, suppliers, trade and business organizations and other contacts in the markets we operate. We are responsible for all of the disclosure in this prospectus, and we believe these estimates to be accurate as of the date of this prospectus or such other date stated in this prospectus. However, this information may prove to be inaccurate because of the method by which we obtained some of the data for the estimates or because this information cannot always be verified with complete certainty due to the limits on the availability and reliability of raw data, the voluntary nature of the data gathering process and other limitations and uncertainties. While we believe that each of the publications used throughout this prospectus are prepared by reputable sources, neither we nor the underwriters have independently verified market and industry data from third-party sources. While we believe our internal company research and estimates are reliable, such research and estimates have not been verified by any independent source. In addition, assumptions and estimates of our and our industry's future performance are necessarily subject to a high degree of uncertainty and risk due to a variety of factors, including those described in "Risk Factors." These and other factors could cause our future performance to differ materially from our assumptions and estimates. See "Special Note Regarding Forward-Looking Statements." As a result, you should be aware that market, ranking, and other similar industry data included in this prospectus, and estimates and beliefs based on that data may not be reliable. Neither we nor the underwriters can guarantee the accuracy or completeness of any such information contained in this prospectus.

NON-GAAP FINANCIAL MEASURES

This prospectus contains "non-GAAP financial measures" that are financial measures that either exclude or include amounts that are not excluded or included in the most directly comparable measures calculated and presented in accordance with accounting principles generally accepted in the United States, or GAAP. Specifically, we make use of the non-GAAP financial measures "EBITDA," "Adjusted EBITDA" and "Adjusted Net Income." In order to facilitate a discussion of certain results of operations across periods, we have presented the results for the full year 2014 on a combined basis, which is comprised of the results for the 2014 Predecessor period and the 2014 Successor period. This combination is not a presentation made in accordance with GAAP.

EBITDA, Adjusted EBITDA and Adjusted Net Income have been presented in this prospectus as supplemental measures of financial performance that are not required by, or presented in accordance with GAAP, because we believe they assist investors and analysts in comparing our operating performance across reporting periods on a consistent basis by excluding items that we do not believe are indicative of our core operating performance. Management believes EBITDA, Adjusted EBITDA and Adjusted Net Income are useful to investors in highlighting trends in our operating performance, while other measures can differ significantly depending on long-term strategic decisions regarding capital structure, the tax jurisdictions in which we operate and capital investments. Management uses EBITDA, Adjusted EBITDA and Adjusted Net Income to supplement GAAP measures of performance in the evaluation of the effectiveness of our business strategies, to make budgeting decisions, to establish discretionary annual incentive compensation and to compare our performance against that of other peer companies using similar measures. Management supplements GAAP results with non-GAAP financial measures to provide a more complete understanding of the factors and trends affecting the business than GAAP results alone.

EBITDA, Adjusted EBITDA and Adjusted Net Income are not recognized terms under GAAP and should not be considered as an alternative to net income (loss) or income (loss) from operations as a measure of financial performance or cash flows provided by operating activities as a measure of liquidity, or any other performance measure derived in accordance with GAAP. Additionally, these measures are not intended to be a measure of free cash flow available for management's discretionary use as they do not consider certain cash requirements such as interest payments, tax payments and debt service requirements. The presentations of these measures have limitations as analytical tools and should not be considered in isolation, or as a substitute for analysis of our results as reported under GAAP. Because not all companies use identical calculations, the presentations of these measures may not be comparable to other similarly titled measures of other companies and can differ significantly from company to company. For a discussion of the use of these measures and a reconciliation of the most directly comparable GAAP measures, see "Prospectus Summary—Summary Historical Consolidated Financial and Other Data."

LETTER FROM OUR CEO

Dear Potential Shareholders:

Since our founding 27 years ago, National Vision has been helping make eye exams, eyeglasses and contact lenses more affordable and therefore more accessible to low-income and cost-conscious consumers. Having started out operating Vision Centers inside Walmart, today National Vision is one of the largest and fastest growing optical retailers in the United States and a leader in the attractive value segment of the U.S. optical retail industry, serving customers through a diverse portfolio of 980 retail stores across five brand banners and 19 consumer websites.

Eye exams and eyeglasses are illogically and needlessly expensive. While not an issue for wealthier people, this is an issue for blue-collar and lower-income Americans — an issue with broad implications.

As people age, their eyesight diminishes. This tendency is exacerbated by such factors as diabetes, increased screen usage, poor diet and generally less healthy lifestyles. Eye exams, beyond providing a prescription for eyeglasses and contact lenses, can detect hundreds of potential health concerns, ranging from eye diseases, to general health, to life threatening conditions such as brain tumors and aneurysms. This is why regular eye exams are so important. But for many people, especially the lower-income and the uninsured, eye exams are an expensive, unfamiliar and intimidating experience.

Eyeglasses themselves provide a life-changing benefit — allowing people to work, to learn, to drive safely and to appreciate the world around them. For the approximately 76% of adult Americans who require some form of vision correction, their eyeglasses or contacts are vital to their day-to-day existence. Most people simply cannot function without them.

Eyeglasses are a 730-year-old technology involving two small pieces of cut plastic that are held in front of the eyes by three small pieces of plastic or metal. They can no longer be regarded as "new technology." That is why their tremendous expense today — often \$300 to \$1,000 or more for a single pair (and increasing annually) — is completely illogical.

That's where National Vision comes in.

We exist to make eye care and eyewear more affordable and accessible.

We strive to provide the best value for eye exams, eyeglasses and contact lenses. We believe that budget-conscious consumers with perfect knowledge of the category will pick National Vision for their basic vision needs. Our various offerings make us one of the lowest cost providers of this non-discretionary and ongoing medical necessity.

The size and scale of our portfolio of brands provide us high proximity to customers and allow us to engage them across a variety of sales channels. We believe these brands collectively constitute a portfolio that combines attractive economics with significant growth potential. While we continue to proudly operate several hundred Walmart Vision Centers along with various supply chain and e-commerce offerings for both Walmart and Sam's Club, our growth in recent years has been driven by the expansion of our two owned brands, America's Best Contacts & Eyeglasses (America's Best) and Eyeglass World. Based on our analysis, conducted with a third-party real estate firm, we believe that these brands can grow to at least 1,000 America's Best stores and at least 850 Eyeglass World stores.

America's Best operates 559 stores located in high-traffic strip centers next to other well-known, off-price retailers, such as TJ Maxx and Marshalls. For the past 20 years, America's Best has led with a signature offer of an eye exam and two pairs of eyeglasses for \$69.95. We believe there is no better value in the marketplace and that this affordability and convenience has driven ongoing traffic growth and high customer loyalty along with increased market share.

Eyeglass World operates 108 stores — all with in-store lens-grinding laboratories. Eyeglass Worlds are bigger stores with a wider selection of brands and price points. Eyeglasses from Eyeglass World start at two pairs for \$78.00. Because this brand has an on-site laboratory, customers can get their eyes examined and walk out with glasses in the same day.

Over the last five years, National Vision has been one of the fastest growing U.S. optical retail chains with sales having a compounded annual growth rate of 14%, three times the industry average growth rate.

We are a company that is all about consistency — consistency of management, consistency of host, legacy and supplier partnerships, and consistency of growth and business results. For the past 15 years, National Vision has been led by essentially the same collection of 20± year-career optical retailing professionals. Together we have:

 Delivered 62 consecutive quarters of positive comparable store sales (with a simple long-term average of approximately 5% growth per quarter and with most of this growth coming from an increase in the number of customers as opposed to average ticket amount), which we believe is a category record. The team leading National Vision today has never experienced a negative comp quarter.

- Steadily grown sales from \$245 million (in 2002 when the current team formed) to \$1.2 billion (in 2016).
- Opened 458 stores on a net basis (opened 512 new stores and closed 54 stores) an average of 45 per year over the past ten years and accelerated new store openings to approximately 75 per annum.
- Maintained strong and consistent partnerships with Walmart (27+ years), the U.S. military (18+ years) and Fred Meyer (18+ years).
- Successfully acquired, integrated and expanded three optical platforms.
- Created over 5,000 new jobs.
- Made several early stage venture investments in eye exam, virtual try-on and 3D eyeglass printing start-ups.

National Vision's strategy has been in place for over a decade and is founded on a commitment to a relatively simple business model. It is to do the following:

- Provide exceptional price and convenience to customers, enabled by our low-cost operating platform.
- Provide Americans what they want and need access to America's Best and Eyeglass World stores by growing our footprint throughout the United States.
- Continually improve our in-store shopping experience and enhance our solutions-based service approach to increase the volume of customer traffic to our stores.
- Maintain strong, long-term partnerships with Walmart, Fred Meyer and the U.S. military by providing affordable and easily accessible optical services to their respective customers.
- Cultivate strong, long-term mutually beneficial relationships throughout the optical industry our intent is to be the friendly, nimble folks that industry players most want to work with.
- Energize our offerings with meaningful omni-channel and technology offerings.
- · Strive to be the most rewarding and fulfilling place for optometrists and optical associates to spend their careers.
- Be the best at helping the world to see by getting eyeglasses to those who would not have them otherwise via a powerful
 innovative social mission and an eco-system of like-minded partners operating in the United States and in various lowincome countries around the world.

We believe that — in the way we approach it — optical retail is a noble profession.

- We believe that the optometrists practicing in our various settings play a primary entry point and gate-keeping role in America's health care system by making eye exams more affordable and accessible and thereby increasing the frequency of eye exams and disease detection for lower-income Americans.
- We believe our growth provides fulfilling careers for both optometrists and optical associates.
- We believe we improve lives by saving millions of Americans a significant amount of money on a product that they need
 to both function and enjoy their life.

We think of ourselves as a fast-growing business engine that, in turn, also fuels a fast-growing philanthropic mission. We play a role in dramatically improving the quality of life for millions of lower-income people in America and abroad both through our business offerings and through our various philanthropic outreach efforts.

We invite you to join us on this most fulfilling and important journey of service, enablement and growth.

Yours truly,

Reade Fahs

We are one of the largest and fastest growing optical retailers in the United States and a leader in the attractive value segment of the U.S. optical retail industry. We believe that vision is central to quality of life and that people deserve to see their best to live their best, no matter what their budget. We achieve this by providing eye exams, eyeglasses and contact lenses to cost-conscious and low-income consumers. We deliver exceptional value and convenience to our customers, with an opening price point that strives to be among the lowest in the industry, enabled by our low-cost operating platform. We believe our focus on the value segment, breadth of product assortment, committed employees and consultative selling approach generate customer goodwill for our brands. Our long-serving and motivated management team of optical retail experts has delivered a highly-consistent track record of strong results.

We are well positioned to serve our new and existing customers through a diverse portfolio of 980 retail stores across five brands and 19 consumer websites as of July 1, 2017. We have two reportable segments: our owned & host segment and our legacy segment. Our owned & host segment includes our two owned brands, America's Best and Eyeglass World, and our Vista Optical locations in Fred Meyer stores. Within this segment, we also provide low-cost vision care products and services to American military service members by operating Vista Optical locations on military bases across the country. Our legacy segment consists of our 27-year strategic relationship with Walmart to operate Vision Centers in select Walmart stores. In addition, through our wholly-owned subsidiary, FirstSight, we arrange for the provision of optometric services at almost all of the optometric offices next to Walmart and Sam's Club stores in California. We support our owned brands and our Vista Optical military operations through our ever-evolving omni-channel offerings and we also have an established standalone e-commerce business. Our e-commerce platform serves our proprietary e-commerce websites and the e-commerce websites of third parties, including Walmart, Sam's Club and Giant Eagle. Our philanthropic culture instills a sense of purpose and engagement in our employees, from instore staff to senior management. Our employees feel pride in the positive work they are doing, which allows us to attract and retain both store associates and vision care professionals, thus improving the customer experience in our stores.

Our disciplined approach to new store openings, combined with our attractive store economics, has led to strong returns on investment. We believe these elements are the foundation for continued profitable growth from our existing store base, as well as a significant opportunity to deliver growth through new store openings. The fundamentals of our model are:

- Differentiated and Defensible Value Proposition. We believe our success is driven by our low prices, convenient locations, broad assortment of branded and private label merchandise and the high levels of in-store service provided by our well-trained and passionate store associates and vision care professionals. We believe our bundled offers, including two-pairs of eyeglasses plus an eye exam for \$69.95 at America's Best and two-pairs of eyeglasses for \$78.00 at Eyeglass World, represent among the lowest price offerings of any national chain. Our ability to utilize national advertising will allow us to communicate this value proposition to a meaningfully greater number of current and potential customers.
- Recurring Revenue Characteristics. Eye care purchases are predominantly a medical necessity and are therefore
 considered non-discretionary in nature. We estimate that optical consumers typically replace their eyeglasses every two
 to three years, while contact lens customers typically order new lenses every six to twelve months, reflecting the
 predictability of these recurring purchase behaviors. This is further demonstrated by the customer mix of our mature
 stores, with existing customers representing 68% of total customers in 2016 and new customers representing the
 remaining 32% of total customers in 2016.
- Attractive Store Economics and Embedded Earnings Growth. Our store economics are based on low capital investment, steady ramping of sales in new locations, low operating costs and consistent sales volume and earnings growth in mature stores, which result in attractive returns on capital. On average, our owned stores achieve profitability shortly after their first-year opening anniversary and pay back invested capital in less than four years. By consistently replicating the key characteristics of our store model, we execute a formula-based approach to opening new stores and managing existing stores, which has delivered predictable store performance across vintages, diverse geographies and new and existing markets. We believe this leads to a high degree of visibility into the embedded earnings potential of our newly opened stores. For indicative purposes, assuming that each of our open but not mature America's Best and Eyeglass World stores as of December 31, 2016 were able to attain the average fifth-year financial performance of our existing mature America's Best and Eyeglass World stores, we would have generated an additional approximately \$67 million of revenues and approximately \$45 million of EBITDA for our owned & host segment in fiscal year 2016.

By targeting the high-growth value segment, we have grown revenue at three times the rate of the U.S. optical retail industry over the past five years, gained significant market share and generated a record 62 consecutive quarters of positive comparable store sales growth.

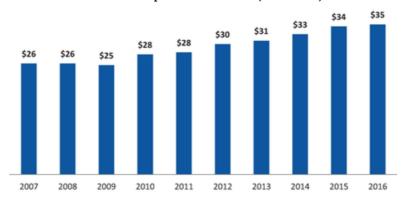

- (1) 2009 comparable store sales exclude sales from the Eyeglass World stores for the first six-month "transition" period following our acquisition of Eyeglass World.
- (2) Comparable store sales growth in the third quarter of fiscal year 2011 was impacted by the near U.S. federal government shutdown and subsequent adverse impact on the consumer environment.

For fiscal years 2012 and 2013, full year 2014, fiscal year 2015 and fiscal year 2016, we generated total net revenue of \$717 million, \$840 million, \$933 million, \$1.1 billion and \$1.2 billion, respectively, representing a compound annual growth rate, or CAGR, of approximately 14% from fiscal year 2012 to fiscal year 2016. Our net income (loss) for these same periods was \$0.7 million, \$14 million, \$(24) million, \$4 million and \$15 million, respectively. Our Adjusted EBITDA for these same periods was \$80 million, \$89 million, \$82 million, \$113 million and \$138 million, respectively, representing a CAGR of approximately 15% from fiscal year 2012 to fiscal year 2016. Our Adjusted Net Income for these same periods was \$9 million, \$19 million, \$9 million, \$26 million and \$33 million, respectively, representing a CAGR of approximately 40% from fiscal year 2012 to fiscal year 2016. For definitions of Adjusted EBITDA and Adjusted Net Income and a reconciliation of Adjusted EBITDA and Adjusted Net Income to net income (loss), see "—Summary Historical Consolidated Financial and Other Data."

Our Industry

The U.S. optical retail industry, defined by Vision Monday to include optical retailers' revenues from the sales of products (including managed vision care benefit revenues and omni-channel and e-commerce sales) and eye care services provided by vision care professionals, including eye exams, is a \$35 billion industry that has exhibited consistent, stable growth across economic cycles. According to Vision Monday, over the period from 2007 to 2016, the industry grew from \$26 billion to \$35 billion in annual sales, representing a CAGR of 3.4%. The industry experienced only a modest decline of approximately 3.8% during the 2008 to 2009 recession and rebounded with robust post-recession sales growth of 4.6% CAGR from 2009 to 2016, according to Vision Monday. We believe the ability to see well is a necessity, not a discretionary decision. The steady growth of the industry and its resilience to economic cycles is due in large part to the medical, non-discretionary and recurring nature of eye care purchases. In short, eyesight continues to decline with age, regardless of economic conditions.

We anticipate that there are four key secular growth trends that will continue to contribute to the stability and growth of the U.S. optical retail industry:

Source: Vision Monday

- Aging Population. According to The Vision Council, approximately 76% of adults in the United States used some form of vision correction as of September 2016. At age 45, the need for vision correction begins to increase significantly, with approximately 86% of adults in the United States between the ages of 45 and 54 and approximately 92% of adults in the United States aged 55 and older using vision correction, according to The Vision Council. As the U.S. population ages and life expectancy increases, the pool of potential customers and opportunities for repeat purchases in the optical retail industry are anticipated to rise. In 2014, the U.S. Census Bureau estimated that approximately 42% of the U.S. population would be 45 years old or older by 2020 (the 0.9% increase from 2015 population projections implies an additional 8.4 million adults will enter this 45-plus demographic by 2020). Given that eyesight deteriorates progressively with age, aging of the U.S. population should result in incremental sales of eyewear and related accessories.
- *Frequent Replacement Cycle.* The repetitive and predictable nature of customer behavior results in a significant volume of recurring revenue for the optical retail industry. The purchasing cycle of vision correction devices is closely tied to the frequency with which consumers obtain eye exams. Most optometrists recommend annual eye exams as a preventive measure against serious eye conditions and to help patients identify changes in their vision correction needs. According to The Vision Council, an estimated 189 million people in the United States using vision correction devices in 2015 received nearly 114 million eye exams that year, implying an average interval between exams of 20 months. The interval between exams contributes to the industry's stability and shortening this interval represents an opportunity to increase the frequency of customer purchases.
- Increased Usage of Computer and Mobile Screens. Due to the proliferation of smartphones, laptops and tablets, the
 U.S. population has experienced a dramatic increase in the amount of time spent viewing electronic screens. This is
 anticipated to result in a larger percentage of the population suffering from screen-related vision problems, driving
 incremental sales of vision correction devices, such as traditional eyeglasses and contact lenses, as well as higher
 margin products designed specifically to counteract the effect of looking at screens for prolonged stretches of time.
- *Growing Focus on Health and Wellness.* The optical retail industry is poised to benefit from expansive trends underlying an increasing societal focus on health and wellness. Consumers want personalized solutions that allow them to make informed decisions about their health. Additionally, rising healthcare costs are driving a growing emphasis on preventative healthcare. Eye exams can detect a host of physical ailments, such as hypertension or diabetes, and are one of the most inexpensive and effective forms of detection for many of these issues. As consumers continue to develop greater awareness of health and wellness issues, there is an opportunity for retailers that are able to offer personalized, inexpensive, health-oriented products and services that can increase quality

of life and reduce an individual's overall level of healthcare expenditures. Furthermore, this increased focus on health means that people are living longer, which increases the overall demand for vision care and the frequency with which people visit their eye care practitioners for vision care products and services.

Value Chains Gaining Market Share in Optical Retail Industry

Providing consumers with quality vision care and products involves multiple steps and several parties. In the process of purchasing vision care products a consumer will interact directly with eye care practitioners who prescribe (and may also dispense) products. Consumers may likewise interact with optical retail outlets who retail and dispense products, and may offer on-site optometry services to increase customers' convenience. Retailers also assist consumers in selecting and fitting vision care products, and directly or through third parties, manufacture and finish vision care products and their components. As part of the purchase, the consumer and retailer may interact with an insurance company or managed vision care provider. Further, vision care and optical retail require compliance with numerous regulations, which often vary by state. The industry experience and knowledge to initiate and maintain relationships across all of these parties is crucial to the success of optical retailers.

Several key factors drive the changing dynamics across the optical retail market:

- Optical Retail Chains Gaining Market Share From Independents. As a result of customers' desire for the convenience of a one-stop shop with a broad product selection, strong customer service and competitive prices, larger optical retailers have gained market share from independent practitioners over the past approximately 20 years, with total market share of the ten largest optical retailers in the United States increasing from 18% in 1992 to 32% in 2016, according to 20/20 Magazine and Vision Monday. Despite this growth, the top ten optical retailers still have a relatively small share of the overall market, and the largest optical retailers are well-positioned to continue increasing their share.
- Value Chains Are Growing Faster Than Industry. According to Vision Monday estimates, from 2007 to 2016, the
 value segment of the U.S. optical retail industry grew at a CAGR of 6.6%, nearly twice the rate of the broader optical
 retail industry. Increased consumer cost consciousness has shifted market share toward value optical retail chains and
 mass merchants that serve the value segment. To the extent this trend continues, the value segment is expected to
 continue to outpace overall industry growth.
- *E-commerce.* The optical retail industry is currently underpenetrated in the e-commerce channel relative to other categories of retail. This is due to inherent penetration barriers that make optical retail better suited for omni-channel offerings rather than pure e-commerce. Although contact lenses lend themselves more to online purchases than do eyeglasses, users still generally need to visit an eye care practitioner or a store to update their prescription. Such visits are an opportunity to sell an annual supply of contact lenses to the customer.

Our Competitive Advantages

Our history of profitable growth is founded on a commitment to a relatively simple business model: providing exceptional value and convenience to customers, enabled by our low-cost operating platform. This business model has multiple areas of competitive advantage:

• Highly-differentiated and Defensible Value Proposition. Our value price positioning extends across our entire portfolio of brands. We offer among the lowest price points in the optical retail industry and this highly-compelling customer value positioning has been a critical driver of our outsized market share gains and revenue growth. Through its arrangements with individual optometrists or professional corporations owned by eye care practitioners, America's Best is able to offer customers two distinctive bundled eyewear pricing offers: (i) the two-pairs of eyeglasses offer for \$69.95, including an eye exam, and (ii) the Eyecare Club program, which offers several years of eye exams plus a discount on products for a low price. In addition, Eyeglass World's opening price point offer of two pairs of eyeglasses for \$78.00 is among the lowest in our industry. Based on a recent study of leading optical retailers and based on these bundled offers, we believe that America's Best and Eyeglass World's opening price

points for eyeglasses and an eye exam are currently 74% and 37% lower on a per-pair basis than the next lowest retailer surveyed and 82% and 56% lower than the average of independent retailers surveyed, respectively, each as indicated in the chart below:

Note: One-pair price for "two-pair shops" calculated by dividing "two-pair price" by two and adding back exam price. For retailers who do not provide eye exams, the average exam price of the other retailers shown has been used.

We are also committed to providing our customers with high levels of in-store customer service and a convenient and compelling shopping experience. On-site optometrists enable a convenient one-stop shop for the clinically-assisted sale of eye exams and eyewear and attract customers. We believe that the comprehensive proposition of our value pricing, the breadth and quality of our product mix and high levels of customer service drive repeat visits and customer loyalty, engagement and ambassadorship.

Our optical retail offerings are also more defensible to potential e-commerce pressure relative to other categories of retail. This is due to inherent penetration barriers that make optical retail better suited for omni-channel offerings rather than pure e-commerce. Eye exams typically require in-person visits to eye care practitioners or stores and customers generally want to try eyeglasses on before purchasing as slight changes in style, size and color can make a meaningful difference to the functionality and visual appeal of the eyeglass frame. Lastly, the service and sales consultations provided by our on-site vision care professionals and in-store associates are a key part of the vision correction product purchase process, which cannot be replicated online.

Leading Low-cost Operating Model. Our low-cost structure allows us to maintain our low prices to our customers
while generating attractive margins. This low-cost structure is a result of our highly-efficient laboratory network and
manufacturing capabilities. Orders are routed via a centralized proprietary system to the appropriate processing
laboratory, minimizing cost and delivery time. Through a combination of volume increases, continuous operating
efficiency improvements and implementation of technological enhancements across our laboratory network, we have
increased the number of orders

processed through our laboratory network by more than 100% and reduced the cost per job by 13% from fiscal year 2009 to fiscal year 2016. This has allowed us to maintain our introductory offer of two-pairs of eyeglasses and an eye exam for \$69.95 at America's Best for over ten years.

Our scale and business model allow us to benefit from procurement and real estate cost structure advantages as well as efficiencies in advertising spend and corporate management. As a result of these factors, we are able to drive attractive profitable growth, while maintaining industry-low prices for our customers.

- Best-in-class Management Team with Deep Optical Experience. Our company is led by a highly-accomplished and proven management team with deep expertise. The current team is one of the longest-tenured in the optical retail industry, averaging 23 years of optical or similar retail experience. Importantly, many of our management team members have come from the optical industry, providing great insight. Our management team has also been a cohesive unit, with an average of 13 years at National Vision and low senior management turnover. Collectively, this team has a wide range of experience across optical merchandising, store openings, customer engagement, operations, omnichannel platform and technology. Combining this operational expertise with a finely-tuned formulaic playbook, management has achieved an impressive long-term track record of significant industry outperformance and generated positive comparable store sales growth in every quarter since 2002, when this management team took over, including during periods of economic contraction.
- Diverse Portfolio of Attractive Brands. We have a differentiated collection of five complementary brands, four of which are supported by either our omni-channel or e-commerce platform, that all target the fast-growing value segment within the U.S. optical retail industry. America's Best and Eyeglass World, our owned brands, have been the primary source of our store growth. Our partner brands (Vision Centers in Walmart and Vista Optical in Fred Meyer stores and on U.S. military bases) are based in well-known, high-traffic environments, exhibit low capital intensity and generate reliable cash flow. Our omni-channel and e-commerce platforms allow us to capture digital sales and serve as an educational resource for our customers. In the aggregate, we believe that this diverse combination of brands exhibits a strong economic profile that combines robust growth potential with significant free cash flow generation.
- **Proven Real Estate Site Selection Process.** We locate our owned stores in highly-desirable retail developments surrounded by dense concentrations of our target customers, resulting in strong performance across our store base. We have rarely closed or relocated a store due to underperformance, and our five-year rolling average new store success rate—defined as the percentage of stores opened in the last five years that are still open—was 99% as of July 1, 2017. We have long-standing relationships with many leading commercial real estate firms and believe that we are a preferred tenant given our brands and the high volume of customers that visit our stores. As a result, we believe we will continue to have access to desirable retail sites.
- Strong Partnerships with Retail Partners and Vendors. We have developed extensive and long-term strategic relationships with our frame and lens suppliers, our host and legacy partners and managed vision care companies. Our strong vendor relationships and scale allow us to maintain broad, on-trend assortments, competitive pricing and favorable payment terms. We have maintained and broadened relationships with our host and legacy partners over several decades. For example, in 2012, we expanded our relationship with Walmart to manage walmartcontacts.com and samsclubcontacts.com and to undertake the back-end logistics and fulfilment services for Walmart's "ship-to-home" contact lens sales and for virtually all of Sam's Club contact lens orders. We have also developed strong relationships with managed vision care companies through our network of stores, efficient billing and focus on value. We continually seek to partner with additional managed vision care payors and to increase participation in our partners' networks. We believe that our above-market growth is also an attractive growth driver for our business partners and positions us as a preferred retailer for key vendors and industry partners.

• Deep Experience with the Regulatory Complexity of the Optical Industry. There are extensive and diverse sets of laws and regulations governing the provision of vision care. As a result, regulatory compliance for optical retailers in the United States is complicated and time-consuming, involving many regulatory bodies and licensing agencies at both the federal and state levels. We believe that our deep knowledge of the optical regulatory framework and our significant compliance experience provide us with an important competitive advantage. We also believe that these compliance and licensure requirements, and related costs, serve as a significant hurdle for potential new entrants into the optical retail industry.

Our Growth Strategies

We believe that we have the right strategy and execution capabilities to capitalize on the substantial growth opportunities afforded by our business model. We intend to further drive growth from five distinct sources:

- *Grow Our Store Base.* We believe that our expansion opportunities in the United States are significant. We have adopted a disciplined expansion strategy designed to leverage the strengths of our compelling and distinct value proposition and recognized America's Best and Eyeglass World brand names to develop new stores successfully in an array of markets that are primed for growth, including new, existing, small and large markets. In the aggregate, we have opened 458 stores on a net basis (opened 512 new stores and closed 54 stores) over the last decade and, in the past three years, we have increased our new store growth to 75 new stores per annum. We have an established partnership with a third party real estate firm to evaluate potential new America's Best and Eyeglass World stores and our analysis suggests that we can grow America's Best to at least 1,000 stores and Eyeglass World to at least 850 stores. These two brands can grow from approximately 670 stores at present to a total of at least 1,850 stores, with similar economics to the existing store base. In the near term, our primary focus will be to open new America's Best stores, most notably in California, with a longer-term focus on expanding our Eyeglass World store footprint. We believe that our consistent track record of successfully opening stores across vintages, geographies and markets demonstrates our ability to further increase our store count and, as a result, we believe that our current level of new store growth of 75 stores per annum is sustainable for the foreseeable future.
- **Drive Comparable Store Sales Growth.** We expect that our value proposition will generate profitable comparable store sales growth. The vast majority of our comparable store sales growth over the past five years have been driven by increased traffic. The typical eyewear replacement cycle, which we estimate is two to three years, creates substantial opportunity for us to increase sales from our existing customer base. We continually improve our in-store shopping experience and enhance our solutions-based service approach to increase the volume of customer traffic to our stores. We also expect to increase customer traffic by improving marketing programs and omni-channel offerings, and by expanding our participation in managed vision care programs. We are currently underpenetrated in the managed vision care market relative to the broader optical retail industry. We expect that these collective initiatives will help us to attract new customers to our stores and increase the frequency of purchases by our existing customers.
- Improve Operating Productivity. We believe that our continued growth will provide further opportunities to improve operating margin over time. Growth, both in revenue and stores, will enable us to leverage corporate overhead, our centralized laboratory network and our advertising spend. In conjunction with America's Best's 2016 entry into the California market, we expect to benefit from launching a national network television advertising campaign, which we believe is more cost effective than our current local market campaigns. We expect that this national campaign will raise our brand awareness in both existing and new markets, allowing us to save advertising spend when entering new markets. We also believe that continued efficiencies in store operations and technological advancements in our centralized laboratory network will further enhance margins.

In the past three years, we have accelerated store openings of America's Best and Eyeglass World to 75 stores per annum. Based on the consistency and predictability of the maturation process for our existing store base, we believe that there are significant embedded earnings in these maturing stores. For

indicative purposes, assuming that each of our open but not mature America's Best and Eyeglass World stores as of December 31, 2016 were able to attain the average fifth-year financial performance of our existing mature America's Best and Eyeglass World stores, we would have generated an additional approximately \$67 million of revenues and approximately \$45 million of EBITDA for our owned & host segment in fiscal year 2016.

- Leverage Technology to Optimize and Expand the Business. Our experienced management team has consistently leveraged innovative strategies to grow our business and remain at the forefront of technological development in the optical retail industry. We have invested significantly in technological improvements to position us for future growth. We plan to continue investing in software solutions that further develop our omni-channel platform and enhance our customer engagement capabilities. Going forward, we will also continue to invest in tools to improve the quality of the in-store eye exam experience. Since eye exams are a critical service element of our business, we believe that investing in technology to improve this experience will aid in retention of both customers and optometric talent. We are regularly presented with opportunities to invest in technological innovators across the optical retail industry and we have invested \$8.6 million in venture-backed emerging companies since June 2014. We believe that these investments provide direct access to optical technology innovators, giving us a deeper understanding of emerging trends and developments. We are thus in a better position to evolve our products and services to meet the needs of our customers.
- *Explore Strategic Opportunities.* We will selectively evaluate strategic acquisition opportunities from time to time as part of our growth strategy.

The summary historical financial data as of July 1, 2017 (Successor) and for each of the six months ended July 1, 2017 (Successor) and July 2, 2016 (Successor) has been derived from our unaudited condensed consolidated financial statements included elsewhere in this prospectus. The unaudited condensed consolidated financial statements were prepared on a basis consistent with the audited consolidated financial statements and, in the opinion of management, reflect all adjustments, consisting only of normal and recurring adjustments, necessary for a fair statement of the financial information. The results for any interim period are not necessarily indicative of the results that may be expected for the full year.

The summary unaudited pro forma consolidated financial data presented below has been derived from our unaudited pro forma consolidated financial statements included elsewhere in this prospectus. The summary unaudited pro forma consolidated statements of operations data for the six months ended July 1, 2017 and the year ended December 31, 2016 gives effect to (i) the borrowing of an additional \$175.0 million of incremental term loans under our first lien credit agreement on February 3, 2017 and (ii) the payment on February 3, 2017 of a dividend (and dividend equivalent payments) of \$171.0 million to our stockholders and holders of vested options out of the proceeds from the incremental term loans (transactions described in clauses (i) and (ii) collectively, the "February 2017 Recapitalization"), as if all such transactions had occurred on January 3, 2016. The unaudited pro forma financial information includes various estimates which are subject to material change and may not be indicative of what our operations or financial position would have been had such transactions taken place on the dates indicated, or that may be expected to occur in the future. See "Unaudited Pro Forma Consolidated Financial Information" for a complete description of the adjustments and assumptions underlying the summary unaudited pro forma consolidated financial data. The unaudited pro forma consolidated financial data is included for information purposes only.

The summary historical consolidated financial and other data should be read in conjunction with, and are qualified by reference to, "Unaudited Pro Forma Consolidated Financial Information," "Selected Historical Consolidated Financial Data," "Management's Discussion and Analysis of Financial Condition and Results of Operations" and our audited consolidated financial statements and related notes and our unaudited condensed consolidated financial statements and related notes thereto, each included elsewhere in this prospectus.

⁽¹⁾ We define EBITDA as net income (loss), plus interest expense, income tax provision (benefit) and depreciation and amortization. We define Adjusted EBITDA as EBITDA, further adjusted to exclude stock compensation expense, costs associated with debt refinancing, asset impairment, non-cash inventory write-offs, purchase accounting inventory adjustment, acquisition-related expenses, management fees, new store pre-opening expenses, non-cash rent, litigation settlement and other expenses. We describe these adjustments reconciling net income (loss) to EBITDA and Adjusted EBITDA in the tables below. We define Adjusted Net Income as net income (loss), plus stock compensation expense, costs associated with debt refinancing, asset impairment, non-cash inventory write-offs, purchase

accounting inventory adjustment, acquisition-related expenses, management fees, new store pre-opening expenses, non-cash rent, litigation settlement, amortization of acquisition intangibles and deferred financing costs and other expenses, less the tax effect of these adjustments. We describe these adjustments reconciling net income (loss) to Adjusted Net Income in the tables below.

EBITDA, Adjusted EBITDA and Adjusted Net Income have been presented in this prospectus as supplemental measures of financial performance that are not required by, or presented in accordance with GAAP, because we believe they assist investors and analysts in comparing our operating performance across reporting periods on a consistent basis by excluding items that we do not believe are indicative of our core operating performance. Management believes EBITDA, Adjusted EBITDA and Adjusted Net Income are useful to investors in highlighting trends in our operating performance, while other measures can differ significantly depending on long-term strategic decisions regarding capital structure, the tax jurisdictions in which we operate and capital investments. We also use EBITDA, Adjusted EBITDA and Adjusted Net Income to supplement GAAP measures of performance in the evaluation of the effectiveness of our business strategies, to make budgeting decisions, to establish discretionary annual incentive compensation and to compare our performance against that of other peer companies using similar measures. Management supplements GAAP results with non-GAAP financial measures to provide a more complete understanding of the factors and trends affecting the business than GAAP results alone.

EBITDA, Adjusted EBITDA and Adjusted Net Income are not recognized terms under GAAP and should not be considered as an alternative to net income (loss) or income (loss) from operations as a measure of financial performance or cash flows provided by operating activities as a measure of liquidity, or any other performance measure derived in accordance with GAAP. Additionally, these measures are not intended to be a measure of free cash flow available for management's discretionary use as they do not consider certain cash requirements such as interest payments, tax payments and debt service requirements. EBITDA, Adjusted EBITDA and Adjusted Net Income should not be construed to imply that our future results will be unaffected by unusual or non-recurring items. In evaluating EBITDA, Adjusted EBITDA and Adjusted Net Income, you should be aware that in the future we may incur expenses that are the same as or similar to some of the adjustments in this presentation. Our presentation of EBITDA, Adjusted EBITDA and Adjusted Net Income should not be construed to imply that our future results will be unaffected by any such adjustments. Management compensates for these limitations by primarily relying on our GAAP results in addition to using EBITDA, Adjusted EBITDA and Adjusted Net Income supplementally.

The presentations of these measures have limitations as analytical tools and should not be considered in isolation, or as a substitute for analysis of our results as reported under GAAP. Some of these limitations are:

- · they do not reflect costs or cash outlays for capital expenditures or contractual commitments;
- they do not reflect changes in, or cash requirements for, our working capital needs;
- EBITDA and Adjusted EBITDA do not reflect the interest expense, or the cash requirements necessary to service interest or principal payments, on our debt:
- EBITDA and Adjusted EBITDA do not reflect period to period changes in taxes, income tax expense or the cash necessary to pay income taxes;
- they do not reflect the impact of earnings or charges resulting from matters we consider not to be indicative of our ongoing operations, including costs related to new store openings, which are incurred on a non-recurring basis with respect to any particular store when opened;
- although depreciation and amortization are non-cash charges, the assets being depreciated and amortized will often have to be replaced in the future, and EBITDA and Adjusted EBITDA do not reflect cash requirements for such replacements; and
- · other companies in our industry may calculate these measures differently than we do, limiting their usefulness as comparative measures.

Because of these limitations, EBITDA, Adjusted EBITDA and Adjusted Net Income should not be considered as measures of discretionary cash available to invest in business growth or to reduce indebtedness.

The following tables provide a reconciliation of net income (loss) to EBITDA, Adjusted EBITDA and Adjusted Net Income for the periods presented:

⁽a) Non-cash charges related to stock-based compensation programs, which vary from period to period depending on the timing of awards.

⁽b) Fees associated with the borrowing of \$150.0 million in additional principal under our first lien credit agreement during the second fiscal quarter of 2015 and the borrowing of \$175.0 million in additional principal under our first lien credit agreement during the six months ended July 1, 2017.

⁽c) Non-cash charges related to impairment of long-lived assets, primarily goodwill in our Vista Optical in Fred Meyer brand and our AC Lens business.

⁽d) Reflects write-offs of inventory relating to the expiration of a specific type of contact lenses that could not be sold and required disposal.

- (e) Reflects an inventory step-up resulting from the application of purchase accounting to the Successor, which is recorded in costs applicable to revenue in the statement of operations.
- (f) Reflects expenses associated with the KKR Acquisition.
- (g) Reflects management fees paid to KKR Sponsor and Berkshire in accordance with our monitoring agreement with them.
- (h) Pre-opening expenses, which include marketing and advertising, labor and occupancy expenses incurred prior to opening a new store, are generally higher than comparable expenses incurred once such store is open and generating revenue. We believe that such higher pre-opening expenses are specific in nature and amount to opening a new store and as such, are not indicative of ongoing core operating performance. We adjust for these costs to facilitate comparisons of store operating performance from period to period. Pre-opening costs are permitted exclusions in our calculation of Adjusted EBITDA pursuant to the terms of our existing credit agreements.
- (i) Consists of the non-cash portion of rent expense, which reflects the extent to which our straight-line rent expense recognized under GAAP exceeds or is less than our cash rent payments. The adjustment can vary depending on the average age of our lease portfolio, which has been impacted by our significant growth in recent years. For newer leases, our rent expense recognized typically exceeds our cash rent payments, while for more mature leases, rent expense recognized under GAAP is typically less than our cash rent payments.
- Amounts accrued related to settlement of litigation. See "Business—Legal Proceedings" and Note 8 in our unaudited condensed consolidated financial statements included elsewhere in this prospectus for further details.
- Other adjustments include amounts that management believes are not representative of our operating performance (amounts in brackets represent reductions in Adjusted EBITDA and Adjusted Net Income), including our share of losses on equity method investments of \$0.3 million, \$0.9 million, \$1.4 million, \$0.7 million and \$0.3 million for the 2014 Successor period and fiscal years 2015 and 2016 and the six months ended July 2, 2016 and July 1, 2017, respectively; the amortization impact of the KKR Acquisition-related adjustments (e.g., fair value of leasehold interests) of \$(1.1) million, \$(0.7) million, \$(0.7) million, \$(0.4) million and \$(0.2) million for the 2014 Successor period, fiscal years 2015 and 2016 and the six months ended July 2, 2016 and July 1, 2017, respectively, and \$(0.6) million and \$(0.5) million for fiscal years 2012 and 2013, respectively, related to prior acquisitions; expenses related to preparation for being an SEC registrant that were not directly attributable to this offering and therefore not charged to equity of \$0.1 million, \$0.5 million, \$2.0 million, \$0.3 million and \$1.2 million for the 2014 Successor period, fiscal years 2015 and 2016 and the six months ended July 2, 2016 and July 1, 2017, respectively; differences between the timing of expense versus cash payments related to contributions to charitable organizations during fiscal year 2015 of \$3.0 million, \$(1.0) million, \$(0.5) million and \$(0.5) million for fiscal years 2015 and 2016 and the six months ended July 2, 2016 and July 1, 2017, respectively; costs of severance and relocation of \$0.8 million, \$0.2 million, \$0.7 million, \$0.5 million, \$1.1 million, \$0.4 million and \$0.3 million for fiscal years 2013, the 2014 Predecessor period, the 2014 Successor period, the fiscal years 2015 and 2016 and the six months ended July 2, 2016 and July 1, 2017, respectively; non-cash write-down of property and equipment of \$1.0 million, \$0.5 million, \$1.2 million, \$0.2 million and \$0.2 million for fiscal year 2013, the 2014 Predecessor period, the 2014 Successor period, fiscal years 2015 and 2016, respectively; and other expenses and adjustments totaling \$3.9 million, \$(0.1) million, \$0.1 million, \$0.9 million, \$0.8 million, \$0.6 million, \$0.1 million and \$71,000 for fiscal years 2012 and 2013, the 2014 Predecessor period, the 2014 Successor period, the fiscal years 2015 and 2016 and the six months ended July 2, 2016 and July 1, 2017, respectively. For fiscal year 2012, \$3.9 million in other expenses and adjustments included \$3.5 million in expenses related to our renegotiation with our legacy partner.
- (I) Amortization of acquisition intangibles related to the additional expense incurred due to the increase in the carrying values of amortizing intangible assets as a result of the KKR Acquisition of \$6.0 million, \$7.4 million, \$7.4 million, \$3.7 million and \$3.7 million for the 2014 Successor period, fiscal years 2015 and 2016 and the six months ended July 2, 2016 and July 1, 2017, respectively. Amortization of deferred financing costs is primarily associated with the March 2014 term loan borrowings in connection with the KKR Acquisition and, to a lesser extent, amortization of deferred loan discount costs associated with the May 2015 and February 2017 incremental first lien term loans of \$2.8 million, \$3.8 million, \$3.9 million \$2.0 million and \$2.0 million for the 2014 Successor period, fiscal years 2015 and 2016, and the six months ended July 2, 2016 and July 1, 2017, respectively.
- (m) Represents the tax effect of the total adjustments at our estimated effective tax rate.

RISK FACTORS

An investment in our common stock involves risk. You should carefully consider the following risks as well as the other information included in this prospectus, including "Selected Historical Consolidated Financial Data," "Management's Discussion and Analysis of Financial Condition and Results of Operations," and our consolidated financial statements and related notes, before investing in our common stock. Any of the following risks could materially and adversely affect our business, financial condition, or results of operations. The selected risks described below, however, are not the only risks facing us. Additional risks and uncertainties not currently known to us or those we currently view to be immaterial may also materially and adversely affect our business, financial condition, or results of operations. In such a case, the trading price of our common stock could decline and you may lose all or part of your investment.

Risks Related to Our Business

If we fail to open and operate new stores in a timely and cost-effective manner or fail to successfully enter new markets, our financial performance could be materially and adversely affected.

Our growth strategy depends, in large part, on growing our store base and expanding our operations, both in existing and new geographic regions, and operating our new stores successfully. We cannot assure you that our contemplated expansion, including our further expansion in the California market, will be successful.

Our ability to successfully open and operate new stores depends on many factors, including, among others, our ability to:

- recruit and retain qualified vision care professionals (who may be licensed or unlicensed, depending on state regulations) for any new store;
- address regulatory, competitive, merchandising, marketing, distribution and other challenges encountered in connection with expansion into new markets;
- hire, train and retain an expanded workforce of store managers and other personnel;
- maintain adequate laboratory, distribution facility, information system and other operational system capabilities;
- successfully integrate new stores into our existing management structure and operations, including information system integration;
- negotiate acceptable lease terms at suitable retail locations;
- · source sufficient levels of inventory at acceptable costs;
- obtain necessary permits and licenses;
- construct and open our stores on a timely basis;
- generate sufficient levels of cash or obtain financing on acceptable terms to support our expansion;
- participate in managed care arrangements for new stores;
- · achieve and maintain brand awareness in new and existing markets; and
- identify and satisfy the merchandise and other preferences of our customers.

Our failure to effectively address challenges such as these could adversely affect our ability to successfully open and operate new stores in a timely and cost-effective manner.

In addition, there can be no assurance that newly-opened stores will achieve net sales or profitability levels comparable to those of our existing stores in the time periods estimated by us, or at all. If our stores fail to achieve, or are unable to sustain, acceptable total net sales and profitability levels, our business may be materially harmed and we may incur significant costs associated with closing those stores. Our plans to accelerate the growth of our store base may increase this risk.

Accordingly, we cannot assure you that we will achieve our planned growth or, even if we are able to grow our store base as planned, that our new stores will perform as expected. Our failure to implement our growth strategy and to successfully open and operate new stores in the time frames and at the costs estimated by us could have a material adverse effect on our business, financial condition and results of operations.

We will require significant capital to fund our expanding business. If we are unable to maintain sufficient levels of cash flow from our operations, we may not be able to execute or sustain our growth strategy or we may require additional financing, which may not be available to us on satisfactory terms or at all.

To support our expanding business and execute our growth strategy, we will need significant amounts of capital, including funds to pay our lease obligations, build out new store spaces, laboratories and distribution centers, purchase inventory, pay personnel and further invest in our infrastructure and facilities. Further, our plans to grow our store base may create cash flow pressure if new locations do not perform as projected. In the past, we have primarily depended on cash flow from operations to fund our business and growth plans. Upon the closing of this offering, we expect that we will continue to primarily depend on cash flow from operations to fund our business and growth plans. If we do not generate sufficient cash flow from operations, we may need to obtain additional equity or debt financing. Tightening in the credit markets, low liquidity and volatility in the capital markets could result in diminished availability of credit, higher cost of borrowing and lack of confidence in the equity market, making it more difficult to obtain additional financing on terms that are favorable to us. If such financing is not available to us, or is not available on satisfactory terms, our ability to operate and expand our business could be curtailed and we may need to delay, limit or eliminate planned store openings or operations or other elements of our growth strategy.

Failure to recruit and retain vision care professionals for our stores could adversely affect our business, financial condition and results of operations.

Our ability to hire and/or contract with vision care professionals for our stores is critical to our operations as well as our growth strategy. Our operations, like those of many of our competitors, depend on our ability to offer both eyewear and eye exams. In particular, our America's Best brand promotes bundled offers of eyewear and eye exams, which require the availability of optometrists in or near our stores. Furthermore, many states require that opticians be licensed to dispense and fit eyeglasses and contact lenses. In addition, failure to have vision care professionals available in or near our stores could adversely affect our ability to win managed vision care contracts.

Our ability to attract and retain vision care professionals depends on several factors. We compete with other optical retail companies, health systems and group practices for vision care professionals. We, as well as the professional corporations that employ optometrists in our retail locations, could face difficulties attracting and retaining qualified professionals if we or such corporations fail to offer competitive compensation and benefits. Increased compensation for vision care professionals could raise our costs and put pressure on our margins. We believe that the demand for optometrists in particular is likely to exceed supply in the near future and that the costs to employ or retain optometrists are likely to increase, potentially materially, from current levels.

Additionally, our ability to recruit, hire and/or contract with vision care professionals is closely regulated. For example, there is a risk that state authorities in some jurisdictions may find that our contractual relationships with our optometrists or professional corporations that employ optometrists violate laws prohibiting the corporate practice of medicine/optometry, in which case we may be required to restructure these arrangements, which may make it more difficult for us to attract and retain their services. See "Business—Regulatory Overview."

A material change in our relationship with vision care professionals, whether resulting from a dispute with an eye care practitioner or a group of eye care practitioners controlling multiple practice locations, a government or regulatory authority challenging our operating structure or our relationship with vision care professionals or other changes to applicable laws or regulations (or interpretations of the same), or the loss of these relationships, could impair our ability to provide services to our customers, cause our customers to go elsewhere for their optical needs, or result in legal sanctions against us. In addition, some optometrists provide, through their professional corporations, the vision care services at a number of our retail locations, exposing us to some concentration risk. A material change to any of the foregoing relationships could have a material adverse effect on our business, financial condition and results of operations. Any difficulties or delays in securing the services of these professionals could also adversely affect our relationships with our host and legacy partners.

We are subject to extensive state, local and federal vision care and healthcare laws and regulations and failure to adhere to such laws and regulations would adversely affect our business.

We are subject to extensive state, local and federal vision care and healthcare laws and regulations. See "Business—Regulatory Overview."

Many states regulate relationships between optical retailers and eye care practitioners. Many states interpret the corporate practice of medicine/optometry rules broadly to prohibit employment of eye care practitioners by corporations like us and to prohibit various financial arrangements, such as fee-splitting, between eye care practitioners and other entities. We have implemented arrangements with optometrists and professional corporations owned by eye care practitioners that regulators could seek to challenge, such as America's Best's bundled offers of eye exams and eyewear. The laws applicable to us are also subject to evolving interpretations. As such, we must monitor our compliance with laws in every jurisdiction in which we operate on an ongoing basis and we cannot guarantee that subsequent interpretation of the applicable laws will not further circumscribe our business operations. In addition, the arrangements into which we have entered could subject us to additional scrutiny by federal and state regulatory bodies regarding federal and state fraud and abuse laws.

All states license the practice of ophthalmology and optometry and many states license opticians. The dispensing of prescription eyewear is further regulated in most states in which we do business. In some states, we are also required to register our stores. Our failure, or the failure of vision care professionals who are our employees or with whom we have contractual arrangements, to obtain and maintain appropriate licenses could result in the unavailability of vision care professionals in or near our stores, loss of sales and/or the closure of our stores without licensed professionals.

We must also comply with the Fairness to Contact Lens Consumers Act, or FCLCA, and its implementing regulations, with respect to verifying contact lens prescriptions in connection with our sales of contact lenses. Our extended warranty plans may subject us to state laws, which vary by state, that regulate the sale of product service contracts. It is possible that regulators in certain states could determine that our warranty plans should be subject to these laws and mandate that we comply with various registration, disclosure and financial requirements. In such event, we could be required to incur enhanced compliance costs, as well as the risk of cease and desist orders and monetary penalties.

We are subject to the Health Insurance Portability and Accountability Act of 1996, or HIPAA, the Health Information Technology for Economic and Clinical Health Act of 2009, or HITECH Act, and the health data privacy, security and breach notification regulations issued pursuant to these statutes, which govern our collection, use, access, disclosure, transmission and/or storage of protected health information, or PHI, in connection with the sales of our products and services, customer service, billing and employment practices. In addition, there are state privacy, security and breach notification laws and regulations that apply to both PHI and personally identifiable information, or PII, collected by us. Our failure to effectively implement the required or addressable data privacy and security safeguards and breach notification procedures, or our failure to accurately anticipate the application or interpretation of these statutes, regulations and standards, could lead to invalidation or modification of our agreements with optometrists or professional corporations owned by eye care practitioners, create material civil and/or criminal liability for us or require us to change our business practices, which could result in adverse publicity, and have a material adverse effect on our business, financial condition and results of operations. In addition to applicable U.S. law, the collection, use, access, disclosure, transmission and storage of PHI and other sensitive data is subject to regulation in foreign jurisdictions in which we do business or expect to do business in the future, in particular through the operations of our websites, and data privacy and security laws and regulations in some of these jurisdictions may be more stringent than those in the United States.

Our participation in federal healthcare programs, such as Medicare and Medicaid, requires us to comply with laws regarding the way in which we conduct business and submit claims. These laws include the federal anti-kickback statute, which attaches criminal liability to unlawful inducements for the referral of business reimbursable under federally-funded healthcare programs; the federal self-referral laws, which attach repayment and monetary damages where a healthcare service provider seeks reimbursement for providing certain services to a patient who was referred by a physician that has certain types of direct or indirect financial relationships with such service provider; and the False Claims Act, or the FCA, which attaches per-claim liability and potentially treble damages to the filing of false claims for federal payment. Many states have also adopted similar laws that

apply to any third-party payor including commercial plans. Our operating results could be negatively impacted by developments in these areas due to the costs of compliance in addition to possible civil and criminal penalties, litigation and exclusion from government healthcare programs in the event of deemed noncompliance.

In addition, a person who offers or transfers to a federal healthcare program beneficiary any remuneration, including the transfer of items or services for free or other than fair market value, that the person knows or should know is likely to influence the beneficiary's selection of a particular provider, practitioner or supplier of Medicare or Medicaid payable items or services, may be liable for significant civil monetary penalties. Although this prohibition applies only to federal healthcare program beneficiaries, the provision of free items and services to patients covered by commercial payors may implicate applicable state laws related to, among other things, unlawful schemes to defraud, excessive fees for services, tortious interference with patient contracts and statutory or common law fraud. In addition, state regulators or boards of optometry may also challenge our promotional practices, including America's Best's bundled offers, as, among other things, violating applicable state laws regarding unfair competition or false advertising to consumers. To the extent our promotional programs are found to be inconsistent with applicable laws, we may be required to restructure or discontinue such programs, or be subject to other significant penalties.

Eyeglasses and contact lenses are regulated as medical devices in the United States by the Federal Food and Drug Administration, or the FDA, and under the U.S. Federal Food, Drug and Cosmetic Act, or the FDC Act, such medical devices must meet a number of regulatory requirements. We do not hold any marketing authorizations for the eyeglasses and contact lenses that we sell as we serve as the retailer for third-party manufacturers' devices. We cannot provide assurance that such third-party manufacturers' eyeglasses or contact lenses we sell comply with these regulatory requirements. We also engage in certain manufacturing, repackaging and relabeling activities that subject us to direct oversight by the FDA under the FDC Act and its implementing regulations. If we, or any of the third-party manufacturers whose products we sell, fail to comply with applicable requirements, we or they may be subject to legal action by the U.S. Department of Justice, or the DOJ, on behalf of the FDA and/or various forms of FDA enforcement and compliance actions, which include recalls, fines, penalties, injunctions, seizures, prosecutions, adverse publicity (such as FDA press releases) or other adverse actions.

Our failure to comply with the applicable regulations could have severe consequences, including the closure of our stores, possible breaches of the agreements relating to certain of our brands, changes to our way of doing business, and the imposition of fines and penalties.

Future operational success depends on our ability to develop and maintain relationships with managed vision care companies, vision insurance providers and other third-party payors.

An increasing percentage of our customers receive vision insurance coverage through managed care payors. These payors represent an increasingly significant portion of our overall revenues and our revenue growth. Currently, a relatively small number of payors comprise the majority of our managed care revenues, subjecting us to concentration risk. Our future operational success could depend on our ability to negotiate contracts with managed vision care companies, vision insurance providers and other third-party payors, several of whom have significant market share. We may be unable to establish or maintain satisfactory relationships with managed care and other third-party payors. In addition, many managed care payors have existing provider structures in place that they may be unable or unwilling to change. Some vertically-integrated payors also have their own networks, and these payors may take actions to maintain or protect these networks in ways that negatively affect us, including by not allowing our new or existing stores to participate in their networks. Increasing consolidation in the optical industry may give such payors greater market power which may adversely affect our ability to negotiate reimbursement rates under managed care arrangements. Our inability to enter into arrangements with managed care payors in the future could have a material adverse effect on our business, financial condition and results of operations. In addition, delays in receiving or the failure to receive reimbursements under our managed care arrangements or the loss of a significant managed care contract or relationship could have a significant negative impact on our business, financial condition and results of operations.

If we are unable to maintain our current operating relationships with our host and legacy partners, our business, profitability and cash flows may be adversely affected.

We derive significant revenues and operating cash flows from our relationships with our legacy and host partners through our operations of 227 Vision Centers in Walmart stores, 29 Vista Optical locations within Fred

Meyer stores and 57 Vista Optical locations on military bases. Through our subsidiary, FirstSight, we also arrange for the provision of optometric services at almost all of the optometric offices next to Walmart stores and Sam's Club locations in California.

Termination of our host and legacy agreements could result in a reduction of our revenues and operating cash flows, which could be material and which could adversely affect our business, financial condition and results of operations. The loss of our Vision Centers or Vista Optical locations could impair our ability to attract and retain management and retail associates, compete for managed vision care contracts, obtain favorable terms, such as discounts and rebates, from optical vendors and generate cash to fund our business and service our debt obligations. We may seek to replace any lost host or legacy locations with new America's Best or Eyeglass World stores but we may not be able to replace the lost revenues and cash flows.

For example, our current management & services agreement with Walmart presents a variety of risks. This agreement permits Walmart to control many aspects of the retail operations at the Vision Centers we manage on behalf of Walmart, including pricing, merchandising and similar matters. If Walmart exercises its rights under this agreement in a way that adversely affects us, our sole remedy would be to terminate the agreement after participating in an informal resolution and, if necessary, a mediation process. There are no assurances that Walmart will not seek to exercise these rights in a manner that is materially adverse to our interests. Our agreement with Walmart also allows Walmart to collect penalties if the Vision Centers do not generate a requisite amount of revenues. We may not be able to maintain the performance levels required and may be forced to pay penalties to Walmart or default under this agreement. Further, a breach by us of the terms and conditions of this agreement could cause us to lose all management fees derived under this agreement, which could adversely affect our financial position and results of operations.

We depend on our distribution centers and optical laboratories. The loss of, or disruption in the operations of, one or more of these facilities may adversely affect our ability to process and fulfill customer orders and deliver our products in a timely manner, or at all, and may result in quality issues, which would adversely affect our reputation, our business and our profitability.

Substantially all of our inventory is shipped directly from suppliers to our two distribution centers in Lawrenceville, Georgia and Columbus, Ohio where the inventory is then processed, sorted and shipped to our stores or to our laboratories for further processing using third-party carriers. We operate laboratory facilities in Lawrenceville, Georgia; St. Cloud, Minnesota; and Salt Lake City, Utah. We also have outsourcing relationships with third-party laboratories in Mexico and China. These laboratories process most of the lenses ordered by our customers in our stores, as well as on our websites. Once processed at the laboratories, the finished products are returned to our distribution centers for shipment to stores, our customers or our business partners.

We depend in large part on the orderly operation of this receiving and distribution process, which depends, in turn, on adherence to shipping schedules and effective management of our distribution centers. Increase in transportation costs (including increases in fuel costs), increased shipping costs, issues with overseas shipments, supplier-side delays, reductions in the transportation capacity of carriers, labor strikes or shortages in the transportation industry, disruptions to the national and international transportation infrastructure and unexpected delivery interruptions or delays also have the potential to derail our distribution process. We face additional risks related to the laboratories in China and Mexico, including port of entry risks such as longshoremen strikes, import restrictions, foreign government regulations, trade restrictions, customs and duties.

In addition, if we change the transportation companies we use, we could face logistical difficulties that could adversely affect deliveries and we could incur costs and expend resources in connection with such change. We also may not be able to obtain terms as favorable as those received from the third-party transportation providers we currently use, which could increase our costs. We also may not anticipate changing demands on our distribution system, including the effect of any expansion we may need to implement in our distribution centers.

Additionally, events beyond our control, such as disruptions in operations due to natural or man-made disasters, inclement weather conditions, accidents, system failures, power outages, political instability, break-in, server failure, work stoppages, slowdowns or strikes by employees, acts of terrorism, widespread illness and other unforeseen or catastrophic events, could damage our optical laboratories and/or distribution centers or render them inoperable, making it difficult or impossible for us to process customer orders for an extended period of time. Such events may also result in delays in our receipt of inventory and the delivery of merchandise between our stores, our optical laboratories and our distribution centers. We could also incur significantly higher

costs and longer lead times associated with distributing inventory during the time it takes for us to reopen or replace one or both of our distribution centers. In addition, the unavailability of, or disruptions to, equipment to process lenses and assemble custom-made eyeglasses or trained operators of such equipment in our optical laboratories could adversely affect our ability to fulfill customer orders in a timely manner. Any disruption to the laboratories' operations may reduce or impair the quality of assembled eyeglasses.

The inability to fulfill, or any delays in processing, customer orders through our laboratory network or any quality issues could result in the loss of customers, issuances of refunds or credits and may also adversely affect our reputation. The success of our stores depends on their timely receipt of products for sale and any repeated, intermittent or long-term disruption in, or failures of, the operations of our distribution centers and/or optical laboratories could result in lower sales and profitability, a loss of loyalty to our brands and excess inventory. The insurance we maintain for business interruption may not cover all risk, or be sufficient to cover all of our potential losses, may not continue to be available to us on acceptable terms, if at all, and any insurance proceeds may not be paid to us in a timely manner.

We face risks associated with vendors from whom our products are sourced.

We purchase all of our merchandise from domestic and international vendors. For our business to be successful, our suppliers must be willing and able to provide us with products in substantial quantities, in compliance with regulatory requirements, at acceptable costs and on a timely basis. Our ability to obtain a sufficient selection or volume of merchandise on a timely basis at competitive prices could suffer as a result of any deterioration or change in our vendor relationships or events that adversely affect our vendors.

Other than our contracts for the supply of spectacle lenses and our private label contact lenses, we typically do not enter into long-term contracts with our vendors and, as such, we operate without any contractual assurances of continued supply, pricing or access to new products. Any of our vendors could discontinue supplying us with desired products in sufficient quantities or offer us less favorable terms on future transactions for a variety of reasons. The benefits we currently experience from our vendor relationships could be adversely affected if our vendors:

- discontinue selling merchandise to us;
- enter into arrangements with competitors that could impair our ability to sell their products, including by giving our competitors exclusivity arrangements or limiting our access to certain products;
- sell similar or identical products to our competitors with similar or better pricing, some of whom may already purchase merchandise in significantly greater volume and at lower prices than we do;
- · raise the prices they charge us;
- · refuse to allow us to return merchandise purchased from them;
- change pricing terms to require us to pay on delivery or upfront, including as a result of changes in the credit relationships some of our vendors have with their various lending institutions;
- · lengthen their lead times; or
- initiate or expand sales of their products to retail customers directly through their own stores, catalogs or on the Internet
 and compete with us directly.

Events that adversely impact our vendors could impair our ability to obtain adequate and timely supplies. Such events include, among others, difficulties or problems associated with our vendors' business, the financial instability and labor problems of vendors, merchandise quality and safety issues, natural or man-made disasters, inclement weather conditions, war, acts of terrorism and other political instability, economic conditions, shipment issues, the availability of raw materials and increased production costs. Our vendors may be forced to reduce their production, shut down their operations or file for bankruptcy. The occurrence of one or more of these events could impact our ability to get products to our customers, result in disruptions to our operations, increase our costs and decrease our profitability.

We also source merchandise directly from suppliers outside of the United States. Additionally, a significant amount of our domestically-purchased merchandise is manufactured abroad. Global sourcing and foreign trade involve numerous factors and uncertainties beyond our control including increased shipping costs, the imposition

of additional import or trade restrictions, including legal or economic restrictions on overseas suppliers' ability to produce and deliver products, increased custom duties and tariffs, unforeseen delays in customs clearance of goods, more restrictive quotas, loss of a most favored nation trading status, currency exchange rates, transportation delays, port of entry issues and foreign government regulations, political instability and economic uncertainties in the countries from which we or our vendors source our products. Our sourcing operations may also be hurt by health concerns regarding infectious diseases in countries in which our merchandise is produced. Moreover, negative press or reports about internationally manufactured products may sway public opinion, and thus customer confidence, away from the products sold in our stores. These and other issues affecting our international vendors or internationally manufactured merchandise could have a material adverse effect on our business, financial condition and results of operations.

Furthermore, attempts by the Trump administration to impose significant tariffs or other restrictions on imports, or to withdraw from or materially modify the North American Free Trade Agreement and other international trade agreements, could have an adverse impact on our business. For example, President Trump has threatened to impose tariffs on imports from China and Mexico where our outsourced optical laboratories are located. Any such restrictions, tariffs or other changes could lead to additional costs, delays in shipments, embargos and other uncertainties that could negatively impact our relationships with our international vendors and materially adversely affect our business. Additionally, Congress may include a border adjustment tax as part of tax reform legislation. If such a tax is enacted, we could lose the ability to deduct the cost of the goods we import. Because we import, directly or indirectly through suppliers, the substantial majority of the goods we sell, such a tax could materially increase our federal tax liability. We might then need to increase our retail prices to attempt to cover this increased liability. Any increase in our retail prices could have an adverse impact on our ability to market our goods and services to our target customers.

Material changes in the pricing practices of our suppliers could negatively impact our profitability. For example, we have been subject to the unilateral pricing policies implemented by certain contact lens manufacturers, which policies mandated the minimum prices at which certain contact lenses could be sold to consumers. Such manufacturers could refuse to supply us with their products if they deem us in breach of such policies. Our vendors may also increase their pricing if their raw materials became more expensive. The raw materials used to manufacture our products are subject to availability constraints and price volatility. Our vendors may pass the increase in sourcing costs to us through price increases, thereby impacting our margins.

In addition, some of our vendors may not have the capacity to supply us with sufficient merchandise to keep pace with our growth plans, especially if we need significantly greater amounts of inventory. In such cases, our ability to pursue our growth strategy will depend in part upon our ability to develop new vendor relationships.

Some of our suppliers are owned by vertically-integrated companies with retail divisions that compete with us and, as such, we are exposed to the risk that these suppliers may not be willing, or may become unwilling, to sell their products to us on acceptable terms, or at all.

The optical retail industry is highly competitive, and if we do not compete successfully, our business may be adversely impacted.

We compete directly with national, regional and local retailers, including other optical retail chains, warehouse clubs, mass merchandisers and internet-based retailers. We also compete with independent ophthalmologists, optometrists and opticians located in our markets as they often provide many of the same goods and services we provide. The retail landscape is changing as a result of changes in consumers' shopping habits, as well as the introduction of new technologies such as online vision exams. See "Business—Our Competition."

Some of our competitors are larger companies and have greater financial and operational resources, greater brand recognition and broader geographic presence than we do. As a result, they may be able to engage in extensive and prolonged price promotions or otherwise offer competitive prices, which may adversely affect our business. They may also be able to spend more than we do for advertising. We may be at a substantial disadvantage to larger competitors with greater economies of scale. If our costs are greater compared to those of our competitors, the pricing of our products and services may not be as attractive, thus depressing sales or the profitability of our products and services. Our competitors may expand into markets in which we currently operate and we remain vulnerable to the marketing power and high level of customer recognition of these larger

competitors and to the risk that these competitors or others could attract our customer base. Some of our competitors are vertically integrated and are also engaged in the manufacture and distribution of eyewear as well as managed care. These competitors can leverage this structure to their advantage to better compete and some of these vertically-integrated organizations have significant market power and could potentially use this power in ways that could make it more difficult for us to compete. We purchase many of our products from suppliers who are affiliates of our competitors. We also compete for managed vision care contracts with certain of our competitors who are affiliates of managed care payors. In addition, if any of our competitors were to consolidate operations, such consolidation would exacerbate the aforementioned risks.

We may not continue to be able to successfully compete against existing or future competitors. Our inability to respond effectively to competitive pressures, improved performance by our competitors and changes in the retail markets could result in lost market share and have a material adverse effect on our business, financial condition and results of operations.

We are dependent on a limited number of suppliers.

We rely on a limited number of vendors to supply the majority of our eyeglass frames, eyeglass lenses and contact lenses, and are thus exposed to concentration of supplier risk. In particular, we have agreed to exclusively purchase almost all of our spectacle lenses from one supplier. During fiscal year 2016, two vendors supplied 44% of frames, two vendors provided 89% of lenses and three vendors supplied 94% of contact lenses. If our suppliers experience difficulties or disruptions in their operations or if we were to lose any significant supplier, we may be unable to establish additional or replacement sources for our products that meet our quality controls and standards in a timely manner or on commercially reasonable terms, if at all. As a few major suppliers dominate the optical retail industry, the risks associated with finding alternative sources may be exacerbated.

Our and our vendors' systems containing personal information and payment card data of our retail store and e-commerce customers, employees and other third parties, could be breached, which could subject us to adverse publicity, costly government enforcement actions or private litigation.

We collect, process and store sensitive and confidential information, including our proprietary business information and that of our customers, employees, suppliers and business partners, including Walmart and Sam's Club. The secure processing, maintenance and transmission of this information is critical to our operations. The regulatory environment surrounding information security and privacy is increasingly demanding, with the frequent imposition of new and changing requirements across our business. For instance, as a health care provider, we could be forced, in the event of a data breach, to report the breach not only to affected customers, but also to various public agencies and media outlets, potentially harming our reputation and our business. In addition, our customers and employees have a high expectation that we will adequately protect their personal information from cyber-attack or other security breaches. Our business partners may have contractual rights of indemnification against us in the event that their customer or proprietary business information is released as a result of a breach of our information systems. In such an event, these business partners could also seek to terminate our contracts with them.

Our systems and those of our third-party service providers and business partners may be vulnerable to security breaches, attacks by hackers, acts of vandalism, computer viruses, misplaced or lost data, human errors or other similar events. If unauthorized parties gain access to our networks or databases, or those of our third-party service providers or business partners, they may be able to steal, publish, delete, use inappropriately or modify our private and sensitive third-party information including personal health information, credit card information and personal identification information. In addition, employees may intentionally or inadvertently cause data or security breaches that result in unauthorized release of personal or confidential information. Because the techniques used to circumvent security systems can be highly sophisticated, change frequently, are often not recognized until launched against a target and may originate from less regulated and remote areas around the world, we may be unable to proactively address all possible techniques or implement adequate preventive measures for all situations. Any such breach, attack, virus or other event could result in costly investigations and litigation exceeding applicable insurance coverage or contractual rights available to us, civil or criminal penalties, operational changes or other response measures, loss of consumer confidence in our security measures, and negative publicity that could adversely affect our financial condition, results of operations and reputation.

Further, if we are unable to comply with the security standards established by banks and the payment card industry, we may be subject to fines, restrictions, and expulsion from card acceptance programs, which could adversely affect our retail operations. As privacy and information security laws and regulations change, we may incur additional compliance costs.

Any failure, inadequacy, interruption, security failure or breach of our information technology systems, whether owned by us or outsourced or managed by third parties, could harm our ability to effectively operate our business and could have a material adverse effect on our business, financial condition and results of operations.

We rely heavily on our information technology systems for many functions across our operations, including managing our supply chain and inventory, processing customer transactions in our stores, allocating lens processing jobs to the appropriate laboratories, our financial accounting and reporting, compensating our employees and operating our websites. Our ability to effectively manage our business and coordinate the sourcing, distribution and sale of our products depends significantly on the reliability and capacity of these systems. Such systems are subject to damage or interruption from power outages or damages, telecommunications problems, data corruption, software errors, network failures, security breaches, acts of war or terrorist attacks, fire, flood and natural disasters. Our servers could be affected by physical or electronic break-ins, and computer viruses or similar disruptions may occur. A system outage may also cause the loss of important data. Our existing safety systems, data backup, access protection, user management and information technology emergency planning may not be sufficient to prevent data loss or long-term network outages.

In addition, we may have to upgrade our existing information technology systems from time to time in order for such systems to withstand the increasing needs of our expanding business. We rely on certain hardware, telecommunications and software vendors to maintain and periodically upgrade many of these systems so that we can continue to support our business. Costs and potential problems and interruptions associated with the implementation of new or upgraded systems and technology or with maintenance or adequate support of existing systems could disrupt or reduce the efficiency of our operations. We also depend on our information technology staff. If we cannot meet our staffing needs in this area, we may not be able to fulfill our technology initiatives while continuing to provide maintenance on existing systems.

We could be required to make significant capital expenditures to remediate any such failure, malfunction or breach with our information technology systems. Further, additional investment needed to upgrade and expand our information technology infrastructure will require significant investment of additional resources and capital, which may not always be available on favorable terms. Any material disruption or slowdown of our systems, including those caused by our failure to successfully upgrade our systems, and our inability to convert to alternate systems in an efficient and timely manner could have a material adverse effect on our business, financial condition and results of operations.

An overall decline in the health of the economy and other factors impacting consumer spending, such as the timing and issuance of tax refunds, governmental instability and natural disasters, may affect consumer purchases, which could reduce demand for our products and materially harm our sales, profitability and financial condition.

Our business depends on consumer demand for our products and, consequently, is sensitive to a number of factors that influence consumer confidence and spending, such as general economic conditions, consumer disposable income, energy and fuel prices, recession and fears of recession, unemployment, minimum wages, availability of consumer credit, consumer debt levels, conditions in the housing market, interest rates, tax rates and policies, inflation, consumer confidence in future economic conditions and political conditions, war and fears of war, inclement weather, natural disasters, terrorism, outbreak of viruses or widespread illness and consumer perceptions of personal well-being and security. For example, in August and September of 2017, we temporarily closed certain stores in the Houston, Texas area and in Alabama, Florida and Georgia due to Hurricanes Harvey and Irma, respectively. Although we do not believe these store closures will have a material impact on our business, similar events in the future that are outside of our control could materially adversely affect our sales and profitability.

Reduced customer confidence and spending cutbacks may result in reduced demand for our merchandise and may force us to take inventory markdowns. Reduced demand also may require increased selling and promotional expenses. Prolonged or pervasive economic downturns could slow the pace of new store openings or cause current stores to close.

Furthermore, our target market, which consists of cost-conscious and low-income consumers, is sensitive to various factors outside of our control. For example, this population relies on tax refunds to pay for eyewear and eye care. A delay in the issuance of tax refunds can accordingly have a negative impact on our financial results. Consumers could also alter how they utilize tax refund proceeds. In addition, periods of instability in the government can also cause this population to either delay or refrain from making such purchases. We believe these factors came into play in the first quarter of fiscal year 2017 and had a negative impact on our financial results when the U.S. Internal Revenue Service, or IRS, announced that tax refunds would be issued significantly later than they had been in 2016. In addition, we believe that instability in the federal government, coupled with a renewed emphasis on immigration matters, further caused our target population to reduce its spending. A continuation of these and similar circumstances could have a material negative impact on our financial performance. Because of the importance of the first quarter for us, a significant downward trend in the first quarter could have a substantial negative impact on our annual financial results.

Our growth strategy could strain our existing resources and cause the performance of our existing stores to suffer.

Our planned expansion will place increased demands on our existing operational, managerial, supply-chain and administrative resources. These increased demands could strain our resources and cause us to operate our business less effectively, which in turn could cause the performance of our new and existing stores to suffer.

As our store base grows, we will need to continually evaluate the adequacy of our laboratory, distribution and information system capabilities. Our laboratories and distribution centers have a finite capacity and, to the extent we grow beyond this capacity, we will need to expand our current laboratories and/or distribution centers or add new laboratories and/or distribution capabilities, the cost of which could be material. Implementing new operating capabilities or changing existing operating capabilities could present challenges we do not anticipate and could negatively affect our business, financial condition and results of operations. For example, should we open additional laboratories or distribution centers, any related construction or expansion projects entail risks which could cause delays and cost overruns, such as unavailability of suitable space, shortages of materials, shortages of skilled labor or work stoppages, unforeseen construction, scheduling, engineering, environmental or geological problems, weather interference, fires or other casualty losses and unanticipated cost increases. The completion date and ultimate cost of future projects could differ significantly from initial expectations due to construction-related or other reasons. We cannot guarantee that any project will be completed on time or within established budgets. Any delay or increased costs associated with any project could adversely affect the financial and overall performance of our existing and planned new stores.

In addition, opening new stores in our established markets may result in inadvertent oversaturation, temporarily or permanently divert customers and sales from our existing stores to new stores and reduce comparable store sales, thus adversely affecting our overall financial performance. Furthermore, we have opened and expect to continue to open America's Best and Eyeglass World stores in close proximity to one another. However, we may not be able to effectively manage stores of both brands in the same market, and this close proximity may cause the performance of such America's Best and/or Eyeglass World stores to suffer. In addition, oversaturation, or the risk of oversaturation, may reduce or adversely affect the number or location of stores we plan to open, and could thereby materially and adversely affect our growth plans overall or in particular markets.

We cannot anticipate all of the demands that our expanding operations will impose on our business, personnel and systems and our failure to address such demands and to profitably manage our growth could have a material adverse effect on our business, financial condition and results of operations.

If we fail to retain our existing senior management team or attract qualified new personnel, such failure could have a material adverse effect on our business, financial condition, and results of operations.

Our business requires disciplined execution at all levels of our organization. This execution requires an experienced and talented management team. If we were to lose the benefit of the experience, efforts and abilities of key executive personnel, it could have a material adverse effect on our business, financial condition and results of operations. Competition for skilled and experienced management is intense, and we may not be successful in attracting and retaining new qualified personnel required to grow and operate our business profitably.

We are a low-cost provider and our business model relies on the low cost of inputs. Factors such as wage rate increases, inflation, cost increases, increases in raw material prices and energy prices could have a material adverse effect on our business, financial condition and results of operations.

Increases in compensation and other expenses for vision care professionals, as well as our other associates, may adversely affect our profitability. Wage and hour regulations, such as regulations issued in 2016 by the U.S. Department of Labor relating to minimum wages and overtime pay, can exacerbate this risk. Other future cost increases, such as increases in the cost of merchandise, shipping rates, raw material prices, freight costs and store occupancy costs, may also reduce our profitability. These cost increases may be the result of inflationary pressures which could further reduce our sales or profitability. Increases in other operating costs, including changes in energy prices and lease and utility costs, may increase our cost of products sold or selling, general and administrative expenses. Our low price model and competitive pressures in the optical retail industry may inhibit our ability to reflect these increased costs in the prices of our products, in which case such increased costs could have a material adverse effect on our business, financial condition and results of operations.

Our success depends upon our marketing, advertising and promotional efforts. If we are unable to implement them successfully, or if our competitors are more effective than we are, it could have a material adverse effect on our business, financial condition and results of operations.

We use marketing and promotional programs to attract customers to our stores and to encourage purchases by our customers. If we fail to successfully develop and implement marketing, advertising and promotional strategies, we may be unable to achieve and maintain brand awareness, and customer traffic to our stores and/or websites may be reduced. We may not be able to advertise cost-effectively in new or smaller markets in which we have lower store density, which could slow growth at such stores. Changes in the amount and degree of promotional intensity or merchandising strategy by our competitors could cause us to have difficulties in retaining existing customers and attracting new customers. If the efficacy of our marketing or promotional activities declines or if such activities of our competitors are more effective than ours, or if for any other reason we lose the loyalty of our customers, it could have a material adverse effect on our business, financial condition and results of operations. Further, in connection with our planned expansion in California, we have launched a national advertising campaign as opposed to our current local advertising campaigns. We cannot provide assurances that a national advertising campaign will be cost-effective or successful or that we will continue such a campaign.

We are subject to risks associated with leasing substantial amounts of space, including future increases in occupancy costs.

We lease our America's Best and Eyeglass World store locations, our corporate headquarters, the AC Lens corporate office, the FirstSight corporate office, our laboratories in Georgia and Utah and our distribution centers. We also lease our Vista Optical locations inside Fred Meyer stores. As a result, we are susceptible to changes in the property rental market and increases in our occupancy costs.

The success of our business depends, in part, on our ability to identify suitable premises for our stores and to negotiate acceptable lease terms. Our ability to effectively renew our existing store leases or obtain store leases to open new stores depends on the availability of store premises that meet our criteria for traffic, square footage, lease economics, demographics and other factors. We may not be able to renew or extend our existing store leases on acceptable terms, or at all, and may have to abandon desirable locations or renew leases on unfavorable terms. In addition, tenants at shopping centers in which we are located or have executed leases, or to which our locations are near, may fail to open or may cease operations. Decreases in total tenant occupancy in shopping centers in which we are located, or to which our locations are near, may affect traffic at our stores. All of these factors could have a material adverse impact on our operations.

Most leases for our stores provide for a minimum rent and typically include escalating rent increases over time. In certain circumstances we pay a percentage rent based upon sales after certain minimum thresholds are achieved. Our failure to achieve these thresholds could cause our occupancy costs for these locations to increase materially on a percentage of sales basis. The leases generally require us to pay insurance, utilities, real estate taxes and repair and maintenance expenses. Our substantial lease obligations could have significant negative consequences, including:

• requiring that a substantial portion of our available cash be applied to pay our rental obligations, reducing cash available for other purposes and reducing our operating profitability;

- increasing our vulnerability to general adverse economic and industry conditions;
- · limiting our flexibility in planning for, or reacting to changes in, our business or in the industry in which we compete; and
- limiting our ability to obtain additional financing.

We depend on cash flows from operations to pay our lease expenses and to fulfill our other cash needs. If our business does not generate sufficient cash flow from operating activities, and sufficient funds are not otherwise available to us from borrowings or other sources, we may not be able to service our lease expenses, grow our business, respond to competitive changes or fund our other liquidity and capital needs, which could harm the business. If we are not able to make the required payments under our leases, landlords with a contractual or statutory security interest in the assets of the relevant stores may, among other things, repossess those assets, which could adversely affect our ability to conduct our operations.

Further, the substantial majority of our leased sites are both currently and in the future expected to be subject to long-term non-cancellable leases. If an existing or future store is not profitable and we decide to close it, we may nonetheless be obligated to perform our obligations under the applicable lease including, among other things, paying the base rent and other charges for the balance of the lease term. Even if a lease has an early cancellation clause, we may not satisfy the contractual requirements for early cancellation under that lease.

As we expand our store base, particularly in certain markets that are more expensive, such as California, our lease expense and our cash outlays for rent under lease agreements may increase. Our inability to enter into new leases or renew existing leases on terms acceptable to us or be released from our obligations under leases for stores that we close could materially and adversely affect our business, financial condition and results of operations.

We could be adversely affected by product liability, product recall or personal injury issues.

We could be adversely impacted by the supply of defective products, including the infiltration of counterfeit products into the supply chain and contamination or product mishandling issues. Product liability or personal injury claims may be asserted against us with respect to any of the products we sell or services we provide. The provision of professional eye care services by the vision care professionals employed by us or with whom we have contractual arrangements also increases our exposure to professional liability claims. There is a risk that these claims may exceed, or fall outside the scope of, our insurance coverage. In addition, a government or other regulatory agency could require us or one of our vendors or suppliers to remove a particular product from the market for, among other reasons, failure to adhere to product safety requirements or quality control standards. Product recalls can result in the disposal or write-off of merchandise, harm our reputation and cause us to lose customers, particularly if those recalls cause consumers to question the performance, quality, safety or reliability of our products. Any significant returns or warranty claims, as well as the timing of such returns or claims, could result in significant additional costs to us and could adversely affect our results of operations.

We rely on our suppliers to control the quality of both eyeglass components and contact lenses. We are not involved in the manufacture of the merchandise we purchase from our vendors for sale to our customers, and we do not independently investigate whether these vendors legally hold sufficient intellectual property rights to the merchandise that they are manufacturing or distributing. Our ability to seek recourse for liabilities and recover costs from our vendors depends on our contractual rights as well as on the financial condition and integrity of the vendors. We also purchase a portion of our products on a closeout basis. Some of these products are obtained through brokers or intermediaries rather than through manufacturers. The closeout nature of a portion of our products sometimes makes it more difficult for us to investigate all aspects of these products. Moreover, we engage in certain manufacturing, repackaging and relabeling activities at our optical laboratories and at certain Eyeglass World stores. If the products that we manufacture, repackage, or relabel are defective or otherwise result in product liability or personal injury claims against us, our business could be adversely affected and we could be subject to adverse regulatory action.

If our merchandise or services do not meet applicable governmental safety standards or our customers' expectations regarding quality or safety, we could experience lost sales and increased costs, be exposed to legal and reputational risk and face fines or penalties which could materially adversely affect our financial results.

Our substantial leverage could adversely affect our ability to raise additional capital to fund our operations, limit our ability to react to changes in the economy or our industry, expose us to interest rate risk to the extent of our variable rate debt and prevent us from meeting our debt obligations.

We have a significant amount of indebtedness. As of July 1, 2017, prior to giving effect to this offering and the use of proceeds therefrom, we had approximately \$929.4 million of aggregate principal amount of indebtedness outstanding (excluding capital lease obligations). Our high degree of leverage could have important consequences for us, including:

- requiring us to utilize a substantial portion of our cash flows from operations to make payments on our indebtedness, reducing the availability of our cash flows to fund working capital, capital expenditures, general corporate and other purposes;
- increasing our vulnerability to adverse economic, industry, or competitive developments;
- making it more difficult for us to satisfy our obligations with respect to our indebtedness, and any failure to comply with
 the obligations of any of our debt instruments, including any financial maintenance and restrictive covenants, could result
 in an event of default under the agreements governing our indebtedness;
- · restricting us from capitalizing on business opportunities;
- limiting our ability to obtain additional financing for working capital, capital expenditures, execution of our business strategy, debt service requirements, acquisitions, and other general corporate purposes; and
- limiting our flexibility in planning for, or reacting to, changes in our business or market conditions and placing us at a competitive disadvantage compared to our competitors who are less highly leveraged and who, therefore, may be able to take advantage of opportunities that our leverage prevents us from exploiting.

In addition, as of July 1, 2017, after inclusion of \$500.0 million interest rate swaps fixing a portion of the variable rate debt, \$429.4 million, or 46.2%, of our term loans was subject to variable rates. As a result, an increase in interest rates, whether because of an increase in market interest rates or a decrease in our creditworthiness, could increase the cost of servicing our debt and could materially reduce our profitability and cash flows.

We are subject to managed vision care laws and regulations.

We are engaged in managed vision care, both as a managed care entity through our subsidiary, FirstSight, and as a provider to managed care payors and insurers, and are subject to additional regulations as a result. FirstSight is licensed as a single-service HMO and is subject to the managed care laws of the State of California and is comprehensively regulated by the California Department of Managed Health Care, or the DMHC. FirstSight's failure to comply with the regulations and requirements under such managed care laws may result in the imposition of various sanctions, including the suspension or revocation of FirstSight's license, civil penalties and appointment of a receiver, among others. Material changes to the operations of FirstSight, including the opening of America's Best locations outside of defined service areas, must be approved by the DMHC. This approval process can be complex and can cause delays in the projected opening of our stores. The sale of managed care products by FirstSight is essential to our expansion of America's Best in California, and the suspension or loss of our license and our failure to comply with applicable regulatory requirements could have a material adverse impact on our expansion plans in California.

In addition, our Eyecare Club programs may be subject to regulation under managed care and related state laws, including those of California, where these programs are offered by FirstSight. Our Eyecare Club programs may also subject us to state statutes regulating discount medical plans, requiring the licensing or registration of organizations that provide discounted access to health care providers. It is possible that state regulators could determine that we are operating as a discount medical plan and as such are subject to various registration, disclosure and solvency requirements. We could incur increased compliance costs as a result. We would also be subject to the risk of cease and desist orders and monetary penalties.

We rely on third-party coverage and reimbursement, including government programs, for an increasing portion of our revenues, the future reduction of which could adversely affect our results of operations.

We rely on third-party coverage and reimbursement, including government and private insurance plans, such as managed vision care plans, for an increasing portion of our net revenue. We are generally reimbursed for the vision care services and products that we provide through payment systems managed by private insurance companies, managed care organizations and governmental agencies. Coverage and payment levels are determined at each third-party payor's discretion, and we have no direct control over third-party payor's decision-making with respect to coverage and payment levels. Coverage restrictions and reductions in reimbursement levels or payment methodologies may negatively impact our sales and profits. Many third-party payors may continue to explore cost-containment strategies that may potentially impact coverage and/or payment levels for our services and products and impose utilization restrictions and risk-based compensation arrangements. We cannot provide any assurances that we will be able to maintain or increase our participation in managed care arrangements or that we will be adequately reimbursed by managed care payors, vision insurance providers and other third-party payors for the services we provide and the products we sell. Furthermore, any changes to or repeal of the Patient Protection and Affordable Care Act, as amended by the Health Care and Education Reconciliation Act, in connection with the new government administration or otherwise, may reduce or eliminate coverage or reimbursement rates of insurance-funded eye exams or eyewear.

Our profitability and cash flows may be negatively affected if we are not successful in managing our inventory balances and inventory shrinkage.

Efficient inventory management is a key component of our business success and profitability. To be successful, we must maintain sufficient inventory levels to meet our customers' demands without allowing those levels to increase to such an extent that the costs to distribution centers, laboratories and stores to hold the goods unduly impacts our financial results. If our buying and distribution decisions do not accurately predict customer trends or spending levels in general or at particular stores or if we inappropriately price products, we may have to take unanticipated markdowns and discounts to dispose of obsolete or excess inventory or record potential write-downs relating to the value of obsolete or excess inventory. For example, in the six months ended July 1, 2017, we wrote off \$2.3 million of inventory related to a slow-moving contact lens product which had expired or would expire prior to possible sale. Conversely, if we underestimate future demand for a particular product or do not respond quickly enough to replenish our best performing products, we may have a shortfall in inventory of such products, likely leading to unfulfilled orders, reduced revenue and customer dissatisfaction.

Our business is partly dependent on our ability to strategically source a sufficient volume and variety of brand name merchandise at opportunistic pricing. Some of our products are sourced from suppliers on a closeout basis or with significantly reduced prices for specific reasons, and we are not always able to purchase specific merchandise on a recurring basis and we may not have control over the supply, design, cost or availability of some products we offer for sale in our stores. We also compete with other retailers for discounted or closeout merchandise to sell in our stores. To the extent that certain of our suppliers are better able to manage their inventory levels and reduce the amount of their excess inventory, the amount of discount or closeout merchandise available to us could also be materially reduced, potentially compromising profit margin for procured merchandise.

Maintaining adequate inventory requires significant attention and monitoring of market trends, local markets, developments with suppliers and our distribution network, and it is not certain that we will be effective in our inventory management. We are subject to the risk of inventory loss or theft and we may experience higher rates of inventory shrinkage or incur increased security costs to combat inventory theft. In addition, any casualty or disruption to our laboratories, distribution centers or stores may damage or destroy our inventory located there. As we expand our operations, it may be more difficult to effectively manage our inventory. If we are not successful in managing our inventory balances, it could have a material adverse effect on our business, financial condition and results of operations.

Our e-commerce business faces distinct risks, and our failure to successfully manage it could have a negative impact on our profitability.

As an e-commerce retailer, we encounter risks and difficulties frequently experienced by internet-based businesses. The successful operation of our e-commerce business as well as our ability to provide a positive

shopping experience that will generate orders and drive subsequent visits depends on efficient and uninterrupted operation of our order-taking and fulfillment operations. Risks associated with our e-commerce business include:

- uncertainties associated with our website including changes in required technology interfaces, website downtime and other technical failures, costs and technical issues as we upgrade our website software, inadequate system capacity, computer viruses, human error, security breaches, legal claims related to our website operations and e-commerce fulfillment;
- disruptions in telephone service or power outages;
- reliance on third parties for computer hardware and software, as well as delivery of merchandise to our customers;
- · rapid technology changes;
- credit or debit card fraud and other payment processing related issues;
- changes in applicable federal, state and international regulations;
- liability for online content;
- · cybersecurity and consumer privacy concerns and regulation; and
- natural disasters or adverse weather conditions.

In addition, we have contractual relationships with several third parties, including Walmart and Sam's Club, whereby we host websites for the online sale of contact lenses and other optical products and perform related back office functions for these parties. We could be exposed to contractual liability to these third parties in the event of a failure or disruption to these websites or our failure to properly provide the services called for by these agreements.

Our online sales also expose us to broader applicability of regulations, as well as additional regulations, such as the prescription verification and other requirements under the FCLCA, rules relating to registration of internet sellers, certain requirements under the Treasury Department's Office of Foreign Assets Control, or OFAC, the U.S. Foreign Corrupt Practices Act, or the FCPA, anti-money laundering and trade sanction laws and similar anti-corruption, anti-bribery and international trade laws. Problems in any of these areas could result in a reduction in sales, increased costs, sanctions or penalties and damage to our reputation and brands.

In addition, we must keep up to date with competitive technology trends, including the use of new or improved technology, creative user interfaces and other e-commerce marketing tools such as paid search and mobile applications, among others, which may increase our costs and which may not increase sales or attract customers. Our competitors, some of whom have greater resources than we do, may also be able to benefit from changes in e-commerce technologies, which could harm our competitive position. If we are unable to allow real-time and accurate visibility to product availability when customers are ready to purchase, quickly and efficiently fulfill our customers' orders using the fulfillment and payment methods they demand, provide a convenient and consistent experience for our customers regardless of the ultimate sales channel or effectively manage our online sales, our ability to compete and our results of operations could be adversely affected.

Furthermore, if our e-commerce business successfully grows, it may do so in part by attracting existing customers, rather than new customers, who choose to purchase products from us online rather than from our brick and mortar stores, thereby detracting from the financial performance of our stores.

Our operating results and inventory levels fluctuate on a seasonal basis.

Our business is subject to seasonal fluctuation. We typically realize a higher portion of net sales during the first fiscal quarter, due, among other things, to the timing of tax refunds and the impact of healthcare plan resets after the close of the prior year. Adverse events, such as higher unemployment, lapses in or the lack of insurance coverage, delays in the issuance of tax refunds, deteriorating economic conditions, public transportation disruptions, or unanticipated adverse weather or travel conditions can deter consumers from shopping. Any significant decrease in net sales during the first fiscal quarter could have a material adverse effect on us and could negatively impact our annual results. In addition, in order to prepare for our peak shopping quarters, we must increase the staffing at our stores and order and keep in stock more merchandise than we carry during other parts of the year. This staffing increase and inventory build-up may require us to expend cash faster than is

generated by our operations during this period. Any unanticipated decrease in demand for our products during such period could require us to sell excess inventory at a substantial markdown, which could have a material adverse effect on our business, financial condition and results of operations.

Certain technological advances, greater availability of, or increased consumer preferences for, vision correction alternatives to prescription eyeglasses or contact lenses, and future drug development for the correction of vision-related problems may reduce the demand for our products and adversely impact our business and profitability.

Technological advances in vision care, including the development of new or improved products, as well as future drug development for the correction of vision-related problems, could make our existing products less attractive or even obsolete. Several companies have developed technologies for the remote delivery of eye examinations and eye refractions. If consumers accept the use of these technologies, they could become less likely to obtain an in-person eye examination and therefore less likely to shop at our retail locations. Additionally, the greater availability and acceptance, or reductions in the cost, of vision correction alternatives to prescription eyeglasses and contact lenses, such as corneal refractive surgery procedures, including radial-keratotomy, photo-refractive keratotomy, or PRK, and LASIK, may reduce the demand for our products, lower our sales and thereby adversely impact our business and profitability.

Our debt agreements contain restrictions that limit our flexibility in operating our business.

Our credit agreements impose significant operating and financial restrictions. These covenants may limit our ability and the ability of our subsidiaries, under certain circumstances, to, among other things:

- incur additional indebtedness;
- create or incur liens;
- engage in certain fundamental changes, including mergers or consolidations;
- sell or transfer assets;
- pay dividends and distributions on our subsidiaries' capital stock;
- make acquisitions, investments, loans or advances;
- · pay or modify the terms of certain indebtedness;
- · engage in certain transactions with affiliates; and
- enter into negative pledge clauses and clauses restricting subsidiary distributions.

Our credit agreements also contain certain customary affirmative covenants and events of default, including a change of control. The first lien credit agreement also contains a springing financial maintenance requirement with respect to the revolving credit facility, prohibiting us from exceeding a certain first lien secured leverage ratio under certain circumstances. As a result of these covenants and restrictions, we are limited in how we conduct our business, and we may be unable to raise additional debt or equity financing to compete effectively or to take advantage of new business opportunities. The terms of any future indebtedness we may incur could include more restrictive covenants. We cannot guarantee that we will be able to maintain compliance with these covenants in the future and, if we fail to do so, that we will be able to obtain waivers from the lenders and/or amend the covenants.

Our failure to comply with the restrictive covenants described above as well as others contained in our future debt instruments from time to time could result in an event of default, which, if not cured or waived, could result in our being required to repay these borrowings before their maturity dates. In addition, any event of default or declaration of acceleration under one debt instrument could also result in an event of default under one or more of our other debt instruments. If we are unable to repay, refinance or restructure our indebtedness under our secured debt, the holders of such debt could proceed against the collateral securing that indebtedness. If we are forced to refinance these borrowings on less favorable terms or if we are unable to repay, refinance or restructure such indebtedness, our financial condition and results of operations could be adversely affected.

We may be unable to generate sufficient cash flow to satisfy our significant debt service obligations, which could have a material adverse effect on our business, financial condition and results of operations.

Our ability to make principal and interest payments on and to refinance our indebtedness will depend on our ability to generate cash in the future and is subject to general economic, financial, competitive, legislative, regulatory and other factors that are beyond our control. If our business does not generate sufficient cash flow from operations, in the amounts projected or at all, or if future borrowings are not available to us in amounts sufficient to fund our other liquidity needs, our business, financial condition and results of operations could be materially adversely affected.

If we cannot generate sufficient cash flow from operations to make scheduled principal and interest payments in the future, we may need to refinance all or a portion of our indebtedness on or before maturity, sell assets, delay capital expenditures or seek additional equity. The terms of our existing or future debt agreements may also restrict us from affecting any of these alternatives. Any refinancing of our debt could be at higher interest rates and may require us to comply with more onerous covenants, which could further restrict our business operations. Further, changes in the credit and capital markets, including market disruptions and interest rate fluctuations, may increase the cost of financing, make it more difficult to obtain favorable terms, or restrict our access to these sources of future liquidity. In addition, any failure to make scheduled payments of interest and principal on our outstanding indebtedness would likely result in a reduction of our credit rating, which could harm our ability to incur additional indebtedness on commercially reasonable terms or at all. Our inability to generate sufficient cash flow to satisfy our debt service obligations, or to refinance or restructure our obligations on commercially reasonable terms or at all, could have a material adverse effect on our business, financial condition and results of operations, as well as on our ability to satisfy our obligations in respect of our indebtedness.

Failure to comply with laws, regulations and enforcement activities or changes in statutory, regulatory, accounting, and other legal requirements could potentially impact our operating and financial results.

In addition to the vision care and healthcare laws and regulations discussed above, we are subject to numerous federal, state, local and foreign laws and governmental regulations including those relating to environmental protection, personal injury, intellectual property, consumer product safety, building, land use and zoning requirements, workplace regulations, wage and hour, privacy and information security, consumer protection laws, immigration and employment law matters. If we fail to comply with existing or future laws or regulations, or if these laws or regulations are violated by importers, manufacturers or distributors, we may be subject to governmental or judicial fines or sanctions, while incurring substantial legal fees and costs. In addition, our capital expenditures could increase due to remediation measures that may be required if we are found to be noncompliant with any existing or future laws or regulations.

Further, the Federal Trade Commission, or FTC, has authority to investigate and prosecute practices that constitute "unfair trade practices," "deceptive trade practices" or "unfair methods of competition." State attorneys general typically have comparable authority, and many states also permit private plaintiffs to bring actions on the basis of these laws. Federal and state consumer protection laws and regulations may apply to our operations and retail offers. For example, our America's Best offer of a "free" eye exam is subject to compliance with laws and regulations governing the use of this term.

Our transactions with the international laboratories we contract with may subject us to the FCPA and trade sanction laws, and similar anti-corruption, anti-bribery and international trade laws, any violation of which could create substantial liability for us and also harm our reputation. Our three laboratories in the United States and our in-store laboratories at our Eyeglass World locations subject us to various federal, state and local laws, regulations and other requirements pertaining to protection of the environment, public health and employee safety, including regulations governing the management of hazardous substances and the maintenance of safe working conditions, such as the Occupational Safety and Health Act of 1970, as amended. These laws also apply generally to all our properties. Our failure to comply with these laws can subject us to criminal and civil liabilities. In connection with our Vista Optical military locations, we must comply with regulations governing the occupancy of military bases. In connection with our philanthropic endeavors, we must also comply with additional federal, state and local tax and other laws and regulations.

Additionally, because we accept debit and credit cards for payment, we are subject to the Payment Card Industry Data Security Standard, or the PCI Standard, issued by the Payment Card Industry Security Standards

Council, with respect to payment card information. The PCI Standard contains compliance guidelines with regard to our security surrounding the physical and electronic storage, processing and transmission of cardholder data. Compliance with the PCI Standard and implementing related procedures, technology and information security measures requires significant resources and ongoing attention. Costs and potential problems and interruptions associated with the implementation of new or upgraded systems and technology such as those necessary to achieve compliance with the PCI Standard or with maintenance or adequate support of existing systems could also disrupt or reduce the efficiency of our operations. Any material interruptions or failures in our payment-related systems could have a material adverse effect on our business, financial condition and results of operations. If there are amendments to the PCI Standard, the cost of re-compliance could also be substantial and we may suffer loss of critical data and interruptions or delays in our operations as a result.

Adverse litigation judgments or settlements resulting from legal proceedings relating to our business operations could materially adversely affect our business, financial condition and results of operations.

From time to time, we are subject to allegations, and may be party to legal claims and regulatory proceedings, relating to our business operations. See "Business—Legal Proceedings." Such allegations, claims and proceedings may be brought by third parties, including our customers, employees, governmental or regulatory bodies or competitors, and may include class actions. Defending against such claims and proceedings is costly and time consuming and may divert management's attention and personnel resources from our normal business operations, and the outcome of many of these claims and proceedings cannot be predicted. If any of these claims or proceedings were to be determined adversely to us, a judgment, a fine or a settlement involving a payment of a material sum of money were to occur, or injunctive relief were issued against us, our business, financial condition and results of operations could be materially adversely affected.

We may not be able to adequately protect our intellectual property, which could harm the value of our brand and adversely affect our business.

Our ability to implement our business plan successfully depends in part on our ability to further build brand recognition using our trademarks, service marks and other proprietary intellectual property, including our name and logos. While it is our policy to protect and defend vigorously our rights to our intellectual property, we cannot predict whether steps taken by us to protect our intellectual property rights will be adequate to prevent infringement or misappropriation of these rights. It may be difficult for us to prevent others from copying elements of our products and any litigation to enforce our rights could be costly, divert attention of management, and may not be successful. Although we believe that we have sufficient rights to all of our trademarks, service marks and other intellectual property rights, we may face claims of infringement that could interfere with our ability to market and promote our brands. Any such litigation may be costly and divert resources from our business. Moreover, if we are unable to successfully defend against such claims, we may be prevented from using our trademarks, service marks or other intellectual property rights in the future and may be liable for damages, which in turn could materially adversely affect our business, financial condition or results of operations.

Risks Related to this Offering and Ownership of Our Common Stock

No market currently exists for our common stock, and an active, liquid trading market for our common stock may not develop, which may cause shares of our common stock to trade at a discount from the initial offering price and make it difficult to sell the shares of common stock you purchase.

Prior to this offering, there has not been a public trading market for shares of our common stock. We cannot predict the extent to which investor interest in us will lead to the development of a trading market or how active and liquid that market may become. If an active and liquid trading market does not develop or continue, you may have difficulty selling your shares of our common stock at an attractive price or at all. The initial public offering price per share of common stock will be determined by negotiations between us and the underwriters, and may not be indicative of the price at which shares of our common stock will trade in the public market after this offering. The market price of our common stock may decline below the initial offering price and you may not be able to sell your shares of our common stock at or above the price you paid in this offering, or at all.

You will incur immediate and substantial dilution.

Prior stockholders have paid substantially less per share of our common stock than the price in this offering. The initial public offering price per share of our common stock will be substantially higher than the pro forma net tangible book deficit per share of outstanding common stock prior to completion of this offering. Based on

our net tangible book deficit as of July 1, 2017 and upon the issuance and sale of shares of our common stock by us at an assumed initial public offering price of \$ per share (the mid-point of the estimated offering price range set forth on the cover page of this prospectus), if you purchase our common stock in this offering, you will pay more for your shares than the amounts paid by our existing stockholders for their shares and you will suffer immediate dilution of approximately \$ per share. Dilution is the amount by which the offering price paid by purchasers of our common stock in this offering will exceed the pro forma as adjusted net tangible book value (deficit) per share of our common stock upon completion of this offering. If the underwriters exercise their option to purchase additional shares, or if outstanding options to purchase our common stock are exercised, you will experience additional dilution. You may experience additional dilution upon future equity issuances or the exercise of options to purchase our common stock granted to our employees, executive officers and directors under our 2014 Stock Incentive Plan, our 2017 Omnibus Incentive Plan or other equity compensation plans. See "Dilution."

Our stock price may change significantly following this offering, and you may not be able to resell shares of our common stock at or above the price you paid or at all, and you could lose all or part of your investment as a result.

We and the underwriters will negotiate to determine the initial public offering price. You may not be able to resell your shares at or above the initial public offering price due to a number of factors such as those listed in "—Risks Related to Our Business" and the following:

- results of operations that vary from the expectations of securities analysts and investors;
- results of operations that vary from those of our competitors;
- changes in expectations as to our future financial performance, including financial estimates and investment recommendations by securities analysts and investors;
- · changes in economic conditions for companies in our industry;
- changes in market valuations of, or earnings and other announcements by, companies in our industry;
- declines in the market prices of stocks generally, particularly those of optical retail companies;
- additions or departures of key management personnel;
- strategic actions by us or our competitors;
- announcements by us, our competitors, our suppliers or our host and legacy organizations of significant contracts, price reductions, new products or technologies, acquisitions, joint marketing relationships, joint ventures, other strategic relationships or capital commitments;
- changes in preference of our customers;
- changes in general economic or market conditions or trends in our industry or the economy as a whole and, in particular, in the consumer spending environment;
- · changes in business or regulatory conditions;
- future sales of our common stock or other securities;
- investor perceptions of or the investment opportunity associated with our common stock relative to other investment alternatives;
- the public's response to press releases or other public announcements by us or third parties, including our filings with the SEC.
- announcements relating to litigation or governmental investigations;
- guidance, if any, that we provide to the public, any changes in this guidance or our failure to meet this guidance;
- the development and sustainability of an active trading market for our stock;
- changes in accounting principles; and

 other events or factors, including those resulting from informational technology system failures and disruptions, natural disasters, war, acts of terrorism or responses to these events.

Furthermore, the stock market may experience extreme volatility that, in some cases, may be unrelated or disproportionate to the operating performance of particular companies. These broad market and industry fluctuations may adversely affect the market price of our common stock, regardless of our actual operating performance. In addition, price volatility may be greater if the public float and trading volume of our common stock is low.

In the past, following periods of market volatility, stockholders have instituted securities class action litigation. If we were to become involved in securities litigation, it could have a substantial cost and divert resources and the attention of executive management from our business regardless of the outcome of such litigation.

Because we have no current plans to pay cash dividends on our common stock, you may not receive any return on investment unless you sell your common stock for a price greater than that which you paid for it.

We have no current plans to pay cash dividends on our common stock. The declaration, amount and payment of any future dividends on our common stock will be at the sole discretion of our Board of Directors. Our Board of Directors may take into account general and economic conditions, our financial condition and results of operations, our available cash and current and anticipated cash needs, capital requirements, contractual, legal, tax and regulatory restrictions and implications on the payment of dividends by us to our stockholders or by our subsidiaries to us, including restrictions under our credit agreements and other indebtedness we may incur, and such other factors as our Board of Directors may deem relevant. See "Dividend Policy."

As a result, you may not receive any return on an investment in our common stock unless you sell our common stock for a price greater than your purchase price.

We are a holding company with no operations of our own and, as such, we depend on our subsidiaries for cash to fund all of our operations and expenses, including future dividend payments, if any.

Our operations are conducted entirely through our subsidiaries and our ability to generate cash to meet our debt service obligations or to make future dividend payments, if any, is highly dependent on the earnings and the receipt of funds from our subsidiaries via dividends or intercompany loans. We do not currently expect to declare or pay dividends on our common stock for the foreseeable future; however, to the extent that we determine in the future to pay dividends on our common stock, the agreements governing our indebtedness may restrict the ability of our subsidiaries to pay dividends or otherwise transfer assets to us.

If securities analysts do not publish research or reports about our business or if they downgrade our stock or our sector, our stock price and trading volume could decline.

The trading market for our common stock will rely in part on the research and reports that industry or financial analysts publish about us or our business. We do not control these analysts. Furthermore, if one or more of the analysts who do cover us downgrade our stock or our industry, or the stock of any of our competitors, or publish inaccurate or unfavorable research about our business, the price of our stock could decline. If one or more of these analysts stop covering us or fail to publish reports on us regularly, we could lose visibility in the market, which in turn could cause our stock price or trading volume to decline.

We will incur significantly increased costs and become subject to additional regulations and requirements as a result of becoming a public company, and our management will be required to devote substantial time to new compliance matters, which could lower our profits or make it more difficult to run our business.

As a public company, we will incur significant legal, regulatory, finance, accounting, investor relations and other expenses that we have not incurred as a private company, including costs associated with public company reporting requirements. As a result of having publicly traded common stock, we will also be required to comply with, and incur costs associated with such compliance with, the Sarbanes-Oxley Act of 2002, or the Sarbanes-Oxley Act, and the Dodd-Frank Wall Street Reform and Consumer Protection Act, or the Dodd-Frank Act, as well as rules and regulations implemented by the SEC and NASDAQ. The expenses incurred by public companies generally for reporting and corporate governance purposes have been increasing. We expect these rules and regulations to increase our legal and financial compliance costs and to make some activities more

time-consuming and costly. Our management will need to devote a substantial amount of time to ensure that we comply with all of these requirements, diverting the attention of management away from revenue- producing activities. These laws and regulations also could make it more difficult or costly for us to obtain certain types of insurance, including director and officer liability insurance, and we may be forced to accept reduced policy limits and coverage or incur substantially higher costs to obtain the same or similar coverage. These laws and regulations could also make it more difficult for us to attract and retain qualified persons to serve on our Board of Directors, our board committees or as our executive officers. Furthermore, if we are unable to satisfy our obligations as a public company, we could be subject to delisting of our common stock, fines, sanctions and other regulatory action and potentially civil litigation.

Failure to comply with requirements to design, implement and maintain effective internal controls could have a material adverse effect on our business and stock price. We currently have material weaknesses in our internal control over financial reporting.

As a privately-held company, we were not required to evaluate our internal control over financial reporting in a manner that meets the standards of publicly traded companies required by Section 404(a) of the Sarbanes-Oxley Act, or Section 404.

As a public company, we will have significant requirements for enhanced financial reporting and internal controls. The process of designing and implementing effective internal controls is a continuous effort that requires us to anticipate and react to changes in our business and the economic and regulatory environments and to expend significant resources to maintain a system of internal controls that is adequate to satisfy our reporting obligations as a public company. If we are unable to establish or maintain appropriate internal financial reporting controls and procedures, it could cause us to fail to meet our reporting obligations on a timely basis, result in material misstatements in our consolidated financial statements and harm our results of operations. In addition, we will be required, pursuant to Section 404, to furnish a report by management on, among other things, the effectiveness of our internal control over financial reporting in the second annual report following the completion of this offering. This assessment will need to include disclosure of any material weaknesses identified by our management in our internal control over financial reporting. The rules governing the standards that must be met for our management to assess our internal control over financial reporting are complex and require significant documentation, testing and possible remediation. Testing and maintaining internal controls may divert our management's attention from other matters that are important to our business. Our independent registered public accounting firm will be required to issue an attestation report on effectiveness of our internal controls in the second annual report following the completion of this offering.

In connection with the implementation of the necessary procedures and practices related to internal control over financial reporting, we may identify deficiencies that we may not be able to remediate in time to meet the deadline imposed by the Sarbanes-Oxley Act for compliance with the requirements of Section 404. In addition, we may encounter problems or delays in completing the remediation of any deficiencies identified by our independent registered public accounting firm in connection with the issuance of their attestation report.

We have recently identified material weaknesses in our internal control over financial reporting. A material weakness is a deficiency, or a combination of deficiencies, in internal control over financial reporting, such that there is a reasonable possibility that a material misstatement of the company's annual or interim consolidated financial statements will not be prevented or detected on a timely basis. We identified a deficiency in the design of controls related to the timely detection of damaged, expired or expiring contact lens inventory for purposes of recording inventory at net realizable value. We also identified a material weakness related to a deficiency in the design of entity level controls to identify and assess changes in our business environment that could significantly impact the system of internal control over financial reporting. As a result of these material weaknesses, we wrote off \$2.3 million of inventory related to the expired or expiring contact lens inventory in the six months ended July 1, 2017. As a result of the material weakness in our entity level controls, we overstated net sales of services and plans in our legacy segment and consolidated net sales of services and plans and understated net product sales in our legacy segment and consolidated net product sales by \$7.2 million, \$7.6 million, \$5.9 million, and \$1.7 million for fiscal years ended 2016 and 2015, the 2014 Successor period, and the 2014 Predecessor period, respectively. We are in the process of designing controls to remediate these material weaknesses. These

remediation measures may be time consuming, costly, and may place significant demands on our financial and operational resources. Our efforts to remediate these material weaknesses may not be effective. If our efforts to remediate these material weaknesses are not successful, the remediated material weaknesses may reoccur or related material weaknesses could occur in the future

Our testing, or the subsequent testing by our independent registered public accounting firm, may reveal deficiencies in our internal controls over financial reporting that are deemed to be material weaknesses in addition to the material weaknesses described above. The material weaknesses described above or any newly-identified material weaknesses could result in a material misstatement of our annual or quarterly consolidated financial statements or disclosures that may not be prevented or detected.

We may not be able to conclude on an ongoing basis that we have effective internal control over financial reporting in accordance with Section 404 or our independent registered public accounting firm may not issue an unqualified opinion. If either we are unable to conclude that we have effective internal control over financial reporting or our independent registered public accounting firm is unable to provide us with an unqualified report, investors could lose confidence in our reported financial information, which could have a material adverse effect on the trading price of our common stock.

Future sales, or the perception of future sales, by us or our existing stockholders in the public market following this offering could cause the market price for our common stock to decline.

After this offering, the sale of shares of our common stock in the public market, or the perception that such sales could occur, including sales by our existing stockholders, could harm the prevailing market price of shares of our common stock. These sales, or the possibility that these sales may occur, also might make it more difficult for us to sell equity securities in the future at a time and at a price that we deem appropriate.

Upon completion of this offering, we will have a total of shares of our common stock outstanding (shares if the underwriters exercise their option to purchase additional shares). Of the outstanding shares, the shares sold in this offering (or shares if the underwriters exercise their option to purchase additional shares) will be freely tradable without restriction or further registration under the Securities Act of 1933, as amended, or the Securities Act, except that any shares held by our affiliates, as that term is defined under Rule 144 of the Securities Act, or Rule 144, including our directors, executive officers and other affiliates (including affiliates of KKR Sponsor and affiliates of Berkshire), may be sold only in compliance with the limitations described in "Shares Eligible for Future Sale."

The remaining outstanding shares of common stock held by our existing stockholders after this offering, representing % of the total outstanding shares of our common stock following this offering, will be "restricted securities" within the meaning of Rule 144 and subject to certain restrictions on resale. Restricted securities may be sold in the public market only if they are registered under the Securities Act or are sold pursuant to an exemption from registration such as Rule 144, as described in "Shares Eligible for Future Sale."

In connection with this offering, we, our directors and executive officers and holders of % of our common stock prior to this offering will sign lock-up agreements with the underwriters that will, subject to certain exceptions, restrict the disposition of, or hedging with respect to, the shares of our common stock or securities convertible into or exchangeable for shares of common stock, each held by them for 180 days following the date of this prospectus, except with the prior written consent of the representative of the underwriters. See "Underwriting (Conflicts of Interest)" for a description of these lock-up agreements.

Upon the expiration of the lock-up agreements described above, all of such shares will be eligible for resale in a public market, subject, in the case of shares held by our affiliates, to volume, manner of sale and other limitations under Rule 144. We expect that KKR Sponsor and certain of its affiliates will be considered an affiliate upon the expiration of the lock-up period based on their expected share ownership (consisting of shares), as well as their board nomination rights. We also expect that Berkshire and certain of its affiliates will be considered an affiliate upon the expiration of the lock-up period based on their expected share ownership (consisting of shares), as well as their board nomination rights. Certain other of our stockholders may also be considered affiliates at that time.

In addition, pursuant to a registration rights agreement, each of the Sponsors has the right, subject to certain conditions, to require us to register the sale of their shares of our common stock under the Securities Act. See "Certain Relationships and Related Party Transactions—Registration Rights Agreement." By exercising its

registration rights and selling a large number of shares, a Sponsor could cause the prevailing market price of our common stock to decline. Following completion of this offering, the shares covered by registration rights would represent approximately % of our total common stock outstanding (or % if the underwriters exercise in full their option to purchase additional shares). Registration of any of these outstanding shares of common stock would result in such shares becoming freely tradable without compliance with Rule 144 upon effectiveness of the registration statement. See "Shares Eligible for Future Sale."

In addition, shares of our common stock will be eligible for sale upon exercise of vested options. As soon as practicable following this offering, we intend to file one or more registration statements on Form S-8 under the Securities Act to register all shares of our common stock subject to outstanding stock options and the shares of our common stock subject to issuance under our 2014 Stock Incentive Plan and our 2017 Omnibus Incentive Plan to be adopted in connection with this offering. Any such Form S-8 registration statements will automatically become effective upon filing. Accordingly, shares registered under such registration statements will be available for sale in the open market. We expect that the initial registration statement on Form S-8 relating to the 2014 Stock Incentive Plan and the 2017 Omnibus Incentive Plan will cover shares of our common stock.

As restrictions on resale end, or if the existing stockholders exercise their registration rights, the market price of our shares of common stock could drop significantly if the holders of these shares sell them or are perceived by the market as intending to sell them. These factors could also make it more difficult for us to raise additional funds through future offerings of our shares of common stock or other securities.

In the future, we may also issue our securities in connection with investments or acquisitions. The amount of shares of our common stock issued in connection with an investment or acquisition could constitute a material portion of our then-outstanding shares of our common stock. Any issuance of additional securities in connection with investments or acquisitions may result in additional dilution to you.

We will be a "controlled company" within the meaning of NASDAQ rules and the rules of the SEC and, as a result, qualify for, and intend to rely on, exemptions from certain corporate governance requirements. You will not have the same protections afforded to stockholders of other companies that are subject to such requirements.

After completion of this offering, the Sponsors will continue to control a majority of the voting power of our outstanding common stock. As a result, we will be a "controlled company" within the meaning of the corporate governance standards of NASDAQ. Under these rules, a company of which more than 50% of the voting power is held by an individual, group or another company is a "controlled company" and may elect not to comply with certain corporate governance requirements, including the requirements that:

- a majority of our Board of Directors consist of "independent directors" as defined under the rules of NASDAQ;
- our director nominees be selected, or recommended for our Board of Directors' selection by a nominating/corporate
 governance committee comprised solely of independent directors with a written charter addressing the committee's
 purpose and responsibilities;
- the compensation of our executive officers be determined, or recommended to our Board of Directors for determination, by a compensation committee comprised solely of independent directors with a written charter addressing the committee's purpose and responsibilities; and
- there be an annual performance evaluation of the nominating/corporate governance and compensation committees.

Following this offering, we intend to utilize these exemptions. As a result, we will not have a majority of independent directors, our compensation committee will not consist entirely of independent directors and such committee will not be subject to an annual performance evaluation and we will have no nominating/corporate governance committee. Accordingly, you will not have the same protections afforded to stockholders of companies that are subject to all of the corporate governance requirements of NASDAQ.

In addition, on June 20, 2012, the SEC adopted Rule 10C-1, under the Securities Exchange Act of 1934, as amended, or the Exchange Act, to implement provisions of the Dodd-Frank Act, pertaining to compensation committee independence and the role and disclosure of compensation consultants and other advisers to the

compensation committee. The national securities exchanges (including NASDAQ) have since adopted amendments to their existing listing standards to comply with provisions of Rule 10C-1, and on January 11, 2013, the SEC approved such amendments. The amended listing standards require, among others, that:

- compensation committees be composed of fully independent directors, as determined pursuant to new and existing independence requirements;
- compensation committees be explicitly charged with hiring and overseeing compensation consultants, legal counsel and other committee advisers; and
- compensation committees be required to consider, when engaging compensation consultants, legal counsel or other
 advisers, certain independence factors, including factors that examine the relationship between the consultant or adviser's
 employer and us.

As a "controlled company," we will not be subject to these compensation committee independence requirements.

Our Sponsors control us and their interests may conflict with ours or yours in the future.

Immediately following this offering, the Sponsors will beneficially own % of our common stock, or % if the underwriters exercise in full their option to purchase additional shares. As a result, the Sponsors will be able to control the election and removal of our directors and thereby control our policies and operations, including the appointment of management, future issuances of our common stock or other securities, payment of dividends, if any, on our common stock, the incurrence or modification of indebtedness by us, amendment of our amended and restated certificate of incorporation and amended and restated bylaws and the entering into of extraordinary transactions, and their interests may not in all cases be aligned with your interests. In addition, the Sponsors and their affiliates may have an interest in pursuing acquisitions, divestitures and other transactions that, in their judgment, could enhance their investment, even though such transactions might involve risks to you. For example, the Sponsors could cause us to make acquisitions that increase our indebtedness or cause us to sell revenue-generating assets.

Our Sponsors and their affiliates are in the business of making investments in companies and may from time to time acquire and hold interests in businesses that compete directly or indirectly with us. Our amended and restated certificate of incorporation will provide that none of the Sponsors, any of their affiliates or any director who is not employed by us (including any non-employee director who serves as one of our officers in both his director and officer capacities) or his or her affiliates will have any duty to refrain from engaging, directly or indirectly, in the same business activities or similar business activities or lines of business in which we operate. The Sponsors and their affiliates also may pursue acquisition opportunities that may be complementary to our business and, as a result, those acquisition opportunities may not be available to us.

In addition, the Sponsors and their affiliates will be able to determine the outcome of all matters requiring stockholder approval and will be able to cause or prevent a change of control of our company or a change in the composition of our Board of Directors and could preclude any acquisition of our company. This concentration of voting control could deprive you of an opportunity to receive a premium for your shares of common stock as part of a sale of our company and ultimately might affect the market price of our common stock.

Anti-takeover provisions in our organizational documents could delay or prevent a change of control.

Certain provisions of our amended and restated certificate of incorporation and amended and restated bylaws may have an antitakeover effect and may delay, defer or prevent a merger, acquisition, tender offer, takeover attempt, or other change of control transaction that a stockholder might consider in its best interest, including those attempts that might result in a premium over the market price for the shares held by our stockholders.

These provisions will provide for, among other things:

- a classified board of directors, as a result of which our Board of Directors will be divided into three classes, with each class serving for staggered three-year terms;
- the ability of our Board of Directors to issue one or more series of preferred stock;
- advance notice requirements for nominations of directors by stockholders and for stockholders to include matters to be considered at our annual meetings;

- · certain limitations on convening special stockholder meetings;
- the removal of directors only for cause and only upon the affirmative vote of the holders of at least 662/3% of the shares of common stock entitled to vote generally in the election of directors if the Sponsors and their affiliates cease to beneficially own at least 40% of shares of common stock entitled to vote generally in the election of directors; and
- that certain provisions may be amended only by the affirmative vote of at least 662/3% of shares of common stock entitled to vote generally in the election of directors if the Sponsors and their affiliates cease to beneficially own at least 40% of shares of common stock entitled to vote generally in the election of directors.

These anti-takeover provisions could make it more difficult for a third party to acquire us, even if the third party's offer may be considered beneficial by many of our stockholders. As a result, our stockholders may be limited in their ability to obtain a premium for their shares. See "Description of Capital Stock."

Our Board of Directors will be authorized to issue and designate shares of our preferred stock in additional series without stockholder approval.

Our amended and restated certificate of incorporation will authorize our Board of Directors, without the approval of our stockholders, to issue shares of our preferred stock, subject to limitations prescribed by applicable law, rules and regulations and the provisions of our amended and restated certificate of incorporation, as shares of preferred stock in series, to establish from time to time the number of shares to be included in each such series and to fix the designation, powers, preferences and rights of the shares of each such series and the qualifications, limitations or restrictions thereof. The powers, preferences and rights of these additional series of preferred stock may be senior to or on parity with our common stock, which may reduce its value.

Our amended and restated certificate of incorporation will provide, subject to limited exceptions, that the Court of Chancery of the State of Delaware will be the sole and exclusive forum for certain stockholder litigation matters, which could limit our stockholders' ability to obtain a favorable judicial forum for disputes with us or our directors, officers, employees or stockholders.

Our amended and restated certificate of incorporation will provide, subject to limited exceptions, that unless we consent to the selection of an alternative forum, the Court of Chancery of the State of Delaware shall, to the fullest extent permitted by law, be the sole and exclusive forum for any (i) derivative action or proceeding brought on behalf of our company, (ii) action asserting a claim of breach of a fiduciary duty owed by any director, officer, or other employee or stockholder of our company to the Company or our stockholders, creditors or other constituents, (iii) action asserting a claim against the Company or any director or officer of the Company arising pursuant to any provision of the Delaware General Corporation Law, or the DGCL, or our amended and restated certificate of incorporation or our amended and restated bylaws or as to which the DGCL confers jurisdiction on the Court of Chancery of the State of Delaware, or (iv) action asserting a claim against the Company or any director or officer of the Company governed by the internal affairs doctrine.

Any person or entity purchasing or otherwise acquiring any interest in shares of our capital stock shall be deemed to have notice of and consented to the forum provisions in our amended and restated certificate of incorporation. This choice of forum provision may limit a stockholder's ability to bring a claim in a judicial forum that it finds favorable for disputes with us or any of our directors, officers, other employees or stockholders which may discourage lawsuits with respect to such claims. Alternatively, if a court were to find the choice of forum provision contained in our amended and restated certificate of incorporation to be inapplicable or unenforceable in an action, we may incur additional costs associated with resolving such action in other jurisdictions, which could harm our business, operating results and financial condition.

USE OF PROCEEDS

We estimate that we will receive net proceeds of approximately \$\) million from the sale of shares of our common stock in this offering, assuming an initial public offering price of \$\) per share, the mid-point of the estimated offering price range set forth on the cover page of this prospectus, and after deducting the underwriting discounts and commissions and estimated offering expenses payable by us. If the underwriters exercise in full their option to purchase additional shares, the net proceeds to us will be approximately \$\) million.

We intend to use the net proceeds to us from this offering (A) first, to repay all outstanding aggregate amount of our second lien term loans and pay accrued interest, applicable premiums and related fees and expenses; and (B) second, to repay \$ million of the outstanding amount of our first lien term loans and pay accrued interest, applicable premiums and related fees and expenses.

As of July 1, 2017, (A) there was \$125.0 million aggregate principal amount of our second lien term loans outstanding, maturing on March 13, 2022; and (B) there was \$804.4 million aggregate principal amount of our first lien term loans outstanding, maturing on March 13, 2021. As of July 1, 2017, our second lien term loans had the effective interest rate of 6.98% and our first lien term loans had the effective interest rate of 4.23%. For a further description of our existing indebtedness being repaid, see "Description of Indebtedness."

As of July 1, 2017, investment funds or accounts managed or advised by the global credit business of KKR & Co. held a portion of the outstanding principal balance of our first lien term loans and as a result, may receive a portion of the proceeds hereof if such proceeds are used to repay our first lien term loans.

A \$1.00 increase (decrease) in the assumed initial public offering price of \$ per share, based on the mid-point of the estimated offering price range set forth on the cover page of this prospectus, would increase (decrease) the net proceeds to us from this offering by \$ million, assuming the number of shares offered by us, as set forth on the cover page of this prospectus, remains the same and after deducting the underwriting discounts and commissions and estimated offering expenses payable by us. An increase (decrease) of 1,000,000 shares from the expected number of shares to be sold by us in this offering, assuming no change in the assumed initial public offering price per share, the mid-point of the estimated offering price range set forth on the cover page of this prospectus, would increase (decrease) our net proceeds from this offering by \$ million. To the extent we raise more proceeds in this offering than currently estimated, we will repay additional amounts of our first lien term loans. To the extent we raise less proceeds in this offering than currently estimated, we will reduce the amount of our first lien term loans that will be repaid.

DIVIDEND POLICY

We do not currently anticipate paying any dividends on our common stock immediately following this offering and currently expect to retain all future earnings for use in the operation and expansion of our business. Following this offering and upon repayment of certain outstanding indebtedness, we may reevaluate our dividend policy. The declaration, amount and payment of any future dividends on our common stock will be at the sole discretion of our Board of Directors, which may take into account general and economic conditions, our financial condition and results of operations, our available cash and current and anticipated cash needs, capital requirements, contractual, legal, tax and regulatory restrictions and implications on the payment of dividends by us to our stockholders or by our subsidiaries to us, including restrictions under our credit agreements and other indebtedness we may incur, and such other factors as our Board of Directors may deem relevant. If we elect to pay such dividends in the future, we may reduce or discontinue entirely the payment of such dividends at any time.

Because a significant portion of our operations is through our subsidiaries, our ability to pay dividends depends in part on our receipt of cash dividends from our operating subsidiaries, which may further restrict our ability to pay dividends as a result of the laws of their jurisdiction of organization, agreements of our subsidiaries or covenants under any existing and future outstanding indebtedness we or our subsidiaries incur. In addition, our ability to pay dividends is limited by covenants in our credit agreements. See "Description of Indebtedness" for a description of the restrictions on our ability to pay dividends.

DILUTION

If you invest in our common stock in this offering, your ownership interest in us will be diluted to the extent of the difference between the initial public offering price per share of our common stock and the pro forma as adjusted net tangible book value (deficit) per share of our common stock after this offering. Dilution results from the fact that the per share offering price of the common stock is substantially in excess of the book value per share attributable to the shares of common stock held by existing stockholders.

Our net tangible book deficit as of July 1, 2017 was approximately \$860.9 million, or \$ per share of our common stock. We calculate net tangible book deficit per share by taking the amount of our total tangible assets, reduced by the amount of our total liabilities, and then dividing that amount by the total number of shares of common stock outstanding.

After giving effect to (i) the sale of shares of our common stock in this offering at an assumed initial public offering price of \$ per share, the mid-point of the estimated offering price range set forth on the cover of this prospectus, and after deducting the underwriting discounts and commissions and estimated offering expenses payable by us, and (ii) the application of the net proceeds from this offering as set forth under "Use of Proceeds," our pro forma as adjusted net tangible book value (deficit) as of July 1, 2017 would have been \$ million, or \$ per share of our common stock. This amount represents an immediate increase in net tangible book value (or a decrease in net tangible book deficit) of \$ per share to existing stockholders and an immediate and substantial dilution in net tangible book value (deficit) of \$ per share to new investors purchasing shares in this offering at the assumed initial public offering price.

The following table illustrates this dilution on a per share basis:

Assumed initial public offering price per share of common stock	\$							
Net tangible book deficit per share as of July 1, 2017								
Increase in tangible book value per share attributable to new investors								
Pro forma as adjusted net tangible book value (deficit) per share after this offering								
Dilution per share to new investors								

Dilution is determined by subtracting pro forma as adjusted net tangible book value (deficit) per share of common stock after the offering from the initial public offering price per share of common stock.

If the underwriters exercise in full their option to purchase additional shares, the pro forma as adjusted net tangible book value (deficit) per share after giving effect to the offering and the use of proceeds therefrom would be \$ per share. This represents an increase in pro forma as adjusted net tangible book value (or a decrease in pro forma as adjusted net tangible book deficit) of \$ per share to the existing stockholders and results in dilution in pro forma as adjusted net tangible book value (deficit) of \$ per share to new investors.

Assuming the number of shares offered by us, as set forth on the cover page of this prospectus, remains the same, after deducting the underwriting discounts and commissions and estimated offering expenses payable by us, a \$1.00 increase or decrease in the assumed initial public offering price of \$ per share, the mid-point of the estimated offering price range set forth on the cover page of this prospectus, would increase or decrease the pro forma as adjusted net tangible book value attributable to new investors purchasing shares in this offering by \$ per share and the dilution to new investors by \$ per share and increase or decrease the pro forma as adjusted net tangible book value (deficit) per share after offering by \$ per share.

The following table summarizes, as of July 1, 2017, the differences between the number of shares purchased from us, the total consideration paid to us, and the average price per share paid by existing stockholders and by new investors. As the table shows, new investors purchasing shares in this offering will pay an average price per share substantially higher than our existing stockholders paid. The table below assumes an initial public offering price of \$ per share, the mid-point of the estimated offering price range set forth on the cover page of this prospectus, for shares purchased in this offering and excludes underwriting discounts and commissions and estimated offering expenses payable by us:

	Shares Pur	rchased	Total Consi	deration	Avg/
	Number	%	Amount	\$	Share
Existing stockholders		%	\$	%	\$
New investors		%		%	
Total		 %	\$	%	

If the underwriters were to fully exercise the underwriters' option to purchase additional shares of our common stock, the percentage of shares of our common stock held by existing stockholders who are directors, officers or affiliated persons as of July 1, 2017 would be % and the percentage of shares of our common stock held by new investors would be %.

Assuming the number of shares offered by us, as set forth on the cover page of this prospectus, remains the same, a \$1.00 increase or decrease in the assumed initial public offering price of \$ per share, the mid-point of the estimated offering price range set forth on the cover page of this prospectus, would increase or decrease total consideration paid by new investors and total consideration paid by all stockholders by approximately \$ million.

To the extent that outstanding options are exercised, or we grant options to our employees, executive officers and directors in the future and those options are exercised or other issuances of common stock are made, there will be further dilution to new investors.

CAPITALIZATION

The following table sets forth our cash and cash equivalents and capitalization as of July 1, 2017:

- on an actual basis; and
- on a pro forma basis as adjusted to give effect to (1) the sale of approximately shares of our common stock in this offering; (2) the application of the estimated proceeds from the offering, at an assumed initial public offering price of \$ per share, the mid-point of the estimated offering price range set forth on the cover page of this prospectus, after deducting the underwriting discounts and commissions and estimated offering expenses payable by us, as described in "Use of Proceeds"; and (3) the payment of a monitoring agreement termination fee to each of KKR Sponsor and Berkshire as described in "Certain Relationships and Related Party Transactions—Monitoring Agreement."

You should read this table in conjunction with the information contained in "Use of Proceeds," "Unaudited Pro Forma Consolidated Financial Information," "Selected Historical Consolidated Financial Data," "Management's Discussion and Analysis of Financial Condition and Results of Operations" and "Description of Indebtedness," as well as the audited consolidated financial statements and the notes thereto and the unaudited condensed consolidated financial statements and notes thereto, each included elsewhere in this prospectus.

1. Adjustments to the Unaudited Pro Forma Condensed Consolidated Balance Sheet

The adjustments to the unaudited pro forma condensed consolidated balance sheet as of July 1, 2017 are as follows:

Pro Forma Adjustments for this Offering

- (B) A pro forma adjustment was recorded in the Unaudited Pro Forma Condensed Consolidated Balance Sheet as of July 1, 2017 to reflect an anticipated one-time principal payment of (i) \$125.0 million under our second lien credit agreement and (ii) \$ million under our first lien credit agreement from the net proceeds of this offering.

2. Adjustments to the Unaudited Pro Forma Consolidated Statements of Operations

The adjustments to the unaudited pro forma consolidated statements of operations for the six months ended July 1, 2017 and the year ended December 31, 2016 are as follows:

Pro Forma Adjustments for the February 2017 Recapitalization

- (C) On February 3, 2017, we borrowed \$175.0 million under our first lien credit agreement with a \$1.3 million issue discount, which is amortized over the term of the new borrowing under the effective interest method. Related party fees of \$2.3 million and third-party fees of \$0.4 million were expensed at the time of the new financing. The stated rate of the new borrowing was 4.00% per annum, consistent with the existing first lien term loans. If the variable rate on this incremental borrowing changed 0.125%, the impact on the annual interest expense would be \$0.22 million. A pro forma adjustment was recorded in the Unaudited Pro Forma Consolidated Statement of Operations to report additional pro forma interest expense of \$8.0 million for the year ended December 31, 2016 and \$0.7 million for the six months ended July 1, 2017. The borrowing costs of \$2.7 million are included in the results of operations for the six months ended July 1, 2017 and removed as a pro forma adjustment due to the non-recurring nature of the expense.
- (D) A pro forma adjustment was recorded in the Unaudited Pro Forma Consolidated Statement of Operations for the year ended December 31, 2016 to reflect a deferred tax benefit of \$3.2 million arising from fees and interest expense incurred, on a pro forma basis, as a result of the February 3, 2017 borrowing. A similar adjustment of \$0.3 million was recorded in the Unaudited Pro Forma Condensed Consolidated Statement of Operations for the six months ended July 1, 2017.

Pro Forma Adjustments for this Offering

- (E) A pro forma adjustment was recorded in the Unaudited Pro Forma Consolidated Statements of Operations for the six months ended July 1, 2017 and the year ended December 31, 2016 to reflect the expense arising from non-capitalizable costs of \$ million incurred in this offering.
- (F) A pro forma adjustment was recorded in the Unaudited Pro Forma Consolidated Statements of Operations for the six months ended July 1, 2017 and the year ended December 31, 2016 to reflect a reduction in interest expense of \$ million from the application of the net proceeds from this offering to repay (i) \$125.0 million under our second lien credit agreement and (ii) \$ million under our first lien credit agreement.

- (G) A pro forma adjustment was recorded in the Unaudited Pro Forma Consolidated Statements of Operations for the six months ended July 1, 2017 and the year ended December 31, 2016 to reflect additional income tax expense incurred on a pro forma basis as a result of the reduction in pro forma interest expense arising from the repayment of \$\\$\text{million of our outstanding indebtedness from the net proceeds of this offering.}
- (H) Pro forma as adjusted basic and diluted weighted average shares outstanding used to calculate pro forma as adjusted earnings per share have been increased to reflect the million shares issued in this offering.

Overview

We are one of the largest and fastest growing optical retailers in the United States and a leader in the attractive value segment of the U.S. optical retail industry. We believe that vision is central to quality of life and that people deserve to see their best to live their best, no matter what their budget. Our mission is to make quality eye care and eyewear affordable and accessible to all Americans. We achieve this by providing eye exams, eyeglasses and contact lenses to cost-conscious and low-income consumers. We deliver exceptional value and convenience to our customers, with an opening price point that strives to be among the lowest in the industry, enabled by our low-cost operating platform. We reach our customers through a diverse portfolio of 980 retail stores across five brands and 19 consumer websites as of July 1, 2017.

Our operations consist of two reportable segments:

- Owned & host As of July 1, 2017, our owned brands consisted of 559 America's Best retail stores and 108 Eyeglass World retail stores. In America's Best stores, vision care services are provided by optometrists employed by us or by independent professional corporations. America's Best stores are primarily located in high-traffic strip centers next to similar nationally-known discount retailers. Eyeglass World locations primarily feature independent optometrists who perform eye exams and on-site optical laboratories that enable stores to quickly fulfill customer orders and make repairs on site. Eyeglass World stores are primarily located in freestanding or in-suite locations near high-foot-traffic shopping centers. Our two host brands consisted of 57 Vista Optical locations on military bases and 29 Vista Optical locations within Fred Meyer stores as of July 1, 2017. We have strong, long-standing relationships with our host partners and have maintained each partnership for over 18 years. Both host brands compete within the value segment of the U.S. optical retail industry. These brands also utilize our centralized laboratories and provide eye exams principally by independent optometrists in nearly all locations. This segment also includes sales from our four store websites, three of which are omni-channel.
- Legacy We managed the operations of, and supplied inventory and laboratory processing services to, 227 Vision Centers
 in Walmart retail locations as of July 1, 2017. Under our management & services agreement, our responsibilities include
 ordering and maintaining merchandise inventory, arranging the provision of optometry services, providing managers and
 staff at each location, training personnel, providing sales receipts to customers, maintaining necessary insurance, obtaining
 and holding required

licenses, permits and accreditations, owning and maintaining store furniture, fixtures and equipment, and developing annual operating budgets and reporting. We earn management fees as a result of providing such services and we record revenue related to sales of products and product protection plans on a net basis. Our management & services agreement also allows our legacy partner to collect penalties if the Vision Centers do not generate a requisite amount of revenues. We also sell to our legacy partner merchandise that is stocked in retail locations we manage pursuant to a separate supplier agreement, and provide to our legacy partner centralized laboratory services associated with the manufacture of finished eyeglasses for our legacy partner's customers in stores that we manage. We lease space from Walmart within or adjacent to each of the locations we manage and use this space for providing optometric examination services. During fiscal year 2016, sales to our legacy partner represented 12.7% of consolidated net revenue. This exposes us to concentration of customer risk. Our agreements with our legacy partner expire on August 23, 2020, and will automatically renew for a three-year period unless a party elects not to renew.

Our consolidated results also include other non-reportable segment activity recorded in our corporate/other category, and includes:

- Our e-commerce platform of 15 dedicated websites managed by our wholly-owned subsidiary, AC Lens. Our e-commerce
 business consists of seven proprietary branded websites, including aclens.com and discountcontactlenses.com, and eight
 third-party websites with established retailers, such as Walmart, Sam's Club and Giant Eagle, and mid-sized vision
 insurance providers. AC Lens handles site management, customer relationship management and order fulfillment and also
 sells a wide variety of contact lenses, eyeglasses and eye care accessories.
- AC Lens also distributes contact lenses to Walmart and Sam's Club under fee for service arrangements or wholesale order fulfillment. We record revenue for these activities at the price to retail customers, and we incur costs at a higher percentage of sales than other product categories, given the wholesale nature of the business.
- Managed care business conducted by FirstSight, our wholly-owned subsidiary that is licensed as a single-service health
 plan provider under California law, which arranges for the provision of optometric services at the optometric offices next
 to Eyeglass World, Walmart and Sam's Club stores throughout California, and also issues individual vision care benefit
 plans in connection with our America's Best operations in California.
- Unallocated corporate overhead expenses, which are a component of selling, general and administrative expenses and are
 comprised of various home office general and administrative expenses such as payroll expenses, occupancy costs, and
 consulting and professional fees. Corporate overhead expenses also include field supervision for stores included in our
 owned & host and legacy segments.

Reportable segment information is presented on the same basis as our consolidated financial statements, except for owned & host reportable segment revenue, which is presented on a cash basis, excluding the effects of unearned and deferred revenue, consistent with what our chief operating decision maker, or the CODM, regularly reviews. Reconciliations of segment results to consolidated results include financial information necessary to adjust reportable segment revenues to a consolidated GAAP basis, specifically the change in unearned and deferred revenues during the period. There are no revenue transactions between reportable segments, and there are no other items in reconciliations other than deferred and unearned revenue items previously described.

Deferred revenue represents cash basis sales of product protection plans and club memberships, and is the timing difference of when we collect the cash from the customer and performance of the service to the customer. The increases or decreases in deferred revenue represent cash collections in the reporting period in excess of or below the recognition of previous deferrals and are presented in the reconciliation column in our Segment Reporting footnote to adjust segment revenues on a cash basis to revenues as presented in our consolidated financial statements.

Due to the application of purchase accounting in connection with the KKR Acquisition, our deferred revenue was adjusted to fair value, resulting in a reduction of the carrying value of deferred revenue of approximately \$25.5 million on the date of the KKR Acquisition. The adjustment reduced the subsequent

recognition of previously deferred revenues by \$14.8 million, \$7.4 million and \$3.0 million in the 2014 Successor period, fiscal year 2015, and fiscal year 2016, respectively. These reductions in recognition of previous deferrals drove higher increases in deferred revenue balances in the respective periods.

Unearned revenue represents cash basis sales of prescription eyewear only for approximately the last week of the reporting period and is the timing difference of when we collect the cash from the customer and the delivery/customer acceptance of the product.

Trends and Other Factors Affecting Our Business

Various trends and other factors affect or have affected our operating results, including:

New Store Openings. We expect that new stores will be a key driver of growth in our net revenue and operating profit in the future. Our results of operations have been and will continue to be materially affected by the timing and number of new store openings. As stores mature, profitability increases significantly. The performance of new stores may vary depending on various factors such as the store opening date, the time of year of a particular opening, the amount of store opening costs, the amount of store occupancy costs and the location of the new store, including whether it is located in a new or existing market. For example, we typically incur higher than normal employee costs at the time of a new store opening associated with set-up and other opening costs. The multi-year maturation process of our stores is influenced by customer purchasing behavior in our industry, with consumers getting eye exams every 20 months on average and with a substantial majority of our customers being repeat buyers. Our planned store expansion will place increased demands on our operational, managerial, administrative and other resources. Managing our growth effectively will require us to continue to enhance our store management systems, financial and management controls and information systems. We will also be required to hire, train and retain store management and store personnel, which, together with increased marketing costs, affects our operating margins.

Comparable Store Sales Growth. Comparable store sales growth is a key driver of our business. Various factors affect comparable store sales, including:

- · consumer preferences, buying trends and overall economic trends;
- the recurring nature of eye care purchases;
- our ability to identify and respond effectively to customer preferences and trends;
- our ability to provide an assortment of high quality/low cost product offerings that generate new and repeat visits to our stores:
- the customer experience we provide in our stores;
- the availability of vision care professionals;
- our ability to source and receive products accurately and timely;
- changes in product pricing, including promotional activities;
- the number of items purchased per store visit; and
- the number of stores that have been in operation for more than 12 months.

A new store is included in the comparable store sales calculation during the thirteenth full fiscal month following the store's opening. Closed stores are excluded from the calculation of comparable store sales. In the past, we have closed our stores as a result of low store performance, lease expiration or non-renewal and/or the terms of our arrangements with our host and legacy partners.

Managed Care and Insurance. Managed care has become increasingly important to the optical retail industry. We have relationships with almost all vision care insurers in the United States and with all of the major carriers.

Vision Care Professional Recruitment and Coverage. Our ability to operate our stores is largely dependent upon our ability to attract and retain qualified vision care professionals, and to maintain our relationships with independent optometrists and professional corporations owned by eye care practitioners that provide vision care services in our stores.

Overall Economic Trends. Macroeconomic factors that may affect customer spending patterns, and thereby our results of operations, include employment rates, business conditions, changes in the housing market, the availability of credit, interest rates, tax rates and fuel and energy costs. However, eye care purchases are predominantly a medical necessity and are considered non-discretionary in nature. Therefore, the overall economic environment and related changes in consumer behavior have less of an impact on our business than for retailers in other industries. We also benefit from our low prices during periods of economic downturn and uncertainty.

Consumer Preferences and Demand. Our ability to maintain our appeal to existing customers and attract new customers depends on our ability to originate, develop and offer a compelling product assortment responsive to customer preferences and design trends. We estimate that optical consumers typically replace their eyeglasses every two to three years, while contact lens customers typically order new lenses every six to twelve months, reflecting the predictability of these recurring purchase behaviors. This is further demonstrated by the customer mix of our mature stores, with existing customers representing 68% of total customers in 2016 and new customers representing the remaining 32% of total customers in 2016.

Infrastructure Investment. Our historical results of operations reflect the impact of our ongoing investments in infrastructure to support our growth. We have made significant investments in information technology systems, supply chain systems and marketing. These investments include significant additions to our personnel, including experienced industry executives, management and merchandising teams to support our long-term growth objectives. We intend to continue making targeted investments in our infrastructure as necessary to support our growth.

Pricing Strategy. We are committed to providing our products to our customers at low prices. We generally employ a simple low price/high value strategy that consistently delivers savings to our customers without the need for extensive promotions.

Our Ability to Source and Distribute Products Effectively. Our revenue and operating income are affected by our ability to purchase our products in sufficient quantities at competitive prices. While we believe our vendors have adequate capacity to meet our current and anticipated demand, our level of revenue could be adversely affected in the event we face constraints in our supply chain, including the inability of our vendors to produce sufficient quantities of some merchandise in a manner that is able to match market demand from our customers, leading to lost revenue. We rely on a limited number of vendors to supply the majority of our eyeglass frames, eyeglass lenses and contact lenses, and are thus exposed to concentration of supplier risk. In particular, we have agreed to exclusively purchase almost all of our spectacle lenses from one supplier. During fiscal year 2016, two vendors supplied 44% of frames, two vendors provided 89% of lenses and three vendors supplied 94% of contact lenses.

Inflation. Our financial results can be expected to be directly impacted by substantial increases in product costs due to materials cost increases or general inflation which could lead to greater profitability pressure as costs may not be able to be passed on to consumers. To date, changes in materials prices and general inflation have not materially impacted our business.

53rd Week. Our full year 2014 consisted of 53 weeks. Fiscal years 2015 and 2016 each consisted of 52 weeks. The additional week of full year 2014 contributed approximately \$17.0 million of incremental net revenue.

Interim Results and Seasonality. Historically, our business has realized a higher portion of net revenue, operating income, and cash flows from operations in the first fiscal quarter, and a lower portion of net revenue, operating income, and cash flows from operations in the fourth fiscal quarter. The seasonally larger first quarter is attributable primarily to the timing of our customers' income tax refunds and annual health insurance program start/reset periods. Our target market, which consists of cost-conscious and low-income consumers, relies on tax refunds to pay for eyewear and eye care. A delay in the issuance of tax refunds can accordingly have a negative impact on our financial results. Consumers could also alter how they utilize tax refund proceeds. With respect to our fourth quarter results, compared to other retailers, our products and services are less likely to be included in consumer's holiday spending budgets, therefore reducing spending on personal vision correction during the weeks preceding December 25 of each year. Additionally, although the period between December 25 and the end of our fiscal year is typically a high-volume period, the net revenue associated with substantially all orders of prescription eyeglasses and contact lenses during that period is deferred until January due to our policy of

recognizing revenue only after the product has been accepted by the customer (see "—Critical Accounting Policies and Estimates" for details relating to our revenue recognition policy), further contributing to higher first quarter results. For fiscal 2015 and 2016, approximately 23% of our revenues were recorded in the fourth quarter. However, approximately 24% and 25% of annual SG&A costs were recorded in the fourth quarter for fiscal 2015 and 2016, respectively, due to certain SG&A costs being more fixed in nature. In addition to reduced revenues in the fourth quarter compared to the other quarters, our fourth quarter operating income includes annual impairment charges, and to a lesser extent, higher depreciation of property and equipment due to timing of placing property and equipment in service, which further reduces operating income relative to other quarters. Our quarterly results may also be affected by the timing of new store openings and store closings, the amount of sales contributed by new and existing stores, as well as the timing of certain holidays. As a result of these factors, our working capital requirements and demands on our product distribution and delivery network may fluctuate during the year.

Competition. The U.S. optical retail industry is highly competitive. Competition is generally based upon brand name recognition, price, selection, service, product quality and convenience. We operate within the value segment of the U.S. optical retail industry, which emphasizes price and value. This segment is fragmented. We compete with mass merchants, specialty retail chains and independent eye practitioners and opticians. In the broader optical retail industry, we also compete with large national retailers such as, in alphabetical order, LensCrafters, Pearle Vision and Visionworks. This competition takes place both in physical retail locations and online.

Consolidation in the Industry. Recently announced mergers of large, global competitors will create organizations that are involved in virtually every sector of the optical industry, from retail and wholesale to frames, spectacle lenses, and managed vision care. These companies will benefit from purchasing advantages and by leveraging management capabilities across a larger revenue base. Recent trends indicate that national and regional optical retail chains are gaining market share from independent vision care providers, benefiting from economies of scale unavailable to smaller competitors.

How We Assess the Performance of our Business

We consider a variety of financial and operating measures in assessing the performance of our business. The key measures we use to determine how our business is performing are net revenue, costs applicable to revenue, and selling, general, and administrative expenses. In addition, we also review other important metrics such as store growth, adjusted comparable store sales growth and Adjusted EBITDA.

Net Revenue

We report as net revenue amounts generated in transactions with customers who are the end users of our products, services, and plans. Net product sales include sales of prescription and non-prescription eyewear, contact lenses, and related accessories to retail customers and sales of inventory in which our customer is another retail entity. Net sales of services and plans include eye exams, discount clubs membership fees, product protection plans (i.e. warranties), and HMO membership fees. Net sales of services and plans also includes fees we earn for managing certain Vision Centers located in Walmart stores, for laboratory services to Walmart, and fulfillment fees earned by AC Lens.

Costs Applicable to Revenue

Costs applicable to revenue include both costs of net product sales and costs of net sales of services and plans. Costs of net product sales include (i) costs to procure non-prescription eyewear, contact lenses, and accessories, which we purchase and sell in finished form, (ii) costs to manufacture finished prescription eyeglasses, including direct materials, labor, and overhead, and (iii) remake costs, warehousing and distribution expenses, and internal transfer costs. Costs of services and plans include costs associated with warranty programs, eye care and discount club memberships, HMO membership fees, eye care practitioner and exam technician payroll, taxes and benefits and optometric and other service costs. Customer tastes and preferences, product mix, changes in technology, significant increases or slowdowns in production, and other factors impact costs applicable to revenue. The components of our costs applicable to revenue may not be comparable to other retailers.

Selling, General, and Administrative Expenses

Selling, general, and administrative expenses, or SG&A, include store associate (including optician) payroll, taxes and benefits, store occupancy, advertising and promotion, field supervision, corporate support and other costs associated with the provision of vision care services. Non-capital expenditures associated with opening new stores, including rent, store remodels, marketing expenses, travel and relocation costs, and training costs, are recorded in SG&A as incurred. SG&A generally fluctuates consistently with revenue due to the variable store field office and corporate support costs; however, some fixed costs slightly improve as a percentage of net revenue as our net revenues grow over time. We expect slight decreases in SG&A as a percentage of net revenue given our ongoing focus on cost containment.

New Store Openings

The total number of new stores per year and the timing of store openings has, and will continue to have, an impact on our results as described above in "—Trends and Other Factors Affecting Our Business."

Adjusted Comparable Store Sales Growth

We measure adjusted comparable store sales growth as the increase or decrease in sales recorded by the comparable store base in any reporting period, compared to sales recorded by the comparable store base in the prior reporting period, which we calculate as follows: (i) sales are recorded on a cash basis (i.e. when the order is placed and paid for, compared to when the order is delivered), utilizing cash basis point of sale information from stores; (ii) stores are added to the calculation in their 13th full month; (iii) closed stores are removed from the calculation for time periods that are not comparable; (iv) sales from partial months of operation are ignored when stores do not open or close on the first day of the month; and (v) when applicable, we adjust for the effect of the 53rd week. Quarterly, year-to-date and annual adjusted comparable store sales are aggregated using only sales from all whole months of operation included in both the current reporting period and the prior reporting period. When a partial month is excluded from the calculation, the corresponding month in the subsequent period is also excluded from the calculation. There may be variations in the way in which some of our competitors and other retailers calculate comparable store sales. As a result, data in this prospectus regarding our adjusted comparable store sales may not be comparable to similar data made available by other retailers.

Adjusted comparable store sales growth is a non-GAAP financial measure, which we believe is useful because it provides timely and accurate information relating to the two core metrics of retail sales: number of transactions and value of transactions. We use adjusted comparable store sales growth as the basis for key operating decisions, such as allocation of advertising to particular markets and implementation of special marketing programs. Accordingly, we believe that adjusted comparable store sales growth provides timely and accurate information relating to the operational health and overall performance of each brand. We also believe that, for the same reasons, investors find our calculation of adjusted comparable stores sales growth to be meaningful.

Adjusted EBITDA

We define Adjusted EBITDA as net income (loss), plus interest expense, income tax provision (benefit) and depreciation and amortization, as further adjusted to exclude stock compensation expense, costs associated with debt refinancing, asset impairment, non-cash inventory write-offs, purchase accounting inventory adjustment, acquisition-related expenses, management fees, new store pre-opening expenses, non-cash rent, litigation settlement and other expenses. Adjusted EBITDA is a key metric used by management to assess our financial performance. Adjusted EBITDA is also frequently used by analysts, investors and other interested parties. We use Adjusted EBITDA to supplement GAAP measures of performance to evaluate the effectiveness of our business strategies, to make budgeting decisions, to establish discretionary annual incentive compensation and to compare our performance against that of other peer companies using similar measures.

KKR Acquisition

On March 13, 2014, majority ownership of the Company was transferred from private equity funds managed by Berkshire to affiliates of KKR Sponsor. For the purpose of discussing our financial results, we refer to ourselves as the "Successor" in the periods following the KKR Acquisition and the "Predecessor" during the periods preceding the KKR Acquisition.

All acquisition-related transactions were pushed down to National Vision Holdings, Inc. using purchase accounting. As a result, our consolidated financial statements for the periods prior to the KKR Acquisition are not comparable to those for the periods after the KKR Acquisition. The primary impact of the application of purchase accounting to the Successor was related to the following:

- Increase in the carrying values of inventory. The total step-up to fair value was \$6.2 million, resulting in incremental
 increases in costs of products as a percentage of product sales during the 2014 Successor period. The inventory step-up
 had no significant impact beyond the 2014 Successor period.
- Increase in the depreciable carrying values of property and equipment. The total step-up to fair value was \$40.2 million. However, in conjunction with acquisition accounting, the estimated useful lives of property and equipment were adjusted to reflect their remaining useful lives as of the acquisition date, resulting in an overall decrease of depreciation expense over comparable depreciation periods prior to and subsequent to the KKR Acquisition.
- Increase in the carrying values of amortizing intangible assets, primarily customer and contractual relationships, of \$106.2 million.
- Increase in the carrying value of tradenames of \$213.1 million. Tradenames are not amortized, and therefore adjustments
 to tradename values made in the KKR Acquisition had no impact on amortization expense. Instead, tradenames are
 evaluated annually for impairment.
- Goodwill of \$806.2 million. Goodwill is not amortized, and therefore goodwill recorded in the KKR Acquisition had no impact on amortization expense. Instead, goodwill is evaluated annually for impairment.
- Increase to long-term debt, resulting from the replacement of Predecessor credit agreements with new credit agreements.
 The increase in the long-term debt balance resulted in increases in interest expense, and to a lesser extent, amortization of related debt discounts.
- Decrease in the remaining carrying value of deferred revenue at KKR Acquisition of \$25.5 million. The decrease in the
 carrying value of deferred revenue resulted in a reduced amount of revenue associated with warranty plans, discount club
 memberships, and managed care memberships that could be recognized ratably over the remaining service period of
 approximately three years, with the majority of the revenue reductions occurring in the 2014 Successor period and fiscal
 year 2015.
- Net increase in deferred income tax liabilities of \$127.5 million, primarily the result of deferred income tax liabilities associated with intangible assets acquired.

The loss from operations of \$12.9 million and net loss of \$27.1 million during the 2014 Successor period was primarily the result of non-recurring acquisition-related expenses of \$13.7 million, \$6.0 million of new amortization expense related to \$100.0 million in new intangible assets identified during the KKR Acquisition, and stock compensation expense of \$7.1 million related to the 2014 stock incentive plan implemented in conjunction with the KKR Acquisition. However, stock compensation expense declined to \$6.6 million and \$4.3 million for fiscal years 2015 and 2016, respectively. The higher amortization expense related to customer relationships will continue until those assets are fully amortized.

Excluding the impact of previously described purchase accounting adjustments, the KKR Acquisition did not have a significant impact on the primary business operations of the Company, including the key measures that we use to determine how our business is performing, such as net revenue, costs applicable to revenue, SG&A, store growth, adjusted comparable store sales growth and Adjusted EBITDA.

⁽¹⁾ We calculate total comparable store sales based on consolidated net revenue excluding the impact of (i) corporate/other segment net revenue, (ii) sales from stores opened less than 12 months, (iii) stores closed in the periods presented, (iv) sales from partial months of operation when stores do not open or close on the first day of the month, and (v) if applicable, the impact of a 53rd week in a fiscal year.

Total net revenue of \$707.4 million for the six months ended July 1, 2017 increased \$89.5 million, or 14.5%, from \$617.9 million for the six months ended July 2, 2016. This increase was driven approximately 50% by new stores, approximately 40% by comparable store sales growth and approximately 10% by order volume in our AC Lens business.

In the 12 months preceding July 1, 2017, we opened 79 new stores, including 66 new America's Best stores, eight new Eyeglass World stores and five new Vista Optical locations on military bases. Overall, store count grew 8.3% (net of four America's Best store closures in the 12 months ended July 1, 2017) from July 2, 2016 to July 1, 2017. Additionally, adjusted comparable store sales growth of 6.5% for the six months ended July 1, 2017 contributed to our sales growth. Overall comparable store sales growth is driven by comparable store sales growth in newer stores (stores opened between 13 months to five years) and mature stores (stores opened longer than five years), as well as other factors impacting retail foot traffic such as advertising and expansion of our participation in managed care programs. Net revenue for our owned & host segment grew \$78.2 million, or 17.0%, impacted by new stores and comparable store sales growth as previously described. Within our owned & host segment, net revenue from our Vista Optical locations on military bases declined \$0.6 million, or 4.6%, and net revenue from our Vista Optical locations in Fred Meyer stores declined \$0.3 million, or 3.4%. The declines were a result of lower customer transaction volume in the six months ended July 1, 2017. Customer transaction volume also drove a \$0.2 million, or 0.2%, decline in our legacy segment. Other net revenue activities increased \$11.4 million, or 13.4%, driven by unit growth in our wholesale order fulfillment business. We believe that our first quarter of fiscal year 2017 was negatively impacted by the Earned Income Tax Credit processing rules

⁽²⁾ There are two differences between total comparable store sales growth based on consolidated net revenue and adjusted comparable store sales growth: (i) adjusted comparable store sales growth includes the effect of deferred and unearned revenue as if such sales were earned at the point of sale, resulting in a decrease of 0.4% and 0.4% from total comparable store sales growth based on consolidated net revenue for the six months ended July 1, 2017 and July 2, 2016, respectively, and (ii) adjusted comparable store sales growth includes retail sales to the legacy partner's customers (rather than the revenues recognized consistent with the management and services agreement), resulting in a decrease of 0.1% and 0.3% from total comparable store sales growth based on consolidated net revenue for the six months ended July 1, 2017 and July 2, 2016, respectively.

implemented by the federal government in 2017 which caused a two- to three-week delay in many federal tax refunds in the first quarter. This delay caused our store traffic, and ultimately net revenue, to fall short of planned levels in the first quarter. A weaker than expected first quarter was partially offset by strong performance in our comparable store sales growth and overall customer traffic in the second quarter of fiscal year 2017.

Net product sales increased \$73.4 million, or 14.4%, in the six months ended July 1, 2017 compared to the six months ended July 2, 2016, driven primarily by strong eyeglass sales. To a lesser extent, unit growth in our wholesale order fulfillment business and contact lenses also contributed to the increase. Net sales of services and plans increased \$16.1 million, or 15.0%, driven primarily by strong eye exam sales in our owned & host segment. The eye exam increase was driven primarily by our expanding participation in managed care programs. To a lesser extent, Eyecare Club membership sales and warranty program sales, driven by increased sales in our America's Best brand, also contributed to the increase.

Reconciliations include increases in deferred revenue of \$7.6 million (8.7%) and \$9.0 million (11.6%), and decreases in unearned revenue of \$2.8 million (10.9%) and \$4.0 million (18.8%) for the six months ended July 1, 2017 and July 2, 2016, respectively. The 2014 purchase accounting adjustment described in "—Overview" above contributed to the increases in deferred revenue by \$0.2 million and \$2.0 million for the six months ended July 1, 2017 and July 2, 2016, respectively, resulting in larger increases in deferred revenue compared to corresponding periods. Absent the impact of the KKR Acquisition, increases in deferred revenue for each respective period is consistent with our growth in overall net sales of services and plans. The decrease in unearned revenue was primarily the result of seasonal influences on cash basis sales of prescription eyewear in our stores the last few days of the respective month ending each quarter. We have consistently observed that cash basis sales of prescription eyewear that must be deferred to the next fiscal period is higher the last week of December compared to the following June month-end, resulting in a decrease in unearned revenue between year-end and the second fiscal quarter end of the next fiscal year.

Costs applicable to revenue

Costs applicable to revenue of \$322.2 million for the six months ended July 1, 2017 increased \$46.4 million, or 16.8%, from \$275.8 million for the six months ended July 2, 2016. We analyze the costs applicable to revenue as a percentage of net revenue.

As a percentage of net revenue, costs applicable to revenue increased from 44.6% for the six months ended July 2, 2016 to 45.5% for the six months ended July 1, 2017. Costs of products as a percentage of net product sales increased from 39.3% for the six months ended July 2, 2016 to 40.0% for the six months ended July 1, 2017, primarily driven by unfavorable product cost. During the six months ended July 1, 2017, we wrote off \$2.3 million of inventory related to a slow-moving contact lens product which had expired or would expire prior to possible sale. The mix of our wholesale product sales also contributed to the increased costs of products as a percentage of net product sales. Our wholesale order fulfillment units, which have a higher cost as a percentage of sales than other product categories, increased. Partially offsetting the unfavorable variances was a lower mix of contact lens sales, which generate lower product margin compared to other product categories. The mix shift was driven by higher growth in our owned & host segment compared to our e-commerce business.

In the owned & host segment, costs of products as a percentage of net product sales increased from 28.9% for the six months ended July 2, 2016 to 29.1% for the six months ended July 1, 2017. The increase was primarily driven by inventory shrinkage. In the legacy segment, costs of products as a percentage of net product sales increased from 47.0% for the six months ended July 2, 2016 to 47.3% for the six months ended July 1, 2017. The increase was driven by the one-time sale of contact lens inventory at cost to our wholesale partner, partially offset by favorable eyeglass costs as a result of our centralized laboratory efficiencies and a favorable mix shift. Our eyeglass orders, which have a lower cost as a percentage of sales than other product categories, increased.

Costs of services and plans as a percentage of net sales of services and plans increased from 70.1% for the six months ended July 2, 2016 to 71.8% for the six months ended July 1, 2017. The increase was primarily driven by higher optometrist costs as a result of increased store coverage and overall wage pressure. In the first quarter of fiscal year 2017, our optometrists were staffed in anticipation of our seasonally strong first quarter. When sales fell short of plan (as discussed above), we maintained optometrist staffing in anticipation of customer traffic recovery.

From a segment perspective, costs of services and plans as a percentage of net sales of services and plans in the owned & host segment increased from 75.5% for the six months ended July 2, 2016 to 75.8% for the six months ended July 1, 2017. In the legacy segment, costs of services and plans as a percentage of net sales of services and plans increased from 22.7% for the six months ended July 2, 2016 to 29.3% for the six months ended July 1, 2017. The increases in both the owned & host and legacy segments were driven by higher optometrist costs as a result of increased store coverage and overall wage pressure discussed above. Additionally, in the legacy segment, fixed optometrist labor costs paired with declining revenue also contributed to the increase.

Selling, general, and administrative expenses

SG&A of \$294.5 million for the six months ended July 1, 2017 increased \$33.5 million, or 12.9%, from the comparable prior year period. As a percentage of net revenue, SG&A decreased from 42.2% for the six months ended July 2, 2016 to 41.6% for the six months ended July 1, 2017. The decrease as a percentage of net revenue was primarily driven by performance-based incentive compensation and corporate payroll and, to a lesser extent, occupancy costs and stock option compensation expense. We incurred lower performance-based incentive compensation expense as a percentage of net revenue in the six months ended July 1, 2017 compared to the six months ended July 2, 2016 as a result of our actual sales performance compared to our planned levels. The decrease in corporate payroll is primarily driven by consistent year-over-year corporate payroll spend compared to growing net revenue. In fiscal year 2017, we began signing an increased number of capital leases compared to the comparable prior year period and our occupancy expense as a percentage of net revenue decreased accordingly. We recorded lower stock option compensation expense as a percentage of net revenue as a result of declining amortization of grant date fair value due to the use of graded vesting (i.e. accelerated method).

In the owned & host segment, SG&A as a percentage of net revenue was 37.3% for the six months ended July 1, 2017 compared to 37.0% for the six months ended July 2, 2016, driven primarily by store payroll and advertising, partially offset by occupancy expense as described above. The increase in store payroll as a percentage of net revenue was driven by lower than anticipated store traffic in the first quarter of fiscal year 2017. Our stores were fully staffed in anticipation of our seasonally strong first quarter. When sales fell short of plan, we maintained store staffing in anticipation of customer traffic recovery. The increase to advertising expense as a percentage of net revenue is primarily driven by timing. Our fiscal year 2017 planned advertising expense as a percentage of net revenue is in line with fiscal year 2016 results. However, the fiscal year 2017 spend is more heavily weighted to the first half of the year. The weighting shift is a result of our launch of national advertising in the first quarter of fiscal year 2017, as well as adjustments to our advertising placement approach. Additionally, net revenue results that came in lower than the planned levels (due to the factors described above under "—Net revenue") also drove the increase in advertising expense as a percentage of net revenue. The majority of our advertising in the first quarter had already been purchased and, when lower than expected sales materialized, these costs could not be immediately curtailed.

In the legacy segment, SG&A as a percentage of net revenue decreased from 33.7% for the six months ended July 2, 2016 to 33.0% for the six months ended July 1, 2017, driven primarily by decreases in store payroll as a percentage of net revenue, partially offset by increased direct mail advertising spend and fees associated with certain managed care providers.

Depreciation and amortization

Depreciation and amortization expense of \$29.1 million for the six months ended July 1, 2017 increased \$4.0 million, or 16.1%, from \$25.0 million for the six months ended July 2, 2016. The increase is substantially reflective of depreciation resulting from new store openings and other ongoing growth capital projects related to building our information technology, or IT, infrastructure, eyeglass manufacturing labs, and distribution centers. Our property and equipment balance increased \$24.9 million, or 9.7%, during the six months ended July 1, 2017, reflective of \$43.7 million in purchases of property and equipment, \$6.0 million in new capital leases, less \$24.8 million in depreciation expense. New assets are out-pacing retirements by a significant margin and, therefore, we expect continued increases in depreciation expense for the foreseeable future as we continue to execute our growth strategy. See our summary of capital expenditures in the "Liquidity and Capital Resources" section below for further discussion.

Interest expense, net

Interest expense, net, of \$26.1 million for the six months ended July 1, 2017 increased \$6.5 million, or 32.9%, from \$19.6 million for the six months ended July 2, 2016. On February 2, 2017, we declared a recapitalization dividend to our stockholders. The dividend was funded with \$175.0 million of incremental term loans under our first lien credit agreement. The borrowing rate was consistent with the initial term loans under the first lien credit agreement. Interest expense, net, increased \$2.8 million resulting from the additional principal outstanding under the first lien credit agreement during the last five months of the period ended July 1, 2017. Additionally, we accrued \$3.5 million in additional interest expense during the six months ended July 1, 2017 related to interest payments due to counterparties associated with our derivative cash flow hedges. See "Liquidity and Capital Resources" below for further discussion related to our derivative hedging instruments.

Debt issuance costs

We recorded \$2.7 million in fees associated with the incurrence of additional term loans under the first lien credit agreement discussed above during the six months ended July 1, 2017. No such transaction occurred in the six months ended July 2, 2016.

Income tax provision

Our effective income tax rate, or ETR, was 36.9% during the six months ended July 1, 2017 compared to 40.1% during the six months ended July 2, 2016. The ETR during the six months ended July 2, 2016 primarily reflected the 2016 expected combined statutory federal and state rate. During the six months ended July 1, 2017, our expected combined statutory federal and state rate was reduced by a \$1.4 million income tax benefit (5.7%) resulting from the recapitalization dividend described in Note 5 to our unaudited condensed consolidated financial statements included elsewhere in this prospectus. Other items aggregated to a 1.8% further reduction in the rate for the period. These benefits were partially offset by an increase in tax expense of \$0.4 million (1.7%) associated with the non-deductibility of \$1.0 million in impairment expense related to a cost method investment.

⁽¹⁾ We calculate total comparable store sales based on consolidated net revenue excluding the impact of (i) corporate/other segment net revenue, (ii) sales from stores opened less than 12 months, (iii) stores closed in the periods presented, (iv) sales from partial months of operation when stores do not open or close on the first day of the month and (v) if applicable, the impact of a 53rd week in a fiscal year.

Total net revenue of \$1,196.2 million for fiscal year 2016 increased \$133.7 million, or 12.6%, from \$1,062.5 million for fiscal year 2015. This increase was driven approximately 50% by new stores, approximately 45% by comparable store sales growth and approximately 5% by increased AC Lens order volume paired with a decrease in recognized deferred revenue.

During fiscal year 2016, we opened 86 new stores, including 69 new America's Best stores, nine new Eyeglass World stores and eight new Vista Optical locations on military bases. Overall, store count grew 9.9% (net of one America's Best store closure in fiscal year 2016) from the end of fiscal year 2015 to the end of fiscal year 2016. Secondarily, adjusted comparable store sales growth of 6.1% contributed to our sales growth. Overall comparable store sales growth is driven primarily by comparable store sales growth in newer stores (store opened between 13 months to five years) compared to mature stores (stores opened longer than five years), as well as other factors impacting retail foot traffic such as advertising and expansion of our participation in managed care programs. Net revenue for our owned & host segment grew \$130.1 million, or 17.1%, impacted by new stores and comparable store sales growth as previously described. Within our owned & host segment, net revenue from our Vista Optical locations in Fred Meyer stores declined \$0.3 million, or 2.2%, as a result of lower overall customer transaction volume. Net revenue for our legacy segment decreased by \$2.8 million, or 1.8%, driven by customer transaction volume. Other net revenue activities increased \$4.4 million, or 2.7%, driven by unit growth in our wholesale order fulfillment business, partially offset by contractual rate concessions.

⁽²⁾ There are two differences between total comparable store sales growth based on consolidated net revenue and adjusted comparable store sales growth: (i) adjusted comparable store sales growth includes the effect of deferred and unearned revenue as if such sales were earned at the point of sale, resulting in a decrease of 0.4% and 0.4% from total comparable store sales growth based on consolidated net revenue for fiscal year 2016 and fiscal year 2015, respectively, and (ii) adjusted comparable store sales growth includes retail sales to the legacy partner's customers (rather than the revenues recognized consistent with the management and services agreement), resulting in a decrease of 0.4% and 2.0% from total comparable store sales growth based on consolidated net revenue for fiscal year 2016 and fiscal year 2015, respectively.

Net product sales increased \$110.5 million, or 12.7%, compared to fiscal year 2015, driven primarily by strong eyeglass sales. Net sales of services and plans increased \$23.2 million, or 12.1%, driven primarily by strong eye exam and Eyecare Club sales in our owned & host segment. The eye exam increase was driven primarily by our expanding participation in managed care programs. The increase in Eyecare Club sales was driven by increased sales in our America's Best brand.

Reconciliations includes increases in deferred revenue of \$9.6 million (12.3%) and \$13.7 million (21.3%), and increases in unearned revenue of \$4.5 million (21.5%) and \$2.4 million (13.1%) for fiscal year 2016 and fiscal year 2015, respectively. The 2014 purchase accounting adjustment contributed to the increases in deferred revenue by \$3.0 million and \$7.4 million for fiscal year 2016 and fiscal year 2015, respectively, resulting in larger increases in deferred revenue compared to corresponding periods. Absent the impact of the KKR Acquisition, increases in deferred revenue for each respective period is consistent with our growth in overall net sales of services and plans. The increases in unearned revenue were the result of overall increases in cash basis sales of prescription eyewear in our stores the last week of fiscal year 2016 compared to the last week of fiscal year 2015.

Costs applicable to revenue

Costs applicable to revenue of \$544.8 million for fiscal year 2016 increased \$53.7 million, or 10.9%, from \$491.1 million for fiscal year 2015. We analyze the costs applicable to revenue as a percentage of net revenue.

As a percentage of net revenue, costs applicable to revenue improved from 46.2% for fiscal year 2015 to 45.5% for fiscal year 2016. Costs of products as a percentage of net product sales improved from 40.7% for fiscal year 2015 to 39.8% for fiscal year 2016, primarily driven by favorable product mix. During fiscal year 2016 compared to the prior year, we sold a higher mix of eyeglasses, which generate higher product margin, compared to other product categories. Over the past few years, we have invested in new technology in our optical laboratories equipment, improving capacity and efficiency. Additionally, increased sales resulting from new stores and comparable store sales growth drove improved utilization of capacity and scale improvements in our optical laboratories.

In the owned & host segment, costs of products as a percentage of net product sales was 29.0% for both fiscal years 2015 and 2016. In the legacy segment, costs of products as a percentage of net product sales improved from 47.7% for fiscal year 2015 to 46.4% for fiscal year 2016, driven primarily by favorable eyeglass product mix.

Costs of services and plans as a percentage of net sales of services and plans increased from 71.4% for fiscal year 2015 to 71.7% for fiscal year 2016. The increase was primarily driven by higher optometrist costs in our legacy segment and warranty expense, partially offset by favorable HMO claims expense.

From a segment perspective, costs of services and plans as a percentage of net sales of services and plans in the owned & host segment improved from 81.6% for fiscal year 2015 to 80.6% for fiscal year 2016, driven primarily by favorable optometrist wages, partially offset by unfavorable warranty expense and optometrist health care costs. In the legacy segment, costs of services and plans as a percentage of net sales of services and plans increased from 21.2% for fiscal year 2015 to 23.7% for fiscal year 2016 driven primarily by fixed optometrist labor costs with declining revenue.

Selling, general, and administrative expenses

SG&A of \$524.2 million for fiscal year 2016 increased \$50.2 million, or 10.6%, from fiscal year 2015. As a percentage of net revenue, SG&A improved from 44.6% for fiscal year 2015 to 43.8% for fiscal year 2016 driven primarily by a \$3.4 million expense incurred in fiscal year 2015 related to our agreement with the Boys and Girls Clubs of America and associated cash contributions promised over a three-year period. Stock option compensation expense and corporate performance-based incentive compensation also contributed to favorability as a percentage of net revenue. We recorded lower stock option compensation expense in fiscal year 2016 when compared to fiscal year 2015 as a result of declining amortization of grant date fair value due to the use of graded vesting (i.e. accelerated method). We incurred lower performance-based incentive compensation expense in fiscal year 2016 compared to fiscal year 2015. Unfavorable store associate wage pressure in fiscal year 2016 partially offset the favorable variances.

In the owned & host segment, SG&A as a percentage of net revenue was 38.7% for both fiscal years 2015 and 2016. In the legacy segment, SG&A as a percentage of net revenue increased from 34.1% for fiscal year 2015 to 34.8% for fiscal year 2016 driven primarily by fixed store associate labor costs paired with declining revenue.

During fiscal year 2015 and 2014, in order to support the growth in our business, we invested in headcount and related infrastructure at our corporate resource center driving higher SG&A costs as a percentage of net revenue compared to the previous year. This investment relative to net revenue growth subsided in fiscal year 2016.

Depreciation and amortization

Depreciation and amortization expense of \$52.0 million for fiscal year 2016 increased \$7.9 million, or 18.0%, from \$44.1 million for fiscal year 2015. The increase is substantially reflective of depreciation resulting from new store openings, purchases of new information technology infrastructure, optical laboratories equipment and our expanded distribution center. Our property and equipment balance increased \$49.2 million on a net basis from 2015 to 2016, reflective of \$94.0 million in purchases of property and equipment, less \$42.8 million in depreciation expense, less \$2.0 million in impairment and other adjustments. New assets are out-pacing retirements by a significant margin and, therefore, we expect continued increases in depreciation expense for the foreseeable future as we continue to execute our growth strategy. See our summary of capital expenditures in the "Liquidity and Capital Resources" section below for further discussion.

Impairment of goodwill and other long-lived assets

Impairment expenses of \$7.1 million were recorded for fiscal year 2016 compared to \$7.7 million for fiscal year 2015. See "—Critical Accounting Policies and Estimates" below for details regarding specific testing performed on various long-lived assets. The majority of the impairment charges are associated with our AC Lens business, primarily as a result of competitive pressure in the e-commerce contact lens business. We recorded impairment charges of \$5.8 million related to AC Lens for fiscal year 2016. Impairment charges of \$1.2 million related to our retail store long-lived assets were recorded for fiscal year 2016, resulting from decreased cash flow projections at individual stores.

Interest expense, net

Interest expense, net, of \$39.1 million for fiscal year 2016 increased \$2.4 million, or 6.4%, from \$36.7 million for fiscal year 2015. On June 1, 2015, we declared a recapitalization dividend to our stockholders. The dividend was funded with \$150.0 million of incremental term loans under our first lien credit agreement. The borrowing rate was consistent with the initial term loans under the first lien credit agreement. Therefore, the increase in interest expense, net, is primarily the result of the additional principal outstanding under the first lien credit agreement for the entire fiscal year 2016, compared to fiscal year 2015, where the additional principal was only outstanding from June 1, 2015 to January 2, 2016.

Debt issuance costs

We recorded \$2.6 million in fees associated with the incurrence of additional term loans under the first lien credit agreement discussed above during fiscal year 2015. No such transaction occurred in fiscal year 2016.

Income tax provision

The ETR for fiscal year 2016 was 45.9%. The ETR for fiscal year 2015 was 32.8%. During fiscal year 2016 our income tax provision differed from the statutory rate as a result of \$1.0 million valuation allowance for deferred income tax assets recorded in association with cumulative losses on our equity method investment, and \$1.0 million income tax impact of non-deductible permanent items in the normal course of business, offset by \$0.5 million in federal employment credits. During fiscal year 2015, our income tax provision differed from the statutory rate primarily as a result of decreases in deferred tax asset valuation allowances and Federal employment credits, providing income tax benefits of \$0.5 million and \$0.2 million, respectively, offset by the impact to the provision of \$0.3 million related to non-deductible items.

Adjusted comparable store sales growth ⁽³⁾	8.9%	7.5%							

⁽¹⁾ We calculate total comparable store sales based on consolidated revenue excluding the impact of (i) corporate/other segment net revenue, (ii) sales from stores opened less than 12 months, (iii) stores closed in the periods presented, (iv) sales from partial months of operation when stores do not open or close on the first day of the month and (v) if applicable, the impact of a 53rd week in a fiscal year.

Total net revenue of \$1,062.5 million for fiscal year 2015 increased \$129.8 million, or 13.9% from \$932.7 million for full year 2014, including \$735.7 million in the Successor period ended January 3, 2015 and \$197.0 million for the Predecessor period ended March 12, 2014. This increase was driven approximately 60% by comparable store sales growth, approximately 40% by new stores and approximately 15% by increased AC Lens order volume paired with a decrease in recognized deferred revenue, partially offset by approximately 15% negative impact from the additional week in full year 2014, a 53-week fiscal year.

The increase in total net revenue from full year 2014 to fiscal year 2015 was primarily driven by comparable store sales growth. Adjusted comparable store sales were 8.9% for fiscal year 2015. Also contributing to net revenue growth was new store openings in our owned brands. During fiscal year 2015, we opened 70 new stores, including 56 new America's Best stores and 14 new Eyeglass World stores. Overall store count grew 8.3% (net of four closures of stores opened in previous years, including closures of two America's Best stores, one Vista Optical location within a Fred Meyer store and one in Other) from the end of the 2014 Successor period to the end of fiscal year 2015. The additional week in the 53-week full year 2014 generated incremental net revenue of approximately \$17.0 million, while fiscal year 2015 consisted of 52 weeks. Net revenue for our owned & host segment grew \$107.0 million, or 16.4%, impacted by new stores and comparable store sales as

⁽²⁾ Represents the combined results of the Predecessor and the Successor periods for full year 2014. This combination (excluding comparable store sales figures) was performed by mathematical addition and is not a presentation made in accordance with GAAP. However, we believe it provides a meaningful method of comparison of net revenues for fiscal year 2015 to full year 2014. Revenue accounts were not impacted by the KKR Acquisition, except for the impact of an unfavorable purchase accounting adjustment to deferred revenue of \$25.5 million discussed above.

⁽³⁾ There are two differences between total comparable store sales growth based on consolidated net revenue and adjusted comparable store sales growth: (i) adjusted comparable store sales includes the effect of deferred and unearned revenue as if such sales were earned at the point of sale, resulting in a decrease of 0.4% for fiscal year 2015 and an increase of 0.4% for full year 2014, respectively, from total comparable store sales growth based on consolidated net revenue and (ii) adjusted comparable store sales growth includes retail sales to the legacy partner's customers (rather than the revenues recognized consistent with the management and services agreement), resulting in a decrease of 2.0% for fiscal year 2015 and an increase of 3.4% for full year 2014, respectively, from total comparable store sales growth based on consolidated net revenue.

previously described. Net revenue for our legacy segment increased by \$3.0 million, or 1.9%, driven primarily by transaction volume. Other net revenue activities increased \$7.3 million, or 4.7%, primarily impacted by increased activity in our e-commerce and order fulfillment businesses.

The \$108.6 million, or 14.3%, increase in net product sales, compared to full year 2014, was primarily driven by strong eyeglass sales. Net sales of services and plans increased \$21.2 million, or 12.4%, compared to full year 2014, driven primarily by strong Eyecare Club and eye exam sales in our owned & host segment.

For fiscal year 2015, reconciliations includes increases in deferred revenue of \$13.7 million (21.3%), consistent with increases in overall cash basis sales of product protection plans and club memberships, which is consistent with our growth in overall net sales of services and plans. Our full year 2014 deferred revenue was adjusted to fair value in the application of purchase accounting, resulting in a reduction of the carrying value of deferred revenue of approximately \$25.5 million on the date of the KKR Acquisition. Exclusive of the KKR Acquisition adjustment, our deferred revenue balances grew during both the 2014 Successor period and the 2014 Predecessor period by \$17.2 million and \$3.9 million, respectively. For fiscal year 2015, reconciliations includes increases in unearned revenue of \$2.4 million (13.1%). The increase in unearned revenue was the result of overall increases in cash basis sales of prescription eyewear in our stores the last week of fiscal year 2015 compared to the last week of the 2014 Successor period. Unearned revenue reported at the end of each of the 2014 Predecessor period and the 2014 Successor period and the 2014 Predecessor period, respectively, primarily as a result of seasonal differences associated with the timing of period-ends relative to the date of the KKR Acquisition.

Costs applicable to revenue

Costs applicable to revenue were \$491.1 million for fiscal year 2015 compared to \$366.5 million for the Successor period ended January 3, 2015 and \$93.2 million for the Predecessor period ended March 12, 2014. As a percentage of net revenue, costs applicable to revenue improved from 49.8% in the 2014 Successor period and 47.3% for the 2014 Predecessor period to 46.2% for fiscal year 2015. Costs of products as a percentage of net product sales improved from 44.2% and 42.7% for the Successor period ended January 3, 2015 and the Predecessor period ended March 12, 2014, respectively, to 40.7% for fiscal year 2015. Compared to both the Successor and Predecessor periods, the improvement in fiscal year 2015 was driven primarily by favorable product cost and, to a lesser extent, favorable product mix. Favorable product cost was driven primarily by eyeglasses versus the 2014 Successor period and contact lenses and eyeglasses versus the 2014 Predecessor period. Compared to both the 2014 Successor and Predecessor periods, fiscal year 2015 favorable product mix was driven by a lower mix of sales of inventory to Walmart and Sam's Club.

In the owned & host segment, costs of products as a percentage of net product sales improved from 30.3% and 29.6% for the 2014 Successor period and the 2014 Predecessor period, respectively, to 29.0% for fiscal year 2015. Compared to the 2014 Successor period, the improvement was driven primarily by favorable eyeglass cost. Compared to the 2014 Predecessor period, the improvement was driven primarily by favorable contact lens cost. In the legacy segment, costs of products as a percentage of net product sales improved from 49.5% and 50.5% for the 2014 Successor period and the 2014 Predecessor period, respectively, to 47.7% for fiscal year 2015. Compared to both the 2014 Successor period and the 2014 Predecessor period, the improvement for fiscal year 2015 was driven primarily by favorable contact lens cost. Additionally, eyeglass product cost was favorable when comparing the 2014 Predecessor period to fiscal year 2015.

Costs of services and plans as a percentage of net sales of services and plans improved from 75.3% for the 2014 Successor period to 71.4% for fiscal year 2015 driven primarily by seasonality of optometrist payroll and benefits and, to a lesser extent, favorable warranty expense mix. Our optometrist payroll and benefits typically have a lower cost as a percentage of net sales and services in the first quarter of the year when our sales are highest. The 2014 Successor period did not include the benefit of the first two and a half months of the year while fiscal year 2015 results did include that benefit. As such, fiscal year 2015 costs of services and plans as a percentage of net sales of services and plans as a percentage of net sales of services and plans increased from 66.5% for the 2014 Predecessor period to 71.4% for fiscal year 2015 driven primarily by seasonality of optometrist payroll and benefits.

From a segment perspective, costs of services and plans as a percentage of net sales of services and plans in the owned & host segment was 84.2% for the 2014 Successor period and 73.4% for the 2014 Predecessor period,

compared to 81.6% for fiscal year 2015. The improvement in comparison to the 2014 Successor period and the increase in comparison to the 2014 Predecessor period were both driven primarily by seasonality of optometrist payroll and benefits. To a lesser extent, warranty expense mix was favorable for the 2015 fiscal year compared to the 2014 Successor period. In the legacy segment, costs of services and plans as a percentage of net sales of services and plans improved from 21.4% and 21.9% for the 2014 Successor period and the 2014 Predecessor period, respectively, to 21.2% for fiscal year 2015 driven primarily by favorable warranty expense mix.

Selling, general, and administrative expenses

SG&A was \$474.1 million for fiscal year 2015 compared to \$331.5 million for the Successor period ended January 3, 2015 and \$79.1 million for the Predecessor period ended March 12, 2014. As a percentage of net revenue, SG&A was 44.6% for fiscal year 2015 compared to 45.1% for the Successor period ended January 3, 2015 and 40.2% for the Predecessor period ended March 12, 2014. The improvement in SG&A as a percentage of net revenue between the Successor period and fiscal year 2015 was driven primarily by seasonality of our store associate (including optician) payroll and benefits and favorable stock-based compensation expense, partially offset by unfavorable advertising expense. Similar to the optometrist payroll and benefits seasonality described above, our store associate (including optician) payroll and benefits typically have a lower cost as a percentage of net sales in the first quarter of the year when our sales dollars are the highest. The 2014 Successor period did not include the benefit of the first two and a half months of the year while fiscal year 2015 results did include that benefit. As such, fiscal year 2015 SG&A as a percentage of net revenue were lower than in the 2014 Successor period. We recorded more stock option compensation expense as a percentage of net revenue in the 2014 Successor period compared to fiscal year 2015 due to the KKR Acquisition. Increased advertising expense as a percentage of net revenue was driven by a general strategic increase in TV and radio advertising as well as incremental costs associated with new advertising campaigns launched in late 2015 for both our America's Best and Eyeglass World retail brands. The increase in SG&A expense as a percentage of net revenue for fiscal year 2015 compared to the 2014 Predecessor period was driven primarily by seasonality of store associate (including optician) payroll and benefits. To a lesser extent, the increase was driven by corporate performance-based incentive compensation, an increase in fiscal year 2015 advertising spend associated with new advertising campaigns launched in late 2015 for both America's Best and Eyeglass World brands, unfavorable stock-based compensation expense, and unfavorable rent expense as a result of seasonality.

In the owned & host segment, SG&A as a percentage of net revenue was 39.1% for the 2014 Successor period and 35.0% for the 2014 Predecessor period compared to 38.7% for fiscal year 2015. The improvement compared to the 2014 Successor period and the increase compared to the 2014 Predecessor period were driven primarily by seasonality of store associate payroll and benefits and rent expense. Additionally, owned & host advertising expense as a percentage of net revenue increased in fiscal year 2015 in comparison to both the 2014 Successor period and the 2014 Predecessor period. In the legacy segment, SG&A as a percentage of net revenue was 34.5% in the 2014 Successor period and 31.2% in the 2014 Predecessor period compared to 34.1% in fiscal year 2015. The improvement compared to the 2014 Successor period was driven primarily by management fees. The increase compared to the 2014 Predecessor period was driven primarily by seasonality of store associate payroll and benefits expense, partially offset by favorable management fees.

Depreciation and amortization

Depreciation and amortization expense was \$44.1 million for fiscal year 2015 compared to \$31.6 million for the Successor period ended January 3, 2015 and \$7.3 million for the Predecessor period ended March 12, 2014. The increase is primarily the result of additional depreciation resulting from overall Company growth, including new stores, information technology infrastructure, optical laboratories equipment and our expanded distribution center. New assets are out-pacing retirements by a significant margin and therefore, we expect continued increases in depreciation expense for the foreseeable future as we continue to execute our growth strategy. Our property and equipment balance increased \$39.8 million on a net basis from January 3, 2015 to January 2, 2016, reflective of \$77.4 million in purchases of property and equipment, less \$34.9 million in depreciation expense, less impairment and other adjustments of \$2.7 million. In addition, as a result of the KKR Acquisition and the related application of purchase accounting, increases in the values of our amortizing intangible assets resulted in a \$1.5 million increase in amortization for fiscal year 2015 when compared to the 2014 Successor period.

Impairment of goodwill and other long-lived assets

Impairment expenses of \$7.7 million were recorded for fiscal year 2015 compared to \$4.7 million for the Successor period ended January 3, 2015 and \$0 for the Predecessor period ended March 12, 2014. Our annual impairment testing date is the first day of the fourth fiscal quarter, and therefore all impairment charges relating to the full year 2014 were recorded in the Successor period. The majority of the impairment charges are associated with goodwill. A goodwill impairment charge of \$4.8 million was recorded related to AC Lens for fiscal year 2015, primarily as a result of competitive pricing pressure in the wholesale fulfillment business. In addition, impairment charges of \$2.4 million were recorded at our retail store long-lived assets for fiscal year 2015, resulting from decreased cash flow projections at individual stores. A goodwill impairment charge of \$4.2 million was recorded at our Vista Optical within Fred Meyer brand for the 2014 Successor period, primarily as a result of decreases in long-range revenue projections from the date of the KKR Acquisition to the impairment measurement date.

Interest expense, net

Interest expense, net was \$36.7 million for fiscal year 2015 compared to \$26.8 million for the Successor period ended January 3, 2015 and \$4.8 million for the Predecessor period ended March 12, 2014. On June 1, 2015, we declared a recapitalization dividend to our stockholders. The dividend was funded with \$150.0 million in incremental term loans under our first lien credit agreement. The weighted average borrowing rate of 4.45% was unchanged as a result of the transaction. Therefore, the net increase in interest expense is the result of the additional principal outstanding under the first lien credit agreement from June 1, 2015 to January 2, 2016.

Debt issuance costs

We recorded \$2.6 million in fees associated with the incurrence of the additional term loans under the first lien credit agreement discussed above during fiscal year 2015. No such transaction occurred in the 2014 Successor or Predecessor periods.

Income tax provision (benefit)

The ETR for fiscal year 2015 was 32.8%. The ETR was 32.0% for the Successor period ended January 3, 2015 and 39.7% for the Predecessor period ended March 12, 2014. During the Successor period ended January 3, 2015, a non-deductible goodwill impairment of \$1.6 million and non-deductible transaction costs of \$1.9 million reduced our income tax benefit and therefore, since we were in a pre-tax loss position, our overall ETR was reduced when compared to the Predecessor period ended March 12, 2014. See Note 7 in our consolidated financial statements for further details related to our income tax accounts, including deferred income taxes and other items impacting our income tax rate.

Non-GAAP Measures

EBITDA and Adjusted EBITDA

We define EBITDA as net income (loss), plus interest expense, income tax provision (benefit) and depreciation and amortization. We define Adjusted EBITDA as EBITDA, further adjusted to exclude stock compensation expense, costs associated with debt refinancing, asset impairment, non-cash inventory write-offs, purchase accounting inventory adjustment, acquisition-related expenses, management fees, new store pre-opening expenses, non-cash rent, litigation settlement and other expenses.

EBITDA and Adjusted EBITDA have been presented in this prospectus as supplemental measures of financial performance that are not required by, or presented in accordance with GAAP, because we believe they assist investors and analysts in comparing our operating performance across reporting periods on a consistent basis by excluding items that we do not believe are indicative of our core operating performance. Management believes EBITDA and Adjusted EBITDA are useful to investors in highlighting trends in our core operating performance, while other measures can differ significantly depending on long-term strategic decisions regarding capital structure, the tax jurisdictions in which companies operate, and capital investments. We also use EBITDA and Adjusted EBITDA to supplement GAAP measures of performance in the evaluation of the effectiveness of our business strategies; to make budgeting decisions; to establish discretionary annual incentive compensation;

and to compare our performance against that of other peer companies using similar measures. Management supplements GAAP results with non-GAAP financial measures to provide a more complete understanding of the factors and trends affecting the business than GAAP results alone.

You are encouraged to evaluate these adjustments and the reasons we consider them appropriate for supplemental analysis. In evaluating EBITDA and Adjusted EBITDA, you should be aware that in the future we may incur expenses that are the same as or similar to some of the adjustments in our presentation of EBITDA and Adjusted EBITDA. There can be no assurance that we will not modify the presentation of EBITDA and Adjusted EBITDA following this offering, and any such modification may be material. Our presentations of EBITDA and Adjusted EBITDA should not be construed to imply that our future results will be unaffected by any such adjustments. Management relies on our GAAP results in addition to using EBITDA and Adjusted EBITDA in a supplemental manner. Our measures of EBITDA and Adjusted EBITDA are not necessarily comparable to other similarly titled captions of other companies due to different methods of calculation.

EBITDA and Adjusted EBITDA are not GAAP measures of our financial performance and should not be considered as an alternative to net income (loss) or income (loss) from operations as a measure of financial performance or cash flows provided by operating activities as a measure of liquidity or any other performance measure derived in accordance with GAAP. Additionally, EBITDA and Adjusted EBITDA are not intended to be measures of free cash flow for management's discretionary use, as they do not reflect certain cash requirements such as tax payments, debt service requirements, capital expenditures, store openings, and certain other cash costs that may recur in the future.

The following table reconciles our net income (loss) to EBITDA and Adjusted EBITDA for the periods presented:

⁽a) Non-cash charges related to stock-based compensation programs, which vary from period to period depending on the timing of awards.

⁽b) Fees associated with the borrowing of \$150.0 million in additional principal under our first lien credit agreement during the second fiscal quarter of 2015 and the borrowing of \$175.0 million in additional principal under our first lien credit agreement during the six months ended July 1, 2017.

⁽c) Non-cash charges related to impairment of long-lived assets, primarily goodwill in our Vista Optical in Fred Meyer brand and our AC Lens business.

- (d) Reflects write-offs of inventory relating to the expiration of a specific type of contact lenses that could not be sold and required disposal.
- (e) Reflects an inventory step-up resulting from the application of purchase accounting to the Successor, which is recorded in costs applicable to revenue in the statement of operations.
- (f) Reflects expenses associated with the KKR Acquisition.
- (g) Reflects management fees paid to KKR Sponsor and Berkshire in accordance with our monitoring agreement with them.
- (h) Pre-opening expenses, which include marketing and advertising, labor and occupancy expenses incurred prior to opening a new store, are generally higher than comparable expenses incurred once such store is open and generating revenue. We believe that such higher pre-opening expenses are specific in nature and amount to opening a new store and as such, are not indicative of ongoing core operating performance. We adjust for these costs to facilitate comparisons of store operating performance from period to period. Pre-opening costs are permitted exclusions in our calculation of Adjusted EBITDA pursuant to the terms of our existing credit agreements.
- (i) Consists of the non-cash portion of rent expense, which reflects the extent to which our straight-line rent expense recognized under GAAP exceeds or is less than our cash rent payments. The adjustment can vary depending on the average age of our lease portfolio, which has been impacted by our significant growth in recent years. For newer leases, our rent expense recognized typically exceeds our cash rent payments, while for more mature leases, rent expense recognized under GAAP is typically less than our cash rent payments.
- (j) Amounts accrued related to settlement of litigation. See "Business–Legal Proceedings" and Note 8 in our unaudited condensed consolidated financial statements included elsewhere in this prospectus for further details.
- (k) Other adjustments include amounts that management believes are not representative of our operating performance (amounts in brackets represent reductions in Adjusted EBITDA), including our share of losses on equity method investments of \$0.3 million, \$0.9 million, \$1.4 million, \$0.7 million and \$0.3 million for the 2014 Successor period and fiscal years 2015 and 2016 and the six months ended July 2, 2016 and July 1, 2017, respectively; the amortization impact of the KKR Acquisition-related adjustments (e.g., fair value of leasehold interests) of \$(1.1) million, \$(1.3) million, \$(0.7) million, \$(0.4) million and \$(0.2) million for the 2014 Successor period, fiscal years 2015 and 2016 and the six months ended July 2, 2016 and July 1, 2017, respectively; expenses related to preparation for being an SEC registrant that were not directly attributable to this offering and therefore not charged to equity of \$0.1 million, \$0.5 million, \$0.5 million, \$0.3 million and \$1.2 million for the 2014 Successor period, fiscal years 2015 and 2016 and the six months ended July 2, 2016 and July 1, 2017, respectively; differences between the timing of expense versus cash payments related to contributions to charitable organizations during fiscal year 2015 of \$3.0 million, \$(1.0) million, \$(0.5) million and \$(0.5) million for fiscal years 2015 and 2016 and the six months ended July 2, 2016 and July 1, 2017, respectively; costs of severance and relocation of \$0.2 million, \$0.7 million, \$0.5 million, \$1.1 million, \$0.4 million and \$0.3 million for the 2014 Predecessor period, the fiscal years 2015 and 2016 and the six months ended July 1, 2017, respectively; non-cash write-down of property and equipment of \$0.5 million, \$0.2 million, \$0.2 million for the 2014 Predecessor period, the 2014 Successor period, the fiscal years 2015 and 2016, respectively; and other expenses and adjustments totaling \$0.1 million, \$0.8 million, \$0.6 million, \$0.1 million and \$71,000 for the 2014 Predecessor period, the 2014 Successor period, the fiscal yea

The following table sets forth our historical quarterly results of operations as well as certain operating data for each of our most recent nine fiscal quarters. This unaudited quarterly information (other than EBITDA and Adjusted EBITDA) has been prepared on the same basis as our annual audited financial statements appearing elsewhere in this prospectus, and includes all adjustments, consisting only of normal recurring adjustments, that we consider necessary to present fairly the financial information for the fiscal quarters presented. Liquidity and Capital Resources

We principally rely on cash flows from operations as our primary source of liquidity and, if needed, up to \$75.0 million in revolving loans under our revolving credit facility. Our primary cash needs are for inventory, payroll, store rent, capital expenditures associated with new stores and updating existing stores, as well as information technology and infrastructure, including our corporate office, distribution centers, and laboratories. The most significant components of our operating assets and liabilities are inventories, accounts receivable, prepaid expenses and other assets, accounts payable, other payables, and accrued expenses. Due to the seasonality of our revenue, any borrowings would generally occur in the fourth or first quarters as we prepare for our peak season, which is the first quarter. We believe that cash expected to be generated from operations and the availability of borrowings under the revolving credit facility will be sufficient for our working capital requirements, liquidity obligations, anticipated capital expenditures, and payments due under our existing credit facilities for at least the next 12 months.

As of July 1, 2017, we had \$24.9 million in cash and cash equivalents and \$69.5 million of additional availability under our revolving credit facility, which represents the full available amount under the revolving credit facility, less \$5.5 million in outstanding letters of credit.

We plan to spend approximately \$92.9 million in capital expenditures during fiscal year 2017, including approximately \$46 million in connection with our store growth and improvement plans, approximately \$23 million for labs, distribution centers, and optometric equipment, and approximately \$24 million for maintenance and infrastructure. We spent \$44.2 million in capital expenditures in the six months ended July 1, 2017. We estimate that approximately 80% of our planned capital spend is related to our expected growth (i.e. new stores, optometric equipment, additional capacity in our optical laboratories and distribution centers, and our IT infrastructure). We plan on opening at least 75 stores during fiscal year 2017. Our working capital requirements for inventory will increase as we continue to open additional stores. We primarily fund our working capital needs using cash provided by operations.

The following table summarizes the net cash provided by (used for) operating activities, investing activities and financing activities for the periods indicated:

Net Cash Provided by Operating Activities

Net cash provided by operating activities consists primarily of net income adjusted for non-cash items, including depreciation and amortization, asset impairment, deferred income taxes, non-cash stock option compensation and changes in operating assets and liabilities.

Net cash provided by operating activities increased \$3.8 million, or 5.9%, during the six months ended July 1, 2017 compared to the six months ended July 2, 2016. Net cash provided by operating activities was \$67.9 million for the six months ended July 1, 2017, as non-cash items of \$49.5 million were combined with \$15.6 million of net income and a decrease in net working capital and other assets and liabilities of \$2.9 million. Net cash provided by operating activities was \$64.2 million for the six months ended July 2, 2016, as non-cash items of \$44.8 million were combined with \$21.4 million of net income and an increase in net working capital and other assets and liabilities of \$2.1 million.

The decrease in net working capital and other assets and liabilities during the six months ended July 1, 2017 was primarily due to an increase in accrued expenses and other liabilities of \$11.4 million and deferred and unearned revenues of \$4.6 million. Increases in accrued expenses and other liabilities is reflective of our growth as new stores are added monthly. We opened 40 new stores during the six months ended July 1, 2017, with three closures. Liabilities for deferred and unearned revenues represent cash basis sales that are deferred until we meet our performance obligations to deliver products and provide services. Increases in deferred and unearned revenues are consistent with increased overall net revenue resulting from new stores and positive comparable store sales growth. These changes were partially offset by an increase in inventories of \$6.2 million, increase in accounts receivable of \$3.8 million and a decrease in accounts payable of \$5.0 million. Increases in accounts receivable primarily reflect our overall net revenue growth, and decreases in accounts payable reflect availability of cash to pay vendors. Increases in inventory are generally expected each period, and reflect our growth in sales of products, including product replenishment needs at existing stores and inventory needed to outfit new stores.

The increase in net working capital and other assets and liabilities during the six months ended July 2, 2016 was primarily due to decreases in accounts payable of \$9.5 million and an increase in inventory of \$3.5 million, offset by a decrease in accounts receivable of \$2.3 million, increases in accrued expenses and other liabilities of \$3.3 million, and increases in deferred and unearned revenues of \$5.1 million. Increases in accrued expenses, deferred revenue and inventory reflect the Company's overall growth. We opened 47 new stores during the six months ended July 2, 2016, with no closures. Decreases in accounts payable reflect availability of cash to pay vendors.

Net cash provided by operating activities increased \$14.5 million, or 17.4%, during fiscal year 2016 compared to fiscal year 2015. Net cash provided by operating activities was \$97.6 million for fiscal year 2016, as non-cash items of \$79.5 million were combined with \$14.8 million of net income and a decrease in net working capital and other assets and liabilities of \$3.3 million. Net cash provided by operating activities was \$83.1 million for fiscal year 2015, as non-cash items of \$66.3 million were combined with \$3.6 million of net income and a decrease in net working capital and other assets and liabilities of \$13.2 million.

The decrease in net working capital and other assets and liabilities during fiscal year 2016 was due to an increase in deferred and unearned revenue of \$14.3 million, accounts payable of \$5.6 million, and accrued expenses and other liabilities of \$4.6 million, offset by an increase in inventories of \$12.1 million, accounts receivable of \$5.0 million, and prepaid expenses and other assets of \$4.1 million. Decreases in overall working capital and other assets and liabilities are generally expected from year to year, which is primarily driven by an increase in deferred and unearned revenues and accrued expenses and other liabilities. Consistent growth in the number of stores and positive comparable store sales has resulted in consistent increases in deferred and unearned revenue. We opened 86 new stores, with one closure during fiscal year 2016, which also drove an increase in accrued expenses and other liabilities as our scale increases with store growth. Increases in accounts receivable and inventories from year to year are also reflective of our growth as new stores are added. Decreases in accounts payable primarily reflect availability of cash to pay vendors.

The decrease in net working capital and other assets and liabilities during fiscal year 2015 was due to an increase in deferred and unearned revenue of \$16.2 million and accrued expenses and other liabilities of \$13.2 million, offset by an increase in inventories of \$8.6 million, accounts receivable of \$3.0 million, and prepaid expenses and other assets of \$4.6 million. Consistent with 2016 discussed above, growth in the number of stores and positive comparable store sales growth is the primary driver of the change in working capital and other assets and liabilities. We opened 70 new stores and closed four stores during fiscal year 2015.

Net cash provided by operating activities was \$83.1 million for fiscal year 2015, as non-cash items of \$66.3 million were combined with \$3.6 million of net income and a decrease in net working capital and other assets and liabilities of \$13.2 million. Net cash provided by operating activities was \$18.0 million in the 2014 Successor period, as non-cash items of \$35.0 million were combined with a \$27.1 million net loss and a decrease in net working capital and other assets and liabilities of \$10.1 million. Net cash provided by operating activities was \$31.0 million in the 2014 Predecessor period, as non-cash items of \$7.4 million were combined with a \$3.1 million of net income and a decrease in net working capital and other assets and liabilities of \$20.5 million.

The decrease in net working capital and other assets and liabilities during the 2014 Successor period was due to an increase in deferred and unearned revenue of \$17.5 million and accounts payable of \$11.6 million, offset by decreases in accrued expenses and other liabilities of \$7.5 million, an increase in inventories of \$2.8 million, an increase in accounts receivable of \$4.2 million, and an increase in prepaid expenses and other assets of \$4.5 million. Consistent with fiscal year 2015 discussed above, growth in the number of stores and positive comparable store sales growth is the primary driver of the change in working capital and other assets and liabilities. We opened 40 new stores and closed four stores during the 2014 Successor period. We generally expect increases in accrued expenses and other liabilities as we grow. However, the decrease in accrued expenses and other liabilities was due to preservation of cash immediately preceding the KKR Acquisition, and the availability of cash to pay down of vendors subsequent to the KKR Acquisition. As noted below, accrued expenses and other liabilities increased \$28.6 million during the 2014 Predecessor period, which we substantially paid down during the 2014 Successor period.

The decrease in net working capital and other assets and liabilities during the 2014 Predecessor period was due to an increase in accrued expenses and other liabilities of \$28.6 million and deferred and unearned revenue of \$10.9 million, offset by decreases in accounts payable of \$6.1 million, an increase in prepaid expenses and other assets of \$6.4 million, an increase of inventories of \$4.6 million, and an increase in accounts receivable of \$1.8 million. Consistent with 2015 and Successor period discussed above, growth in the number of stores and positive comparable store sales growth is the primary driver of the change in working capital and other assets and liabilities. We opened 12 new stores and closed one store during the 2014 Predecessor period.

Net Cash Used for Investing Activities

Net cash used for investing activities decreased by \$3.0 million, to \$44.5 million, during the six months ended July 1, 2017 from \$47.5 million during the six months ended July 2, 2016. The change in cash used for investing activities included a decrease of \$2.4 million in purchases of property and equipment driven by timing of purchases. In addition, during the six months ended July 2, 2016, we purchased an investment for \$1.0 million but made no investments during the six months ended July 1, 2017.

Net cash used for investing activities increased by \$11.6 million, to \$91.7 million, during fiscal year 2016 from \$80.1 million during fiscal year 2015. The change in cash used for investing activities included an increase of \$12.9 million in purchases of property and equipment to support our growth, including new stores,

improvements to our optical laboratories and distribution centers, and continued development of our IT infrastructure. Offsetting the increase in capital expenditures was a decrease of \$1.9 million in purchases of investments from fiscal year 2015 to fiscal year 2016.

Net cash used for investing activities was \$80.1 million, \$43.7 million, and \$12.0 million for fiscal year 2015, the 2014 Successor period, and the 2014 Predecessor period, respectively. The increase in cash used for investing activities was the result of increasing purchases of property and equipment, which were \$77.2 million during fiscal year 2015 compared to \$40.5 million and \$11.5 million during the 2014 Successor and Predecessor periods, respectively. We opened 70 new stores during fiscal year 2015, compared to 40 and 12 new stores during the 2014 Successor and Predecessor periods, respectively. To a lesser extent, we also increased capital spending for our optical laboratories and distribution centers, maintenance of existing stores and equipment, and new optometric equipment.

Net Cash Used for Financing Activities

Net cash used for financing activities increased by \$0.8 million, to \$3.5 million, during the six months ended July 1, 2017 from \$2.6 million during the six months ended July 2, 2016. The primary driver of the overall cash used for financing activities was quarterly principal payments required under our first lien credit agreement. We paid \$4.2 million and \$3.3 million in principal payments during the six months ended July 1, 2017 and July 2, 2016, respectively. This was partially offset by \$1.1 million and \$0.9 million in proceeds related to the exercise of stock options during the six months ended July 1, 2017 and July 2, 2016, respectively. Also, on February 2, 2017, we declared a recapitalization dividend to our stockholders. The dividend was funded with \$175.0 million of incremental term loans under our first lien credit agreement. Proceeds from the additional first lien term loans were \$173.7 million, net of discounts and fees, offset by the dividend payment of \$171.0 million and \$2.7 million in debt issuance costs. No such transaction occurred in the six months ended July 2, 2016.

Net cash used for financing activities increased by \$2.3 million, to \$6.6 million, during fiscal year 2016 from \$4.3 million during fiscal year 2015. The primary driver of the overall cash used for financing activities is quarterly principal payments required under our first lien credit agreement. We paid \$6.5 million and \$6.1 million in principal payments during fiscal years 2016 and 2015, respectively. Also, on June 1, 2015, we declared a recapitalization dividend to our stockholders. The dividend was funded with \$150.0 million of incremental term loans under our first lien credit agreement. Proceeds from the additional first lien term loans were \$145.6 million net of discounts and fees, offset by the dividend payment of \$145.7 million. No such transaction occurred in fiscal year 2016. The increase in net cash used for financing activities in fiscal year 2016 was most significantly the result of a decrease of \$1.4 million in net cash provided by transactions in our outstanding equity, including purchases of stock by employees, exercises of stock options by employees, and the related income tax benefit of stock option exercises.

Net cash used for financing activities was \$4.3 million in fiscal year 2015, compared to net cash provided by financing activities of \$7.1 million during the 2014 Successor period and net cash used for financing activities of \$28,000 during the 2014 Predecessor period. Net cash used during fiscal year 2015 was primarily driven by \$6.1 million in principal payments required on our first lien credit agreement. Cash provided by transactions on our outstanding equity, including purchases of stock by employees, exercises of stock options by employees, and the related income tax benefit of stock option exercises offset debt principal payments by \$2.3 million. Except for \$0.1 million in payments on capital lease obligations, cash provided by financing activities in the 2014 Successor period was primarily related to financing the KKR Acquisition, including \$624.5 million in proceeds from the issuance of long-term debt, \$429.2 million in cash contributions from affiliates of KKR Sponsor at KKR Acquisition, offset by \$646.5 million used to purchase predecessor stock at KKR Acquisition, \$295.8 million to pay off our previously outstanding term loan, \$56.3 million paid to holders of predecessor stock options, \$30.0 million in the KKR Acquisition transaction costs, and \$17.9 million in deferred financing costs.

Debt

In connection with the KKR Acquisition, we repaid our previously outstanding term loan on March 13, 2014 and entered into a new first lien credit agreement and a new second lien credit agreement. Our borrowings under the first lien credit agreement consist of \$500.0 million initial term loans incurred in March 2014 and \$325.0 million of incremental term loans, \$150.0 million of which was incurred in May 2015 and \$175.0 million

of which was incurred in February 2017, each maturing on March 13, 2021. The description of our first lien term loans below gives effect to both May 2015 and February 2017 incremental term loans. The first lien credit agreement also provides for a \$75.0 million revolving credit facility, which matures on March 13, 2019. A portion of the revolving credit facility is available for letters of credit and swingline loans. The second lien credit agreement provides for \$125.0 million term loan facility that matures on March 13, 2022. We intend to use the net proceeds to us from this offering to repay all outstanding aggregate amount of our second lien term loans and pay accrued interest, applicable premiums and related fees and expenses and to repay \$\frac{1}{2}\$ million of the outstanding amount of our first lien term loans and pay accrued interest, applicable premiums and related fees and expenses. To the extent we raise more proceeds in this offering than currently estimated, we will repay additional amounts of our first lien term loans. To the extent we raise less proceeds in this offering than currently estimated, we will reduce the amount of our first lien term loans that will be repaid. See "Use of Proceeds."

The following table sets forth the amounts owed under our first lien credit agreement and our second lien credit agreement, the effective interest rates on such outstanding amounts, and the amount available for additional borrowing thereunder, as of July 1, 2017:

(\$ in thousands)	Effective Interest Rate	Amount Outstanding	Amount Ava Additional B	
First lien term loans	4.23%	\$ 804,441		_
First lien revolving credit facility	4.00%	_	\$	69,500(1)
Second lien term loans	6.98%	125,000		
Total	-	\$ 929,441	\$	69,500

(1) At July 1, 2017, the amount available under our revolving credit facility reflected a reduction of \$5.5 million of letters of credit.

The first lien term loans bear interest, at our election, at either 2.0% over "ABR" (as defined below) or 3.0% over the London Interbank Offered Rate, or LIBOR. The second lien term loans bear interest, at our election, at either 4.75% over ABR or 5.75% over LIBOR. In both the first lien and second lien credit agreements, ABR is defined as the highest of (i) the Federal Funds Effective Rate plus 0.5%, (ii) the prime rate of interest quoted by the respective administrative agents, or (iii) 30-day LIBOR plus 1.0%. Further, in both the first lien and second lien credit agreements, ABR may not be less than 2.0% and LIBOR may not be less than 1.0%.

The first lien credit agreement is payable in equal installments of \$2.1 million on the last business day of each of our fiscal quarters. Commencing in 2015, we are required to prepay an amount equal to 50% of the preceding fiscal year's excess cash flow, as defined in the first lien credit agreement. The required prepayment is reduced to 25% of the preceding year's excess cash flow if our consolidated earnings before interest, tax, depreciation and amortization, or Credit Agreement EBITDA, ratio, as defined in the agreement, is less than or equal to 4.25 to 1.00. No prepayment is required if such ratio is less than or equal to 4.00 to 1.00. We have not been required to make a prepayment related to our current first lien credit agreement.

No principal payments are required under the second lien credit agreement until all of our obligations under the first lien credit agreement have been discharged.

Amounts borrowed under the revolving credit facility bear interest, at our election, at either 2.0% over ABR or 3.0% over LIBOR. These interest rate spreads will decline to 1.75% and 2.75%, respectively, if our consolidated Credit Agreement EBITDA ratio declines to 4.25 to 1.00 or less, and further decline to 1.50% and 2.50%, respectively, if such ratio declines to 3.75 to 1.00 or less. We may use up to \$20 million of the revolving credit facility to issue letters of credit. Letter of credit fees are charged at the same rate as the then-applicable LIBOR spread for revolving loans. As of July 1, 2017, we had no outstanding revolving loan obligation and had \$5.5 million in outstanding letters of credit related to the revolving credit facility. Our first lien credit agreement also provides that, if aggregate borrowings (inclusive of certain letters of credit) under our revolving credit facility exceed 30% of the total revolving commitment, the ratio of debt under our first lien credit agreement to Credit Agreement EBITDA may not, on the last day of the applicable measurement period, exceed 7.75 to 1.00.

The first lien and second lien credit agreements contain covenants that, among other things, limit our ability to incur additional debt, create liens against our assets, make acquisitions, pay dividends or distributions on our stock, merge or consolidate with another entity and transfer or sell assets. For a further description of our credit agreements, see "Description of Indebtedness."

Interest rate derivatives

We are a party to three pay-fixed and receive-floating interest rate swap agreements to offset the variability of cash flows in LIBOR-indexed debt interest payments attributable to changes in the benchmark interest rate from March 13, 2017 to March 13, 2021 related to our first lien credit agreement and second lien credit agreement.

We recognize as assets or liabilities at fair value the estimated amounts we would receive or pay upon a termination of interest rate swaps prior to their scheduled expiration dates. The fair value was based on information that is model-driven and whose inputs were observable. Our cash flow hedge position related to interest rate derivative contracts is as follows (Successor):

(\$ in thousands)	Notional Amount	Final Maturity Date	Other payables and accrued expenses	Other liabilities	Other Comprehensive Loss, Net of Tax			
As of July 1, 2017	\$ 500,000	March 2021	\$ 9,100	\$ 14,715	\$ 14,605			
As of December 31, 2016	\$ 500,000	March 2021	\$ 8,218	\$ 15,518	\$ 14,556			
As of January 2, 2016	\$ 500,000	March 2021	\$ —	\$ 18,620	\$ 11,284			
As of January 3, 2015	\$ 400,000	March 2021	\$ —	\$ 11,555	\$ 7,056			

We designated these swap agreements as cash flow hedges at inception. Changes in the cash flows of each derivative are expected to be highly effective in offsetting the changes in interest payments on a principal balance equal to the derivative's notional amount, attributable to the hedged risk. We have not had any ineffectiveness related to these instruments since inception.

We are required to net settle monthly with counterparties beginning in the second quarter of fiscal year 2017. These settlements will result in the reclassification into earnings of losses that are reported in accumulated other comprehensive loss. See Notes 3 and 11 in the unaudited condensed consolidated financial statements included elsewhere in this prospectus for further details relating to amounts reclassified or expected to be reclassified out of accumulated other comprehensive income into earnings for the six months ended July 1, 2017.

Contractual Obligations and Commercial Commitments

As of July 1, 2017, our lease commitments and contractual obligations are as follows:

- (a) The first lien credit agreement is payable in equal installments of \$2.1 million on the last business day of each of our fiscal quarters. No principal payments are required under the second lien credit agreement until all of our obligations under the first lien credit agreement have been discharged.
- (b) As of July 1, 2017, we had no outstanding revolving loan obligation and had \$5.5 million in outstanding letters of credit under our first lien revolving credit facility.
- (c) We have estimated our interest payments on our term loans based on our current interest elections described in "Liquidity and Capital Resources." Amounts and timing may be different from our estimated interest payments due to potential voluntary prepayments, borrowings and interest rate fluctuations. See "Liquidity and Capital Resources—Debt—Interest Rate Derivatives" above for details relating to expected obligations on our hedging instruments, which are excluded from estimated interest presented in the table above.
- (d) We lease our retail stores, optometric examination offices, distribution centers, office space, and all of our optical laboratories with the exception of our St. Cloud, Minnesota lab, which we own. The vast majority of our leases are classified as operating leases under current accounting guidance. Although rent expense on operating leases is recorded in SG&A on a straight-line basis over the term of the lease, contractual obligations above represent required cash payments.
- (e) For leases classified as capital leases, the capital lease asset is recorded as property and equipment and a corresponding amount is recorded as a long-term debt obligation in the consolidated balance sheets at an amount equal to the lesser of the net present value of minimum lease payments to be made over the lease term or the fair value of the property being leased. We allocate each lease payment between a reduction of the lease obligation and interest expense using the effective interest method. Capital lease amounts above represent required contractual cash payments in the periods presented.
- (f) Other commitments include contributions made to our philanthropic endeavors and marketing and promotional agreements.

Off-balance Sheet Arrangements

We follow U.S. GAAP in making the determination as to whether or not to record an asset or liability related to our arrangements with third parties. Consistent with current accounting guidance, we do not record an asset or liability associated with operating leases or with long-term marketing and promotional commitments. We have disclosed the amount of future commitments associated with these items in our consolidated financial statements. We are not a party to any other off-balance sheet arrangements.

Critical Accounting Policies and Estimates

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions about future events that affect amounts reported in our consolidated financial statements and related notes, as well as the related disclosure of contingent assets and liabilities at the date of the financial statements. Management evaluates our accounting policies, estimates and judgments on an ongoing basis. Management bases its estimates and judgments on historical experience and various other factors that are believed to be reasonable under the circumstances. Actual results may differ from these estimates under different assumptions and conditions.

Management evaluated the development and selection of our critical accounting policies and estimates and believes that the following involve a higher degree of judgment or complexity and are most significant to reporting our results of operations and financial position, and are therefore discussed as critical. The following critical accounting policies reflect the significant estimates and judgments used in the preparation of our consolidated financial statements. With respect to critical accounting policies, even a relatively minor variance between actual and expected experience can potentially have a materially favorable or unfavorable impact on subsequent results of operations. More information on all of our significant accounting policies can be found in Note 1, *Business and Significant Accounting Policies*, to our audited consolidated financial statements included elsewhere in this prospectus.

Property and equipment

Property and equipment, or P&E, is stated at cost less accumulated depreciation. When we retire or otherwise dispose of P&E, the cost and related accumulated depreciation are removed from the accounts and record any gain or loss on sale of such assets. Major replacements, remodeling, or betterments are capitalized. Expenditures for maintenance and repairs are expensed.

Goodwill and intangible assets

Indefinite-lived, non-amortizing intangible assets include goodwill and our tradenames. Goodwill and tradenames are not amortized and are evaluated annually for impairment.

Definite-lived, amortizing intangible assets primarily consist of our contracts and relationships with certain retailers, and also our customer database tool. We amortize definite-lived identifiable intangible assets on a straight-line basis over their estimated useful lives, ranging from four to 23 years.

Fair Value Measurement of Assets and Liabilities (Non-Recurring Basis)

Non-financial assets such as P&E, intangible assets, and goodwill are subject to nonrecurring fair value measurements if impairment indicators are present. Factors we consider important that could trigger an impairment review include a significant under-performance relative to expected operating results, a significant or adverse change in customer business climate, or a significant negative industry or economic trend.

Impairment of P&E

We evaluate long-lived tangible store assets at an individual store level, which is the lowest level at which independent cash flows can be identified, when events or conditions indicate the carrying value of such assets may not be recoverable. If the store's projected undiscounted cash flows expected to be generated by the related assets over the remaining useful life are less than the carrying value of the related assets, we measure impairment based on a discounted cash flow model (Level 3 inputs) and record an impairment loss as the difference between carrying value and estimated fair value.

We assess non-store tangible assets, including capitalized software costs in use or under development, for impairment if events or changes in circumstances indicate that the carrying value of those assets may not be recoverable.

Impairment of goodwill and intangible assets

If impairment indicators related to amortizing intangible assets are present, we estimate cash flows expected to be generated over the remaining useful lives of the related assets based on current projections. If the projected undiscounted cash flows are less than the carrying value of the related assets, we measure impairment as the difference in carrying value and estimated fair value calculated using a discounted cash flow model.

We evaluate non-amortizing tradenames for impairment annually or whenever events or changes in circumstances indicate that those assets may be impaired. We use the relief-from-royalty method in our evaluations, whereby an estimated royalty rate is determined based on comparable licensing arrangements which is applied to the revenue projections for the applicable indefinite-lived tradename, and the estimated fair value is calculated using a discounted cash flow analysis. We record an impairment loss as the excess of carrying value over estimated fair value.

Historically, we have utilized a two-step process to test goodwill for impairment annually or whenever events or changes in circumstances indicate goodwill may be impaired. We consider each of our operating segments to be separate reporting units. We calculate the fair value of our reporting units primarily utilizing the income approach. The income approach is based on a discounted cash flow analysis and calculates the fair value of reporting units by estimating after-tax cash flows attributable to the reporting units and then discounting the after-tax cash flows using the weighted average cost of capital. The cash flows utilized in the discounted cash flow analysis are based on financial forecasts developed internally by management and require significant judgment. In the first quarter 2017, we adopted new guidance that eliminates the second step in the goodwill impairment analysis. Accordingly, our policy now requires us to record goodwill impairment in an amount by which a reporting unit's carrying value exceeds its fair value not to exceed the carrying value of goodwill.

Revenue Recognition

Product revenues include sales of prescription and non-prescription eyewear, contact lenses and related accessories to retail customers and sales of inventory in which our customer is another retail entity. Revenues from services and plans include eye exams, discount club membership fees, product protection plans (i.e. warranties) and HMO membership fees. Service revenue also includes fees we earn for managing certain Vision Centers located in Walmart stores, for laboratory services to Walmart, and fulfillment fees earned by AC Lens.

Our retail customers generally make payments for prescription eyewear products at the time they place an order. Amounts we collect in advance for undelivered merchandise are reported as unearned revenue. Unearned revenue at the end of a reporting period is estimated based on delivery times throughout the concurrent month and generally ranges from four to ten days. For sales of instore non-prescription eyewear and related accessories, and paid eye exams, we generally recognize revenue at the point of sale. Revenue is recognized net of sales taxes and returns. The returns allowance is based on historical return patterns.

Under our legacy agreements, we earn management fees as a result of providing services to our legacy partner.

At our America's Best brand, our lead offer is two pairs of eyeglasses and a free eye exam for one low price ("two-pair deal"). We concluded the offer represents a multiple element arrangement. We have determined that the eye examinations sold to our America's Best customers within its two-pair deal represent a separate unit of accounting. However, the arrangement with the customer requires delivery of acceptable prescription eyeglasses, otherwise we refund the entire price of the two-pair deal. As a result, we do not allocate revenue to the eye exam associated with the two-pair deal, and we record all revenue associated with the two-pair deal in net product sales when the customer has received and accepted the product.

We offer extended warranty plans that generally provide for repair and replacement of eyeglasses for a one- or two-year period after purchase. We offer three- and five-year service programs to our contact lens customers. In California, we offer 12-month HMO memberships through our subsidiary, FirstSight. We recognize service revenue under these programs on a straight-line basis over the warranty or service period. Amounts collected in advance for these programs are reported as deferred revenue.

Leases

We lease our owned & host stores, optometric examination offices, distribution centers, vehicles, office space and optical laboratories, with the exception of our St. Cloud, Minnesota lab, which we own. Rent expense on operating leases is recorded in SG&A on a straight-line basis over the term of the lease, commencing on the date we take possession of the leased property. Generally, we are required to pay base rent, real estate taxes, maintenance and insurance. Certain of our lease agreements include rent holidays and rent escalation provisions and may include contingent rent provisions for percentage of sales in excess of specified levels. We recognize rent holidays, including the time period during which we have control of the property prior to the opening of the store, as well as escalating rent provisions, as deferred rent expense and amortize these balances on a straight-line basis over the term of the lease.

For leases classified as capital leases, the capital lease asset is recorded as P&E and a corresponding amount is recorded as a long-term debt obligation at an amount equal to the lesser of the net present value of minimum lease payments to be made over the lease term or the fair value of the property being leased. We allocate each lease payment between a reduction of the lease obligation and interest expense using the effective interest method.

Tenant improvement allowances, or TIAs, are contractual amounts received by a lessee from a lessor for improvements made to leased properties by the lessee, and are amortized against rent expense over the life of the respective leases.

In the event a leased store is closed before the expiration of the associated lease, the discounted remaining lease obligation less estimated sublease rental income, asset impairment charges related to improvements and fixtures, inventory write-downs, and other miscellaneous closing costs associated with the disposal activity are recognized when the store closes.

Income Taxes

We account for deferred income taxes based on the asset and liability method. We must make certain estimates and judgments in determining income tax expense. We are required to determine the aggregate amount of income tax expense to accrue and the amount which will be currently payable or refundable based upon tax statutes of each jurisdiction in which we do business. Deferred income taxes are recognized for the estimated future tax consequences attributable to differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax bases. Deferred tax assets also include future tax benefits to be derived from the utilization of tax loss carry-forwards and application of certain carry-forward credits. The net carrying amount of deferred income tax assets and liabilities is recorded in non-current deferred income tax liabilities.

Deferred income taxes are measured using enacted tax rates in effect for the years in which those differences are expected to be recovered or settled. The effect on deferred taxes from a change in the tax rate is recognized through continuing operations in the period that includes the enactment of the change. Changes in tax laws and rates could affect recorded deferred tax assets and liabilities in the future.

A valuation allowance is recorded if it is more-likely-than-not that some portion of a deferred tax asset will not be realized. Valuation allowances are released as positive evidence of future taxable income sufficient to realize the underlying deferred tax assets becomes available.

We establish a liability for tax positions for which there is uncertainty as to whether the position will ultimately be sustained. We assess our tax positions by determining whether it is more-likely-than-not that a tax position will be sustained upon examination by the appropriate taxing authorities, including resolution of any related appeals or litigation, based solely on the technical merits of the position. These calculations and assessments involve estimates and judgments because the ultimate tax outcomes are uncertain and future events are unpredictable.

Inventories

The cost of inventory is determined using the weighted average cost method. Inventories at retail stores are comprised of finished goods and are valued at the lower of cost or estimated net realizable value, or NRV. Manufacturing inventories are valued using full absorption accounting which includes material, labor, other variable costs, and other applicable manufacturing overhead. Inventory values are adjusted for estimated obsolescence and written down to NRV based on estimates of current and anticipated demand, customer preference, merchandise age, planned promotional activities, technology developments, market conditions, and estimates of future retail sales prices. Reserves for shrinkage are estimated and recorded throughout the period as a percentage of cost of inventory based on historical results and current inventory levels. Actual shrinkage is recorded throughout the year based upon periodic physical counts.

Self-Insurance Accruals

We are primarily self-insured for workers' compensation, employee health benefits, and general liability claims. We record self-insurance liabilities based on claims filed, including the development of those claims, and an estimate of claims incurred but not yet reported. Should a different amount of claims occur compared to what was estimated, or costs of the claims increase or decrease beyond what was anticipated, reserves may need to be adjusted accordingly. We determine our workers' compensation liability claims reserves based on available claims data, historical trends and experience, and projected ultimate costs of the claims. We periodically update our estimates and record such adjustments in the period in which such determination is made. Self-insurance reserves are recorded on an undiscounted basis.

Derivative Financial Instruments

We use interest rate swaps to manage our exposure to adverse fluctuations in interest rates by converting a portion of our debt portfolio from a floating rate to a fixed rate. We designate our interest rate swaps as cash flow hedges and formally document our hedge relationships, including identification of the hedging instruments and the hedged items, as well as our risk management objectives and strategies for undertaking the hedge transactions. We record all interest rate swaps in our consolidated balance sheets on a gross basis at fair value. We do not hold or enter into financial instruments for trading or speculative purposes.

The effective portion of the gain or loss on the derivatives is reclassified into earnings in the same period in which the hedged transaction affects earnings. The effective portion of the derivative represents the change in fair value of the hedge that offsets the change in fair value of the hedged item. To the extent changes in fair values of the instruments are not highly effective, the ineffective portion of the hedge is immediately recognized in earnings.

We perform periodic assessments of the effectiveness of our derivative contracts designated as hedges, including the possibility of counterparty default. We believe our derivative contracts will continue to be highly effective in offsetting changes in cash flow attributable to floating interest rate risk.

To manage credit risk associated with our interest rate hedging program, we select counterparties based on their credit ratings and limit our exposure to any single counterparty. The counterparties to our derivative contracts are major domestic financial institutions with investment grade credit ratings. We periodically monitor the credit risk of our counterparties and adjust our hedging position as appropriate. The impact of credit risk, as well as the ability of each party to fulfill its obligations under our derivative financial instruments, is considered in determining the fair value of the contracts. Credit risk has not had a significant effect on the fair value of our derivative contracts. We do not have any credit risk-related contingent features or collateral requirements with our derivative financial instruments.

Recently Issued Accounting Pronouncements

In May 2014, the Financial Accounting Standards Board, or FASB, issued Accounting Standards Update, or ASU, 2014-09, Revenue from Contracts with Customers, to clarify the principles used to recognize revenue for all entities. ASU 2014-09 provides new guidance related to the core principle that an entity recognizes revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. The new guidance also will result in enhanced disclosures about revenue, provide guidance for transactions that were not previously addressed comprehensively, and improve guidance for multiple-element arrangements. During 2016, the FASB issued additional ASUs to clarify certain aspects of ASU 2014-09, including ASU 2016-08, Principal versus Agent Considerations (Reporting Revenue Gross versus Net) in March 2016, and ASU 2016-10, Identifying Performance Obligations and Licensing in April 2016. The guidance is effective for fiscal years beginning after December 15, 2017, and interim reporting periods within that fiscal year. We will adopt this new guidance in the first quarter of 2018, using the modified retrospective method. The most significant components of the new guidance to the Company relate to performance obligations surrounding our bundled product and service offerings and reporting revenue gross versus net related to our management and services agreement with our legacy partner. We do not expect the adoption of this new guidance to have a significant impact on the timing or amount of revenue recognized in our consolidated financial results, but we expect incremental additional disclosures in the notes to our consolidated financial statements.

In February 2016, the FASB issued ASU 2016-02, Leases. The new guidance establishes a right-of-use, or ROU, model that requires a lessee to record a ROU asset and a lease liability on the balance sheet for all leases with terms longer than 12 months. Leases will be classified as either financing or operating, with such classification affecting the pattern of expense recognition in the statement of operations. The guidance is effective for fiscal years beginning after December 15, 2018, and interim reporting periods within that fiscal year. A modified transition approach is required for lessees for capital and operating leases existing at, or entered into after, the beginning of the earliest comparative period presented in the financial statements, with certain practical expedients available. We will adopt this new guidance in the first quarter of 2019. We are evaluating the impact of implementation of this new guidance on our consolidated financial statements, but expect that adoption will have a material impact to our total assets and liabilities since we have a significant number of operating leases not currently recognized on our consolidated balance sheets.

For additional information on recently issued accounting pronouncements, see Note 1 to our unaudited condensed consolidated financial statements included elsewhere in this prospectus.

Impact of Inflation

Our results of operations and financial condition are presented based on historical cost. While it is difficult to accurately measure the impact of inflation due to the imprecise nature of the estimates required, we believe the effects of inflation, if any, on our results of operations and financial condition have been immaterial.

Quantitative and qualitative disclosure of market risk

Interest rate risk

We have market risk exposure from changes in interest rates. We, when appropriate, use derivative financial instruments to mitigate the risk from such exposure. A discussion of our accounting policies for derivative financial instruments is included in Note 8, *Interest Rate Derivatives*, to our audited consolidated financial statements included elsewhere in this prospectus.

A substantial portion of our debt bears interest at variable rates. If market interest rates increase, the interest rate on our variable rate debt will increase and will create higher debt service requirements, which would adversely affect our cash flow and could adversely impact our results of operations. We also have bank line of credit at variable interest rates. The general levels of LIBOR affect interest expense. We periodically use interest rate swaps to manage such risk. The net amounts to be paid or received under interest rate swap agreements are accrued as interest rates change, and are recognized over the life of the swap agreements as an adjustment to interest expense from the underlying debt to which the swap is designated. The related amounts payable to, or receivable from, the contract counterparties are included in accrued liabilities or accounts receivable.

As of July 1, 2017, all of our \$929.4 million in term loan debt was subject to variable interest rates, subject to a weighted average borrowing rate of 4.50%. After inclusion of the notional amount of \$500.0 million of interest rate swaps fixing a portion of the variable rate debt, \$429.4 million, or 46.2% of our debt is subject to variable rates. Assuming an increase to market rates of 1% as of July 1, 2017, we would incur an annual increase to interest expense of approximately \$4.3 million related to debt subject to variable rates.

BUSINESS

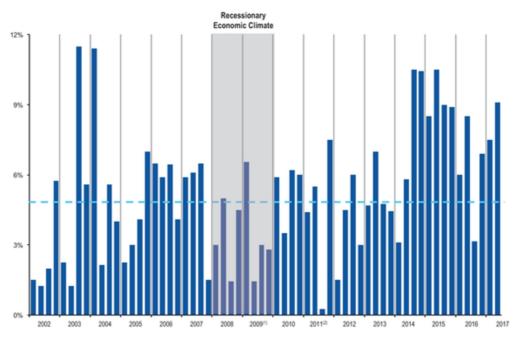

Our Company

We are one of the largest and fastest growing optical retailers in the United States and a leader in the attractive value segment of the U.S. optical retail industry. We believe that vision is central to quality of life and that people deserve to see their best to live their best, no matter what their budget. Our mission is to make quality eye care and eyewear affordable and accessible to all Americans. We achieve this by providing eye exams, eyeglasses and contact lenses to cost-conscious and low-income consumers. We deliver exceptional value and convenience to our customers, with an opening price point that strives to be among the lowest in the industry, enabled by our low-cost operating platform. We reach our customers through a diverse portfolio of 980 retail stores across five brands and 19 consumer websites as of July 1, 2017.

We believe our focus on the value segment, breadth of product assortment, committed employees and consultative selling approach generate customer goodwill for our brands. By targeting the high-growth value segment, we have grown revenue at three times the rate of the U.S. optical retail industry over the past five years, gained significant market share and generated a record 62 consecutive quarters of positive comparable store sales growth. Our long-serving and motivated management team of optical retail experts has delivered a highly-consistent track record of strong results. The current team, averaging 23 years of optical or similar retail experience, has been a cohesive unit averaging 13 years at National Vision, with low senior management turnover.

The following chart depicts our comparable store sales growth:

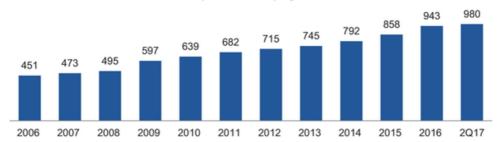

62 Consecutive Quarters of Positive Comparable Store Sales Growth

- 2009 comparable store sales exclude sales from the Eyeglass World stores for the first six month "transition" period following our acquisition of Eyeglass World.
- (2) Comparable store sales growth in the third quarter of fiscal year 2011 was impacted by the near U.S. federal government shutdown and subsequent adverse impact on the consumer environment.

Our disciplined approach to new store openings, combined with our attractive store economics, has led to strong returns on investment. We believe these elements are the foundation for continued profitable growth from our existing store base, as well as a significant opportunity to deliver growth through new store openings. The following chart depicts our new store growth:

Proven Ability to Successfully Open New Stores

Note: Represents stores in operations across all five company brands at the end of each fiscal year or quarterly period.

The fundamentals of our model are:

- Differentiated and Defensible Value Proposition. We believe our success is driven by our low prices, convenient locations, broad assortment of branded and private label merchandise and the high levels of in-store service provided by our well-trained and passionate store associates and vision care professionals. We believe our bundled offers, including two-pairs of eyeglasses plus an eye exam for \$69.95 at America's Best and two-pairs of eyeglasses for \$78.00 at Eyeglass World, represent among the lowest price offerings of any national chain. Our ability to utilize national advertising will allow us to communicate this value proposition to a meaningfully greater number of current and potential customers. We believe that our value proposition will continue to drive comparable store sales growth as we attract new customers and increase loyalty with existing customers.
- Recurring Revenue Characteristics. Eye care purchases are predominantly a medical necessity and are therefore considered non-discretionary in nature. We estimate that optical consumers typically replace their eyeglasses every two to three years, while contact lens customers typically order new lenses every six to twelve months, reflecting the predictability of these recurring purchase behaviors. This is further demonstrated by the customer mix of our mature stores, with existing customers representing 68% of total customers in 2016 and new customers representing the remaining 32% of total customers in 2016.
- Attractive Store Economics and Embedded Earnings Growth. Over the last decade, we have opened 512 stores in the aggregate, including 487 stores under our America's Best and Eyeglass World retail brands. Our store economics are based on low capital investment, steady ramping of sales in new locations, low operating costs and consistent sales volume and earnings growth in mature stores, which result in attractive returns on capital. From 2012 to 2016, we invested approximately \$300,000 to \$375,000 per store in furniture, fixtures, leaseholds and equipment for our new America's Best stores and approximately \$475,000 to \$600,000 per store for our new Eyeglass World stores, in each case net of tenant incentives. America's Best stores that were opened and operating at least twelve months during this period achieved revenues in their first year of approximately \$750,000 to \$1.2 million per store, equal to approximately 64% of the year five revenues of America's Best stores that were opened in 2012 and operating through 2016. Eyeglass World stores that were opened and operating at least twelve months during this period achieved revenues in their first year of approximately \$675,000 to \$1.0 million per store, equal to approximately 60% of the year five revenues of Eyeglass World stores that were opened in 2012 and operating through 2016. On average, our owned stores achieve profitability shortly after their first-year opening anniversary and pay back invested capital in less than four years.

By consistently replicating the key characteristics of our store model, we execute a formula-based approach to opening new stores and managing existing stores, which has delivered predictable store performance across vintages, diverse geographies and new and existing markets. Over the past five years, we have opened 298 new stores that are currently at various stages of realizing full maturity. Historically, this maturation process has been

consistent across our owned store base because of our systematic and replicated approach. We believe this leads to a high degree of visibility into the embedded earnings potential of our newly opened stores. For indicative purposes, assuming that each of our open but not mature America's Best and Eyeglass World stores as of December 31, 2016 were able to attain the average fifth-year financial performance of our existing mature America's Best and Eyeglass World stores, we would have generated an additional approximately \$67 million of revenues and approximately \$45 million of EBITDA for our owned & host segment in fiscal year 2016

For fiscal years 2012 and 2013, full year 2014, fiscal year 2015 and fiscal year 2016, we generated total net revenue of \$717 million, \$840 million, \$933 million, \$1.1 billion and \$1.2 billion, respectively, representing a CAGR of approximately 14% from fiscal year 2012 to fiscal year 2016. Our net income (loss) for these same periods was \$0.7 million, \$14 million, \$(24) million, \$4 million and \$15 million, respectively. Our Adjusted EBITDA for these same periods was \$80 million, \$89 million, \$82 million, \$113 million and \$138 million, respectively, representing a CAGR of approximately 15% from fiscal year 2012 to fiscal year 2016. Our Adjusted Net Income for these same periods was \$9 million, \$19 million, \$26 million and \$33 million, respectively, representing a CAGR of approximately 40% from fiscal year 2012 to fiscal year 2016. For definitions of Adjusted EBITDA and Adjusted Net Income and a reconciliation of Adjusted EBITDA and Adjusted Net Income to net income (loss), see "Prospectus Summary—Summary Historical Consolidated Financial and Other Data."

We also work diligently to help a portion of the world's population who live with uncorrected vision problems. Our philanthropic culture instills a sense of purpose and engagement in our employees, from in-store staff to senior management. Our employees feel pride in the positive work they are doing, which allows us to attract and retain both store associates and vision care professionals, thus improving the customer experience in our stores. Our Business

We are well positioned to serve our new and existing customers through a diverse portfolio of 980 retail stores across five brands and 19 consumer websites as of July 1, 2017. We have two reportable segments: our owned & host segment and our legacy segment. Our owned & host segment includes our two owned brands, America's Best and Eyeglass World, and our Vista Optical locations in Fred Meyer stores. Within this segment, we also provide low-cost vision care products and services to American military service members by operating Vista Optical locations on military bases across the country. Our legacy segment consists of our 27-year strategic relationship with Walmart to operate Vision Centers in select Walmart stores. In addition, our wholly-owned subsidiary, FirstSight, arranges for the provision of optometric services at almost all of the optometric offices next to Walmart and Sam's Club stores in California. We support our owned brands and our Vista Optical military operations through our ever-evolving omni-channel offerings and we also have an established standalone e-commerce business. Our e-commerce platform serves our proprietary e-commerce websites and the e-commerce websites of third parties, including Walmart, Sam's Club and Giant Eagle. Our America's Best Brand. America's Best strives to be the value leader in virtually every market in which it operates. Its signature offer of two pairs of eyeglasses for \$69.95, including a free eye exam, is typically priced significantly lower than the competition on a per-pair basis and provides customers with a wide selection of frame choices at this entry point. In America's Best stores, vision care services are provided by optometrists employed either by us or by independent professional corporations. This model facilitates the brand's bundled offer and its Eyecare Club programs, which offer two free eye exams per year for the duration of the membership plus a discount on replacement contact lenses and eyeglasses. By leveraging our efficient centralized

laboratory network, America's Best stores are able to minimize processing costs and drive significant economies of scale. These stores typically stock approximately 1,320 eyeglass frame SKUs, including imports from low-cost overseas manufacturers, higher-margin private label brands and deeply discounted well-known frame brands. America's Best stores, which average 3,500 square feet, are primarily located in high-traffic strip centers next to similar off-price designer retailers, such as Marshalls stores.

Our Eyeglass World Brand. Eyeglass World also offers a value price point for customers, with an opening offer of "two pairs of eyeglasses for \$78" and eye exams starting at \$39. This brand is positioned as an eyeglass superstore that caters to a more cost-conscious customer base, with a broader selection of designer brands and price points, and offers more personalized levels of service. We source eyeglass frames for our Eyeglass World stores from leading designer brands, private label manufacturers, overstock inventories and low-cost overseas manufacturers. Eyeglass World locations offer eye exams, primarily from independent optometrists, and have on-site laboratories that enable stores to quickly fulfill customer orders and make repairs. On-site laboratories can process a variety of lens options, with same-day service. Lens orders that are not completed in-store are completed by our centralized laboratory network. Due to the wider brand selection and on-site laboratories, Eyeglass World stores are larger, averaging approximately 4,500 square feet and typically stocking approximately 1,935 eyeglass frame SKUs. These stores are primarily located in freestanding or in-line locations near high-foot-traffic shopping centers.

Our Partner Brands. We have three partner brands consisting of 227 Vision Centers in Walmart stores across the country, 57 Vista Optical locations on military bases and 29 Vista Optical locations within Fred Meyer stores as of July 1, 2017. We have strong, long-standing relationships with these partners. Our strategic relationship with Walmart extends over 27 years and our partnerships with Fred Meyer and the U.S. military have been maintained for over 18 years. Our partner brands all compete within the value segment of the U.S. optical retail industry, with a starting price point for a pair of eyeglasses in the \$38 to \$99 range. These brands combine a broad selection of products and attentive customer service with the convenience of one-stop shopping. These brands also utilize our centralized laboratories and provide eye exams principally by independent optometrists in nearly all locations. Our partner brands are attractive businesses with relatively light capital requirements.

Our Omni-Channel and E-Commerce Platforms. We offer our customers an engaging digital shopping experience through an established platform of four store websites, three of which are omni-channel, and 15 dedicated e-commerce consumer websites. Our three omni-channel websites augment our America's Best, Eyeglass World and Vista Optical in military brands and provide a customer experience that extends across our in-store, mobile and e-commerce channels. We offer a range of services to customers, including eyeglass purchasing for our America's Best stores and Vista Optical locations on U.S. military bases, online scheduling and appointment reminders, contact lens purchasing, "buy-in-store and ship-to-home" capabilities, online frame browsing and virtual frame try-on, among others. Our omni-channel offerings work in concert with these brands to enhance the overall quality of the customer experience.

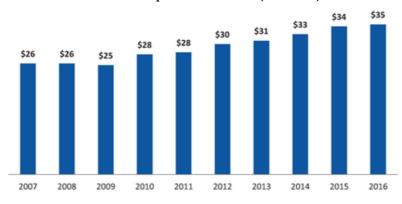

Our 15 dedicated e-commerce websites are managed by our subsidiary, AC Lens. AC Lens operates seven proprietary branded websites, including aclens.com and discountcontacts.com. In addition, AC Lens operates and provides support services for eight third-party websites owned by other companies, including Walmart, Sam's Club and Giant Eagle. AC Lens handles site management, customer relationship management and order fulfillment and also sells a wide variety of contact lenses, eyeglasses and eye care accessories. In the aggregate, sales from our omni-channel and e-commerce platforms represented approximately 4% of our net revenue in fiscal year 2016.

Our Industry

The U.S. optical retail industry, defined by Vision Monday to include optical retailers' revenues from the sales of products (including managed vision care benefit revenues and omni-channel and e-commerce sales) and eye care services provided by vision care professionals, including eye exams, is a \$35 billion industry that has exhibited consistent, stable growth across economic cycles. According to Vision Monday, over the period from 2007 to 2016, the industry grew from \$26 billion to \$35 billion in annual sales, representing a CAGR of 3.4%. The industry experienced only a modest decline of approximately 3.8% during the 2008 to 2009 recession and

rebounded with robust post-recession sales growth of 4.6% CAGR from 2009 to 2016, according to Vision Monday. We believe the ability to see well is a necessity, not a discretionary decision. The steady growth of the industry and its resilience to economic cycles is due in large part to the medical, non-discretionary and recurring nature of eye care purchases.

The majority of eyewear purchases are driven by need, with two primary drivers of demand: (i) diminishing eyesight with increasing age, causing new customers to buy corrective eyewear and (ii) a steady and consistent replacement cycle, as customers frequently replace or purchase new eyewear for a variety of reasons, including changes in prescriptions, fashion trends and necessity (e.g., lost or broken eyewear).

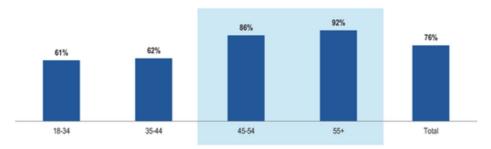

The need for eyesight correction is diagnosed through eye tests and eye exams. Generally, the need for vision correction results from one of a number of conditions, such as:

- *Myopia*, or nearsightedness, which is the most common refractive vision condition. Individuals with myopia struggle to identify objects at a distance.
- Hyperopia, or farsightedness, which is a condition in which objects at a distance can be seen with precision, but objects
 closer to the eye are difficult to discern.
- *Presbyopia*, which is an age-related condition that generally begins around the age of 40. People suffering from presbyopia struggle to read text at a close distance, for example, books, screens and newspapers.
- Astigmatism, which is a condition that causes blurred vision. It is caused by an irregularly shaped cornea.
- UV Damage, which occurs when the eyes are exposed to excessive amounts of ultraviolet radiation. UV rays can cause specific optical conditions such as cataracts, macular degeneration and other forms of vision loss.

We anticipate that there are four key secular growth trends that will continue to contribute to the stability and growth of the U.S. optical retail industry:

• Aging Population. According to The Vision Council, approximately 76% of adults in the United States used some form of vision correction as of September 2016. At age 45, the need for vision correction begins to increase significantly, with approximately 86% of adults in the United States between the ages of 45 and 54 and approximately 92% of adults in the United States aged 55 and older using vision correction, according to The Vision Council. As the U.S. population ages and life expectancy increases, the pool of potential customers and opportunities for repeat purchases in the optical retail industry are anticipated to rise. In 2014, the U.S. Census Bureau estimated that approximately 42% of the U.S. population would be 45 years old or older by 2020 (the 0.9% increase from 2015 population projections implies an additional 8.4 million adults will enter this 45-plus demographic by 2020). Given that eyesight deteriorates progressively with age, aging of the U.S. population should result in incremental sales of eyewear and related accessories.

- Frequent Replacement Cycle. The repetitive and predictable nature of customer behavior results in a significant volume of recurring revenue for the optical retail industry. The purchasing cycle of vision correction devices is closely tied to the frequency with which consumers obtain eye exams. Most optometrists recommend annual eye exams as a preventive measure against serious eye conditions and to help patients identify changes in their vision correction needs. According to The Vision Council, an estimated 189 million people in the United States using vision correction devices in 2015 received nearly 114 million eye exams that year, implying an average interval between exams of 20 months. The interval between exams contributes to the industry's stability and shortening this interval represents an opportunity to increase the frequency of customer purchases. A collection of 21 optical industry leaders, including us, have supported the multimillion dollar national advertising campaign, "Think About Your Eyes," which is designed to encourage consumers to schedule an eye exam, among other things. According to The Vision Council, the national multimedia campaign generated more than 1.3 billion impressions in 2016 and the website received more than 2.8 million visitors since the campaign launched. According to the American Optometric Association, in 2015, nearly 828,500 additional eye exams were attributable to the campaign.
- Increased Usage of Computer and Mobile Screens. Due to the proliferation of smartphones, laptops and tablets, the U.S. population has experienced a dramatic increase in the amount of time spent viewing electronic screens. According to The Vision Council, almost 90% of Americans use digital devices for two or more hours each day, with almost 60% using them for five or more hours each day and approximately 70% using multiple devices simultaneously. This is anticipated to result in a larger percentage of the population suffering from screen-related vision problems, driving incremental sales of vision correction devices, such as traditional eyeglasses and contact lenses, as well as higher margin products designed specifically to counteract the effect of looking at screens for prolonged stretches of time.
- Growing Focus on Health and Wellness. The optical retail industry is poised to benefit from expansive trends underlying an increasing societal focus on health and wellness. Consumers want personalized solutions that allow them to make informed decisions about their health. Additionally, rising healthcare costs are driving a growing emphasis on preventative healthcare. Eye exams can detect a host of physical ailments, such as hypertension or diabetes, and are one of the most inexpensive and effective forms of detection for many of these issues. As consumers continue to develop greater awareness of health and wellness issues, there is an opportunity for retailers that are able to offer personalized, inexpensive, health-oriented products and services that can increase quality of life and reduce an individual's overall level of healthcare expenditures. Furthermore, this increased focus on health means that people are living longer, which increases the overall demand for vision care and the frequency with which people visit their eye care practitioners for vision care products and services.

Value Chains Gaining Market Share in Optical Retail Industry

Providing consumers with quality vision care and products involves multiple steps and several parties. In the process of purchasing vision care products a consumer will interact directly with eye care practitioners who prescribe (and may also dispense) products. Consumers may likewise interact with optical retail outlets who retail

and dispense products, and may offer on-site optometry services to increase customers' convenience. Retailers also assist consumers in selecting and fitting vision care products, and directly or through third parties, manufacture and finish vision care products and their components. As part of the purchase, the consumer and retailer may interact with an insurance company or managed vision care provider. Further, vision care and optical retail require compliance with numerous regulations, which often vary by state. The industry experience and knowledge to initiate and maintain relationships across all of these parties is crucial to the success of optical retailers

There are several types of optical retailers with differing approaches to fulfilling consumer needs at each step of the vision care process. The types of optical retailers include:

- *Independent eye care practitioners*: Optometrists and some ophthalmologists that practice independently often sell corrective lenses. They rely on relationships with outsourced optical laboratories and distributors that represent lens, frame and contact lens manufacturers. They source clients mainly through word-of-mouth, local advertising and managed care arrangements.
- Multi-doctor purchasing alliances: Multiple independent optometrists and/or ophthalmologists form an alliance to
 provide competitive advantages to each member of the network. The eye care practitioners in the network benefit from
 purchasing power synergies with vendors, network brand identification to drive new customer traffic, strategic marketing,
 best practice education and a number of other services. Leveraging these tools, each independent eye care practitioner can
 offer more comprehensive eye care to their patients.
- National and regional optical retail chains: Multiple optical retail chains operate freestanding and mall stores under one
 or more brands. These retailers are positioned to target a range of consumers across price points, from value to premium.
 This category includes smaller chains with stores concentrated in a particular geographic region, as well as national chains
 with store footprints across the United States.
- Mass merchant / Warehouse club retail chains: Frequently, mass merchant and warehouse club chains seek to offer
 vision care products in order to offer consumers a "one-stop shop" value proposition. These optical offerings are often set
 up as "shop-in-shop" host arrangements, whereby an optical retailer will operate its own store within the context of a
 larger mass merchandise or warehouse club store. These host arrangements fulfill customers' desire for convenience,
 customer service and competitive value and leverage the retail chain's scale and expertise to source desirable products
 from a wide range of corrective lens and frame manufacturers.
- *E-commerce*: Because of the prescription requirements, fit and fashion aspects of eyewear purchases, online purchases of eye care products represent a small portion of industry sales and the majority of e-commerce activity derives from recurring purchases such as daily use contact lenses. There are retailers that operate exclusively online, but many retail chains also offer some e-commerce capabilities to complement physical stores. E-commerce enables retailers to save on operating costs and capital expenditures associated with physical stores, and also to offer a wider selection of products as inventory can be centralized. E-commerce retailers most frequently use digital advertising strategies to attract customers.

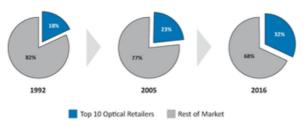

Some optical retail chains, like us, have vertically integrated some or all of the sectors of the industry. However, the industry remains highly fragmented.

Several key factors drive the changing dynamics across the optical retail market:

• Optical Retail Chains Gaining Market Share From Independents. National and regional optical retail chains continue to gradually gain share from independent vision care providers, benefitting from economies of scale that are unavailable to smaller players. This includes benefits related to purchasing advantages, marketing advantages and leveraging management capabilities across a larger revenue base. Additionally, customers desire the convenience of a one-stop shop with a broad product selection, strong customer service and competitive prices. As a result of these factors, larger optical retailers have gained market share from independent practitioners over the past approximately 20 years, with total

market share of the ten largest optical retailers in the United States increasing from 18% in 1992 to 32% in 2016, as shown in the chart below. Despite this growth, the top ten optical retailers still have a relatively small share of the overall market and the largest optical retailers are well-positioned to continue increasing their share.

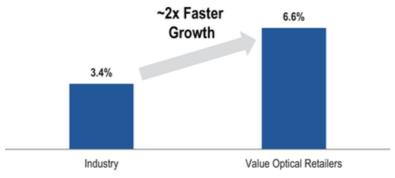

Market Share of Top Ten Optical Retailers

• *Value Chains Are Growing Faster Than Industry*. According to Vision Monday estimates, from 2007 to 2016, the value segment of the U.S. optical retail industry grew at a CAGR of 6.6%, nearly twice the rate of the broader optical retail industry. Increased consumer cost consciousness has shifted market share toward value optical retail chains and mass merchants that serve the value segment, as shown in the chart below. To the extent this trend continues, the value segment is expected to continue to outpace overall industry growth.

Value Optical Segment Growth vs. Industry (2007-2016)

• *E-commerce*. The optical retail industry is currently underpenetrated in the e-commerce channel relative to other categories of retail. According to the U.S. Census Bureau, e-commerce represented more than 8.1% of 2016 retail sales. The Vision Council estimates that in the 12-month period ended September 2016, U.S. e-commerce sales as a percentage of the total optical retail industry was only 4.4%, with approximately 4.1% of eyeglass purchases made online and approximately 18.9% of all contact lenses purchases made online. This is due to inherent penetration barriers that make optical retail better suited for omni-channel offerings rather than pure e-commerce. Eye exams typically require in-person visits to eye care practitioners or stores and customers generally want to try eyeglasses on before purchasing as slight changes in style, size and color can make a meaningful difference to the functionality and visual appeal of the frame. Lastly, service and sales consultations are a key part of the vision corrective product purchase, which cannot be replicated online. Due to the more commoditized nature of contact lenses (i.e., every box with a certain prescription by a certain manufacturer is the same) and to the more frequent purchase cycle, contact lenses lend themselves more to online

purchases than do eyeglasses. However, contact lens prescriptions are typically valid for only one or two years, depending on state law, and as such, contact lens users frequently need to return to eye care practitioners or stores for a prescription update. Such visits are an opportunity to sell an annual supply of contact lenses to the customer.

Optometrists, Ophthalmologists and Opticians

Within the vision care industry, there are multiple providers of eye care and vision services, including optometrists, ophthalmologists and opticians.

- Optometrists are healthcare professionals who have received a four-year doctor of optometry, or OD, degree and are
 licensed to perform vision tests, prescribe and dispense vision correction devices such as eyeglasses and contact lenses,
 perform diagnostic eye exams and prescribe certain types of ocular medication. In a few states, optometrists may also
 perform surgery.
- Ophthalmologists are medical doctors specializing in vision and eye care. These doctors are licensed to prescribe
 medication and perform surgery and may also perform eye exams and dispense vision correction products.
- Opticians are technicians who use prescriptions written by optometrists or ophthalmologists to dispense corrective
 eyeglasses and contact lenses. However, they are not licensed to diagnose or treat ocular conditions.

As of 2012, according to Jobson Medical Information estimates, there were approximately 40,000 optometrists and approximately 18,000 optohetrists in the United States. As shown below, these approximately 40,000 optometrists worked in a variety of practice settings, ranging from independent practices to optical chain affiliation to government employment.

Optometrists by Primary Practice Setting, 2012

	Number (000's)	% of Total
Independent Practice	22.8	57%
Optical Chain Affiliation	9.6	24%
Ophthalmology Practice	3.3	8%
Other Medical	2.0	5%
Government	1.9	5%
Other	0.4	1%
Total	40.0	100%

According to the Association of Schools and Colleges of Optometry, or ASCO, there are currently 22 optometry schools in the United States and Puerto Rico. According to ASCO, the 2016 graduating class of 1,666 represents an increase in size of approximately 7% from the 2015 graduating class of 1,557 and an increase of approximately 23% from the 2010 graduating class of 1,356. In addition, the number of optometry schools has been mostly flat in recent years.

The ability to recruit sufficient optometry talent is crucial to success for optical retailers. We believe that the high cost of optometry programs will aid us in recruiting optometrists. According to ASCO, in academic year 2016-2017, the average total cost for tuition, fees, books and instruments for a first-year non-resident student totaled \$48,426 for public schools and \$41,910 for private schools, and for a first-year resident student totaled \$30,614 for public schools and \$40,417 for private schools. This high cost of attendance has led to significant student debt burdens for many students graduating from optometry programs. As a result, we expect that an increasing number of optometry graduates will turn to corporate affiliations rather than independent practices for employment.

Product Categories and Suppliers

The optical retail market consists of multiple product categories, including vision correction devices such as eyeglass lenses, frames and contact lenses and other products and services, including sunglasses, eyeglass accessories and refractive surgery.

- Eyeglass frames are generally available in a wide range of materials, styles, designs and brands. The most common
 materials used to manufacture frames include plastic, cellulose acetate and metal. For many customers, eyeglasses are not
 only an eye care solution but also a fashion accessory, and therefore brand and aesthetics are important factors in
 customers' purchasing decisions. There are many recognized eyeglass frame brands, some of which are controlled by
 vertically-integrated optical retail chains. There are numerous suppliers that offer unbranded, white-label or generic
 eyeglass frames.
- Eyeglass lenses are manufactured using a range of standard and proprietary organic and inorganic materials. Customers
 generally have the option of selecting individualized features such as lightweight designs, photochromatic capabilities and
 special coatings for ultraviolet protection, anti-fog, anti-reflection, anti-scratch protection. There are several global
 manufacturers of lenses, with some additionally offering integrated lens finishing services through owned optical
 laboratories
- Contact lenses are available in soft or rigid formats. Soft lenses are typically made from silicone hydrogels and are often characterized by the period of use (primarily daily disposable or monthly reusable). Rigid lenses are typically made with oxygen-permeable polymers and can often be used for several years without replacement. Contact lenses are primarily manufactured by a relatively concentrated group of four major suppliers. Re-useable contact lenses require the regular use of cleaning solutions. Demand for contact lenses is driven by structural growth, as more consumers come to recognize the benefits of the more comfortable modern lenses and existing contact lens users switch to monthly, weekly or daily disposable lenses. Despite the attractiveness of contact lens usage, most consumers do not rely exclusively on contact lenses, opting to also purchase traditional eyeglasses for secondary use.
- Sunglasses are also sold by many optical retailers. These sunglasses can come with or without prescription lenses, and are worn both for fashion and protection of the eyes from UV rays. Sunglasses are more of a discretionary purchase than prescription eyewear, and sales of sunglasses are therefore more sensitive to the economic environment. According to The Vision Council, for most optical retailers (as opposed to non-prescription sunglass retailers), prescription sunglasses make up the majority of their sunglass sales.
- **Refractive surgery** offers a permanent solution to vision correction problems. The most common refractive surgical procedures are LASIK and PRK. Both technologies utilize lasers to reshape the curvature of the cornea. Due to the high cost, lack of insurance coverage, potential for side effects and invasive nature of the procedures, refractive surgery as a method of vision correction has low penetration relative to traditional eyeglasses or contact lenses.

Optical Laboratories

Optical laboratories transform semi-finished and finished lenses to match the specifications from an optician or prescriber's order and fit them into the requested eyeglass frames. The process entails surfacing and polishing the lens, followed by the application of any requested special coatings. Some retailers have in-store laboratories to provide convenience and speed to customers. Laboratories can also be operated on a centralized basis by the retailer or on an outsourced basis, offering economies of scale and expertise across a wide range of lens types and prescriptions.

Third Party Payors

Similar to other healthcare services, optical retail chains often receive payment for services and products from third parties, including managed vision care programs, other insurance programs and government healthcare programs such as Medicare and Medicaid. Managed care has become increasingly important to the optical retail industry. Managed vision care programs provide benefits across all optical retail sales channels, including independent eye care practitioners and national and regional chains, though some managed care programs are affiliated with specific integrated optical retail chains. According to The Vision Council, managed care accounts for a substantial percentage of sales of prescription eyeglasses and, in the 12 months ended September 30, 2016, approximately half of the U.S. adult population surveyed stated they were enrolled in vision care plans. Moreover, the enrolled child population is increasing, as federal health care reform includes pediatric vision as a covered benefit. These trends could be reversed, however, if federal health care reform is repealed or its scope is reduced.

Our Competitive Advantages

We are one of the largest and fastest growing optical retailers in the United States and a leader in the attractive value segment of the U.S. optical retail industry. We believe that a number of factors have established our market-leading position and differentiate us from our competitors. These include: our value positioning and compelling customer offers, decades of brand building, low-cost operating model, store network and portfolio of brands, size and scale, strong industry partnerships, highly-experienced management team and disciplined real estate strategy, among others.

Highly-differentiated and Defensible Value Proposition. Our value price positioning extends across our entire portfolio of brands. We offer among the lowest price points in the optical retail industry and this highly-compelling customer value positioning has been a critical driver of our outsized market share gains and revenue growth. Through its arrangements with individual optometrists or professional corporations owned by eye care practitioners, America's Best is able to offer customers two distinctive bundled eyewear pricing offers: (i) the two pairs of eyeglasses offer for \$69.95, including an eye exam, and (ii) the Eyecare Club program, which offers several years of eye exams plus a discount on products for a low price. In addition, Eyeglass World's opening price point offer of two pairs of eyeglasses for \$78.00 is among the lowest in our industry. Based on a recent study of leading optical retailers and based on these bundled offers, we believe that America's Best and Eyeglass World's opening price points for eyeglasses and an eye exam are currently 74% and 37% lower on a per-pair basis than the next lowest retailer surveyed and 82% and 56% lower than the average of independent retailers surveyed, respectively, each as indicated in the chart below:

We are also committed to providing our customers with high levels of in-store customer service and a convenient and compelling shopping experience. On-site optometrists enable a convenient one-stop shop for the clinically-assisted sale of eye exams and eyewear and attract customers. The quality care provided by vision care professionals is then complemented by our highly-trained in-store sales associates. Through one-on-one consultations, we can better understand the complete scope of our customers' needs and recommend the appropriate products and services. Our customers are then able to choose from a broad assortment of frames, including high-quality designer and private label frames, and contact lenses. We believe that the comprehensive proposition of our value pricing, the breadth and quality of our product mix and high levels of customer service drive repeat visits and customer loyalty, engagement and ambassadorship.

Our optical retail offerings are also more defensible to potential e-commerce pressure relative to other categories of retail. This is due to inherent penetration barriers that make optical retail better suited for omni-channel offerings rather than pure e-commerce. Eye exams typically require in-person visits to eye care practitioners or stores and customers generally want to try eyeglasses on before purchasing, as slight changes in style, size and color can make a meaningful difference to the functionality and visual appeal of the eyeglass frame. Lastly, the service and sales consultations provided by our on-site vision care professionals and in-store associates are a key part of the vision correction product purchase process, which cannot be replicated online.

Leading Low-cost Operating Model. Our low-cost structure allows us to maintain our low prices to our customers while generating attractive margins. This low-cost structure is a result of our highly-efficient laboratory network and manufacturing capabilities. Orders are routed via a centralized proprietary system to the appropriate processing laboratory, minimizing cost and delivery time. Through a combination of volume increases, continuous operating efficiency improvements and implementation of technological enhancements across our laboratory network, we have increased the number of orders processed through our laboratory network by more than 100% and reduced the cost per job by 13% from fiscal year 2009 to fiscal year 2016. This has allowed us to maintain our introductory offer of two-pairs of eyeglasses and an eye exam for \$69.95 at America's Best for over ten years.

Further, as one of the largest purchasers of eyeglass frames and contact lenses in the United States, we benefit from procurement and cost advantages. Additionally, we have enhanced our supply chain process and related vendor relationships to allow us to source high-quality frames at low prices. By strategically placing our new stores in or near high traffic "strip centers" and shopping locations, we avoid paying the high rents associated with malls. Our real estate strategy clusters stores within the same markets, allowing us to leverage our advertising spend. We maintain a flexible in-store labor cost structure that helps us achieve consistent profitability across a range of sales levels and a variety of markets. We also operate an efficient corporate office that centrally standardizes all major decisions related to merchandising, pricing, product assortment and allocation. As a result of these factors, we are able to drive attractive profitable growth while maintaining industry-low prices for our customers.

Best-in-class Management Team With Deep Optical Experience. Our company is led by a highly-accomplished and proven management team with deep expertise. The current team is one of the longest-tenured in the optical retail industry, averaging 23 years of optical or similar retail experience. Importantly, many of our management team members have come from the optical industry, providing great insight. Our management team has also been a cohesive unit, with an average of 13 years at National Vision and low senior management turnover. Collectively, this team has a wide range of experience across optical merchandising, store openings, customer engagement, operations, omni-channel platform and technology. Combining this operational expertise with a finely-tuned formulaic playbook, management has achieved an impressive long-term track record of significant industry outperformance and generated positive comparable store sales growth in every quarter since 2002, when this management team took over, including during periods of economic contraction.

Diverse Portfolio of Attractive Brands. We have a differentiated collection of five complementary brands, four of which are supported by either our omni-channel or e-commerce platform that all target the fast-growing value segment within the U.S. optical retail industry. With an aggregate 980 retail stores and 19 consumer websites as of July 1, 2017, the size and scale of our brand portfolio provide us high proximity to customers and allow us to engage customers across a variety of sales channels. We believe these brands collectively constitute a portfolio with both attractive economics and growth potential. America's Best and Eyeglass World, our owned brands, have been the primary source of our store growth. Our partner brands (Vision Centers in Walmart and Vista Optical in Fred Meyer stores and on U.S. military bases) are based in well-known, high-traffic environments, exhibit low capital intensity and generate reliable cash flow. Our omni-channel and e-commerce platforms allow us to capture digital sales and serve as an educational resource for our customers. Our omni-channel platform also allows us to deliver several customer convenience capabilities, such as online scheduling and reminders for eye exams, purchases and shipping of contact lenses and eyeglasses, online frame browsing and virtual frame try-on, among others. In the aggregate, we believe that this diverse combination of brands exhibits a strong economic profile that combines robust growth potential with significant free cash flow generation.

Proven Real Estate Site Selection Process. We locate our owned stores in highly-desirable retail developments surrounded by dense concentrations of our target customers. We maintain a disciplined approach to new store growth and perform comprehensive market research before selecting a new site based on customer demographics and data from our existing customer database. Our data-driven approach, desirable locations and consistent new store model have resulted in strong performance across our store base. We have rarely closed or relocated a store due to underperformance, and our five-year rolling average new store success rate—defined as the percentage of stores opened in the last five years that are still open—was 99% as of July 1, 2017. We have long-standing relationships with many leading commercial real estate firms and believe that we are a preferred tenant given our brands and the high volume of customers that visit our stores. As a result, we believe we will continue to have access to desirable retail sites.

Strong Partnerships With Retail Partners and Vendors. We have developed extensive and long-term strategic relationships with our frame and lens suppliers, our host and legacy partners and managed vision care companies. Our highly-experienced procurement team leverages long-standing relationships with our vendors to source all of our products. Our strong vendor relationships and scale allow us to maintain broad, on-trend assortments, competitive pricing and favorable payment terms. We have maintained and broadened relationships with our host and legacy partners over several decades. For example, in 2012, we expanded our relationship with Walmart to manage walmartcontacts.com and samsclubcontacts.com and to undertake the back-end logistics and fulfilment services for Walmart's "ship-to-home" contact lens sales and for virtually all of Sam's Club contact

lens orders. Our host and legacy partnerships enjoy operational efficiencies, which rely on our centralized laboratory network and best practices implemented over the course of these long partnerships. We have also developed strong relationships with managed vision care companies through our network of stores, efficient billing and focus on value. We continually seek to partner with additional managed vision care payors, and to increase participation in our partners' networks. We believe that our above-market growth is also an attractive growth driver for our business partners and positions us as a preferred retailer for key vendors and industry partners.

Deep Experience with the Regulatory Complexity of the Optical Industry. There are extensive and diverse sets of laws and regulations governing the provision of vision care. As a result, regulatory compliance for optical retailers in the United States is complicated and time-consuming, involving many regulatory bodies and licensing agencies at both the federal and state levels. We believe that our deep knowledge of the optical regulatory framework and our significant compliance experience provide us with an important competitive advantage. We also believe that these compliance and licensure requirements, and related costs, serve as a significant hurdle for potential new entrants into the optical retail industry.

Our Growth Strategies

Our history of profitable growth is founded on a commitment to a relatively simple business model: providing exceptional value and convenience to customers, enabled by our low-cost operating platform. We believe that we have the right strategy and execution capabilities to capitalize on the substantial growth opportunities afforded by our business model. We intend to further drive growth from five distinct sources: growing our store base, increasing comparable store sales, optimizing our existing business, leveraging technology and exploiting strategic opportunities.

Grow Our Store Base. We believe that our expansion opportunities in the United States are significant. We have adopted a disciplined expansion strategy designed to leverage the strengths of our compelling and distinct value proposition and recognized America's Best and Eyeglass World brand names to develop new stores successfully in an array of markets that are primed for growth, including new, existing, small and large markets. We believe that our consistent track record of successfully opening stores across vintages, geographies and markets demonstrates our ability to further increase our store count. In the aggregate, we have opened 458 stores on a net basis (opened 512 new stores and closed 54 stores) over the last decade and in the past three years, we have increased our new store growth to 75 new stores per annum. Historically, we have self-funded our new store growth from operating cash flows. Our rigorous analytical approach to site selection combines detailed customer demographic data with other store-specific variables and maps this data against existing store performance. We have an established partnership with a third party real estate firm to evaluate potential new America's Best and Eyeglass World stores and our analysis suggests that we can grow America's Best to at least 1,000 stores and Eyeglass World to at least 850 stores. These two brands can grow from approximately 670 stores at present to a total of at least 1,850 stores, with similar economics to the existing store base. In the near term, our primary focus will be to open new America's Best stores, most notably in California, with a longer-term focus on expanding our Eyeglass World store footprint. To successfully open and operate these stores, we will need to attract a sufficient number of optometrists. Our management team includes a network of seasoned professionals with substantial experience in recruitment of optometrists. Our recruitment efforts have kept pace with our store growth. As a result, we believe that our current level of new store growth of 75 stores per annum is sustainable for the foreseeable future.

Drive Comparable Store Sales Growth. We expect that our value proposition will generate profitable comparable store sales growth. The vast majority of our comparable store sales growth over the past five years have been driven by increased traffic. The typical eyewear replacement cycle, which we estimate is two to three years, creates substantial opportunity for us to increase sales from our existing customer base. We continually improve our in-store shopping experience and enhance our solutions-based service approach to increase the volume of customer traffic to our stores. We also expect to increase customer traffic by improving marketing programs and omni-channel offerings. For instance, we began purchasing national television advertising for our America's Best brand in the first quarter of fiscal year 2017. Further, we expect to continue expanding our participation in managed vision care programs. We are currently underpenetrated in the managed vision care market relative to the broader optical retail industry. We expect that these collective initiatives will help us to attract new customers to our stores and increase the frequency of purchases by our existing customers.

Improve Operating Productivity. We believe that our continued growth will provide further opportunities to improve operating margin over time. Growth, both in revenue and stores, will enable us to leverage corporate overhead, our centralized laboratory network and our advertising spend. In conjunction with America's Best's 2016 entry into the California market, we expect to benefit from launching a national network television advertising campaign, which we believe is more cost effective than our current local market campaigns. We expect that this national campaign will raise our brand awareness in both existing and new markets, allowing us to save advertising spend when entering new markets. We also believe that continued efficiencies in store operations and technological advancements in our centralized laboratory network will further enhance margins.

In the past three years, we have accelerated store openings of America's Best and Eyeglass World to 75 stores per annum. Based on the consistency and predictability of the maturation process for our existing store base, we believe that there are significant embedded earnings in these maturing stores. For indicative purposes, assuming that each of our open but not mature America's Best and Eyeglass World stores as of December 31, 2016 were able to attain the average fifth-year financial performance of our existing mature America's Best and Eyeglass World stores, we would have generated an additional approximately \$67 million of revenues and approximately \$45 million of EBITDA for our owned & host segment in fiscal year 2016.

Leverage Technology to Optimize and Expand the Business. Our experienced management team has consistently leveraged innovative strategies to grow our business and remain at the forefront of technological development in the optical retail industry. We have invested significantly in technological improvements to position us for future growth. Several strategies that will continue to leverage and grow our technology leadership include:

- Further development of our omni-channel platform: We have invested in our omni-channel platform to offer our America's Best, Eyeglass World and Vista Optical military customers a wide range of services, including online exam scheduling, appointment reminders, "buy-in-store and ship-to-home" contact lens and eyeglass purchasing, online frame browsing and virtual frame try-on, among others. We are implementing additional software solutions that will allow all omni-channel purchases to be linked to a single customer profile that will be leveraged to develop a "single view of the customer" and to offer a seamless experience across our in-store, mobile and e-commerce channels. These solutions facilitate improved functionality and processes that are expected to enhance our omni-channel capabilities and deliver a more dynamic experience to our customers. Specifically, the omni-channel platform will be enabled to deliver personalized content and targeted promotions and to provide enhanced search experience and a streamlined checkout process. Our bolstered omni-channel platform has been designed to enable stronger customer communication and to drive traffic to our stores and websites.
- Enhanced customer engagement: We intend to improve customer engagement and retention using next generation data
 analysis and customer relationship management solutions. We intend to utilize these solutions to develop a single view of
 our customers and to deliver personalized recommendations and targeted promotions in real-time. We believe that the
 tailored nature of customer engagement will increase the conversion of our multi-touch marketing campaigns, expand
 cross-sell opportunities and increase transaction volume across our websites and retail locations. Given the necessary and
 recurring nature of eye care purchases, as well as the amount of personal data we are required to collect from our
 customers, we possess a significant amount of high quality customer data that we believe increases the effectiveness of
 these solutions.
- Continued investment in new eye exam technology: We leverage technology to make the eye exam process accurate and efficient for our customers and optometrists. Over the past few years, we have invested in cutting-edge ophthalmic technology, such as digital phoropters and retinal cameras. Going forward, we will continue to invest in these and other technologies to improve the quality of the in-store eye exam experience for both our customers and optometrists who provide vision care services. Since eye exams are a critical service element of our business, we believe that investing in technology to improve this experience will aid in retention of both customers and optometric talent.
- Leverage seed investments in emerging companies. Our leading position in the optical retail industry connects us with other participants across the industry, including innovative companies. As one of the fastest-growing optical retail chains in the United States, we are a preferred partner for growing optical

technology companies and we endeavor to engage in dialogue with technological innovators in our industry. As such, we have made seed investments in several emerging venture-backed optical technologies, including \$8.6 million invested since June 2014 in Ditto (virtual glasses try-on), PQ Eyewear (custom fit, 3D-printed glasses) and Smart Vision Labs (handheld eye exam refraction technology). As a result of this strategy, we often have direct access when it comes to both understanding emerging trends and new developments in optical technology. These investments are consistent with our mission of making eye care affordable and accessible to our customers and position us for future growth.

Explore Strategic Opportunities. We will selectively evaluate strategic acquisition opportunities from time to time as part of our growth strategy.

Our Products and Services

Within our two reportable segments, we primarily offer two products and one service: eyeglasses, contact lenses and eye exams. Nonetheless, our diverse product portfolio encompasses many brand names and thousands of SKUs. Depending on the brand, our stores display approximately 600 to 1,935 eyeglass frame SKUs, covering all age groups. Offerings include both brand name designers, like Ray-Ban, Guess and Calvin Klein, as well as private label options at attractive prices. Our frames are manufactured by market leaders such as Luxottica, Marchon and Zyloware, as well as private label brands made for us in Asia. We also offer a broad portfolio of lenses, including single vision and bifocal lenses, with a variety of treatments to enhance vision. Through one-on-one consultative-selling, our sales associates have a number of opportunities to share information about value-added lenses, including thinner lenses and photochromatic options, which carry higher margins. In fiscal year 2016, approximately 82% of America's Best customers and 93% of Eyeglass World customers who purchased eyeglasses chose upgraded lenses and/or frames instead of each brand's base offer. We also offer contact lenses and accessories from all major contact lens manufacturers, including our own private label brand (Sofmed, made by CooperVision) that is offered in our America's Best and Eyeglass World stores. Collectively, our broad product offerings deliver consistent financial results and reduce our reliance on any individual product, style or trend.

In both of our reportable segments, eye exam services are provided by optometrists employed by us or by professional corporations owned by eye care practitioners with whom we have contractual arrangements.

Within our owned & host segment, America's Best offers its Eyecare Club programs primarily to its contact lens customers. As of July 1, 2017, the Eyecare Club had 1.3 million active members. Benefits of the Eyecare Club include two free eye exams per year for the duration of the multi-year membership, 10% off all replacement contact lenses and eyeglasses and other periodic benefits and discounts, such as free samples of contact lens solutions. Memberships can be purchased in stores or on our America's Best website. Two separate club memberships are available: the three-year Silver membership, which costs \$99, and the five-year Gold membership, which costs \$139. By comparison, the cost of a contact lens exam, exclusive of the Eyecare Club, is \$79. There is a high adoption rate of Eyecare Club membership by America's Best customers who are not part of a managed care program and who visited an America's Best store for contact lens examination. The disposable nature of contact lenses means that customers must replenish their contacts frequently, and in order to refill their prescriptions, contact lens users must have a current prescription. For a prescription to be current, customers generally need to have an eye exam every one or two years, depending on the state in which they reside. The multiyear nature of these memberships facilitates repeat traffic to America's Best stores for exams and contact lens purchases and builds customer loyalty. The Eyecare Club also has attractive working capital characteristics, as customers pay the full membership cost at the time that they join. See Note 15: "Segment Reporting" in our audited consolidated financial statements included elsewhere in this prospectus for additional information.

Our Customers

Our customers need to see their best to perform their jobs, care for their families and contribute to their communities. Purchasing decisions are based on value, quality of service, fashion, location and eye health, among others. Based on a variety of third-party research studies, we have found that our customers typically prioritize value and convenience above other considerations. Value encompasses a combination of eye health with

quality products and services, all offered at a fair price. Convenience encompasses multiple vectors: (i) retail locations near where our customers work and shop, with easy, convenient parking, (ii) store hours that fit their lifestyles, (iii) product selection that achieves aesthetic and/or fashion goals, (iv) availability of on-site eye exams and (v) acceptance of certain vision insurance benefits.

For our two owned brands, we have developed specific customer demographic profiles. More specifically, we estimate that our typical America's Best customer has a household income between \$35,000 to \$100,000, is a high school graduate, holds a blue collar job and is between 35 to 64 years old, while our typical Eyeglass World customer is slightly more affluent, has a college degree or higher, holds a professional or technical job and is between 35 to 79 years old. These profiles demonstrate that, even within the same market, our America's Best and Eyeglass World brands appeal to and attract a different consumer, which speaks favorably to our growth potential and our ability to open new stores of both brands in the same markets.

Sales and Marketing

Based on the in-depth knowledge we have of our customers, we have built an effective marketing strategy. Our brands are positioned to stand for low prices and great value, which resonate with our target consumers and leave a lasting impression that is distinct from the competition.

We believe that television is a key channel for connecting with our customers. Approximately three-quarters of America's Best and Eyeglass World's advertising expenditures are on traffic-driving television advertisements, which we leverage broadly across multiple stores in each television market to gain a larger share of voice, and,

in turn, drive traffic and margins. Our recent America's Best expansion into California has allowed us to shift from local campaigns to purchasing television advertising nationally, starting in the first quarter of fiscal year 2017, which we believe is more cost effective. We expect that this national campaign will raise our brand awareness in both existing and new markets, allowing us to save advertising spend when entering new markets.

In 2015, we engaged an outside advertising agency to help develop and sharpen America's Best's brand-positioning message and create a new television advertising campaign, ultimately based on a new owl icon. The "Owl" campaign focuses on showcasing America's Best's low prices and detailing the benefits to our customers. This campaign has been running since mid-2015 and we believe that this memorable advertising has raised brand awareness and has generated sales by both new and existing customers. We also engaged this advertising agency to design a new brand-positioning campaign for our Eyeglass World brand, including a brand refresh with updated imagery.

For our host and legacy brands, we rely on our host and legacy partners' marketing initiatives to drive traffic into their stores, and then we develop and execute highly targeted local marketing campaigns within stores to create awareness of our service and product offerings.

Our Customer Relationship Management, or CRM, system contains data on more than 14 million active customers who have purchased from us within the last five years. The customer demographic data that we capture includes age, mailing address, email addresses and phone number at the time of purchase. We utilize this information to know both when our customers buy from us and what items they purchase. With this information and the third-party data that we use to supplement the customer information, we create targeted mailing lists (both direct mail and email) to send communications to our customers based on their vision needs and interests to help improve retention of our existing customers.

In addition to our CRM program, digital advertising is a critical component of our media mix, as we believe both of these programs generate a high rate of return. Potential customers gain awareness of our brands through paid and organic digital efforts via content, video and social media that lead them to our websites. Such efforts enable us to direct the customer to the specific information they are seeking on our websites, which has dramatically improved conversion of digital visitors to customers by enabling them to find a store, schedule an exam or make a purchase.

We believe that our brands have compelling marketing messages and that our advanced media tactics help maintain awareness of our consumers, leading to increased store visits and sales.

Our Sourcing and Supplier Relationships

We purchase our merchandise from a wide variety of vendors, with no vendor accounting for more than 20% of our total cost of products sold. We are a large customer for all of our suppliers and we strive to form meaningful, long-lasting and mutually beneficial relationships with our vendors. We have long-term contracts with certain of our suppliers, including Essilor and CooperVision. Under our agreement with Essilor, Essilor has the sole and exclusive right to supply certain lenses for eyeglasses to us. Our agreement with Essilor expires on December 31, 2018, automatically renewing for one-year terms unless a party elects to terminate upon 90 days' written notice. We are collaborative in our vendor negotiations so as to develop a partnership with our vendors and, in time, a sense of loyalty to National Vision. Each of our top ten vendors has been with us for at least ten years, and several of these vendors have been with us since our inception in 1990. We focus on sourcing low-cost products, including discounted closeouts of well-known frame brands, secondary frame brands, direct import frames and private label contact lenses under our Sofmed label. By investing in our sourcing operations, we have increased our direct importation of eyeglass frames, as a percentage of eyeglass frames units sold, from 50% in 2012 to 73% in 2016, which has enabled us to offer high quality frames at low prices while also generating strong gross margins.

Our Optical Laboratories

We use a highly-efficient mix of three domestic, company-operated processing facilities and two international, outsourced facilities. We have state-of-the-art lens processing capabilities in our three, geographically-diverse company-operated production facilities in Lawrenceville, Georgia, St. Cloud, Minnesota and Salt Lake City, Utah. Our centralized optical laboratories handle all aspects of customizing eyeglass lenses, and have digital capabilities for grinding, coating and edging to customer prescription and eyeglass frame

specifications. We have developed a high-volume, low-cost lens processing model to provide seven-day turnaround service through our domestic owned laboratories and our international partner laboratories. This network was created through significant investment by us, and is leveraged across our portfolio of brands in both segments to provide efficiency and scale. We route eyeglass orders to both our owned and outsourced laboratories through an automated decision tree that incorporates information on (i) the nature of the job; (ii) the technical capabilities of each laboratory; (iii) the capacity of each laboratory; (iv) the inventory at each laboratory; and (v) the cost of that particular type of job at each laboratory. This architecture is integrated with the point-of-sale system and enables us to minimize our processing costs, while ensuring on-time deliveries. The processing system is designed such that the more eyeglasses we sell, the more efficient the laboratories become, creating significant cost savings over time. From fiscal year 2009 to fiscal year 2016, the number of orders processed through our laboratory network increased by more than 100%, while the cost per job decreased 13%.

In addition, our Eyeglass World stores are equipped with on-site laboratories, which typically process less complicated customer orders with same-day service. On-site laboratories can process a variety of lens options. For fiscal year 2016, over half of Eyeglass World in-store customer orders were processed entirely in the store. All lens orders that are not processed or completed instore are processed or completed by our centralized laboratory network.

Our Distribution Network

Our approximately 99,000 square foot distribution center in Lawrenceville, Georgia is located near our corporate offices in Duluth, Georgia. We utilize third-party carriers to transport all of our products from this distribution center to our stores.

Our approximately 52,000 square foot distribution center in Columbus, Ohio is located close to the headquarters of our AC Lens subsidiary. We utilize third-party carriers to transport our products from this distribution center directly to customers and to store locations for our partners.

We believe that the size and scalability of our distribution centers is more than sufficient to support our future expansion over the next four to five years.

Our Properties and Store Footprint

We lease all of our America's Best and Eyeglass World retail stores. Our leases generally have a term of five to ten years, with renewal options that generally range from five to 15 years. Most leases for these retail stores provide for a minimum rent, typically with escalating rent increases. In certain circumstances we pay a percentage rent based upon sales after certain minimum thresholds are achieved. These leases generally require us to pay insurance, utilities, real estate taxes and repair and maintenance expenses.

We occupy our host locations through master agreements with our host partners, which contain standard terms and conditions, such as fixed and percentage-based payments. We occupy our legacy locations through master agreements with standard terms and conditions, such as percentage-based payments.

Note: 'Other' includes Vista Optical in Fred Meyer stores and on military bases. There is one America's Best location in Washington, D.C. and one Vista Optical location in Puerto Rico

We lease laboratories in Georgia and Utah and distribution centers in Georgia and Ohio, and we own our laboratory in Minnesota.

Our corporate offices are located in approximately 73,000 square feet of leased space in Duluth, Georgia. In addition, we lease approximately 27,000 square feet of office space for our AC Lens corporate office in Columbus, Ohio, and we lease approximately 3,000 square feet of office space for our FirstSight corporate office in Upland, California.

Our Employees

As of July 1, 2017, we had 10,360 full-time and part-time employees, inclusive of employees of the professional corporations with which we contract. We are not a party to any collective bargaining agreements. We have never experienced a strike or work stoppage, and we believe that our relations with employees are excellent.

We believe that the recruitment, training and knowledge of our employees and the consistency and quality of the service they deliver are central to our success. We believe our employee-customer interactions are important to build the trust and rapport necessary to execute our selling approach. The recruiting team relies on external sourcing, employee recommendations and our website to facilitate recruitment of future employees.

We dedicate substantial resources to training our employees. Each new full-time store employee receives more than 48 hours of formal training in their first year alone, including product, leadership, cultural and operational training. Our sales associates are trained to interact, inquire and listen to customers so that they can understand the complete scope of each customer's situation. This consultative selling approach allows us to sell a broad range of products and deliver a differentiated experience to our customers, which we believe results in a

quality transaction, repeat visits, frequent referrals and overall customer satisfaction. In addition, every employee promoted to store manager participates in a centralized training program at our corporate office to ensure consistency and alignment with our store-level corporate objectives.

We believe that communication is vital to the culture of the business and engages and empowers our workforce. Our strategic initiatives and organizational successes are communicated to employees at all levels. We also pride ourselves on our compensation policy as a retention tool. We offer flexible work schedules, comprehensive benefits and competitive compensation to both full-time and part-time employees. As a result, we have an average employee turnover rate of approximately 35% annually across our five store brands, compared to the retail industry average of approximately 60%.

Managed Vision Care

We are currently underpenetrated in the managed care market relative to the broader optical retail industry, and we believe that this represents an important opportunity for us in the future. Although we have relationships with many of the major insurance and vision care companies, we believe that there are opportunities for us to expand existing relationships as well as to create new ones. We strive to create a high-quality, high-satisfaction experience for both our in-store customers and managed care partners. Through our point-of-sale system and our back-office electronic data interchange, or EDI, capabilities, we create a seamless transactional experience for our in-store managed care customers. Additionally, we have assisted a number of our larger vision care insurance payors to either implement or improve their EDI claim systems. We monitor both industry and national healthcare changes and are well-positioned to take advantage of these changes due to our low-cost offerings and strong electronic infrastructure. We expect to continue to grow the managed care component of our business through our relationships and partnership initiatives with managed care payors.

Our Competition

The optical retail industry is highly competitive. Competition is generally based upon brand name recognition, price, convenience, selection, service and product quality.

We operate within the value segment of the U.S. optical retail industry, which emphasizes price and value. This segment is fragmented. We compete with mass merchants and warehouse club stores, specialty retail chains and independent eye care practitioners and opticians. In the broader optical retail industry, we also compete with large national retailers such as (in alphabetical order) LensCrafters, Pearle Vision and Visionworks. This competition takes place both in physical retail locations and online

We also compete with online sellers of contact lenses and eyewear. The online sale of contact lenses has steadily increased in particular since the passage of the FCLCA. The online sale of eyeglasses has not developed as quickly, but a number of firms are focused on this market, including Warby Parker and Zenni Optical. We also face potential competition from companies that employ emerging technologies in the optical industry, including, for example, online vision exams and 3D printing of eyewear.

We also compete to be a provider under managed care contracts, which can provide us with access to new customers and also allow us to better serve our customers who are covered by managed care by filing claims directly with the payor and collecting only the applicable co-pay amount from these customers. Competition is based on many factors, including price and the density of the provider network. Several large managed care payors are vertically integrated, with substantial retail networks. We have, in the past, and may, in the future, experience heightened challenges to be admitted as a provider to these networks or to maintain our status in them.

Seasonality

Our business is moderately seasonal in nature. Historically, our business has realized a higher portion of revenue, operating income and cash flows from operations in the first fiscal quarter, and a lower portion of net revenue, operating income and cash flows from operations in the fourth fiscal quarter. The seasonally larger first quarter is attributable primarily to the timing of our customers' income tax refunds and annual health insurance program start/reset periods. Our target market, which consists of cost-conscious and low-income consumers, relies on tax refunds to pay for eyewear and eye care. A delay in the issuance of tax refunds can accordingly have a negative impact on our financial results. Consumers could also alter how they utilize tax refund proceeds.

With respect to our fourth quarter results, compared to other retailers, our products and services are less likely to be included in consumer's holiday spending budgets, therefore reducing spending on personal vision correction during the weeks preceding December 25 of each year. Additionally, although the period between December 25 and the end of our fiscal year is typically a high-volume period, the net revenue associated with substantially all orders of prescription eyeglasses and contact lenses during that period is deferred until January due to our policy of recognizing revenue only after the product has been accepted by the customer, further contributing to higher first quarter results. Our quarterly results may also be affected by the timing of new store openings and store closings, the amount of sales contributed by new and existing stores, as well as the timing of certain holidays.

Information Technology

Information technology systems are critical to our day-to-day operations as well as to our long-term growth strategies. Our systems are designed to deliver a consistent, scalable, high-performing and secure experience for our customers and partners. We utilize a combination of co-location data center and cloud-based solutions for our infrastructure and the majority of our applications consist of standard, integrated software solutions. Our systems provide the data analysis and automation necessary to support our marketing, merchandising, inventory, distribution, store operations and point-of-sale, e-commerce, finance, accounting and human resources initiatives. We believe our current systems allow us to identify and respond to operating trends in our business.

Since 2011, we have modernized our point-of-sale system, upgraded multiple financial package components and are currently implementing software systems to enhance the growth of our omni-channel and customer engagement efforts. We believe this implementation, along with maintenance of our existing information technology capabilities, will provide the flexibility and capacity to accommodate our future growth plans.

Intellectual Property

We own many trademarks, including America's Best, America's Best & Design, America's Best Contacts and Eyeglasses, America's Best Contacts and Eyeglasses & Design, America's Best Vision Plan, America's Best owl mascot image, "It's not just a better deal. It's America's Best.," Eyeglass World, Eyeglass World logos, "See yourself smile. See yourself save.," AC Lens, FirstSight, Vista Optical, Eyecare Club, Sofmed, Digimax, Neverglare, Neverglare Advantage and Neverglare Advantage & Design. We have registered or applied to register a variety of our trademarks and service marks used throughout our business in the United States, as well as domain names.

Legal Proceedings

We are currently and may in the future become subject to various claims and pending or threatened lawsuits in the normal course of our business. Our subsidiary, FirstSight, is a defendant, along with Walmart, in a purported class action in the U.S. District Court for the Southern District of California that alleges that FirstSight and Walmart participated in arrangements that caused the illegal delivery of eye examinations to the plaintiffs and that FirstSight thereby violated, among others, the corporate practice of optometry and the unfair competition and false advertising laws of California. The lawsuit was filed in 2013 and FirstSight was added as a defendant in 2016. On March 24, 2017, the Court granted the defendants' motions to dismiss and dismissed the complaint with prejudice. Plaintiffs appealed this decision in April 2017. We intend to continue to defend the litigation vigorously. We believe that the claims alleged are without merit. In May 2017, a complaint was filed against us and other defendants alleging, on behalf of a proposed class of consumers who purchased contact lenses online, that 1-800 Contacts, Inc. entered into a series of agreements with the other defendants, including our subsidiary AC Lens, to suppress certain online advertising and that each defendant thereby engaged in anticompetitive conduct in violation of the Sherman Antitrust Act. We have settled this litigation for \$7.0 million, without admitting liability. The settlement agreement is subject to the approval of the court. Accordingly, we have recorded a \$7.0 million charge to accrue for this settlement in the six months ended July 1, 2017. We are not currently party to any other legal proceedings that we believe would have a material adverse effect on our financial position, results of operations or cash flows.

Regulatory Overview

Our operations are subject to extensive federal, state and local laws and regulations. Because of the various facets of our business, the scope and extent of laws and regulations applicable to our business are always subject to the risk of material increase.

Corporate Practice of Medicine/Optometry and Similar Laws

Many states prohibit the corporate practice of medicine/optometry where a business corporation practices medicine or employs a physician to provide professional medical services. Many states interpret the corporate practice of medicine/optometry rules broadly to prohibit employment of eye care practitioners by corporations like us and to prohibit various financial arrangements, such as fee-splitting, between eye care practitioners and other entities. A number of states that permit these relationships nevertheless regulate them extensively. For example, some states prohibit a common entrance to a retail optical location and an optometric office. These laws and regulations can vary significantly by state, requiring us to tailor our operations in each state to the particular laws of such state. Many of these laws and regulations are vague and are subject to the interpretation of regulators and enforcement authorities, which may change over time. States periodically revisit these laws and regulations and we are subject to the ongoing risk that the regulatory scheme in any state can change in ways adverse to us. We strive to structure our arrangements with eye care practitioners in accordance with these state laws. Our America's Best operations, which feature a bundled offer of eyeglasses and an eye examination, are particularly implicated by these laws. Our failure to comply with these laws could threaten our ability to operate in a particular state.

Professional Licensure and Regulation

Our operations are also subject to state licensing laws. All states license the practice of ophthalmology and optometry and many states license opticians. The dispensing of prescription eyewear is further regulated in most states in which we do business. In some states, we are also required to register our stores. Our failure, or the failure of vision care professionals who are our employees or with whom we have arrangements, to obtain and maintain appropriate licenses could result in the unavailability of vision care professionals in or near our stores, loss of sales and/or the closure of our stores without licensed professionals.

Fairness to Contact Lens Consumers Act

In connection with our sales of contact lens, we must also comply with the FCLCA, and its implementing regulations, which establish a national uniform standard in the United States with regard to releasing and verifying contact lens prescriptions. This law also contains a "passive verification" requirement pursuant to which a prescription is deemed verified if a prescriber fails to respond within eight business hours to a request by a seller for confirmation of the accuracy of the prescription.

Managed Care Regulation

We are engaged in managed vision care, both as a managed care entity and as a provider to managed care payors and insurers. In California, our subsidiary, FirstSight, as an HMO, is subject to the managed care laws of the State of California and is licensed and comprehensively regulated by the DMHC. These regulations contain operating, disclosure, reporting, and financial viability requirements, among others. In the event of a violation of these regulations, the DMHC has, depending on the nature and extent of the violation, the authority to suspend or revoke FirstSight's license, to seek civil penalties, and to seek other remedies, including the appointment of a receiver. Material changes to the operations of FirstSight, including the opening of America's Best locations outside of defined service areas, must be approved by the DMHC. This approval process can be complex and can cause delays in the projected opening of our stores.

We also offer Eyecare Club programs pursuant to which, in exchange for a fixed payment, individuals can obtain eye examinations and discounts on eyeglasses, contact lenses and accessories during the program period. These programs may be subject to regulation under managed care and related state laws, including those of California, where these programs are offered by FirstSight. In addition, our Eyecare Club programs may subject us to state statutes regulating discount medical plans. These laws, which have been adopted in a number of states, require the licensing or registration of organizations that provide discounted access to health care providers. It is possible that state regulators could determine that we are operating as a discount medical plan and as such are subject to the various registration, disclosure and solvency requirements. We could incur increased compliance costs as a result. We would also be subject to the risk of cease and desist orders and monetary penalties.

Service Contract Regulations

We offer product protection plans for our eyeglasses; in certain states, service contract and similar laws regulate these plans. These laws, which vary by state, mandate that sellers of such contracts comply with various

registration, disclosure and financial requirements. It is possible that regulators in certain states could determine that our extended warranty plans should be subject to these laws. In such event, we would be required to incur enhanced compliance costs, as well as the risk of cease and desist orders and monetary penalties.

Privacy and Security

We directly collect, use, access, disclose, transmit and/or store PHI and PII in connection with the sales of our products and services, customer service, billing and employment practices. As a health care provider and as a business associate to health care providers, we are subject to federal and comparable state laws governing privacy and security, including HIPAA and its implementing regulations, such as the Privacy Rule, the Security Rule and the Breach Notification Rule. The HITECH Act extends the Privacy Rule and the Security Rule directly to business associates.

The Privacy Rule regulates the use, disclosure and protection of PHI by health plans, healthcare clearinghouses and health care providers that submit certain covered transactions electronically, or collectively covered entities, and their business associates. The Security Rule requires the adoption of administrative, physical, and technical safeguards, including written security policies and procedures. The Breach Notification Rule requires covered entities to notify affected individuals without unreasonable delay and in no case later than 60 calendar days after discovery of the breach if their unsecured PHI is subject to an unauthorized access, use or disclosure. If a breach affects 500 patients or more, covered entities must report it to the U.S. Department of Health and Human Services, or HHS, and local media without unreasonable delay, and HHS will post the name of the breaching entity on its public website. If a breach affects fewer than 500 individuals, the covered entity must log it and notify HHS at least annually. Business associates are required to notify their covered entity clients without unreasonable delay and in no case later than 60 calendar days after discovery of the breach.

HHS may impose penalties for HIPAA violations up to \$55,910 per violation, and up to \$1.68 million per violation of the same standard per calendar year. A single breach incident can result in violations of multiple standards, resulting in possible penalties potentially in excess of \$1.68 million. If a person knowingly or intentionally obtains or discloses PHI in violation of HIPAA requirements, criminal penalties may also be imposed.

HIPAA authorizes state attorneys general to file suit under HIPAA on behalf of state residents. Courts can award damages, costs and attorneys' fees related to violations of HIPAA in such cases. While HIPAA does not create a private right of action allowing individuals to sue us in civil court for HIPAA violations, its standards have been used as the basis for a duty of care claim in state civil suits such as those for negligence or recklessness in the misuse or breach of PHI.

We are also subject to comparable state health privacy laws to the extent they are more protective of individual privacy than the Privacy Rule. Nearly all states have adopted their own data breach laws with comparable (and sometimes conflicting) standards and requirements. These state laws apply to breaches of specified elements of personal information.

The HITECH Act also restricts third-party funded communications using PHI and the receipt of remuneration in exchange for PHI. We must therefore structure our participation in any promotional programs of our vendors to comply with these restrictions.

Additionally, because we accept debit and credit cards for payment, we are subject to the PCI Standard, which contains compliance guidelines with regard to our security surrounding the physical and electronic storage, processing and transmission of cardholder data. Compliance with the PCI Standard and implementing related procedures, technology and information security measures requires significant resources and ongoing attention.

Laws Related to Reimbursement by Government Programs

Our participation in federal reimbursement programs, such as Medicare and Medicaid, subjects us to federal anti-kickback, false claims, self-referral and similar laws.

The federal Anti-Kickback Statute prohibits, among other things, persons from knowingly and willfully soliciting, offering, paying, receiving or providing remuneration, directly or indirectly, to induce, or in exchange for, the referral of an individual or purchasing, furnishing, recommending or arranging for a good or service for which payment may be made under a federal healthcare program, such as Medicare or Medicaid. The definition

of "remuneration" has been broadly interpreted to include anything of value, including, for example, gifts, certain discounts, the furnishing of free supplies, equipment or services, credit arrangements, payment of cash and waivers of payments. Several courts have found a violation of the statute's intent requirement if a single purpose of an arrangement involving remuneration is to induce referrals of federal healthcare covered businesses. There are also a number of healthcare fraud statutes that impose criminal and civil liability for, among other things, knowingly and willfully executing, or attempting to execute, a scheme to defraud any healthcare benefit program, or knowingly and willfully falsifying, concealing or covering up a material fact or making any materially false statement, in connection with the delivery of, or payment for, healthcare benefits, items or services. A person or entity does not need to have actual knowledge of the Anti-Kickback Statute or healthcare fraud statutes, or specific intent to violate them in order to have committed a violation. Penalties for violations include criminal and civil sanctions such as fines, imprisonment and possible exclusion from Medicare, Medicaid and other federal healthcare programs. Many states have adopted similar laws that apply to any third-party payors including commercial plans.

A person who offers or transfers to a Medicare or Medicaid beneficiary any remuneration, including the transfer of items or services for free or other than fair market value, that the person knows or should know is likely to influence the beneficiary's selection of a particular provider, practitioner or supplier of Medicare or Medicaid payable items or services may be liable for significant civil monetary penalties. Although this prohibition applies only to federal healthcare program beneficiaries, the provision of free items and services to patients covered by commercial payors may implicate applicable state laws related to, among other things, unlawful schemes to defraud, excessive fees for services, tortious interference with patient contracts and statutory or common law fraud

In addition, the federal Anti-Kickback Statute provides that any claim for government reimbursement in violation of the statute also violates the FCA. The FCA prohibits intentionally submitting, conspiring to submit, or causing to be submitted, false or otherwise improper claims, records or statements to the federal government, or intentionally failing to return overpayments, in connection with reimbursement by federal government programs. Most states have enacted false claims laws analogous to the FCA, and both federal and state false claims laws permit private individuals to file *qui tam* or "whistleblower" lawsuits on behalf of the federal or state government. The Social Security Act also imposes significant penalties for false or improper Medicare and Medicaid billings.

The U.S. Physician Self-Referral Law, or the Stark Law, generally prohibits physicians (which the Stark Law defines to also include optometrists) from referring, for certain services, Medicare or Medicaid beneficiaries to any entity with which the physician or an immediate family member of the physician has a financial relationship. This law further prohibits the entity receiving a prohibited referral from presenting a claim for reimbursement by Medicare or Medicaid for services furnished pursuant to the prohibited referral. Many states have adopted similar self-referral laws which are not limited to Medicare or Medicaid reimbursed services. In some cases, the rental of space constitutes a financial relationship under this law.

The Bipartisan Budget Act of 2015 required that federal agencies make annual inflation adjustments to civil monetary penalties and to penalties under the FCA. Each of the DOJ and the HHS has recently announced such adjustments, which materially increase the size of these penalties. Penalties under the FCA increased from a minimum of \$5,500 and a maximum of \$11,000 to a minimum of \$10,957 and a maximum of \$21,916. Civil monetary penalties for violations of the Anti-Kickback Statute increased from \$50,000 to \$74,792. Penalties have increased under other laws, including HIPAA.

FDA Regulation

The FDA generally has authority to, among other things, regulate the manufacture, distribution, sale and labeling of medical devices, including contact and spectacle lenses. Under the FDC Act, medical devices must meet a number of regulatory requirements. We engage in certain manufacturing, repackaging and relabeling activities at our optical laboratories and at certain Eyeglass World stores, which subject us to the FDA's registration, listing, and quality requirements. We are required to register our laboratories with the FDA. If we, or any of the manufacturers of our medical device products, fail to comply with applicable requirements, we or they may be subject to legal action by the DOJ on behalf of the FDA and/or various forms of FDA enforcement and compliance actions, which include, but are not limited to, recalls, fines, penalties, injunctions, seizures, prosecutions, adverse publicity (such as FDA press releases) or other adverse actions.

Consumer Protection Laws

Federal and state consumer protection laws and regulations can apply to our operations and retail offers. Some of our promotions, such as our America's Best offer of a "free" eye exam, are subject to compliance with laws and regulations governing use of this term. The FTC has authority under Section 5 of the Federal Trade Commission Act, or the FTC Act, to investigate and prosecute practices that are "unfair trade practices," "deceptive trade practices," or "unfair methods of competition." State attorneys general typically have comparable authority. In addition, many states permit private plaintiffs to bring actions on the basis of these

State regulators or boards of optometry may challenge our promotional practices, including America's Best's bundled offers, as, among other things, violating applicable state laws regarding unfair competition or false advertising to consumers. To the extent our promotional programs are found to be inconsistent with applicable laws, we may be required to restructure or discontinue such programs, or be subject to other significant penalties.

E-commerce Laws

Our e-commerce business, operated by our subsidiary AC Lens, must comply with various federal and state laws, most notably the FCLCA, and its implementing regulation, the Contact Lens Rule, adopted by the FTC. This law and Rule require that, before we sell contact lenses online, we verify the prescriptions we receive from our customers. A violation of the Contact Lens Rule constitutes an unfair or deceptive act or practice under the FTC Act. Our online business must also be registered in various states.

Our international sales online can also implicate other laws, particularly the requirements under the OFAC, which prohibit us from engaging in transactions with certain individuals and companies designated by OFAC.

Environmental and Safety Regulation

Our three optical laboratories in the United States and our in-store laboratories in our Eyeglass World locations subject us to various federal, state and local laws, regulations and other requirements pertaining to protection of the environment, public health and employee safety, including, for example, regulations governing the management of hazardous substances, and the maintenance of safe working conditions. These laws also apply generally to all our properties. Our failure to comply with these laws can subject us to criminal and civil liabilities.

Foreign Corrupt Practices Act

We source a significant portion of our products from outside the United States. The FCPA and other similar anti-bribery and anti-kickback laws and regulations generally prohibit companies and their intermediaries from making improper payments or offering anything of value to non-U.S. officials for the purpose of obtaining or retaining business. Our policies and our code of conduct mandate compliance with applicable law, including these laws and regulations.

Payment Card Industry Data Security Standard

The Payment Card Industry Data Security Standard sets forth standards for the secure handling by merchants of credit card data. Certain states have incorporated these requirements into state law. Our credit card agreements with our banks require that we comply with this standard and pay for any fines and assessments imposed by the credit card companies in the event of a compromise of card data. Such fines and assessments can be material.

Insurance and Risk Management

We use a combination of insurance and self-insurance for workers' compensation, general liability, property insurance, director and officers' liability insurance, vehicle liability and employee health-care benefits, among others. Liabilities associated with the risks that are retained by us are estimated, in part, by considering historical claims experience, demographic factors, severity factors and other actuarial assumptions. Where we have retained risk through self-insurance or similar arrangements, we utilize third-party firms to assist management in assessing the financial impact of risk retention.

Composition of the Board of Directors

Our business and affairs are managed under the direction of our Board of Directors. In connection with this offering, we will be amending and restating our certificate of incorporation to provide for a classified board of directors, with directors in Class I (expected to be), directors in Class II (expected to be) and directors in Class III (expected to be). See "Description of Capital Stock—Anti-Takeover Effects of Our Amended and Restated Certificate of Incorporation and Amended and Restated Bylaws and Certain Provisions of Delaware Law—Classified Board."

In addition, pursuant to the stockholders agreement we expect to enter into in connection with this offering, each of the Sponsors will have the right to designate nominees to our Board of Directors subject to the maintenance of certain ownership requirements in us. See "Certain Relationships and Related Party Transactions—Stockholders Agreement."

Background and Experience of Directors

When considering whether directors and nominees have the experience, qualifications, attributes or skills, taken as a whole, to enable our Board of Directors to satisfy its oversight responsibilities effectively in light of our business and structure, the Board of Directors focused primarily on each person's background and experience as reflected in the information discussed in each of the directors' individual biographies set forth above. We believe that our directors provide an appropriate mix of experience and skills relevant to the size and nature of our business.

In particular, the members of our Board of Directors considered the following important characteristics: (i) L. Reade Fahs, our Chief Executive Officer, has many years of executive experience in the optical retail industry, (ii) Nathaniel H. Taylor and Felix Gernburd have significant financial, investment and operational experience from their involvement in KKR & Co.'s investment in numerous portfolio companies and have played active roles in overseeing those businesses, (iii) D. Randolph Peeler has significant experience and expertise in private equity investments through his involvement in Berkshire's investments, and (iv) Mr. Tehle has many years of experience as the chief financial officer of a publicly held company and as a director of publicly held companies and has significant knowledge of financial reporting, internal controls and procedures and risk management.

Leadership Structure of our Board of Directors

Our amended and restated bylaws will provide our Board of Directors with flexibility to combine or separate the positions of Chairman of the Board and Chief Executive Officer in accordance with its determination that utilizing one or the other structure would be in the best interests of our Company. Upon completion of this offering, will serve as Chairman of the Board. L. Reade Fahs, our Chief Executive Officer, also serves as a director.

Our Board of Directors has concluded that our current leadership structure is appropriate at this time. However, our Board of Directors will continue to periodically review our leadership structure and may make such changes in the future as it deems appropriate.

Role of Board of Directors in Risk Oversight

Our Chief Executive Officer and other executive officers will regularly report to the non-executive directors and the audit committee to ensure effective and efficient oversight of our activities and to assist in proper risk management and the ongoing evaluation of management controls. Internal audit will report functionally and administratively to our Chief Financial Officer and directly to the audit committee. We believe that the leadership structure of our Board of Directors provides appropriate risk oversight of our activities given the controlling interests held by the Sponsors.

Controlled Company Exception

After the completion of this offering, the Sponsors will continue to beneficially own shares representing more than 50% of the voting power of our shares eligible to vote in the election of directors. As a result, we will be a "controlled company" within the meaning of the corporate governance standards of NASDAQ. Under such corporate governance standards, a company of which more than 50% of the voting power is held by an individual, group or another company is a "controlled company" and may elect not to comply with certain corporate governance standards, including (1) the requirement that a majority of the Board of Directors consist of independent directors, (2) the requirement that we have a compensation committee that is composed entirely of independent directors with a written charter addressing the committee's purpose and responsibilities, (3) the requirement that we have a nominating/corporate governance committee that is composed entirely of independent directors with a written charter addressing the committee's purpose and responsibilities, and (4) the requirement for an annual performance evaluation of the nominating/corporate governance and compensation committees.

Following this offering, we intend to utilize these exemptions. As a result, following this offering, we will not have a majority of independent directors on our Board of Directors, will not have a compensation committee that is composed entirely of independent directors and will have no nominating/corporate governance committee. Also, our compensation committee will not be subject to annual performance evaluations. Accordingly, our stockholders will not have the same protections afforded to stockholders of companies that are subject to all of the corporate governance requirements of NASDAQ. In the event that we cease to be a "controlled company," we will be required to comply with these provisions within the transition periods specified in the corporate governance rules of NASDAQ.

Committees of our Board of Directors

Upon the listing of our shares on NASDAQ, our Board of Directors will have an audit committee and a compensation committee, each of which will operate under a charter that has been approved by our Board of Directors. Upon the listing of our shares on NASDAQ, copies of each committee's charter will be posted on our website, *www.nationalvision.com*. The reference to our website address does not constitute incorporation by reference of the information contained at or available through our website, and you should not consider it to be a part of this prospectus.

Audit Committee

We expect Mr. Tehle to qualify as an independent director under the corporate governance standards of NASDAQ and the independence requirements

of Rule 10A-3 of the Exchange Act. To the extent that our audit committee is not already composed of a majority of independent directors, our Board of Directors will appoint one or more additional independent directors to the audit committee within 90 days of the effective date of the registration statement of which this prospectus forms a part and, to the extent our audit committee is not then already entirely composed of independent directors, again within one year of the effective date of the registration statement of which this prospectus forms a part. The non-independent members of the audit committee will resign from the audit committee as the additional independent directors are added, so that, within one year of the effective date of the registration statement of which this prospectus forms a part, all of our audit committee members will be independent as such term is defined in Rule 10A-3(b)(1) under the Exchange Act and under the corporate governance standards of NASDAQ. We expect our Board of Directors to determine that Mr. Tehle qualifies as an "audit committee financial expert" as such term is defined in Item 407(d)(5) of Regulation S-K.

The purpose of the audit committee will be to prepare the audit committee report required by the SEC to be included in our proxy statement and to assist our Board of Directors in overseeing and monitoring (1) the quality and integrity of our financial statements, (2) our independent registered public accounting firm's qualifications and independence and (3) the performance of our independent registered public accounting firm.

Compensation Committee

Upon the completion of the offering, we expect to have a compensation committee consisting of . The purpose of the compensation committee is to assist our Board of Directors in discharging its responsibilities relating to (1) setting our compensation program and compensation of our executive officers and directors, (2) monitoring our incentive and equity-based compensation plans and (3) preparing the compensation committee report required to be included in our proxy statement under the rules and regulations of the SEC.

- provide overall levels of compensation that are competitive to attract, retain and motivate highly-qualified executives to continue to enhance long-term equity value; and
- foster a strong relationship between stockholder value and executive compensation by having a portion of compensation composed of equity-based incentive awards.

Program Design. Our executive compensation program has three main components: (1) base salary; (2) annual cash incentive compensation; and (3) long-term incentive awards. Each component is designed to be consistent with the Company's compensation philosophy.

Our compensation packages are designed to promote integrity, leadership, teamwork, ownership and initiative by our employees whose performance and responsibilities directly affect our results of operations. We strive to create competitive compensation packages for all employees that encourage them to achieve our long-term business goals without taking unnecessary risks. We believe that, to attract and retain senior executives, we must provide them with a competitive level of predictable compensation that rewards their continued service. We also believe that performance-based compensation plays a significant role in aligning senior executives' interests with those of our stockholders, and should be emphasized in the overall program structure. We motivate and reward NEOs for successfully executing our business strategy, and believe that a combination of both short-term and long-term compensation creates an optimal pay-for-performance environment.

As we transition from being privately held to publicly traded, we intend to critically evaluate our executive compensation program as frequently as circumstances require, to ensure that we maintain a competitive environment for talent and that our incentive programs are achieving their desired results. Consistent with prior practice, we do not intend to adhere to rigid formulas or react to short-term changes in business performance in determining the amount and mix of compensation elements.

Our Annual Compensation-Setting Process

Role of Our Board of Directors and the NVI Board. Our executive compensation and related issues are administered by our full Board of Directors and the board of NVI, or the NVI Board, which are composed of the same directors. Our Board of Directors is responsible for determining and approving equity compensation grants while the NVI Board determines other aspects of our compensation, including base salaries, and administers our Management Incentive Plan, or MIP. Our Board of Directors and the NVI Board are responsible for determining the compensation of our CEO and for reviewing and approving the compensation of other executive officers, as recommended by our CEO and Senior Vice President, Chief Human Resources Officer, or our Chief Human Resources Officer. At the beginning of each performance cycle, our Board of Directors or the NVI Board, as applicable, approve financial goals designed to align executive pay with company performance and stockholder interests, provide competitive pay opportunities dependent on performance, retain talent, create optimal stockholder value and mitigate material risk.

In connection with this offering, our Board of Directors will establish a compensation committee that will assume responsibility for overseeing key aspects of the executive compensation program, including (but not limited to) executive salaries, goals and payouts under the MIP, the size and structure of equity awards and any executive perquisites or other benefits.

Except where the context requires otherwise, the term "Board of Directors" as used in this "Executive Compensation" section refers to the Board of Directors of National Vision Holdings, Inc.

Role of Management. In setting executive compensation for 2016, our CEO and our Chief Human Resources Officer worked closely with the NVI Board in managing the executive compensation program and attended meetings of our Board of Directors. Our CEO made recommendations to the NVI Board regarding compensation for the executive officers other than himself. Our CEO and CFO also provided input in discussions regarding the financial goals for which annual incentive payouts under our MIP could be earned. Following this offering, the compensation committee of our Board of Directors will assume the responsibility that the NVI Board had in approving compensation decisions with respect to our NEOs.

Role of the Compensation Consultant. In early 2016, our Board of Directors retained Meridian Compensation Partners, LLC, or Meridian, an independent compensation consulting firm, to assist our Board of Directors regarding various executive compensation matters. During the year, Meridian assisted with development of an initial peer group for executive benchmarking purposes, conducted a study of compensation for our senior executives using the peer group and survey data, and consulted on various matters related to the annual and long-term incentive programs.

Use of Comparative Market Data. We aim to compensate our executive officers competitively in the market for executive talent. To gain a general understanding of current market compensation practices, our Board of Directors reviewed the findings as presented in the market study conducted by Meridian. The external market data reviewed during 2016 included proxy data from the peer group companies described below, which we refer to as the "Initial Peer Group," and a broad cross-section of general industry survey data from the executive compensation database of Aon Hewitt, a firm that provides, among other services, human capital and management consulting services.

The criteria used to select the Initial Peer Group focused on industry, business model, scope of operations (as measured by annual revenue and market capitalization), and performance results (as indicated by various earnings metrics). Because our business model spans both the retail and healthcare industries, the Initial Peer Group included companies in both segments.

The Initial Peer Group included the following 20 companies:

AAC Holdings, Inc.

Acadia Healthcare Company, Inc.

Alere Inc.

Align Technology Inc.

Brookdale Senior Living Inc.

Cabelas Inc.

Five Below, Inc.

Gildan Activewear Inc.

Haemonetics Corp.

Lululemon Athletica Inc.

Perfumania Holdings, Inc.

Surgery Partners, Inc.

Capital Senior Living Corp.

Ulta Salon, Cosmetics & Fragrance, Inc.

Carters Inc. Under Armour, Inc.

Cooper Companies Inc. VCA Inc.

Dentsply International Inc. West Pharmaceutical Services Inc.

As more fully described below under "—Compensation Elements," the NVI Board reviewed the compensation data provided by Meridian and set total compensation for our NEOs accordingly. The NVI Board did not target a specific percentile with respect to the Initial Peer Group in determining our NEOs' total compensation, nor did it establish a prescribed mix of pay for our executives.

Adoption of New Peer Group in October 2016. In September 2016, our Board of Directors concluded that our ongoing peer group should emphasize the health care aspects of our business yet still retain a "retail" component. In connection therewith, our Board of Directors asked Meridian to suggest revisions to the current

peer group. After reviewing alternatives, our Board of Directors approved a new peer group in October 2016, which we refer to as the "New Peer Group." Other than the health care industry emphasis, the size and performance criteria used to select the New Peer Group were the same as those used to develop the Initial Peer Group.

The New Peer Group consists of the following 15 companies, nine of which are also in the Initial Peer Group:

Alere Inc.*
Align Technology Inc.*
Amsurg Corp.

Columbia Sportswear Co. Cooper Companies Inc.*

Container Store Group
Dentsply Sirona Inc.*

Five Below Inc.*

Kate Spade & Co. Surgery Partners Inc.* Surgical Care Affiliates Inc.

Ulta Salon Cosmetics and Fragrances*

U.S. Physical Therapy Inc.

VCA Inc.*

West Pharmaceutical Services Inc.*

We expect to use the New Peer Group to benchmark total compensation for our NEOs, and to also serve as a baseline for reviewing the designs of our annual and long-term incentive programs, and our severance arrangements.

Compensation Elements

Base Salary

We believe it is important to provide a competitive fixed level of pay to attract and retain experienced and successful executives. In determining the amount of base salary that each NEO receives, we look to the executive's current compensation, time in position, any change in the executive's position or responsibilities, including complexity and scope and the relation of his or her position to those of other executives within the Company and in similar positions at peer companies. Base salaries are reviewed annually or at other times when appropriate and may be increased from time to time pursuant to such review.

Consistent with this approach, in April 2016, we adjusted the base salaries of each of our NEOs as follows:

Named Executive Officer	Original Base Salary			Adjusted Base Salary		
L. Reade Fahs	\$	592,250	\$	610,000		
J. Bruce Steffey	\$	515,000	\$	566,500		
Patrick R. Moore	\$	356,100	\$	380,000		
Mitchell Goodman	\$	310,000	\$	330,000		
John Vaught	\$	241,000	\$	280,000		

The base salaries of each of our NEOs were increased in April 2016, and Mr. Moore's base salary was further increased in September 2016 to \$400,000, to align with market pay levels.

Management Incentive Plan

We sponsor the MIP, which is an annual cash incentive program. The primary purpose of the MIP is to focus management on key measures that drive financial performance and to provide competitive bonus opportunities tied to the achievement of our financial and strategic growth objectives.

We believe that tying the NEOs' bonuses to company-wide performance goals encourages collaboration across the executive leadership team. For fiscal 2016, MIP awards were based on achievement of an EBITDA goal (with EBITDA for purposes of the MIP defined as Adjusted EBITDA (as defined in "Prospectus Summary—Summary Historical Consolidated Financial and Other Data"), plus MIP expense, change in the margin on unearned revenue, change in deferred revenue, interest income and parent company items, less new store pre-opening expenses and non-cash rent). The NVI Board has reserved the ability to adjust the actual EBITDA results to exclude the effects of unplanned or unusual items (whether favorable or unfavorable).

^{*} Represents companies that are also in the Initial Peer Group.

Each NEO's target annual bonus under the MIP is expressed as a percentage of his base salary and the target bonuses range from 32.5% to 60% of base salary. Actual MIP awards were calculated by multiplying each NEO's base salary by his payout percentage. MIP awards are earned at 100% of target if the Company achieved 2016 EBITDA of \$146.7 million. For fiscal 2016, there was a threshold level and seven additional levels of EBITDA achievement under the MIP, with Tier I being the target achievement level and Tier VII the maximum achievement level. Awards could be earned at more or less than target based on the pre-established scale set forth in the following table:

	Threshold	Tier I (Target)	Tier II	Tier III	Tier IV	Tier V	Tier VI	Tier VII (Maximum)	
		<u> </u>	9/	Attainment o	of EBITDA Tai	get		` _	
	94.1%	100%	102.7%	106.9%	112.2%	118.5%	125.2%	131.9%	
Named Executive Officer		Payout Percentages							
L. Reade Fahs	15%	60%	70%	90%	110%	130%	150%	170%	
J. Bruce Steffey	15%	60%	70%	90%	110%	130%	150%	170%	
Patrick R. Moore	13.125%	50%	58.75%	76.25%	93.75%	111.25%	128.75%	146.25%	
Mitchell Goodman	13.125%	50%	58.75%	76.25%	93.75%	111.25%	128.75%	146.25%	
John Vaught	11.25%	32.5%	40%	55%	70%	85%	100%	115%	

For performance percentages between the specified threshold, target, and other tier levels, payouts were interpolated on a straight-line basis.

Notwithstanding the establishment of the EBITDA goal and the scale for determining the resulting MIP awards earned, as described above, the NVI Board had the ability to exercise positive or negative discretion and award a greater or lesser amount to our NEOs than the amount determined by the scale above if it determined that circumstances so warranted. The NVI Board did not exercise such discretion in fiscal 2016.

For fiscal 2016, the Company's EBITDA achieved was \$154.8 million, resulting in a payout percentage of 83% of base salary for each of Messrs. Fahs and Steffey, 70% of base salary for each of Messrs. Moore and Goodman and 50% of base salary for Mr. Vaught. Each of the NEOs earned MIP awards for fiscal 2016 as follows, which are included in the "Non-Equity Incentive Plan Compensation" column of the "Summary Compensation Table" below.

				Achievement Factor as a				
Named Executive Officer	2	2016 Base Salary	Bonus Target Percentage	В	onus Target Amount	Percentage of Target Amount	Α	Actual MIP Award
L. Reade Fahs	\$	605,221	60%	\$	363,133	139%	\$	503,074
J. Bruce Steffey	\$	552,635	60%	\$	331,581	139%	\$	459,363

Mitchell Goodman	\$	324,615	50%	\$	162,308	140%	\$	227,984
John Vaught	\$	267,250	32.5%	\$	86,856	153%	\$	133,202

Long-Term Incentive Awards

In 2014, our Board of Directors and stockholders of the Company approved the 2014 Stock Incentive Plan for Key Employees of Nautilus Parent, Inc. and its Subsidiaries, or the 2014 Stock Incentive Plan. The principal purpose of the 2014 Stock Incentive Plan is to promote our long term financial interests and growth by attracting and retaining management and other employees and key service providers, motivate management by means of growth-related incentives to achieve long range goals and further align interests of participants with those of our stockholders. As of December 31, 2016, only stock options have been granted to any of the NEOs under the 2014 Stock Incentive Plan. See "—Equity Incentive Plans—2014 Stock Incentive Plan" for a description of the 2014 Stock Incentive Plan.

Full 2014 Grants. Each of our NEOs received option grants in full year 2014, which we refer to as the "2014 Options." On March 13, 2014, our Board of Directors granted each of Messrs. Fahs, Steffey, Goodman and Vaught an option to purchase 3,000,000, 1,500,000, 700,000 and 330,000 shares of our common stock, respectively. In connection with being hired by us, on September 16, 2014, our Board of Directors granted Mr. Moore an option to purchase 525,000 shares of our common stock. Both the March and September grants

were made pursuant to our 2014 Stock Incentive Plan, with an exercise price of \$5.00 per share, which the Board of Directors determined was at least equal to the fair market value on the date of grant. The 2014 Options consist of 40% time-based and 60% performance-based options. For additional information regarding the 2014 Options, see "Narrative to Summary Compensation Table and 2016 Grants of Plan-Based Awards—Equity Awards" below.

Payments for Pre-Acquisition Options and Rollover Options. Certain outstanding options to acquire stock that were issued prior to our acquisition by affiliates of KKR Sponsor, whether or not fully vested, became fully vested immediately prior to such acquisition and were either rolled over into options to purchase shares of our common stock or canceled and converted into cash payments, based on the difference between the change in control price and the option's exercise price.

Certain of our executives, including Mr. Vaught, rolled over a portion of their pre-acquisition outstanding options into options to purchase shares of our common stock. These "rollover options" were fully vested as of their date of grant and remain outstanding in accordance with the terms of the governing stock incentive plans and grant agreements and a separate rollover option agreement entered into with each of the individual option holders, including Mr. Vaught. However, in connection with our acquisition by affiliates of KKR Sponsor, the exercise price and number of shares underlying the rollover options were adjusted as a result of the acquisition, including for Mr. Vaught, whose exercise price for such options was adjusted to \$1.23 per option. For additional information regarding the options, see "Narrative to Summary Compensation Table and 2016 Grants of Plan-Based Awards—Equity Awards" below.

As provided under the plan and related award agreements, the exercise price of options is subject to reduction to reflect cash dividends paid after the grant date. In connection with extraordinary dividends paid in June 2015 and February 2017, the exercise prices of the options granted to our NEOs were reduced. In February 2017, our Board of Directors approved a cash dividend payable to holders of our common stock, which we refer to as the "2017 Dividend," of \$1.514 per share, which we refer to as the "2017 Dividend Amount." To equitably reflect the impact of the 2017 Dividend on the holders of outstanding options, our Board of Directors approved cash payments to be made with respect to rollover options and vested options and approved reductions of the exercise price for unvested options as follows. Holders of vested options and rollover options received a one-time cash payment equal to the number of rollover options and/or vested options held by such holder, as applicable, multiplied by an amount equal to the 2017 Dividend Amount, less any applicable withholding taxes. The per share exercise prices of unvested options were reduced by an amount equal to the 2017 Dividend Amount to the extent the per share exercise price could be reduced under applicable tax rules.

For additional information regarding the options, see "Narrative to Summary Compensation Table and 2016 Grants of Plan-Based Awards—Equity Awards" below.

Perquisites and Other Benefits

Our team members, including the NEOs, are eligible for specified benefits, such as group health, dental, disability and life insurance. These benefits are intended to provide competitive and adequate protection in case of sickness and the NEOs participate in these plans on the same basis as all other team members.

We provide specified perquisites to our NEOs when appropriate, including relocation as required. We also provide our executives, including our NEOs, with additional basic life insurance coverage and supplemental long-term disability insurance. In addition, we provide our CEO with tax accounting services and a Young Presidents' Organization, or YPO, membership. These perquisites are intended to enable us to attract and retain highly qualified employees for key positions and are believed to be reasonable and consistent with our overall compensation program. The value of these perquisites and other personal benefits are reflected in the "All Other Compensation" column to the "Summary Compensation Table" and the accompanying footnotes.

Retirement Benefits

Our eligible U.S. employees, including our NEOs, participate in the National Vision, Inc. 401(k) Retirement Savings Plan, or the 401(k) Plan. Eligible employees are eligible to enroll in the 401(k) Plan during the first month following three months of service with the Company. Under the 401(k) Plan, we match 50% of the first 3% of a participant's contributions. The Company's matching contributions vest pro rata over each of the following four years of employment with the Company.

Severance Benefits

The Company provides severance benefits to its executives in order to offer competitive total compensation packages and to be competitive in the Company's executive attraction and retention efforts. The National Vision, Inc. Severance Plan, or the Severance Plan, in which all of our NEOs participate, provides for severance payments and benefits to executives upon a qualifying termination of employment. In addition, Messrs. Fahs, Steffey and Goodman participate in the Executive Supplement to the Severance Plan. Mr. Moore also became eligible to participate in the Executive Supplement in March 2017.

In the event of a qualifying termination (as defined in the Severance Plan), participating executives are generally eligible to receive severance in an amount equal to 12 months of such executive's annual base salary, payable over a 12-month period. Executives who participate in the Executive Supplement are eligible to receive extended severance of 24-months of annual base salary, plus an additional payment equal to 30% of annual base salary, all payable over a 24-month period. The Severance Plan also provides for payments of COBRA premiums for up to a 12-month period following a qualifying termination.

As a condition to receiving any severance payments and benefits under the Severance Plan, executives are required to execute a severance agreement which includes a release of claims against the Company and certain restrictive covenants.

See "Potential Payments upon Termination or Change in Control," which describes the payments to which each of the NEOs may be entitled under the Severance Plan and the Executive Supplement.

Tax and Accounting Considerations

We consider the effect of tax, accounting and other regulatory requirements in designing and implementing compensation programs so that our programs meet regulatory requirements and efficiently deliver compensation. While these factors may impact plan designs, ultimately, decisions reflect the pay strategy of the Company and the program intent.

Section 162(m) of the Internal Revenue Code of 1986, as amended, or the Code, generally disallows tax deductions to publicly-held companies for individual compensation over \$1 million paid to certain executive officers in a taxable year. Compensation above \$1 million may be deducted if it is "performance-based compensation" within the meaning of the Code. This rule does not yet apply to us, but will after our initial public offering following the transition period outlined below.

Following this offering, we expect to be able to claim the benefit of a special exemption rule that applies to compensation paid (or compensation in respect of equity awards such as stock options or restricted stock granted) during a specified transition period under Section 162(m). This transition period may extend until the first annual stockholders meeting that occurs after the end of the third calendar year following the calendar year in which this offering occurs, unless the transition period is terminated earlier under the Section 162(m) post-offering transition rules. At such time as we are subject to the deduction limitations of Section 162(m), we expect that the compensation committee will take the deductibility limitations of Section 162(m) into account in its compensation decisions; however, the compensation committee may, in its judgment, authorize compensation payments that are not exempt under Section 162(m) when it believes that such payments are appropriate to attract or retain talent.

Narrative to Summary Compensation Table and 2016 Grants of Plan-Based Awards

Equity Awards

Each of our NEOs is party to a Management Stockholder's Agreement with us. The Management Stockholder's Agreement, along with a Sale Participation Agreement, an Option Agreement and, with respect to Mr. Vaught, an Option Rollover Agreement, generally govern each NEO's rights with respect to shares of common stock of the Company held by such NEO, such NEO's 2014 Options and, with respect to Mr. Vaught, his rollover options, and contain certain rights and obligations of the parties thereto with respect to vesting, transfer restrictions, put and call rights, tag-along rights, drag-along rights, registration rights and rights of first refusal, and certain other matters.

Vesting Terms

The 2014 Options granted to our NEOs consist of 40% time-based and 60% performance-based options. The time-based options vest as to 20% of the shares subject to such option on each anniversary of the closing date of our acquisition by affiliates of KKR Sponsor, such that all of the shares subject to such time-based options will be vested and exercisable on March 13, 2019, the fifth anniversary of the closing date of our acquisition by affiliates of KKR Sponsor, subject to the holder continuing to provide services through such vesting date. The performance-based options are eligible to vest upon (i) a change in control (as defined in our 2014 Stock Incentive Plan), (ii) extraordinary dividend payment(s), (iii) a sale of shares by affiliates of KKR Sponsor into the public market (including the sale of shares by affiliates of KKR Sponsor in connection with this initial public offering) or (iv) any other event or transaction (or series of events or transactions) wherein affiliates of KKR Sponsor receive cash, on a cumulative basis, in respect of their shares, which we refer to as a "Realization Event." Upon each date that a Realization Event occurs, a percentage of the performance-based options will vest if affiliates of KKR Sponsor receive proceeds that result in the achievement of a cumulative internal rate of return equal to at least 20% and:

- If the multiple of invested capital, or MOIC, achieved is less than two times, no portion of the performance-based options will vest;
- If the MOIC achieved is equal to two times, then 25% of the performance-based options will vest; and
- If the MOIC achieved is greater than two times, then an additional percentage of the performance-based options above 25% will vest with up to 100% of the performance-based options becoming vested upon the achievement of a MOIC equal to or greater than 5x based on the following formula: the product of (x)(1) the actual MOIC received as of the given Realization Event minus (2) the MOIC equal to two, and (y) 25%.

Mr. Vaught's rollover options were fully vested as of their date of grant.

Put Rights.

Prior to the later of (1) March 13, 2019 and (2) a change of control (as defined in the Management Stockholder's Agreement), if an NEO's employment is terminated as a result of death or disability, then such NEO has a right, subject to specified limitations and for a specified period following such termination, to cause the Company to repurchase all or any vested options for an amount equal to the product of (x) the excess, if any, of fair market value on the repurchase calculation date (as defined in the Management Stockholder's Agreement) of a share underlying the option over the exercise price and (y) the number of options. We refer to this calculation as the "Option Formula."

Call Rights Regarding the NEOs' Vested 2014 Options.

Prior to the later of (1) March 13, 2019 and (2) a change of control, if an NEO's employment is terminated for any reason, or in the event of a breach by an NEO of the Management Stockholder's Agreement, including a restrictive covenant violation, the Company has the right, for a specified period following the termination of such NEO's employment, to purchase all of such NEO's vested options as follows:

Triggering Event	Call Price
Death or Disability	Option Formula
Termination for Cause	Options are terminated without payment
Termination Without Cause or for Good Reason	Option Formula
Termination Without Good Reason Prior to March 13, 2017 (other than due to death or Disability)	Options are terminated without payment
Termination Without Good Reason on or After March 13, 2017 (other than due to death or Disability)	Option Formula
Material Breach of Management Stockholder's Agreement	Options are terminated without payment

Call Rights Regarding Mr. Vaught's Rollover Options.

Prior to the later of (1) March 13, 2019 and (2) a change of control, if Mr. Vaught's employment is terminated for any reason, or in the event of a breach by Mr. Vaught of the Management Stockholder's Agreement, including a restrictive covenant violation, the Company has the right, for a specified period following the termination of such NEO's employment, to purchase all of Mr. Vaught's vested rollover options as follows:

Triggering Event	Call Price
Death or Disability	Option Formula
Termination for Cause	Option Formula
Termination Without Cause or for Good Reason	Option Formula
Termination Without Good Reason Prior to March 13, 2017 (other than due to death or Disability)	Option Formula
Termination Without Good Reason on or After March 13, 2017 (other than due to death or Disability)	Option Formula
Material Breach of Management Stockholder's Agreement	Option Formula

Restrictive Covenants

In addition, our NEOs have agreed to specified restrictive covenants, including an indefinite confidentiality covenant, and covenants related to non-disparagement, non-competition and non-solicitation of our employees, consultants and independent contractors at all times during the NEO's employment, and for eighteen months thereafter.

Additional terms regarding the equity awards are summarized above under "Compensation Discussion and Analysis—Compensation Elements—Long-Term Incentive Awards" and under "Potential Payments upon Termination or Change in Control" below. See also "Certain Relationships and Related Party Transactions" for additional information regarding the Management Stockholder's Agreements.

⁽¹⁾ The numbers in this column represent vested and exercisable time-based options and, for Mr. Vaught, also represent vested and exercisable rollover options.

- (3) The numbers in this column represent unvested outstanding performance-based options, which ordinarily become vested pursuant to the vesting schedule described above under "Narrative to Summary Compensation Table and 2016 Grants of Plan-Based Awards—Equity Awards—Vesting Terms." None of the outstanding performance-based options have vested.
- (4) In connection with our acquisition by affiliates of KKR Sponsor, the exercise price of Mr. Vaught's rollover options was adjusted to \$1.23 per option. The exercise price for Mr. Vaught's rollover options was further adjusted in 2015 as a result of an extraordinary dividend payment to \$0.84 per option. The exercise prices for outstanding time-based and performance-based options were also adjusted as a result of the 2015 extraordinary dividend payment as follows: unvested time-based and performance-based options were adjusted to \$3.68 per option and vested time-based options were adjusted to \$4.18 per option. As described under "Long-Term Incentive Awards—Payments for Pre-Acquisition Options and Rollover Options" above, the exercise prices for outstanding unvested time-based and performance-based options were further adjusted in 2017 to \$2.16 per option as a result of an extraordinary dividend payment.
- (5) The expiration date shown is the normal expiration date occurring on the tenth anniversary of the grant date. Options may terminate earlier in certain circumstances, such as in connection with an NEO's termination of employment or in connection with certain corporate transactions, including a change in control of the Company.
- (6) Represents the original grant date of Mr. Vaught's rollover options. See "—Compensation Discussion and Analysis—Compensation Elements—Long-Term Incentive Awards."

2016 Option Exercises and Stock Vested

The following table provides information regarding options exercised by the NEOs during the fiscal year ended December 31, 2016.

	Option Awards	
Name	Number of Shares Acquired on Exercise (#)	Value Realized on Exercise (\$) ⁽¹⁾
L. Reade Fahs	240,000	244,028
J. Bruce Steffey	_	_
Patrick R. Moore	_	_
Mitchell Goodman	_	_
John Vaught	_	_

⁽¹⁾ Represents the difference between the fair market value of the shares acquired on exercise, as determined by the most current valuation of our common stock prior to such exercise, and the exercise price of the option.

⁽²⁾ The numbers in this column represent unvested outstanding time-based options, which ordinarily vest as to 20% of the shares subject to such options on each anniversary of March 13, 2014, the closing date of the KKR Acquisition. The first 20% of the time-based options granted in 2014 vested on March 13, 2015 and the second 20% vested on March 13, 2016.

Vesting of the time-based options will be accelerated upon a change in control that occurs while the executive is still employed by us, as described under "Potential Payments upon Termination or Change in Control—2014 Options" below.

2016 Pension Benefits

We have no defined pension benefit plans for our executive officers.

2016 Non-Qualified Deferred Compensation

We have no non-qualified defined contribution or other non-qualified deferred compensation plans for our executive officers.

Potential Payments upon Termination or Change in Control

The following section describes the payments and benefits that may become payable to the NEOs in connection with their termination of employment and/or a change in control. All such payments and benefits will be paid or provided by us or National Vision, Inc. For purposes of this section, we have assumed that (1) the price per share of our common stock on December 30, 2016, the last business day of fiscal 2016, is equal to \$7.57, the valuation of our common stock as of September 30, 2016, which is the date of the most current valuation prior to December 31, 2016, (2) we do not exercise any discretion to accelerate the vesting of outstanding options in connection with a change in control, and (3) the value of any stock options that may be accelerated is equal to the full value of such awards (i.e., the full "spread" value for stock options as of December 31, 2016).

Severance Plan

The Severance Plan provides for severance payments and benefits to eligible employees, including our NEOs, upon a qualifying termination of employment, which includes a termination of employment for one or more of the following reasons, as determined by the Company: (1) lack of work, (2) reorganization, (3) business necessity, (4) economic condition, (5) termination of employment by us without "Cause" or (6) termination of employment by the executive for "Good Reason." In the event of a qualifying termination of employment, the Severance Plan provides for the following payments and benefits:

- Severance in an amount equal to 12 months of the executive's annual base salary, payable over the 12-month period
 following the date of such qualifying termination; and
- If the executive has executed a non-compete and restrictive covenant agreement, which we refer to as the "Non-Compete Agreement," with the Company on or after July 21, 2011, has not violated the Non-Compete Agreement and has properly elected COBRA continuation coverage, Company-paid COBRA premiums for up to 12 months, which we refer to as the "COBRA Benefit."

Certain executives who are designated by our Board of Directors and participate in the Company's MIP are eligible for certain severance payments and benefits in lieu of the severance payments and benefits described above in the event of a qualifying termination of employment pursuant to an Executive Supplement to the Severance Plan. As of December 31, 2016, Messrs. Fahs, Steffey and Goodman were eligible to participate in the Executive Supplement to the Severance Plan. In March 2017, the Board of Directors also approved Mr. Moore's participation in the Executive Supplement. The payments and benefits under the Executive Supplement to the Severance Plan in the event of a qualifying termination of employment include the following:

- Severance in an amount equal to 24 months of the executive's annual base salary, payable over the 24-month period
 following the date of such qualifying termination;
- An amount equal to 30% of the executive's annual base salary, payable over the 24-month period following the date of such qualifying termination; and
- The COBRA Benefit.

As a condition to receiving severance payments and benefits under the Severance Plan, executives are required to execute a severance agreement which includes a release of claims against the Company and certain restrictive covenants. Such restrictive covenants include prohibiting the executive from:

- Disparaging the Company or any officer, director or employee of the Company;
- Disclosing or using any confidential information or trade secrets of the Company; and
- Engaging in any activities, directly or indirectly, which have the effect of disrupting the Company's operations or harming the Company's reputation with its customers, suppliers or employees.

If an executive is found to have violated the terms of the Severance Plan, severance agreement or Non-Compete Agreement, the Company may initiate proceedings to recover any severance payments the executive received under the Severance Plan.

Under the Severance Plan:

"Cause" generally means the following act(s) by an executive, after written notification to the executive by the Company of its demand for the executive to cure such act(s), and a failure by the executive to cure such act(s):

- Commission of an act or acts of fraud, dishonesty, gross negligence or willful misconduct of his or her duties that does, or could, if continued or repeated, result directly or indirectly in significant gain or personal enrichment to the executive at the expense of the Company or in injury to the Company;
- Commission of an act or acts constituting any felony or any criminal act involving moral turpitude, or any other criminal
 act involving dishonesty, disloyalty, fraud or theft with respect to the Company; or
- Material breach of any agreement under which he or she has committed to confidentiality, nondisclosure or nonsolicitation protections for the Company.

"Good Reason" generally means a termination of employment upon the occurrence (without express written consent of the executive) of any of the following acts by the Company, or failure by the Company to act, and such act or failure to act has not been corrected within thirty (30) days after the executive provides written notice to the Company of such act or failure to act:

- A significant, adverse change by the Company in the executive's employment responsibilities;
- A reduction in base salary;
- Relocation without the executive's consent to a location more than fifty (50) miles from the executive's principal office in the Atlanta metropolitan area, except for required travel on the Company's business; or
- Failure by the Company, without the executive's consent, to pay any portion of the executive's current compensation or
 any portion of an installment of deferred compensation within seven days of the date such compensation is due.

2014 Options

Effect of Change in Control on Vesting of Time-Based and Performance-Based Options

Upon a change in control (as defined below under "Equity Incentive Plans—2014 Stock Incentive Plan"), unvested time options would become immediately vested and exercisable. Upon a change in control, performance options would become vested and exercisable up to the following percentage (to the extent not already vested up to or in excess of the following percentage):

- · If the MOIC is less than two times, no portion of the performance-based options will vest;
- If the MOIC achieved is at least equal to two times, then 25% of the performance-based options will vest; and
- If the MOIC achieved is greater than two times, then an additional percentage of the performance-based options above 25% will vest with up to 100% of the performance-based options becoming vested upon the achievement of a MOIC equal to or greater than 4x based on the following formula: the product of (x)(i) the actual MOIC achieved on the change in control minus (ii) the MOIC equal to two, and (y) 37.5%.

Any portion of the performance-based options that do not vest on a change in control will immediately expire on the date of such change in control.

Effect of Death or Disability on Vesting of Time-Based Options

Upon a termination of an NEO's employment with the Company by reason of death or disability, the 20% portion of the time-based options that would have become exercisable on the next vesting date following the date of such termination of employment will become vested and exercisable.

Effect of Other Terminations of Employment on 2014 Options

Except as set forth above with respect to the effect of death or disability on vesting of time-based options, none of the unvested options held by the NEOs will become vested and exercisable following termination of employment with us for any reason and any option that is unvested as of the date of termination of employment will immediately expire.

The following table lists the payments and benefits that would have been triggered for each of our NEOs under the circumstances described below assuming that the applicable triggering event occurred on December 31, 2016.

Amounts reported for Messrs. Moore and Vaught represent 12 months of the executive's annual base salary. In March 2017, our Board of Directors approved Mr. Moore's participation in the Executive Supplement to the Severance Plan. Mr. Moore would have been entitled to a severance benefit of \$874,000 in the event of a qualifying termination of employment on December 31, 2016 if he had participated in the Executive Supplement as of such date.

IPO Equity Awards

In connection with this offering, we expect to grant special one-time equity awards to certain employees under the 2017 Omnibus Incentive Plan described below. Awards under the 2017 Omnibus Incentive Plan will be made at the discretion of the Committee (as defined below) and the terms of such awards have not yet been finalized.

⁽²⁾ The amounts reported represent the cost of providing each applicable NEO with COBRA continuation coverage for group health benefits for a period of 12 months following the date of termination.

⁽³⁾ The amounts reported represent accelerated vesting of unvested options as described above under "—2014 Options," and are based on our common stock having a fair market value of \$7.57 per share on September 30, 2016, the date of the most current valuation of our common stock prior to December 31, 2016. The amounts reported reflect the "spread" value of \$3.89 per share for the 2014 Options with an exercise price of \$3.68, representing the difference between the fair market value and the exercise price.

Equity Incentive Plans

The principal features of our equity incentive plans are summarized below. These summaries are qualified in their entirety by reference to the text of the plans or agreements, which are filed as exhibits to the registration statement.

2017 Omnibus Incentive Plan

Our board of directors expects to adopt, and we expect our stockholders to approve, the 2017 Omnibus Incentive Plan prior to the completion of the offering.

Purpose. The purpose of our 2017 Omnibus Incentive Plan is to provide a means through which to attract and retain key personnel and to provide a means whereby our directors, officers, employees, consultants and advisors can acquire and maintain an equity interest in us, or be paid incentive compensation, including incentive compensation measured by reference to the value of our common stock, thereby strengthening their commitment to our welfare and aligning their interests with those of our stockholders.

Administration. Our 2017 Omnibus Incentive Plan will be administered by the compensation committee of our board of directors or such other committee of our board of directors to which it has properly delegated power, or if no such committee or subcommittee exists, our board of directors (the "Committee"). The Committee is authorized to interpret, administer, reconcile any inconsistency in, correct any defect in and/or supply any omission in our 2017 Omnibus Incentive Plan and any instrument or agreement relating to, or any award granted under, our 2017 Omnibus Incentive Plan; establish, amend, suspend, or waive any rules and regulations and appoint such agents as the Committee deems appropriate for the proper administration of our 2017 Omnibus Incentive Plan; adopt sub-plans; and to make any other determination and take any other action that the Committee deems necessary or desirable for the administration of our 2017 Omnibus Incentive Plan. Except to the extent prohibited by applicable law or the applicable rules and regulations of any securities exchange or inter-dealer quotation system on which our securities are listed or traded, the Committee may allocate all or any portion of its responsibilities and powers to any one or more of its members and may delegate all or any part of its responsibilities and powers to any person or persons selected by it in accordance with the terms of our 2017 Omnibus Incentive Plan. Unless otherwise expressly provided in our 2017 Omnibus Incentive Plan, all designations, determinations, interpretations, and other decisions under or with respect to our 2017 Omnibus Incentive Plan or any award or any documents evidencing awards granted pursuant to our 2017 Omnibus Incentive Plan are within the sole discretion of the Committee, may be made at any time and are final, conclusive and binding upon all persons or entities, including, without limitation, us, any participant, any holder or beneficiary of any award, and any of our stockholders.

Awards Subject to our 2017 Omnibus Incentive Plan. Our 2017 Omnibus Incentive Plan provides that the total number of shares of common stock that may be issued under our 2017 Omnibus Incentive Plan is (the "Absolute Share Limit"). No more than the number of shares of common stock equal to the Absolute Share Limit may be issued in the aggregate pursuant to the exercise of incentive stock options. The maximum number of shares of common stock granted during a single fiscal year to any non-employee director, taken together with any cash fees paid to such non-employee director during the fiscal year, may not exceed in total value. Except for substitute awards (as described below), in the event any award expires or is cancelled, forfeited or terminated without issuance to the participant of the full number of shares to which the award related, the unissued shares of common stock may be granted again under our 2017 Omnibus Incentive Plan. Awards may, in the sole discretion of the Committee, be granted in assumption of, or in substitution for, outstanding awards previously granted by an entity directly or indirectly acquired by us or with which we combine (referred to as "substitute awards"), and such substitute awards will not be counted against the Absolute Share Limit, except that substitute awards intended to qualify as "incentive stock options" will count against the limit on incentive stock options described above. No award may be granted under our 2017 Omnibus Incentive Plan after the tenth anniversary of the effective date (as defined therein), but awards granted before then may extend beyond that date.

Options. The Committee may grant non-qualified stock options and incentive stock options, under our 2017 Omnibus Incentive Plan, with terms and conditions determined by the Committee that are not inconsistent with our 2017 Omnibus Incentive Plan; provided, that all stock options granted under our 2017 Omnibus Incentive Plan are required to have a per share exercise price that is not less than 100% of the fair market value of our common stock underlying such stock options on the date such stock options are granted (other than in the case

of options that are substitute awards), and all stock options that are intended to qualify as incentive stock options must be granted pursuant to an award agreement expressly stating that the options are intended to qualify as incentive stock options, and will be subject to the terms and conditions that comply with the rules as may be prescribed by Section 422 of the Code. The maximum term for stock options granted under our 2017 Omnibus Incentive Plan will be ten years from the initial date of grant, or with respect to any stock options intended to qualify as incentive stock options, such shorter period as prescribed by Section 422 of the Code. However, if a non-qualified stock option would expire at a time when trading of shares of our common stock is prohibited by our insider trading policy (or "blackout period" imposed by us), the term will automatically be extended to the 30th day following the end of such period. The purchase price for the shares as to which a stock option is exercised may be paid to us, to the extent permitted by law, (1) in cash or its equivalent at the time the stock option is exercised; (2) in shares having a fair market value equal to the aggregate exercise price for the shares being purchased and satisfying any requirements that may be imposed by the Committee (provided that such shares have been held by the participant for at least six months or such other period established by the Committee to avoid adverse accounting treatment); or (3) by such other method as the Committee may permit in its sole discretion, including, without limitation, (A) in other property having a fair market value on the date of exercise equal to the purchase price, (B) if there is a public market for the shares at such time, through the delivery of irrevocable instructions to a broker to sell the shares being acquired upon the exercise of the stock option and to deliver to us the amount of the proceeds of such sale equal to the aggregate exercise price for the shares being purchased or (C) through a "net exercise" procedure effected by withholding the minimum number of shares needed to pay the exercise price. Any fractional shares of common stock will be settled

Stock Appreciation Rights. The Committee may grant stock appreciation rights under our 2017 Omnibus Incentive Plan, with terms and conditions determined by the Committee that are not inconsistent with our 2017 Omnibus Incentive Plan. The Committee may award stock appreciation rights in tandem with options or independent of any option. Generally, each stock appreciation right will entitle the participant upon exercise to an amount (in cash, shares or a combination of cash and shares, as determined by the Committee) equal to the product of (1) the excess of (A) the fair market value on the exercise date of one share of common stock, over (B) the strike price per share, times (2) the number of shares of common stock covered by the stock appreciation right. The strike price per share of a stock appreciation right will be determined by the Committee at the time of grant but in no event may such amount be less than 100% of the fair market value of a share of common stock on the date the stock appreciation right is granted (other than in the case of stock appreciation rights granted in substitution of previously granted awards).

Restricted Shares and Restricted Stock Units. The Committee may grant restricted shares of our common stock or restricted stock units, representing the right to receive, upon vesting and the expiration of any applicable restricted period, one share of common stock for each restricted stock unit, or, in the sole discretion of the Committee, the cash value thereof (or any combination thereof). As to restricted shares of our common stock, subject to the other provisions of our 2017 Omnibus Incentive Plan, the holder will generally have the rights and privileges of a stockholder as to such restricted shares of common stock, including, without limitation, the right to vote such restricted shares of common stock. Participants have no rights or privileges as a stockholder with respect to restricted stock units.

Other Equity-Based Awards and Cash-Based Awards. The Committee may grant other equity-based or cash-based awards under our 2017 Omnibus Incentive Plan, with terms and conditions determined by the Committee that are not inconsistent with our 2017 Omnibus Incentive Plan.

Effect of Certain Events on the 2017 Omnibus Incentive Plan and Awards. In the event of (1) any dividend (other than regular cash dividends) or other distribution (whether in the form of cash, shares of common stock, other securities or other property), recapitalization, stock split, reverse stock split, reorganization, merger, consolidation, split-up, split-off, spin-off, combination, repurchase or exchange of shares of common stock or other securities, issuance of warrants or other rights to acquire shares of common stock or other securities, or other similar corporate transaction or event that affects the shares of common stock (including a change in control, as defined in our 2017 Omnibus Incentive Plan), or (2) unusual or nonrecurring events affecting the Company, including changes in applicable rules, rulings, regulations or other requirements, that the Committee determines, in its sole discretion, could result in substantial dilution or enlargement of the rights intended to be granted to, or available for, participants (any event in (1) or (2), an "Adjustment Event"), the Committee will, in respect of any such Adjustment Event, make such proportionate substitution or adjustment, if any, as it deems

equitable, to any or all of: (A) the Absolute Share Limit, or any other limit applicable under our 2017 Omnibus Incentive Plan with respect to the number of awards which may be granted thereunder, (B) the number of shares of common stock or other securities of the Company (or number and kind of other securities or other property) which may be issued in respect of awards or with respect to which awards may be granted under our 2017 Omnibus Incentive Plan or any sub-plan and (C) the terms of any outstanding award, including, without limitation, (1) the number of shares of common stock or other securities of the Company (or number and kind of other securities or other property) subject to outstanding awards or to which outstanding awards relate, (2) the exercise price or strike price with respect to any award, or (c) any applicable performance measures; provided, that in the case of any "equity restructuring," the Committee will make an equitable or proportionate adjustment to outstanding awards to reflect such equity restructuring. In connection with any change in control, the Committee may, in its sole discretion, provide for any one or more of the following: (1) a substitution or assumption of awards, or to the extent the surviving entity does not substitute or assume the awards, the acceleration of vesting of, the exercisability of, or lapse of restrictions on awards and (2) cancellation of any one or more outstanding awards and payment to the holders of such awards that are vested as of such cancellation (including any awards that would vest as a result of the occurrence of such event but for such cancellation) the value of such awards, if any, as determined by the Committee (which value, if applicable, may be based upon the price per share of common stock received or to be received by other holders of our common stock in such event), including, in the case of stock options and stock appreciation rights, a cash payment equal to the excess, if any, of the fair market value of the shares of common stock subject to the option or stock appreciation right over the aggregate exercise price or strike price thereof.

Nontransferability of Awards. Each award will not be transferable or assignable by a participant other than by will or by the laws of descent and distribution and any such purported assignment, alienation, pledge, attachment, sale, transfer or encumbrance will be void and unenforceable against us or any of our subsidiaries. However, the Committee may, in its sole discretion, permit awards (other than incentive stock options) to be transferred, including transfers to a participant's family members, any trust established solely for the benefit of a participant or such participant's family members, any partnership or limited liability company of which a participant, or such participant and such participant's family members, are the sole member(s), and a beneficiary to whom donations are eligible to be treated as "charitable contributions" for tax purposes.

Amendment and Termination. Our board of directors may amend, alter, suspend, discontinue, or terminate our 2017 Omnibus Incentive Plan or any portion thereof at any time; provided, that no such amendment, alteration, suspension, discontinuance or termination may be made without stockholder approval if (1) such approval is necessary to comply with any regulatory requirement applicable to our 2017 Omnibus Incentive Plan or for changes in GAAP to new accounting standards; (2) it would materially increase the number of securities which may be issued under our 2017 Omnibus Incentive Plan (except for adjustments in connection with certain corporate events); or (3) it would materially modify the requirements for participation in our 2017 Omnibus Incentive Plan; provided, further, that any such amendment, alteration, suspension, discontinuance or termination that would materially and adversely affect the rights of any participant or any holder or beneficiary of any award will not to that extent be effective without such individual's consent.

The Committee may, to the extent consistent with the terms of any applicable award agreement, waive any conditions or rights under, amend any terms of, or alter, suspend, discontinue, cancel or terminate, any award granted or the associated award agreement, prospectively or retroactively (including after a participant's termination); provided, that, except as otherwise permitted in our 2017 Omnibus Incentive Plan, any such waiver, amendment, alteration, suspension, discontinuance, cancellation or termination that would materially and adversely affect the rights of any participant with respect to such award will not to that extent be effective without such individual's consent; provided, further, that without stockholder approval, except as otherwise permitted in our 2017 Omnibus Incentive Plan, (1) no amendment or modification may reduce the exercise price of any option or the strike price of any stock appreciation right; (2) the Committee may not cancel any outstanding option or stock appreciation right and replace it with a new option or stock appreciation right (with a lower exercise price or strike price, as the case may be) or other award or cash payment that is greater than the value of the cancelled option or stock appreciation right; and (3) the Committee may not take any other action which is considered a "repricing" for purposes of the stockholder approval rules of any securities exchange or interdealer quotation system on which our securities are listed or quoted.

Dividends and Dividend Equivalents. The Committee in its sole discretion may provide part of an award with dividends or dividend equivalents, on such terms and conditions as may be determined by the Committee in its sole discretion. Unless otherwise provided in the award agreement, any dividend payable in respect of any share of restricted stock that remains subject to vesting conditions at the time of payment of such dividend will be retained by the Company and remain subject to the same vesting conditions as the share of restricted stock to which the dividend relates.

Clawback/Repayment. All awards are subject to reduction, cancellation, forfeiture or recoupment to the extent necessary to comply with (1) any clawback, forfeiture or other similar policy adopted by our board of directors or the Committee and as in effect from time to time, and (2) applicable law. To the extent that a participant receives any amount in excess of the amount that the participant should otherwise have received under the terms of the award for any reason (including, without limitation, by reason of a financial restatement, mistake in calculations or other administrative error), the participant will be required to repay any such excess amount to the Company.

2014 Stock Incentive Plan

Our Board of Directors initially adopted the 2014 Stock Incentive Plan on March 13, 2014 and it was approved by our stockholders on March 13, 2014. The 2014 Stock Incentive Plan was subsequently amended by our Board of Directors and our stockholders on November 9, 2015 and June 5, 2017 to increase the share reserve. The principal purpose of the 2014 Stock Incentive Plan is to promote our long term financial interests and growth by attracting and retaining management and other employees and key service providers, motivate management by means of growth-related incentives to achieve long range goals and further the alignment of interests of participants with those of our stockholders.

Types of awards. The 2014 Stock Incentive Plan provides for the grant of stock options and other stock-based awards to employees, non-employee members of our Board of Directors, consultants, and other persons having a service relationship with us.

Share reserve. We have reserved an aggregate of 21,607,000 shares of our common stock for issuance under our 2014 Stock Incentive Plan. As of December 31, 2016, options to purchase a total of 18,273,889 shares of common stock were issued and outstanding (excluding rollover options), 696,634 shares of common stock had been issued upon the exercise of options granted under the 2014 Stock Incentive Plan and 436,477 shares remained available for future grants.

Administration. Our Board of Directors or, to the extent appointed by the Board of Directors, a committee thereof, which we refer to as the "Administrator," administers our 2014 Stock Incentive Plan. The Administrator may delegate to the Chief Executive Officer and to other senior officers (if any) its duties under the 2014 Stock Incentive Plan, subject to applicable law and such conditions and limitations as the Administrator prescribes, except that only the Administrator may designate and make grants to participants.

Awards. Our 2014 Stock Incentive Plan provides that the Administrator may grant or issue stock options or other stock-based awards. Each award will be set forth in a separate agreement with the person receiving the award and will set forth the terms, conditions and limitations applicable to the award.

- Stock options provide for the right to purchase shares of our common stock at a specified price, which may not be less than fair market value on the date of grant, and usually will become exercisable (at the discretion of the Administrator) in one or more installments after the grant date, subject to the participant's continued employment or service with us and/or subject to the satisfaction of performance targets established by the Administrator. Stock options may be granted for any term specified by the Administrator that does not exceed ten years from the grant date.
- Other stock-based awards may include awards of shares, awards of restricted shares and/or awards that are valued by
 reference to, or otherwise based on the fair market value of, shares (including, without limitation, restricted stock units,
 stock appreciation rights, and dividend equivalent rights).

Payment. The exercise price of stock options granted under our 2014 Stock Incentive Plan may be paid for in cash, by wire transfer, or if the participant so elects and, if applicable, with the consent of the Administrator, in shares the participant has held for such period of time as required by the Company's accountants or through the withholding of shares otherwise issuable upon the exercise of the stock option (in each case, any such shares valued at fair market value on the date of exercise).

Transfer. Our 2014 Stock Incentive Plan does not allow for the transfer of awards other than by will or the laws of descent and distribution

Certain events. In the event of any stock split, spin-off, share combination, reclassification, change of the legal form, recapitalization, liquidation, dissolution, reorganization, merger, payment of a dividend (other than a cash dividend paid as part of a regular dividend program) or other similar transaction or occurrence, the Administrator shall make appropriate adjustments to the number and kind of shares available under our 2014 Stock Incentive Plan, the share prices related to outstanding grants, and/or such other action as it deems necessary to address the effect of the applicable corporate event.

Change in control. In the event of a "change in control" (as defined below), unless otherwise provided in an applicable grant agreement, the Administrator (in its sole discretion) may provide that all outstanding awards that are unexercisable or otherwise unvested or subject to lapse restrictions as of immediately prior to such change in control may automatically become fully exercisable or otherwise vested or no longer subject to lapse restrictions, as the case may be. In addition, the Administrator (in its sole discretion) may: (i) provide that awards shall be canceled for fair market value, (ii) provide for the issuance of substitute awards that will preserve in no less favorable a manner the otherwise applicable terms of any affected grants, and/or (iii) provide that for a period of at least ten business days prior to the change in control, any stock options and stock appreciation rights shall be exercisable as to all shares subject thereto and that upon the occurrence of the change in control, such stock options and stock appreciation rights shall terminate. The treatment of grants is not required to be uniform among participants or types of grants outstanding. "Change in control" under our 2014 Stock Incentive Plan means (i) the sale of all or substantially all of our assets or the assets of National Vision, Inc. (in one transaction or a series of related transactions) to any person (or group of persons acting in concert), other than to (x) KKR Sponsor and its affiliates or (y) any employee benefit plan (or trust forming a part thereof) maintained by us or any of our controlled affiliates; or (ii) a merger, recapitalization or other sale of our common stock by us, KKR Vision Aggregator LP, KKR Sponsor or any of their affiliates, to any person (or group of persons acting in concert) that results in more than 50% of our common stock (or any resulting company after a merger) being held by a person (or group of persons acting in concert), that does not include (x) KKR Sponsor or its controlled affiliates or (y) an employee benefit plan (or trust forming a part hereof) maintained by us or our controlled affiliates; and in any event of clause (i) or (ii), which results in KKR Sponsor and its controlled affiliates or such employee benefit plan ceasing to hold the ability to elect a majority of the members of our Board of Directors or the Board of Directors of National Vision, Inc.

Amendment; termination. Our Board of Directors may amend, suspend or terminate our 2014 Stock Incentive Plan, but no amendment, suspension or termination may be materially disadvantageous to a holder of an outstanding grant without the holder's consent. In addition, other than with respect to certain actions in connection with adjustments or a change in control, no such action may be taken which would, without approval of our stockholders, increase the aggregate number of shares reserved for issuance under our 2014 Stock Incentive Plan, decrease the exercise price of outstanding options or stock appreciation rights, change the requirements relating to the Administrator, or extend the term of the 2014 Stock Incentive Plan. Unless terminated sooner by our Board of Directors, our 2014 Stock Incentive Plan will terminate on March 13, 2024. No awards may be granted under our 2014 Stock Incentive Plan after it is terminated, but the terms of grants made on or before such termination shall extend beyond such termination in accordance with their terms.

United States Federal Income Tax Consequences

The following is a general summary of certain material U.S. federal income tax consequences of the grant, vesting, settlement and exercise of certain awards under the 2014 Stock Incentive Plan and the disposition of shares acquired pursuant to the exercise of such awards. This summary is intended to reflect the current provisions of the Code and is neither intended to be a complete statement of applicable law, nor does it address foreign, state, local or payroll tax considerations. This summary assumes that all awards granted under the 2014 Stock Incentive Plan are exempt from, or comply with, the rules under Section 409A of the Code related to non-qualified deferred compensation. Moreover, the U.S. federal income tax consequences to any particular holder may differ from those described herein by reason of, among other things, the particular circumstances of such holder.

Incentive Stock Options. An option granted as an "incentive stock option," or ISO, under Section 422 of the Code may
qualify for special tax treatment. The Code requires that, for treatment of an option as

an ISO, common stock acquired through the exercise of the option cannot be disposed of before the later of: (i) two years from the date of grant of the option or (ii) one year from the date of exercise. Holders of ISOs will generally incur no federal income tax liability at the time of grant or upon exercise of those options. However, the option "spread value" at the time of exercise will be an "item of tax preference," which may give rise to "alternative minimum tax" liability for the taxable year in which the exercise occurs. If the holder does not dispose of the shares before two years following the date of grant and one year following the date of exercise, the difference between the exercise price and the amount realized upon disposition of the shares will constitute long-term capital gain or loss, as applicable. Assuming both holding periods are satisfied, we will not be allowed a deduction for federal income tax purposes in connection with the grant or exercise of the ISO. If, within two years following the date of grant or within one year following the date of exercise, the holder of shares acquired through the exercise of an ISO disposes of those shares, with certain exceptions, the holder will generally realize ordinary income at the time of such disposition equal to the difference between the exercise price and the fair market value of a share on the date of exercise and that amount will generally be deductible by us for federal income tax purposes, subject to the possible limitations on deductibility under Sections 280G and 162(m) of the Code for compensation paid to executives designated in those Sections. Any additional gain or loss recognized upon a subsequent sale or exchange of the shares is treated as capital gain or loss, as applicable, for which we are not entitled to a deduction. Finally, if an otherwise qualified ISO first becomes exercisable in any one year for shares having an aggregate value in excess of \$100,000 (based on the grant date value), the portion of the ISO in respect of those excess shares will be treated as a non-qualified stock option for federal income tax purposes.

- Non-qualified Stock Options. In general, in the case of a non-qualified stock option, the holder has no federal income tax liability at the time of grant but realizes ordinary income upon exercise of the option in an amount equal to the excess, if any, of the fair market value of the shares acquired upon exercise over the exercise price. We will be able to deduct this same amount for federal income tax purposes, but such deduction may be limited under Sections 280G and 162(m) of the Code for compensation paid to certain executives designated in those Sections. Any gain or loss recognized upon a subsequent sale or exchange of the shares is treated as capital gain or loss, as applicable, for which we are not entitled to a deduction.
- Stock Appreciation Rights. No federal income tax liability will be realized by a holder upon the grant of a stock appreciation right, or SAR. Upon the exercise of a SAR, the holder will recognize ordinary income in an amount equal to the fair market value of the shares of stock or cash payment received in respect of the SAR. We will be able to deduct this same amount for federal income tax purposes, but such deduction may be limited under Sections 280G and 162(m) of the Code for compensation paid to certain executives designated in those Sections. Any gain or loss recognized upon a subsequent sale or exchange of the shares is treated as capital gain or loss, as applicable, for which we are not entitled to a deduction.
- Restricted Stock. A holder will not have any federal income tax liability upon the grant of an award of restricted stock unless the holder otherwise elects to be taxed at the time of grant pursuant to Section 83(b) of the Code. On the date an award of restricted stock becomes transferable or is no longer subject to a substantial risk of forfeiture, the holder will have ordinary income equal to the difference between the fair market value of the shares on that date over the amount the holder paid for such shares, if any, unless the holder made an election under Section 83(b) of the Code to be taxed at the time of grant. If the holder makes an election under Section 83(b) of the Code, the holder will have ordinary income at the time of grant equal to the difference between the fair market value of the shares on the date of grant over the amount the holder paid for such shares, if any. Any future appreciation in the common stock will be taxable to the holder at capital gains rates. However, if the restricted stock award is later forfeited, the holder will not be able to recover the tax previously paid pursuant to his Section 83(b) election. We will be able to deduct, at the same time as it is recognized by the holder, the amount of ordinary income to the holder for federal income tax purposes, but such deduction may be limited under Sections 280G and 162(m) of the Code for compensation paid to certain executives designated in those Sections. Special rules apply to the receipt and disposition of restricted stock received by officers and directors who are subject to Section 16(b) of the Exchange Act.

- Restricted Stock Units. A holder will not have any federal income tax liability at the time a restricted stock unit is granted. Rather, upon the delivery of shares (or cash) pursuant to a restricted stock unit award, the holder will have ordinary income equal to the fair market value of the number of shares (or the amount of cash) the holder actually receives with respect to the award. We will be able to deduct the amount of ordinary income to the holder for federal income tax purposes, but the deduction may be limited under Sections 280G and 162(m) of the Code for ordinary income paid to certain executives designated in those Sections. Any gain or loss recognized upon a subsequent sale or exchange of the stock (if settled in stock) is treated as capital gain or loss for which we are not entitled to a deduction.
- Stock Bonus Awards. A holder will have ordinary income equal to the difference between the fair market value of the shares on the date the common stock subject to the award is transferred to the holder over the amount the holder paid for such shares, if any. We will be able to deduct, at the same time as it is recognized by the holder, the amount of ordinary income to the holder for federal income tax purposes, but such deduction may be limited under Sections 280G and 162(m) of the Code for compensation paid to certain executives designated in those Sections. Any gain or loss recognized upon a subsequent sale or exchange of the stock is treated as capital gain or loss for which we are not entitled to a deduction.
- Other Stock-Based Awards. A holder will have ordinary income equal to the difference between the fair market value of the shares on the date the common stock subject to another stock-based award is transferred to the holder over the amount the holder paid for such shares, if any. We will be able to deduct, at the same time as it is recognized by the holder, the amount of ordinary income to the holder for federal income tax purposes, but such deduction may be limited under Sections 280G and 162(m) of the Code for compensation paid to certain executives designated in those Sections. Any gain or loss recognized upon a subsequent sale or exchange of the stock is treated as capital gain or loss for which we are not entitled to a deduction.
- Section 162(m). In general, Section 162(m) of the Code denies a publicly held corporation a deduction for federal income tax purposes for compensation in excess of \$1 million per year per person to its principal executive officer, and the three other officers (other than the principal executive officer and principal financial officer) whose compensation is disclosed in its prospectus or proxy statement as a result of their total compensation, subject to certain exceptions, including the "performance-based compensation" exception. Finally, under a special Code Section 162(m) exception, any compensation paid pursuant to a compensation plan in existence before the effective date of this offering will not be subject to the \$1,000,000 limitation until the earliest of: (1) the expiration of the compensation plan, (2) a material modification of the compensation plan (as determined under Code Section 162(m)), (3) the issuance of all the employer stock and other compensation allocated under the compensation plan, or (4) the first meeting of stockholders at which directors are elected after the close of the third calendar year following the year in which the offering occurs.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Stockholders Agreement

In connection with offering, we intend to enter into a stockholders agreement with the Sponsors. We intend to describe the material terms of this agreement in a subsequent pre-effective amendment to the registration statement of which this prospectus forms a part.

Registration Rights Agreement

In connection with the KKR Acquisition, we entered into a registration rights agreement with the Sponsors and with other persons who may become party thereto. Subject to certain conditions, the registration rights agreement provides certain affiliates of KKR Sponsor with an unlimited number of "demand" registrations, and provides certain affiliates of Berkshire with two "demand" registrations following an initial public offering. Under the registration rights agreement, all holders of registrable securities party thereto are provided with customary "piggyback" registration rights following an initial public offering, with certain exceptions. The registration rights agreement also provides that we will pay certain expenses of these holders relating to such registrations and indemnify them against certain liabilities which may arise under the Securities Act.

Monitoring Agreement

In connection with the KKR Acquisition, NVI entered into a monitoring agreement, or the Monitoring Agreement, with KKR Sponsor and Berkshire pursuant to which the Sponsors provide management and advisory services to NVI and receive fees and reimbursements of related out-of-pocket expenses. The Monitoring Agreement terminates automatically upon the consummation of an initial public offering, including this offering, unless NVI elects otherwise. In the event of such a termination, we would be required to pay to each of KKR Sponsor and Berkshire a termination fee based on the net present value of future payment obligations through December 31, 2023 under the Monitoring Agreement. In connection with the offering, the Monitoring Agreement will terminate automatically in accordance with its terms and we expect to pay termination fees to KKR Sponsor and Berkshire equal to approximately \$ in the aggregate.

We recorded the following expenses related to management and/or advisory fees: we paid management and/or advisory fees of \$0.8 million to KKR Sponsor and \$0.2 million to Berkshire in fiscal year 2016, \$3.5 million to KKR Sponsor and \$0.2 million to Berkshire in fiscal year 2015 and \$1.7 million to KKR Sponsor and \$0.2 million to Berkshire in the 2014 Successor period. In addition, we paid management and/or advisory fees of \$0.2 million to KKR Sponsor and \$35,000 to Berkshire in the 2014 Predecessor period and paid advisory fees of \$0.5 million per year to Berkshire in fiscal year 2013 and fiscal year 2012. Fees paid to KKR Sponsor and Berkshire include retainer fees and certain other ongoing project-oriented initiatives and are presented in selling, general and administrative expenses in our consolidated statements of operations and comprehensive income (loss), with the exception of \$2.1 million in fees paid to KKR Sponsor and its affiliates for expenses related to new debt issued during the second quarter of fiscal year 2015, which are recorded in debt issuance costs in our consolidated statements of operating and comprehensive income (loss).

Transaction Fee Agreements

In March 2014, we entered into transaction fee letter agreements with each of KKR Sponsor and Berkshire, pursuant to which we paid approximately \$9.1 million and \$2.1 million, respectively, for consultation services rendered in connection with the KKR Acquisition.

Indemnification Agreement

In connection with the KKR Acquisition, we and certain of our subsidiaries entered into an indemnification agreement, or the Indemnification Agreement, with each of KKR Sponsor and Berkshire, whereby the parties agreed to customary exculpation and indemnification provisions in favor of KKR Sponsor and Berkshire in connection with certain transactions, including in connection with the services provided under the Monitoring Agreement and transaction fee agreements.

Relationship with KKR Capital Markets

KKR Capital Markets LLC, an affiliate of KKR Sponsor, acted as an arranger and bookrunner for various financing transactions under our first lien and second lien credit agreements, and received underwriter and transaction fees totaling approximately \$2.6 million, \$2.0 million and \$2.3 million in full year 2014, fiscal year 2015 and the six months ended July 1, 2017, respectively.

Since 2014, KKR Corporate Lending LLC, an affiliate of KKR Capital Markets LLC, has been a participating lender under the Company's revolving credit facility, and as of July 1, 2017, has received interest payments of approximately \$0.9 million.

Relationship with KKR Credit

Since 2014, investment funds or accounts managed or advised by the global credit business of KKR & Co., or, collectively, KKR Credit, have been participating lenders under our first lien and second lien credit agreements, and as of July 1, 2017, had received in aggregate principal payments of approximately \$14 million and interest payments of approximately \$2.4 million. As of July 1, 2017, investment funds or accounts advised by KKR Credit held a portion of the outstanding principal balance of our first lien term loans.

Relationship with KKR Capstone

We have utilized and may continue to utilize KKR Capstone Americas LLC and/or its affiliates, or KKR Capstone, a consulting company that works exclusively with KKR & Co.'s portfolio companies for consulting services, and have paid to KKR Capstone related fees and expenses. KKR Capstone is not a subsidiary or affiliate of KKR & Co. KKR Capstone operates under several consulting agreements with KKR & Co. and uses the "KKR" name under license from KKR & Co.

Management Stockholder's Agreements

In connection with the KKR Acquisition, we entered into management stockholder's agreements, or Management Stockholder's Agreements, with certain of our senior executive officers and other employees who made an equity investment in us.

The Management Stockholder's Agreements impose significant restrictions on transfers of shares of our common stock held by management stockholders. Generally, shares will be nontransferable by any means at any time prior to the earlier of a "Change in Control" (as defined in the applicable Management Stockholder's Agreement) or the fifth anniversary of the closing date of the KKR Acquisition, or March 13, 2019, except (i) a sale of shares of common stock pursuant to an effective registration statement under the Securities Act filed by the Company in accordance with the applicable Management Stockholder's Agreement upon the proper exercise of certain "piggyback" registration rights (described below), (ii) certain transfers to a management stockholder's trust in accordance with the applicable Management Stockholder's Agreement, (iii) transfers approved by our Board of Directors in writing (such approval being in the sole discretion of our Board of Directors) or (iv) transfers to us or our designee.

The Management Stockholder's Agreements also provide for management stockholders' ability to cause us to repurchase their outstanding stock and options in the event of their death or disability, and for our ability to cause a management stockholder to sell his or her stock or options back to the Company upon certain termination events.

Additionally, following the initial public offering of our common stock, management stockholders will have limited "piggyback" registration rights with respect to their shares of common stock.

Sale Participation Agreements

The Sale Participation Agreements grant management stockholders the right to participate in any private direct or indirect sale of shares of common stock by certain affiliates of KKR Sponsor (such right being referred to herein as the "Tag-Along Right"), and require such management stockholders to participate in any such private sale if so elected by such affiliates of KKR Sponsor in the event that they are proposing to sell stock in a transaction that would constitute a Change in Control (as defined in the Management Stockholder's Agreements, as applicable) (such right being referred to herein as the "Drag-Along Right"). The number of shares of common stock which would be required to be sold by such management stockholders pursuant to the exercise of the Drag-Along Right would be the sum of the number of shares of common stock then owned by such stockholder and his or her affiliates plus all shares of common stock such stockholder is entitled to acquire under any unexercised options (to the extent such options are exercisable or would become exercisable as a result of the consummation of the proposed sale), multiplied by a fraction (x) the numerator of which shall be the aggregate number of shares of common stock proposed to be transferred by certain affiliates of KKR Sponsor in the

proposed sale and (y) the denominator of which shall be the total number of shares of common stock owned by such affiliates of KKR Sponsor. Such management stockholders would bear their pro rata share of any fees, commissions, adjustments to purchase price, expenses or indemnities in connection with any sale under the Sale Participation Agreement. Upon completion of this offering, the Sale Participation Agreements will be terminated in accordance with their terms.

Agreements with Officers

In addition, we have certain agreements with our officers which are described in the section entitled "Management—Executive Compensation."

Related Persons Transaction Policy

Our Board of Directors intends to adopt a written related person transaction policy, to be effective upon the consummation of this offering, to set forth the policies and procedures for the review and approval or ratification of related person transactions. This policy will cover, with certain exceptions set forth in Item 404 of Regulation S-K under the Securities Act, any transaction, arrangement or relationship, or any series of similar transactions, arrangements or relationships, in which we were or are to be a participant, where the amount involved exceeds \$120,000 and a related person had or will have a direct or indirect material interest, including, without limitation, purchases of goods or services by or from the related person or entities in which the related person has a material interest, indebtedness, guarantees of indebtedness and employment by us of a related person.

DESCRIPTION OF INDEBTEDNESS

First Lien Credit Agreement

On March 13, 2014, in connection with the KKR Acquisition, Nautilus Acquisition Holdings, Inc., or Holdings, and NVI entered into a first lien credit agreement with Goldman Sachs Bank USA, as the administrative agent, collateral agent, swingline lender and a lender, Morgan Stanley Bank, N.A., as the letter of credit issuer, Goldman Sachs Bank USA, Morgan Stanley Senior Funding, Inc., Citigroup Global Markets Inc., Mizuho Bank, Ltd., KKR Capital Markets LLC, Barclays Bank PLC, and Macquarie Capital (USA) Inc., as joint lead arrangers and bookrunners, and the lending institutions from time to time parties thereto. This first lien credit agreement was amended on May 29, 2015 pursuant to a joinder and amendment agreement to, among other things, establish \$150.0 million of new incremental term loans and add KKR Corporate Lending LLC as a new term loan lender. Pursuant to a joinder agreement dated as of February 3, 2017, \$175.0 million of additional new term loans were established. The description of our first lien term loans below gives effect to both May 2015 and February 2017 incremental term loans.

Our borrowings under the first lien credit agreement consist of \$500.0 million initial term loans and \$325.0 million incremental term loans, each maturing on March 13, 2021. Of these first lien term loans, \$804.4 million was outstanding as of July 1, 2017. The first lien credit agreement also provides for a \$75.0 million revolving credit facility, which matures on March 13, 2019. A portion of the revolving credit facility is available for letters of credit and swingline loans, of which \$5.5 million and \$0, respectively, was utilized as of July 1, 2017. Including letters of credit and swingline loans, there was \$5.5 million of borrowings outstanding under the revolving credit facility as of July 1, 2017. If the Company draws more than 30% of the revolver (including non-cash collateralized letters of credit in excess of \$10 million), the revolver is subject to a springing first lien leverage covenant pursuant to which the Consolidated First Lien Secured Debt to Consolidated EBITDA Ratio (as defined in the first lien credit agreement) must not exceed 7.75 to 1.

We intend to use the net proceeds to us from this offering remaining after the repayment of our second lien term loans to repay \$\text{million of our first lien term loans.}\$ To the extent we raise more proceeds in this offering than currently estimated, we will repay additional amounts of our first lien term loans. To the extent we raise less proceeds in this offering than currently estimated, we will reduce the amount of our first lien term loans that will be repaid. See "Use of Proceeds."

Interest Rate and Fees

Borrowings under the first lien credit agreement bear interest at a rate per annum equal to, at our option, either (a) a LIBOR rate determined by reference to the Reuters LIBOR rate for dollar deposits with a term equivalent to the interest period relevant to such borrowing, plus an applicable margin or (b) an alternative base rate, or ABR, determined by reference to the highest of (i) 0.50% above the federal funds effective rate, (ii) the rate of interest established by the administrative agent as its "prime rate" and (iii) 1.0% above the LIBOR rate for dollar deposits with a one-month term commencing that day, plus an applicable margin. Swingline loans bear interest at a rate per annum equal to the ABR plus an applicable margin. With respect to the first lien term loans that bear interest by reference to a LIBOR rate, the applicable margin is 3.00% and with respect to the first lien term loans that bear interest by reference to an ABR, the applicable margin is 2.00%. The applicable margin for the borrowings under the revolving credit facility (including any swingline loans) varies depending on a consolidated first lien secured debt to consolidated EBITDA ratio calculated pursuant to the first lien credit agreement, or the first lien secured leverage ratio, and was 3.00% in the case of LIBOR rate loans and 2.00% in the case of ABR loans as of July 1, 2017. With respect to the first lien term loans, the LIBOR rate is subject to a floor of 1.00%, and the ABR is subject to a floor of 2.00%.

In addition, we pay certain recurring fees with respect to the first lien credit agreement, including (i) a fee for the unused commitments of the lenders under the revolving credit facility, accruing at a rate equal to 0.50% per annum, which may be reduced to 0.375% if the first lien secured leverage ratio is less than or equal to 4.25 to 1.00, (ii) letter of credit fees, including a fronting fee and processing fees to each issuing bank, which vary depending on the first lien secured leverage ratio and (iii) administration fees. We paid \$0.8 million of such fees for fiscal year 2016.

Voluntary Prepayments

We may prepay, in full or in part, borrowings under the first lien credit agreement without premium or penalty, subject to notice requirements, minimum prepayment amounts and increment limitations, *provided* that prepayments on all LIBOR loans will be subject to customary "breakage" costs.

Mandatory Prepayments

The first lien credit agreement requires us to prepay outstanding first lien term loans, subject to certain exceptions, with:

- 50% (which percentage will be reduced to 25% if the first lien secured leverage ratio is less than or equal to 4.25 to 1.00 but greater than 4.00 to 1.00 and to 0% if the first lien secured leverage ratio is less than or equal to 4.00 to 1.00) of our annual excess cash flow;
- 100% of the net cash proceeds of all issuance or incurrence by Holdings or certain of its subsidiaries of any indebtedness (except for permitted debt (other than refinancing debt)); and
- 100% of the net cash proceeds of all non-ordinary course asset sales or other dispositions of property, or any loss, damage, condemnation or government taking of property for which insurance proceeds or a condemnation award is received, if we do not reinvest or commit to reinvest those proceeds in assets to be used in our business or to make certain other permitted investments within 450 days as long as such reinvestment is completed within 180 days from the date of any such commitment to reinvest, with certain exceptions; provided that, solely with respect to any collateral, NVI may use a portion of such net cash proceeds to prepay or repurchase certain permitted other indebtedness with a lien in accordance with the terms of the first lien credit agreement.

We are also required to prepay the amount by which we exceed the revolving credit commitment.

Amortization

We are required to repay installments on the first lien term loans in quarterly installments equal to 0.25% of the product of (x) the sum of (i) the aggregate principal amount of the initial term loan facility outstanding immediately prior to the funding date, as defined in the joinder and amendment agreement, and (ii) the original principal amount of the new term loan facility, and (y) a fraction, rounded to the nearest dollar, the numerator of which is equal to the aggregate principal amount of the initial term loan facility funded on March 13, 2014 and the denominator of which is equal to the aggregate principal amount of the initial term loan facility outstanding under the first lien credit agreement immediately prior to the funding date, with the remaining amount payable on the applicable maturity date with respect to such term loans.

Principal amounts outstanding under the revolving credit facility are due and payable in full at maturity.

Guarantee and Security

All obligations under the first lien credit agreement are unconditionally guaranteed by substantially all existing and future, direct and indirect, wholly-owned material domestic subsidiaries of NVI, subject to certain exceptions.

All obligations under the first lien credit agreement, and the guarantees of such obligations, are secured, subject to permitted liens and other exceptions, by the shares of NVI and substantially all of NVI's and the assets of certain of its subsidiaries, subject to certain exceptions.

Certain Covenants and Events of Default

The first lien credit agreement contains a number of covenants that restrict, subject to certain exceptions, our ability to, among other things:

- incur additional indebtedness;
- create or incur liens;
- engage in certain fundamental changes, including mergers or consolidations;

- sell or transfer assets;
- pay dividends and distributions on our subsidiaries' capital stock;
- make acquisitions, investments, loans or advances;
- · pay or modify the terms of certain indebtedness;
- · engage in certain transactions with affiliates; and
- enter into negative pledge clauses and clauses restricting subsidiary distributions.

If the Company draws more than 30% of the revolver (including non-cash collateralized letters of credit in excess of \$10 million), the revolver is subject to a springing first lien leverage covenant pursuant to which the Consolidated First Lien Secured Debt to Consolidated EBITDA Ratio (as defined in the first lien credit agreement) must not exceed 7.75 to 1. The first lien credit agreement also contains certain customary affirmative covenants and events of default, including a change of control. If an event of default occurs, the lenders under the first lien credit agreement will be entitled to take various actions, including the acceleration of amounts due under the first lien credit agreement and all actions permitted to be taken by a secured creditor.

Second Lien Credit Agreement

On March 13, 2014, in connection with the KKR Acquisition, Holdings and NVI also entered into a second lien credit agreement with Morgan Stanley Senior Funding, Inc., as administrative agent and collateral agent, and Goldman Sachs Bank USA, Morgan Stanley Senior Funding, Inc., Citigroup Global Markets Inc., Mizuho Bank, Ltd., KKR Capital Markets LLC, Barclays Bank PLC, and Macquarie Capital (USA) Inc., as joint lead arrangers and bookrunners.

The second lien credit agreement provides for \$125.0 million term loan facility that matures on March 13, 2022 of which \$125.0 million was outstanding as of July 1, 2017. We intend to use the net proceeds to us from this offering to repay all outstanding aggregate amount of our second lien term loans. See "Use of Proceeds."

Interest Rate and Fees

Borrowings under the second lien credit agreement bear interest at a rate per annum equal to, at our option, either (a) a LIBOR rate determined by reference to the Reuters LIBOR rate for dollar deposits with a term equivalent to the interest period relevant to such borrowing, plus an applicable margin or (b) an ABR determined by reference to the highest of (i) 0.50% above the federal funds effective rate, (ii) the rate of interest established by the administrative agent as its "prime rate" and (iii) 1.0% above the LIBOR rate for dollar deposits with a one-month term commencing that day, plus an applicable margin. With respect to the second lien term loans that bear interest by reference to a LIBOR rate, the applicable margin is 5.75% and with respect to the second lien term loans that bear interest by reference to an ABR, the applicable margin is 4.75%. The LIBOR rate is subject to a floor of 1.00%, and the ABR is subject to a floor of 2.00%.

In addition, we pay certain administration fees with respect to the second lien credit agreement.

Voluntary Prepayments

We may prepay, in full or in part, borrowings under the second lien credit agreement without premium or penalty, subject to notice requirements, minimum prepayment amounts and increment limitations, *provided* that prepayments on all LIBOR loans will be subject to customary "breakage" costs.

Mandatory Prepayments

Subject to the mandatory prepayments under the first lien credit agreement, the second lien credit agreement requires us to prepay outstanding second lien term loans, subject to certain exceptions, with:

- 50% (which percentage will be reduced to 25% if the first lien secured leverage ratio is less than or equal to 4.25 to 1.00 but greater than 4.00 to 1.00 and to 0% if the first lien secured leverage ratio is less than or equal to 4.00 to 1.00) of our annual excess cash flow;
- 100% of the net cash proceeds of all issuance or incurrence by Holdings or certain of its subsidiaries of any indebtedness (except for permitted debt (other than refinancing debt)); and

• 100% of the net cash proceeds of all non-ordinary course asset sales or other dispositions of property, or any loss, damage, condemnation or government taking of property for which insurance proceeds or a condemnation award is received, if we do not reinvest or commit to reinvest those proceeds in assets to be used in our business or to make certain other permitted investments within 450 days as long as such reinvestment is completed within 180 days from the date of any such commitment to reinvest, with certain exceptions; provided that, solely with respect to any collateral, NVI may use a portion of such net cash proceeds to prepay or repurchase certain permitted other indebtedness with a lien in accordance with the terms of the first lien and second lien credit agreements.

Guarantee and Security

All obligations under the second lien credit agreement are unconditionally guaranteed by substantially all existing and future, direct and indirect, wholly-owned material domestic subsidiaries of NVI, subject to certain exceptions.

Subject to the intercreditor agreement which provides that liens under the second lien credit agreement are junior to the liens under the first lien credit agreement, all obligations under the second lien credit agreement, and the guarantees of such obligations, are secured, subject to permitted liens and other exceptions, by the shares of NVI and substantially all of NVI's and the assets of certain of its subsidiaries, subject to certain exceptions.

Certain Covenants and Events of Default

The second lien credit agreement contains a number of covenants that restrict, subject to certain exceptions, our ability to, among other things:

- incur additional indebtedness;
- create liens;
- · engage in mergers or consolidations;
- sell or transfer assets;
- pay dividends and distributions on our subsidiaries' capital stock;
- · make investments, loans or advances;
- prepay or repurchase certain indebtedness;
- · make certain acquisitions; and
- engage in certain transactions with affiliates.

The second lien credit agreement also contains certain customary affirmative covenants and events of default, including a change of control. If an event of default occurs, the lenders under the second lien credit agreement will be entitled to take various actions, including the acceleration of amounts due under the second lien credit agreement and all actions permitted to be taken by a secured creditor.

DESCRIPTION OF CAPITAL STOCK

The following is a description of the material terms of, and is qualified in its entirety by, our amended and restated certificate of incorporation and amended and restated bylaws, each of which will be in effect upon the consummation of this offering, the forms of which are filed as exhibits to the registration statement of which this prospectus is a part.

Our purpose is to engage in any lawful act or activity for which corporations may now or hereafter be organized under the DGCL. Upon the consummation of this offering, our authorized capital stock will consist of shares of common stock, par value \$0.01 per share and shares of preferred stock, par value \$ per share. No shares of preferred stock will be issued or outstanding immediately after the public offering contemplated by this prospectus. Unless our Board of Directors determines otherwise, we will issue all shares of our capital stock in uncertificated form.

Common Stock

Holders of our common stock are entitled to one vote for each share held of record on all matters on which stockholders are entitled to vote generally, including the election or removal of directors, subject to certain limitations. The holders of our common stock do not have cumulative voting rights in the election of directors. Upon our liquidation, dissolution or winding up or the sale of all or substantially all of our assets and after payment in full of all amounts required to be paid to creditors and to the holders of preferred stock having liquidation preferences, if any, the holders of our common stock will be entitled to receive our remaining assets available for distribution on a pro rata basis. Holders of our common stock do not have preemptive, subscription, redemption or conversion rights. The common stock will not be subject to further calls or assessment by us. There will be no redemption or sinking fund provisions applicable to the common stock. All shares of our common stock that will be outstanding at the time of the completion of the offering will be fully paid and non-assessable. The rights, powers, preferences and privileges of holders of our common stock will be subject to those of the holders of any shares of our preferred stock we may authorize and issue in the future.

Preferred Stock

Our amended and restated certificate of incorporation will authorize our Board of Directors to establish one or more series of preferred stock (including convertible preferred stock). Unless required by law or by NASDAQ, the authorized shares of preferred stock will be available for issuance without further action by you. Our Board of Directors is able to determine, with respect to any series of preferred stock, the terms and rights of that series, including:

- · the designation of the series;
- the number of shares of the series, which our Board of Directors may, except where otherwise provided in the preferred stock designation, increase (but not above the total number of authorized shares of the class) or decrease (but not below the number of shares then outstanding);
- whether dividends, if any, will be cumulative or non-cumulative and the dividend rate of the series;
- the dates at which dividends, if any, will be payable;
- the redemption rights and price or prices, if any, for shares of the series;
- · the terms and amounts of any sinking fund provided for the purchase or redemption of shares of the series;
- the amounts payable on shares of the series in the event of any voluntary or involuntary liquidation, dissolution or winding-up of the affairs of our company;
- whether the shares of the series will be convertible into shares of any other class or series, or any other security, of our
 company or any other corporation, and, if so, the specification of the other class or series or other security, the conversion
 price or prices or rate or rates, any rate adjustments, the date or dates as of which the shares will be convertible and all
 other terms and conditions upon which the conversion may be made;

- · restrictions on the issuance of shares of the same series or of any other class or series; and
- the voting rights, if any, of the holders of the series.

We could issue a series of preferred stock that could, depending on the terms of the series, impede or discourage an acquisition attempt or other transaction that some, or a majority, of you might believe to be in your best interests or in which you might receive a premium for your common stock over the market price of the common stock. Additionally, the issuance of preferred stock may adversely affect the holders of our common stock by restricting dividends on the common stock, diluting the voting power of the common stock or subordinating the liquidation rights of the common stock. As a result of these or other factors, the issuance of preferred stock could have an adverse impact on the market price of our common stock.

Dividends

The DGCL permits a corporation to declare and pay dividends out of "surplus" or, if there is no "surplus," out of its net profits for the fiscal year in which the dividend is declared and/or the preceding fiscal year. "Surplus" is defined as the excess of the net assets of the corporation over the amount determined to be the capital of the corporation by the board of directors. The capital of the corporation is typically calculated to be (and cannot be less than) the aggregate par value of all issued shares of capital stock. Net assets equal the fair value of the total assets minus total liabilities. The DGCL also provides that dividends may not be paid out of net profits if, after the payment of the dividend, capital is less than the capital represented by the outstanding stock of all classes having a preference upon the distribution of assets.

Declaration and payment of any dividend will be subject to the discretion of our Board of Directors. The time and amount of dividends will be dependent upon our financial condition, operations, cash requirements and availability, debt repayment obligations, capital expenditure needs and restrictions in our debt instruments, industry trends, the provisions of Delaware law affecting the payment of dividends to stockholders and any other factors our Board of Directors may consider relevant.

Anti-Takeover Effects of Our Amended and Restated Certificate of Incorporation and Amended and Restated Bylaws and Certain Provisions of Delaware Law

Our amended and restated certificate of incorporation, amended and restated bylaws and the DGCL, which are summarized in the following paragraphs, contain provisions that are intended to enhance the likelihood of continuity and stability in the composition of our Board of Directors. These provisions are intended to avoid costly takeover battles, reduce our vulnerability to a hostile change of control and enhance the ability of our Board of Directors to maximize stockholder value in connection with any unsolicited offer to acquire us. However, these provisions may have an anti-takeover effect and may delay, deter or prevent a merger or acquisition of our company by means of a tender offer, a proxy contest or other takeover attempt that a stockholder might consider is in its best interest, including those attempts that might result in a premium over the prevailing market price for the shares of common stock held by stockholders.

Authorized but Unissued Capital Stock

Delaware law does not require stockholder approval for any issuance of authorized shares. However, the listing requirements of NASDAQ, which would apply if and so long as our common stock remains listed on NASDAQ, require stockholder approval of certain issuances equal to or exceeding 20% of the then outstanding voting power or then outstanding number of shares of common stock. These additional shares may be used for a variety of corporate purposes, including future public offerings, to raise additional capital or to facilitate acquisitions.

Our Board of Directors may issue shares of preferred stock on terms calculated to discourage, delay or prevent a change of control of our company or the removal of our management. Moreover, our authorized but unissued shares of preferred stock will be available for future issuances without stockholder approval and could be utilized for a variety of corporate purposes, including future offerings to raise additional capital, acquisitions and employee benefit plans.

One of the effects of the existence of unissued and unreserved common stock or preferred stock may be to enable our Board of Directors to issue shares to persons friendly to current management, which issuance could

render more difficult or discourage an attempt to obtain control of our company by means of a merger, tender offer, proxy contest or otherwise, and thereby protect the continuity of our management and possibly deprive our stockholders of opportunities to sell their shares of common stock at prices higher than prevailing market prices.

Classified Board

Our amended and restated certificate of incorporation will provide that our Board of Directors will be divided into three classes of directors, with the classes to be as nearly equal in number as possible, and with the directors serving three-year terms. As a result, approximately one-third of our Board of Directors will be elected each year. The classification of directors will have the effect of making it more difficult for stockholders to change the composition of our Board of Directors. Our amended and restated certificate of incorporation and amended and restated bylaws will provide that, subject to any rights of holders of preferred stock to elect additional directors under specified circumstances, the number of directors will be fixed from time to time exclusively pursuant to a resolution adopted by the Board of Directors.

Business Combinations

We have opted out of Section 203 of the DGCL; however, our amended and restated certificate of incorporation will contain similar provisions providing that we may not engage in certain "business combinations" with any "interested stockholder" for a three-year period following the time that the stockholder became an interested stockholder, unless:

- prior to such time, our Board of Directors approved either the business combination or the transaction which resulted in the stockholder becoming an interested stockholder;
- upon consummation of the transaction that resulted in the stockholder becoming an interested stockholder, the interested stockholder owned at least 85% of our voting stock outstanding at the time the transaction commenced, excluding certain shares; or
- at or subsequent to that time, the business combination is approved by our Board of Directors and by the affirmative vote of holders of at least 66½% of the outstanding voting stock that is not owned by the interested stockholder.

Generally, a "business combination" includes a merger, asset or stock sale or other transaction resulting in a financial benefit to the interested stockholder. Subject to certain exceptions, an "interested stockholder" is a person who, together with that person's affiliates and associates, owns, or within the previous three years owned, 15% or more of our voting stock. For purposes of this section only, "voting stock" has the meaning given to it in Section 203 of the DGCL.

Under certain circumstances, this provision will make it more difficult for a person who would be an "interested stockholder" to effect various business combinations with a corporation for a three-year period. This provision may encourage companies interested in acquiring our company to negotiate in advance with our Board of Directors because the stockholder approval requirement would be avoided if our Board of Directors approves either the business combination or the transaction which results in the stockholder becoming an interested stockholder. These provisions also may have the effect of preventing changes in our Board of Directors and may make it more difficult to accomplish transactions which stockholders may otherwise deem to be in their best interests.

Our amended and restated certificate of incorporation will provide that the Sponsors and their affiliates and any of their respective direct or indirect transferees and any group as to which such persons are a party do not constitute "interested stockholders" for purposes of this provision.

Removal of Directors; Vacancies

Under the DGCL, unless otherwise provided in our amended and restated certificate of incorporation, directors serving on a classified board may be removed by the stockholders only for cause. Our amended and restated certificate of incorporation and amended and restated bylaws will provide that directors may be removed with or without cause upon the affirmative vote of a majority in voting power of all outstanding shares of stock entitled to vote generally in the election of directors, voting together as a single class; *provided*, *however*, at any time when the Sponsors and their affiliates beneficially own, in the aggregate, less than 40% of the voting power

of all outstanding shares of stock entitled to vote generally in the election of directors, directors may only be removed for cause and only by the affirmative vote of holders of at least 66½3% in voting power of all the then outstanding shares of stock entitled to vote generally in the election of directors, voting together as a single class. In addition, our amended and restated certificate of incorporation and our amended and restated bylaws will also provide that, subject to the rights granted to one or more series of preferred stock then outstanding or the rights granted to the Sponsors under the stockholders agreement to be entered into in connection with this offering, any vacancies on our Board of Directors will be filled only by the affirmative vote of a majority of the remaining directors, even if less than a quorum, by a sole remaining director or by the stockholders; *provided*, *however*, at any time when the Sponsors and their affiliates beneficially own, in the aggregate, less than 40% of the voting power of all outstanding shares of stock entitled to vote generally in the election of directors, any newly created directorship on the Board of Directors that results from an increase in the number of directors and any vacancy occurring on the Board of Directors may only be filled by a majority of the directors then in office, even if less than a quorum, or by a sole remaining director (and not by the stockholders).

No Cumulative Voting

Under Delaware law, the right to vote cumulatively does not exist unless the certificate of incorporation specifically authorizes cumulative voting. Our amended and restated certificate of incorporation will not authorize cumulative voting. Therefore, stockholders holding a majority in voting power of the shares of our stock entitled to vote generally in the election of directors will be able to elect all our directors.

Special Stockholder Meetings

Our amended and restated certificate of incorporation will provide that special meetings of our stockholders may be called at any time only by or at the direction of the Board of Directors or the chairman of the Board of Directors; *provided*, *however*, that the Sponsors and their affiliates are permitted to call special meetings of our stockholders for so long as they hold, in the aggregate, at least 40% of the voting power of all outstanding shares of stock entitled to vote generally in the election of directors. Our amended and restated bylaws will prohibit the conduct of any business at a special meeting other than as specified in the notice for such meeting. These provisions may have the effect of deferring, delaying or discouraging hostile takeovers, or changes in control or management of our company.

Requirements for Advance Notification of Director Nominations and Stockholder Proposals

Our amended and restated bylaws will establish advance notice procedures with respect to stockholder proposals and the nomination of candidates for election as directors, other than nominations made by or at the direction of the Board of Directors or a committee of the Board of Directors. In order for any matter to be "properly brought" before a meeting, a stockholder will have to comply with advance notice requirements and provide us with certain information. Generally, to be timely, a stockholder's notice must be received at our principal executive offices not less than 90 days nor more than 120 days prior to the first anniversary date of the immediately preceding annual meeting of stockholders. Our amended and restated bylaws will also specify requirements as to the form and content of a stockholder's notice. These notice requirements will not apply to the Sponsors and their affiliates for as long as the stockholders agreement to be entered into in connection with this offering is in effect and/or the Sponsors and their affiliates hold, in the aggregate, at least 40% of the voting power of all outstanding shares of stock entitled to vote generally in the election of directors.

Our amended and restated bylaws will allow the chairman of the meeting at a meeting of the stockholders to adopt rules and regulations for the conduct of meetings which may have the effect of precluding the conduct of certain business at a meeting if the rules and regulations are not followed. These provisions will not apply to the Sponsors and their affiliates for as long as the stockholders agreement to be entered into in connection with this offering is in effect and/or the Sponsors and their affiliates hold, in the aggregate, at least 40% of the voting power of all outstanding shares of stock entitled to vote generally in the election of directors. These provisions may defer, delay or discourage a potential acquirer from conducting a solicitation of proxies to elect the acquirer's own slate of directors or otherwise attempting to influence or obtain control of our company.

Stockholder Action by Written Consent

Pursuant to Section 228 of the DGCL, any action required to be taken at any annual or special meeting of the stockholders may be taken without a meeting, without prior notice and without a vote if a consent or consents in writing, setting forth the action so taken, is signed by the holders of outstanding stock having not

less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares of our stock entitled to vote thereon were present and voted, unless our amended and restated certificate of incorporation provides otherwise. Our amended and restated certificate of incorporation will preclude stockholder action by written consent once the Sponsors and their affiliates beneficially own, in the aggregate, less than 40% of the voting power of all outstanding shares of stock entitled to vote generally in the election of directors.

Supermajority Provisions

Our amended and restated certificate of incorporation and amended and restated bylaws will provide that the Board of Directors is expressly authorized to make, alter, amend, change, add to, rescind or repeal, in whole or in part, our amended and restated bylaws without a stockholder vote in any matter not inconsistent with the laws of the State of Delaware or our amended and restated certificate of incorporation. For as long as the Sponsors and their affiliates own, in the aggregate, at least 40% of the voting power of all outstanding shares of stock entitled to vote generally in the election of directors, any amendment, alteration, change, addition, rescission or repeal of our amended and restated bylaws by our stockholders will require the affirmative vote of a majority in voting power of the outstanding shares of our stock present in person or represented by proxy at the meeting of stockholders and entitled to vote on such amendment, alteration, change, addition, rescission or repeal. At any time when the Sponsors and their affiliates beneficially own, in the aggregate, less than 40% of the voting power of all outstanding shares of stock entitled to vote generally in the election of directors, any amendment, alteration, change, addition, rescission or repeal of our amended and restated bylaws by our stockholders will require the affirmative vote of the holders of at least $66^2/3\%$ in voting power of all the thenoutstanding shares of stock entitled to vote generally in the election of directors, voting together as a single class.

The DGCL provides generally that the affirmative vote of a majority of the outstanding shares entitled to vote thereon, voting together as a single class, is required to amend a corporation's certificate of incorporation, unless the certificate of incorporation requires a greater percentage.

Our amended and restated certificate of incorporation will provide that once the Sponsors and their affiliates own less than 40% of the voting power of all outstanding shares of stock entitled to vote generally in the election of directors, the following provisions in our amended and restated certificate of incorporation may be amended, altered, repealed or rescinded only by the affirmative vote of the holders of at least $66\frac{2}{3}\%$ in the voting power of all outstanding shares of stock entitled to vote generally in the election of directors, voting together as a single class:

- the provision requiring a 66²/₃% supermajority vote for stockholders to amend our amended and restated bylaws;
- the provisions providing for a classified board of directors (the election and term of our directors);
- the provisions regarding resignation and removal of directors;
- · the provisions regarding competition and corporate opportunities;
- the provisions regarding entering into business combinations with interested stockholders;
- · the provisions regarding stockholder action by written consent;
- the provisions regarding calling special meetings of stockholders;
- · the provisions regarding filling vacancies on our Board of Directors and newly created directorships;
- the provisions eliminating monetary damages for breaches of fiduciary duty by a director; and
- the amendment provision requiring that the above provisions be amended only with a $66^2/3\%$ supermajority vote.

The combination of the classification of our Board of Directors, the lack of cumulative voting and the supermajority voting requirements will make it more difficult for our existing stockholders to replace our Board of Directors as well as for another party to obtain control of us by replacing our Board of Directors. Because our Board of Directors has the power to retain and discharge our officers, these provisions could also make it more difficult for existing stockholders or another party to effect a change in management.

These provisions may have the effect of deterring hostile takeovers, delaying, or preventing changes in control of our management or our company, such as a merger, reorganization or tender offer. These provisions are intended to enhance the likelihood of continued stability in the composition of our Board of Directors and its policies and to discourage certain types of transactions that may involve an actual or threatened acquisition of us. These provisions are designed to reduce our vulnerability to an unsolicited acquisition proposal. The provisions are also intended to discourage certain tactics that may be used in proxy fights. However, such provisions could have the effect of discouraging others from making tender offers for our shares and, as a consequence, they also may inhibit fluctuations in the market price of our shares that could result from actual or rumored takeover attempts. Such provisions may also have the effect of preventing changes in management.

Dissenters' Rights of Appraisal and Payment

Under the DGCL, with certain exceptions, our stockholders will have appraisal rights in connection with a merger or consolidation of us. Pursuant to the DGCL, stockholders who properly request and perfect appraisal rights in connection with such merger or consolidation will have the right to receive payment of the fair value of their shares as determined by the Delaware Court of Chancery.

Stockholders' Derivative Actions

Under the DGCL, any of our stockholders may bring an action in our name to procure a judgment in our favor, also known as a derivative action, provided that the stockholder bringing the action is a holder of our shares at the time of the transaction to which the action relates or such stockholder's stock thereafter devolved by operation of law.

Exclusive Forum

Our amended and restated certificate of incorporation will provide, subject to limited exceptions, that unless we consent to the selection of an alternative forum, the Court of Chancery of the State of Delaware shall, to the fullest extent permitted by law, be the sole and exclusive forum for any (i) derivative action or proceeding brought on behalf of our company, (ii) action asserting a claim of breach of a fiduciary duty owed by any director, officer, or other employee or stockholder of our company to the Company or our stockholders, creditors or other constituents, (iii) action asserting a claim against the Company or any director or officer of the Company arising pursuant to any provision of the DGCL or our amended and restated certificate of incorporation or our amended and restated bylaws or as to which the DGCL confers jurisdiction on the Court of Chancery of the State of Delaware, or (iv) action asserting a claim against the Company or any director or officer of the Company governed by the internal affairs doctrine, in each such case subject to said Court of Chancery having personal jurisdiction over the indispensable parties named as defendants therein. Any person or entity purchasing or otherwise acquiring any interest in shares of capital stock of our company shall be deemed to have notice of and consented to the forum provisions in our amended and restated certificate of incorporation. However, the enforceability of similar forum provisions in other companies' certificates of incorporation has been challenged in legal proceedings, and it is possible that a court could find these types of provisions to be unenforceable.

Conflicts of Interest

Delaware law permits corporations to adopt provisions renouncing any interest or expectancy in certain opportunities that are presented to the corporation or its officers, directors or stockholders. Our amended and restated certificate of incorporation will, to the maximum extent permitted from time to time by Delaware law, renounce any interest or expectancy that we have in, or right to be offered an opportunity to participate in, specified business opportunities that are from time to time presented to our officers, directors or stockholders or their respective affiliates, other than those officers, directors, stockholders or affiliates who are our or our subsidiaries' employees. Our amended and restated certificate of incorporation will provide that, to the fullest extent permitted by law, none of the Sponsors or any of their affiliates or any director who is not employed by us (including any non-employee director who serves as one of our officers in both his or her director and officer capacities) or his or her affiliates will have any duty to refrain from (i) engaging in a corporate opportunity in the same or similar lines of business in which we or our affiliates now engage or propose to engage or (ii) otherwise competing with us or our affiliates. In addition, to the fullest extent permitted by law, in the event that the Sponsors or any of their affiliates or any non-employee director acquires knowledge of a potential transaction or other business opportunity which may be a corporate opportunity for itself or himself or its or his affiliates or

for us or our affiliates, such person will have no duty to communicate or offer such transaction or business opportunity to us or any of our affiliates and they may take any such opportunity for themselves or offer it to another person or entity. Our amended and restated certificate of incorporation will not renounce our interest in any business opportunity that is expressly offered to a non-employee director solely in his or her capacity as a director or officer of the Company. To the fullest extent permitted by law, no business opportunity will be deemed to be a potential corporate opportunity for us unless we would be permitted to undertake the opportunity under our amended and restated certificate of incorporation, we have sufficient financial resources to undertake the opportunity and the opportunity would be in line with our business.

Limitations on Liability and Indemnification of Officers and Directors

The DGCL authorizes corporations to limit or eliminate the personal liability of directors to corporations and their stockholders for monetary damages for breaches of directors' fiduciary duties, subject to certain exceptions. Our amended and restated certificate of incorporation will include a provision that eliminates the personal liability of directors for monetary damages for any breach of fiduciary duty as a director, except to the extent such exemption from liability or limitation thereof is not permitted under the DGCL. The effect of these provisions is to eliminate the rights of us and our stockholders, through stockholders' derivative suits on our behalf, to recover monetary damages from a director for breach of fiduciary duty as a director, including breaches resulting from grossly negligent behavior. However, exculpation does not apply to any director if the director has acted in bad faith, knowingly or intentionally violated the law, authorized illegal dividends or redemptions or derived an improper benefit from his or her actions as a director.

Our amended and restated bylaws will provide that we must generally indemnify, and advance expenses to, our directors and officers to the fullest extent authorized by the DGCL. We also are expressly authorized to carry directors' and officers' liability insurance providing indemnification for our directors, officers and certain employees for some liabilities. We believe that these indemnification and advancement provisions and insurance are useful to attract and retain qualified directors and executive officers.

The limitation of liability, indemnification and advancement provisions in our amended and restated certificate of incorporation and amended and restated bylaws may discourage stockholders from bringing a lawsuit against directors for breach of their fiduciary duty. These provisions also may have the effect of reducing the likelihood of derivative litigation against directors and officers, even though such an action, if successful, might otherwise benefit us and our stockholders. In addition, your investment may be adversely affected to the extent we pay the costs of settlement and damage awards against directors and officers pursuant to these indemnification provisions.

There is currently no pending material litigation or proceeding involving any of our directors, officers or employees for which indemnification is sought.

SHARES ELIGIBLE FOR FUTURE SALE

General

Prior to this offering, there has not been a public market for our common stock, and we cannot predict what effect, if any, market sales of shares of common stock or the availability of shares of common stock for sale will have on the market price of our common stock prevailing from time to time. Nevertheless, sales of substantial amounts of common stock, including shares issued upon the exercise of outstanding options, in the public market, or the perception that such sales could occur, could materially and adversely affect the market price of our common stock and could impair our future ability to raise capital through the sale of our equity or equity-related securities at a time and price that we deem appropriate. See "Risk Factors—Risks Related to this Offering and Ownership of Our Common Stock—Future sales, or the perception of future sales, by us or our existing stockholders in the public market following this offering could cause the market price for our common stock to decline."

Upon the consummation of this offering, we will have a total of shares of common stock outstanding (shares if the underwriters exercise their option to purchase additional shares). In addition, options to purchase an aggregate of approximately shares of our common stock will be outstanding as of the consummation of this offering. Of these options, will have vested at or prior to the consummation of this offering and approximately could vest over the next years. Of the outstanding shares, the shares sold in this offering (or shares if the underwriters exercise their option to purchase additional shares) will be freely tradable without restriction or further registration under the Securities Act, except that any shares held by our affiliates, as that term is defined under Rule 144, including our directors, executive officers and other affiliates (including affiliates of KKR Sponsor and affiliates of Berkshire), may be sold only in compliance with the limitations described below

The remaining outstanding shares of common stock held by affiliates of KKR Sponsor, affiliates of Berkshire, certain of our directors and executive officers and our existing stockholders after this offering, representing % of the total outstanding shares of our common stock following this offering, will be deemed "restricted securities" under the meaning of Rule 144 and may be sold in the public market only if registered under the Securities Act or if an exemption from registration is available, including the exemptions pursuant to Rule 144 and Rule 701 under the Securities Act, which we summarize below. In addition, shares of our common stock will be authorized and reserved for issuance in relation to potential future awards under the 2014 Stock Incentive Plan and the 2017 Omnibus Incentive Plan to be adopted in connection with this offering.

Rule 144

In general, under Rule 144, as currently in effect, once we have been subject to public company reporting requirements for at least 90 days, a person (or persons whose shares are aggregated) who is not deemed to be or have been one of our affiliates for purposes of the Securities Act at any time during 90 days preceding a sale and who has beneficially owned the shares proposed to be sold for at least six months, including the holding period of any prior owner other than an affiliate, is entitled to sell such shares without complying with the manner of sale, volume limitation or notice provisions of Rule 144, subject to compliance with the public information requirements of Rule 144. If such a person has beneficially owned the shares proposed to be sold for at least one year, including the holding period of a prior owner other than an affiliate, then such person is entitled to sell such shares without complying with any of the requirements of Rule 144.

In general, under Rule 144, as currently in effect, our affiliates or persons selling shares of our common stock on behalf of our affiliates, who have met the six month holding period for beneficial ownership of "restricted shares" of our common stock, are entitled to sell upon the expiration of the lock-up agreements described below, within any three-month period beginning 90 days after the date of this prospectus, a number of shares that does not exceed the greater of:

- 1% of the number of shares of our common stock then outstanding, which will equal approximately shares immediately after this offering (or shares if the underwriters exercise in full their option to purchase additional shares); or
- the average reported weekly trading volume of our common stock on NASDAQ during the four calendar weeks preceding
 the filing of a notice on Form 144 with respect to such sale.

Sales under Rule 144 by our affiliates or persons selling shares on behalf of our affiliates are also subject to certain manner of sale provisions and notice requirements and to the availability of current public information about us. The sale of these shares, or the perception that sales will be made, could adversely affect the price of our common stock after this offering because a great supply of shares would be, or would be perceived to be, available for sale in the public market.

Rule 701

In general, under Rule 701 as currently in effect, any of our employees, directors, officers, consultants or advisors who received shares from us in connection with a compensatory stock or option plan or other written agreement before the effective date of this offering are entitled to sell such shares 90 days after the effective date of this offering in reliance on Rule 144, in the case of affiliates, without having to comply with the holding period requirements of Rule 144 and, in the case of non-affiliates, without having to comply with the public information, holding period, volume limitation or notice filing requirements of Rule 144.

Lock-Up Agreements

In connection with this offering, we, our directors and executive officers and the holders of % of our common stock prior to this offering will sign lock-up agreements with the underwriters that will, subject to certain exceptions, restrict the disposition of, or hedging with respect to, the shares of our common stock or securities convertible into or exchangeable for shares of our common stock, each held by them, during the period ending 180 days after the date of this prospectus, except with the prior written consent of the representative of the underwriters. See "Underwriting (Conflicts of Interest)" for a description of these lock-up agreements.

Registration Rights

For a description of rights some holders of common stock have to require us to register the shares of common stock they own, see "Certain Relationships and Related Party Transactions—Registration Rights Agreement." Registration of these shares under the Securities Act would result in these shares becoming freely tradable immediately upon effectiveness of such registration.

Following completion of this offering, the shares of our common stock covered by registration rights would represent approximately % of our outstanding common stock (or %, if the underwriters exercise in full their option to purchase additional shares). These shares also may be sold under Rule 144 under the Securities Act, depending on their holding period and subject to restrictions in the case of shares held by persons deemed to be our affiliates.

Registration Statement on Form S-8

We intend to file one or more registration statement on Form S-8 under the Securities Act to register all of the shares of common stock subject to outstanding stock options and the shares of common stock subject to issuance under the 2014 Stock Incentive Plan and the 2017 Omnibus Incentive Plan to be adopted in connection with this offering. We expect to file these registration statements as promptly as possible after the completion of this offering. Any such Form S-8 registration statements will automatically become effective upon filing. Accordingly, shares registered under such registration statements will be available for sale in the open market. We expect that the initial registration statement on Form S-8 relating to the 2014 Stock Incentive Plan and the 2017 Omnibus Incentive Plan will cover shares.

MATERIAL UNITED STATES FEDERAL INCOME AND ESTATE TAX CONSEQUENCES TO NON-U.S. HOLDERS

The following is a summary of the material United States federal income and estate tax consequences to a non-U.S. holder (as defined below) of the purchase, ownership and disposition of our common stock as of the date hereof. Except where noted, this summary deals only with common stock that is held as a capital asset.

A "non-U.S. holder" means a beneficial owner of our common stock (other than an entity treated as a partnership) that is not for United States federal income tax purposes any of the following:

- an individual citizen or resident of the United States;
- a corporation (or any other entity treated as a corporation for United States federal income tax purposes) created or
 organized in or under the laws of the United States, any state thereof or the District of Columbia;
- an estate the income of which is subject to United States federal income taxation regardless of its source; or
- a trust if it (1) is subject to the primary supervision of a court within the United States and one or more United States persons have the authority to control all substantial decisions of the trust or (2) has a valid election in effect under applicable United States Treasury regulations to be treated as a United States person.

This summary is based upon provisions of the Code, and regulations, rulings and judicial decisions as of the date hereof. Those authorities may be changed, perhaps retroactively, so as to result in United States federal income and estate tax consequences different from those summarized below. We cannot assure you that such a change in law will not alter significantly the tax considerations we describe in this summary. This summary does not address all aspects of United States federal income and estate taxes and does not deal with foreign, state, local or other tax considerations that may be relevant to non-U.S. holders in light of their particular circumstances (including the Medicare contribution tax on net investment income). In addition, it does not represent a detailed description of the United States federal income tax consequences applicable to you if you are subject to special treatment under the United States federal income tax laws including, without limitation if you are:

- a United States expatriate;
- a "controlled foreign corporation";
- a "passive foreign investment company";
- a bank, insurance company or other financial institution;
- · a tax exempt organization or governmental organization;
- a broker, dealer or trader in securities;
- subject to the alternative minimum tax;
- a partnership or other pass-through entity for United States federal income tax purposes;
- a person who holds our common stock as part of a hedge, straddle, or other risk reduction strategy or as part of a conversion transaction or other integrated investment;
- a person who holds or receives our common stock pursuant to the exercise of any employee stock option or otherwise as compensation; or
- a person deemed to sell our common stock under the constructive sale provisions of the Code.

If a partnership (or other entity treated as a partnership for United States federal income tax purposes) holds our common stock, the tax treatment of a partner will generally depend upon the status of the partner and the activities of the partnership. If you are a partner of a partnership holding our common stock, you should consult your tax advisors.

If you are considering the purchase of our common stock, you should consult your own tax advisors concerning the particular United States federal income and estate tax consequences to you of the ownership of the common stock, as well as the consequences to you arising under the laws of any other taxing jurisdiction.

Distributions

In the event that we make distributions of cash or property on our common stock, such distributions will constitute dividends for United States federal income tax purposes to the extent paid from our current or accumulated earnings and profits, as determined under United States federal income tax principles. If a distribution exceeds our current and accumulated earnings and profits, the excess will be treated first as a tax-free return of capital to the extent of the non-U.S. holder's adjusted tax basis in our common stock. Any remaining excess will be treated as capital gain and will be treated as described below under "—Gain on Disposition of Common Stock."

Dividends paid to a non-U.S. holder of our common stock generally will be subject to withholding of United States federal income tax at a 30% rate or such lower rate as may be specified by an applicable income tax treaty. However, dividends that are effectively connected with the conduct of a trade or business by the non-U.S. holder within the United States (and, if required by an applicable income tax treaty, are attributable to a United States permanent establishment of the non-U.S. holder) are not subject to such withholding tax, provided certain certification and disclosure requirements are satisfied. Instead, such dividends are subject to United States federal income tax on a net income basis in the same manner as if the non-U.S. holder were a United States person as defined under the Code. Any such effectively connected dividends received by a foreign corporation may be subject to an additional "branch profits tax" at a 30% rate or such lower rate as may be specified by an applicable income tax treaty.

A non-U.S. holder of our common stock who wishes to claim the benefit of an applicable treaty rate and avoid backup withholding, as discussed below, for dividends will be required (a) to complete the applicable IRS Form W-8 and certify under penalty of perjury that such holder is not a United States person as defined under the Code and is eligible for treaty benefits or (b) if our common stock is held through certain foreign intermediaries, to satisfy the relevant certification requirements of applicable United States Treasury regulations. Special certification and other requirements apply to certain non-U.S. holders that are pass-through entities rather than corporations or individuals.

A non-U.S. holder of our common stock eligible for a reduced rate of United States withholding tax pursuant to an income tax treaty may obtain a refund of any excess amounts withheld by timely filing an appropriate claim for refund with the IRS. Non-U.S. holders are urged to consult their own tax advisors regarding their entitlement to the benefits under any applicable income tax treaty.

Gain on Disposition of Common Stock

Subject to the discussion of backup withholding and FATCA (as defined below) below, any gain realized by a non-U.S. holder on the taxable disposition of our common stock generally will not be subject to United States federal income tax unless:

- the gain is effectively connected with a trade or business of the non-U.S. holder in the United States (and, if required by an applicable income tax treaty, is attributable to a United States permanent establishment of the non-U.S. holder);
- the non-U.S. holder is an individual who is present in the United States for a period or periods aggregating 183 days or more in the taxable year of the disposition, and certain other conditions are met; or
- we are or have been a "United States real property holding corporation" for United States federal income tax purposes and certain other conditions are met.

An individual non-U.S. holder described in the first bullet point immediately above will be subject to tax on the net gain derived from the sale under regular graduated United States federal income tax rates. An individual non-U.S. holder described in the second bullet point immediately above will be subject to a flat 30% tax on the gain derived from the sale, which may be offset by United States source capital losses, even though the

individual is not considered a resident of the United States, provided that the individual has timely filed United States federal income tax returns with respect to such losses. If a non-U.S. holder that is a foreign corporation falls under the first bullet point immediately above, it will be subject to tax on its net gain in the same manner as if it were a United States person as defined under the Code and, in addition, may be subject to the branch profits tax equal to 30% (or such lower rate as may be specified by an applicable income tax treaty) of its effectively connected earnings and profits, subject to adjustments.

We believe we are not and do not anticipate becoming a "United States real property holding corporation" for United States federal income tax purposes.

Federal Estate Tax

Common stock held by an individual non-U.S. holder at the time of death will be included in such holder's gross estate for United States federal estate tax purposes, unless an applicable estate tax treaty provides otherwise.

Information Reporting and Backup Withholding

We must report annually to the IRS and to each non-U.S. holder the amount of dividends paid to such holder and the tax withheld with respect to such dividends, regardless of whether withholding was required. Copies of the information returns reporting such dividends and withholding may also be made available to the tax authorities in the country in which the non-U.S. holder resides under the provisions of an applicable income tax treaty.

A non-U.S. holder will be subject to backup withholding for dividends paid to such holder unless such holder certifies under penalty of perjury that it is a non-U.S. holder (and the payor does not have actual knowledge or reason to know that such holder is a United States person as defined under the Code), or such holder otherwise establishes an exemption.

Information reporting and, depending on the circumstances, backup withholding will apply to the proceeds of a sale of our common stock within the United States or conducted through certain United States-related financial intermediaries, unless the beneficial owner certifies under penalty of perjury that it is a non-U.S. holder (and the payor does not have actual knowledge or reason to know that the beneficial owner is a United States person as defined under the Code), or such owner otherwise establishes an exemption.

Any amounts withheld under the backup withholding rules may be allowed as a refund or a credit against a non-U.S. holder's United States federal income tax liability provided the required information is timely furnished to the IRS.

Additional Withholding Requirements

Under Sections 1471 through 1474 of the Code, or such Sections commonly referred to as FATCA, a 30% United States federal withholding tax may apply to any dividends paid on our common stock and, for a disposition of our common stock occurring after December 31, 2018, the gross proceeds from such disposition, in each case paid to (i) a "foreign financial institution" (as specifically defined in the Code) which does not provide sufficient documentation, typically on IRS Form W-8BEN-E, evidencing either (x) an exemption from FATCA, or (y) its compliance (or deemed compliance) with FATCA (which may alternatively be in the form of compliance with an intergovernmental agreement with the United States) in a manner which avoids withholding, or (ii) a "non-financial foreign entity" (as specifically defined in the Code) which does not provide sufficient documentation, typically on IRS Form W-8BEN-E, evidencing either (x) an exemption from FATCA, or (y) adequate information regarding certain substantial United States beneficial owners of such entity (if any). If a dividend payment is both subject to withholding under FATCA and subject to the withholding tax discussed above under "—Distributions," the withholding under FATCA may be credited against, and therefore reduce, such other withholding tax. You should consult your own tax advisor regarding these requirements and whether they may be relevant to your ownership and disposition of our common stock.

UNDERWRITING (Conflicts of Interest)

Subject to the terms and conditions set forth in an underwriting agreement among us and the underwriters, we have agreed to sell to the underwriters, and each of the underwriters has agreed, severally and not jointly, to purchase from us, the number of shares of common stock set forth opposite its name below.

Underwriter	of Shares
KKR Capital Markets LLC	
Total	

Subject to the terms and conditions set forth in the underwriting agreement, the underwriters have agreed, severally and not jointly, to purchase all of the shares sold under the underwriting agreement if any of these shares are purchased. If an underwriter defaults, the underwriting agreement provides that the purchase commitments of the non-defaulting underwriters may be increased or the underwriting agreement may be terminated.

We have agreed to indemnify the several underwriters against certain liabilities, including liabilities under the Securities Act, or to contribute to payments the underwriters may be required to make in respect of those liabilities.

The underwriters are offering the shares, subject to prior sale, when, as and if issued to and accepted by them, subject to approval of legal matters by their counsel, including the validity of the shares, and other conditions contained in the underwriting agreement, such as the receipt by the underwriters of officers' certificates and legal opinions. The underwriters reserve the right to withdraw, cancel or modify offers to the public and to reject orders in whole or in part.

Commissions and Discounts

The representatives have advised us that the underwriters propose initially to offer the shares to the public at the public offering price set forth on the cover page of this prospectus and to dealers at that price less a concession not in excess of \$ per share. After the initial offering, the public offering price, concession or any other term of the offering may be changed.

The following table shows the initial public offering price, underwriting discounts and commissions, and proceeds before expenses to us. The information assumes either no exercise or full exercise by the underwriters of their option to purchase additional shares.

	Per Share	Without Option	With Option
Initial public offering price	\$	\$	\$
Underwriting discounts and commissions	\$	\$	\$
Proceeds, before expenses, to us	\$	\$	\$

The expenses of the offering, not including the underwriting discounts and commissions, are estimated at \$\\$ and are payable by us. We have agreed to reimburse the underwriters for expenses relating to clearing of this offering with the Financial Regulatory Authority in an amount up to \$\\$.

Option to Purchase Additional Shares

We have granted an option to the underwriters, exercisable for 30 days after the date of this prospectus, to purchase up to additional shares at the public offering price, less the underwriting discount and commissions. The underwriters may exercise this option solely for the purpose of covering over-allotments, if any, made in connection with this offering. If the underwriters exercise this option, each will be obligated, subject to conditions contained in the underwriting agreement, to purchase a number of additional shares proportionate to that underwriter's initial amount reflected in the above table.

No Sales of Similar Securities

We, our directors and executive officers and the holders of % of our common stock prior to this offering will agree, for 180 days after the date of this prospectus, without first obtaining the written consent of the representative of the underwriters, not to directly or indirectly, subject to certain exceptions:

- · offer, sell or contract to sell any common stock;
- · sell any option or contract to purchase any common stock;
- purchase any option or contract to sell any common stock;
- · grant any option, right or warrant for the sale of any common stock;
- lend or otherwise dispose of or transfer any common stock;
- · request or demand that we file a registration statement related to the common stock; or
- enter into any swap or other agreement that transfers, in whole or in part, the economic consequence of ownership of any
 common stock whether any such swap or transaction is to be settled by delivery of shares or other securities, in cash or
 otherwise.

This lock-up provision applies to common stock and to securities convertible into or exchangeable or exercisable for common stock. It also applies to common stock owned now or acquired later by the person executing the agreement or for which the person executing the agreement later acquires the power of disposition.

Listing

We have applied to list our common stock on NASDAQ under the symbol "EYE." In order to meet the requirements for listing on that exchange, the underwriters have undertaken to sell a minimum number of shares to a minimum number of beneficial owners as required by that exchange.

Before this offering, there has been no public market for our common stock. The initial public offering price will be determined through negotiations between us and the underwriters. In addition to prevailing market conditions, the factors to be considered in determining the initial public offering price are:

- the valuation multiples of publicly traded companies that the underwriters believe to be comparable to us;
- our financial information;
- the history of, and the prospects for, our company and the industry in which we compete;
- an assessment of our management, our past and present operations, and the prospects for, and timing of, our future revenues;
- · the present state of our development; and
- the above factors in relation to market values and various valuation measures of other companies engaged in activities similar to ours.

An active trading market for the shares may not develop. It is also possible that after this offering the shares will not trade in the public market at or above the initial public offering price.

The underwriters do not expect to sell more than 5% of the shares in the aggregate to accounts over which they exercise discretionary authority.

Price Stabilization, Short Positions and Penalty Bids

Until the distribution of the shares is completed, SEC rules may limit underwriters and selling group members from bidding for and purchasing our common stock. However, the underwriters may engage in transactions that stabilize the price of the common stock, such as bids or purchases to peg, fix or maintain that price.

In connection with the offering, the underwriters may purchase and sell our common stock in the open market. These transactions may include short sales, purchases on the open market to cover positions created by

short sales and stabilizing transactions. Short sales involve the sale by the underwriters of a greater number of shares than they are required to purchase in the offering. "Covered" short sales are sales made in an amount not greater than the underwriters' option to purchase additional shares described above. The underwriters may close out any covered short position by either exercising their option to purchase additional shares or purchasing shares in the open market. In determining the source of shares to close out the covered short position, the underwriters will consider, among other things, the price of shares available for purchase in the open market as compared to the price at which they may purchase shares through the option granted to them. "Naked" short sales are sales in excess of such option. The underwriters must close out any naked short position by purchasing shares in the open market. A naked short position is more likely to be created if the underwriters are concerned that there may be downward pressure on the price of our common stock in the open market after pricing that could adversely affect investors who purchase in the offering. Stabilizing transactions consist of various bids for or purchases of shares of common stock made by the underwriters in the open market prior to the completion of the offering.

The underwriters may also impose a penalty bid. This occurs when a particular underwriter repays to the underwriters a portion of the underwriting discount received by it because the other underwriters have repurchased shares sold by or for the account of such underwriter in stabilizing or short covering transactions.

Similar to other purchase transactions, the underwriters' purchases to cover the syndicate short sales may have the effect of raising or maintaining the market price of our common stock or preventing or retarding a decline in the market price of our common stock. As a result, the price of our common stock may be higher than the price that might otherwise exist in the open market. The underwriters may conduct these transactions on NASDAQ, in the over-the-counter market or otherwise.

Neither we nor any of the underwriters make any representation or prediction as to the direction or magnitude of any effect that the transactions described above may have on the price of our common stock. In addition, neither we nor any of the underwriters make any representation that the underwriters will engage in these transactions or that these transactions, once commenced, will not be discontinued without notice.

Electronic Distribution

In connection with the offering, certain of the underwriters or securities dealers may distribute prospectuses by electronic means, such as e-mail.

Directed Share Program

At our request, the underwriters have reserved up to % of the shares of common stock being offered by this prospectus for sale at the initial public offering price to certain of our officers and employees and members of their respective families. The sales will be made at our direction by , an underwriter of this offering, and its affiliates through a directed share program. We do not know if these persons will choose to purchase all or any portion of these reserved shares, but any purchases they do make will reduce the number of shares available to the general public. Any reserved shares not so purchased will be offered by the underwriters to the general public on the same terms as the other shares of our common stock. Any shares sold in the directed share program to our executive officers who have entered into lock-up agreements described above will be subject to the provisions of such lock-up agreements. Other participants in the directed share program will be subject to a substantially similar lock-up with respect to any shares sold to them pursuant to that program.

Other Relationships

The underwriters and their respective affiliates are full service financial institutions engaged in various activities, which may include securities trading, commercial and investment banking, financial advisory, investment management, investment research, principal investment, hedging, financial and brokerage activities. Some of the underwriters and their respective affiliates have engaged in, and may in the future engage in, investment banking and other commercial dealings in the ordinary course of business with us or our affiliates. They have received, or may in the future receive, customary fees and commissions for these transactions. KKR Capital Markets LLC served as joint lead arranger and bookrunner for our first lien credit agreement and our second lien credit agreement. See "Certain Relationships and Related Party Transactions— Relationship with KKR Capital Markets." An affiliate of KKR Capital Markets LLC has been a participating lender under our revolving credit facility. See "Certain Relationships and Related Party Transactions—Relationship with KKR Capital Markets." As of July 1, 2017, investment funds or accounts managed or advised by KKR Credit held a

portion of the outstanding principal balance of our first lien term loans and as a result, may receive a portion of the proceeds hereof if such proceeds are used to repay our first lien term loans. See "Certain Relationships and Related Party Transactions—Relationship with KKR Credit" and "Use of Proceeds."

In addition, in the ordinary course of their business activities, the underwriters and their affiliates may make or hold a broad array of investments and actively trade debt and equity securities (or related derivative securities) and financial instruments (including bank loans) for their own account and for the accounts of their customers. Such investments and securities activities may involve securities and/or instruments of ours or our affiliates. The underwriters and their affiliates may also make investment recommendations and/or publish or express independent research views in respect of such securities or financial instruments and may hold, or recommend to clients that they acquire, long and/or short positions in such securities and instruments.

Conflicts of Interest

Affiliates of KKR Sponsor beneficially own (through investment in KKR Vision Aggregator L.P.) in excess of 10% of our issued and outstanding common stock. Because KKR Capital Markets LLC, an affiliate of KKR Sponsor, is an underwriter in this offering and its affiliates own in excess of 10% of our issued and outstanding common stock, KKR Capital Markets LLC is deemed to have a "conflict of interest" under Rule 5121 of FINRA. Accordingly, this offering is being made in compliance with the requirements of Rule 5121. Pursuant to that rule, the appointment of a "qualified independent underwriter" is not required in connection with this offering as the member primarily responsible for managing the public offering does not have a conflict of interest, is not an affiliate of any member that has a conflict of interest and meets the requirements of paragraph (f)(12)(E) of Rule 5121. KKR Capital Markets LLC will not confirm sales of the securities to any account over which it exercises discretionary authority without the specific written approval of the account holder.

For the purposes of this provision, the expression an "**offer of shares to the public**" in relation to any shares in any Relevant Member State means the communication in any form and by means of sufficient information on the terms of the offer and the shares to be offered so as to enable an investor to decide to purchase shares, as the same may be varied in that Member State by any measure implementing the Prospectus Directive in that Member State, the expression "Prospectus Directive" means Directive 2003/71/EC (as amended, including by Directive 2010/73/EU), and includes any relevant implementing measure in the Relevant Member State.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors and Stockholders of National Vision Holdings, Inc. and Subsidiaries Duluth, GA

We have audited the accompanying consolidated financial statements of National Vision Holdings, Inc. and subsidiaries (the "Company") which comprise the consolidated balance sheets as of December 31, 2016 (Successor) and January 2, 2016 (Successor), and the related consolidated statements of operations and comprehensive income (loss), stockholders' equity (deficit), and cash flows for the years ended December 31, 2016 (Successor) and January 2, 2016 (Successor), the period from March 13, 2014 to January 3, 2015 (Successor), and the period from December 29, 2013 to March 12, 2014 (Predecessor), and the related notes to the consolidated financial statements. Our audits also included the financial statement schedule listed in the Index to the Financial Statements. These consolidated financial statements and financial statement schedule are the responsibility of the Company's management. Our responsibility is to express an opinion on these consolidated financial statements and financial statement schedule based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audits included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the consolidated financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements present fairly, in all material respects, the financial position of National Vision Holdings, Inc. and subsidiaries as of December 31, 2016 (Successor) and January 2, 2016 (Successor), and the results of their operations and cash flows for the years ended December 31, 2016 (Successor) and January 2, 2016 (Successor), the period from March 13, 2014 to January 3, 2015 (Successor), and the period from December 29, 2013 to March 12, 2014 (Predecessor) in conformity with accounting principles generally accepted in the United States of America. Also, in our opinion, the financial statement schedule, when considered in relation to the basic consolidated financial statements taken as a whole, presents fairly in all material respects the information set forth therein.

As discussed in Note 2, National Vision, Inc. was acquired by Nautilus Merger Sub, Inc., an indirect wholly-owned subsidiary of the Company (both affiliates of Kohlberg Kravis Roberts & Co. L.P.), on March 13, 2014 (date of acquisition). In accordance with the acquisition method of accounting, National Vision, Inc.'s assets and liabilities were adjusted to their estimated fair values on the date of acquisition. As a result, the Company's consolidated financial statements for the period prior to the acquisition (the Predecessor period) are not comparable to the periods after the acquisition (the Successor periods).

Nature of Operations

National Vision Holdings, Inc. ("NVHI," the "Company," "we," "our," or "us") is the parent company of Nautilus Acquisition Holdings, Inc. ("NAH"). NAH conducts substantially all of its activities through its direct wholly owned subsidiary, National Vision, Inc. ("NVI") and NVI's direct wholly owned subsidiaries. The Company was formed on February 14, 2014 for the purpose of acquiring NVI (the "Acquisition"). See Note 2 for further information regarding the Acquisition.

We are a leading value retailer and manufacturer of eyeglasses and value retailer of contact lenses in the United States. We operated 943 and 858 retail optical locations in the United States and its territories as of the years ended December 31, 2016 and January 2, 2016, respectively, through our five store brands, including America's Best Contacts and Eyeglasses ("ABC"), Eyeglass World ("EGW"), Vista Optical locations on U.S. Army/Air Force military bases ("MIL") and within Fred Meyer ("FM") stores, and our management and services arrangement with Walmart ("legacy").

We sell contact lenses and optical accessory products to retail customers through our wholly owned e-commerce subsidiary, Arlington Contact Lens Service, Inc. ("AC Lens"). AC Lens operates several of its own proprietary retail web sites as well as web sites on behalf of certain independent retailers and insurance companies. AC Lens also distributes contact lenses to Walmart and Sam's Club under fee for services arrangements. Under the associated agreements, AC Lens sells contact lens products to Walmart and Sam's Club store locations at its cost, and earns a fulfillment fee per order shipped.

We sell single service health plans in connection with the operations of ABC in California, and arrange for the provision of eye exams at retail locations throughout California through our wholly-owned specialized health maintenance organization ("HMO"), FirstSight Vision Services, Inc. ("FSI"). As of December 31, 2016, FSI operated 162 optometric offices, 152 in Walmart locations in California, of which 43 are adjacent to vision centers we manage and that FSI subleases from us and 109 that are leased directly from Walmart, as well as 10 adjacent to EGW stores. In addition to providing optometric services in all locations, in certain of these locations FSI sells contact lenses to its members.

Fiscal Year

We operate on a fiscal calendar widely used by the retail industry that results in a given fiscal year consisting of a 52- or 53-week period ending on the last Saturday in December or the first Saturday in January of the next calendar year. In a 52-week fiscal year, each quarter contains 13 weeks of operations; in a 53-week fiscal year, each of the first, second and third quarters includes 13 weeks of operations and the fourth quarter includes 14 weeks of operations.

References herein to "fiscal year 2016" relate to the 52 weeks ended December 31, 2016. References herein to "fiscal year 2015" relate to the 52 weeks ended January 2, 2016.

For the purpose of discussing our financial results, we refer to ourselves as the "Successor" in the periods following the Acquisition and the "Predecessor" during the periods preceding the Acquisition. References herein to the Successor period ended January 3, 2015 ("2014 Successor period") relate to the period from March 13, 2014 to January 3, 2015. References herein to the Predecessor period ended March 12, 2014 ("2014 Predecessor period") relate to the period from December 29, 2013 to March 12, 2014. Unless otherwise stated, references to years in this report relate to fiscal years rather than calendar years.

Basis of Presentation and Principles of Consolidation

We prepare our consolidated financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). The consolidated financial statements include our accounts and those of our subsidiaries, all of which are wholly-owned. All intercompany balances and transactions have been eliminated in consolidation.

1. Business and Significant Accounting Policies (continued)

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Property and Equipment

Property and equipment ("P&E") is stated at cost less accumulated depreciation. Depreciation associated with P&E is presented in depreciation and amortization in the accompanying consolidated statements of operations and comprehensive income (loss). When we retire or otherwise dispose of P&E, the cost and related accumulated depreciation are removed from the accounts and any gain or loss on sale of such assets is included in selling, general, and administrative ("SG&A") expenses in the consolidated statements of operations and comprehensive income (loss). Major replacements, remodeling, or betterments are capitalized. Expenditures for maintenance and repairs are charged to SG&A.

P&E is depreciated using the straight-line method over the following estimated useful lives:

Buildings	34 years
Land improvements(a)	10 years
Equipment ^(b)	5 - 7 years
Information systems hardware and software	3 - 5 years
Furniture and fixtures	6 years
Leasehold improvements ^(a)	10 years
P&E under capital leases	Shorter of useful life or lease term

⁽a) Depreciation of leasehold and land improvements is recognized over the shorter of the estimated useful life of the asset or the term of the lease. The term of the lease includes renewal options for additional periods if the exercise of the renewal is considered to be reasonably assured.

Goodwill and Intangible Assets

Indefinite-lived, non-amortizing intangible assets include goodwill and our tradenames. Goodwill and tradenames are evaluated annually for impairment.

Definite-lived, amortizing intangible assets primarily consist of our contracts and relationships with certain retailers, and also our customer database tool. We amortize definite-lived identifiable intangible assets on a straight-line basis over their estimated useful lives, ranging from four to 23 years. Amortization expense associated with definite-lived intangible assets is presented in depreciation and amortization in the accompanying consolidated statements of operations and comprehensive income (loss).

Fair Value Measurement of Assets and Liabilities (Non-Recurring Basis)

Non-financial assets such as P&E, intangible assets, and goodwill are subject to nonrecurring fair value measurements if impairment indicators are present. Factors we consider important that could trigger an impairment review include a significant under-performance relative to expected operating results, a significant or adverse change in customer business climate, or a significant negative industry or economic trend. Our annual testing date for impairment of goodwill and indefinite-lived intangible assets is the first day of the fourth fiscal quarter, which for fiscal years 2016 and 2015 was October 2, 2016, and October 4, 2015, respectively.

Impairment of P&E

We evaluate long-lived tangible store assets at an individual store level, which is the lowest level at which independent cash flows can be identified, when events or conditions indicate the carrying value of such assets

⁽b) Costs of developing or obtaining software for internal use, such as direct costs of materials or services and internal payroll costs related to the software development projects, are capitalized to equipment.

1. Business and Significant Accounting Policies (continued)

may not be recoverable. If the store's projected undiscounted cash flows expected to be generated by the related assets over the remaining useful life are less than the carrying value of the related assets, we measure impairment based on a discounted cash flow model (Level 3 inputs) and record an impairment loss as the difference between carrying value and estimated fair value.

In circumstances where a discounted cash flow analysis is not appropriate for assessing impairment of P&E, we use a liquidation approach, whereby we estimate the fair value of the subject assets based on the expected sales value that a market participant would be willing to pay for the assets in their current location and condition, net of expected cost to remove and transport the assets to the buyer where applicable. Refer to Note 4 for further detail on impairment testing results.

As a result of our tests for impairment of our retail store long-lived assets classified as held and used, impairment of \$1.2 million, \$2.4 million, and \$0.4 million was recorded for fiscal year 2016 (Successor), fiscal year 2015 (Successor), and the 2014 Successor period, respectively. No impairment was identified in the 2014 Predecessor period. As of fiscal year end 2016 (Successor), the remaining fair value of the impaired assets was \$38 thousand. As of fiscal year end 2015 (Successor), there was no remaining fair value of the impaired assets.

We assess non-store tangible assets, including capitalized software costs in use or under development, for impairment if events or changes in circumstances indicate that the carrying value of those assets may not be recoverable. There was no impairment associated with software costs in fiscal year 2016 (Successor). An impairment loss of \$0.5 million was recorded in fiscal year 2015 (Successor) associated with software that was replaced during the year. No impairment was identified in the 2014 Successor period or 2014 Predecessor period.

Impairment of goodwill and intangible assets

If impairment indicators related to amortizing intangible assets are present, we estimate cash flows expected to be generated over the remaining useful lives of the related assets based on current projections. If the projected undiscounted cash flows are less than the carrying value of the related assets, we measure impairment as the difference in carrying value and estimated fair value calculated using a discounted cash flow model (Level 3 inputs).

We evaluate non-amortizing tradenames for impairment annually or whenever events or changes in circumstances indicate that those assets may be impaired. We use the relief-from-royalty method in our evaluations, whereby an estimated royalty rate is determined based on comparable licensing arrangements which is applied to the revenue projections for the applicable indefinite-lived tradename, and the estimated fair value is calculated using a discounted cash flow analysis (Level 3 inputs). We record an impairment loss as the excess of carrying value over estimated fair value.

We utilize a two-step process to test goodwill for impairment annually or whenever events or changes in circumstances indicate goodwill may be impaired. We consider each of our operating segments to be separate reporting units. We calculate the fair value of our reporting units primarily utilizing the income approach. The income approach is based on a discounted cash flow analysis and calculates the fair value of reporting units by estimating after-tax cash flows attributable to the reporting units and then discounting the after-tax cash flows using the weighted average cost of capital. The cash flows utilized in the discounted cash flow analysis are based on financial forecasts developed internally by management (Level 3 inputs) and require significant judgment. If the carrying amount of a reporting unit exceeds its fair value, the Company compares the implied fair value of the reporting unit goodwill with its carrying value. To compute the implied fair value of goodwill, the Company assigns the fair value of the reporting unit to all of the assets and liabilities of that unit (including any unrecognized intangible assets) as if the reporting unit had been acquired in a business combination. The excess of the fair value of a reporting unit over the amounts assigned to its assets and liabilities is the implied fair value of goodwill. An impairment charge is recognized for the amount, if any, by which the carrying amount of goodwill exceeds its implied fair value. See Note 4 for further detail on goodwill impairment.

Revenue Recognition

Product revenues include sales of prescription and non-prescription eyewear, contact lenses, and related accessories to retail customers and sales of inventory in which our customer is another retail entity. Revenues from services and plans include eye exams, discount club membership fees, product protection plans (i.e. warranties), and HMO membership fees. Service revenue also includes fees we earn for managing certain vision centers for our legacy partner, and fulfillment fees earned by AC Lens.

Our retail customers generally make payments for prescription eyewear products at the time they place an order. Amounts we collect in advance for undelivered merchandise are reported as unearned revenue in the accompanying consolidated balance sheets. Unearned revenue at the end of a reporting period is estimated based on delivery times throughout the concurrent month and generally ranges from four to 10 days. For sales of in-store non-prescription eyewear and related accessories, and paid eye exams, we generally recognize revenue at the point of sale. Revenue is recognized net of sales taxes and returns. The returns allowance is based on historical return patterns.

At our ABC brand, our lead offer is two pairs of eyeglasses and a free eye exam for one low price ("two-pair deal"). We concluded the offer represents a multiple element arrangement. The Company has determined that the eye examinations sold to its ABC customers within its two-pair deal represent a separate unit of accounting. However, the arrangement with the customer requires delivery of acceptable prescription eyeglasses, otherwise the Company refunds the entire price of the two-pair deal. As a result, we do not allocate revenue to the eye exam associated with the two-pair deal, and we record all revenue associated with the two-pair deal in net product sales when the customer has received and accepted the product.

We offer extended warranty plans that generally provide for repair and replacement of eyeglasses for a one- or two-year period after purchase. We offer three- and five-year service programs to our contact lens customers. In California, we offer 12-month HMO memberships through our FSI subsidiary. We recognize service revenue under these programs on a straight-line basis over the warranty or service period. Amounts collected in advance for these programs are reported as deferred revenue in the accompanying consolidated balance sheets. Refer to Note 12 for further details.

Cost Applicable To Revenue

Costs applicable to revenue consist primarily of cost of products sold and costs of administering services and plans. Costs of products sold include (i) costs to procure non-prescription eyewear, contacts, and accessories which we purchase and sell in their finished form, (ii) costs to manufacture finished prescription eyeglasses, including direct materials, labor, and overhead, and (iii) remake costs, warehousing and distribution expenses, and internal transfer costs. Costs of services and plans include costs associated with warranty programs, eye care and discount club memberships, HMO membership fees, eye care practitioner and exam technician payroll, taxes, and benefits, and optometric and other service costs.

As a component of the Company's consolidated procurement program, the Company frequently enters into contracts with vendors that provide for payments of rebates or other allowances. These vendor payments are reflected in the carrying value of the inventory when earned or as progress is made toward earning the rebate or allowance and as a component of cost of products as the inventory is sold. Certain of these vendor contracts provide for rebates and other allowances that are dependent upon the Company meeting specified performance measures such as a cumulative level of purchases over a specified period of time. Such rebates and other allowances are given accounting recognition at the point at which achievement of the specified performance measures is deemed to be probable and reasonably estimable. Vendor rebates and allowances were less than 2.0% of costs of products for fiscal years 2016 and 2015, the 2014 Successor period, and the 2014 Predecessor period.

Selling, General and Administrative Expenses

SG&A includes store associate payroll, taxes, and benefits, store occupancy, advertising and promotion, field supervision, and corporate support.

1. Business and Significant Accounting Policies (continued)

Advertising and promotion costs, including online marketing arrangements, newspaper, direct mail, television and radio, are recorded in SG&A and expensed at the time the advertising first takes place. Production costs of future media advertising and related promotional campaigns are deferred until the advertising events first occur. Advertising expenses were \$85.4 million for fiscal year 2016 (Successor), \$77.0 million for fiscal year 2015 (Successor), \$45.6 million in the 2014 Successor period, and \$13.2 million in the 2014 Predecessor Period.

Non-capital expenditures associated with opening new stores, including rent, store remodels, marketing expenses, travel and relocation costs, and training costs, are recorded in SG&A as incurred.

Leases

We lease our retail stores, optometric examination offices, distribution centers, vehicles, office space and optical labs, with the exception of our St. Cloud, Minnesota lab, which we own. Rent expense on operating leases is recorded in SG&A on a straight-line basis over the term of the lease, commencing on the date the Company takes possession of the leased property. Generally, the Company is required to pay base rent, real estate taxes, maintenance, and insurance. Certain of our lease agreements include rent holidays and rent escalation provisions and may include contingent rent provisions for percentage of sales in excess of specified levels. The Company recognizes rent holidays, including the time period during which the Company has control of the property prior to the opening of the store, as well as escalating rent provisions, as deferred rent expense and amortizes these balances on a straight-line basis over the term of the lease. Deferred rent is included in non-current other liabilities on the accompanying consolidated balance sheets.

For leases classified as capital leases, the capital lease asset is recorded as P&E and a corresponding amount is recorded as a long-term debt obligation in the accompanying consolidated balance sheets at an amount equal to the lesser of the net present value of minimum lease payments to be made over the lease term or the fair value of the property being leased. The Company allocates each lease payment between a reduction of the lease obligation and interest expense using the effective interest method.

See Note 5 for further details related to our capital lease commitments, and Note 13 for further details related to our operating lease commitments.

Tenant improvement allowances ("TIAs") are contractual amounts received by a lessee from a lessor for improvements made to leased properties by the lessee. TIAs are recorded in other non-current liabilities in the accompanying consolidated balance sheets, and are amortized against rent expense over the life of the respective leases. Receivables from the lessor are recorded in accounts receivable in the accompanying consolidated balance sheets.

In the event a leased store is closed before the expiration of the associated lease, the discounted remaining lease obligation less estimated sublease rental income, asset impairment charges related to improvements and fixtures, inventory write-downs, and other miscellaneous closing costs associated with the disposal activity are recognized when the store closes. Store closure costs are recorded in current and non-current other liabilities in the accompanying consolidated balance sheets and are not material.

Stock-Based Compensation

We measure stock-based compensation cost, which consists of grants of stock options to employees, based on the estimated grant date fair value of the awards. We recognize compensation costs for time-based vesting awards over the requisite service period. For awards that are subject to performance conditions, we recognize compensation expense once achievement of the conditions is considered to be probable. Our share-based compensation plans are described further in Note 6.

Income Taxes

We account for deferred income taxes based on the asset and liability method. The Company must make certain estimates and judgments in determining income tax expense. The Company is required to determine the aggregate amount of income tax expense to accrue and the amount which will be currently payable or refundable

1. Business and Significant Accounting Policies (continued)

based upon tax statutes of each jurisdiction in which the Company does business. Deferred income taxes are recognized for the estimated future tax consequences attributable to differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax bases. Deferred tax assets also include future tax benefits to be derived from the utilization of tax loss carry-forwards and application of certain carry-forward credits. The net carrying amount of deferred income tax assets and liabilities is recorded in non-current deferred income tax liabilities in the accompanying consolidated balance sheets.

Deferred income taxes are measured using enacted tax rates in effect for the years in which those differences are expected to be recovered or settled. The effect on deferred taxes from a change in the tax rate is recognized through continuing operations in the period that includes the enactment of the change. Changes in tax laws and rates could affect recorded deferred tax assets and liabilities in the future.

A valuation allowance is recorded if it is more-likely-than-not that some portion of a deferred tax asset will not be realized. Valuation allowances are released as positive evidence of future taxable income sufficient to realize the underlying deferred tax assets becomes available.

We establish a liability for tax positions for which there is uncertainty as to whether the position will ultimately be sustained. We assess our tax positions by determining whether it is more-likely-than-not that a tax position will be sustained upon examination by the appropriate taxing authorities, including resolution of any related appeals or litigation, based solely on the technical merits of the position. These calculations and assessments involve estimates and judgments because the ultimate tax outcomes are uncertain and future events are unpredictable. See Note 7 for further details.

Cash and Cash Equivalents

Cash consists of currency and demand deposits with banks. We consider all highly liquid investments with an original maturity of three months or less at the date of purchase to be cash equivalents. We maintain the majority of our cash and cash equivalents in one large national banking institution. Such amounts are in excess of federally insured limits. The Company also reviews cash balances on a bank by bank basis to identify book overdrafts. Book overdrafts occur when the amount of outstanding checks exceed the cash deposited at a bank. The Company reclassifies book overdrafts, if any, to accounts payable.

Accounts Receivable, Net

Accounts receivable consists primarily of credit card receivables and receivables from health care plans and programs located throughout the United States ("managed care"). Accounts receivable are reduced by allowances for amounts that may become uncollectible. Estimates of our allowance for uncollectible accounts are based on our historical and current operating, billing, and collection trends.

Managed care represents 38% of accounts receivable, net, presented in the accompanying consolidated balance sheet as of fiscal year end 2016 (Successor). A relatively small number of payors comprise the majority of our managed care receivables, which potentially subjects us to concentration of credit risk. We monitor the financial condition of managed care payors and establish an allowance for doubtful accounts for balances estimated to be uncollectible. Receivables from Sam's Club represent another 22% of the overall net accounts receivable balance as of fiscal year end 2016 (Successor). See Note 3 for further details.

Inventories

The cost of inventory is determined using the weighted average cost method. Inventories at retail stores are comprised of finished goods and are valued at the lower of cost or estimated net realizable value ("NRV"). Manufacturing inventories are valued using full absorption accounting which includes material, labor, other variable costs, and other applicable manufacturing overhead. Inventory values are adjusted for estimated obsolescence and written down to NRV based on estimates of current and anticipated demand, customer preference, merchandise age, planned promotional activities, technology developments, market conditions, and estimates of future retail sales prices. Shrinkage is estimated and recorded throughout the period as a percentage of cost of sales based on historical results and current inventory levels. Actual shrinkage is recorded throughout the year based upon periodic physical counts. See Note 3 for further details.

1. Business and Significant Accounting Policies (continued)

The Company's inventory purchasing consists primarily of contact lenses, eyeglasses frames, and unprocessed eyeglass lenses. Our inventory is supplied by a small number of key vendors. During fiscal year 2016 (Successor), three vendors supplied 94% of contact lenses, two vendors supplied 44% of frames, and two vendors provided 89% of lenses. This exposes us to concentration of vendor risk.

Prepaid Expenses and Other Current Assets

Prepaid expenses and other current assets include primarily prepaid software maintenance and licensing fees, prepaid rent, prepaid insurance, printed materials, and income taxes receivable.

Deferred Financing Costs and Loan Discounts

Costs incurred in connection with placement of long-term debt paid directly to the Company's lenders and to third parties are treated as a debt discount. Loan discounts are amortized over the term of the related financing agreement and included in interest expense in the accompanying statements of operations and comprehensive income (loss). The unamortized portion of loan discounts is reflected as a reduction in the related long-term debt.

Other Non-Current Assets

Other non-current assets consist primarily of our equity and cost method investments, below market leases, security deposits associated with leased properties, and other long-term prepaid expenses.

Self-Insurance Accruals

We are primarily self-insured for workers' compensation, employee health benefits, and general liability claims. We record self-insurance liabilities based on claims filed, including the development of those claims, and an estimate of claims incurred but not yet reported. Should a different amount of claims occur compared to what was estimated, or costs of the claims increase or decrease beyond what was anticipated, reserves may need to be adjusted accordingly. We determine our workers' compensation liability claims reserves based on available claims data, historical trends and experience, and projected ultimate costs of the claims. We periodically update our estimates and record such adjustments in the period in which such determination is made. Self-insurance reserves are recorded in other payables and accrued expenses (current portion) and other non-current liabilities on an undiscounted basis in the accompanying consolidated balance sheets. We reinsure worker's compensation and medical claims above our retention levels of \$0.3 million per claim and \$0.2 million per individual, respectively. Estimated recoveries from reinsurance are included in prepaid expenses and other current assets in the amounts of \$0.4 million (current portion) as of fiscal year end 2016 (Successor), respectively, and other assets in the amounts of \$0.7 million and \$0.9 million (non-current portion) as of fiscal year end 2016 (Successor) and fiscal year end 2015 (Successor), respectively, on the accompanying consolidated balance sheets. The accrued obligation for self-insurance programs was \$11.1 million and \$9.9 million as of fiscal year end 2016 (Successor) and fiscal year end 2015 (Successor), respectively.

Derivative Financial Instruments

The Company uses interest rate swaps to manage its exposure to adverse fluctuations in interest rates by converting a portion of our debt portfolio from a floating rate to a fixed rate. We designate our interest rate swaps as cash flow hedges and formally document our hedge relationships, including identification of the hedging instruments and the hedged items, as well as our risk management objectives and strategies for undertaking the hedge transactions. We record all interest rate swaps in our consolidated balance sheets on a gross basis at fair value. We do not hold or enter into financial instruments for trading or speculative purposes.

The effective portion of the gain or loss on the derivatives is reported as a component of accumulated other comprehensive loss in the accompanying consolidated balance sheets and other comprehensive loss, net of tax, within the consolidated statements of operations and comprehensive income (loss) and is reclassified into

1. Business and Significant Accounting Policies (continued)

earnings in the same period in which the hedged transaction affects earnings. The effective portion of the derivative represents the change in fair value of the hedged item. To the extent changes in fair values of the instruments are not highly effective, the ineffective portion of the hedge is immediately recognized in earnings.

We perform periodic assessments of the effectiveness of our derivative contracts designated as hedges, including the possibility of counterparty default. We believe our derivative contracts will continue to be highly effective in offsetting changes in cash flow attributable to floating interest rate risk.

To manage credit risk associated with our interest rate hedging program, we select counterparties based on their credit ratings and limit our exposure to any single counterparty. The counterparties to our derivative contracts are major domestic financial institutions with investment grade credit ratings. We periodically monitor the credit risk of our counterparties and adjust our hedging position as appropriate. The impact of credit risk, as well as the ability of each party to fulfill its obligations under our derivative financial instruments, is considered in determining the fair value of the contracts. Credit risk has not had a significant effect on the fair value of our derivative contracts. We do not have any credit risk-related contingent features or collateral requirements with our derivative financial instruments.

See Note 8 for further details.

Accumulated Other Comprehensive Loss

Accumulated other comprehensive loss is defined as the change in equity of a business enterprise during a period from transactions and other events and circumstances from non-owner sources. Accumulated other comprehensive loss, net of income tax, is entirely comprised of the cumulative change in the fair value of our hedging instruments since the inception date of March 13, 2014 (Successor). There were no reclassifications of other comprehensive loss to earnings during fiscal year 2016 (Successor) and fiscal year 2015 (Successor).

Correction of an Error

Subsequent to the issuance of our 2016 consolidated financial statements, we identified certain classification errors related to our Legacy segment revenues whereby we overstated revenues from services and plans and understated revenues from products by \$7.2 million, \$7.6 million, \$5.9 million, and \$1.7 million for fiscal years 2016 and 2015, the 2014 Successor period and the 2014 Predecessor period, respectively. As a result, consolidated net product sales were understated and consolidated net sales of services and plans were overstated by these same amounts. We have corrected the error for all periods presented. There was no impact to total Legacy segment net revenues, Legacy segment EBITDA, total consolidated net revenues or any measure of profit or income.

Recently Issued Accounting Pronouncements

In May 2014, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") No. 2014-09, *Revenue from Contracts with Customers*, to clarify the principles used to recognize revenue for all entities. ASU 2014-09 provides new guidance related to the core principle that an entity recognizes revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. The new guidance also will result in enhanced disclosures about revenue, provide guidance for transactions that were not previously addressed comprehensively, and improve guidance for multiple-element arrangements. During 2016, the FASB issued additional ASUs to clarify certain aspects of ASU 2014-09, including ASU 2016-08, *Principal versus Agent Considerations (Reporting Revenue Gross versus Net)* in March 2016, and ASU 2016-10, *Identifying Performance Obligations and Licensing* in April 2016. The guidance is effective for fiscal years beginning after December 15, 2017, and interim reporting periods within that fiscal year. We will adopt this new guidance in the first quarter of 2018, and our adoption method will be the modified retrospective method. The most significant components of the new guidance to the Company relate to performance obligations surrounding our two-pair deal and reporting revenue gross versus net related to our management and services agreement with our legacy partner. We expect adoption to result in additional disclosures relating to revenue.

1. Business and Significant Accounting Policies (continued)

In April 2015, the FASB issued ASU 2015-03, *Interest - Imputation of Interest, Simplifying the Presentation of Debt Issuance Costs.* This new guidance requires that debt issuance costs related to a recognized debt liability be presented in the balance sheet as a direct deduction from the carrying amount of debt rather than as an asset. Amortization of the debt issuance costs continues to be reported as interest expense. The guidance requires retrospective application to all periods presented in the consolidated financial statements and represents a change in accounting principle. The new guidance was effective for fiscal years beginning after December 15, 2015, and interim reporting periods within that fiscal year. The Company adopted this new guidance as of the third quarter ended October 1, 2016. As a result of the adoption of the new guidance, the Company presented capitalized debt issuance costs in its consolidated balance sheets as a direct reduction to debt and the new guidance was retrospectively applied to all prior periods presented in its consolidated balance sheets. The application of the new guidance resulted in a reclassification of \$17.6 million in deferred financing fee assets to long-term debt, less current portion and debt discount, as of the fiscal year end 2015 (Successor).

In February 2016, the FASB issued ASU 2016-02, *Leases*. The new guidance establishes a right-of-use ("ROU") model that requires a lessee to record a ROU asset and a lease liability on the balance sheet for all leases with terms longer than 12 months. Leases will be classified as either financing or operating, with such classification affecting the pattern of expense recognition in the statement of operations. The guidance is effective for fiscal years beginning after December 15, 2018, and interim reporting periods within that fiscal year. A modified transition approach is required for lessees for capital and operating leases existing at, or entered into after, the beginning of the earliest comparative period presented in the financial statements, with certain practical expedients available. The Company will adopt this new guidance in the first quarter of 2019. We are evaluating the impact of implementation of this new guidance on our financial statements, but we expect that adoption will have a material impact to our total assets and liabilities since we have a significant number of operating leases not currently recognized on our consolidated balance sheets.

In April 2016, the FASB issued ASU 2016-09, *Improvements to Employee Share-Based Payment Accounting*. This new guidance simplifies the accounting for share-based payment transactions, including income tax consequences, classification of certain items on the statement of cash flows, forfeitures, and minimum statutory withholding requirements. This new guidance is effective for fiscal years beginning after December 15, 2016, and interim reporting periods within that fiscal year. We adopted this new guidance in the first quarter of fiscal year 2017. The adoption of this new guidance did not have a material effect on the Company's financial condition, results of operations, or cash flows.

In January 2017, the FASB issued ASU 2017-04, *Intangibles - Goodwill and Other*. This new guidance removes Step 2 of the goodwill impairment test. A goodwill impairment will now be the amount by which a reporting unit's carrying value exceeds its fair value, not to exceed the carrying amount of goodwill. The new guidance will be applied prospectively, and is effective for annual or any interim goodwill impairment tests in fiscal years beginning after December 15, 2019. Early adoption is permitted for interim or annual goodwill impairment tests performed on testing dates after January 1, 2017. We adopted this new guidance during the first quarter of fiscal year 2017. The adoption of this new guidance did not have a material effect on the Company's financial condition, results of operations, or cash flows.

2. The Merger/Successor and Predecessor Accounting and Reporting

Through March 12, 2014, NVI operated as a wholly-owned subsidiary of Vision Holding Corp. ("VHC"), an affiliate of the private investment firm Berkshire Partners LLC ("Berkshire"). On February 6, 2014, VHC entered into an Agreement and Plan of Merger (the "Agreement") with Nautilus Merger Sub, Inc. ("NMS"), its parent NAH, and BSR LLC under which NMS would merge with and into VHC. NMS and NAH are affiliates of Kohlberg Kravis Roberts & Co. L.P. ("KKR Sponsor"). BSR LLC is an affiliate of Berkshire. Following the merger of NMS into VHC, VHC was merged into NVI.

The merger contemplated under the Agreement was completed on March 13, 2014, upon which date the majority ownership of the Company was transferred from private equity funds managed by Berkshire to affiliates of KKR Sponsor. Following the Acquisition, NVI became a wholly-owned subsidiary of NAH.

2. The Merger/Successor and Predecessor Accounting and Reporting (continued)

All acquisition-related transactions were pushed down to the Company using purchase accounting. As a result, our consolidated financial statements for the periods prior to the Acquisition are not comparable to those for the period after the Acquisition. Total net assets acquired were \$537.2 million in exchange for cash consideration of \$415.9 million and \$121.3 million of previous shareholders' and options holders' roll-over investments.

The following table summarizes the estimated fair values of assets acquired and liabilities assumed (in thousands):

Cash and cash equivalents	\$ 78,932
Accounts receivables	22,081
Inventories	63,575
Prepaid expenses and other current assets	10,875
Property and equipment	149,492
Identifiable intangible assets	348,351
Goodwill	806,222
Other assets	31,581
Total assets acquired	1,511,109
Accounts payable and other payables and accrued expenses	136,993
Unearned and deferred revenue	64,943

Deferred income taxes	120,176
Other liabilities	25,846
Total liabilities assumed	 973,952
Net assets acquired	\$ 537,157

None of the goodwill recorded in the transaction is tax-deductible. Goodwill recorded for each of our six reporting units at Acquisition was calculated as the difference between the estimated enterprise fair value of each reporting unit and the estimated fair value of the net identifiable assets acquired for each reporting unit. See Note 4 for further details related to goodwill.

Acquisition related costs included in the accompanying consolidated statements of operations and comprehensive income (loss) include legal, accounting and tax advice as well as participation of advisers in the due diligence reviews of prospective purchasers.

Certain expenses were contingent upon change in control and were reflected in neither the Predecessor nor Successor periods, as summarized below (in thousands).

4. Goodwill and Intangible Assets

A goodwill impairment of \$3.3 million and \$4.8 million was identified at the AC Lens reporting unit for fiscal year 2016 (Successor) and fiscal year 2015 (Successor), respectively, as a result of performing our annual impairment tests. The primary reason for the impairment charges in each year was due to competitive pressure in the e-commerce contact lens business. As of fiscal year end 2016 (Successor), there was no remaining goodwill at the AC Lens reporting unit.

We determined that the results of the goodwill impairment test was an indicator of impairment of definite-lived, amortizing intangible assets and P&E at AC Lens. As a result of our tests for impairment of those assets, we recorded impairment of \$1.3 million in indefinite-lived intangible assets and impairment of \$1.2 million in P&E for fiscal year 2016 (Successor). There was no remaining fair value of definite-lived intangible assets after the impairment charges, and the remaining fair value of the P&E was \$0.3 million.

A goodwill impairment of \$4.2 million was identified at the Fred Meyer reporting unit for the 2014 Successor period, primarily as a result of decreases in long-range sales projections from the date of the Acquisition to the impairment measurement date. The remaining balance of \$11.5 million of goodwill at the reporting unit was unchanged for fiscal years 2016 (Successor) and 2015 (Successor).

There was no impairment of goodwill recorded at any reporting unit related to the 2014 Predecessor period.

The following table presents the changes in the carrying amount of our goodwill since the Acquisition:

Credit Agreements

In connection with the Acquisition, our subsidiary NVI repaid its previously outstanding term loan on March 13, 2014 and entered into new syndicated First Lien and Second Lien Credit Agreements. Under those agreements, NVI is the "borrower." Borrowings under the First Lien and Second Lien Credit Agreements are secured by substantially all of NVI's assets. References to "we," or "our" below relate to NVI.

The First Lien Term Loan bears interest, at our election, at either 2.0% over "ABR" (as defined below) or 3.0% over the London Interbank Offered Rate ("LIBOR"). The Second Lien Term Loan bears interest, at our election, at either 4.75% over ABR or 5.75% over LIBOR. In both the First Lien and Second Lien Credit Agreements, ABR is defined as the highest of (i) the Federal Funds Effective Rate plus 0.5%, (ii) the prime rate of interest quoted by the respective administrative agents, or (iii) 30-day LIBOR plus 1.0%. Further, in both the First Lien and Second Lien Credit Agreements, ABR may not be less than 2.0% and LIBOR may not be less than 1.0%.

The principal under the First Lien Credit Agreement is payable in equal installments of \$1.6 million on the last business day of each of our fiscal quarters. We are required to prepay an amount equal to 50% of the preceding fiscal year's excess cash flow, as defined in the agreement. The required prepayment is reduced to 25% of the preceding year's excess cash flow if our consolidated earnings before interest, tax, depreciation and amortization ("Credit Agreement EBITDA") ratio, as defined in the agreement, is less than or equal to 4.25 to 1.00. No prepayment is required if such ratio is less than or equal to 4.00 to 1.00. We have not been required to make a prepayment related to our current First Lien Credit Agreement.

No principal payments are required under the Second Lien Credit Agreement until all of our obligations under the First Lien Credit Agreement have been discharged.

The First Lien Credit Agreement also provides for up to \$75 million in revolving loans (the "Revolving Loan Facility"). Amounts borrowed under the Revolving Loan Facility bear interest, at our election, at either 2.0% over ABR or 3.0% over LIBOR. These interest rate spreads will decline to 1.75% and 2.75%, respectively, if our Credit Agreement EBITDA ratio declines to 4.25 to 1.00 or less, and the spreads will further decline to 1.50% and 2.50%, respectively, if such ratio declines to 3.75 to 1.00 or less. We may use up to \$20 million of the Revolving Loan Facility to issue letters of credit. Letter of Credit fees accrue at the same rate as the then-applicable LIBOR spread. As of fiscal years ended 2016 (Successor) and 2015 (Successor), we had no outstanding revolving loan obligations and had \$5.5 million in outstanding letters of credit related to the

Revolving Loan Facility. Our credit agreement also provides that, if aggregate borrowings (inclusive of certain letters of credit) under our revolving credit facility exceed 30% of the total revolving commitment, the ratio of debt under our First Lien Credit Agreement to EBITDA may not, on the last day of the applicable measurement period, exceed 7.75 to 1.00.

The First Lien and Second Lien Credit Agreements contain covenants that, among other things, limit our ability to incur additional debt, create liens against our assets, make acquisitions, pay dividends or distributions on our stock, merge or consolidate with another entity, and transfer or sell assets.

6. Stock Incentive Plan

Successor Stock Incentive Plan

The Company grants share-based payment awards under the 2014 Stock incentive Plan for Key Employees of NVI and its Subsidiaries. The plan includes options to purchase common shares of NVHI at an option price equal to the most recently established per share fair value. The Board of Directors determines the exercise price of service-based and performance-based options with the intent of the exercise price to approximate the fair value of the common stock. In setting the exercise price, the Board considers such factors as the Company's actual and projected financial results, valuations of the Company performed by third parties, and other factors it believes are material to the valuation process. Due to the limited number of participants in the plan and high

6. Stock Incentive Plan (continued)

levels of retention among participants, forfeitures are expected to be immaterial. Therefore, all service-based options outstanding at fiscal year end 2016 are expected to vest.

There are 19,407,000 options authorized in the plan, of which 18,606,287 are issued and outstanding, and 436,477 are authorized but unissued as of fiscal year end 2016.

The following presents a roll-forward of performance-based options:

The vesting of performance-based options is conditional upon the achievement by affiliates of KKR Sponsor, with respect to its investment in the Company, of both a minimum internal rate of return and a minimum multiple of invested capital and then increases proportionally as the multiple of invested capital increases up to a defined target. No compensation expense has been recorded in relation to performance based options since achievement of vesting conditions has not been deemed to be probable as of the fiscal years ended 2016 (Successor), 2015 (Successor), and the 2014 Successor period end.

6. Stock Incentive Plan (continued)

Compensation expense associated with service-based condition stock options is included in SG&A in the accompanying consolidated statements of operations and comprehensive income (loss). The following table summarizes service-based condition stock option activity during the Successor periods (amounts reflect the effects of the option modification executed in conjunction with the recapitalization dividend on June 1, 2015 discussed in Note 9):

Substantially all service-based options vest in 20% annual increments on each of the first five anniversaries of the grant date. The Company has selected an accelerated method of recording compensation expense associated with service-based options, whereby the total grant-date fair value of the awards is amortized 46%, 26%, 16%, 9%, and 4% for years one through five, respectively. Service-based options have a contractual maturity of 10 years.

The fair value of service-based stock option grants has been estimated at the grant date using the Black-Scholes-Merton option pricing model, which assumes that the estimated fair value of options is amortized over the corresponding vesting period. The following assumptions were used in our estimate:

	Succe	ssor
In thousands	As of December 31, 2016	As of January 2, 2016
Expected term	6.50 years	5.09 - 6.50 years
Expected volatility	60.4%	60.4% to 63.3%
Risk-free interest rate	1.6% to 2.0%	1.6% to 2.0%
Dividend yield	—%	%

The expected term is based on the mid-point between the weighted average time to vesting and the contractual time to maturity. Expected volatility is based on the volatility of comparable companies. The risk-free interest rate was based on the U.S. Treasury yield curve. The dividend yield was based on the Company's expectation of not paying dividends on the common stock of NVHI for the foreseeable future.

There were no exercises of service-based options during the 2014 Successor period.

Predecessor Incentive Plans

The Vision Holding Corp. 2005 and 2013 Stock Incentive Plans provided for the issuance of stock options to directors, certain employees and consultants of Vision Holding, its subsidiaries and affiliates. There were 398,235 fully vested options issued and outstanding that were rolled forward from the Predecessor Incentive Plans. During fiscal year 2015 (Successor), 65,837 roll-over options were exercised at a weighted average exercise price of \$0.31. There are 332,398 roll-over options outstanding as of fiscal year end 2016. No options were issued, exercised or forfeited under the Predecessor Stock Incentive Plans during the 2014 Predecessor period.

At fiscal year 2016 (Successor), we had available U.S. federal net operating loss ("NOL") carry-forwards aggregating to \$8.1 million that can be utilized to reduce future federal income taxes. If not utilized, \$6.7 million of these carry-forward losses expire at the end of our 2020 fiscal year and \$1.4 million of these carry-forward losses expire at the end of our 2033 fiscal year. In addition, we have NOL carry-forwards in varying amounts and with varying expiration dates in the majority of states in which we operate.

At fiscal year end 2016 (Successor), we also have non-expiring federal and state alternative minimum tax carry-forward credits and employment credits totaling \$2.3 million available to offset certain future taxes.

As a result of new store openings in years subsequent to the years in which certain NOLs were generated, the portion of our taxable income apportioned to some states in which we have NOL carry forward credits has declined from those states' apportionment during the loss years. We believe it is unlikely that we will fully utilize our NOL carry-forwards in all state jurisdictions before their eventual expiration. Accordingly, we have recorded valuation allowances of \$0.1 million and \$0.2 million against our deferred tax assets at fiscal year end 2016 (Successor) and fiscal year end 2015 (Successor), respectively.

Our equity method investment discussed in Note 10 has resulted in book losses that are not deductible for income tax purposes, creating a deferred tax asset of approximately \$1.0 million. The Company does not expect to generate a significant capital gain from its investment in near future. Therefore, we do not believe it is more-likely-than-not that we will realize a tax benefit for this deferred tax asset, and accordingly we have established a valuation allowance for the entire \$1.0 million.

As a result of our utilization of NOL carry-forwards to reduce or eliminate subsequent years' tax obligations, our federal and a substantial number of our state income tax returns for fiscal years 2001 through 2015 remain open for examination by the tax authorities. We had no uncertain tax positions or unrecognized tax benefits as of fiscal year end 2016 (Successor) and fiscal year end 2015 (Successor).

8. Interest Rate Derivatives

On March 7, 2014, the Company entered into two pay-fixed and receive-floating interest rate swap agreements to offset the variability of cash flows in LIBOR-indexed debt interest payments, subject to a 1% floor, attributable to changes in the benchmark interest rate from March 13, 2017 to March 13, 2021 related to its current First and Second Lien Credit Agreements. The fixed rates associated with the first derivative ("Derivative 1") notional amount of \$175.0 million and the second derivative ("Derivative 2") notional amount of \$225.0 million were 3.4063% and 3.5125%, respectively. Derivative 1 will hedge the first amount of LIBOR-based interest payments up to its applicable notional amount and Derivative 2 will hedge the next amount (i.e., the first amount not already hedged by Derivative 1) up to its applicable notional amount.

On June 25, 2015, the Company entered into a third pay-fixed and receive-floating interest rate swap agreement ("Derivative 3") for a notional amount of \$100.0 million and a fixed rate of 2.6000%. Derivative 3 will hedge the interest payments associated with the first principal amount of LIBOR-based debt, effective March 13, 2017, due under the current First Lien and Second Lien Credit Agreements, up to its notional amount, not already hedged by derivatives 1 and 2.

8. Interest Rate Derivatives (continued)

Changes in the cash flows of each derivative are expected to be highly effective in offsetting the changes in interest payments on a principal balance equal to the derivative's notional amount, attributable to the hedged risk. We measured no ineffectiveness related to these instruments during fiscal years 2016 (Successor), fiscal year 2015 (Successor), or the 2014 Successor period.

Our cash flow hedge position related to interest rate derivative contracts is as follows:

In thousands	Notional Amount	Final Maturity Date	Other Payables and Accrued Expenses	Other Liabilities	Other Comprehensive Loss, Net of Tax
As of December 31, 2016 (Successor)	\$ 500,000	March 2021	\$ 8,218	\$ 15,518	\$ 14,556
As of January 2, 2016 (Successor)	\$ 500,000	March 2021	\$ —	\$ 18,620	\$ 11,284

Accumulated

These interest rate swap agreements were designated as cash flow hedges by the Company at inception. The Company will be required to net settle monthly with counterparties beginning in the second quarter of 2017. These settlements will result in the reclassification into earnings of losses that are reported in accumulated other comprehensive loss. As of fiscal year 2016 (Successor), the Company expects to reclassify \$8.2 million of accumulated other comprehensive loss into earnings in the next 12 months.

9. Related Party Transactions

Fiscal Year 2015 Dividend To Stockholders Of NVHI

On June 1, 2015 the Company declared a recapitalization dividend to its stockholders. Since the Company was in an accumulated deficit position on the date of declaration, according to the Company's accounting policy, the combined total cash payment of \$145.7 million was recorded as a reduction to additional paid-in capital.

Transactions With Equity Sponsors

Under certain agreements we have entered into with our equity sponsors, we recorded the following expenses related to management and/or advisory fees:

10. Equity Method Investment

During the 2014 Successor period, the Company made an investment in a private start-up company whose principal business is licensing software to eyeglass retailers. We hold a 29% equity interest in this company. We identified this company as a variable interest entity since the equity investment at risk is not sufficient to finance the activities of the entity without additional subordinated financial support. We concluded that we are not the primary beneficiary of the entity and therefore it would not be appropriate for us to consolidate this company. This conclusion is based on the fact that we do not have the power to direct the activities of the entity that most significantly impact its economic performance, and we will not absorb or receive a majority of the entity's

10. Equity Method Investment (continued)

expected losses or expected residual returns, since our return on investment is proportionate to our equity interest in the entity. We are not obligated to provide any further financing to this company, and the total amount invested represents the extent of our exposure to losses.

Under the equity method of accounting we are required to record our interest in the investee's reported net income or loss for each reporting period, which is presented in other expense (income) in the Company's consolidated statements of operations and comprehensive income (loss). We recorded losses of \$1.4 million, \$0.9 million, and \$0.3 million for fiscal year 2016 (Successor), fiscal year 2015 (Successor), and the 2014 Successor period, respectively.

The Company evaluates its investments for other-than-temporary impairment annually, or more often if events or changes in circumstances indicate that the carrying value of the investment may not be recoverable. No impairment of this investment was identified for fiscal years 2016 (Successor) and 2015 (Successor), or the 2014 Successor period.

Our equity method investment balance is reflected in non-current other assets in the accompanying consolidated balance sheets and was \$3.3 million and \$4.7 million at the end of fiscal years 2016 (Successor) and 2015 (Successor), respectively.

11. Fair Value Measurement of Financial Assets and Liabilities

The Company uses a fair value hierarchy that is intended to increase consistency and comparability in fair value measurements and related disclosures. The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that are either observable or unobservable. Observable inputs reflect assumptions market participants would use in pricing an asset or liability based on market data obtained from independent sources while unobservable inputs reflect a reporting entity's pricing based upon its own market assumptions.

Under U.S. GAAP, the Company is required to a) measure certain assets and liabilities at fair value or b) disclose the fair values of certain assets and liabilities recorded at cost. Accounting standards define fair value as the price that would be received upon sale of an asset or paid upon transfer of a liability in an orderly transaction between market participants at the measurement date. Fair value is estimated assuming the transaction occurs in the principal or most advantageous market for the asset or liability and includes consideration of non-performance risk and credit risk of both parties. A three-tier fair value hierarchy prioritizes the inputs used in measuring fair value. These tiers include:

- · Level 1 Valuation inputs are based upon unadjusted quoted prices for identical instruments traded in active markets.
- Level 2 Valuation inputs are based upon quoted prices for similar instruments in active markets, quoted prices for
 identical or similar instruments in inactive markets, and model-based valuation techniques for which all significant
 assumptions are observable in the market or can be corroborated by observable market data for substantially the full term
 of the assets or liabilities.
- Level 3 Valuation inputs are unobservable and typically reflect management's estimates of assumptions that market
 participants would use in pricing the asset or liability. The fair values are determined using model-based techniques that
 include option pricing models, discounted cash flow models, and similar techniques.

The fair value estimates of financial instruments are not necessarily indicative of the amounts we might pay or receive in actual market transactions. The use of different market assumptions and/or estimation methodologies may have a material effect on the estimated fair value amounts.

Cash and Cash Equivalents

The carrying amount of cash and cash equivalents approximates fair value due to the short term maturity of the instruments. All cash and cash equivalents are denominated in U.S. currency.

11. Fair Value Measurement of Financial Assets and Liabilities (continued)

Accounts Receivable

The carrying amount of accounts receivable approximates fair value due to the short-term nature of those items and the effect of related allowances for doubtful accounts.

Accounts Payable and Other Payables and Accrued Expenses

The carrying amounts of accounts payable and other payables and accrued expenses approximate fair value due to the short-term nature of those items.

Long-term Debt - Credit Agreements

Our long-term debt is traded in private markets on a less-than-daily basis. Fair value is based on the average of trading prices and bid/ask quotes around period-end (Level 2 inputs). The estimated fair values of our combined First and Second Lien Term Loans were \$753.0 million and \$746.6 million as of the end of fiscal years 2016 (Successor) and 2015 (Successor), respectively, compared to carrying values of \$742.9 million and \$745.6 million, respectively, which includes the current portion, and is net of unamortized original issue discounts and deferred debt issuance costs discussed in Note 5.

Long-term Debt - Capital Leases

The fair value of capital lease obligations is based on estimated future contractual cash flows discounted at an appropriate market rate of interest (Level 2 inputs). The estimated fair values of our capital leases were \$2.9 million and \$2.7 million as of the end of fiscal years 2016 (Successor) and 2015 (Successor), respectively, compared to carrying values of \$2.7 million and \$2.3 million, respectively.

Interest Rate Derivatives

The Company is a party to three pay-fixed and receive-floating interest rate swap agreements to offset the variability of cash flows in LIBOR-indexed debt interest payments attributable to changes in the benchmark interest rate from March 13, 2017 to March 13, 2021 related to its current First and Second Lien Credit Agreements. We recognize as assets or liabilities at fair value the estimated amounts we would receive or pay upon a termination of interest rate swaps prior to their scheduled expiration dates. The fair value was based on information that is model-driven and whose inputs were observable (Level 2 inputs). See Note 8 for further details related to the fair value of our derivative instruments.

Total rental expenses related to all operating leases were approximately \$69.7 million in fiscal year 2016 (Successor), \$60.4 million in fiscal year 2015 (Successor), \$43.3 million in the 2014 Successor period, and \$10.4 million in the 2014 Predecessor period. Total rental expense includes percentage rent of approximately \$6.3 million in fiscal year 2016 (Successor), \$4.6 million in fiscal year 2015 (Successor), \$3.6 million in the 2014 Successor period, and \$0.9 million in the 2014 Predecessor period.

Other Agreements

In October of 2016 the Company entered into to a multi-year marketing agreement in the normal course of business. The agreement begins in January 2017 and continues through December 2019, with no renewal provision. The Company has committed to pay a total fee of \$9.9 million over the term of the agreement.

Warranty Costs

The Company records an allowance for the estimated amount of future warranty costs when the related revenue is recognized, which is recorded in other payables and accrued expenses on the accompanying consolidated balance sheets. Expense associated with warranty costs are presented in cost of services and plans in the accompanying consolidated statements of operations and comprehensive income (loss). Estimated future warranty costs are primarily based on historical experience of identified warranty claims. However, there can be no assurance that future warranty costs will not exceed historical amounts. The following details the activity in our product warranty liability accounts:

401(k) Plan

We sponsor a 401(k) plan into which employees may defer a portion of their wages. We may match a portion of such deferred wages. Expense associated with our 401(k) plan is presented in SG&A expenses in the accompanying consolidated statements of operations and comprehensive income (loss). The expense for the plan was \$2.6 million in the fiscal year 2016 (Successor), \$2.2 million in the fiscal year 2015 (Successor), \$1.5 million in the 2014 Successor period, and \$0.4 million in the 2014 Predecessor period. There were no changes in the plan resulting from the Acquisition.

Legal Proceedings

From time to time, the Company is involved in various legal proceedings incidental to its business. Because of the nature and inherent uncertainties of litigation, the Company cannot predict with certainty the ultimate resolution of these actions and, should the outcome of these actions be unfavorable, the Company's business, financial position, results of operations or cash flows could be materially and adversely affected.

13. Commitments and Contingencies (continued)

The Company reviews the status of its legal proceedings and records a provision for a liability when it is considered probable that both a liability has been incurred and the amount of the loss can be reasonably estimated. This review is updated periodically as additional information becomes available. If either or both of the criteria are not met, the Company reassesses whether there is at least a reasonable possibility that a loss, or additional losses, may be incurred. If there is a reasonable possibility that a loss may be incurred, the Company discloses the estimate of the amount of the loss or range of losses, or that an estimate of loss cannot be made. The Company expenses its legal fees as incurred.

In January 29, 2016, FSI, our wholly-owned specialized health maintenance organization, was named as a defendant in a proposed class action filed on behalf of all persons who paid for an eye examination from an optometrist at a Walmart location in California from November 5, 2009 through the date of the resolution of the litigation. The complaint alleges in particular that FSI participated in arrangements that caused the illegal delivery of eye examinations to the plaintiffs, and that FSI thereby violated, among others, the corporate practice of optometry and the unfair competition and false advertising laws of California. In March 2017, the Court granted a motion to dismiss previously filed by FSI. The plaintiffs have appealed to the U.S. Court of Appeals for the Ninth Circuit. The Company believes that the claim against it is without merit and intends to vigorously defend the litigation.

14. Earnings Per Share

Basic earnings per share ("EPS") is computed by dividing net income (loss) available to common stockholders by the weighted average number of common shares outstanding for the period. Diluted EPS is computed by dividing net income (loss) available to common stockholders by the weighted average shares outstanding for the period and include the dilutive impact of potential new shares issuable upon exercise of stock options. Potentially dilutive securities are excluded from the computation of diluted EPS if their effect is anti-dilutive.

A reconciliation of the numerators and denominators of the basic and diluted EPS calculations is as follows:

15. Segment Reporting

Our operations consist of two reportable segments:

Owned & host - Our owned brands consist of our ABC and EGW operating segments. In ABC stores, vision care services
are provided by optometrists employed either by us or by independent professional corporations. EGW locations primarily
feature independent optometrists to perform eye exams and on-site laboratories. Our two host operating segments consist
of MIL and FM. These brands provide eye exams principally by independent optometrists in nearly all locations. We have
aggregated our

15. Segment Reporting (continued)

ABC, EGW, MIL, and FM operating segments into a single reportable segment due to similar economic characteristics and similarity of the nature of products and services, production processes, class of customers, regulatory environment, and distribution methods of those brands.

Legacy - The Company manages the operations of, and supplies inventory and lab processing services to, 227 legacy retail vision centers. Under our legacy agreements, our responsibilities include development of annual operating budgets, providing managers and staff at each location, training personnel, ordering and maintaining merchandise inventory at the locations, providing sales receipts to customers, and owning and maintaining store furniture, fixtures and equipment. We earn management fees as a result of providing such services and therefore we record revenue related to sales of products and product protection plans to our legacy partner's customers on a net basis. We also sell to our legacy partner wholesale merchandise that is stocked in retail locations, and provide central lab services associated with the manufacture of finished eyeglasses and frames housed in our optical labs expected to be consumed in the production of eyeglasses for our legacy partner's customers. We lease space from our legacy partner within or adjacent to each of the locations we manage and use this space for providing optometric examination services. During fiscal year 2016 (Successor), sales to our legacy partner represented 12.7% of consolidated net revenue. This exposes us to concentration of customer risk. Our legacy agreements were renewed on January 13, 2017, and expire on August 23, 2020, subject to extension pursuant to the terms of the agreements. Sales of services and plans in our legacy segment consist of fees earned for managing the operations of our legacy partner and revenues associated with the provision of eye exams. Revenue associated with managing operations of our legacy partner were \$38.3 million, \$40.6 million, \$33.7 million and \$9.0 million for fiscal year 2016 (Successor), fiscal year 2015 (Successor), the 2014 Successor period and the 2014 Predecessor period, respectively.

The "Corporate/Other" category includes the results of operations of our two other operating segments AC Lens and FSI, and corporate overhead support. The "Reconciliations" category represents other adjustments to reportable segment results necessary for the presentation of consolidated financial results in accordance with U.S. GAAP for the two reportable segments.

The operating segments identified above are the business activities of the Company for which discrete financial information is available and for which operating results are regularly reviewed by our chief operating decision maker ("CODM") to allocate resources and assess performance. Our CODM is our Chief Executive Officer. The Company considers each of our brands to be an operating segment and has further concluded that presenting the results of our reportable segments provides meaningful information consistent with the objectives of ASC 280, Segment Reporting. Strategic initiatives and financial objectives for each reportable segment are determined at the corporate level. Each segment is responsible for implementing defined strategic initiatives and achieving certain financial objectives, and has a general manager responsible for the sales and marketing initiatives and financial results for product lines within the segment.

Revenues from the Corporate/Other segments are attributable to the AC Lens and FSI operating segments and the Company's corporate function. AC Lens sells contact lenses and optical accessory products to retail customers through e-commerce. AC Lens also distributes contact lenses to Walmart and Sam's Club under fee for services arrangements. FSI sells single service health plans in connection with the operations of ABC in California and arranges for the provision of eye exams at retail locations throughout California and also sells contact lenses to its members in certain locations. None of those segments met the quantitative thresholds for determining reportable segments for any of the periods presented.

Our reportable segment profit measure is EBITDA, or net revenues, less cost of revenues, less selling, general and administrative costs. Asset impairment, depreciation and amortization, and other corporate costs that are not allocated to the segments, including interest expense, debt issuance costs and litigation settlements, are excluded from segment EBITDA. There are no transactions between our reportable segments. There are no

15. Segment Reporting (continued)

differences between the measurement of our reportable segments' assets and consolidated assets. There have been no changes from prior periods in the measurement methods used to determine reportable segment profit or loss, and there have been no asymmetrical allocations to segments.

The following is a summary of certain financial data for each of our segments. Reportable segment information is presented on the same basis as our consolidated financial statements, except for net revenue, which is presented on a cash basis, excluding the effects of unearned and deferred revenue, consistent with what the CODM regularly reviews. Asset information is not included in the following summary since the CODM does not regularly review such information for the reportable segments. In addition, asset and goodwill impairments are treated in the same manner and are not presented in the reportable segment columns. See Note 1 for discussion regarding retail store long-lived assets and Note 4 for recorded goodwill impairment on a reportable segment level.

16. Subsequent Events

The Company has evaluated subsequent events for recognition and disclosure for occurrences and transactions after the date of the consolidated financial statements as of July 10, 2017.

16. Subsequent Events (continued)

On February 2, 2017, the Company declared a recapitalization dividend to its stockholders. The dividend was funded with \$175.0 million in new term loans under the Company's First Lien Credit Agreement. The borrowing rate on this \$175.0 million term loan was 4.0%, consistent with the existing first lien term loans. Quarterly principal payments increased by \$0.5 million. The additional principal matures consistent with the original first lien amount on March 13, 2021. We recorded \$2.3 million in related party fees and \$0.4 million in third party fees in debt issuance costs.

In May 2017, a complaint was filed against the Company and other defendants alleging, on behalf of a proposed class of consumers who purchased contact lenses online, that 1-800 Contacts, Inc. entered into a series of agreements with the other defendants, including the Company's subsidiary, AC Lens, to suppress certain online advertising and that each defendant thereby engaged in anticompetitive conduct in violation of the Sherman Antitrust Act. The Company has settled this litigation for \$7.0 million, without admitting liability. The settlement agreement is subject to the approval of the court. Accordingly, the Company will record a \$7.0 million charge to accrue for this settlement in the second quarter of 2017.

1. Description of Business and Basis of Presentation

Nature of Operations

National Vision Holdings, Inc. ("NVHI," the "Company," "we," "our," or "us") and Subsidiaries is a leading value retailer and manufacturer of eyeglasses and value retailer of contact lenses. We operated 980 and 943 retail optical locations in the United States and its territories as of July 1, 2017 and December 31, 2016, respectively, through our five store brands, including America's Best Contacts and Eyeglasses, Eyeglass World, Vista Optical locations on U.S. Army/Air Force military bases and within Fred Meyer stores, and our management and services arrangement with Walmart.

Basis of Presentation

The accompanying condensed consolidated financial statements have been prepared by the Company in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") for interim financial information and, therefore, do not include all information and footnotes required by U.S. GAAP for complete financial statements. The condensed consolidated balance sheet as of December 31, 2016 has been derived from the audited consolidated balance sheet for the fiscal year then ended. These unaudited interim condensed consolidated financial statements reflect all normal and recurring adjustments which are, in the opinion of management, necessary to present fairly the Company's consolidated financial position as of July 1, 2017, and the results of operations and cash flows for the six months ended July 1, 2017 and July 2, 2016.

The results of operations for the six months ended July 1, 2017 and July 2, 2016 are not necessarily indicative of the results to be expected for the full fiscal year due to uncertainty of general economic conditions that may impact our key end markets. Historically, our business has realized a higher portion of net revenue, operating income, and cash flows from operations in the first fiscal quarter, and a lower portion of net revenue, operating income, and cash flows from operations in the fourth fiscal quarter. The seasonally larger first quarter is attributable primarily to the timing of our customers' income tax refunds and annual health insurance program start/reset periods. We are less susceptible to seasonality related to fourth quarter holiday spending by retail consumers. Our quarterly results can also be affected by the timing of new store openings and store closings and the timing of certain holidays.

Certain information and footnote disclosures normally included in our annual consolidated financial statements prepared in accordance with U.S. GAAP have been condensed or omitted. However, we believe that the disclosures included herein are adequate to make the information presented not misleading. These condensed consolidated financial statements should be read in conjunction with our audited consolidated financial statements and the notes thereto for the fiscal year ended December 31, 2016. The significant accounting policies followed by the Company are set forth in Note 1 within those audited consolidated financial statements. We use the same accounting policies in preparing interim and annual consolidated financial statements. There were no changes in our significant accounting policies during the six months ended July 1, 2017, except for the adoption of Accounting Standards Update ("ASU") No. 2016-09, *Improvements to Employee Share-Based Payment Accounting* and ASU 2017-04, *Intangibles - Goodwill and Other*, neither of which had a material effect on the Company's financial condition, results of operations, or cash flows.

The condensed consolidated financial statements include our accounts and those of our subsidiaries, all of which are wholly-owned. All intercompany balances and transactions have been eliminated in consolidation.

We have evaluated subsequent events for recognition and disclosure for occurrences and transactions after the date of the condensed consolidated financial statements as of August 28, 2017.

Fiscal Year

We report on a fiscal year consisting of 52 or 53 weeks ending on the Saturday closest to December 31. Fiscal year 2017 contains 52 weeks and will end on December 30, 2017. The six month periods presented herein contain 26 weeks. All references to years and quarters relate to fiscal periods rather than calendar periods.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

1. Description of Business and Basis of Presentation (continued)

Deferred Offering Costs

We capitalize direct incremental legal and accounting fees relating to the initial public offering. These deferred offering costs will be offset against offering proceeds upon the consummation of the offering. In the event the offering is terminated, deferred offering costs will be expensed. As of July 1, 2017, the Company capitalized \$2.1 million of deferred offering costs in prepaid expenses and other current assets in its condensed consolidated balance sheet, and accrued for \$1.5 million during the six months ended July 1, 2017, which are presented in the condensed consolidated statement of cash flows as non-cash financing activities.

Recently Issued Accounting Pronouncements

In May 2014, the Financial Accounting Standards Board ("FASB") issued ASU 2014-09, *Revenue from Contracts with Customers*, to clarify the principles used to recognize revenue for all entities. ASU 2014-09 provides new guidance related to the core principle that an entity recognizes revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. The new guidance also will result in enhanced disclosures about revenue, provide guidance for transactions that were not previously addressed comprehensively, and improve guidance for multiple-element arrangements. During 2016, the FASB issued additional ASUs to clarify certain aspects of ASU 2014-09, including ASU 2016-08, *Principal versus Agent Considerations (Reporting Revenue Gross versus Net*) in March 2016, and ASU 2016-10, *Identifying Performance Obligations and Licensing* in April 2016. The guidance is effective for fiscal years beginning after December 15, 2017, and interim reporting periods within that fiscal year. The Company will adopt this new guidance in the first quarter of 2018, using the modified retrospective method. The most significant components of the new guidance to the Company relate to performance obligations surrounding our bundled product and service offerings and reporting revenue gross versus net related to our management and services agreement with our legacy partner. We do not expect the adoption of this new guidance to have a significant impact on the timing or amount of revenue recognized in our consolidated financial results, but we expect incremental additional disclosures in the notes to our consolidated financial statements.

In February 2016, the FASB issued ASU 2016-02, *Leases*. The new guidance establishes a right-of-use ("ROU") model that requires a lessee to record a ROU asset and a lease liability on the balance sheet for all leases with terms longer than 12 months. Leases will be classified as either financing or operating, with such classification affecting the pattern of expense recognition in the statement of operations. The guidance is effective for fiscal years beginning after December 15, 2018, and interim reporting periods within that fiscal year. A modified transition approach is required for lessees for capital and operating leases existing at, or entered into after, the beginning of the earliest comparative period presented in the financial statements, with certain practical expedients available. The Company will adopt this new guidance in the first quarter of 2019. We are evaluating the impact of implementation of this new guidance on our consolidated financial statements, but expect that adoption will have a material impact to the Company's total assets and liabilities since we have a significant number of operating leases not currently recognized on our consolidated balance sheets.

In April 2016, the FASB issued ASU 2016-09, *Improvements to Employee Share-Based Payment Accounting*. This new guidance simplifies the accounting for share-based payment transactions, including income tax consequences, classification of certain items on the statement of cash flows, forfeitures, and minimum statutory withholding requirements. This new guidance is effective for fiscal years beginning after December 15, 2016, and interim reporting periods within that fiscal year. We adopted this new guidance in the first quarter of fiscal year 2017. The adoption of this new guidance did not have a material effect on the Company's financial condition, results of operations, or cash flows.

In January 2017, the FASB issued ASU 2017-04, *Intangibles - Goodwill and Other*. This new guidance removes Step 2 of the goodwill impairment test. A goodwill impairment will now be the amount by which a reporting unit's carrying value exceeds its fair value, not to exceed the carrying amount of goodwill. The new guidance will be applied prospectively, and is effective for annual or any interim goodwill impairment tests in fiscal years beginning after December 15, 2019. Early adoption is permitted for interim or annual goodwill

1. Description of Business and Basis of Presentation (continued)

impairment tests performed on testing dates after January 1, 2017. We adopted this new guidance during the first quarter of fiscal year 2017. The adoption of this new guidance did not have a material effect on the Company's financial condition, results of operations, or cash flows.

Correction of an Error

During the first quarter of 2017, we identified an error in our previously issued 2016 consolidated financial statements related to contact lens inventories that were expired or expiring and could not be sold as of December 31, 2016. Fiscal year 2016 costs applicable to revenue (products) was understated by \$2.1 million, and net income was overstated by \$1.3 million. We corrected the error in the six months ended July 1, 2017. Management concluded that the error was not material to the 2016 consolidated financial statements or the estimated 2017 results of operations.

Cost Method Investment

The Company has a \$1.0 million cost method investment in a private start-up company whose principal business is creating eyeglasses through three dimensional printing which can be customized based on a scan of the customer's face. During the second quarter of fiscal 2017, management determined that it is unlikely that the business will be able to continue operations for the foreseeable future. Therefore, we have recorded an impairment charge for the entire amount of the investment in the condensed consolidated statements of operations and other comprehensive income for the six months ended July 1, 2017.

3. Fair Value Measurement of Financial Assets and Liabilities

The Company uses a fair value hierarchy that is intended to increase consistency and comparability in fair value measurements and related disclosures. The fair value hierarchy is based on inputs to valuation techniques

3. Fair Value Measurement of Financial Assets and Liabilities (continued)

that are used to measure fair value that are either observable or unobservable. Observable inputs reflect assumptions market participants would use in pricing an asset or liability based on market data obtained from independent sources while unobservable inputs reflect pricing based upon a reporting entity's own market assumptions.

Under U.S. GAAP, the Company is required to a) measure certain assets and liabilities at fair value or b) disclose the fair values of certain assets and liabilities recorded at cost. Accounting standards define fair value as the price that would be received upon sale of an asset or paid upon transfer of a liability in an orderly transaction between market participants at the measurement date. Fair value is estimated assuming the transaction occurs in the principal or most advantageous market for the asset or liability and includes consideration of non-performance risk and credit risk of both parties. A three-tier fair value hierarchy prioritizes the inputs used in measuring fair value. These tiers include:

- · Level 1 Valuation inputs are based upon unadjusted quoted prices for identical instruments traded in active markets.
- Level 2 Valuation inputs are based upon quoted prices for similar instruments in active markets, quoted prices for
 identical or similar instruments in inactive markets, and model-based valuation techniques for which all significant
 assumptions are observable in the market or can be corroborated by observable market data for substantially the full term
 of the assets or liabilities.
- Level 3 Valuation inputs are unobservable and typically reflect management's estimates of assumptions that market
 participants would use in pricing the asset or liability. The fair values are determined using model-based techniques that
 include option pricing models, discounted cash flow models and similar techniques.

The fair value estimates of financial instruments are not necessarily indicative of the amounts we might pay or receive in actual market transactions. The use of different market assumptions and/or estimation methodologies may have a material effect on the estimated fair value amounts.

Cash and Cash Equivalents

The carrying amount of cash and cash equivalents approximates fair value due to the short term maturity of the instruments. All cash and cash equivalents are denominated in U.S. currency.

Accounts Receivable

The carrying amount of accounts receivable approximates fair value due to the short-term nature of those items and the effect of related allowances for doubtful accounts.

Accounts Payable and Other Payables and Accrued Expenses

The carrying amounts of accounts payable and other payables and accrued expenses approximate fair value due to the short-term nature of those items.

Long-term Debt - Credit Agreements

Our long-term debt is traded in private markets on a less-than-daily basis. Fair value is based on the average of trading prices and bid/ask quotes around period-end (Level 2 inputs). The estimated fair values of our combined First and Second Lien Term Loans were \$932.2 million and \$753.0 million as of July 1, 2017 and December 31, 2016, respectively, compared to carrying values of \$914.5 million and \$742.9 million, respectively, which includes the current portion, and is net of unamortized discounts and deferred debt issuance costs. See Note 6 for further information related to debt transactions recorded during six months ended July 1, 2017.

3. Fair Value Measurement of Financial Assets and Liabilities (continued)

Long-term Debt - Capital Leases

The fair value of capital lease obligations is based on estimated future contractual cash flows discounted at an appropriate market rate of interest (Level 2 inputs). The estimated fair values of our capital leases were \$9.7 million and \$2.9 million as of July 1, 2017 and December 31, 2016, respectively, compared to carrying values of \$8.4 million and \$2.7 million.

Interest Rate Derivatives

The Company is a party to three pay-fixed and receive-floating interest rate swap agreements to offset the variability of cash flows in LIBOR-indexed debt interest payments attributable to changes in the benchmark interest rate from March 13, 2017 to March 13, 2021 related to its current First and Second Lien Credit Agreements. These swap agreements were designated as cash flow hedges by the Company at inception. Changes in the cash flows of each derivative are expected to be highly effective in offsetting the changes in interest payments on a principal balance equal to the derivative's notional amount, attributable to the hedged risk. We have not had any ineffectiveness related to these instruments since inception.

We recognize as assets or liabilities at fair value the estimated amounts we would receive or pay upon a termination of interest rate swaps prior to their scheduled expiration dates. We record the period change in fair value of cash flow hedges, net of tax, in the accompanying condensed consolidated statements of comprehensive income and the cumulative change in fair value of cash flow hedges since inception, net of tax, in accumulated other comprehensive loss ("AOCL") in the accompanying condensed consolidated balances sheets. Fair value is based on information that is model-driven and whose inputs are observable (Level 2 inputs).

Our cash flow hedge position related to interest rate derivative contracts is as follows:

			Otner Payables		
	Notional	Final	and Accrued	Other	AOCL,
In thousands	Amount	Maturity Date	Expenses	Liabilities	Net of Tax
As of July 1, 2017	\$ 500,000	March 2021	\$9,100	\$14,715	\$14,605
As of December 31, 2016	\$ 500,000	March 2021	\$8,218	\$15,518	\$14,556

As of July 1, 2017, the Company expects to reclassify \$9.1 million of AOCL into earnings in the next 12 months. See Note 11 for details related to reclassification adjustments from AOCL to earnings during the six months ended July 1, 2017.

4. Stock Incentive Plan

Our current equity compensation plan includes options to purchase shares of NVHI held by certain employees. There are 21,607,000 options authorized in the plan, of which 1,761,476 are authorized but unissued as of July 1, 2017. The following presents a roll-forward of options during the six months ended July 1, 2017:

4. Stock Incentive Plan (continued)

The total estimated fair value of service-based options granted during the six months ended July 1, 2017 was \$1.5 million. There were 32,000, 72,000, and 312,000 service-based options exercised at a price of \$4.70 per share, \$3.68 per share, and \$2.17 per share, respectively, for a total intrinsic value of \$1.5 million. As a result of the application of ASU 2016-09, the Company recorded an income tax benefit of \$0.2 million in the condensed consolidated statement of operations and comprehensive income related to these exercises

The fair value of service-based options vested and outstanding as of July 1, 2017 was \$9.3 million. The remaining unrecognized service cost for service-based options was \$5.7 million as of July 1, 2017.

Compensation expense associated with service-based stock options is presented in selling, general, and administrative expenses ("SG&A") in the accompanying condensed consolidated statements of operations and comprehensive income. The vesting of performance-based options is conditional upon the achievement by the majority stockholder in NVHI, affiliates of Kohlberg Kravis Roberts & Co. L.P., ("KKR Sponsor"), with respect to its investment in NVHI, of both a minimum internal rate of return and a minimum multiple of invested capital and then increases proportionally as the multiple of invested capital increases up to a defined target. No compensation expense has been recorded in relation to performance based options since achievement of the conditions triggering vesting has not been deemed to be probable as of July 1, 2017.

5. Related Party Transactions

Transactions With Equity Sponsors

Under certain agreements we have entered into with our equity sponsors, we recorded the following expenses related to management and/or advisory fees:

In thousands		lonths Ended lly 1, 2017	Six Months Ended July 2, 2016		
KKR Sponsor		\$ 2,773	\$	426	
Berkshire		\$ 104	\$	100	

Fees paid to equity sponsors include retainer fees and certain other on-going project-oriented initiatives and are presented in SG&A in the accompanying condensed consolidated statements of operations and comprehensive income, except, as discussed further below in Note 6, fees to KKR Sponsor and its affiliates for the six months ended July 1, 2017 include \$2.3 million presented in debt issuance costs.

Dividend & Stockholders' Equity

On February 2, 2017, the Company declared a recapitalization dividend to its stockholders, which included affiliates of KKR Sponsor, private equity funds managed by Berkshire, and management. Common stockholders received a dividend per common share of \$1.51. There were 110.5 million common shares outstanding and eligible for the dividend. Vested and roll-over option holders received an additional \$1.51 per option cash payment. The total additional cash payment to vested and unvested option holders was \$3.7 million. The income tax benefit of the additional cash payment was \$1.4 million, which was recorded in the condensed consolidated statement of operations and comprehensive income for the six months ended July 1, 2017. Unvested option holders received an exercise price reduction of \$1.51 per option. Since the Company was in an accumulated deficit position on the date of declaration, according to our accounting policy the combined total cash payment of \$171.0 million was recorded as a reduction to additional paid-in capital. No other material non-recurring changes were recorded to stockholders' equity during the six months ended July 1, 2017.

6. Debt

The dividend discussed in Note 5 was funded with \$175.0 million in borrowed funds under the Company's First Lien Credit Agreement, in exchange for a \$1.3 million issue discount. The borrowing rate was 4.0%, consistent with the existing credit agreement. Quarterly principal payments increased \$0.5 million, which increased current maturities from \$6.5 million as of December 31, 2016, to \$8.3 million as of July 1, 2017. The

6. Debt (continued)

additional principal matures consistent with the original First Lien on March 13, 2021. We recorded \$2.3 million in related party fees and \$0.4 million in third party fees in debt issuance costs in the condensed consolidated statement of operations and comprehensive income during the six months ended July 1, 2017.

The Company entered into multiple new capital leases during the six months ended July 1, 2017. As of July 1, 2017, our capital lease commitments are \$1.0 million, \$2.0 million, \$1.6 million, \$1.3 million, \$1.1 million and \$5.5 million for fiscal years 2017, 2018, 2019, 2020, 2021 and thereafter, respectively.

7. Equity Method Investment

The Company has an investment in a private start-up company whose principal business is licensing software to eyeglass retailers. The entity is entirely financed by private investors. Under the equity method of accounting we are required to record our interest in the investee's reported net income or loss for each reporting period, which is presented in other expense, net in the Company's condensed consolidated statements of operations and comprehensive income. After adjusting our investment for our interest in the investee's reported net losses, our investment balance in the business was \$3.0 million and \$3.3 million as of July 1, 2017 and December 31, 2016, respectively, which is included in other assets in the accompanying condensed consolidated balance sheets

8. Commitments and Contingencies

From time to time, the Company is involved in various legal proceedings incidental to its business. The Company reviews the status of its legal proceedings and records a provision for a liability when it is considered probable that both a liability has been incurred and the amount of the loss can be reasonably estimated.

On January 29, 2016, our subsidiary FirstSight Vision Services, Inc. ("FSI") was named in a lawsuit alleging that it participated in arrangements that caused the illegal delivery of eye examinations to the plaintiffs, and that FSI thereby violated, among other statutes, the Unfair Competition and False Advertising laws of California. On March 23, 2017, the Court granted the motion to dismiss previously filed by FSI. The plaintiffs have filed an appeal to the U.S. Court of Appeals for the Ninth Circuit.

In May 2017, a complaint was filed against the Company and other defendants alleging, on behalf of a proposed class of consumers who purchased contact lenses online, that 1-800 Contacts, Inc. entered into a series of agreements with the other defendants, including the Company's subsidiary, Arlington Contact Lens Service, Inc., to suppress certain online advertising and that each defendant thereby engaged in anticompetitive conduct in violation of the Sherman Antitrust Act. The Company has settled this litigation for \$7.0 million, without admitting liability. The settlement agreement is subject to the approval of the court. Accordingly, the Company recorded a \$7.0 million charge in litigation settlement in the accompanying condensed consolidated statement of operations and comprehensive income during the six months ended July 1, 2017.

9. Segment Reporting

The Company's reportable segments were determined on the same basis as used by management to evaluate performance internally by the Chief Operating Decision Maker ("CODM"). Our operations consist of two reportable segments:

- Owned & host store brands Our owned brands consist of our America's Best Contacts and Eyeglasses and Eyeglass
 World operating segments. Our host brands consist of our Vista Optical operating segments at certain U.S. Military
 Branches and inside Fred Meyer stores. We have aggregated our owned and host operating segments into a single
 reportable segment due to similar economic characteristics and similarity of the nature of products and services,
 production processes, class of customers, regulatory environment, and distribution methods of those brands.
- Legacy The Company manages the operations of 227 legacy retail vision centers within Walmart stores. We earn
 management fees as a result of providing such services and therefore we record revenue related to sales of products and
 product protection plans to our legacy partner's customers on a

9. Segment Reporting (continued)

net basis. We also sell to our legacy partner wholesale merchandise that is stocked in retail locations, and provide central lab services associated with the manufacture of finished eyeglasses and frames housed in our optical labs expected to be consumed in the production of eyeglasses for our legacy partner's customers. We lease space from our legacy partner within or adjacent to each of the locations we manage and use this space for providing optometric examination services. Our legacy agreements were renewed on January 13, 2017, and expire on August 23, 2020, subject to extension pursuant to the terms of the agreements. Sales of services and plans in our legacy segment consist of fees earned for managing the operations of our legacy partner and revenues associated with the provision of eye exams. Revenue associated with managing operations of our legacy partner were \$19.2 million and \$20.2 million for the six months ended July 1, 2017 and July 2, 2016, respectively.

The "Corporate/Other" category includes the results of operations of our other operating segments and corporate overhead support. The "Reconciliations" category represents other adjustments to reportable segment results necessary for the presentation of consolidated financial results in accordance with U.S. GAAP for the two reportable segments.

Revenues from the Corporate/Other segments are attributable to the AC Lens and FSI operating segments and the Company's corporate function. AC Lens sells contact lenses and optical accessory products to retail customers through e-commerce. AC Lens also distributes contact lenses to Walmart and Sam's Club under fee for services arrangements. FSI sells single service health plans in connection with the operations of ABC in California and arranges for the provision of eye exams at retail locations throughout California and also sells contact lenses to its members in certain locations. None of those segments met the quantitative thresholds for determining reportable segments for any of the periods presented.

Our reportable segment profit measure is EBITDA, or net revenues, less cost of revenues, less selling, general and administrative costs. Asset impairment, depreciation and amortization, and other corporate costs that are not allocated to the segments, including interest expense, debt issuance costs and litigation settlements, are excluded from segment EBITDA. There are no transactions between our reportable segments. There are no differences between the measurement of our reportable segments' assets and consolidated assets. There have been no changes from prior periods in the measurement methods used to determine reportable segment profit or loss, and there have been no asymmetrical allocations to segments.

9. Segment Reporting (continued)

The following is a summary of certain financial data for each of our segments. Reportable segment information is presented on the same basis as our condensed consolidated financial statements, except for net revenue, which is presented on a cash basis, excluding the effects of unearned and deferred revenue, consistent with the basis the CODM regularly reviews. Asset information is not included in the following summary since the CODM does not regularly review such information for the reportable segments.

10. Earnings Per Share

Basic earnings per share ("EPS") is computed by dividing net income available to common stockholders by the weighted average number of common shares outstanding for the period. Diluted EPS is computed by dividing net income available to common stockholders by the weighted average shares outstanding for the period and include the dilutive impact of potential new shares issuable upon exercise of stock options. Potentially dilutive securities are excluded from the computation of diluted EPS if their effect is anti-dilutive. A reconciliation of the numerators and denominators of the basic and diluted EPS calculations is as follows:

Schedule I - Condensed Financial Information of Registrant National Vision Holdings, Inc. and Subsidiaries (Parent Company Only) Notes to Condensed Financial Statements

1. Basis of Presentation

National Vision Holdings, Inc. ("NVHI") conducts substantially all of its activities through its direct wholly owned subsidiary, National Vision, Inc. ("NVI") and its subsidiaries. NVHI was incorporated in Delaware on February 14, 2014 under the name Nautilus Parent, Inc. There were no financial transactions between inception date and March 13, 2014, the date the majority ownership of the Company was transferred from private equity funds managed by Berkshire Partners LLC to affiliates of Kohlberg Kravis Roberts & Co. L.P. In the parent-company-only financial statements, NVHI's investment in subsidiaries is stated at cost, plus equity in undistributed earnings of subsidiaries since the date of acquisition, less dividends. The parent-company-only financial statements should be read in conjunction with the National Vision Holdings, Inc. consolidated financial statements.

2. Guarantees and Restrictions

On March 13, 2014, NVI entered into new syndicated First Lien and Second Lien Credit Agreements for principal amounts of \$500.0 million due March 13, 2021, and \$125.0 million due March 13, 2022, respectively. On June 1, 2015, NVI declared a dividend for \$144.7 million to its sole shareholder NVHI. The dividend was funded with an incremental first lien term loan under NVI's First Lien Credit Agreement. As of Fiscal Year End 2016, NVI had \$633.6 million and \$125.0 million of principal amount of long-term debt outstanding under its First Lien and Second Lien Term Loans. The First Lien Credit Agreement also provides for up to \$75.0 million in revolving loans (the "Revolving Loan Facility"). NVI may use up to \$20.0 million of the Revolving Loan Facility to issue letters of credit. As of Fiscal Year End 2016, NVI had no outstanding revolving loan obligations and had \$5.5 million in outstanding letters of credit related to the Revolving Loan Facility.

The First Lien and Second Lien Credit Agreements contain covenants that, among other things, limit NVI's ability to incur additional debt, create liens against our assets, make acquisitions, pay dividends or distributions on our stock, merge or consolidate with another entity, and transfer or sell assets. Under the agreements, provided no event of default has occurred and is continuing, NVI is permitted to pay dividends to NVHI with certain restrictions as stated in the Credit Agreements.

Item 14. Indemnification of Directors and Officers.

Section 102(b)(7) of the Delaware General Corporation Law, or the DGCL, allows a corporation to provide in its certificate of incorporation that a director of the corporation will not be personally liable to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, except where the director breached the duty of loyalty, failed to act in good faith, engaged in intentional misconduct or knowingly violated a law, authorized the payment of a dividend or approved a stock repurchase in violation of Delaware corporate law or obtained an improper personal benefit. Our amended and restated certificate of incorporation will provide for this limitation of liability. We will enter into indemnification agreements with our directors that provide for us to indemnify them to the fullest extent permitted by Delaware law.

Section 145 of the DGCL, or Section 145, provides, among other things, that a Delaware corporation may indemnify any person who was, is or is threatened to be made, party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of such corporation), by reason of the fact that such person is or was an officer, director, employee or agent of such corporation or is or was serving at the request of such corporation as a director, officer, employee or agent of another corporation or enterprise. The indemnity may include expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding, provided such person acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the corporation's best interests and, with respect to any criminal action or proceeding, had no reasonable cause to believe that his or her conduct was unlawful. A Delaware corporation may indemnify any persons who were or are a party to any threatened, pending or completed action or suit by or in the right of the corporation by reason of the fact that such person is or was a director, officer, employee or agent of another corporation or enterprise. The indemnity may include expenses (including attorneys' fees) actually and reasonably incurred by such person in connection with the defense or settlement of such action or suit, provided such person acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the corporation's best interests, provided further that no indemnification is permitted without judicial approval if the officer, director, employee or agent is adjudged to be liable to the corporation. Where an officer or director is successful on the merits or otherwise in the defense of any action referred to above, the corporation must indemnify him or her against the expenses (including attorneys' fees) which such officer or director has actually and reasonably incurred.

Section 145 further authorizes a corporation to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the corporation or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation or enterprise, against any liability

asserted against such person and incurred by such person in any such capacity, or arising out of his or her status as such, whether or not the corporation would otherwise have the power to indemnify such person under Section 145.

Our amended and restated bylaws will provide that we must indemnify, and advance expenses to, our directors and officers to the full extent authorized by the DGCL.

The indemnification rights set forth above shall not be exclusive of any other right which an indemnified person may have or hereafter acquire under any statute, provision of our amended and restated certificate of incorporation, our amended and restated bylaws, agreement, vote of stockholders or disinterested directors or otherwise. Notwithstanding the foregoing, we shall not be obligated to indemnify a director or officer in respect of a proceeding (or part thereof) instituted by such director or officer, unless such proceeding (or part thereof) has been authorized by our Board of Directors pursuant to the applicable procedure outlined in the amended and restated bylaws.

Section 174 of the DGCL provides, among other things, that a director, who willfully or negligently approves of an unlawful payment of dividends or an unlawful stock purchase or redemption, may be held jointly and severally liable for such actions. A director who was either absent when the unlawful actions were approved or dissented at the time may avoid liability by causing his or her dissent to such actions to be entered in the books containing the minutes of the meetings of the board of directors at the time such action occurred or immediately after such absent director receives notice of the unlawful acts.

We expect to maintain standard policies of insurance that provide coverage (1) to our directors and officers against loss rising from claims made by reason of breach of duty or other wrongful act and (2) to us with respect to indemnification payments that we may make to such directors and officers.

The underwriting agreement provides for indemnification by the underwriters of us and our officers and directors, and by us of the underwriters, for certain liabilities arising under the Securities Act of 1933, as amended, or the Securities Act, or otherwise in connection with this offering.

Section 3. <u>Demand Registrations</u>.

Requests for Registration. Subject to the following paragraphs of this Section 3(a), (i) in connection with the Initial Public (a) Offering, the KKR Stockholder shall have the right, by delivering or causing to be delivered a written notice to the Corporation, to require the Corporation to register, pursuant to the terms of this Agreement, under and in accordance with the provisions of the Securities Act, the sale of a number of Registrable Securities specified by the KKR Stockholder and (ii) following the Initial Public Offering, the KKR Stockholder and the Berkshire Stockholder shall each have the right, by delivering or causing to be delivered a written notice to the Corporation, to require the Corporation to register, pursuant to the terms of this Agreement, under and in accordance with the provisions of the Securities Act, the sale of a number of Registrable Securities specified by such Stockholder, in each case on Form S-1 or any similar or successor long-form registration ("Long-Form Registrations") or, if available, on Form S-3 or any similar or successor short-form registration ("Short-Form Registrations") (any such written notice, a "Demand Notice" and any such registration, a "Demand Registration"); provided, however, that a Demand Notice may only be made if the sale of the Registrable Securities requested to be registered by such demanding Stockholder is reasonably expected to result in aggregate gross cash proceeds in excess of \$50,000,000 (without regard to any underwriting discount or commission) in the case of any Long-Form Registration and at least \$20,000,000 (without regard to any underwriting discount or commission) in the case of any Short-Form Registration; provided, further that, the Corporation shall not be obligated to file a registration statement relating to any registration request under this Section 3(a) within a period of ninety (90) days after the effective date of any other registration statement relating to any registration request under this Section 3(a) (or, after the effective date of the Initial Public Offering, within a period of one hundred and eighty (180) days). The KKR Stockholder or the Berkshire Stockholder may, in connection with any Demand Registration requested by such holder that is a Short Form Registration, require the Corporation to file such registration statement with the SEC in accordance with and pursuant to Rule 415 under the Securities Act including, if the Corporation is then eligible, as an automatic shelf registration. Following receipt of a Demand Notice for a Demand Registration in accordance with this Section 3(a), the Corporation shall use its reasonable best efforts to file a Registration Statement as promptly as practicable and shall use its reasonable best efforts to cause such Registration Statement to be declared effective under the Securities Act as promptly as practicable after the filing thereof.

Within ten (10) days after receipt by the Corporation of a Demand Notice in accordance with this <u>Section 3(a)</u>, the Corporation shall give written notice (the "<u>Notice</u>") of such Demand Notice to all other holders of Registrable Securities and shall, subject to the provisions of <u>Section 3(b)</u> hereof, include in such registration all Registrable Securities with respect to which the Corporation received written requests for inclusion therein within fifteen (15) days after such Notice is given by the Corporation to such holders.

Notwithstanding anything to the contrary in this Agreement, unless otherwise consented to by the KKR Stockholder, in connection with a Demand Notice for an Initial Public Offering, the Corporation shall only be required to deliver any Notice or Piggyback Notice as provided in clause (i) of the second paragraph of Section 4(a).

All requests made pursuant to this <u>Section 3</u> will specify the number of Registrable Securities to be registered and/or, in the case of an Initial Public Offering, the number of shares of Common Stock to be issued, and the intended methods of disposition thereof.

The Corporation shall be required to maintain the effectiveness of the Registration Statement with respect to any Demand Registration for a period of at least one hundred and eighty (180) days after the effective date thereof or such shorter period during which all Registrable Securities included in such Registration Statement have actually been sold; <u>provided</u>, <u>however</u>, that such period shall be extended for a period of time equal to the period the holder of Registrable Securities refrains from selling any securities included in such Registration Statement at the request of the Corporation or an underwriter of the Corporation pursuant to the provisions of this Agreement.

(b) <u>Priority on Demand Registration</u>. If any of the Registrable Securities registered pursuant to a Demand Registration are to be sold in a firm commitment underwritten offering, and the managing underwriter or underwriters advise the holders of such securities in writing that in its view the total number or dollar amount of Registrable Securities proposed to be sold in such offering is such as to adversely affect the success of such offering (including securities proposed to be included by other holders of securities entitled to include securities in such Registration Statement pursuant to incidental or piggyback registration rights), then there shall be included in such firm commitment underwritten offering the number or dollar amount of Registrable Securities that in the opinion of such managing underwriter can be sold without adversely affecting such offering, and such number of Registrable Securities shall be allocated as follows, unless the underwriter requires a different allocation:

(i) first, pro rata among the holders of Registrable Securities on the basis of the percentage of the Registrable Securities requested to be included in such Registration Statement by such holders; and

(ii) second, the securities for which inclusion in such Demand Registration, as the case may be, was requested by the Corporation.

For purposes of any underwriter cutback, all Registrable Securities held by any Stockholder shall also include any Registrable Securities held by the partners, retired partners, shareholders or Affiliates of such holder, or the estates and family members of any such holder or such partners and retired partners, any trusts for the benefit of any of the foregoing Persons and, at the election of such holder or such partners, retired partners, trust or Affiliates, any charitable organization, in each case to which any of the foregoing shall have been distributed, transferred or contributed Registrable Securities prior to the execution of the underwriting agreement in connection with such underwritten offering; provided that such distribution, transfer or contribution occurred not more than ninety (90) days prior to such execution, and such holder and other Persons shall be deemed to be a single selling holder, and any pro rata reduction (unless the managing underwriter requires a different allocation) with respect to such selling holder shall be based upon the aggregate amount of Registrable Securities owned by all Persons included in such selling holder, as defined in this sentence. No securities excluded from the underwriting by reason of the underwriter's marketing limitation shall be included in such registration.

(c) <u>Postponement of Demand Registration</u>. The Corporation shall be entitled to postpone (but not more than once in any twelve (12)-month period), for a reasonable period of time not in excess of sixty (60) days, the filing of a Registration Statement if the Corporation delivers to the holders requesting registration a certificate signed by both the president and chief financial officer of the Corporation certifying that, in the good faith judgment of the board of directors of the Corporation, such registration and offering would reasonably be expected to materially adversely affect or materially interfere with any <u>bona fide</u> material financing of the Corporation or any material transaction under consideration by the Corporation or would require disclosure of information that has not been disclosed to the public, the premature disclosure of which would materially adversely affect the Corporation. Such certificate shall contain a statement of the reasons for such postponement and an approximation of the anticipated delay. The holders receiving such certificate shall keep the information contained in such certificate confidential subject to the same terms set forth in <u>Section 6(p)</u>. If the Corporation shall so postpone the filing of a Registration Statement, the Stockholder requesting such Demand Registration shall have the right to withdraw the request for registration by giving written notice to the Corporation within twenty (20) days of the anticipated termination date of the postponement period, as provided in the certificate delivered to the holders.

(d) <u>Cancellation of a Demand Registration</u>. Holders of a majority of the Registrable Securities which are to be registered in a particular offering pursuant to this <u>Section 3</u> shall have the right to notify the Corporation that they have determined that the proposed offering be abandoned, in which event the Corporation shall abandon or withdraw such registration statement and no Demand Registration shall be deemed to have occurred for purposes of this <u>Section 3</u>; <u>provided</u> that in the event of a Demand Registration pursuant to a Demand Notice delivered by the Berkshire Stockholder, only the Berkshire Stockholder shall have the right to notify the Corporation that the Berkshire Stockholder has determined that such proposed offering be abandoned.

(e) Number of Demand Notices. In connection with the provisions of this Section 3, (i) the KKR Stockholder shall have an unlimited number of Demand Notices which they are permitted to deliver (or cause to be delivered) to the Corporation hereunder and (ii) the Berkshire Stockholder shall be entitled to deliver (or cause to be delivered) to the Corporation no more than two (2) Demand Notices pursuant to Section 3(a)(ii). Notwithstanding the foregoing, no Demand Registration shall be deemed to have occurred for purposes of this Section 3 if the Registration Statement relating thereto (i) does not become effective, (ii) is not maintained effective for the period required pursuant to this Section 3, or (iii) the offering of the Registrable Securities pursuant to such Registration Statement is subject to a stop order, injunction, or similar order or requirement of the SEC during such period, in which case, such requesting holder of Registrable Securities shall be entitled to an additional Demand Registration in lieu thereof.

Section 4. <u>Piggyback Registration</u>.

Right to Piggyback. Except with respect to a Demand Registration, the procedures for which are addressed in Section 3, if the Corporation proposes to file a registration statement under the Securities Act with respect to an offering of Registrable Securities whether or not for sale for its own account (other than a registration statement (i) on Form S-4, Form S-8 or any successor forms thereto or (ii) filed solely in connection with an exchange offer or any employee benefit or dividend reinvestment plan), then, each such time after the Initial Public Offering, the Corporation shall give prompt written notice of such filing no later than ten (10) days after the filing date (the "Piggyback Notice") to all of the holders of Registrable Securities. The Piggyback Notice shall offer such holders the opportunity to include (or cause to be included) in such registration statement the number of Registrable Securities as each such holder may request (a "Piggyback Registration"). Subject to Section 4(b) hereof, the Corporation shall include in each such Piggyback Registration all Registrable Securities with respect to which the Corporation has received written requests for inclusion therein within ten (10) days after notice has been given to the applicable holder. The eligible holders of Registrable Securities shall be permitted to withdraw all or part of the Registrable Securities from a Piggyback Registration at any time at least two (2) business days prior to the effective date of such Piggyback Registration. The Corporation shall not be required to maintain the effectiveness of the Registration Statement for a Piggyback Registration beyond the earlier to occur of (i) one hundred and eighty (180) days after the effective date thereof and (ii) consummation of the distribution by the holders of the applicable Registrable Securities included in such Registration Statement.

Notwithstanding anything to the contrary in this Agreement, (i) in connection with a Demand Notice for an Initial Public Offering in which the KKR Stockholder is selling (or causing to be sold) shares of Registrable Securities beneficially owned by it in any such Initial Public Offering on a secondary basis, the Corporation shall be required to deliver a Piggyback Notice and in such event all such holders of Registrable Securities shall have the right to participate in such offering on a pro rata basis with the KKR Stockholder (it being understood that in connection with any Initial Public Offering in which the KKR Stockholder is not selling (or causing to be sold) shares of Registrable Securities beneficially owned by it on a secondary basis, no such Piggyback Notice need be sent) and (ii) no member of senior management who has been provided with piggyback rights shall be permitted to exercise such rights unless the KKR Stockholder is selling Registrable Securities in such transaction.

If at any time after giving such Piggyback Notice and prior to the effective date of the registration statement filed in connection with such registration the Corporation shall determine for any reason not to register the securities originally intended to be included in such registration, the Corporation may, at its election, give written notice of such determination to the Stockholders and thereupon the Corporation shall be relieved of its obligation to register such Registrable Securities in connection with the registration of securities originally intended to be included in such registration, without prejudice, however, to the right of a Stockholder immediately to request that such registration be effected as a registration under Section 3 to the extent permitted thereunder.

- (b) Priority on Piggyback Registrations. The Corporation shall use reasonable best efforts to cause the managing underwriter or underwriters of a proposed underwritten offering to permit the applicable holders of Registrable Securities who have submitted a Piggyback Notice in connection with such offering to include in such offering all Registrable Securities included in each holder's Piggyback Notice on the same terms and conditions as any other shares of capital stock, if any, of the Corporation included in the offering. Notwithstanding the foregoing, if the managing underwriter or underwriters of such underwritten offering have informed the Corporation in writing that it is their good faith opinion that the total amount of securities that such holders, the Corporation and any other Persons having rights to participate in such registration, intend to include in such offering is such as to adversely affect the success of such offering, then the amount of securities to be offered (i) for the account of holders of Registrable Securities (other than the Corporation) and (ii) for the account of all such other Persons (other than the Corporation) shall be reduced to the extent necessary to reduce the total amount of securities to be included in such offering to the amount recommended by such managing underwriter or underwriters by first reducing, or eliminating if necessary, all securities of the Corporation requested to be included by such other Persons (other than the Corporation and holders of Registrable Securities) and then, if necessary, reducing the securities requested to be included by the holders of Registrable Securities requesting such registration pro rata among such holders on the basis of the percentage of the Registrable Securities requested to be included in such Registration Statement by such holders.
- (c) <u>Shelf-Take Downs</u>. At any time that a shelf registration statement covering Registrable Securities pursuant to <u>Section 3</u> or <u>Section 4</u> is effective, if any holder or group of holders of Registrable Securities entitled to deliver a Demand Notice delivers a notice to the Corporation (a "<u>Take-Down Notice</u>"), stating that it intends to effect an underwritten offering of all or part of its Registrable Securities included by it on the shelf registration statement (a "<u>Shelf Underwritten Offering</u>") and stating the number of the Registrable Securities to be included in the Shelf Underwritten Offering and confirming that such sale of Registrable Securities is reasonably expected to result in aggregate gross proceeds in excess of \$20,000,000, then, the Corporation shall amend or supplement the shelf registration statement as may be necessary in order to enable such Registrable Securities to be distributed pursuant to the Shelf Underwritten Offering (taking into account the inclusion of Registrable Securities by any other holders pursuant to this <u>Section 4(c)</u>). In connection with any Shelf Underwritten Offering:

- (i) such proposing holder(s) shall also deliver the Take-Down Notice to all other holders of Registrable Securities included on such shelf registration statement and permit each such holder to include its Registrable Securities included on the shelf registration statement in the Shelf Underwritten Offering if such holder notifies the proposing holders and the Corporation within five (5) days after delivery of the Take-Down Notice to such holder (in connection with any Shelf Underwritten Offering that includes a customary "road show" (including an "electronic road show") or other substantial marketing effort by the Corporation and the underwritters (a "Marketed Shelf Underwritten Offering") or within two (2) days after delivery of the Take-Down Notice to such holder (in connection with any Shelf Underwritten Offering that is structured as a "block" trade and not as a Marketed Shelf Underwritten Offering); and
- (ii) in the event that, in connection with a Marketed Shelf Underwritten Offering, the underwriter determines that marketing factors (including an adverse effect on the per share offering price) require a limitation on the number of Registrable Securities which would otherwise be included in such take down, the underwriter may limit the number of Registrable Securities which would otherwise be included in such take-down offering in the same manner as described in Section 3(b) with respect to a limitation of shares to be included in a registration.
- Section 5. Restrictions on Public Sale by Holders of Registrable Securities; Restrictions on the Corporation. Each Stockholder agrees, in connection with the Initial Public Offering, and each holder of Registrable Securities agrees, in connection with any underwritten offering made pursuant to a Registration Statement filed pursuant to Section 3 or Section 4 hereof (whether or not such holder elected to include Registrable Securities in such Registration Statement), if requested (pursuant to a written notice) by the managing underwriter or underwriters in an underwritten offering, not to effect any public sale or distribution of any of the Corporation's securities (except as part of such underwritten offering), including a sale pursuant to Rule 144 or any swap or other economic arrangement that transfers to another any of the economic consequences of owning the Common Stock, or to give any Demand Notice during the period commencing on the date of the request (which shall be no earlier than fourteen (14) days prior to the expected "pricing" of such offering) and continuing for not more than one hundred and eighty (180) days (with respect to the Initial Public Offering) or ninety (90) days (with respect to any other offering) after the date of the final Prospectus (or final Prospectus supplement if the offering is made pursuant to a "shelf" registration), pursuant to which such public offering shall be made, or such lesser period as is required by the managing underwriter (which shall also apply equally to all Stockholders), plus an extension period, which shall be no longer than 17 days, as may be proposed by the managing underwriter solely to the extent required to address FINRA regulations regarding the publishing of research. The foregoing provisions of this Section 5 shall be applicable to any Stockholder that requested to include Registrable Securities in such underwritten offering only if the number of Registrable Securities of such Stockholder actually included in such underwritten offering is at least the lesser of (I) the number of Registrable Securities requested to be included in such underwritten offering by such Stockholder, and (II) the product of the number of Registrable Securities that would be expected to result in aggregate gross cash proceeds in excess of \$50,000,000 (before deducting any underwriting discount or commission) in such underwritten offering, multiplied by a fraction, the numerator of which is the number of Registrable Securities requested to be included in such underwritten offering by such Stockholder and the denominator of which is the aggregate number of Registrable Securities requested to be included in such underwritten offering by all Stockholders. Any management holder of Registrable Securities that did not request Registrable Securities to be included in such underwritten offering shall not be subject to the provisions of this Section 5 if any other management holder of Registrable Securities shall not be subject to the provisions of this Section 5 pursuant to the immediately preceding sentence.

Notwithstanding the foregoing, any discretionary waiver or termination of this lock-up provision by the Corporation or the underwriters with respect to any of the Stockholders shall apply to the other Stockholders as well, pro rata based upon the number of shares subject to such obligations.

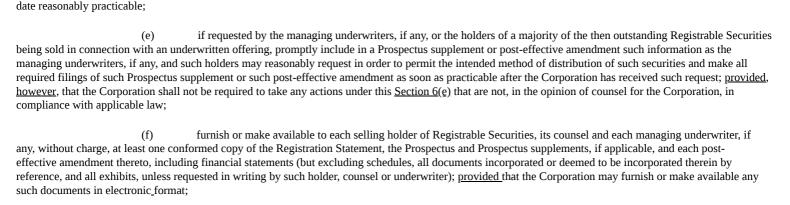

The Corporation agrees, in connection with any underwritten offering made pursuant to a Registration Statement filed pursuant to Section 3 or Section 4 not to effect any public sale or distribution of any common equity (or securities convertible into or exchangeable or exercisable for common equity) (other than pursuant to a registration statement on Form S-4, Form S-8 or any successor forms thereto relating to common equity to be issued solely by the Corporation in connection with (i) any acquisition of another entity or business or (ii) a stock option or any other employee benefit or dividend reinvestment plan) for its own account, during the period beginning seven days prior to the launch of the underwritten offering and ending no later than the earlier of (i) one hundred and eighty (180) days (with respect to the Initial Public Offering) or ninety (90) days (with respect to any other offering) after the date of the final Prospectus (or final Prospectus supplement if the offering is made pursuant to a "shelf" registration), pursuant to which such public offering shall be made, or such lesser period as is required by the managing underwriter (which shall also apply equally to all Stockholders), plus an extension period, which shall be no longer than seventeen (17) days, as may be proposed by the managing underwriter solely to the extent required to address FINRA regulations regarding the publishing of research.

Section 6. Registration Procedures. If and whenever the Corporation is required to effect the registration of any Registrable Securities under the Securities Act as provided in Section 3 and Section 4 hereof, the Corporation shall effect such registration to permit the sale of such Registrable Securities in accordance with the intended method or methods of disposition thereof, and pursuant thereto the Corporation shall cooperate in the sale of the securities and shall, as expeditiously as possible:

prepare and file with the SEC a Registration Statement or Registration Statements on such form as shall be available for the sale of the Registrable Securities by the holders thereof or by the Corporation in accordance with the intended method or methods of distribution thereof, and use its reasonable best efforts to cause such Registration Statement to become effective and to remain continuously effective as provided herein; provided, however, that before filing a Registration Statement or Prospectus or any amendments or supplements thereto (including documents that would be incorporated or deemed to be incorporated therein by reference), the Corporation shall furnish or otherwise make available to the holders of the Registrable Securities covered by such Registration Statement, their counsel and the managing underwriters, if any, copies of all such documents proposed to be filed, which documents will be subject to the reasonable review and comment of such counsel, and such other documents reasonably requested by such counsel, including any comment letter from the SEC, and, if requested by such counsel, provide such counsel reasonable opportunity to participate in the preparation of such Registration Statement and each Prospectus included therein and such other opportunities to conduct a reasonable investigation within the meaning of the Securities Act, including reasonable access to the Corporation's books and records, officers, accountants and other advisors. The Corporation shall not file any such Registration Statement or Prospectus or any amendments or supplements thereto (including such documents that, upon filing, would be incorporated or deemed to be incorporated by reference therein) with respect to a Demand Registration to which the holders of a majority of the Registrable Securities covered by such Registration Statement, their counsel, or the managing underwriters, if any, shall reasonably object, in writing, on a timely basis, unless, in the opinion of the Corporation, such filing is necessary to

(b) prepare and file with the SEC such amendments and post-effective amendments to each Registration Statement as may be necessary to keep such Registration Statement continuously effective during the period provided herein and comply in all material respects with the provisions of the Securities Act with respect to the disposition of all securities covered by such Registration Statement; and cause the related Prospectus to be supplemented by any Prospectus supplement as may be necessary to comply with the provisions of the Securities Act with respect to the disposition of the securities covered by such Registration Statement, and as so supplemented to be filed pursuant to Rule 424 (or any similar provisions then in force) under the Securities Act;

notify each selling holder of Registrable Securities, its counsel and the managing underwriters, if any, promptly, and (if (c) requested by any such Person) confirm such notice in writing, (i) when a Prospectus or any Prospectus supplement or post-effective amendment has been filed, and, with respect to a Registration Statement or any post-effective amendment, when the same has become effective, (ii) of any request by the SEC or any other federal or state governmental authority for amendments or supplements to a Registration Statement or related Prospectus or for additional information, (iii) of the issuance by the SEC of any stop order suspending the effectiveness of a Registration Statement or the initiation of any proceedings for that purpose, (iv) if at any time the Corporation has reason to believe that the representations and warranties of the Corporation contained in any agreement (including any underwriting agreement) contemplated by Section 6(o) below cease to be true and correct, (v) of the receipt by the Corporation of any notification with respect to the suspension of the qualification or exemption from qualification of any of the Registrable Securities for sale in any jurisdiction, or the initiation or threatening of any proceeding for such purpose, and (vi) if the Corporation has knowledge of the happening of any event that makes any statement made in such Registration Statement or related Prospectus or any document incorporated or deemed to be incorporated therein by reference untrue in any material respect or that requires the making of any changes in such Registration Statement, Prospectus or documents so that, in the case of the Registration Statement, it will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, not misleading, and that in the case of the Prospectus, it will not contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading (which notice shall notify the selling holders only of the occurrence of such an event and shall provide no additional information regarding such event to the extent such information would constitute material non-public information);

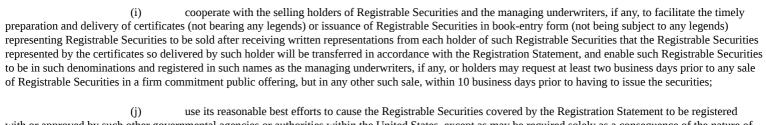

or the lifting of any suspension of the qualification (or exemption from qualification) of any of the Registrable Securities for sale in any jurisdiction at the earliest

(d)

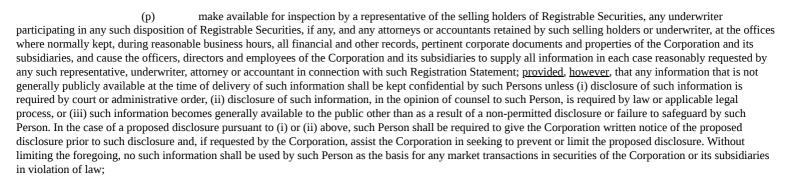

use its reasonable best efforts to obtain the withdrawal of any order suspending the effectiveness of a Registration Statement,

- (g) deliver to each selling holder of Registrable Securities, its counsel, and the underwriters, if any, without charge, as many copies of the Prospectus or Prospectuses (including each form of Prospectus) and each amendment or supplement thereto as such Persons may reasonably request from time to time in connection with the distribution of the Registrable Securities; provided that the Corporation may furnish or make available any such documents in electronic format; and the Corporation, subject to the last paragraph of this Section 6, hereby consents to the use of such Prospectus and each amendment or supplement thereto by each of the selling holders of Registrable Securities and the underwriters, if any, in connection with the offering and sale of the Registrable Securities covered by such Prospectus and any such amendment or supplement thereto;
- (h) prior to any public offering of Registrable Securities, use its reasonable best efforts to register or qualify or cooperate with the selling holders of Registrable Securities, the underwriters, if any, and their respective counsel in connection with the registration or qualification (or exemption from such registration or qualification) of such Registrable Securities for offer and sale under the securities or "blue sky" laws of such jurisdictions within the United States as any seller or underwriter reasonably requests in writing and to keep each such registration or qualification (or exemption therefrom) effective during the period such Registration Statement is required to be kept effective and to take any other action that may be necessary or advisable to enable such holders of Registrable Securities to consummate the disposition of such Registrable Securities in such jurisdiction; provided, however, that the Corporation will not be required to (i) qualify generally to do business in any jurisdiction where it is not then so qualified or (ii) take any action that would subject it to general service of process in any such jurisdiction where it is not then so subject;

- with or approved by such other governmental agencies or authorities within the United States, except as may be required solely as a consequence of the nature of such selling holder's business, in which case the Corporation will cooperate in all reasonable respects with the filing of such Registration Statement and the granting of such approvals, as may be necessary to enable the seller or sellers thereof or the underwriters, if any, to consummate the disposition of such Registrable Securities;
- (k) upon the occurrence of, and its knowledge of, any event contemplated by Section 6(c)(vi) above, prepare a supplement or post-effective amendment to the Registration Statement or a supplement to the related Prospectus or any document incorporated or deemed to be incorporated therein by reference, or file any other required document so that, as thereafter delivered to the purchasers of the Registrable Securities being sold thereunder, such Prospectus will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading;
- (l) prior to the effective date of the Registration Statement relating to the Registrable Securities, provide a CUSIP number for the Registrable Securities;
- (m) provide and cause to be maintained a transfer agent and registrar for all Registrable Securities covered by such Registration Statement from and after a date not later than the effective date of such Registration Statement;
- (n) use its reasonable best efforts to cause all shares of Registrable Securities covered by such Registration Statement to be listed on a national securities exchange if shares of the particular class of Registrable Securities are at that time listed on such exchange, as the case may be, prior to the effectiveness of such Registration Statement (or, if such Registration is an Initial Public Offering, use its reasonable best efforts to cause such Registrable Securities to be so listed within ten (10) business days following the effectiveness of such Registration Statement);

enter into such agreements (including an underwriting agreement in form, scope and substance as is customary in (0) underwritten offerings) and take all such other actions reasonably requested by the holders of a majority of the Registrable Securities being sold in connection therewith (including those reasonably requested by the managing underwriters, if any) to expedite or facilitate the disposition of such Registrable Securities, and in such connection, whether or not an underwriting agreement is entered into and whether or not the registration is an underwritten registration, (i) make such representations and warranties to the holders of such Registrable Securities and the underwriters, if any, with respect to the business of the Corporation and its subsidiaries, and the Registration Statement, Prospectus and documents, if any, incorporated or deemed to be incorporated by reference therein, in each case, in form, substance and scope as are customarily made by issuers to underwriters in underwritten offerings, and, if true, confirm the same if and when requested, (ii) use its reasonable best efforts to furnish to the selling holders of such Registrable Securities opinions of counsel to the Corporation and updates thereof (which counsel and opinions (in form, scope and substance) shall be reasonably satisfactory to the managing underwriters, if any, and counsels to the selling holders of the Registrable Securities), addressed to each selling holder of Registrable Securities and each of the underwriters, if any, covering the matters customarily covered in opinions requested in underwritten offerings and such other matters as may be reasonably requested by such counsel and underwriters, (iii) use its reasonable best efforts to obtain "cold comfort" letters and updates thereof from the independent certified public accountants of the Corporation (and, if necessary, any other independent certified public accountants of any subsidiary of the Corporation or of any business acquired by the Corporation for which financial statements and financial data are, or are required to be, included in the Registration Statement) who have certified the financial statements included in such Registration Statement, addressed to each selling holder of Registrable Securities (unless such accountants shall be prohibited from so addressing such letters by applicable standards of the accounting profession) and each of the underwriters, if any, such letters to be in customary form and covering matters of the type customarily covered in "cold comfort" letters in connection with underwritten offerings, (iv) if an underwriting agreement is entered into, the same shall contain indemnification provisions and procedures substantially to the effect set forth in Section 8 hereof with respect to all parties to be indemnified pursuant to said Section except as otherwise agreed by the KKR Stockholder and (v) deliver such documents and certificates as may be reasonably requested by the holders of a majority of the Registrable Securities being sold pursuant to such Registration Statement, their counsel and the managing underwriters, if any, to evidence the continued validity of the representations and warranties made pursuant to Section 6(0)(i) above and to evidence compliance with any customary conditions contained in the underwriting agreement or other agreement entered into by the Corporation. The above shall be done at each closing under such underwriting or similar agreement, or as and to the extent required thereunder;

- (q) cause its officers to use their reasonable best efforts to support the marketing of the Registrable Securities covered by the Registration Statement (including participation in "road shows") taking into account the Corporation's business needs; and
- (r) cooperate with each seller of Registrable Securities and each underwriter or agent participating in the disposition of such Registrable Securities and their respective counsel in connection with any filings required to be made with FINRA.

The Corporation may require each holder of Registrable Securities as to which any registration is being effected to furnish to the Corporation in writing such information required in connection with such registration regarding such seller and the distribution of such Registrable Securities as the Corporation may, from time to time, reasonably request in writing and the Corporation may exclude from such registration the Registrable Securities of any holder who unreasonably fails to furnish such information within a reasonable time after receiving such request.

Each holder of Registrable Securities agrees if such holder has Registrable Securities covered by such Registration Statement that, upon receipt of any notice from the Corporation of the happening of any event of the kind described in Section 6(c)(ii), 6(c)(iii), 6(c)(iv), or 6(c)(v), hereof, such holder will forthwith discontinue disposition of such Registrable Securities covered by such Registration Statement or Prospectus until such holder's receipt of the copies of the supplemented or amended Prospectus contemplated by Section 6(k) hereof, or until it is advised in writing by the Corporation that the use of the applicable Prospectus may be resumed, and has received copies of any additional or supplemental filings that are incorporated or deemed to be incorporated by reference in such Prospectus; provided, however, that the time periods under Section 3 with respect to the length of time that the effectiveness of a Registration Statement must be maintained shall automatically be extended by the amount of time the holder is required to discontinue disposition of such securities.

Registration Expenses. All reasonable fees and expenses incident to the performance of or compliance with this Agreement by the Section 7. Corporation (including (i) all registration and filing fees (including fees and expenses with respect to (A) filings required to be made with the SEC and FINRA and (B) compliance with securities or "blue sky" laws, including any fees and disbursements of counsel for the underwriters in connection with "blue sky" qualifications of the Registrable Securities pursuant to Section 6(h)), (ii) typesetting, filing and printing expenses (including, if applicable, expenses of printing certificates for Registrable Securities in a form eligible for deposit with The Depository Trust Company ("DTC") and of printing Prospectuses if the printing of Prospectuses is requested by the managing underwriters, if any, or by the holders of a majority of the Registrable Securities included in any Registration Statement), (iii) messenger, telephone and delivery expenses of the Corporation, (iv) fees and disbursements of counsel for the Corporation, (v) expenses of the Corporation incurred in connection with any road show, (vi) fees and disbursements of all independent certified public accountants referred to in Section 6(0)(iii) hereof (including the expenses of any "cold comfort" letters required by this Agreement) and any other Persons, including special experts retained by the Corporation), and (vii) fees and disbursements of one counsel for the KKR Stockholder and any other holders of Registrable Securities whose shares are included in a Registration Statement, which counsel shall be selected by the KKR Stockholder in connection with the Initial Public Offering or if the KKR Stockholder is making the Demand Registration (and otherwise, by the holders of a majority of the Registrable Securities being sold in connection with such offering) shall be borne by the Corporation whether or not any Registration Statement is filed or becomes effective. In addition, the Corporation shall pay its internal expenses (including all salaries and expenses of its officers and employees performing legal or accounting duties), the expense of any annual audit, the fees and expenses incurred in connection with the listing of the securities to be registered on any securities exchange on which similar securities issued by the Corporation are then listed and rating agency fees and the fees and expenses of any Person, including special experts, retained by the Corporation.

The Corporation shall not be required to pay (i) fees and disbursements of any counsel retained by any holder of Registrable Securities or by any underwriter (except as set forth in clauses 7(i)(B) and 7(vii)), (ii) any underwriter's fees (including discounts, commissions or fees of underwriters, selling brokers, dealer managers or similar securities industry professionals) relating to the distribution of the Registrable Securities (other than with respect to Registrable Securities sold by the Corporation), or (iii) any other expenses of the holders of Registrable Securities not specifically required to be paid by the Corporation pursuant to the first paragraph of this Section 7.

Section 8. <u>Indemnification</u>.

<u>Indemnification by the Corporation</u>. The Corporation shall, without limitation as to time, indemnify and hold harmless, to (a) the fullest extent permitted by law, each holder of Registrable Securities whose Registrable Securities are covered by a Registration Statement or Prospectus, the officers, directors, partners, members, managers, shareholders, affiliates, accountants, attorneys, agents and employees of each of them, each Person who controls each such holder (within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act) and the officers, directors, partners, members, managers, shareholders, accountants, attorneys, agents and employees of each such controlling person, each underwriter, if any, the officers, directors, partners, members, managers, shareholders, affiliates, accountants, attorneys, agents and employees of such underwriter and each Person who controls (within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act) such underwriter (collectively, "Holder Indemnitees"), from and against any and all losses, claims, damages, liabilities, costs (including costs of preparation and reasonable attorneys' fees and any legal or other fees or expenses incurred by such party in connection with any investigation or Proceeding), expenses, judgments, fines, penalties, charges and amounts paid in settlement (collectively, "Losses"), as incurred, arising out of or based upon any untrue statement (or alleged untrue statement) of a material fact contained in any Registration Statement, Prospectus, any amendment (including any post-effective amendment) or supplement to any Registration Statement or Prospectus, any filing made in connection with the qualification of the offering under the securities or other "blue sky" laws of any jurisdiction in which Registrable Securities are offered, or any other offering document (including any related notification, or the like) incident to any such registration, qualification or compliance, or based on any omission (or alleged omission) to state therein a material fact required to be stated therein or necessary to make the statements therein (in the case of any Prospectus, in light of the circumstances under which they were made) not misleading, or any violation by the Corporation of the Securities Act or of the Exchange Act, or any violation by the Corporation of this Agreement, and will reimburse each Holder Indemnitee for any legal and any other expenses reasonably incurred in connection with investigating and defending or settling any such claim, Loss, damage, liability, or action, provided that the Corporation will not be liable in any such case to the extent that any such claim, loss, damage, liability, or expense arises out of or is based on any untrue statement or omission by any holder or underwriter, but only to the extent, that such untrue statement (or alleged untrue statement) or omission (or alleged omission) is made in such Registration Statement, Prospectus or other offering document in reliance upon and in conformity with written information furnished to the Corporation by such holder or underwriter expressly for inclusion in such Registration Statement, Prospectus or other offering document. It is agreed that the indemnity agreement contained in this Section 8(a) shall not apply to amounts paid in settlement of any such Loss, claim, damage, liability, or action if such settlement is effected without the consent of the Corporation (which consent shall not be unreasonably withheld or delayed). Such indemnity agreement shall remain in full force and effect regardless of any investigation made by or on behalf of any Holder Indemnitee and shall survive the transfer of Registrable Securities by any such Holder Indemnitee.

Indemnification by Holder of Registrable Securities. In connection with any Registration Statement in which a holder of (b) Registrable Securities includes Registrable Securities, such holder of Registrable Securities agrees to indemnify, to the fullest extent permitted by law, severally and not jointly, the Corporation, each other holder of Registrable Securities which includes Registrable Securities in such Registration Statement, their respective directors and officers and each Person who controls the Corporation and such holders (within the meaning of Section 15 of the Securities Act and Section 20 of the Exchange Act) (collectively, "Corporation/Holder Indemnitees"), from and against all Losses arising out of or based on any untrue statement of a material fact contained in any such Registration Statement, Prospectus, or other offering document, or any omission to state therein a material fact required to be stated therein or necessary to make the statements therein (in the case of any Prospectus, in light of the circumstances under which they were made) not misleading, and will reimburse each Corporation/Holder Indemnitee for any legal or any other expenses reasonably incurred in connection with investigating or defending any such claim, Loss, damage, liability or action, in each case to the extent, but only to the extent, that such untrue statement or omission is made in such Registration Statement, Prospectus, or other offering document in reliance upon and in conformity with written information furnished to the Corporation by such holder expressly for inclusion in such Registration Statement, Prospectus, or other offering document; provided, however, that the obligations of such holder hereunder shall not apply to amounts paid in settlement of any such claims, Losses, damages or liabilities (or actions in respect thereof) if such settlement is effected without the consent of such holder (which consent shall not be unreasonably withheld); and provided, further, that the liability of each selling holder of Registrable Securities hereunder shall be limited to the net proceeds received by such selling holder from the sale of Registrable Securities giving rise to such indemnification obligation. In addition, insofar as the foregoing indemnity relates to any such untrue statement or omission made in a preliminary Prospectus but eliminated or remedied in an amended or supplemented preliminary Prospectus on file with the SEC at the time the Registration Statement becomes effective, or in any amendment or supplement thereto at or prior to the pricing of the sale of the Registrable Securities giving rise to the indemnification obligation, and such new preliminary Prospectus or amendment or supplement thereto is delivered to the underwriter, the indemnity agreement in this Section 8(b) shall not inure to the benefit of any Person if a copy of such amended or supplemented preliminary Prospectus was not furnished to the Person asserting the Loss at or prior to the pricing of the sale of the Registrable Securities giving rise to the indemnification obligation.

Conduct of Indemnification Proceedings. If any Person shall be entitled to indemnity hereunder (an "Indemnified Party"), (c) such Indemnified Party shall give prompt notice to the party from which such indemnity is sought (the "Indemnifying Party") of any claim or of the commencement of any Proceeding with respect to which such Indemnified Party seeks indemnification or contribution pursuant hereto; provided, however, that the delay or failure to so notify the Indemnifying Party shall not relieve the Indemnifying Party from any obligation or liability except (and only) to the extent that the Indemnifying Party has been prejudiced in defending the claim by such delay or failure. The Indemnifying Party shall have the right, exercisable by giving written notice to an Indemnified Party promptly after the receipt of written notice from such Indemnified Party of such claim or Proceeding, to, unless in the Indemnified Party's reasonable judgment a conflict of interest between such indemnified and Indemnifying Parties may exist in respect of such claim, assume, at the Indemnifying Party's expense, the defense of any such claim or Proceeding, with counsel reasonably satisfactory to such Indemnified Party; provided, however, that an Indemnified Party shall have the right to employ separate counsel in any such claim or Proceeding and to participate in the defense thereof, but the fees and expenses of such counsel shall be at the expense of such Indemnified Party unless: (i) the Indemnifying Party agrees to pay such fees and expenses; or (ii) the Indemnifying Party fails promptly to assume, or in the event of a conflict of interest cannot assume, the defense of such claim or Proceeding or fails to employ counsel reasonably satisfactory to such Indemnified Party, in which case the Indemnified Party shall have the right to employ counsel and to assume the defense of such claim or proceeding; provided, further, however, that the Indemnifying Party shall not, in connection with any one such claim or Proceeding or separate but substantially similar or related claims or Proceedings in the same jurisdiction, arising out of the same general allegations or circumstances, be liable for the fees and expenses of more than one firm of attorneys (in addition to appropriate local counsel) at any time for all of the Indemnified Parties, or for fees and expenses that are not reasonable. If, and so long as, the defense is assumed by the Indemnifying Party, such Indemnifying Party will not be subject to any liability for any settlement made without its consent (but such consent will not be unreasonably withheld, conditioned or delayed). The Indemnifying Party shall not consent to entry of any judgment or enter into any settlement that does not include as an unconditional term thereof the giving by the claimant or plaintiff to such Indemnified Party of a release, in form and substance reasonably satisfactory to the Indemnified Party, from all liability in respect of such claim or litigation for which such Indemnified Party would be entitled to indemnification hereunder or that includes any admission of fault or culpability of such Indemnified Party.

Contribution. If the indemnification provided for in this Section 8 is unavailable to an Indemnified Party in respect of any Losses (other than in accordance with its terms), then each applicable Indemnifying Party, in lieu of indemnifying such Indemnified Party, shall contribute to the amount paid or payable by such Indemnified Party as a result of such Losses, in such proportion as is appropriate to reflect the relative fault of the Indemnifying Party, on the one hand, and such Indemnified Party, on the other hand, in connection with the actions, statements or omissions that resulted in such Losses as well as any other relevant equitable considerations. The relative fault of such Indemnifying Party, on the one hand, and Indemnified Party, on the other hand, shall be determined by reference to, among other things, whether any action in question, including any untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact, has been taken by, or relates to information supplied by, such Indemnifying Party or Indemnified Party, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent any such action, statement or omission.

The parties hereto agree that it would not be just and equitable if contribution pursuant to this <u>Section 8(d)</u> were determined by pro rata allocation or by any other method of allocation that does not take account of the equitable considerations referred to in the immediately preceding paragraph. Notwithstanding the provisions of this <u>Section 8(d)</u>, an Indemnifying Party that is a holder of Registrable Securities shall not be required to contribute any amount in excess of the amount by which the net proceeds to the Indemnifying Party from the sale of the Registrable Securities sold in a transaction that resulted in Losses in respect of which contribution is sought in such proceeding pursuant to this <u>Section 8(d)</u>, exceed the amount of any damages that such Indemnifying Party has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission (including as a result of any indemnification obligation hereunder). No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation.

(e) The indemnity and contribution agreements contained in this Section 8 are in addition to any other liability that the Indemnifying Parties may otherwise have to the Indemnified Parties; provided that in no event shall any holder of Registrable Securities be liable to any Indemnified Parties with respect to any untrue statement or alleged untrue statement or omission or alleged omission in any Registration Statement, Prospectus or other offering document for any amount in excess of the amount by which the net proceeds to the Indemnifying Party from the sale of the Registrable Securities sold in the transaction that resulted in any liability, exceeds the amount of any damages that such Indemnifying Party has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission (including as a result of any indemnification or contribution obligation hereunder). Notwithstanding the foregoing, to the extent that the provisions on indemnification and contribution contained in the underwriting agreement entered into in connection with the underwritten public offering are in conflict with the foregoing provisions, the provisions in the underwriting agreement shall control.

Section 9. <u>Rule 144; Restriction Removal.</u>

- (a) At all times after the effective date of the first registration statement filed by the Corporation under the Securities Act or the Exchange Act, the Corporation shall (i) file the reports required to be filed by it under the Securities Act and the Exchange Act in a timely manner, (ii) take such further action as any holder of Registrable Securities may reasonably request, and (iii) furnish to each holder of Registrable Securities forthwith upon written request, (x) a written statement by the Corporation as to its compliance with the reporting requirements of Rule 144, the Securities Act and the Exchange Act, (y) a copy of the most recent annual or quarterly report of the Corporation, and (z) such other reports and documents so filed by the Corporation as such holder may reasonably request in availing itself of Rule 144, all to the extent required from time to time to enable such holder to sell Registrable Securities without registration under the Securities Act within the limitations of the exemption provided by Rule 144. Upon the request of any holder of Registrable Securities, the Corporation shall deliver to such holder a written statement as to whether it has complied with such requirements.
- (b) The Corporation shall, promptly upon the request of any holder of Registrable Securities (and, to the extent necessary, the delivery of such Registrable Securities to the transfer agent therefor), cause any legend or stop-transfer instructions with respect to restrictions on transfer under the Securities Act of such Registrable Securities to be removed or otherwise eliminated if (i) such Registrable Securities are registered pursuant to an effective Registration Statement, (ii) in connection with a sale transaction, such holder provides the Corporation with an opinion of counsel, in a generally acceptable form, to the effect that a public sale, assignment or transfer of the Securities may be made without registration under the Securities Act, (iii) such holder provides the Corporation reasonable assurances that the Securities have been or are being sold pursuant to, or can then be sold by such holder without restriction or limitation under, Rule 144, or (iv) such holder certifies in writing that such holder is not an Affiliate of the Corporation and either (A) a holding period (determined as provided in Rule 144(d)) of at least six months has elapsed since the acquisition of such Registrable Securities from the Corporation or an Affiliate of the Corporation and such holder will only sell the Registrable Securities in accordance with Rule 144 (including, as applicable the, public information requirement thereof) or pursuant to an effective Registration Statement, or (B) a holding period (determined as provided in Rule 144(d)) of at least one year has elapsed since the acquisition of such Registrable Securities from the Corporation or an Affiliate of the Corporation. The Corporation shall be responsible for the fees and expenses of its transfer agent and DTC associated with the issuance of the Registrable Securities to the Stockholder and any legend or stop-transfer instruction removal or elimination in accordance herewith.
- (c) The foregoing provisions of this Section 9 are not intended to modify or otherwise affect any restrictions on transfers of securities contained in the Stockholders Agreement

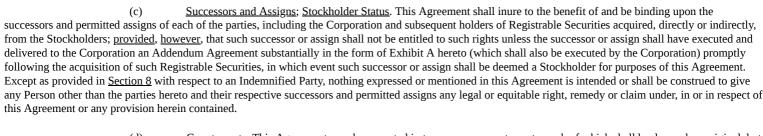

Section 10. <u>Underwritten Registrations</u>. In connection with any underwritten offering, the investment banker or investment bankers and managers shall be selected by (i) the KKR Stockholder in any Demand Registration or in the Initial Public Offering, which selection shall be subject to approval by the Board, not to be unreasonably withheld, and (ii) the Corporation to administer any other offering, including any Piggyback Registration (other than the Initial Public Offering).

No Person may participate in any underwritten registration hereunder unless such Person (i) agrees to sell the Registrable Securities it desires to have covered by a Registration Statement on the basis provided in any underwriting arrangements in customary form and (ii) completes and executes all questionnaires, powers of attorney, indemnities, underwriting agreements and other documents required under the terms of such underwriting arrangements, provided that such Person shall not be required to make any representations or warranties other than those related to title and ownership of such Person's Registrable Securities being sold and as to the accuracy and completeness of statements made in a Registration Statement, Prospectus, offering circular, or other document in reliance upon and in conformity with written information furnished to the Corporation or the managing underwriter by such Person specifically for use therein.

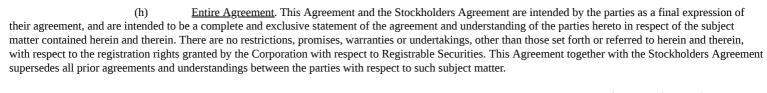

Section 11. <u>Miscellaneous</u>.

(a) Amendments and Waivers. The provisions of this Agreement, including the provisions of this sentence, may not be amended, modified or supplemented, and waivers or consents to departures from the provisions hereof may not be given without the written consent of each of the Corporation and the holders of a majority of the Registrable Securities; provided, however, that (x) any amendment, modification, supplement, waiver or consent to departures from the provisions of this Agreement that would subject a Stockholder to adverse differential treatment relative to the other Stockholders shall require the agreement of the differentially treated Stockholder and (y) any amendment, modification, supplement, waiver or consent to departures from the provisions of this Agreement that would be adverse to a right specifically granted to a specific Stockholder herein (but not to other Stockholders) shall require the agreement of that Stockholder. Notwithstanding the foregoing, a waiver or consent to depart from the provisions hereof with respect to a matter that relates exclusively to the rights of holders of Registrable Securities whose securities are being sold pursuant to a Registration Statement and that does not directly or indirectly affect the rights of other holders of Registrable Securities may be given by holders of at least a majority of the Registrable Securities being sold by such holders pursuant to such Registration Statement.

(b) Notices. All notices required to be given hereunder shall be in writing and shall be deemed to be duly given if personally delivered, telecopied or emailed and confirmed, or mailed by certified mail, return receipt requested, or overnight delivery service with proof of receipt maintained, at the following address (or any other address that any such party may designate by written notice to the other parties): (i) if to the Corporation, to the address of its principal executive offices and (ii) if to any Stockholder, at such Stockholder's address as set forth on the records of the Corporation. Any such notice shall, if delivered personally, be deemed received upon delivery; shall, if delivered by telecopy or emailed, and confirmed, be deemed received on the first business day following confirmation; shall, if delivered by overnight delivery service, be deemed received the first business day after being sent; and shall, if delivered by mail, be deemed received upon the earlier of actual receipt thereof or five business days after the date of deposit in the United States mail.

- (d) <u>Counterparts</u>. This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.
- (e) <u>Headings; Construction</u>. The section and paragraph headings contained in this Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement. Unless the context requires otherwise: (a) pronouns in the masculine, feminine and neuter genders shall be construed to include any other gender, and words in the singular form shall be construed to include the plural and vice versa; (b) the term "including" shall be construed to be expansive rather than limiting in nature and to mean "including, without limitation,"; (c) references to sections and paragraphs refer to sections and paragraphs of this Agreement; and (d) the words "this Agreement," "hereof," "hereby," "hereunder" and words of similar import refer to this Agreement as a whole, including Exhibit A hereto, and not to any particular subdivision unless expressly so limited.
- (f) <u>Governing Law.</u> This Agreement shall be governed by, and construed and enforced in accordance with, the laws of the State of Delaware, applicable to contracts executed in and to be performed entirely within that State, without giving effect to principles or rules of conflict of laws.
- (g) <u>Severability.</u> If any term, provision, covenant or restriction of this Agreement is held by a court of competent jurisdiction to be invalid, illegal, void or unenforceable, the remainder of the terms, provisions, covenants and restrictions set forth herein shall remain in full force and effect and shall in no way be affected, impaired or invalidated, and the parties hereto shall use their best efforts to find and employ an alternative means to achieve the same or substantially the same result as that contemplated by such term, provision, covenant or restriction. It is hereby stipulated and declared to be the intention of the parties that they would have executed the remaining terms, provisions, covenants and restrictions without including any of such that may be hereafter declared invalid, illegal, void or unenforceable.

- (i) <u>Securities Held by the Corporation or its Subsidiaries</u>. Whenever the consent or approval of holders of a specified percentage of Registrable Securities is required hereunder, Registrable Securities held by the Corporation or its subsidiaries shall not be counted in determining whether such consent or approval was given by the holders of such required percentage.
- (j) <u>Specific Performance</u>. The parties hereto recognize and agree that money damages may be insufficient to compensate the holders of any Registrable Securities for breaches by the Corporation of the terms hereof and, consequently, that the equitable remedy of specific performance of the terms hereof will be available in the event of any such breach.
- (k) Term. This Agreement shall terminate with respect to a Stockholder on the date on which such Stockholder ceases to hold Registrable Securities; provided that the rights of the Berkshire Stockholder hereunder shall terminate on the six month_anniversary of the date that the Berkshire Stockholder (together with any Permitted Transferees) ceases to own more than five percent (5%) of the outstanding Common Stock. Notwithstanding any termination of this Agreement with respect to a Stockholder, such Stockholder's rights and obligations pursuant to Section 8, as well as the Corporation's obligations to pay expenses pursuant to Section 7, shall survive with respect to any registration statement in which any Registrable Securities of such Stockholders were included and, for the avoidance of doubt, any underwriter lock-up that a Stockholder has executed prior to a Stockholder's termination in accordance with this clause shall remain in effect in accordance with its terms.
- (1) Consent to Jurisdiction. The parties hereto hereby irrevocably submit to the non-exclusive jurisdiction of the courts of the State of Delaware and the federal courts of the United States of America located in Delaware, and appropriate appellate courts therefrom, over any dispute arising out of or relating to this Agreement or any of the transactions contemplated hereby, and each party hereby irrevocably agrees that all claims in respect of such dispute or proceeding may be heard and determined in such courts. The parties hereby irrevocably waive, to the fullest extent permitted by applicable law, any objection which they may now or hereafter have to the laying of venue of any dispute arising out of or relating to this Agreement or any of the transactions contemplated hereby brought in such court or any defense of inconvenient forum for the maintenance of such dispute. Each of the parties hereto agrees that a judgment in any such dispute may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. This consent to jurisdiction is being given solely for purposes of this Agreement and is not intended to, and shall not, confer consent to jurisdiction with respect to any other dispute in which a party to this Agreement may become involved.

Each of the parties hereto hereby consents to process being served by any party to this Agreement in any suit, action, or proceeding of the nature specified in the paragraph above by the mailing of a copy thereof in the manner specified by the provisions of subsection (b) of this <u>Section 11</u>.

EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES ALL RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS AGREEMENT.

IN WITNESS WHEREOF, the parties hereto have caused this Registration Rights Agreement to be duly executed as of the date first above written.

- (a) Subject to and upon the terms and conditions herein set forth, each Lender having an Initial Term Loan Commitment severally agrees to make a loan or loans (each, an "Initial Term Loan") to Merger Sub on the Closing Date, which Initial Term Loans shall not exceed for any such Lender the Initial Term Loan Commitment of such Lender and in the aggregate shall not exceed \$500,000,000. Such Term Loans (i) may at the option of the Borrower be incurred and maintained as, and/or converted into, ABR Loans or LIBOR Loans; provided that all Term Loans made by each of the Lenders pursuant to the same Borrowing shall, unless otherwise specifically provided herein, consist entirely of Term Loans of the same Type, (ii) may be repaid or prepaid (without premium or penalty other than as set forth in Section 5.1(b)) in accordance with the provisions hereof, but once repaid or prepaid, may not be reborrowed, (iii) shall not exceed for any such Lender the Initial Term Loan Commitment of such Lender, and (iv) shall not exceed in the aggregate the Total Initial Term Loan Commitments. On the Initial Term Loan Maturity Date, all then unpaid Initial Term Loans shall be repaid in full in Dollars.
- (b) Subject to and upon the terms and conditions herein set forth each Revolving Credit Lender severally agrees to make Revolving Credit Loans denominated in Dollars to the Borrower from its applicable lending office (each, a "Revolving Credit Loan") in an aggregate principal amount not to exceed at any time outstanding the amount of such Revolving Credit Lender's Revolving Credit Commitment, provided that any of the foregoing such Revolving Credit Loans (A) shall be made at any time and from time to time on and after the Closing Date and prior to the Revolving Credit Maturity Date, (B) may, at the option of the Borrower be incurred and maintained as, and/or converted into, ABR Loans or LIBOR Loans that are Revolving Credit Loans; provided that all Revolving Credit Loans made by each of the Lenders pursuant to the same Borrowing shall, unless otherwise specifically provided herein, consist entirely of Revolving Credit Loans of the same Type, (C) may be repaid (without premium or penalty) and reborrowed in accordance with the provisions hereof, (D) shall not, for any Lender at any time, after giving effect thereto and to the application of the proceeds thereof, result in such Revolving Credit Lender's Revolving Credit Exposure in respect of any Class of Revolving Loans at such time exceeding such Revolving Credit Lender's Revolving Credit Commitment in respect of such Class of Revolving Credit Lenders' Revolving Credit Exposures at such time exceeding the Total Revolving Credit Commitment then in effect or the aggregate amount of the Revolving Credit Lenders' Revolving Credit Exposures of any Class of Revolving Loans at such time exceeding the aggregate Revolving Credit Commitment with respect to such Class.
- (c) Subject to and upon the terms and conditions herein set forth, the Swingline Lender in its individual capacity agrees, at any time and from time to time on and after the Closing Date and prior to the Swingline Maturity Date, to make a loan or loans (each, a "Swingline Loan" and, collectively the "Swingline Loans") to the Borrower, which Swingline Loans (i) shall be ABR Loans, (ii) shall have the benefit of the provisions of Section 2.1(d), (iii) shall not exceed at any time outstanding the Swingline Commitment, (iv) shall not, after giving effect thereto and to the application of the proceeds thereof, result at any time in the aggregate amount of the Revolving Credit Lenders' Revolving Credit Exposures at such time exceeding the Revolving Credit Commitment then in effect, and (v) may be repaid and reborrowed in accordance with the provisions hereof. On the Swingline Maturity Date, all Swingline Loans shall be repaid in full. The Swingline Lender shall not make any Swingline Loan after receiving a written notice from Holdings, the Borrower, the Administrative Agent or the Required Revolving Credit Lenders stating that a Default or Event of Default exists and is continuing until such time as the Swingline Lender shall have received written notice of (i) rescission of all such notices from the party or parties originally delivering such notice or (ii) the waiver of such Default or Event of Default in accordance with the provisions of Section 13.1.

- On any Business Day, the Swingline Lender may, in its sole discretion, give notice to each Revolving Credit Lender that all then-outstanding Swingline Loans shall be funded with a Borrowing of Revolving Credit Loans, in which case (i) Revolving Credit Loans constituting ABR Loans shall be made on the immediately succeeding Business Day (each such Borrowing, a "Mandatory Borrowing") by each Revolving Credit Lender pro rata based on each Revolving Credit Lender's Revolving Credit Commitment Percentage, and the proceeds thereof shall be applied directly to the Swingline Lender to repay the Swingline Lender for such outstanding Swingline Loans. Each Revolving Credit Lender hereby irrevocably agrees to make such Revolving Credit Loans upon one Business Day's notice pursuant to each Mandatory Borrowing in the amount and in the manner specified in the preceding sentence and on the date specified to it in writing by the Swingline Lender notwithstanding (i) that the amount of the Mandatory Borrowing may not comply with the minimum amount for each Borrowing specified in Section 2.2, (ii) whether any conditions specified in Section 7 are then satisfied, (iii) whether a Default or an Event of Default has occurred and is continuing, (iv) the date of such Mandatory Borrowing, or (v) any reduction in the Total Revolving Credit Commitment after any such Swingline Loans were made. In the event that, in the sole judgment of the Swingline Lender, any Mandatory Borrowing cannot for any reason be made on the date otherwise required above (including as a result of the commencement of a proceeding under the Bankruptcy Code in respect of the Borrower), each Revolving Credit Lender hereby agrees that it shall forthwith purchase from the Swingline Loans ratably based upon their respective Revolving Credit Commitment Percentages; provided that all principal and interest payable on such Swingline Loans shall be for the account of the Swingline Lender until the date the respective participation is purchased and, to the extent attributable
- (e) If the maturity date shall have occurred in respect of any tranche of Revolving Credit Commitments (the "Expiring Credit Commitment") at a time when another tranche or tranches of Revolving Credit Commitments is or are in effect with a longer maturity date (each a "Non-Expiring Credit Commitment" and collectively, the "Non-Expiring Credit Commitments"), then with respect to each outstanding Swingline Loan, if consented to by the Swingline Lender (such consent not to be unreasonably withheld, conditioned or delayed), on the earliest occurring maturity date such Swingline Loan shall be deemed reallocated to the tranche or tranches of the Non-Expiring Credit Commitments on a pro rata basis; provided that (x) to the extent that the amount of such reallocation would cause the aggregate credit exposure to exceed the aggregate amount of such Non-Expiring Credit Commitments, immediately prior to such reallocation the amount of Swing Line Loans to be reallocated equal to such excess shall be repaid or Cash Collateralized and (y) notwithstanding the foregoing, if a Default or Event of Default has occurred and is continuing, the Borrower shall still be obligated to pay Swingline Loans allocated to the Revolving Credit Lenders holding the Expiring Credit Commitments at the maturity date of the Expiring Credit Commitment, the sublimit for Swingline Loans may be reduced as agreed between the Swingline Lender and the Borrower, without the consent of any other Person.
- 2.2 <u>Minimum Amount of Each Borrowing; Maximum Number of Borrowings</u>. The aggregate principal amount of each Borrowing of Term Loans or Revolving Credit Loans shall be in a minimum amount of at least the Minimum Borrowing Amount for such Type of Loans and in a multiple of \$100,000 in excess thereof and Swingline Loans shall be in a minimum amount of \$500,000 and in a multiple of \$100,000 in excess thereof (except that Mandatory Borrowings shall be made in the amounts required by <u>Section 2.1(d)</u> and Revolving Credit Loans to reimburse the Letter of Credit Issuer with respect to any Unpaid Drawing shall be made in the amounts required by <u>Section 3.4</u>, as applicable). More than one Borrowing may be incurred on any date; <u>provided</u> that at no time shall there be outstanding more than five Borrowings of LIBOR Loans that are Term Loans and fifteen Borrowings of LIBOR Loans that are Revolving Credit Loans under this Agreement.

2.3 <u>Notice of Borrowing</u>.

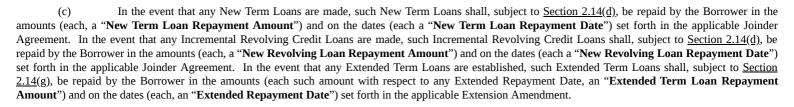

- (a) The Borrower shall give the Administrative Agent at the Administrative Agent's Office prior to 12:00 p.m. (New York City time) at least one Business Day's prior written notice in the case of a Borrowing of Initial Term Loans to be made on the Closing Date if such Initial Term Loans are to be LIBOR Loans or ABR Loans. Such notice (a "Notice of Borrowing") shall specify (A) the aggregate principal amount of the Term Loans to be made, (B) the date of the Borrowing (which shall be the Closing Date) and (C) whether the Term Loans shall consist of ABR Loans and/or LIBOR Loans and, if the Term Loans are to include LIBOR Loans, the Interest Period to be initially applicable thereto. If no election as to the Type of Borrowing is specified in any such notice, then the requested Borrowing shall be an ABR Borrowing. If no Interest Period with respect to any Borrowing of LIBOR Loans is specified in any such notice, then the Borrower shall be deemed to have selected an Interest Period of one month's duration. The Administrative Agent shall promptly advise the applicable Lenders of any notice given pursuant to this Section 2.3(a) (and the contents thereof), and of each Lender's pro rata share of the requested Borrowing.
- (b) Whenever the Borrower desires to incur Revolving Credit Loans (other than Mandatory Borrowings or borrowings to repay Unpaid Drawings), the Borrower shall give the Administrative Agent at the Administrative Agent's Office, (i) prior to 12:00 noon (New York City Time) at least three Business Days' prior written notice of each Borrowing of LIBOR Loans that are Revolving Credit Loans and (ii) prior to 10:00 a.m. (New York City time) on the day of such Borrowing prior written notice of each Borrowing of Revolving Credit Loans that are ABR Loans. Each such Notice of Borrowing, except as otherwise expressly provided in Section 2.10, shall specify (x) the aggregate principal amount of the Revolving Credit Loans to be made pursuant to such Borrowing, (y) the date of Borrowing (which shall be a Business Day) and (z) whether the respective Borrowing shall consist of ABR Loans or LIBOR Loans that are Revolving Credit Loans and, if LIBOR Loans that are Revolving Credit Loans, the Interest Period to be initially applicable thereto. The Administrative Agent shall promptly give each Revolving Credit Lender written notice of each proposed Borrowing of Revolving Credit Loans, of such Lender's Revolving Credit Commitment Percentage thereof, of the identity of the Borrower, and of the other matters covered by the related Notice of Borrowing.
- (c) Whenever the Borrower desires to incur Swingline Loans hereunder, the Borrower shall give the Swingline Lender written notice with a copy to the Administrative Agent of each Borrowing of Swingline Loans prior to 2:00 p.m. (New York City time) on the date of such Borrowing. Each such notice shall specify (x) the aggregate principal amount of the Swingline Loans to be made pursuant to such Borrowing and (y) the date of Borrowing (which shall be a Business Day).
- (d) Mandatory Borrowings shall be made upon the notice specified in <u>Section 2.1(d)</u>, with the Borrower irrevocably agreeing, by its incurrence of any Swingline Loan, to the making of Mandatory Borrowings as set forth in such Section.
 - (e) Borrowings to reimburse Unpaid Drawings shall be made upon the notice specified in <u>Section 3.4(a)</u>.
- (f) Without in any way limiting the obligation of the Borrower to confirm in writing any notice it shall give hereunder by telephone (which obligation is absolute), the Administrative Agent may act prior to receipt of written confirmation without liability upon the basis of such telephonic notice believed by the Administrative Agent in good faith to be from an Authorized Officer of Holdings or the Borrower.

2.4 <u>Disbursement of Funds.</u>

- (a) No later than 2:00 p.m. (New York City time) on the date specified in each Notice of Borrowing (including Mandatory Borrowings), each Lender shall make available its pro rata portion, if any, of each Borrowing requested to be made on such date in the manner provided below; provided that on the Closing Date, such funds may be made available at such earlier time as may be agreed among the Lenders, Holdings, and the Administrative Agent for the purpose of consummating the Transactions; provided, further, that all Swingline Loans shall be made available to the Borrower in the full amount thereof by the Swingline Lender no later than 4:00 p.m. (New York City time).
- (b) Each Lender shall make available all amounts it is to fund to the Borrower under any Borrowing for its applicable Commitments, and in immediately available funds, to the Administrative Agent at the Administrative Agent's Office and the Administrative Agent will (except in the case of Mandatory Borrowings and Borrowings to repay Unpaid Drawings) make available to the Borrower, by depositing to an account designated by Holdings or the Borrower to the Administrative Agent the aggregate of the amounts so made available in Dollars. Unless the Administrative Agent shall have been notified by any Lender prior to the date of any such Borrowing that such Lender does not intend to make available to the Administrative Agent its portion of the Borrowing or Borrowings to be made on such date, the Administrative Agent may assume that such Lender has made such amount available to the Administrative Agent on such date of Borrower, a corresponding amount. If such corresponding amount is not in fact made available to the Administrative Agent by such Lender and the Administrative Agent has made available such amount to the Borrower, the Administrative Agent shall be entitled to recover such corresponding amount from such Lender. If such Lender does not pay such corresponding amount forthwith upon the Administrative Agent's demand therefor the Administrative Agent shall promptly notify the Borrower and the Borrower shall immediately pay such corresponding amount to the Administrative Agent in Dollars. The Administrative Agent shall also be entitled to recover from such Lender or the Borrower interest on such corresponding amount in respect of each day from the date such corresponding amount was made available by the Administrative Agent to the Borrower to the date such corresponding amount is recovered by the Administrative Agent, at a rate per annum equal to (i) if paid by such Lender, the Overnight Rate or (ii) if paid by the Borrower, the then-applicable rate of interest or fees, calculated in accordance with Section 2.8, f
- (c) Nothing in this <u>Section 2.4</u> shall be deemed to relieve any Lender from its obligation to, fulfill its commitments hereunder or to prejudice any rights that the Borrower may have against any Lender as a result of any default by such Lender hereunder (it being understood, however, that no Lender shall be responsible for the failure of any other Lender to fulfill its commitments hereunder).

2.5 Repayment of Loans; Evidence of Debt.

- (a) The Borrower shall repay to the Administrative Agent, for the benefit of the applicable Lenders, on the Initial Term Loan Maturity Date, the then outstanding Initial Term Loans. The Borrower shall repay to the Administrative Agent for the benefit of the Revolving Credit Lenders, on the Revolving Credit Maturity Date, the then outstanding Revolving Credit Loans.
- (b) The Borrower shall repay to the Administrative Agent for the benefit of the Revolving Credit Lenders, on each Extended Revolving Loan Maturity Date, the then outstanding amount of Extended Revolving Credit Loans. The Borrower shall repay to the Swingline Lender, on the Swingline Maturity Date, the then outstanding Swingline Loans. The Borrower shall repay to the Administrative Agent, for the benefit of the Initial Term Loan Lenders, (x) on the last Business Day of each fiscal quarter of the Borrower, commencing with the fiscal quarter ending closest to June 30, 2014 (each, an "Initial Term Loan Repayment Date"), a principal amount in respect of each of the Initial Term Loans equal to 0.25% of the outstanding principal amount of Initial Term Loans made on the Closing Date and (y) on the Initial Term Loan Maturity Date any remaining outstanding amount of Initial Term Loans (each, an "Initial Term Loan Repayment Amount"):

- (d) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the Indebtedness of the Borrower to the appropriate lending office of such Lender resulting from each Loan made by such lending office of such Lender from time to time, including the amounts of principal and interest payable and paid to such lending office of such Lender from time to time under this Agreement.
- (e) The Administrative Agent shall maintain the Register pursuant to <u>Section 13.6(b)</u>, and a subaccount for each Lender, in which Register and subaccounts (taken together) shall be recorded (i) the amount of each Loan made hereunder, whether such Loan is an Initial Term Loan, New Term Loan, Revolving Credit Loan or Swingline Loan, as applicable, the Type of each Loan made, the name of the Borrower and the Interest Period, if any, applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder, and (iii) the amount of any sum received by the Administrative Agent hereunder from the Borrower and each Lender's share thereof.
- (f) The entries made in the Register and accounts and subaccounts maintained pursuant to <u>clauses (d)</u> and <u>(e)</u> of this <u>Section 2.5</u> shall, to the extent permitted by applicable law, be prima facie evidence of the existence and amounts of the obligations of the Borrower therein recorded; <u>provided</u>, <u>however</u>, that in the event of any inconsistency between the Registrar and any such account or subaccount, the Registrar shall govern, <u>provided</u>, <u>further</u>, that the failure of any Lender, the Administrative Agent or the Swingline Lender to maintain such account, such Register or subaccount, as applicable, or any error therein, shall not in any manner affect the obligation of the Borrower to repay (with applicable interest) the Loans made to the Borrower by such Lender in accordance with the terms of this Agreement.
- (g) The Borrower hereby agrees that, upon request of any Lender at any time and from time to time after the Borrower has made an initial borrowing hereunder, the Borrower shall provide to such Lender, at the Borrower's own expense, a promissory note, substantially in the form of Exhibit G-1 or Exhibit G-2, as applicable, evidencing the Initial Term Loans, New Term Loans, Revolving Loans and Swingline Loans, respectively, owing to such Lender. Thereafter, unless otherwise agreed to by the applicable Lender, the Loans evidenced by such promissory note and interest thereon shall at all times (including after assignment pursuant to Section 13.6) be represented by one or more promissory notes in such form payable to the order of the payee named therein (or, if requested by such payee, to such payee and its registered assigns).

2.6 <u>Conversions and Continuations.</u>

- Subject to the penultimate sentence of this clause (a), (x) the Borrower shall have the option on any Business Day to convert all or a portion (a) equal to at least \$5,000,000 of the outstanding principal amount of Term Loans of one Type or Revolving Credit Loans of one Type into a Borrowing or Borrowings of another Type and (y) the Borrower shall have the option on any Business Day to continue the outstanding principal amount of any LIBOR Loans as LIBOR Loans for an additional Interest Period; provided that (i) no partial conversion of LIBOR Loans shall reduce the outstanding principal amount of LIBOR Loans made pursuant to a single Borrowing to less than the Minimum Borrowing Amount, (ii) ABR Loans may not be converted into LIBOR Loans if an Event of Default is in existence on the date of the conversion and the Administrative Agent has or the Required Lenders have determined in its or their sole discretion not to permit such conversion, (iii) LIBOR Loans may not be continued as LIBOR Loans for an additional Interest Period if an Event of Default is in existence on the date of the proposed continuation and the Administrative Agent has or the Required Lenders have determined in its or their sole discretion not to permit such continuation, and (iv) Borrowings resulting from conversions pursuant to this Section 2.6 shall be limited in number as provided in Section 2.2. Each such conversion or continuation shall be effected by the Borrower by giving the Administrative Agent at the Administrative Agent's Office prior to 1:00 p.m. (New York City time) at least (i) three Business Days prior, in the case of a continuation of or conversion to LIBOR Loans (other than in the case of a notice delivered on the Closing Date, which shall be deemed to be effective on the Closing Date), or (ii) one Business Day prior in the case of a conversion into ABR Loans (each, a "Notice of Conversion or Continuation" substantially in the form of Exhibit K) specifying the Loans to be so converted or continued, the Type of Loans to be converted or continued into and, if such Loans are to be converted into or continued as LIBOR Loans, the Interest Period to be initially applicable thereto. If no Interest Period is specified in any such notice with respect to any conversion to or continuation as a LIBOR Loan, the Borrower shall be deemed to have selected an Interest Period of one month's duration. The Administrative Agent shall give each applicable Lender notice as promptly as practicable of any such proposed conversion or continuation affecting any of its Loans.
- (b) If any Event of Default is in existence at the time of any proposed continuation of any LIBOR Loans denominated in Dollars and the Administrative Agent has or the Required Lenders have determined in its or their sole discretion not to permit such continuation, such LIBOR Loans shall be automatically converted on the last day of the current Interest Period into ABR Loans. If upon the expiration of any Interest Period in respect of LIBOR Loans, the Borrower has failed to elect a new Interest Period to be applicable thereto as provided in clause (a), the Borrower shall be deemed to have elected to convert such Borrowing of LIBOR Loans into a Borrowing of ABR Loans, effective as of the expiration date of such current Interest Period.
- 2.7 Pro Rata Borrowings. Each Borrowing of Initial Term Loans under this Agreement shall be made by the Lenders pro rata on the basis of their then-applicable Initial Term Loan Commitments. Each Borrowing of Revolving Credit Loans under this Agreement shall be made by the Revolving Credit Lenders pro rata on the basis of their then-applicable Revolving Credit Commitment Percentages. Each Borrowing of New Term Loans under this Agreement shall be made by the Lenders pro rata on the basis of their then-applicable New Term Loan Commitments. Each Borrowing of Incremental Revolving Credit Loans under this Agreement shall be made by the Revolving Credit Lenders pro rata on the basis of their then-applicable Incremental Revolving Credit Commitments. It is understood that (a) no Lender shall be responsible for any default by any other Lender in its obligation to make Loans hereunder and that each Lender severally but not jointly shall be obligated to make the Loans provided to be made by it hereunder, regardless of the failure of any other Lender to fulfill its commitments hereunder and (b) other than as expressly provided herein with respect to a Defaulting Lender, failure by a Lender to perform any of its obligations under any of the Credit Documents shall not release any Person from performance of its obligation, under any Credit Document.

2.8 Interest.

- (a) The unpaid principal amount of each ABR Loan shall bear interest from the date of the Borrowing thereof until maturity (whether by acceleration or otherwise) at a rate per annum that shall at all times be the Applicable Margin for ABR Loans *plus* the ABR, in each case, in effect from time to time.
- (b) The unpaid principal amount of each LIBOR Loan shall bear interest from the date of the Borrowing thereof until maturity thereof (whether by acceleration or otherwise) at a rate per annum that shall at all times be the Applicable Margin for LIBOR Loans *plus* the relevant LIBOR Rate.
- (c) If all or a portion of (i) the principal amount of any Loan or (ii) any interest payable thereon or any other amount payable hereunder shall not be paid when due (whether at the stated maturity, by acceleration or otherwise), such overdue amount shall bear interest at a rate per annum (the "**Default Rate**") that is (x) in the case of overdue principal, the rate that would otherwise be applicable thereto *plus* 2.00% or (y) in the case of any other overdue amount, including overdue interest, to the extent permitted by applicable law, the rate described in <u>Section 2.8(a)</u> for the applicable Class *plus* 2.00% from the date of such non-payment to the date on which such amount is paid in full (after as well as before judgment).
- (d) Interest on each Loan shall accrue from and including the date of any Borrowing to but excluding the date of any repayment thereof and shall be payable in the same currency in which the Loan is denominated; <u>provided</u> that any Loan that is repaid on the same date on which it is made shall bear interest for one day. Except as provided below, interest shall be payable (i) in respect of each ABR Loan, quarterly in arrears on the last Business Day of each fiscal quarter of the Borrower, (ii) in respect of each LIBOR Loan, on the last day of each Interest Period applicable thereto and, in the case of an Interest Period in excess of three months, on each date occurring at three-month intervals after the first day of such Interest Period, and (iii) in respect of each Loan, (A) on any prepayment in respect thereof, (B) at maturity (whether by acceleration or otherwise), and (C) after such maturity, on demand.
 - (e) All computations of interest hereunder shall be made in accordance with <u>Section 5.5</u>.
- (f) The Administrative Agent, upon determining the interest rate for any Borrowing of LIBOR Loans, shall promptly notify the Borrower and the relevant Lenders thereof. Each such determination shall, absent clearly demonstrable error, be final and conclusive and binding on all parties hereto.
- 2.9 <u>Interest Periods</u>. At the time the Borrower gives a Notice of Borrowing or Notice of Conversion or Continuation in respect of the making of, or conversion into or continuation as, a Borrowing of LIBOR Loans in accordance with <u>Section 2.6(a)</u>, the Borrower shall give the Administrative Agent written notice of the Interest Period applicable to such Borrowing, which Interest Period shall, at the option of the Borrower be a one, two, three or six month period (or if available to all the Lenders making such LIBOR Loans as determined by such Lenders in good faith based on prevailing market conditions, a twelve month or shorter period).

Notwithstanding anything to the contrary contained above:

- (a) the initial Interest Period for any Borrowing of LIBOR Loans shall commence on the date of such Borrowing (including the date of any conversion from a Borrowing of ABR Loans) and each Interest Period occurring thereafter in respect of such Borrowing shall commence on the day on which the next preceding Interest Period expires;
- (b) if any Interest Period relating to a Borrowing of LIBOR Loans begins on the last Business Day of a calendar month or begins on a day for which there is no numerically corresponding day in the calendar month at the end of such Interest Period, such Interest Period shall end on the last Business Day of the calendar month at the end of such Interest Period;
- (c) if any Interest Period would otherwise expire on a day that is not a Business Day, such Interest Period shall expire on the next succeeding Business Day; <u>provided</u> that if any Interest Period in respect of a LIBOR Loan would otherwise expire on a day that is not a Business Day but is a day of the month after which no further Business Day occurs in such month, such Interest Period shall expire on the immediately preceding Business Day; and
- (d) the Borrower shall not be entitled to elect any Interest Period in respect of any LIBOR Loan if such Interest Period would extend beyond the Maturity Date of such Loan.

2.10 <u>Increased Costs, Illegality, Etc.</u>

- (a) In the event that (x) in the case of <u>clause (i)</u> below, the Administrative Agent and (y) in the case of <u>clauses (ii)</u> and (<u>iii)</u> below, the Required Term Loan Lenders (with respect to Term Loans) or the Required Revolving Credit Lenders (with respect to Revolving Credit Commitments) shall have reasonably determined (which determination shall, absent clearly demonstrable error, be final and conclusive and binding upon all parties hereto):
 - (i) on any date for determining the LIBOR Rate for any Interest Period that (x) deposits in the principal amounts and currencies of the Loans comprising such LIBOR Borrowing are not generally available in the relevant market or (y) by reason of any changes arising on or after the Closing Date affecting the interbank LIBOR market, adequate and fair means do not exist for ascertaining the applicable interest rate on the basis provided for in the definition of LIBOR Rate; or
 - (ii) at any time, that such Lenders shall incur increased costs or reductions in the amounts received or receivable hereunder with respect to any LIBOR Loans (including any increased costs or reductions attributable to Taxes, other than any increase or reduction attributable to Indemnified Taxes, Excluded Taxes or Other Taxes) because of any Change in Law; or
 - (iii) at any time, that the making or continuance of any LIBOR Loan has become unlawful by compliance by such Lenders in good faith with any law, governmental rule, regulation, guideline or order (or would conflict with any such governmental rule, regulation, guideline or order not having the force of law even though the failure to comply therewith would not be unlawful), or has become impracticable as a result of a contingency occurring after the Closing Date that materially and adversely affects the interbank LIBOR market;

(such Loans, "Impacted Loans"), then, and in any such event, such Required Term Loan Lenders or Required Revolving Credit Lenders, as applicable (or the Administrative Agent, in the case of clause(i) above) shall within a reasonable time thereafter give notice (if by telephone, confirmed in writing) to Holdings, the Borrower, and to the Administrative Agent of such determination (which notice the Administrative Agent shall promptly transmit to each of the other Lenders). Thereafter (x) in the case of clause(i) above, LIBOR Loans shall no longer be available until such time as the Administrative Agent notifies Holdings, the Borrower and the Lenders that the circumstances giving rise to such notice by the Administrative Agent no longer exist (which notice the Administrative Agent agrees to give at such time when such circumstances no longer exist), and any Notice of Borrowing or Notice of Conversion given by the Borrower with respect to LIBOR Loans that have not yet been incurred shall be deemed rescinded by the Borrower, (y) in the case of clause(ii) above, the Borrower shall pay to such Lenders, promptly after receipt of written demand therefor such additional amounts (in the form of an increased rate of, or a different method of calculating, interest or otherwise as such Required Term Loan Lenders or Required Revolving Credit Lenders, as applicable, in their reasonable discretion shall determine) as shall be required to compensate such Lenders for such actual increased costs or reductions in amounts receivable hereunder (it being agreed that a written notice as to the additional amounts owed to such Lenders, showing in reasonable detail the basis for the calculation thereof, submitted to the Borrower by such Lenders shall, absent clearly demonstrable error, be final and conclusive and binding upon all parties hereto), and (z) in the case of subclause(iii) above, the Borrower shall take one of the actions speci

Notwithstanding the foregoing, if the Administrative Agent has made the determination described in Section 2.10(a)(i)(x), the Administrative Agent, in consultation with the Borrower and the affected Lenders, may establish an alternative interest rate for the Impacted Loans, in which case, such alternative rate of interest shall apply with respect to the Impacted Loans until (1) the Administrative Agent revokes the notice delivered with respect to the Impacted Loans under clause (x) of the first sentence of the immediately preceding paragraph, (2) the Administrative Agent or the affected Lenders notify the Administrative Agent and the Borrower that such alternative interest rate does not adequately and fairly reflect the cost to such Lenders of funding the Impacted Loans, or (3) any Lender determines that any Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for such Lender or its applicable Lending Office to make, maintain or fund Loans whose interest is determined by reference to such alternative rate of interest or to determine or charge interest rates based upon such rate or any Governmental Authority has imposed material restrictions on the authority of such Lender to do any of the foregoing and provides the Administrative Agent and the Borrower written notice thereof.

(b) At any time that any LIBOR Loan is affected by the circumstances described in Section 2.10(a)(iii) or (iii), the Borrower may (and in the case of a LIBOR Loan affected pursuant to Section 2.10(a)(iii) shall) either (x) if a Notice of Borrowing or Notice of Conversion or Continuation with respect to the affected LIBOR Loan has been submitted pursuant to Section 2.3 but the affected LIBOR Loan has not been funded or continued, cancel such requested Borrowing by giving the Administrative Agent written notice thereof on the same date that the Borrower was notified by Lenders pursuant to Section 2.10(a)(ii) or (y) if the affected LIBOR Loan is then outstanding, upon at least three Business Days' notice to the Administrative Agent, require the affected Lender to convert each such LIBOR Loan into an ABR Loan; provided that if more than one Lender is affected at any time, then all affected Lenders must be treated in the same manner pursuant to this Section 2.10(b).

- (c) If, after the Closing Date, any Change in Law relating to capital adequacy or liquidity of any Lender or compliance by any Lender or its parent with any Change in Law relating to capital adequacy or liquidity occurring after the Closing Date, has or would have the effect of reducing the actual rate of return on such Lender's or its parent's or its Affiliate's capital or assets as a consequence of such Lender's commitments or obligations hereunder to a level below that which such Lender or its parent or its Affiliate could have achieved but for such Change in Law (taking into consideration such Lender's or its parent's policies with respect to capital adequacy or liquidity), then from time to time, promptly after demand by such Lender (with a copy to the Administrative Agent), the Borrower shall pay to such Lender such actual additional amount or amounts as will compensate such Lender or its parent for such actual reduction, it being understood and agreed, however, that a Lender shall not be entitled to such compensation as a result of such Lender's compliance with, or pursuant to any request or directive to comply with, any law, rule or regulation as in effect on the Closing Date or to the extent such Lender is not imposing such charges on, or requesting such compensation from, borrowers (similarly situated to the Borrower hereunder) under comparable syndicated credit facilities similar to the Credit Facilities. Each Lender, upon determining in good faith that any additional amounts will be payable pursuant to this Section 2.10(c), will give prompt written notice thereof to the Borrower, which notice shall set forth in reasonable detail the basis of the calculation of such additional amounts, although the failure to give any such notice shall not, subject to Section 2.10(c) promptly following receipt of such notice.
- Compensation. If (a) any payment of principal of any LIBOR Loan is made by the Borrower to or for the account of a Lender other than on the last day of the Interest Period for such LIBOR Loan as a result of a payment or conversion pursuant to Sections 2.5, 2.6, 2.10, 5.1, 5.2 or 13.7, as a result of acceleration of the maturity of the Loans pursuant to Section 11 or for any other reason, (b) any Borrowing of LIBOR Loan is not made as a result of a withdrawn Notice of Borrowing or a failure to satisfy borrowing conditions, (c) any ABR Loan is not converted into a LIBOR Loan as a result of a withdrawn Notice of Conversion or Continuation, (d) any LIBOR Loan is not continued as a LIBOR Loan, as the case may be, as a result of a withdrawn Notice of Conversion or Continuation or (e) any prepayment of principal of any LIBOR Loan is not made as a result of a withdrawn notice of prepayment pursuant to Sections 5.1 or 5.2, the Borrower shall, after receipt of a written request by such Lender (which request shall set forth in reasonable detail the basis for requesting such amount), promptly pay to the Administrative Agent for the account of such Lender any amounts required to compensate such Lender for any additional losses, costs or expense (excluding loss of anticipated profits) actually incurred by reason of the liquidation or reemployment of deposits or other funds acquired by any Lender to fund or maintain such LIBOR Loan. A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender as specified in this Section 2.11 and setting forth in reasonable detail the manner in which such amount or amounts were determined shall be delivered to the Borrower and shall be conclusive, absent manifest error.
- 2.12 <u>Change of Lending Office</u>. Each Lender agrees that, upon the occurrence of any event giving rise to the operation of <u>Sections 2.10(a)(ii)</u>, <u>2.10(a)(iii)</u>, <u>2.10(b)</u>, <u>3.5</u> or <u>5.4</u> with respect to such Lender, it will, if requested by the Borrower use reasonable efforts (subject to overall policy considerations of such Lender) to designate another lending office for any Loans affected by such event; <u>provided</u> that such designation is made on such terms that such Lender and its lending office suffer no unreimbursed cost or other material economic, legal or regulatory disadvantage, with the object of avoiding the consequence of the event giving rise to the operation of any such Section. Nothing in this <u>Section 2.12</u> shall affect or postpone any of the obligations of the Borrower or the right of any Lender provided in <u>Sections 2.10</u>, <u>3.5</u> or <u>5.4</u>.

2.13 Notice of Certain Costs. Notwithstanding anything in this Agreement to the contrary, to the extent any notice required by Sections 2.10, 2.11, 3.5 or 5.4 is given by any Lender more than 120 days after such Lender has knowledge (or should have had knowledge) of the occurrence of the event giving rise to the additional cost, reduction in amounts, loss, or other additional amounts described in such Sections, such Lender shall not be entitled to compensation under Sections 2.10, 2.11, 3.5 or 5.4, as the case may be, for any such amounts incurred or accruing prior to the 121st day prior to the giving of such notice to the Borrower.

2.14 Incremental Facilities.

(a) The Borrower may by written notice to Administrative Agent elect to request the establishment of one or more (x) additional tranches of term loans (the commitments thereto, the "New Term Loan Commitments"), (y) increases in Revolving Credit Commitments of any Class (the "New Revolving Credit Commitments"), and/or (z) additional tranches of Revolving Credit Commitments (the "Additional Revolving Credit Commitments" and, together with the New Revolving Loan Commitments, the "Incremental Revolving Credit Commitments"; together with the New Term Loan Commitments and the New Revolving Credit Commitments, the "New Loan Commitments"), by an aggregate amount not in excess of the Maximum Incremental Facilities Amount in the aggregate and not less than \$10,000,000 individually (or such lesser amount as (x) may be approved by the Administrative Agent or (y) shall constitute the difference between the Maximum Incremental Facilities Amount and all such New Loan Commitments obtained on or prior to such date). Each such notice shall specify the date (each, an "Increased Amount Date") on which the Borrower proposes that the New Loan Commitments shall be effective. In connection with the incurrence of any Indebtedness under this Section 2.14, at the request of the Administrative Agent, the Borrower shall provide to the Administrative Agent a certificate certifying that the New Loan Commitments do not exceed the Maximum Incremental Facilities Amount, which certificate shall be in reasonable detail and shall provide the calculations and basis therefor. The Borrower may approach any Lender or any Person (other than a natural Person) to provide all or a portion of the New Loan Commitments; provided that any Lender offered or approached to provide all or a portion of the New Loan Commitments may elect or decline, in its sole discretion, to provide a New Loan Commitment. In each case, such New Loan Commitments shall become effective as of the applicable Increased Amount Date; provided that (i) no Event of Default (except in connection with an acquisition or investment, no Event of Default under Section 11.1 or Section 11.5) shall exist on such Increased Amount Date before or after giving effect to such New Loan Commitments, as applicable, (ii) the New Loan Commitments shall be effected pursuant to one or more Joinder Agreements executed and delivered by the Borrower and Administrative Agent, and each of which shall be recorded in the Register and shall be subject to the requirements set forth in Section 5.4(e), and (iii) the Borrower shall make any payments required pursuant to Section 2.11 in connection with the New Loan Commitments, as applicable. No Lender shall have any obligation to provide any Commitments pursuant to this Section 2.14(a). Any New Term Loans made on an Increased Amount Date shall, at the election of the Borrower and agreed to by Lenders providing such New Term Loan Commitments, be designated as (a) a separate series (a "Series") of New Term Loans for all purposes of this Agreement or (b) as part of a Series of existing Term Loans for all purposes of this Agreement. On and after the Increased Amount Date, Additional Revolving Credit Loans shall be designated a separate Series of Additional Revolving Credit Loans for all purposes of this Agreement.

- On any Increased Amount Date on which Incremental Revolving Credit Commitments are effected, subject to the satisfaction of the foregoing terms and conditions, (a) with respect to New Revolving Credit Commitments, each of the Lenders with Revolving Credit Commitments of such Class shall assign to each Lender with a New Revolving Credit Commitment (each, a "New Revolving Loan Lender") and each of the New Revolving Loan Lenders shall purchase from each of the Lenders with Revolving Credit Commitments of such Class, at the principal amount thereof, such interests in the Revolving Credit Loans outstanding on such Increased Amount Date as shall be necessary in order that, after giving effect to all such assignments and purchases, the Revolving Credit Loans of such Class will be held by existing Revolving Credit Lenders and New Revolving Loan Lenders ratably in accordance with their Revolving Credit Commitments of such Class after giving effect to the addition of such New Revolving Credit Commitments to the Revolving Credit Commitments, and (b) with respect to Incremental Revolving Credit Commitments, (i) each Incremental Revolving Credit Commitment shall be deemed for all purposes a Revolving Credit Commitment and, each Loan made under a New Revolving Credit Commitment (a "New Revolving Credit Loan") and each Loan made under an Additional Revolving Credit Commitment (an "Additional Revolving Credit Loan" and, together with New Revolving Credit Loans, the "Incremental Revolving Credit Loan") shall be deemed, for all purposes, Revolving Credit Loans and (ii) each New Revolving Loan Lender and each Lender with an Additional Revolving Credit Commitment (each an "Additional Revolving Loan Lender" and, together with the New Revolving Loan Lenders, the "Incremental Revolving Loan Lenders") shall become a Lender with respect to the New Revolving Credit Commitment and all matters relating thereto; provided that the Administrative Agent, the Swingline Lender and the Letter of Credit Issuer shall have consented (not to be unreasonably withheld or delayed) to such Lender's or Incremental Revolving Loan Lender's providing such Incremental Revolving Credit Commitment to the extent such consent, if any, would be required under Section 13.6(b) for an assignment of Revolving Loans or Revolving Credit Commitments, as applicable, to such Lender or Incremental Revolving Loan Lender.
- (c) On any Increased Amount Date on which any New Term Loan Commitments of any Series are effective, subject to the satisfaction of the foregoing terms and conditions, (i) each Lender with a New Term Loan Commitment (each, a "New Term Loan Lender") of any Series shall make a Loan to the Borrower (a "New Term Loan" and, together with the Incremental Revolving Credit Loans, the "Incremental Loans") in an amount equal to its New Term Loan Commitment of such Series, and (ii) each New Term Loan Lender of any Series shall become a Lender hereunder with respect to the New Term Loan Commitment of such Series and the New Term Loans of such Series made pursuant thereto.
- (d) The terms and provisions of the New Term Loans and New Term Loan Commitments of any Series shall be on terms and documentation set forth in the Joinder Agreement as determined by the Borrower; provided that (i) the applicable New Term Loan Maturity Date of each Series shall be no earlier than the Initial Term Loan Maturity Date; (ii) the weighted average life to maturity of all New Term Loans shall be no shorter than the weighted average life to maturity of the then existing Initial Term Loans, (iii) the pricing, interest rate margins, discounts, premiums, rate floors, fees, and amortization schedule applicable to any New Term Loans shall be determined by the Borrower and the Lenders thereunder; provided that solely in the case of New Term Loans incurred prior to the 18 month anniversary of the Closing Date, if the Effective Yield for LIBOR Loans in respect of such New Term Loans exceeds the Effective Yield for LIBOR Loans in respect of the then existing Initial Term Loans shall be adjusted so that the Effective Yield in respect of the then existing Initial Term Loans is equal to the Effective Yield for LIBOR Loans in respect of the New Term Loans minus 0.50%; and (iv) to the extent such terms and documentation are not consistent with the then existing Initial Term Loans (except to the extent permitted by clause (i), (ii) or (iii) above), they shall be reasonably satisfactory to the Administrative Agent (it being understood that, (1) to the extent that any financial maintenance covenant is added for the benefit of any such Indebtedness, no consent shall be required by the Administrative Agent or any of the Lenders if such financial maintenance covenant is also added for the benefit of any corresponding Loans remaining outstanding after the issuance or incurrence of such Indebtedness or (2) no consent shall be required by the Administrative Agent or any of the Lenders if any covenants or other provisions are only applicable after the Latest Term Loan Maturity Date).

(e)	Incremental Revolving Credit Commitments and Incremental Revolving Credit Loans shall be identical to the Initial Revolving Credit
Commitments and the	related Revolving Credit Loans, other than the Maturity Date and as set forth in this Section 2.14(e); provided that notwithstanding anything
to the contrary in this \underline{S}	Section 2.14 or otherwise:

- (i) any such Incremental Revolving Credit Commitments or Incremental Revolving Credit Loans shall rank *pari passu* in right of payment and of security with the Revolving Credit Loans and the Term Loans,
- (ii) any such Incremental Revolving Credit Commitments or Incremental Revolving Credit Loans shall not mature earlier than the Initial Revolving Credit Commitments and related Revolving Credit Loans at the time of incurrence of such Incremental Revolving Credit Commitments,
- (iii) the borrowing and repayment (except for (1) payments of interest and fees at different rates on Incremental Revolving Credit Commitments (and related outstandings), (2) repayments required upon the maturity date of the Incremental Revolving Credit Commitments, and (3) repayment made in connection with a permanent repayment and termination of commitments (subject to <u>clause (y)</u> below)) of Loans with respect to Incremental Revolving Credit Commitments after the associated Increased Amount Date shall be made on a pro rata basis with all other Revolving Credit Commitments on such Increased Amount Date,
- (iv) subject to the provisions of Section 2.1(e) and Sections 3.12 to the extent dealing with Swingline Loans and Letters of Credit which mature or expire after a maturity date when there exists Incremental Revolving Credit Commitments with a longer maturity date, all Swingline Loans and Letters of Credit shall be participated on a pro rata basis by all Lenders with Revolving Credit Commitments of the same Series in accordance with their percentage of such Revolving Credit Commitments on the applicable Increased Amount Date (and except as provided in Section 2.1(e) and Section 3.12, without giving effect to changes thereto on an earlier maturity date with respect to Swingline Loans and Letters of Credit theretofore incurred or issued in respect of such Series),
- (v) the permanent repayment of Revolving Credit Loans with respect to, and termination of, Incremental Revolving Credit Commitments after the associated Increased Amount Date shall be made on a pro rata basis with all other Revolving Credit Commitments on such Increased Amount Date, except that the Borrower shall be permitted to permanently repay and terminate commitments of any such Class on a better than a pro rata basis as compared to any other Class with a later maturity date than such Class,
- (vi) assignments and participations of Incremental Revolving Credit Commitments and Incremental Revolving Credit Loans shall be governed by the same assignment and participation provisions applicable to Revolving Credit Commitments and Revolving Credit Loans on the applicable Increased Amount Date,
- (vii) any Incremental Revolving Credit Commitments may constitute a separate Class or Classes, as the case may be, of Commitments from the Classes constituting the applicable Revolving Credit Commitments prior to such Increased Amount Date, and

- (viii) the pricing, fees, maturity and other immaterial terms of the Additional Revolving Credit Loans may be different and shall be determined by the Borrower and the Lenders thereunder so long as the final maturity date and the weighted average maturity of any Additional Revolving Credit Loans and Additional Revolving Credit Commitments, as applicable, shall not be earlier than, or shorter than, as the case may be, the maturity date or the weighted average life, as applicable, of the Initial Revolving Credit Commitments and related Revolving Credit Loans.
- (f) Each Joinder Agreement may, without the consent of any other Lenders, effect technical and corresponding amendments to this Agreement and the other Credit Documents as may be necessary or appropriate, in the opinion of the Administrative Agent, to effect the provision of this <u>Section 2.14</u>.
- The Borrower may at any time and from time to time request that all or a portion of the Term Loans of any Class (an "Existing Term Loan Class") be converted to extend the scheduled maturity date(s) of any payment of principal with respect to all or a portion of any principal amount of such Term Loans (any such Term Loans which have been so converted, "Extended Term Loans") and to provide for other terms consistent with this Section 2.14(g). In order to establish any Extended Term Loans, the Borrower shall provide a notice to the Administrative Agent (who shall provide a copy of such notice to each of the Lenders of the applicable Existing Term Loan Class which such request shall be offered equally to all such Lenders) (a "Term Loan Extension Request") setting forth the proposed terms of the Extended Term Loans to be established, which shall not be materially more restrictive to the Credit Parties (as determined in good faith by the Borrower), when taken as a whole, than the terms of the Term Loans of the Existing Term Loan Class unless (x) the Lenders of the Term Loans of such applicable Existing Term Loan Class receive the benefit of such more restrictive terms or (y) any such provisions apply after the Initial Term Loan Maturity Date (a "Permitted Other Provision"); provided, however, that (x) the scheduled final maturity date shall be extended and all or any of the scheduled amortization payments of principal of the Extended Term Loans may be delayed to later dates than the scheduled amortization of principal of the Term Loans of such Existing Term Loan Class (with any such delay resulting in a corresponding adjustment to the scheduled amortization payments reflected in Section 2.5 or in the Joinder Agreement, as the case may be, with respect to the Existing Term Loan Class from which such Extended Term Loans were converted, in each case as more particularly set forth in paragraph (iv) of this Section 2.14(g) below), (y) (A) the interest margins with respect to the Extended Term Loans may be higher or lower than the interest margins for the Term Loans of such Existing Term Loan Class and/or (B) additional fees, premiums or AHYDO payments may be payable to the Lenders providing such Extended Term Loans in addition to or in lieu of any increased margins contemplated by the preceding clause (A), in each case, to the extent provided in the applicable Extension Amendment and to the extent that any Permitted Other Provision (including a financial maintenance covenant) is added for the benefit of any such Indebtedness, no consent shall be required by the Administrative Agent or any of the Lenders if such Permitted Other Provision is also added for the benefit of any corresponding Loans remaining outstanding after the issuance or incurrence of such Indebtedness or if such Permitted Other Provision applies only after the Initial Term Loan Maturity Date. Notwithstanding anything to the contrary in this Section 2.14 or otherwise, no Extended Term Loans may be optionally prepaid prior to the date on which the Existing Term Loan Class from which they were converted is repaid in full, except in accordance with the last sentence of Section 5.1(a). No Lender shall have any obligation to agree to have any of its Term Loans of any Existing Term Loan Class converted into Extended Term Loans pursuant to any Extension Request. Any Extended Term Loans of any Extension Series shall constitute a separate Class of Term Loans from the Existing Term Loan Class from which they were converted.

The Borrower may at any time and from time to time request that all or a portion of the Revolving Credit Commitments of any Class, any Extended Revolving Credit Commitments and/or any Incremental Revolving Credit Commitments, each existing at the time of such request (each, an "Existing Revolving Credit Commitment" and any related revolving credit loans thereunder, "Existing Revolving Credit Loans"; each Existing Revolving Credit Commitment and related Existing Revolving Credit Loans together being referred to as an "Existing Revolving Credit Class") be converted to extend the termination date thereof and the scheduled maturity date(s) of any payment of principal with respect to all or a portion of any principal amount of Loans related to such Existing Revolving Credit Commitments (any such Existing Revolving Credit Commitments which have been so extended, "Extended Revolving Credit Commitments" and any related Loans, "Extended Revolving Credit Loans") and to provide for other terms consistent with this Section 2.14(g). In order to establish any Extended Revolving Credit Commitments, the Borrower shall provide a notice to the Administrative Agent (who shall provide a copy of such notice to each of the Lenders of the applicable Class of Existing Revolving Credit Commitments which such request shall be offered equally to all such Lenders) setting forth the proposed terms of the Extended Revolving Credit Commitments to be established, which shall not be materially more restrictive to the Credit Parties (as determined in good faith by the Borrower), when taken as a whole, than the terms of the applicable Existing Revolving Credit Commitments (the "Specified Existing Revolving Credit Commitment") unless (x) the Lenders providing existing Revolving Credit Loans receive the benefit of such more restrictive terms or (y) any such provisions apply after the Revolving Credit Termination Date, in each case, to the extent provided in the applicable Extension Amendment; provided, however, that (w) all or any of the final maturity dates of such Extended Revolving Credit Commitments may be delayed to later dates than the final maturity dates of the Specified Existing Revolving Credit Commitments, (x) (A) the interest margins with respect to the Extended Revolving Credit Commitments may be higher or lower than the interest margins for the Specified Existing Revolving Credit Commitments and/or (B) additional fees and premiums may be payable to the Lenders providing such Extended Revolving Credit Commitments in addition to or in lieu of any increased margins contemplated by the preceding clause (A) and (y) the revolving credit commitment fee rate with respect to the Extended Revolving Credit Commitments may be higher or lower than the Revolving Credit Commitment Fee Rate for the Specified Existing Revolving Credit Commitment; provided that, notwithstanding anything to the contrary in this Section 2.14(g) or otherwise, (1) the borrowing and repayment (other than in connection with a permanent repayment and termination of commitments) of Loans with respect to any Original Revolving Credit Commitments shall be made on a pro rata basis with all other Original Revolving Credit Commitments and (2) assignments and participations of Extended Revolving Credit Commitments and Extended Revolving Credit Loans shall be governed by the same assignment and participation provisions applicable to Revolving Credit Commitments and the Revolving Credit Loans related to such Commitments set forth in Section 13.6. No Lender shall have any obligation to agree to have any of its Revolving Credit Loans or Revolving Credit Commitments of any Existing Revolving Credit Class converted into Extended Revolving Credit Loans or Extended Revolving Credit Commitments pursuant to any Extension Request. Any Extended Revolving Credit Commitments of any Extension Series shall constitute a separate Class of revolving credit commitments from the Specified Existing Revolving Credit Commitments and from any other Existing Revolving Credit Commitments (together with any other Extended Revolving Credit Commitments so established on such date).

- Any Lender (an "Extending Lender") wishing to have all or a portion of its Term Loans, Revolving Credit Commitments, Incremental Revolving Credit Commitment or Extended Revolving Credit Commitment of the Existing Class or Existing Classes subject to such Extension Request converted into Extended Term Loans or Extended Revolving Credit Commitments, as applicable, shall notify the Administrative Agent (an "Extension Election") on or prior to the date specified in such Extension Request of the amount of its Term Loans, Revolving Credit Commitments, Incremental Revolving Credit Commitment or Extended Revolving Credit Commitment of the Existing Class or Existing Classes subject to such Extension Request that it has elected to convert into Extended Term Loans or Extended Revolving Credit Commitments, as applicable. In the event that the aggregate amount of Term Loans, Revolving Credit Commitments, Incremental Revolving Credit Commitment or Extended Revolving Credit Commitment of the Existing Class or Existing Classes subject to Extension Elections exceeds the amount of Extended Term Loans or Extended Revolving Credit Commitments, as applicable, requested pursuant to the Extension Request, Term Loans or Revolving Credit Commitments, Incremental Revolving Credit Commitments or Extended Revolving Credit Commitments of the Existing Class or Existing Classes subject to Extension Elections shall be converted to Extended Term Loans or Extended Revolving Credit Commitments, as applicable, on a pro rata basis based on the amount of Term Loans, Revolving Credit Commitments, Incremental Revolving Credit Commitment or Extended Revolving Credit Commitment included in each such Extension Election. Notwithstanding the conversion of any Existing Revolving Credit Commitment into an Extended Revolving Credit Commitment, such Extended Revolving Credit Commitment shall be treated identically to all other Original Revolving Credit Commitments for purposes of the obligations of a Revolving Credit Lender in respect of Swingline Loans under <u>Section 2.1(c)</u> and Letters of Credit under <u>Section 3</u>, except that the applicable Extension Amendment may provide that the Swingline Maturity Date and/or the L/C Facility Maturity Date may be extended and the related obligations to make Swingline Loans and issue Letters of Credit may be continued so long as the Swingline Lender and/or the Letter of Credit Issuer, as applicable, have consented to such extensions in their sole discretion (it being understood that no consent of any other Lender shall be required in connection with any such
- Extended Term Loans or Extended Revolving Credit Commitments, as applicable, shall be established pursuant to an amendment (an (iv) "Extension Amendment") to this Agreement (which, except to the extent expressly contemplated by the penultimate sentence of this Section 2.14(g)(iv) and notwithstanding anything to the contrary set forth in Section 13.1, shall not require the consent of any Lender other than the Extending Lenders with respect to the Extended Term Loans or Extended Revolving Credit Commitments, as applicable, established thereby) executed by the Credit Parties, the Administrative Agent and the Extending Lenders. No Extension Amendment shall provide for any tranche of Extended Term Loans or Extended Revolving Credit Commitments in an aggregate principal amount that is less than \$10,000,000. In addition to any terms and changes required or permitted by Section 2.14(g)(i), each Extension Amendment (x) shall amend the scheduled amortization payments pursuant to Section 2.5 or the applicable Joinder Agreement with respect to the Existing Term Loan Class from which the Extended Term Loans were converted to reduce each scheduled Repayment Amount for the Existing Term Loan Class in the same proportion as the amount of Term Loans of the Existing Term Loan Class is to be converted pursuant to such Extension Amendment (it being understood that the amount of any Repayment Amount payable with respect to any individual Term Loan of such Existing Term Loan Class that is not an Extended Term Loan shall not be reduced as a result thereof) and (y) may, but shall not be required to, impose additional requirements (not inconsistent with the provisions of this Agreement in effect at such time) with respect to the final maturity and weighted average life to maturity of New Term Loans incurred following the date of such Extension Amendment. Notwithstanding anything to the contrary in this Section 2.14(g) and without limiting the generality or applicability of Section 13.1 to any Section 2.14 Additional Amendments, any Extension Amendment may provide for additional terms and/or additional amendments other than those referred to or contemplated above (any such additional amendment, a "Section 2.14 Additional Amendment") to this Agreement and the other Credit Documents; provided that such Section 2.14 Additional Amendments are within the requirements of Section 2.14(g)(i) and do not become effective prior to the time that such Section 2.14 Additional Amendments have been consented to (including, without limitation, pursuant to (1) consents applicable to holders of New Term Loans and New Revolving Credit Commitments provided for in any Joinder Agreement and (2) consents applicable to holders of any Extended Term Loans or Extended Revolving Credit Commitments provided for in any Extension Amendment) by such of the Lenders, Credit Parties and other parties (if any) as may be required in order for such Section 2.14 Additional Amendments to become effective in accordance with Section 13.1.

- (v) Notwithstanding anything to the contrary contained in this Agreement, (A) on any date on which any Existing Class is converted to extend the related scheduled maturity date(s) in accordance with <u>clauses (i)</u> and/or (<u>ii)</u> above (an "Extension Date"), (I) in the case of the existing Term Loans of each Extending Lender, the aggregate principal amount of such existing Term Loans shall be deemed reduced by an amount equal to the aggregate principal amount of Extended Term Loans so converted by such Lender on such date, and the Extended Term Loans shall be established as a separate Class of Term Loans (together with any other Extended Term Loans so established on such date), and (II) in the case of the Specified Existing Revolving Credit Commitments of each Extending Lender, the aggregate principal amount of such Specified Existing Revolving Credit Commitments shall be deemed reduced by an amount equal to the aggregate principal amount of Extended Revolving Credit Commitments so converted by such Lender on such date, and such Extended Revolving Credit Commitments shall be established as a separate Class of revolving credit commitments from the Specified Existing Revolving Credit Commitments and from any other Existing Revolving Credit Commitments (together with any other Extended Revolving Credit Commitments so established on such date) and (B) if, on any Extension Date, any Loans of any Extending Lender are outstanding under the applicable Specified Existing Revolving Credit Commitments, such Loans (and any related participations) shall be deemed to be allocated as Extended Revolving Credit Loans (and related participations) in the same proportion as such Extending Lender's Specified Existing Revolving Credit Commitments to Extended Revolving Credit Commitments.
- (vi) The Administrative Agent and the Lenders (other than the Swingline Lender to the extent such consent is expressly required by this Section 2.14) hereby consent to the consummation of the transactions contemplated by this Section 2.14 (including, for the avoidance of doubt, payment of any interest, fees, or premium in respect of any Extended Term Loans and/or Extended Revolving Commitments on such terms as may be set forth in the relevant Extension Amendment) and hereby waive the requirements of any provision of this Agreement (including, without limitation, any pro rata payment or amendment section) or any other Credit Document that may otherwise prohibit or restrict any such extension or any other transaction contemplated by this Section 2.14.

2.15 <u>Permitted Debt Exchanges</u>.

- (a) Notwithstanding anything to the contrary contained in this Agreement, pursuant to one or more offers (each, a "Permitted Debt Exchange Offer") made from time to time by the Borrower, the Borrower may from time to time following the Closing Date consummate one or more exchanges of Term Loans for Permitted Other Indebtedness in the form of notes (such notes, "Permitted Debt Exchange Notes," and each such exchange a "Permitted Debt Exchange"), so long as the following conditions are satisfied: (i) no Event of Default shall have occurred and be continuing at the time the final offering document in respect of a Permitted Debt Exchange Offer is delivered to the relevant Lenders, (ii) the aggregate principal amount (calculated on the face amount thereof) of Term Loans exchanged shall equal no more than the aggregate principal amount (calculated on the face amount thereof) of Permitted Debt Exchange Notes issued in exchange for such Term Loans; provided that the aggregate principal amount of the Permitted Debt Exchange Notes may include accrued interest and premium (if any) under the Term Loans exchanged and underwriting discounts, fees, commissions and expenses in connection with the issuance of such Permitted Debt Exchange Notes, (iii) the aggregate principal amount (calculated on the face amount thereof) of all Term Loans exchanged under each applicable Class by the Borrower pursuant to any Permitted Debt Exchange shall automatically be cancelled and retired by the Borrower on the date of the settlement thereof (and, if requested by the Administrative Agent, any applicable exchanging Lender shall execute and deliver to the Administrative Agent an Assignment and Acceptance, or such other form as may be reasonably requested by the Administrative Agent, in respect thereof pursuant to which the respective Lender assigns its interest in the Term Loans being exchanged pursuant to the Permitted Debt Exchange to the Borrower for immediate cancellation), (iv) if the aggregate principal amount of all Term Loans of a given Class (calculated on the face amount thereof) tendered by Lenders in respect of the relevant Permitted Debt Exchange Offer (with no Lender being permitted to tender a principal amount of Term Loans which exceeds the principal amount thereof of the applicable Class actually held by it) shall exceed the maximum aggregate principal amount of Term Loans of such Class offered to be exchanged by the Borrower pursuant to such Permitted Debt Exchange Offer, then the Borrower shall exchange Term Loans subject to such Permitted Debt Exchange Offer tendered by such Lenders ratably up to such maximum amount based on the respective principal amounts so tendered, (v) all documentation in respect of such Permitted Debt Exchange shall be consistent with the foregoing, and all written communications generally directed to the Lenders in connection therewith shall be in form and substance consistent with the foregoing and made in consultation with the Borrower and the Auction Agent, and (vi) any applicable Minimum Tender Condition shall be satisfied.
- (b) With respect to all Permitted Debt Exchanges effected by any of the Borrower pursuant to this <u>Section 2.15</u>, (i) such Permitted Debt Exchanges (and the cancellation of the exchanged Term Loans in connection therewith) shall not constitute voluntary or mandatory payments or prepayments for purposes of <u>Section 5.1</u> or <u>5.2</u>, and (ii) such Permitted Debt Exchange Offer shall be made for not less than \$10,000,000 in aggregate principal amount of Term Loans; <u>provided</u> that subject to the foregoing <u>clause (ii)</u> the Borrower may at its election specify as a condition (a "**Minimum Tender Condition**") to consummating any such Permitted Debt Exchange that a minimum amount (to be determined and specified in the relevant Permitted Debt Exchange Offer in the Borrower's discretion) of Term Loans of any or all applicable Classes be tendered.
- (c) In connection with each Permitted Debt Exchange, the Borrower and the Auction Agent shall mutually agree to such procedures as may be necessary or advisable to accomplish the purposes of this <u>Section 2.15</u> and without conflict with <u>Section 2.15(d)</u>; <u>provided</u> that the terms of any Permitted Debt Exchange Offer shall provide that the date by which the relevant Lenders are required to indicate their election to participate in such Permitted Debt Exchange shall be not less than a reasonable period (in the discretion of the Borrower and the Auction Agent) of time following the date on which the Permitted Debt Exchange Offer is made.
- (d) The Borrower shall be responsible for compliance with, and hereby agrees to comply with, all applicable securities and other laws in connection with each Permitted Debt Exchange, it being understood and agreed that (x) none of the Auction Agent, the Administrative Agent nor any Lender assumes any responsibility in connection with the Borrower's compliance with such laws in connection with any Permitted Debt Exchange and (y) each Lender shall be solely responsible for its compliance with any applicable "insider trading" laws and regulations to which such Lender may be subject under the Securities Exchange Act of 1934, as amended.

2.16 <u>Defaulting Lenders</u>.

- (a) <u>Adjustments</u>. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as that Lender is no longer a Defaulting Lender, to the extent permitted by applicable Law:
 - (i) <u>Waivers and Amendments</u>. Such Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in the definition of Required Lenders and <u>Section 13.1</u>.
 - Defaulting Lender Waterfall. Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Section 11 or otherwise) or received by the Administrative Agent from a Defaulting Lender pursuant to Section 13.8 shall be applied at such time or times as may be determined by the Administrative Agent as follows: first, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder; second, to the payment on a pro rata basis of any amounts owing by such Defaulting Lender to the Letter of Credit Issuer or Swingline Lender hereunder; third, to Cash Collateralize the Letter of Credit Issuer's Fronting Exposure with respect to such Defaulting Lender in accordance with Section 3.8; fourth, as the Borrower may request (so long as no Default exists), to the funding of any Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; fifth, if so determined by the Administrative Agent and the Borrower, to be held in a deposit account and released pro rata in order to (x) satisfy such Defaulting Lender's potential future funding obligations with respect to Loans under this Agreement and (y) Cash Collateralize the Letter of Credit Issuer's future Fronting Exposure with respect to such Defaulting Lender with respect to future Letters of Credit issued under this Agreement, in accordance with Section 3.8; sixth, to the payment of any amounts owing to the Borrower, the Lenders, the Letter of Credit Issuer or Swingline Lender as a result of any judgment of a court of competent jurisdiction obtained by the Borrower, any Lender, the Letter of Credit Issuer or the Swingline Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; and seventh, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if (x) such payment is a payment of the principal amount of any Loans or L/C Borrowings in respect of which such Defaulting Lender has not fully funded its appropriate share, and (y) such Loans were made or the related Letters of Credit were issued at a time when the conditions set forth in Section 7 were satisfied or waived, such payment shall be applied solely to pay the Loans of, and L/C Obligations owed to, all Non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of, or L/C Obligations owed to, such Defaulting Lender until such time as all Loans and funded and unfunded participations in L/C Obligations and Swingline Loans are held by the Lenders pro rata in accordance with the Commitments hereunder without giving effect to Section 2.16(a)(iv). Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post Cash Collateral pursuant to this Section 2.16(a)(ii) shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto.

(iii) Certain Fees.

(A) No Defaulting Lender shall be entitled to receive any fee payable under <u>Section 4</u> for any period during which that Lender is a Defaulting Lender (and the Borrower shall not be required to pay any such fee that otherwise would have been required to have been paid to that Defaulting Lender).

- (B) Each Defaulting Lender shall be entitled to receive Letter of Credit Fees for any period during which that Lender is a Defaulting Lender only to the extent allocable to its Applicable Percentage of the stated amount of Letters of Credit for which it has provided Cash Collateral pursuant to Section 3.8.
- (C) With respect to any Letter of Credit Fee not required to be paid to any Defaulting Lender pursuant to clause(A) or (B) above, the Borrower shall (x) pay to each Non-Defaulting Lender that portion of any such fee otherwise payable to such Defaulting Lender with respect to such Defaulting Lender's participation in L/C Obligations that has been reallocated to such Non-Defaulting Lender pursuant to clause(iv) below, (y) pay to the Letter of Credit Issuer the amount of any such fee otherwise payable to such Defaulting Lender to the extent allocable to such Letter of Credit's Fronting Exposure to such Defaulting Lender, and (z) not be required to pay the remaining amount of any such fee.
- (iv) Reallocation of Applicable Percentages to Reduce Fronting Exposure. All or any part of such Defaulting Lender's participation in L/C Obligations and Swingline Loans shall be reallocated among the Non-Defaulting Lenders in accordance with their respective Revolving Credit Commitment Percentages (calculated without regard to such Defaulting Lender's Commitment) but only to the extent that such reallocation does not cause the aggregate Revolving Credit Exposure of any Non-Defaulting Lender to exceed such Non-Defaulting Lender's Commitment. No reallocation hereunder shall constitute a waiver or release of any claim of any party hereunder against a Defaulting Lender arising from that Lender having become a Defaulting Lender, including any claim of a Non-Defaulting Lender as a result of such Non-Defaulting Lender's increased exposure following such reallocation.
- (v) <u>Cash Collateral, Repayment of Swing Line Loans</u>. If the reallocation described in <u>clause (a)(iv)</u> above cannot, or can only partially, be effected, the Borrower shall, without prejudice to any right or remedy available to them hereunder or under applicable law, (x) *first*, prepay Swingline Loans in an amount equal to the Swingline Lenders' Fronting Exposure and (y) *second*, Cash Collateralize the Letter of Credit Issuers' Fronting Exposure in accordance with the procedures set forth in <u>Section 3.8</u>.
- (b) <u>Defaulting Lender Cure.</u> If the Borrower, the Administrative Agent, the Swingline Lender, and the Letter of Credit Issuer agree in writing that a Lender is no longer a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein (which may include arrangements with respect to any Cash Collateral), that Lender will, to the extent applicable, purchase at par that portion of outstanding Loans of the other Lenders or take such other actions as the Administrative Agent may determine to be necessary to cause the Revolving Credit Loans and funded and unfunded participations in Letters of Credit and Swingline Loans to be held on a pro rata basis by the Lenders in accordance with their Revolving Credit Commitment Percentages (without giving effect to <u>Section 2.16(a)(iv)</u>), whereupon such Lender will cease to be a Defaulting Lender; <u>provided</u> that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while that Lender was a Defaulting Lender; and <u>provided</u>, <u>further</u>, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

Section 3. <u>Letters of Credit</u>

3.1 <u>Letters of Credit</u>.

- (a) Subject to and upon the terms and conditions herein set forth, at any time and from time to time after the Closing Date and prior to the L/C Facility Maturity Date, the Letter of Credit Issuer agrees, in reliance upon the agreements of the Revolving Credit Lenders set forth in this Section 3, to issue from time to time from the Closing Date through the L/C Facility Maturity Date for the account of the Borrower (or, so long as the Borrower is the primary obligor, for the account of Holdings or any Restricted Subsidiary (other than the Borrower)) letters of credit (the "Letters of Credit" and each, a "Letter of Credit") in such form as may be approved by the Letter of Credit Issuer in its reasonable discretion.
- (b) Notwithstanding the foregoing, (i) no Letter of Credit shall be issued the Stated Amount of which, when added to the Letters of Credit Outstanding at such time, would exceed the Letter of Credit Commitment then in effect (or with respect to any Letter of Credit Issuer, exceed such Letter of Credit Issuer's Letter of Credit Commitment); (ii) no Letter of Credit shall be issued the Stated Amount of which would cause the aggregate amount of the Lenders' Revolving Credit Exposures at the time of the issuance thereof to exceed the Total Revolving Credit Commitment then in effect; (iii) each Letter of Credit shall have an expiration date occurring no later than one year after the date of issuance thereof (except as set forth in Section 3.2(d)), provided that in no event shall such expiration date occur later than the L/C Facility Maturity Date, in each case, unless otherwise agreed upon by the Administrative Agent, the Letter of Credit Issuer and, unless such Letter of Credit has been Cash Collateralized or backstopped (in the case of a backstop only, on terms reasonably satisfactory to such Letter of Credit Issuer), the Revolving Credit Lenders; (iv) the Letter of Credit shall be denominated in Dollars; (v) no Letter of Credit shall be issued if it would be illegal under any applicable law for the beneficiary of the Letter of Credit to have a Letter of Credit issued in its favor; and (vi) no Letter of Credit shall be issued by the Letter of Credit Issuer after it has received a written notice from any Credit Party or the Administrative Agent or the Required Revolving Credit Lenders stating that a Default or Event of Default has occurred and is continuing until such time as the Letter of Credit Issuer shall have received a written notice of (x) rescission of such notice from the party or parties originally delivering such notice or (y) the waiver of such Default or Event of Default in accordance with the provisions of Section 13.1.
- (c) Upon at least two Business Days' prior written notice to the Administrative Agent and the Letter of Credit Issuer (which notice the Administrative Agent shall promptly transmit to each of the Lenders), the Borrower shall have the right, on any day, permanently to terminate or reduce the Letter of Credit Commitment in whole or in part; provided that, after giving effect to such termination or reduction, the Letters of Credit Outstanding shall not exceed the Letter of Credit Commitment (or with respect to a Letter of Credit Issuer, the Letters of Credit outstanding with respect to Letters of Credit issued by such Letter of Credit Issuer shall not exceed such Letter of Credit Issuer's Letter of Credit Commitment).
 - (d) [Reserved].
 - (e) The Letter of Credit Issuer shall not be under any obligation to issue any Letter of Credit if:

(i) any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms enjoin or restrain the Letter of Cred
Issuer from issuing such Letter of Credit, or any law applicable to the Letter of Credit Issuer or any request or directive (whether or not having the force of
law) from any Governmental Authority with jurisdiction over the Letter of Credit Issuer shall prohibit, or request that the Letter of Credit Issuer refrai
from, the issuance of letters of credit generally or such Letter of Credit in particular or shall impose upon the Letter of Credit Issuer with respect to suc
Letter of Credit any restriction, reserve or capital requirement (in each case, for which the Letter of Credit Issuer is not otherwise compensated hereunder
not in effect on the Closing Date, or shall impose upon the Letter of Credit Issuer any unreimbursed loss, cost or expense which was not applicable on th
Closing Date and which the Letter of Credit Issuer in good faith deems material to it;

- (ii) the issuance of such Letter of Credit would violate one or more policies of the Letter of Credit Issuer applicable to letters of credit generally;
- (iii) except as otherwise agreed by the Letter of Credit Issuer, such Letter of Credit is in an initial Stated Amount less than \$50,000, in the case of a commercial Letter of Credit, or \$10,000, in the case of a standby Letter of Credit;
 - (iv) such Letter of Credit is denominated in a currency other than Dollars;
 - (v) such Letter of Credit contains any provisions for automatic reinstatement of the Stated Amount after any drawing thereunder; or
- (vi) a default of any Revolving Credit Lender's obligations to fund under <u>Section 3.3</u> exists or any Revolving Credit Lender is at such time a Defaulting Lender hereunder, unless, in each case, the Borrower have entered into arrangements reasonably satisfactory to the Letter of Credit Issuer to eliminate the Letter of Credit Issuer's risk with respect to such Revolving Credit Lender or such risk has been reallocated in accordance with <u>Section 2.16</u>.
- (f) The Letter of Credit Issuer shall not increase the Stated Amount of any Letter of Credit if the Letter of Credit Issuer would not be permitted at such time to issue such Letter of Credit in its amended form under the terms hereof.
- (g) The Letter of Credit Issuer shall be under no obligation to amend any Letter of Credit if (A) the Letter of Credit Issuer would have no obligation at such time to issue such Letter of Credit in its amended form under the terms hereof, or (B) the beneficiary of such Letter of Credit does not accept the proposed amendment to such Letter of Credit.
- (h) The Letter of Credit Issuer shall act on behalf of the Revolving Credit Lenders with respect to any Letters of Credit issued by it and the documents associated therewith and the Letter of Credit Issuer shall have all of the benefits and immunities (A) provided to the Administrative Agent in Section 13 with respect to any acts taken or omissions suffered by the Letter of Credit Issuer in connection with Letters of Credit issued by it or proposed to be issued by it and Issuer Documents pertaining to such Letters of Credit as fully as if the term "Administrative Agent" as used in Section 13 included the Letter of Credit Issuer with respect to such acts or omissions, and (B) as additionally provided herein with respect to the Letter of Credit Issuer.

3.2 <u>Letter of Credit Requests.</u>

- (a) Whenever the Borrower desires that a Letter of Credit be issued for its account or amended, the Borrower shall give the Administrative Agent and the Letter of Credit Issuer a Letter of Credit Request by no later than 1:00 p.m. (New York City time) at least four Business Days (or such other period as may be agreed upon by the Borrower, the Administrative Agent and the Letter of Credit Issuer) prior to the proposed date of issuance or amendment. Each Letter of Credit Request shall be executed by the Borrower. Such Letter of Credit Request may be sent by facsimile, by United States mail, by overnight courier, by electronic transmission using the system provided by the Letter of Credit Issuer, by personal delivery or by any other means acceptable to the Letter of Credit Issuer.
- (b) In the case of a request for an initial issuance of a Letter of Credit, such Letter of Credit Request shall specify in form and detail reasonably satisfactory to the Letter of Credit Issuer: (A) the proposed issuance date of the requested Letter of Credit (which shall be a Business Day); (B) the Stated Amount thereof; (C) the expiry date thereof; (D) the name and address of the beneficiary thereof; (E) the documents to be presented by such beneficiary in case of any drawing thereunder; (F) the full text of any certificate to be presented by such beneficiary in case of any drawing thereunder; (G) the identity of the applicant; and (H) such other matters as the Letter of Credit Issuer may reasonably require. In the case of a request for an amendment of any outstanding Letter of Credit, such Letter of Credit Request shall specify in form and detail reasonably satisfactory to the Letter of Credit Issuer (I) the Letter of Credit to be amended; (II) the proposed date of amendment thereof (which shall be a Business Day); (III) the nature of the proposed amendment; and (IV) such other matters as the Letter of Credit Issuer may reasonably require. Additionally, the Borrower shall furnish to the Letter of Credit Issuer and the Administrative Agent such other documents and information pertaining to such requested Letter of Credit issuance or amendment, including any Issuer Documents, as the Letter of Credit Issuer or the Administrative Agent may reasonably require.
- (c) Unless the Letter of Credit Issuer has received written notice from any Revolving Credit Lender, the Administrative Agent or any Credit Party, at least one Business Day prior to the requested date of issuance or amendment of the Letter of Credit, that one or more applicable conditions contained in Sections 6 (solely with respect to any Letter of Credit issued on the Closing Date) and 7 shall not then be satisfied to the extent required thereby, then, subject to the terms and conditions hereof, the Letter of Credit Issuer shall, on the requested date, issue a Letter of Credit for the account of the Borrower (or, so long as the Borrower is the primary obligor, for the account of Holdings or another Restricted Subsidiary) or enter into the applicable amendment, as the case may be, in each case in accordance with the Letter of Credit Issuer's usual and customary business practices.
- (d) If the Borrower so requests in any Letter of Credit Request, the Letter of Credit Issuer shall agree to issue a Letter of Credit that has automatic extension provisions (each, an "Auto-Extension Letter of Credit"); provided that any such Auto-Extension Letter of Credit must permit the Letter of Credit Issuer to prevent any such extension at least once in each twelve-month period (commencing with the date of issuance of such Letter of Credit) by giving prior notice to the beneficiary thereof and the Borrower not later than a day (the "Non-Extension Notice Date") in each such twelve-month period to be agreed upon at the time such Letter of Credit is issued. Unless otherwise directed by the Letter of Credit Issuer, the Borrower shall not be required to make a specific request to the Letter of Credit Issuer for any such extension. Once an Auto-Extension Letter of Credit has been issued, the Lenders shall be deemed to have authorized (but may not require) the Letter of Credit Issuer to permit the extension of such Letter of Credit at any time to an expiry date not later than the L/C Facility Maturity Date, unless otherwise agreed upon by the Administrative Agent and the Letter of Credit Issuer; provided, however, that the Letter of Credit Issuer shall not permit any such extension if (A) the Letter of Credit Issuer has reasonably determined that it would not be permitted, or would have no obligation, at such time to issue such Letter of Credit in its revised form (as extended) under the terms hereof (by reason of the provisions of clause (b) of Section 3.1 or otherwise), or (B) it has received written notice on or before the day that is seven Business Days before the Non-Extension Notice Date from the Administrative Agent, any Lender or the Borrower that one or more of the applicable conditions specified in Sections 6 and 7 are not then satisfied, and in each such case directing the Letter of Credit Issuer not to permit such extension.

- (e) Promptly after its delivery of any Letter of Credit or any amendment to a Letter of Credit to an advising bank with respect thereto or to the beneficiary thereof, the Letter of Credit Issuer will also deliver to the Borrower and the Administrative Agent a true and complete copy of such Letter of Credit or amendment. On the first Business Day of each month, the Letter of Credit Issuer shall provide the Administrative Agent a list of all Letters of Credit issued by it that are outstanding at such time.
- (f) The making of each Letter of Credit Request shall be deemed to be a representation and warranty by the Borrower that the Letter of Credit may be issued in accordance with, and will not violate the requirements of, Section 3.1(b).

3.3 <u>Letter of Credit Participations</u>.

- (a) Immediately upon the issuance by the Letter of Credit Issuer of any Letter of Credit, the Letter of Credit Issuer shall be deemed to have sold and transferred to each Revolving Credit Lender (each such Revolving Credit Lender, in its capacity under this <u>Section 3.3</u>, an "L/C Participant"), and each such L/C Participant shall be deemed irrevocably and unconditionally to have purchased and received from the Letter of Credit Issuer, without recourse or warranty, an undivided interest and participation (each an "L/C Participation"), to the extent of such L/C Participant's Revolving Credit Commitment Percentage in each Letter of Credit, each substitute therefor, each drawing made thereunder and the obligations of the Borrower under this Agreement with respect thereto, and any security therefor or guaranty pertaining thereto; <u>provided</u> that the Letter of Credit Fees will be paid directly to the Administrative Agent for the ratable account of the L/C Participants as provided in <u>Section 4.1(b)</u> and the L/C Participants shall have no right to receive any portion of any Fronting Fees.
- (b) In determining whether to pay under any Letter of Credit, the relevant Letter of Credit Issuer shall have no obligation relative to the L/C Participants other than to confirm that any documents required to be delivered under such Letter of Credit have been delivered and that they appear to comply on their face with the requirements of such Letter of Credit. Any action taken or omitted to be taken by the relevant Letter of Credit Issuer under or in connection with any Letter of Credit issued by it, if taken or omitted in the absence of gross negligence or willful misconduct as determined in the final non-appealable judgment of a court of competent jurisdiction, shall not create for the Letter of Credit Issuer any resulting liability.
- In the event that the Letter of Credit Issuer makes any payment under any Letter of Credit issued by it and the applicable Borrower shall not have repaid such amount in full to the respective Letter of Credit Issuer through the Administrative Agent pursuant to Section 3.4(a), the Administrative Agent shall promptly notify each L/C Participant of such failure, and each L/C Participant shall promptly and unconditionally pay to the Administrative Agent for the account of the Letter of Credit Issuer, the amount of such L/C Participant's Revolving Credit Commitment Percentage of such unreimbursed payment in Dollars and in immediately available funds. If and to the extent such L/C Participant shall not have so made its Revolving Credit Commitment Percentage of the amount of such payment available to the Administrative Agent for the account of the Letter of Credit Issuer, such L/C Participant agrees to pay to the Administrative Agent for the account of the Letter of Credit Issuer, forthwith on demand, such amount, together with interest thereon for each day from such date until the date such amount is paid to the Administrative Agent for the account of the Letter of Credit Issuer from time to time then in effect, plus any administrative, processing or similar fees that are reasonably and customarily charged by the Letter of Credit Issuer in connection with the foregoing. The failure of any L/C Participant to make available to the Administrative Agent for the account of the Letter of Credit Issuer its Revolving Credit Commitment Percentage of any payment under any Letter of Credit shall not relieve any other L/C Participant of its obligation hereunder to make available to the Administrative Agent for the failure of any payment under such Letter of Credit on the date required, as specified above, but no L/C Participant shall be responsible for the failure of any other L/C Participant to make available to the Administrative Agent such other L/C Participant's Revolving Credit Commitment Percentage of any such payment.

- (d) Whenever the Administrative Agent receives a payment in respect of an unpaid reimbursement obligation as to which the Administrative Agent has received for the account of the Letter of Credit Issuer any payments from the L/C Participants pursuant to clause (c) above, the Administrative Agent shall promptly pay to each L/C Participant that has paid its Revolving Credit Commitment Percentage of such reimbursement obligation, in Dollars and in immediately available funds, an amount equal to such L/C Participant's share (based upon the proportionate aggregate amount originally funded by such L/C Participant to the aggregate amount funded by all L/C Participants) of the amount so paid in respect of such reimbursement obligation and interest thereon accruing after the purchase of the respective L/C Participations at the Overnight Rate.
- (e) The obligations of the L/C Participants to make payments to the Administrative Agent for the account of the Letter of Credit Issuer with respect to Letters of Credit shall be irrevocable and not subject to counterclaim, set-off or other defense or any other qualification or exception whatsoever and shall be made in accordance with the terms and conditions of this Agreement under all circumstances.
- (f) If any payment received by the Administrative Agent for the account of the Letter of Credit Issuer pursuant to $\underline{\text{Section } 3.3(c)}$ is required to be returned under any of the circumstances described in $\underline{\text{Section } 3.20}$ (including pursuant to any settlement entered into by the Letter of Credit Issuer in its discretion), each Lender shall pay to the Administrative Agent for the account of the Letter of Credit Issuer its Revolving Credit Commitment Percentage thereof on demand of the Administrative Agent, *plus* interest thereon from the date of such demand to the date such amount is returned by such Lender, at a rate per annum equal to the applicable Overnight Rate from time to time in effect. The obligations of the Lenders under this clause shall survive the payment in full of the Obligations and the termination of this Agreement.

3.4 <u>Agreement to Repay Letter of Credit Drawings.</u>

- (a) The Borrower hereby agrees to reimburse the Letter of Credit Issuer, by making payment with respect to any drawing under any Letter of Credit in the same currency in which such drawing was made unless the Letter of Credit Issuer (at its option) shall have specified in the notice of drawing that it will require reimbursement in Dollars. Any such reimbursement shall be made by the Borrower to the Administrative Agent in immediately available funds for any payment or disbursement made by the Letter of Credit Issuer under any Letter of Credit (each such amount so paid until reimbursed, an "Unpaid Drawing") no later than the date that is one Business Day after the date on which the Borrower receives written notice of such payment or disbursement (the "Reimbursement Date"), with interest on the amount so paid or disbursed by the Letter of Credit Issuer, to the extent not reimbursed prior to 5:00 p.m. (New York City time) on the Reimbursement Date, from the Reimbursement Date to the date the Letter of Credit Issuer is reimbursed therefor at a rate per annum that shall at all times be the Applicable Margin for ABR Loans that are Revolving Credit Loans plus the ABR as in effect from time to time, provided that, notwithstanding anything contained in this Agreement to the contrary, (i) unless the Borrower shall have notified the Administrative Agent and the relevant Letter of Credit Issuer prior to 1:00 p.m. (New York City time) on the Reimbursement Date that the Borrower intends to reimburse the relevant Letter of Credit Issuer for the amount of such drawing with funds other than the proceeds of Loans, the Borrower shall be deemed to have given a Notice of Borrowing requesting that, with respect to Letters of Credit, the Revolving Credit Lenders make Revolving Credit Loans (which shall be denominated in Dollars and which shall be ABR Loans) on the Reimbursement Date in the amount of such drawing and (ii) the Administrative Agent shall promptly notify each L/C Participant of such drawing and the amount of its Revolving Credit Loan to be made in respect thereof, and each L/C Participant shall be irrevocably obligated to make a Revolving Credit Loan to the Borrower in Dollars in the manner deemed to have been requested in the amount of its Revolving Credit Commitment Percentage of the applicable Unpaid Drawing by 2:00 p.m. (New York City time) on such Reimbursement Date by making the amount of such Revolving Credit Loan available to the Administrative Agent. Such Revolving Credit Loans shall be made without regard to the Minimum Borrowing Amount. The Administrative Agent shall use the proceeds of such Revolving Credit Loans solely for purpose of reimbursing the Letter of Credit Issuer for the related Unpaid Drawing. In the event that the Borrower fails to Cash Collateralize any Letter of Credit that is outstanding on the L/C Facility Maturity Date, the full amount of the Letters of Credit Outstanding in respect of such Letter of Credit shall be deemed to be an Unpaid Drawing subject to the provisions of this Section 3.4 except that the Letter of Credit Issuer shall hold the proceeds received from the L/C Participants as contemplated above as cash collateral for such Letter of Credit to reimburse any Drawing under such Letter of Credit and shall use such proceeds first, to reimburse itself for any Drawings made in respect of such Letter of Credit following the L/C Facility Maturity Date, second, to the extent such Letter of Credit expires or is returned undrawn while any such cash collateral remains, to the repayment of obligations in respect of any Revolving Credit Loans that have not been paid at such time and third, to the Borrower or as otherwise directed by a court of competent jurisdiction. Nothing in this Section 3.4(a) shall affect the Borrower's obligation to repay all outstanding Revolving Credit Loans when due in accordance with the terms of this Agreement.
- (b) The obligation of the Borrower to reimburse the Letter of Credit Issuer for each drawing under each Letter of Credit and to repay each L/C Borrowing shall be absolute, unconditional and irrevocable, and shall be paid strictly in accordance with the terms of this Agreement under all circumstances, including the following:
 - (i) any lack of validity or enforceability of this Agreement or any of the other Credit Documents;
 - (ii) the existence of any claim, set-off, defense or other right that the Borrower may have at any time against a beneficiary named in a Letter of Credit, any transferee of any Letter of Credit (or any Person for whom any such transferee may be acting), the Administrative Agent, the Letter of Credit Issuer, any Lender or other Person, whether in connection with this Agreement, any Letter of Credit, the transactions contemplated herein or any unrelated transactions (including any underlying transaction between the Borrower and the beneficiary named in any such Letter of Credit);
 - (iii) any draft, demand, certificate or other document presented under such Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect; or any loss or delay in the transmission or otherwise of any document required in order to make a drawing under such Letter of Credit;

- (iv) waiver by the Letter of Credit Issuer of any requirement that exists for the Letter of Credit Issuer's protection and not the protection of the Borrower (or Holdings or other Restricted Subsidiary) or any waiver by the Letter of Credit Issuer which does not in fact materially prejudice the Borrower (or Holdings or other Restricted Subsidiary);
- (v) any payment made by the Letter of Credit Issuer in respect of an otherwise complying item presented after the date specified as the expiration date of, or the date by which documents must be received under, such Letter of Credit if presentation after such date is authorized by the UCC, the ISP or the UCP, as applicable;
- (vi) any payment by the Letter of Credit Issuer under such Letter of Credit against presentation of a draft or certificate that does not strictly comply with the terms of such Letter of Credit; or any payment made by the Letter of Credit Issuer under such Letter of Credit to any Person purporting to be a trustee in bankruptcy, debtor-in-possession, assignee for the benefit of creditors, liquidator, receiver or other representative of or successor to any beneficiary or any transferee of such Letter of Credit, including any arising in connection with any proceeding under the Bankruptcy Code;
 - (vii) honor of a demand for payment presented electronically even if such Letter of Credit requires that demand be in the form of a draft;
 - (viii) any adverse change in any relevant exchange rates or in the relevant currency markets generally; or
- (ix) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing, including any other circumstance that might otherwise constitute a defense available to, or a discharge of, the Borrower (or Holdings or other Restricted Subsidiary) (other than the defense of payment or performance).
- (c) The Borrower shall not be obligated to reimburse the Letter of Credit Issuer for any wrongful payment made by the Letter of Credit Issuer under the Letter of Credit issued by it as a result of acts or omissions constituting willful misconduct or gross negligence on the part of the Letter of Credit Issuer as determined in the final non-appealable judgment of a court of competent jurisdiction.
- <u>Increased Costs.</u> If after the Closing Date, the adoption of any applicable law, treaty, rule, or regulation, or any change therein, or any change in the interpretation or administration thereof by any Governmental Authority, central bank or comparable agency charged with the interpretation or administration thereof, or actual compliance by the Letter of Credit Issuer or any L/C Participant with any request or directive made or adopted after the Closing Date (whether or not having the force of law), by any such authority, central bank or comparable agency shall either (x) impose, modify or make applicable any reserve, deposit, capital adequacy or similar requirement against letters of credit issued by the Letter of Credit Issuer, or any L/C Participant's L/C Participation therein, or (y) impose on the Letter of Credit Issuer or any L/C Participant any other conditions or costs affecting its obligations under this Agreement in respect of Letters of Credit or L/C Participations therein or any Letter of Credit or such L/C Participant's L/C Participation therein, and the result of any of the foregoing is to increase the actual cost to the Letter of Credit Issuer or such L/C Participant of issuing, maintaining or participating in any Letter of Credit, or to reduce the actual amount of any sum received or receivable by the Letter of Credit Issuer or such L/C Participant hereunder (including any increased costs or reductions attributable to Taxes, other than any increase or reduction attributable to Indemnified Taxes, Excluded Taxes or Other Taxes) in respect of Letters of Credit or L/C Participations therein, then, promptly after receipt of written demand to the Borrower by the Letter of Credit Issuer or such L/C Participant, as the case may be (a copy of which notice shall be sent by the Letter of Credit Issuer or such L/C Participant to the Administrative Agent (with respect to a Letter of Credit issued on account of the Borrower (or Holdings or other Restricted Subsidiary))), the Borrower shall pay to the Letter of Credit Issuer or such L/C Participant such actual additional amount or amounts as will compensate the Letter of Credit Issuer or such L/C Participant for such increased cost or reduction, it being understood and agreed, however, that the Letter of Credit Issuer or an L/C Participant shall not be entitled to such compensation as a result of such Person's compliance with, or pursuant to any request or directive to comply with, any such law, rule or regulation as in effect on the Closing Date. A certificate submitted to the Borrower by the relevant Letter of Credit Issuer or an L/C Participant, as the case may be (a copy of which certificate shall be sent by the Letter of Credit Issuer or such L/C Participant to the Administrative Agent), setting forth in reasonable detail the basis for the determination of such actual additional amount or amounts necessary to compensate the Letter of Credit Issuer or such L/C Participant as aforesaid shall be conclusive and binding on the Borrower absent clearly demonstrable error.

3.6 New or Successor Letter of Credit Issuer.

The Letter of Credit Issuer may resign as the Letter of Credit Issuer upon 60 days' prior written notice to the Administrative Agent, the (a) Lenders, Holdings, and the Borrower. The Borrower may replace the Letter of Credit Issuer for any reason upon written notice to the Administrative Agent and the Letter of Credit Issuer. The Borrower may add Letter of Credit Issuers at any time upon notice to the Administrative Agent. If the Letter of Credit Issuer shall resign or be replaced, or if the Borrower shall decide to add a new Letter of Credit Issuer under this Agreement, then the Borrower may appoint from among the Lenders a successor issuer of Letters of Credit or a new Letter of Credit Issuer, as the case may be, or, with the consent of the Administrative Agent (such consent not to be unreasonably withheld or delayed), another successor or new issuer of Letters of Credit, whereupon such successor issuer accepting such appointment shall succeed to the rights, powers and duties of the replaced or resigning Letter of Credit Issuer under this Agreement and the other Credit Documents, or such new issuer of Letters of Credit accepting such appointment shall be granted the rights, powers and duties of the Letter of Credit Issuer hereunder, and the term Letter of Credit Issuer shall mean such successor or such new issuer of Letters of Credit effective upon such appointment. At the time such resignation or replacement shall become effective, the Borrower shall pay to the resigning or replaced Letter of Credit Issuer all accrued and unpaid fees applicable to the Letters of Credit pursuant to Sections 4.1(b) and 4.1(d). The acceptance of any appointment as the Letter of Credit Issuer hereunder whether as a successor issuer or new issuer of Letters of Credit in accordance with this Agreement, shall be evidenced by an agreement entered into by such new or successor issuer of Letters of Credit, in a form reasonably satisfactory to the Borrower and the Administrative Agent and, from and after the effective date of such agreement, such new or successor issuer of Letters of Credit shall become the Letter of Credit Issuer hereunder. After the resignation or replacement of the Letter of Credit Issuer hereunder, the resigning or replaced Letter of Credit Issuer shall remain a party hereto and shall continue to have all the rights and obligations of the Letter of Credit Issuer under this Agreement and the other Credit Documents with respect to Letters of Credit issued by it prior to such resignation or replacement, but shall not be required to issue additional Letters of Credit. In connection with any resignation or replacement pursuant to this clause (a) (but, in case of any such resignation, only to the extent that a successor issuer of Letters of Credit shall have been appointed), either (i) the Borrower, the resigning or replaced Letter of Credit Issuer and the successor issuer of Letters of Credit shall arrange to have any outstanding Letters of Credit issued by the resigning or replaced Letter of Credit Issuer replaced with Letters of Credit issued by the successor issuer of Letters of Credit or (ii) the Borrower shall cause the successor issuer of Letters of Credit, if such successor issuer is reasonably satisfactory to the replaced or resigning Letter of Credit Issuer, to issue "back-stop" Letters of Credit naming the resigning or replaced Letter of Credit Issuer as beneficiary for each outstanding Letter of Credit issued by the resigning or replaced Letter of Credit Issuer, which new Letters of Credit shall be denominated in the same currency as, and shall have a face amount equal to, the Letters of Credit being back-stopped and the sole requirement for drawing on such new Letters of Credit shall be a drawing on the corresponding back-stopped Letters of Credit. After any resigning or replaced Letter of Credit Issuer's resignation or replacement as Letter of Credit Issuer, the provisions of this Agreement relating to the Letter of Credit Issuer shall inure to its benefit as to any actions taken or omitted to be taken by it (A) while it was the Letter of Credit Issuer under this Agreement or (B) at any time with respect to Letters of Credit issued by such Letter of Credit Issuer.

- (b) To the extent there are, at the time of any resignation or replacement as set forth in <u>clause (a)</u> above, any outstanding Letters of Credit, nothing herein shall be deemed to impact or impair any rights and obligations of any of the parties hereto with respect to such outstanding Letters of Credit (including, without limitation, any obligations related to the payment of Fees or the reimbursement or funding of amounts drawn), except that the Borrower, the resigning or replaced Letter of Credit Issuer and the successor issuer of Letters of Credit shall have the obligations regarding outstanding Letters of Credit described in <u>clause</u> (a) above.
- Role of Letter of Credit Issuer. Each Lender and the Borrower agree that, in paying any drawing under a Letter of Credit, the Letter of Credit Issuer shall not have any responsibility to obtain any document (other than any sight draft, certificates and documents expressly required by the Letter of Credit) or to ascertain or inquire as to the validity or accuracy of any such document or the authority of the Person executing or delivering any such document. None of the Letter of Credit Issuer, the Administrative Agent, any of their respective Affiliates nor any correspondent, participant or assignee of the Letter of Credit Issuer shall be liable to any Lender for (i) any action taken or omitted in connection herewith at the request or with the approval of the Required Revolving Credit Lenders; (ii) any action taken or omitted in the absence of gross negligence or willful misconduct as determined in the final non-appealable judgment of a court of competent jurisdiction; or (iii) the due execution, effectiveness, validity or enforceability of any document or instrument related to any Letter of Credit or Issuer Document. The Borrower hereby assumes all risks of the acts or omissions of any beneficiary or transferee with respect to its use of any Letter of Credit; provided that this assumption is not intended to, and shall not, preclude the Borrower's pursuit of such rights and remedies as they may have against the beneficiary or transferee at law or under any other agreement. None of the Letter of Credit Issuer, the Administrative Agent, any of their respective Affiliates nor any correspondent, participant or assignee of the Letter of Credit Issuer shall be liable or responsible for any of the matters described in Section 3.3(b); provided that anything in such Section to the contrary notwithstanding, the Borrower may have a claim against the Letter of Credit Issuer, and the Letter of Credit Issuer may be liable to the Borrower, to the extent, but only to the extent, of any direct, as opposed to consequential or exemplary, damages suffered by the Borrower which the Borrower proves were caused by the Letter of Credit Issuer's willful misconduct or gross negligence or the Letter of Credit Issuer's willful failure to pay under any Letter of Credit after the presentation to it by the beneficiary of a sight draft and certificate(s) strictly complying with the terms and conditions of a Letter of Credit in each case as determined in the final non-appealable judgment of a court of competent jurisdiction. In furtherance and not in limitation of the foregoing, the Letter of Credit Issuer may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary, and the Letter of Credit Issuer shall not be responsible for the validity or sufficiency of any instrument transferring or assigning or purporting to transfer or assign a Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, which may prove to be invalid or ineffective for any reason.

The Letter of Credit Issuer may send a Letter of Credit or conduct any communication to or from the beneficiary via the Society for Worldwide Interbank Financial Telecommunication ("SWIFT") message or overnight courier, or any other commercially reasonable means of communicating with a beneficiary.

3.8 <u>Cash Collateral</u>.

- (a) <u>Certain Credit Support Events</u>. Upon the written request of the Administrative Agent or the Letter of Credit Issuer, if (i) as of the L/C Facility Maturity Date, any L/C Obligation for any reason remains outstanding, (ii) the Borrower shall be required to provide Cash Collateral pursuant to <u>Section 11.13</u>, or (iii) the provisions of <u>Section 2.16(a)(v)</u> are in effect, the Borrower shall immediately (in the case of <u>clause (ii)</u> above) or within one Business Day (in all other cases) following any written request by the Administrative Agent or the Letter of Credit Issuer, provide Cash Collateral in an amount not less than the applicable Minimum Collateral Amount (determined in the case of Cash Collateral provided pursuant to <u>clause (iii)</u> above, after giving effect to <u>Section 2.16(a)(iv)</u> and any Cash Collateral provided by the Defaulting Lender).
- (b) <u>Grant of Security Interest</u>. The Borrower, and to the extent provided by any Defaulting Lender, such Defaulting Lender, hereby grant to (and subject to the control of) the Administrative Agent, for the benefit of the Administrative Agent, the Letter of Credit Issuer and the Lenders, and agree to maintain, a first priority security interest in all such cash, deposit accounts and all balances therein as described in <u>Section 3.8(a)</u>, and all other property so provided as collateral pursuant hereto, and in all proceeds of the foregoing, all as security for the obligations to which such Cash Collateral may be applied pursuant to <u>Section 3.8(c)</u>. If at any time the Administrative Agent determines that Cash Collateral is subject to any right or claim of any Person other than the Administrative Agent or the Letter of Credit Issuer as herein provided, other than Permitted Liens, or that the total amount of such Cash Collateral is less than the Minimum Collateral Amount (including, without limitation, as a result of exchange rate fluctuations), the Borrower will, promptly upon written demand by the Administrative Agent, pay or provide to the Administrative Agent additional Cash Collateral in an amount sufficient to eliminate such deficiency. Cash Collateral shall be maintained in blocked, interest bearing deposit accounts with the Administrative Agent. The Borrower shall pay on demand therefor from time to time all customary account opening, activity and other administrative fees and charges in connection with the maintenance and disbursement of Cash Collateral.
- (c) <u>Application</u>. Notwithstanding anything to the contrary contained in this Agreement, Cash Collateral provided under any of this <u>Section 3.8</u> or <u>Sections 2.16</u>, <u>5.2</u>, or <u>11.13</u> in respect of Letters of Credit shall be held and applied to the satisfaction of the specific L/C Obligations, obligations to fund participations therein (including, as to Cash Collateral provided by a Defaulting Lender, any interest accrued on such obligation) and other obligations for which the Cash Collateral was so provided, prior to any other application of such property as may otherwise be provided for herein.
- (d) Cash Collateral (or the appropriate portion thereof) provided to reduce Fronting Exposure or to secure other obligations shall be released promptly following (i) the elimination of the applicable Fronting Exposure or other obligations giving rise thereto (including by the termination of Defaulting Lender status of the applicable Lender (or, as appropriate, its assignee following compliance with <u>Section 13.6(b)(ii)</u>) or there is no longer existing an Event of Default) or (ii) the determination by the Administrative Agent and the Letter of Credit Issuer that there exists excess Cash Collateral.

- 3.9 Applicability of ISP and UCP. Unless otherwise expressly agreed by the Letter of Credit Issuer and the applicable Borrower when a Letter of Credit is issued, (i) the rules of the ISP shall apply to each standby Letter of Credit, and (ii) the rules of the Uniform Customs and Practice for Documentary Credits, as most recently published by the International Chamber of Commerce at the time of issuance, shall apply to each commercial Letter of Credit. Notwithstanding the foregoing, the Letter of Credit Issuer shall not be responsible to the Borrower for, and the Letter of Credit Issuer's rights and remedies against the Borrower shall not be impaired by, any action or inaction of the Letter of Credit Issuer required or permitted under any law, order, or practice that is required or permitted to be applied to any Letter of Credit or this Agreement, including the applicable law or any order of a jurisdiction where the Letter of Credit Issuer or the beneficiary is located, the practice stated in the ISP or UCP, as applicable, or in the decisions, opinions, practice statements, or official commentary of the ICC Banking Commission, the Bankers Association for Finance and Trade International Financial Services Association (BAFT-IFSA), or the Institute of International Banking Law & Practice, whether or not any Letter of Credit chooses such law or practice.
- 3.10 <u>Conflict with Issuer Documents</u>. In the event of any conflict between the terms hereof and the terms of any Issuer Document, the terms hereof shall control and any grant of security interest in any Issuer Documents shall be void.
- 3.11 <u>Letters of Credit Issued for Restricted Subsidiaries</u>. Notwithstanding that a Letter of Credit issued or outstanding hereunder is in support of any obligations of, or is for the account of, Holdings or a Restricted Subsidiary, the Borrower shall be obligated to reimburse the Letter of Credit Issuer hereunder for any and all drawings under such Letter of Credit. The Borrower hereby acknowledges that the issuance of Letters of Credit for the account of Holdings or any other Restricted Subsidiaries inures to the benefit of the Borrower and that the Borrower's business derives substantial benefits from the businesses of Holdings and the other Restricted Subsidiaries.
- 3.12 Provisions Related to Extended Revolving Credit Commitments. If the Letter of Credit Expiration Date in respect of any tranche of Revolving Credit Commitments occurs prior to the expiry date of any Letter of Credit, then (i) if consented to by the Letter of Credit Issuer which issued such Letter of Credit, if one or more other tranches of Revolving Credit Commitments in respect of which the Letter of Credit Expiration Date shall not have so occurred are then in effect, such Letters of Credit for which consent has been obtained shall automatically be deemed to have been issued (including for purposes of the obligations of the Revolving Credit Lenders to purchase participations therein and to make Revolving Credit Loans and payments in respect thereof pursuant to Sections 3.3 and 3.4) under (and ratably participated in by Lenders pursuant to) the Revolving Credit Commitments in respect of such non-terminating tranches up to an aggregate amount not to exceed the aggregate amount of the unutilized Revolving Credit Commitments thereunder at such time (it being understood that no partial face amount of any Letter of Credit may be so reallocated) and (ii) to the extent not reallocated pursuant to immediately preceding clause (i), the Borrower shall Cash Collateralize any such Letter of Credit in accordance with Section 3.8. Upon the maturity date of any tranche of Revolving Credit Commitments, the sublimit for Letters of Credit may be reduced as agreed between the Letter of Credit Issuer and the Borrower, without the consent of any other Person.

- Not later than ten Business Days after the date on which financial statements are required to be delivered pursuant to Section 9.1(a) for any fiscal year (commencing with and including the fiscal year ending January 3, 2015), the Borrower shall prepay (or cause to be prepaid), in accordance with <u>clause (c)</u> below, Term Loans with a principal amount equal to (x) 50% of Excess Cash Flow for such fiscal year; <u>provided</u> that (A) the percentage in this Section 5.2(a)(ii) shall be reduced to 25% if the Consolidated First Lien Secured Debt to Consolidated EBITDA Ratio on the date of prepayment (prior to giving effect thereto but giving effect to any prepayment described in clause (y) below and as certified by an Authorized Officer of Holdings) for the most recent Test Period ended prior to such prepayment date is less than or equal to 4.25 to 1.00 but greater than 4.00 to 1.00 and (B) no payment of any Term Loans shall be required under this Section 5.2(a)(ii) if the Consolidated First Lien Secured Debt to Consolidated EBITDA Ratio on the date of prepayment (prior to giving effect thereto but giving effect to any prepayment described in <u>clause (y)</u> below and as certified by an Authorized Officer of Holdings) for the most recent Test Period ended prior to such prepayment date is less than or equal to 4.00 to 1.00, minus (y) (i) the principal amount of Term Loans voluntarily prepaid pursuant to Section 5.1 or Section 13.6 or, to the extent permitted hereunder, Second Lien Loans voluntarily prepaid pursuant to Section 5.1 or 13.6 (or comparable provisions) of the Second Lien Credit Agreement (in each case, including purchases of the Loans by Holdings and its Subsidiaries at or below par, in which case the amount of voluntary prepayments of Loans shall be deemed not to exceed the actual purchase price of such Loans below par) during such fiscal year or after such fiscal year and prior to the date of the required Excess Cash Flow payment, and (ii) to the extent accompanied by permanent optional reductions of Revolving Credit Commitments, Extended Revolving Credit Commitments or Incremental Revolving Credit Commitment, as applicable, Revolving Credit Loans, Swing Line Loans, Extended Revolving Credit Loans, Incremental Revolving Credit Loans, in each case of clauses (i) and (ii), other than to the extent any such prepayment is funded with the proceeds of Funded Debt.

- Notwithstanding any other provisions of this Section 5.2, (A) to the extent that any or all of the Net Cash Proceeds of any Prepayment Event by a Foreign Subsidiary giving rise to a prepayment pursuant to clause (i) above (a "Foreign Prepayment Event") or Excess Cash Flow are prohibited or delayed by any Requirement of Law from being repatriated to the Credit Parties, an amount equal to the portion of such Net Cash Proceeds or Excess Cash Flow so affected will not be required to be applied to repay Loans at the times provided in clauses (i) and (ii) above, as the case may be, but only so long, as the applicable Requirement of Law will not permit repatriation to the Credit Parties (the Credit Parties hereby agreeing to cause the applicable Foreign Subsidiary to promptly take all actions reasonably required by the applicable Requirement of Law to permit repatriation), and once a repatriation of any of such affected Net Cash Proceeds or Excess Cash Flow is permitted under the applicable Requirement of Law, an amount equal to such Net Cash Proceeds or Excess Cash Flow will be promptly (and in any event not later than ten Business Days after such repatriation is permitted) applied (net of any taxes that would be payable or reserved against if such amounts were actually repatriated whether or not they are repatriated) to the repayment of the Loans pursuant to clauses (i) and (ii) above, as applicable, and (B) to the extent that the Borrower has determined in good faith that repatriation of any of or all the Net Cash Proceeds of any Foreign Prepayment Event or Excess Cash Flow would have a material adverse tax consequence with respect to such Net Cash Proceeds or Excess Cash Flow, an amount equal to the Net Cash Proceeds or Excess Cash Flow so affected may be retained by the applicable Foreign Subsidiary; provided that in the case of this clause (B), on or before the date on which any Net Cash Proceeds from any Foreign Prepayment Event so retained would otherwise have been required to be applied to reinvestments or prepayments pursuant to <u>clause (i)</u> above or, in the case of Excess Cash Flow, a date on or before the date that is eighteen months after the date an amount equal to such Excess Cash Flow would have so required to be applied to prepayments pursuant to <u>clause (ii)</u> above unless previously actually repatriated in which case such repatriated Excess Cash Flow shall have been promptly applied to the repayment of the Term Loans pursuant to clause (ii) above, (x) the Borrower shall apply an amount equal to such Net Cash Proceeds or Excess Cash Flow to such reinvestments or prepayments as if such Net Cash Proceeds or Excess Cash Flow had been received by the Credit Parties rather than such Foreign Subsidiary, less the amount of any taxes that would have been payable or reserved against if such Net Cash Proceeds or Excess Cash Flow had been repatriated (or, if less, the Net Cash Proceeds or Excess Cash Flow that would be calculated if received by such Foreign Subsidiary) or (y) such Net Cash Proceeds or Excess Cash Flow shall be applied to the repayment of Indebtedness of a Foreign Subsidiary. For the avoidance of doubt, nothing in this Agreement, including <u>Section 5</u> shall be construed to require any Foreign Subsidiary to repatriate cash.

- (b) Repayment of Revolving Credit Loans. If on any date the aggregate amount of the Lenders' Revolving Credit Exposures in respect of any Class of Revolving Loans for any reason exceeds 100% of the Revolving Credit Commitment of such Class then in effect, the Borrower shall forthwith repay on such date Revolving Loans of such Class in an amount equal to such excess. If after giving effect to the prepayment of all outstanding Revolving Loans of such Class, the Revolving Credit Exposures of such Class exceed the Revolving Credit Commitment of such Class then in effect, the Borrower shall Cash Collateralize the Letters of Credit Outstanding in relation to such Class to the extent of such excess.
- (c) <u>Application to Repayment Amounts</u>. Subject to <u>Section 5.2(f)</u>, each prepayment of Term Loans required by <u>Section 5.2(a)(i)</u> or <u>(ii)</u> shall be allocated pro rata among the Initial Term Loans, the New Term Loans and the Extended Term Loans based on the applicable remaining Repayment Amounts due thereunder and shall be applied within each Class of Term Loans in respect of such Term Loans in direct order of maturity thereof or as otherwise directed by the Borrower; <u>provided</u> that if any Class of Extended Term Loans have been established hereunder, the Borrower may allocate such prepayment in its sole discretion to the Term Loans of the Existing Term Loan Class, if any, from which such Extended Term Loans were converted (except, as to Term Loans made pursuant to a Joinder Agreement, as otherwise set forth in such Joinder Agreement, or as to a Replacement Term Loan). Subject to <u>Section 5.2(f)</u>, with respect to each such prepayment, the Borrower will, not later than the date specified in <u>Section 5.2(a)</u> for making such prepayment, give the Administrative Agent written notice which shall include a calculation of the amount of such prepayment to be applied to each Class of Term Loans requesting that the Administrative Agent provide notice of such prepayment to each Initial Term Loan Lender, New Term Loan Lender, or Lender of Extended Term Loans, as applicable.
- (d) <u>Application to Term Loans</u>. With respect to each prepayment of Term Loans required by <u>Section 5.2(a)</u>, the Borrower may, if applicable, designate the Types of Loans that are to be prepaid and the specific Borrowing(s) pursuant to which made; <u>provided</u>, that if any Lender has provided a Rejection Notice in compliance with <u>Section 5.2(f)</u>, such prepayment shall be applied with respect to the Term Loans to be prepaid on a pro rata basis across all outstanding Types of such Term Loans in proportion to the percentage of such outstanding Term Loans to be prepaid represented by each such Class. In the absence of a Rejection Notice or a designation by the Borrower as described in the preceding sentence, the Administrative Agent shall, subject to the above, make such designation in its reasonable discretion with a view, but no obligation, to minimize breakage costs owing under <u>Section 2.11</u>.

- (e) <u>Application to Revolving Credit Loans</u>. With respect to each prepayment of Revolving Credit Loans, the Borrower may designate (i) the Types of Loans that are to be prepaid and the specific Borrowing(s) pursuant to which made and (ii) the Revolving Loans to be prepaid, <u>provided</u> that (y) each prepayment of any Loans made pursuant to a Borrowing shall be applied pro rata among such Loans; and (z) notwithstanding the provisions of the preceding <u>clause (y)</u>, no prepayment of Revolving Loans shall be applied to the Revolving Credit Loans of any Defaulting Lender unless otherwise agreed in writing by the Borrower. In the absence of a designation by the Borrower as described in the preceding sentence, the Administrative Agent shall, subject to the above, make such designation in its reasonable discretion with a view, but no obligation, to minimize breakage costs owing under <u>Section 2.11</u>.
- (f) Rejection Right. Holdings or the Borrower shall notify the Administrative Agent in writing of any mandatory prepayment of Term Loans required to be made pursuant to Section 5.2(a) at least three Business Days prior to the date of such prepayment. Each such notice shall specify the date of such prepayment and provide a reasonably detailed calculation of the amount of such prepayment. The Administrative Agent will promptly notify each Lender holding Term Loans of the contents of such prepayment notice and of such Lender's pro rata share of the prepayment. Each Term Loan Lender may reject all (but not less than all) of its pro rata share of any mandatory prepayment other than any such mandatory prepayment with respect to a Debt Incurrence Prepayment Event under Section 5.2(a)(i) or Permitted Other Indebtedness under Section 5.2(a)(iii) (such declined amounts, the "Declined Proceeds") of Term Loans required to be made pursuant to Section 5.2(a) by providing written notice (each, a "Rejection Notice") to the Administrative Agent no later than 5:00 p.m. (New York City time) one Business Day after the date of such Lender's receipt of notice from the Administrative Agent regarding such prepayment. If a Lender fails to deliver a Rejection Notice to the Administrative Agent within the time frame specified above, any such failure will be deemed an acceptance of the total amount of such mandatory prepayment of Term Loans. Any Declined Proceeds remaining after offering such Declined Proceeds are offered to the lenders under the Second Lien Facility in accordance with the terms of the Second Lien Facility, thereafter shall be retained by the Borrower ("Retained Declined Proceeds").

5.3 Method and Place of Payment.

(a) Except as otherwise specifically provided herein, all payments under this Agreement shall be made by the Borrower, without set-off, counterclaim or deduction of any kind, to the Administrative Agent for the ratable account of the Lenders entitled thereto (or, in the case of the Swingline Loans to the Swingline Lender) or the Letter of Credit Issuer entitled thereto, as the case may be, not later than 2:00 p.m. (New York City time), in each case, on the date when due and shall be made in immediately available funds at the Administrative Agent's Office or at such other office as the Administrative Agent shall specify for such purpose by notice to the Borrower (or, in the case of the Swingline Loans, at such office as the Swingline Lender shall specify for such purpose by Notice to the Borrower), it being understood that written or facsimile notice by the Borrower to the Administrative Agent to make a payment from the funds in the Borrower's account at the Administrative Agent's Office shall constitute the making of such payment to the extent of such funds held in such account. All repayments or prepayments of any Loans (whether of principal, interest or otherwise) hereunder shall be made in the currency in which such Loans are denominated and all other payments under each Credit Document shall, unless otherwise specified in such Credit Document, be made in Dollars. The Administrative Agent will thereafter cause to be distributed on the same day (if payment was actually received by the Administrative Agent prior to 2:00 p.m. (New York City time) or, otherwise, on the next Business Day in the Administrative Agent's sole discretion) like funds relating to the payment of principal or interest or Fees ratably to the Lenders entitled thereto.

(b) Any payments under this	Agreement that are made later than 2:00 p.m. (New York City time) may be deemed to have been made on the nex
succeeding Business Day in the Administrative	ve Agent's sole discretion for purposes of calculating interest thereon (or, in the case of the Swingline Loans, at th
Swingline Lender's sole discretion). Except a	as otherwise provided herein, whenever any payment to be made hereunder shall be stated to be due on a day that i
not a Business Day, the due date thereof shall	be extended to the next succeeding Business Day and, with respect to payments of principal, interest shall be payabl
during such extension at the applicable rate in	effect immediately prior to such extension.

5.4 <u>Net Payments</u>.

- (a) Payments Free of Taxes; Obligation to Withhold; Payments on Account of Taxes.
- (i) Any and all payments by or on account of any obligation of any Credit Party hereunder or under any other Credit Document shall to the extent permitted by applicable laws be made free and clear of and without reduction or withholding for any Taxes.
- (ii) If any Credit Party, the Administrative Agent or any other applicable Withholding Agent shall be required by applicable law to withhold or deduct any Taxes from any payment, then (A) such Withholding Agent shall withhold or make such deductions as are reasonably determined by such Withholding Agent to be required by applicable law, (B) such Withholding Agent shall timely pay the full amount withheld or deducted to the relevant Governmental Authority, and (C) to the extent that the withholding or deduction is made on account of Indemnified Taxes or Other Taxes, the sum payable by the applicable Credit Party shall be increased as necessary so that after any required withholding or deductions have been made (including withholding or deductions applicable to additional sums payable under this Section 5.4) each Lender (or, in the case of a payment to the Administrative Agent for its own account, the Administrative Agent) receives an amount equal to the sum it would have received had no such withholding or deductions been made.
- (b) <u>Payment of Other Taxes by the Borrower</u>. Without limiting the provisions of subsection (a) above, the Borrower shall timely pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law or timely reimburse the Administrative Agent or any Lender for the payment of any Other Taxes.
- (c) Tax Indemnifications. Without limiting the provisions of subsection (a) or (b) above, the Borrower shall indemnify the Administrative Agent and each Lender, and shall make payment in respect thereof within 15 days after demand therefor, for the full amount of Indemnified Taxes or Other Taxes (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section 5.4) payable by the Administrative Agent or such Lender, as the case may be, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of any such payment or liability (along with a written statement setting forth in reasonable detail the basis and calculation of such amounts) delivered to the Borrower by a Lender, or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error. If the Borrower reasonably believes that any such Indemnified Taxes or Other Taxes were not correctly or legally asserted, the Administrative Agent and/or each affected Lender will use reasonable efforts to cooperate with the Borrower in pursuing a refund of such Indemnified Taxes or Other Taxes so long as such efforts would not, in the sole determination of the Administrative Agent or affected Lender, result in any additional costs, expenses or risks or be otherwise disadvantageous to it.

(d) <u>Evidence of Payments</u>. After any payment of Taxes by any Credit Party or the Administrative Agent to a Governmental Authority as provided in this <u>Section 5.4</u>, the Borrower shall deliver to the Administrative Agent or the Administrative Agent shall deliver to the Borrower, as the case may be, the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of any return required by laws to report such payment or other evidence of such payment reasonably satisfactory to the Borrower or the Administrative Agent, as the case may be.

(e) <u>Status of Lenders and Tax Documentation</u>.

- (i) Each Lender shall deliver to the Borrower and to the Administrative Agent, at such time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation prescribed by applicable laws or by the taxing authorities of any jurisdiction and such other reasonably requested information as will permit the Borrower or the Administrative Agent, as the case may be, to determine (A) whether or not any payments made hereunder or under any other Credit Document are subject to Taxes, (B) if applicable, the required rate of withholding or deduction, and (C) such Lender's entitlement to any available exemption from, or reduction of, applicable Taxes in respect of any payments to be made to such Lender by any Credit Party pursuant to any Credit Document or otherwise to establish such Lender's status for withholding tax purposes in the applicable jurisdiction. Any documentation and information required to be delivered by a Lender pursuant to this Section 5.4(e) (including any specific documentation set forth in subsection (ii) below) shall be delivered by such Lender (i) on or prior to the Closing Date (or on or prior to the date it becomes a party to this Agreement), (ii) on or before any date on which such documentation expires or becomes obsolete or invalid, (iii) after the occurrence of any change in the Lender's circumstances requiring a change in the most recent documentation previously delivered by it to the Borrower and the Administrative Agent, and (iv) from time to time thereafter if reasonably requested by the Borrower or the Administrative Agent, and each such Lender shall promptly notify in writing the Borrower and the Administrative Agent if such Lender is no longer legally eligible to provide any documentation previously provided.
 - (ii) Without limiting the generality of the foregoing:
 - (A) any Lender that is a "United States person" within the meaning of Section 7701(a)(30) of the Code (a "U.S. Lender") shall deliver to the Borrower and the Administrative Agent executed originals of Internal Revenue Service Form W-9 or such other documentation or information prescribed by applicable laws or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent, as the case may be, to determine whether or not such Lender is subject to backup withholding or information reporting requirements;
 - (B) each Non-U.S. Lender that is entitled under the Code or any applicable treaty to an exemption from or reduction of U.S. federal withholding tax with respect to any payments hereunder or under any other Credit Document shall deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) whichever of the following is applicable:

- (1) executed originals of Internal Revenue Service Form W-8BEN (or any successor form thereto) claiming eligibility for benefits of an income tax treaty to which the United States is a party;
 - (2) executed originals of Internal Revenue Service Form W-8ECI (or any successor form thereto);
- in the case of a Non-U.S. Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate, substantially in the form of Exhibit J-1, J-2, J-3 or J-4, as applicable, (a "Non-Bank Tax Certificate"), to the effect that such Non-U.S. Lender is not (A) a "bank" within the meaning of Section 881(c)(3)(A) of the Code, (B) a "10 percent shareholder" of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or (C) a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code and that no payments under any Credit Document are effectively connected with such Non-U.S. Lender's conduct of a United States trade or business and (y) executed originals of Internal Revenue Service Form W-8BEN (or any successor thereto);
- where such Lender is a partnership (for U.S. federal income tax purposes) or otherwise not a beneficial owner (e.g., where such Lender has sold a participation), IRS Form W-8IMY (or any successor thereto) and all required supporting documentation (including, where one or more of the underlying beneficial owner(s) is claiming the benefits of the portfolio interest exemption, a Non-Bank Tax Certificate of such beneficial owner(s)) (<u>provided</u> that, if the Non-U.S. Lender is a partnership and not a participating Lender, the Non-Bank Tax Certificate(s) may be provided by the Non-U.S. Lender on behalf of the direct or indirect partner(s)); or
- (5) executed originals of any other form prescribed by applicable laws as a basis for claiming exemption from or a reduction in United States federal withholding tax together with such supplementary documentation as may be prescribed by applicable laws to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made;
 - (C) if a payment made to a Lender under any Credit Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA, to determine whether such Lender has complied with such Lender's obligations under FATCA or to determine the amount, if any, to deduct and withhold from such payment. Solely for purposes of this clause (C), "FATCA" shall include any amendments made to FATCA after the date of this Agreement; and

- (D) If the Administrative Agent is a "United States person" (as defined in Section 7701(a)(30) of the Code), it shall provide the Borrower with two duly completed original copies of Internal Revenue Service Form W-9. If the Administrative Agent is not a "United States person" (as defined in Section 7701(a)(3) of the Code), it shall provide applicable Form W-8 (together with required accompanying documentation) with respect to payments to be received by it on behalf of the Lenders.
- (iii) Notwithstanding anything to the contrary in this <u>Section 5.4</u>, no Lender or the Administrative Agent shall be required to deliver any documentation that it is not legally eligible to deliver.
- Treatment of Certain Refunds. If the Administrative Agent or any Lender determines, in its sole discretion exercised in good faith, that it has received a refund of any Indemnified Taxes or Other Taxes as to which it has been indemnified by any Credit Party or with respect to which any Credit Party has paid additional amounts pursuant to this Section 5.4, the Administrative Agent or such Lender (as applicable) shall promptly pay to the Borrower an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid, by the Credit Parties under this Section 5.4 with respect to the Indemnified Taxes or Other Taxes giving rise to such refund), net of all out-of-pocket expenses (including any Taxes) incurred by the Administrative Agent or such Lender, as the case may be, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); provided that the Borrower, upon the request of the Administrative Agent or such Lender, agrees to repay the amount paid over to the Borrower (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent or such Lender in the event the Administrative Agent or such Lender is required to repay such refund to such Governmental Authority. In such event, the Administrative Agent or such Lender, as the case may be, shall, at the Borrower's request, provide the Borrower with a copy of any notice of assessment or other evidence of the requirement to repay such refund received from the relevant taxing authority (provided that the Administrative Agent or such Lender may delete any information therein that it deems confidential). Notwithstanding anything to the contrary in this paragraph (f), in no event will the Administrative Agent or any Lender be required to pay any amount to an indemnifying party pursuant to this paragraph (f) the payment of which would place the Administrative Agent or any Lender in a less favorable net after-Tax position than the Administrative Agent or any Lender would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This subsection shall not be construed to require the Administrative Agent or any Lender to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to any Credit Party or any other Person.
- (g) For the avoidance of doubt, for purposes of this <u>Section 5.4</u>, the term "Lender" includes any Letter of Credit Issuer and any Swingline Lender and the term "applicable law" includes FATCA.
- (h) Each party's obligations under this <u>Section 5.4</u> shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under the Credit Documents.

- 5.5 <u>Computations of Interest and Fees</u>.
- (a) Except as provided in the next succeeding sentence, interest on LIBOR Loans shall be calculated on the basis of a 360-day year for the actual days elapsed. Interest on ABR Loans shall be calculated on the basis of a 365- (or 366-, as the case may be) day year for the actual days elapsed.
 - (b) Fees and the average daily Stated Amount of Letters of Credit shall be calculated on the basis of a 360-day year for the actual days elapsed.
 - 5.6 <u>Limit on Rate of Interest.</u>
- (a) <u>No Payment Shall Exceed Lawful Rate</u>. Notwithstanding any other term of this Agreement, the Borrower shall not be obliged to pay any interest or other amounts under or in connection with this Agreement or otherwise in respect of the Obligations in excess of the amount or rate permitted under or consistent with any applicable law, rule or regulation.
- (b) <u>Payment at Highest Lawful Rate</u>. If the Borrower is not obliged to make a payment that it would otherwise be required to make, as a result of <u>Section 5.6(a)</u>, the Borrower shall make such payment to the maximum extent permitted by or consistent with applicable laws, rules, and regulations.
- (c) Adjustment if Any Payment Exceeds Lawful Rate. If any provision of this Agreement or any of the other Credit Documents would obligate the Borrower to make any payment of interest or other amount payable to any Lender in an amount or calculated at a rate that would be prohibited by any applicable law, rule or regulation, then notwithstanding such provision, such amount or rate shall be deemed to have been adjusted with retroactive effect to the maximum amount or rate of interest, as the case may be, as would not be so prohibited by law, such adjustment to be effected, to the extent necessary, by reducing the amount or rate of interest required to be paid by the Borrower to the affected Lender under Section 2.8; provided that to the extent lawful, the interest or other amounts that would have been payable but were not payable as a result of the operation of this Section shall be cumulated and the interest payable to such Lender in respect of other Loans or periods shall be increased (but not above the Maximum Rate therefor) until such cumulated amount, together with interest thereon at the Federal Funds Effective Rate to the date of repayment, shall have been received by such Lender.

Notwithstanding the foregoing, and after giving effect to all adjustments contemplated thereby, if any Lender shall have received from the Borrower an amount in excess of the maximum permitted by any applicable law, rule or regulation, then the Borrower shall be entitled, by notice in writing to the Administrative Agent to obtain reimbursement from that Lender in an amount equal to such excess, and pending such reimbursement, such amount shall be deemed to be an amount payable by that Lender to the Borrower.

The principal amount of any Indebtedness incurred to refinance other Indebtedness, if incurred in a different currency from the Indebtedness being refinanced, shall be calculated based on the currency exchange rate applicable to the currencies in which such respective Indebtedness is denominated that is in effect on the date of such refinancing.

This Agreement will not treat (1) unsecured Indebtedness as subordinated or junior to secured Indebtedness merely because it is unsecured or (2) senior Indebtedness as subordinated or junior to any other senior Indebtedness merely because it has a junior priority with respect to the same collateral.

 - (iii) *third*, any surplus then remaining shall be paid to the applicable Credit Parties or their successors or assigns or to whomsoever may be lawfully entitled to receive the same or as a court of competent jurisdiction may direct;

<u>provided</u> that any amount applied to Cash Collateralize any Letters of Credit Outstanding that has not been applied to reimburse the Borrower for Unpaid Drawings under the applicable Letters of Credit at the time of expiration of all such Letters of Credit shall be applied by the Administrative Agent in the order specified in <u>clauses (i)</u> through (<u>iii)</u> above. - 11.14 Equity Cure. Notwithstanding anything to the contrary contained in this Section 11, in the event that Holdings fails to comply with the requirement of the financial covenant set forth in Section 10.7, from the end of any fiscal period until the expiration of the 10th Business Day following the date financial statements referred to in Sections 9.1(a) or (b) are required to be delivered in respect of such fiscal period for which such financial covenant is being measured, any holder of Capital Stock or Stock Equivalents of Holdings or any direct or indirect parent of Holdings shall have the right to cure such failure (the "Cure Right") by causing cash net equity proceeds derived from an issuance of Capital Stock or Stock Equivalents (other than Disqualified Stock, unless reasonably satisfactory to the Administrative Agent) by Holdings (or from a contribution to the common equity capital of Holdings) to be contributed, directly or indirectly, as cash common equity to the Company, and upon receipt by the Company of such cash contribution (such cash amount being referred to as the "Cure Amount") pursuant to the exercise of such Cure Right, such financial covenant shall be recalculated giving effect to the following pro forma adjustments:
 - (a) Consolidated EBITDA shall be increased, solely for the purpose of determining the existence of an Event of Default resulting from a breach of the financial covenant set forth in Section 10.7 with respect to any period of four consecutive fiscal quarters that includes the fiscal quarter for which the Cure Right was exercised and not for any other purpose under this Agreement, by an amount equal to the Cure Amount;
 - (b) Consolidated First Lien Secured Debt shall be decreased solely to the extent proceeds of the Cure Amount are actually applied to prepay any of the Credit Facilities; and
 - (c) if, after giving effect to the foregoing recalculations, Holdings shall then be in compliance with the requirements of the financial covenant set forth in Section 10.7, Holdings shall be deemed to have satisfied the requirements of the financial covenant set forth in Section 10.7 as of the relevant date of determination with the same effect as though there had been no failure to comply therewith at such date, and the applicable breach or default of such financial covenants that had occurred shall be deemed cured for the purposes of this Agreement; provided that (i) in each period of four consecutive fiscal quarters there shall be at least two fiscal quarters in which no Cure Right is made, (ii) there shall be a maximum of five Cure Rights made during the term of this Agreement, (iii) each Cure Amount shall be no greater than the amount required to cause the Company to be in compliance with the financial covenant set forth in Section 10.7; and (iv) all Cure Amounts shall be disregarded for the purposes of any financial ratio determination under the Credit Documents other than for determining compliance with Section 10.7.

Section 12. <u>The Agents</u>

12.1 Appointment.

Each Lender hereby irrevocably designates and appoints the Administrative Agent as the agent of such Lender under this Agreement and the other Credit Documents and irrevocably authorizes the Administrative Agent, in such capacity, to take such action on its behalf under the provisions of this Agreement and the other Credit Documents and to exercise such powers and perform such duties as are expressly delegated to the Administrative Agent by the terms of this Agreement and the other Credit Documents, together with such other powers as are reasonably incidental thereto. The provisions of this Section 12 (other than Section 12.1(c) with respect to the Joint Lead Arrangers and Bookrunners and Sections 12.1, 12.9, 12.11 and 12.12 with respect to Holdings) are solely for the benefit of the Agents and the Lenders, none of Holdings, the Borrower or any other Credit Party shall have rights as third party beneficiary of any such provision. Notwithstanding any provision to the contrary elsewhere in this Agreement, the Administrative Agent shall not have any duties or responsibilities, except those expressly set forth herein, or any fiduciary relationship with any Lender, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Credit Document or otherwise exist against the Administrative Agent. In performing its functions and duties hereunder, each Agent shall act solely as an agent of Lenders and does not assume and shall not be deemed to have assumed any obligation towards or relationship of agency or trust with or for Holdings, the Borrower or any of their respective Subsidiaries.

- (b) The Administrative Agent, each Lender, the Swingline Lender and the Letter of Credit Issuer hereby irrevocably designate and appoint the Collateral Agent as the agent with respect to the Collateral, and each of the Administrative Agent, each Lender, the Swingline Lender and the Letter of Credit Issuer irrevocably authorizes the Collateral Agent, in such capacity, to take such action on its behalf under the provisions of this Agreement and the other Credit Documents and to exercise such powers and perform such duties as are expressly delegated to the Collateral Agent by the terms of this Agreement and the other Credit Documents, together with such other powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary elsewhere in this Agreement, the Collateral Agent shall not have any duties or responsibilities except those expressly set forth herein, or any fiduciary relationship with any of the Administrative Agent, the Lenders, the Swingline Lender or the Letter of Credit Issuers, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Credit Document or otherwise exist against the Collateral Agent.
- (c) Each of the Joint Lead Arrangers and Bookrunners each in its capacity as such, shall not have any obligations, duties or responsibilities under this Agreement but shall be entitled to all benefits of this Section 12.
- 12.2 <u>Delegation of Duties</u>. The Administrative Agent and the Collateral Agent may each execute any of its duties under this Agreement and the other Credit Documents by or through agents, sub-agents, employees or attorneys-in-fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. Neither the Administrative Agent nor the Collateral Agent shall be responsible for the negligence or misconduct of any agents, subagents or attorneys-in-fact selected by it in the absence of its gross negligence or willful misconduct (as determined in the final non-appealable judgment of a court of competent jurisdiction).
- Exculpatory Provisions. No Agent nor any of its officers, directors, employees, agents, attorneys-in-fact or Affiliates shall be (a) liable for any action lawfully taken or omitted to be taken by any of them under or in connection with this Agreement or any other Credit Document (except for its or such Person's own gross negligence or willful misconduct, as determined in the final non-appealable judgment of a court of competent jurisdiction, in connection with its duties expressly set forth herein) or (b) responsible in any manner to any of the Lenders or any participant for any recitals, statements, representations or warranties made by any Credit Party or any officer thereof contained in this Agreement or any other Credit Document or in any certificate, report, statement or other document referred to or provided for in, or received by such Agent under or in connection with, this Agreement or any other Credit Document or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Credit Document, or the creation, perfection or priority of any Lien or security interest created or purported to be created under the Security Documents, or for any failure of any Credit Party to perform its obligations hereunder or thereunder. No Agent shall be under any obligation to any Lender to ascertain or to inquire as to the observance or performance of any Credit Party or any Affiliate thereof. The Collateral Agent shall not be under any obligation to the Administrative Agent or any Lender to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Credit Document, or to inspect the properties, books or records of any Credit Party.

- Reliance by Agents. The Administrative Agent and the Collateral Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, resolution, notice, consent, certificate, affidavit, letter, telecopy, telex or teletype message, statement, order or other document or instruction believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons and upon advice and statements of legal counsel (including counsel to Holdings and the Borrower), independent accountants and other experts selected by the Administrative Agent or the Collateral Agent. The Administrative Agent may deem and treat the Lender specified in the Register with respect to any amount owing hereunder as the owner thereof for all purposes unless a written notice of assignment, negotiation or transfer thereof shall have been filed with the Administrative Agent. The Administrative Agent and the Collateral Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Credit Document unless it shall first receive such advice or concurrence of the Required Lenders as it deems appropriate or it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such action. The Administrative Agent and the Collateral Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement and the other Credit Documents in accordance with a request of the Required Lenders, and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders and all future holders of the Loans; provided that the Administrative Agent and the Collateral Agent shall not be required to take any action that, in its opinion or in the opinion of its counsel, may expose it to liability or that is contrary to any Credit Document or applicable law.
- 12.5 Notice of Default. Neither the Administrative Agent nor the Collateral Agent shall be deemed to have knowledge or notice of the occurrence of any Default or Event of Default hereunder unless the Administrative Agent or the Collateral Agent has received written notice from a Lender or Holdings or the Borrower referring to this Agreement, describing such Default or Event of Default and stating that such notice is a "notice of default." In the event that the Administrative Agent receives such a notice, it shall give notice thereof to the Lenders and the Collateral Agent. The Administrative Agent shall take such action with respect to such Default or Event of Default as shall be reasonably directed by the Required Lenders; provided that unless and until the Administrative Agent shall have received such directions, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable in the best interests of the Lenders except to the extent that this Agreement requires that such action be taken only with the approval of the Required Lenders or each of the Lenders, as applicable.
- Non-Reliance on Administrative Agent, Collateral Agent, and Other Lenders. Each Lender expressly acknowledges that neither the Administrative Agent nor the Collateral Agent nor any of their respective officers, directors, employees, agents, attorneys-in-fact or Affiliates has made any representations or warranties to it and that no act by the Administrative Agent or the Collateral Agent hereinafter taken, including any review of the affairs of any Credit Party, shall be deemed to constitute any representation or warranty by the Administrative Agent or the Collateral Agent to any Lender, the Swingline Lender or any Letter of Credit Issuer. Each Lender, the Swingline Lender and the Letter of Credit Issuer represents to the Administrative Agent and the Collateral Agent that it has, independently and without reliance upon the Administrative Agent, the Collateral Agent or any other Lender, and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, operations, property, financial and other condition and creditworthiness of the Borrower and each other Credit Party and made its own decision to make its Loans hereunder and enter into this Agreement. Each Lender also represents that it will, independently and without reliance upon the Administrative Agent, the Collateral Agent or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Credit Documents, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of any of the Credit Parties. Except for notices, reports, and other documents expressly required to be furnished to the Lenders by the Administrative Agent hereunder, neither the Administrative Agent nor the Collateral Agent shall have any duty or responsibility to provide any Lender with any credit or other information concerning the business, assets, operations, properties, financial condition, prospects or creditworthiness of any Credit Party that may come into the possession of the Administrative Agent or the Collateral Agent any of their respective officers, directors, employees, agents, attorneys-in-fact or Affiliates.

Indemnification. The Lenders agree to severally indemnify each Agent in its capacity as such (to the extent not reimbursed by the Credit Parties and without limiting the obligation of the Credit Parties to do so), ratably according to their respective portions of the Total Credit Exposure in effect on the date on which indemnification is sought (or, if indemnification is sought after the date upon which the Commitments shall have terminated and the Loans shall have been paid in full, ratably in accordance with their respective portions of the Total Credit Exposure in effect immediately prior to such date), from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses, or disbursements of any kind whatsoever that may at any time (including at any time following the payment of the Loans) be imposed on, incurred by or asserted against an Agent in any way relating to or arising out of the Commitments, this Agreement, any of the other Credit Documents or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by the Administrative Agent or the Collateral Agent under or in connection with any of the foregoing; provided that no Lender shall be liable to an Agent for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from such Agent's gross negligence or willful misconduct as determined by a final non-appealable judgment of a court of competent jurisdiction; provided, further, that no action taken by the Administrative Agent in accordance with the directions of the Required Lenders (or such other number or percentage of the Lenders as shall be required by the Credit Documents) shall be deemed to constitute gross negligence or willful misconduct for purposes of this Section 12.7. In the case of any investigation, litigation or proceeding giving rise to any liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever that may at any time occur (including at any time following the payment of the Loans), this Section 12.7 applies whether any such investigation, litigation or proceeding is brought by any Lender or any other Person. Without limitation of the foregoing, each Lender shall reimburse each Agent upon demand for its ratable share of any costs or out-of-pocket expenses (including attorneys' fees) incurred by such Agent in connection with the preparation, execution, delivery, administration, modification, amendment or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice rendered in respect of rights or responsibilities under, this Agreement, any other Credit Document, or any document contemplated by or referred to herein, to the extent that such Agent is not reimbursed for such expenses by or on behalf of Holdings or the Borrower; provided that such reimbursement by the Lenders shall not affect Holdings' or the Borrower's continuing reimbursement obligations with respect thereto. If any indemnity furnished to any Agent for any purpose shall, in the opinion of such Agent, be insufficient or become impaired, such Agent may call for additional indemnity and cease, or not commence, to do the acts indemnified against until such additional indemnity is furnished; provided, in no event shall this sentence require any Lender to indemnify any Agent against any liability, obligation, loss, damage, penalty, action, judgment, suit, cost, expense or disbursement in excess of such Lender's pro rata portion thereof; and provided, further, this sentence shall not be deemed to require any Lender to indemnify any Agent against any liability, obligation, loss, damage, penalty, action, judgment, suit, cost, expense or disbursement resulting from such Agent's gross negligence or willful misconduct as determined by a final non-appealable judgment of a court of competent jurisdiction. The agreements in this Section 12.7 shall survive the payment of the Loans and all other amounts payable hereunder. The indemnity provided to each Agent under this Section 12.7 shall also apply to such Agent's respective Affiliates, directors, officers, members, controlling persons, employees, trustees, investment advisors and agents and successors.

- 12.8 Agents in Their Individual Capacities. The agency hereby created shall in no way impair or affect any of the rights and powers of, or impose any duties or obligations upon, any Agent in its individual capacity as a Lender hereunder. Each Agent and its Affiliates may make loans to, accept deposits from and generally engage in any kind of business with any Credit Party as though such Agent were not an Agent hereunder and under the other Credit Documents. With respect to the Loans made by it, each Agent shall have the same rights and powers under this Agreement and the other Credit Documents as any Lender and may exercise the same as though it were not an Agent, and the terms Lender and Lenders shall include each Agent in its individual capacity.
- Successor Agents. (a) Each of the Administrative Agent and the Collateral Agent may at any time give notice of its resignation to the Lenders, the Letter of Credit Issuer and Holdings. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, subject to the consent of the Borrower (not to be unreasonably withheld or delayed) so long as no Event of Default under Sections 11.1 or 11.5 is continuing, to appoint a successor, which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Agent gives notice of its resignation (the "Resignation Effective Date"), then the retiring Agent may on behalf of the Lenders, appoint a successor Agent meeting the qualifications set forth above (including receipt of the Borrower's consent); provided that if the Administrative Agent or the Collateral Agent shall notify the Borrower and the Lenders that no qualifying Person has accepted such appointment, then such resignation shall nonetheless become effective in accordance with such notice.
- (b) If the Person serving as the Administrative Agent is a Defaulting Lender pursuant to <u>clause (v)</u> of the definition of Lender Default, the Required Lenders may to the extent permitted by applicable law, subject to the consent of the Borrower (not to be unreasonably withheld or delayed), by notice in writing to the Borrower and such Person remove such Person as the Administrative Agent and, in consultation with the Borrower, appoint a successor. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days (or such earlier day as shall be agreed by the Required Lenders) (the "Removal Effective Date"), then such removal shall nonetheless become effective in accordance with such notice on the Removal Effective Date.

- With effect from the Resignation Effective Date or the Removal Effective Date (as applicable), (1) the retiring or removed agent shall be discharged from its duties and obligations hereunder and under the other Credit Documents (except that in the case of any collateral security held by the Collateral Agent on behalf of the Lenders or the Letter of Credit Issuer under any of the Credit Documents, the retiring or removed Collateral Agent shall continue to hold such collateral security as nominee until such time as a successor Collateral Agent is appointed) and (2) all payments, communications and determinations provided to be made by, to or through the retiring or removed Administrative Agent shall instead be made by or to each Lender and the Letter of Credit Issuer directly, until such time as the Required Lenders appoint a successor Agent as provided for above in this paragraph. Upon the acceptance of a successor's appointment as the Administrative Agent or the Collateral Agent, as the case may be, hereunder, and upon the execution and filing or recording of such financing statements, or amendments thereto, and such amendments or supplements to the Mortgages, and such other instruments or notices, as may be necessary or desirable, or as the Required Lenders may request, in order to continue the perfection of the Liens granted or purported to be granted by the Security Documents, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) or removed Agent, and the retiring or removed Agent shall be discharged from all of its duties and obligations hereunder or under the other Credit Documents (if not already discharged therefrom as provided above in this Section 12.9). Except as provided above, any resignation or removal of Goldman Sachs Bank USA as the Administrative Agent pursuant to this Section 12.9 shall also constitute the resignation or removal of Goldman Sachs Bank USA as the Collateral Agent. The fees payable by Holdings or the Borrower (following the effectiveness of such appointment) to such Agent shall be the same as those payable to its predecessor unless otherwise agreed between Holdings or Borrower and such successor. After the retiring or removed Agent's resignation or removal hereunder and under the other Credit Documents, the provisions of this Section 12 (including Section 12.7) and Section 13.5 shall continue in effect for the benefit of such retiring or removed Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring or removed Agent was acting as an Agent.
- Any resignation by or removal of Goldman Sachs Bank USA as the Administrative Agent pursuant to this Section 12.9 shall also constitute its resignation or removal as Swingline Lender and its Affiliate's or its resignation or removal, as applicable, as a Letter of Credit Issuer (if such Affiliate or Goldman Sachs Bank USA is a Letter of Credit Issuer). Upon the acceptance of a successor's appointment as the Administrative Agent hereunder, (a) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring Letter of Credit Issuer and Swingline Lender, (b) the retiring Letter of Credit Issuer (if an Affiliate of Goldman Sachs Bank USA is a Letter of Credit Issuer) and Swingline Lender shall be discharged from all of their respective duties and obligations hereunder or under the other Credit Documents, and (c) the successor Letter of Credit Issuer shall issue letters of credit in substitution for the Letters of Credit issued by such Affiliate of the Administrative Agent or the Administrative Agent, if any, outstanding at the time of such succession or make other arrangements satisfactory to the retiring Letter of Credit Issuer (if an Affiliate of Goldman Sachs Bank USA is a Letter of Credit Issuer) to effectively assume the obligations of the retiring Letter of Credit Issuer (if an Affiliate or Goldman Sachs Bank USA or Goldman Sachs Bank USA is a Letter of Credit Issuer) with respect to such Letters of Credit.
- 12.10 <u>Withholding Tax</u>. To the extent required by any applicable law, the Administrative Agent may withhold from any payment to any Lender under any Credit Document an amount equivalent to any applicable withholding Tax. If the Internal Revenue Service or any authority of the United States or other jurisdiction asserts a claim that the Administrative Agent did not properly withhold Tax from amounts paid to or for the account of any Lender for any reason (including because the appropriate form was not delivered, was not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstances that rendered the exemption from, or reduction of, withholding Tax ineffective) or if the Administrative Agent reasonably determines that a payment was made to a Lender pursuant to this Agreement without deduction of applicable withholding Tax from such payment, such Lender shall indemnify the Administrative Agent (to the extent that the Administrative Agent has not already been reimbursed by any applicable Credit Party and without limiting the obligation of any applicable Credit Party to do so) fully for all amounts paid, directly or indirectly, by the Administrative Agent as Tax or otherwise, including penalties, additions to Tax and interest, together with all expenses incurred, including legal expenses, allocated staff costs and any out of pocket expenses. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Credit Document against any amount due to the Administrative Agent under this Section 12.10. The agreements in Section 12.10 shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment,

Agents Under Security Documents and Guarantee. Each Secured Party hereby further authorizes the Administrative Agent or the Collateral Agent, as applicable, on behalf of and for the benefit of the Secured Parties, to be the agent for and representative of the Secured Parties with respect to the Collateral and the Security Documents. Subject to Section 13.1, without further written consent or authorization from any Secured Party, the Administrative Agent or the Collateral Agent, as applicable, may execute any documents or instruments necessary to (a) release any Lien on any property granted to or held by the Administrative Agent or the Collateral Agent (or any sub-agent thereof) under any Credit Document (i) upon the Final Maturity Date and the payment in full (or Cash Collateralization) of all Obligations (except for contingent indemnification obligations in respect of which a claim has not yet been made and Secured Hedge Obligations and Secured Cash Management Obligations), (ii) that is sold or to be sold or transferred as part of or in connection with any sale or other transfer permitted hereunder or under any other Credit Document to a Person that is not a Credit Party or in connection with the designation of any Restricted Subsidiary as an Unrestricted Subsidiary, (iii) if the property subject to such Lien is owned by a Credit Party, upon the release of such Credit Party from its Guarantee otherwise in accordance with the Credit Documents, (iv) as to the extent provided in the Security Documents, (v) that constitutes Excluded Property or Excluded Stock and Stock Equivalents or (vi) if approved, authorized or ratified in writing in accordance with Section 13.1; (b) release any Guarantor from its obligations under the Guarantee if such Person ceases to be a Restricted Subsidiary (or becomes an Excluded Subsidiary) as a result of a transaction or designation permitted hereunder; (c) subordinate any Lien on any property granted to or held by the Administrative Agent or the Collateral Agent under any Credit Document to the holder of any Lien permitted under <u>clause (vi)</u> (solely with respect to <u>Section 10.1(d)</u>), and <u>(ix)</u> of the definition of Permitted Lien; or (d) enter into subordination or intercreditor agreements with respect to Indebtedness to the extent the Administrative Agent or the Collateral Agent is otherwise contemplated herein as being a party to such intercreditor or subordination agreement, including the First Lien Intercreditor Agreement and the Second Lien Intercreditor Agreement.

The Collateral Agent shall have its own independent right to demand payment of the amounts payable by the Borrower under this <u>Section 12.11</u>, irrespective of any discharge of the Borrower's obligations to pay those amounts to the other Lenders resulting from failure by them to take appropriate steps in insolvency proceedings affecting the Borrower to preserve their entitlement to be paid those amounts.

Any amount due and payable by the Borrower to the Collateral Agent under this <u>Section 12.11</u> shall be decreased to the extent that the other Lenders have received (and are able to retain) payment in full of the corresponding amount under the other provisions of the Credit Documents and any amount due and payable by the Borrower to the Collateral Agent under those provisions shall be decreased to the extent that the Collateral Agent has received (and is able to retain) payment in full of the corresponding amount under this <u>Section 12.11</u>.

- Right to Realize on Collateral and Enforce Guarantee. Anything contained in any of the Credit Documents to the contrary notwithstanding, Holdings, the Agents, and each Secured Party hereby agree that (i) no Secured Party shall have any right individually to realize upon any of the Collateral or to enforce the Guarantee, it being understood and agreed that all powers, rights, and remedies hereunder may be exercised solely by the Administrative Agent, on behalf of the Secured Parties in accordance with the terms hereof and all powers, rights, and remedies under the Security Documents may be exercised solely by the Collateral Agent, and (ii) in the event of a foreclosure by the Collateral Agent on any of the Collateral pursuant to a public or private sale or other disposition, the Collateral Agent or any Lender may be the purchaser or licensor of any or all of such Collateral at any such sale or other disposition and the Collateral Agent, as agent for and representative of the Secured Parties (but not any Lender or Lenders in its or their respective individual capacities unless Required Lenders shall otherwise agree in writing) shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such public sale, to use and apply any of the Obligations as a credit on account of the purchase price for any collateral payable by the Collateral Agent at such sale or other disposition. No holder of Secured Hedge Obligations or Secured Cash Management Obligations shall have any rights in connection with the management or release of any Collateral or of the obligations of any Credit Party under this Agreement. No holder of Secured Hedge Obligations or Secured Cash Management Obligations that obtains the benefits of any Guarantee or any Collateral by virtue of the provisions hereof or of any other Credit Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Credit Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) other than in its capacity as a Lender or Agent and, in such case, only to the extent expressly provided in the Credit Documents. Notwithstanding any other provision of this Agreement to the contrary, the Administrative Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Obligations arising under Secured Hedge Agreements and Secured Cash Management Agreements, unless the Administrative Agent has received written notice of such Obligations, together with such supporting documentation as the Administrative Agent may request, from the applicable Cash Management Bank or Hedge Bank, as the case may be.
- 12.13 <u>Intercreditor Agreement Governs.</u> The Administrative Agent, the Collateral Agent, and each Lender (a) hereby agrees that it will be bound by and will take no actions contrary to the provisions of any intercreditor agreement entered into pursuant to the terms hereof, (b) hereby authorizes and instructs the Administrative Agent and the Collateral Agent to enter into each intercreditor agreement entered into pursuant to the terms hereof and to subject the Liens securing the Secured Obligations to the provisions thereof, and (c) hereby authorizes and instructs the Administrative Agent and the Collateral Agent to enter into any intercreditor agreement that includes, or to amend any then existing intercreditor agreement to provide for, the terms described in the definition of Permitted Other Indebtedness.

Section 13. <u>Miscellaneous</u>

Amendments, Waivers, and Releases. Neither this Agreement nor any other Credit Document, nor any terms hereof or thereof, may be amended, supplemented or modified except in accordance with the provisions of this <u>Section 13.1</u>. Except as provided to the contrary under <u>Section 2.14</u> or <u>2.15</u> or the fifth and sixth paragraphs hereof in respect of Replacement Term Loans, and other than with respect to any amendment, modification or waiver contemplated in the proviso to clause (i) below, which shall only require the consent of the Lenders expressly set forth therein and not the Required Lenders, the Required Lenders may, or, with the written consent of the Required Lenders, the Administrative Agent and/or the Collateral Agent may, from time to time, (a) enter into with the relevant Credit Party or Credit Parties written amendments, supplements or modifications hereto and to the other Credit Documents for the purpose of adding any provisions to this Agreement or the other Credit Documents or changing in any manner the rights of the Lenders or of the Credit Parties hereunder or thereunder or (b) waive in writing, on such terms and conditions as the Required Lenders or the Administrative Agent and/or the Collateral Agent, as the case may be, may specify in such instrument, any of the requirements of this Agreement or the other Credit Documents or any Default or Event of Default and its consequences; provided, however, that each such waiver and each such amendment, supplement or modification shall be effective only in the specific instance and for the specific purpose for which given; and provided, further, that no such waiver and no such amendment, supplement or modification shall (x) (i) forgive or reduce any portion of any Loan or extend the final scheduled maturity date of any Loan or reduce the stated rate (it being understood that only the consent of the Required Lenders shall be necessary to waive any obligation of the Borrower to pay interest at the "default rate" or amend Section 2.8(c)), or forgive any portion thereof, or extend the date for the payment, of any interest or fee payable hereunder (other than as a result of waiving the applicability of any post-default increase in interest rates), or extend the final expiration date of any Letter of Credit beyond the L/C Facility Maturity Date, or amend or modify any provisions of Sections 5.3(a) (with respect to the ratable allocation of any payments only) 13.8(a) or 13.20, or make any Loan, interest, Fee or other amount payable in any currency other than expressly provided herein, in each case without the written consent of each Lender directly and adversely affected thereby; provided that a waiver of any condition precedent in Section 6 or 7 of this Agreement, the waiver of any Default, Event of Default, default interest, mandatory prepayment or reductions, any modification, waiver or amendment to the financial covenant definitions or financial ratios or any component thereof or the waiver of any other covenant shall not constitute an increase of any Commitment of a Lender, a reduction or forgiveness in the interest rates or the fees or premiums or a postponement of any date scheduled for the payment of principal, premium or interest or an extension of the final maturity of any Loan or the scheduled termination date of any Commitment, in each case for purposes of this clause (i), or (ii) consent to the assignment or transfer by the Borrower of its rights and obligations under any Credit Document to which it is a party (except as permitted pursuant to Section 10.3), in each case without the written consent of each Lender directly and adversely affected thereby, or (iii) amend, modify or waive any provision of Section 12 without the written consent of the then-current Administrative Agent and Collateral Agent in a manner that directly and adversely affects such Person, or (iv) amend, modify or waive any provision of Section 3 with respect to any Letter of Credit without the written consent of the Letter of Credit Issuer to the extent such amendment, modification or waiver directly and adversely affects the Letters of Credit Issuer, or (v) amend, modify or waive any provisions hereof relating to Swingline Loans without the written consent of the Swingline Lender in a manner that directly and adversely affects such Person, or (vi) change any Revolving Credit Commitment to a Term Loan Commitment, or change any Term Loan Commitment to a Revolving Credit Commitment, in each case without the prior written consent of each Lender directly and adversely affected thereby, or (vii) release all or substantially all of the Guarantors under the Guarantees (except as expressly permitted by the Guarantees, the First Lien Intercreditor Agreement or this Agreement) or release all or substantially all of the Collateral under the Security Documents (except as expressly permitted by the Security Documents, the First Lien Intercreditor Agreement or this Agreement) without the prior written consent of each Lender, or (viii) decrease the Initial Term Loan Repayment Amount applicable to Initial Term Loans or extend any scheduled Initial Term Loan Repayment Date applicable to Initial Term Loans, in each case without the written consent of each Lender directly and adversely affected thereby, or (ix) reduce the percentages specified in the definitions of the terms Required Lenders, Required Revolving Credit Lenders or Required Initial Term Loan Lenders or amend, modify or waive any provision of this Section 13.1 that has the effect of decreasing the number of Lenders that must approve any amendment, modification or waiver, without the written consent of each Lender, (y) notwithstanding anything to the contrary in clause (x), (i) extend the final expiration date of any Lender's Commitment or (ii) increase the aggregate amount of the Commitments of any Lender, in each case, without the written consent of such Lender, or (z) in connection with an amendment that addresses solely a repricing transaction in which any Class of Term Loans is refinanced with a replacement Class of Term Loans bearing (or is modified in such a manner such that the resulting Term Loans bear) a lower Effective Yield (a "Permitted Repricing Amendment"), only the consent of the Lenders holding Term Loans subject to such permitted repricing transaction that will continue as a Lender in respect of the repriced tranche of Term Loans or modified Term Loans.

Notwithstanding anything to the contrary herein, no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder, except (x) that the Commitment of such Lender may not be increased or extended without the consent of such Lender and (y) for any such amendment, waiver or consent that treats such Defaulting Lender disproportionately from the other Lender of the same Class (other than because of its status as a Defaulting Lender).

Notwithstanding the foregoing, only the Required Revolving Credit Lenders shall have the ability to waive, amend, supplement or modify the covenant set forth in <u>Section 10.7</u> (or the defined terms to the extent used therein but not as used in any other Section of this Agreement) or <u>Section 11</u> (solely as it relates to <u>Section 10.7</u>).

Any such waiver and any such amendment, supplement or modification shall apply equally to each of the affected Lenders and shall be binding upon Holdings, the Borrower, such Lenders, the Administrative Agent and all future holders of the affected Loans. In the case of any waiver, Holdings, the Borrower, the Lenders and the Administrative Agent shall be restored to their former positions and rights hereunder and under the other Credit Documents, and any Default or Event of Default waived shall be deemed to be cured and not continuing, it being understood that no such waiver shall extend to any subsequent or other Default or Event of Default or impair any right consequent thereon. In connection with the foregoing provisions, the Administrative Agent may, but shall have no obligations to, with the concurrence of any Lender, execute amendments, modifications, waivers or consents on behalf of such Lender.

Notwithstanding the foregoing, in addition to any credit extensions and related Joinder Agreement(s) effectuated without the consent of Lenders in accordance with Section 2.14, this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent, Holdings and the Borrower (a) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Credit Documents with the Term Loans and the Revolving Credit Loans and the accrued interest and fees in respect thereof and (b) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders and other definitions related to such new Term Loans and Revolving Credit Loans.

In addition, notwithstanding the foregoing, this Agreement may be amended with the written consent of the Administrative Agent, Holdings, the Borrower and the Lenders providing the relevant Replacement Term Loans to permit the refinancing of all outstanding Term Loans of any Class ("Refinanced Term Loans") with a replacement term loan tranche ("Replacement Term Loans") hereunder; provided that (a) the aggregate principal amount of such Replacement Term Loans shall not exceed the aggregate principal amount of such Refinanced Term Loans (plus an amount equal to all accrued but unpaid interest, fees, premiums, and expenses incurred in connection therewith), (b) the Applicable Margin for such Replacement Term Loans shall not be higher than the Applicable Margin for such Refinanced Term Loans, unless any such Applicable Margin applies after the Initial Term Loan Maturity Date, (c) the weighted average life to maturity of such Replacement Term Loans shall not be shorter than the weighted average life to maturity of such Refinanced Term Loans at the time of such refinancing (except to the extent of nominal amortization for periods where amortization has been eliminated as a result of prepayment of the applicable Term Loans), and (d) the covenants, events of default and guarantees shall be not materially more restrictive (taken as a whole) (as determined in good faith by the Borrower) to the Lenders providing such Replacement Term Loans than the covenants, events of default and guarantees applicable to such Refinanced Term Loans, except to the extent necessary to provide for covenants, events of default and guarantees applicable to any period after the maturity date in respect of the Refinanced Term Loans in effect immediately prior to such refinancing.

The Lenders hereby irrevocably agree that the Liens granted to the Collateral Agent by the Credit Parties on any Collateral shall be automatically released (i) in full, upon the termination of this Agreement and the payment of all Obligations hereunder (except for (w) contingent indemnification obligations in respect of which a claim has not yet been made, (x) Secured Hedge Obligations, (y) cash collateralized Letters of Credit pursuant to arrangements reasonably acceptable to the applicable Letter of Credit Issuer, and (z) Secured Cash Management Obligations), (ii) upon the sale or other disposition of such Collateral (including as part of or in connection with any other sale or other disposition permitted hereunder) to any Person other than another Credit Party, to the extent such sale or other disposition is made in compliance with the terms of this Agreement (and the Collateral Agent may rely conclusively on a certificate to that effect provided to it by any Credit Party upon its reasonable request without further inquiry), (iii) to the extent such Collateral is comprised of property leased to a Credit Party, upon termination or expiration of such lease, (iv) if the release of such Lien is approved, authorized or ratified in writing by the Required Lenders (or such other percentage of the Lenders whose consent may be required in accordance with this Section 13.1), (v) to the extent the property constituting such Collateral is owned by any Guarantor, upon the release of such Guarantor from its obligations under the applicable Guarantee (in accordance with the second following sentence), (vi) as required to effect any sale or other disposition of Collateral in connection with any exercise of remedies of the Collateral Agent pursuant to the Security Documents, and (vii) if such assets constitute Excluded Property or Excluded Stock or Stock Equivalents. Any such release shall not in any manner discharge, affect, or impair the Obligations or any Liens (other than those being released) upon (or obligations (other than those being released) of the Credit Parties in respect of) all interests retained by the Credit Parties, including the proceeds of any sale, all of which shall continue to constitute part of the Collateral except to the extent otherwise released in accordance with the provisions of the Credit Documents. Additionally, the Lenders hereby irrevocably agree that any Restricted Subsidiary that is a Guarantor shall be released from the Guarantees upon consummation of any transaction not prohibited hereunder resulting in such Subsidiary ceasing to constitute a Restricted Subsidiary. The Lenders hereby authorize the Administrative Agent and the Collateral Agent, as applicable, to execute and deliver any instruments, documents, and agreements necessary or desirable to evidence and confirm the release of any Guarantor or Collateral pursuant to the foregoing provisions of this paragraph, all without the further consent or joinder of any Lender.

Notwithstanding anything herein to the contrary, the Credit Documents may be amended to add syndication or documentation agents and make customary changes and references related thereto with the consent of only the Borrower and the Administrative Agent.

Notwithstanding anything in this Agreement (including, without limitation, this Section 13.1) or any other Credit Document to the contrary, (i) this Agreement and the other Credit Documents may be amended to effect an incremental facility or extension facility pursuant to Section 2.14 (and the Administrative Agent and the Borrower may effect such amendments to this Agreement and the other Credit Documents without the consent of any other party as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the terms of any such incremental facility or extension facility); (ii) no Lender consent is required to effect any amendment or supplement to the Intercreditor Agreement or other intercreditor agreement or arrangement permitted under this Agreement that is for the purpose of adding the holders of any Indebtedness as expressly contemplated by the terms of the Intercreditor Agreement or such other intercreditor agreement or arrangement permitted under this Agreement, as applicable (it being understood that any such amendment or supplement may make such other changes to the applicable intercreditor agreement as, in the good faith determination of the Administrative Agent, are required to effectuate the foregoing; provided that such other changes are not adverse, in any material respect, to the interests of the Lenders taken as a whole); provided, further, that no such agreement shall amend, modify or otherwise directly and adversely affect the rights or duties of the Administrative Agent hereunder or under any other Credit Document without the prior written consent of the Administrative Agent; (iii) any provision of this Agreement or any other Credit Document may be amended by an agreement in writing entered into by the Borrower and the Administrative Agent to (x) cure any ambiguity, omission, mistake, defect or inconsistency (as reasonably determined by the Administrative Agent and the Borrower) and (y) effect administrative changes of a technical or immaterial nature (including to effect changes to the terms and conditions applicable solely to the Letter of Credit Issuer in respect of Issuances of Letters of Credit and such amendment shall be deemed approved by the Lenders if the Lenders shall have received at least five Business Days' prior written notice of such change and the Administrative Agent shall not have received, within five Business Days of the date of such notice to the Lenders, a written notice from the Required Lenders stating that the Required Lenders object to such amendment; and (iv) guarantees, collateral documents and related documents executed by Credit Parties in connection with this Agreement may be in a form reasonably determined by the Administrative Agent and may be, together with any other Credit Document, entered into, amended, supplemented or waived, without the consent of any other Person, by the applicable Credit Party or Credit Parties and the Administrative Agent or the Collateral Agent in its or their respective sole discretion, to (A) effect the granting, perfection, protection, expansion or enhancement of any security interest in any Collateral or additional property to become Collateral for the benefit of the Secured Parties, (B) as required by local law or advice of counsel to give effect to, or protect any security interest for the benefit of the Secured Parties, in any property or so that the security interests therein comply with applicable requirements of law, or (C) to cure ambiguities, omissions, mistakes or defects (as reasonably determined by the Administrative Agent and the Borrower) or to cause such guarantee, collateral security document or other document to be consistent with this Agreement and the other Credit Documents.

Notwithstanding anything in this Agreement or any Security Document to the contrary, the Administrative Agent may, in its sole discretion, grant extensions of time for the satisfaction of any of the requirements under Sections 9.12, 9.13 and 9.14 or any Security Documents in respect of any particular Collateral or any particular Subsidiary if it determines that the satisfaction thereof with respect to such Collateral or such Subsidiary cannot be accomplished without undue expense or unreasonable effort or due to factors beyond the control of Holdings and the Restricted Subsidiaries by the time or times at which it would otherwise be required to be satisfied under this Agreement or any Security Document.

- 13.2 <u>Notices</u>. Unless otherwise expressly provided herein, all notices and other communications provided for hereunder or under any other Credit Document shall be in writing (including by facsimile transmission). All such written notices shall be mailed, faxed or delivered to the applicable address, facsimile number or electronic mail address, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, as follows:
 - (a) if to Holdings, the Borrower, the Administrative Agent, the Collateral Agent, the Letter of Credit Issuer or the Swingline Lender, to the address, facsimile number, electronic mail address or telephone number specified for such Person on <u>Schedule 13.2</u> or to such other address, facsimile number, electronic mail address or telephone number as shall be designated by such party in a notice to the other parties; and
 - (b) if to any other Lender, to the address, facsimile number, electronic mail address or telephone number specified in its Administrative Questionnaire or to such other address, facsimile number, electronic mail address or telephone number as shall be designated by such party in a notice to Holdings and the Borrower, the Administrative Agent, the Collateral Agent, the Letter of Credit Issuer and the Swingline Lender.

All such notices and other communications shall be deemed to be given or made upon the earlier to occur of (i) actual receipt by the relevant party hereto and (ii) (A) if delivered by hand or by courier, when signed for by or on behalf of the relevant party hereto; (B) if delivered by mail, three Business Days after deposit in the mails, postage prepaid; (C) if delivered by facsimile, when sent and receipt has been confirmed by telephone; and (D) if delivered by electronic mail, when delivered; provided that notices and other communications to the Administrative Agent or the Lenders pursuant to Sections 2.3, 2.6, 2.9, 4.2 and 5.1 shall not be effective until received.

- 13.3 <u>No Waiver; Cumulative Remedies</u>. No failure to exercise and no delay in exercising, on the part of the Administrative Agent, the Collateral Agent or any Lender, any right, remedy, power or privilege hereunder or under the other Credit Documents shall operate as a waiver thereof, nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided are cumulative and not exclusive of any rights, remedies, powers, and privileges provided by law.
- 13.4 <u>Survival of Representations and Warranties</u>. All representations and warranties made hereunder, in the other Credit Documents and in any document, certificate or statement delivered pursuant hereto or in connection herewith shall survive the execution and delivery of this Agreement and the making of the Loans hereunder.

13.5 Payment of Expenses; Indemnification.

(a) Each of Holdings and the Borrower, jointly and severally, agree (i) to pay or reimburse each of the Agents for all their reasonable and documented out-of-pocket costs and expenses (without duplication) incurred in connection with the development, preparation, execution and delivery of, and any amendment, supplement, modification to, waiver and/or enforcement this Agreement and the other Credit Documents and any other documents prepared in connection herewith or therewith, and the consummation and administration of the transactions contemplated hereby and thereby, including the reasonable fees, disbursements and other charges of Cahill Gordon & Reindel LLP (or such other counsel as may be agreed by the Administrative Agent and the Borrower), one counsel in each relevant local jurisdiction with the consent of the Borrower (such consent not to be unreasonably withheld or delayed), (ii) to pay or reimburse each Agent for all their reasonable and documented out-of-pocket costs and expenses incurred in connection with the enforcement or preservation of any rights under this Agreement, the other Credit Documents and any such other documents, including the reasonable fees, disbursements and other charges of one firm or counsel to the Administrative Agent and the Collateral Agent, and, to the extent required, one firm or local counsel in each relevant local jurisdiction with the Borrower's consent (such consent not to be unreasonably withheld or delayed (which may include a single special counsel acting in multiple jurisdictions), and (iii) to pay, indemnify and hold harmless each Lender, each Agent, the Letter of Credit Issuer and their respective Related Parties (without duplication) (the "Indemnified Persons") from and against any and all losses, claims, damages, liabilities, obligations, demands, actions, judgements, suits, costs, expenses, disbursements or penalties of any kind or nature whatsoever (and the reasonable and documented out-of-pocket fees, expenses, disbursements and other charges of one firm of counsel for all Indemnified Persons, taken as a whole (and, in the case of an actual or perceived conflict of interest where the Indemnified Person affected by such conflict notifies the Borrower of any existence of such conflict and in connection with the investigating or defending any of the foregoing (including the reasonable fees) has retained its own counsel, of another firm of counsel for such affected Indemnified Person), and to the extent required, one firm or local counsel in each relevant jurisdiction (which may include a single special counsel acting in multiple jurisdictions)) of any such Indemnified Person arising out of or relating to any action, claim, litigation, investigation or other proceeding (regardless of whether such Indemnified Person is a party thereto), arising out of, or with respect to the Transactions or to the execution, delivery, performance and administration of this Agreement, the other Credit Documents and any such other documents, including any of the foregoing relating to the violation of, noncompliance with or liability under, any Environmental Law or any actual or alleged presence, Release or threatened Release of Hazardous Materials attributable to Holdings or any of its Subsidiaries (all the foregoing in this clause (iii), regardless of whether brought by Holdings, any of its subsidiaries or any other Person collectively, the "Indemnified Liabilities"); provided that Holdings and the Borrower shall have no obligation hereunder to any Indemnified Person with respect to indemnified liabilities to the extent arising from (i) the gross negligence, bad faith or willful misconduct of such Indemnified Person or any of its Related Parties as determined in a final and non-appealable judgment of a court of competent jurisdiction, (ii) a material breach of the obligations of such Indemnified Person or any of its Related Parties under the terms of this Agreement by such Indemnified Person or any of its Related Parties as determined in a final and non-appealable judgment of a court of competent jurisdiction, or (iii) any proceeding between and among Indemnified Persons that does not involve an act or omission by Holdings, the Borrower or its Restricted Subsidiaries; provided the Agents, to the extent acting in their capacity as such, shall remain indemnified in respect of such proceeding, to the extent that neither of the exceptions set forth in clause (i) or (ii) of the immediately preceding proviso applies to such person at such time. The agreements in this Section 13.5 shall survive repayment of the Loans and all other amounts payable hereunder. This Section 13.5 shall not apply with respect to Taxes, other than any Taxes that represent losses, claims, damages, liabilities, obligations, penalties, actions, judgments, suits, costs, expenses or disbursements arising from any non-Tax claim.

(b) No Credit Party nor any Indemnified Person shall have any liability for any special, punitive, indirect or consequential damages resulting from this Agreement or any other Credit Document or arising out of its activities in connection herewith or therewith (whether before or after the Closing Date); provided that the foregoing shall not limit Holdings' and the Borrower's indemnification obligations to the Indemnified Persons pursuant to Section 13.5(a) in respect of damages incurred or paid by an Indemnified Person to a third party. No Indemnified Person shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Credit Documents or the transactions contemplated hereby or thereby, except to the extent that such damages have resulted from the willful misconduct, bad faith or gross negligence of any Indemnified Person or any of its Related Parties as determined by a final and non-appealable judgment of a court of competent jurisdiction.

13.6 <u>Successors and Assigns; Participations and Assignments.</u>

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that (i) except as expressly permitted by Section 10.3, the Borrower may not assign or otherwise transfer any of their rights or obligations hereunder without the prior written consent of the Administrative Agent and each Lender (and any attempted assignment or transfer by the Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section 13.6. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants (to the extent provided in clause (c) of this Section 13.6) and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent, the Collateral Agent, the Letter of Credit Issuer and the Lenders and each other Person entitled to indemnification under Section 13.5) any legal or equitable right, remedy or claim under or by reason of this Agreement.

- (b) (i) Subject to the conditions set forth in <u>clause (b)(ii)</u> below and <u>Section 13.7</u>, any Lender may at any time assign to one or more assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans (including participations in L/C Obligations or Swingline Loans) at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld or delayed; it being understood that, without limitation, the Borrower shall have the right to withhold its consent to any assignment if, in order for such assignment to comply with applicable law, the Borrower would be required to obtain the consent of, or make any filing or registration with, any Governmental Authority) of:
 - (A) the Borrower; <u>provided</u> that no consent of the Borrower shall be required for (1) an assignment of Term Loans to (X) a Lender, (Y) an Affiliate of a Lender, or (Z) an Approved Fund or (2) an assignment of Loans or Commitments to any assignee if an Event of Default under <u>Section 11.1</u> or <u>Section 11.5</u> (with respect to Holdings or the Borrower) has occurred and is continuing; and
 - (B) the Administrative Agent (not to be unreasonably withheld or delayed) and, in the case of Revolving Credit Commitments or Revolving Credit Loans only, the Swingline Lender and the Letter of Credit Issuer; <u>provided</u> that no consent of the Administrative Agent shall be required for an assignment of any Term Loan to a Lender, an Affiliate of a Lender or an Approved Fund.

Notwithstanding the foregoing, (i) no such assignment shall be made to a natural Person, Disqualified Lender or Defaulting Lender and (ii) with respect to the Revolving Credit Commitments, Holdings, the Borrower or any of their Subsidiaries or any Affiliated Lender (other than an Affiliated Institutional Lender). For the avoidance of doubt, the Administrative Agent shall bear no responsibility or liability for monitoring and enforcing the list of Persons who are Disqualified Lenders at any time.

- (ii) Assignments shall be subject to the following additional conditions:
- (A) except in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund or an assignment of the entire remaining amount of the assigning Lender's Commitment or Loans of any Class, the amount of the Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Acceptance with respect to such assignment is delivered to the Administrative Agent) shall not be less than \$5,000,000 in the case of Revolving Credit Commitments and \$1,000,000 in the case of Term Loans, unless each of the Borrower and the Administrative Agent otherwise consents (which consents shall not be unreasonably withheld or delayed); provided that no such consent of the Borrower shall be required if an Event of Default under Section 11.1 or Section 11.5 has occurred and is continuing; provided, further, that contemporaneous assignments by a Lender and its Affiliates or Approved Funds shall be aggregated for purposes of meeting the minimum assignment amount requirements stated above (and simultaneous assignments to or by two or more Related Funds shall be treated as one assignment), if any;
- (B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement; <u>provided</u> that this clause shall not be construed to prohibit the assignment of a proportionate part of all the assigning Lender's rights and obligations in respect of one Class of Commitments or Loans;

- (C) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Acceptance via an electronic settlement system or other method reasonably acceptable to the Administrative Agent, together with a processing and recordation fee in the amount of \$3,500; provided that the Administrative Agent may, in its sole discretion, elect to waive such processing and recordation fee in the case of any assignment; provided, further, that such recordation fee shall not be payable in the case of assignments by any Affiliate of the Joint Bookrunners;
- (D) the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an administrative questionnaire in a form approved by the Administrative Agent (the "Administrative Questionnaire") and applicable tax forms (as required under <u>Section 5.4(e)</u>); and
- (E) any assignment to Holdings, the Borrower, any Subsidiary or an Affiliated Lender (other than an Affiliated Institutional Lender) shall also be subject to the requirements of <u>Section 13.6(h)</u>.

For the avoidance of doubt, the Administrative Agent bears no responsibility for tracking or monitoring assignments to or participations by any Affiliated Lender.

- (iii) Subject to acceptance and recording thereof pursuant to <u>clause (b)(v)</u> of this <u>Section 13.6</u>, from and after the effective date specified in each Assignment and Acceptance, the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Acceptance, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of <u>Sections 2.10</u>, <u>2.11</u>, <u>3.5</u>, <u>5.4</u> and <u>13.5</u>). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this <u>Section 13.6</u> shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with <u>clause (c)</u> of this <u>Section 13.6</u>. For the avoidance of doubt, in case of an assignment to a new Lender pursuant to this <u>Section 13.6</u>, (i) the Administrative Agent, the new Lender and other Lenders shall acquire the same rights and assume the same obligations between themselves as they would have acquired and assumed had the new Lender been an original Lender signatory to this Agreement with the rights and/or obligations acquired or assumed by it as a result of the assignment and to the extent of the assignment the assigning Lender shall each be released from further obligations under the Credit Documents and (ii) the benefit of each Security Document shall be maintained in favor of the new Lender.
- (iv) The Administrative Agent, acting for this purpose as a non-fiduciary agent of the Borrower, shall maintain at the Administrative Agent's Office a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amount of the Loans (and stated interest amounts) and any payment made by the Letter of Credit Issuer under any Letter of Credit owing to each Lender pursuant to the terms hereof from time to time (the "**Register**"). The entries in the Register shall be conclusive, absent manifest error, and the Borrower, the Administrative Agent, the Collateral Agent, the Letter of Credit Issuer and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower, the Collateral Agent, the Letter of Credit Issuer, the Administrative Agent and its Affiliates and, with respect to itself, any Lender, at any reasonable time and from time to time upon reasonable prior notice.

- (v) Upon its receipt of a duly completed Assignment and Acceptance executed by an assigning Lender and an assignee, the assignee's completed Administrative Questionnaire and applicable tax forms (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in <u>clause (b)</u> of this <u>Section 13.6</u> and any written consent to such assignment required by <u>clause (b)</u> of this <u>Section 13.6</u>, the Administrative Agent shall promptly accept such Assignment and Acceptance and record the information contained therein in the Register. No assignment, whether or not evidenced by a promissory note, shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this clause (b)(v).
- Any Lender may, without the consent of the Borrower or the Administrative Agent, the Letter of Credit Issuer or the Swingline Lender, sell participations to one or more banks or other entities (other than (x) a natural person, (y) Holdings and its Subsidiaries and (z) any Disqualified Lender provided, however, that, notwithstanding clause (y) hereof, participations may be sold to Disqualified Lenders unless a list of Disqualified Lenders has been made available to all Lenders) (each, a "Participant") in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans owing to it); provided that (A) such Lender's obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, and (C) the Borrower, the Administrative Agent, the Letter of Credit Issuer, and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. For the avoidance of doubt, the Administrative Agent shall bear no responsibility or liability for monitoring and enforcing the list of Disqualified Lenders or the sales of participations thereto at any time. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement or any other Credit Document; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in clauses (i) and (vii) of the second proviso to Section 13.1 that affects such Participant. Subject to clause (c)(ii) of this Section 13.6, the Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.10, 2.11, 3.5, and 5.4 to the same extent as if it were a Lender (subject to the limitations and requirements of those Sections as though it were a Lender and had acquired its interest by assignment pursuant to clause (b) of this Section 13.6, including the requirements of clause (e) of Section 5.4) (it being agreed that any documentation required under Section 5.4(e) shall be provided to the participating Lender)). To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 13.8(b) as though it were a Lender; provided such Participant shall be subject to <u>Section 13.8(a)</u> as though it were a Lender.
- (ii) A Participant shall not be entitled to receive any greater payment under Section 2.10, 2.11, 3.5 or 5.4 than the applicable Lender would have been entitled to receive absent the sale of such the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent (which consent shall not be unreasonably withheld). Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest amounts) of each Participant's interest in the Loans or other obligations under this Agreement (the "Participant Register"). The entries in the Participant Register shall be conclusive, absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participant or all purposes of this Agreement notwithstanding any notice to the contrary. No Lender shall have any obligation to disclose all or any portion of the Participant Register to any Person (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit or its other obligations under any Credit Document) except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations.

- (d) Any Lender may, without the consent of the Borrower or the Administrative Agent, at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank, or other central bank having jurisdiction over such Lender and this Section 13.6 shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.
- (e) Subject to Section 13.16, the Borrower authorizes each Lender to disclose to any Participant, secured creditor of such Lender or assignee (each, a "Transferee") and any prospective Transferee any and all financial information in such Lender's possession concerning the Borrower and their Affiliates that has been delivered to such Lender by or on behalf of the Borrower and their Affiliates pursuant to this Agreement or that has been delivered to such Lender by or on behalf of the Borrower and their Affiliates in connection with such Lender's credit evaluation of the Borrower and their Affiliates prior to becoming a party to this Agreement.
- (f) The words "execution," "signed," "signature," and words of like import in any Assignment and Acceptance shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.
- SPV Lender. Notwithstanding anything to the contrary contained herein, any Lender (a "Granting Lender") may grant to a special purpose funding vehicle (an "SPV"), identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Borrower, the option to provide to the Borrower all or any part of any Loan that such Granting Lender would otherwise be obligated to make the Borrower pursuant to this Agreement; provided that (i) nothing herein shall constitute a commitment by any SPV to make any Loan and (ii) if an SPV elects not to exercise such option or otherwise fails to provide all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof. The making of a Loan by an SPV hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. Each party hereto hereby agrees that no SPV shall be liable for any indemnity or similar payment obligation under this Agreement (all liability for which shall remain with the Granting Lender). In furtherance of the foregoing, each party hereto hereby agrees (which agreement shall survive the termination of this Agreement) that, prior to the date that is one year and one day after the payment in full of all outstanding commercial paper or other senior indebtedness of any SPV, it shall not institute against, or join any other Person in instituting against, such SPV any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings under the laws of the United States or any State thereof. In addition, notwithstanding anything to the contrary contained in this Section 13.6, any SPV may (i) with notice to, but without the prior written consent of, the Borrower and the Administrative Agent and without paying any processing fee therefor, assign all or a portion of its interests in any Loans to the Granting Lender or to any financial institutions (consented to by the Borrower and the Administrative Agent) other than a Disqualified Lender providing liquidity and/or credit support to or for the account of such SPV to support the funding or maintenance of Loans and (ii) subject to Section 13.16, disclose on a confidential basis any non-public information relating to its Loans to any rating agency, commercial paper dealer or provider of any surety, guarantee or credit or liquidity enhancement to such SPV. This Section 13.6(g) may not be amended without the written consent of the SPV. Notwithstanding anything to the contrary in this Agreement but subject to the following sentence, each SPV shall be entitled to the benefits of Sections 2.10, 2.11, 3.5 and 5.4 to the same extent as if it were a Lender (subject to the limitations and requirements of those Sections as though it were a Lender and had acquired its interest by assignment pursuant to clause (b) of this Section 13.6, including the requirements of clause (e) of Section 5.4 (it being agreed that any documentation required under Section 5.4(e) shall be provided to the Granting Lender)). Notwithstanding the prior sentence, an SPV shall not be entitled to receive any greater payment under Section 2.10, 2.11, 3.5 or 5.4 than its Granting Lender would have been entitled to receive absent the grant to such SPV, unless such grant to such SPV is made with the Borrower's prior written consent (which consent shall not be unreasonably withheld).

- (h) Notwithstanding anything to the contrary contained herein, (x) any Lender may, at any time, assign all or a portion of its rights and obligations under this Agreement in respect of its Term Loans to Holdings, the Borrower, any Subsidiary or an Affiliated Lender and (y) Holdings, the Borrower and any Subsidiary may, from time to time, purchase or prepay Term Loans, in each case, on a non-pro rata basis through (x) Dutch auction procedures open to all applicable Lenders on a pro rata basis in accordance with customary procedures to be agreed between Holdings or the Borrower and the Auction Agent or (y) open market purchases; provided that:
 - (i) any Loans or Commitments acquired by Holdings, the Borrower, or any other Subsidiary shall be retired and cancelled promptly upon the acquisition thereof;
 - (ii) by its acquisition of Loans or Commitments, an Affiliated Lender shall be deemed to have acknowledged and agreed that:
 - (A) it shall not have any right to (i) attend or participate in (including, in each case, by telephone) any meeting (including "Lender only" meetings) or discussions (or portion thereof) among the Administrative Agent or any Lender to which representatives of the Borrower are not then present, (ii) receive any information or material prepared by the Administrative Agent or any Lender or any communication by or among the Administrative Agent and one or more Lenders or any other material which is "Lender only", except to the extent such information or materials have been made available to the Borrower or its representatives (and in any case, other than the right to receive notices of prepayments and other administrative notices in respect of its Loans required to be delivered to Lenders pursuant to Section 2) or receive any advice of counsel to the Administrative Agent or (iii) make any challenge to the Administrative Agent's or any other Lender's attorney-client privilege on the basis of its status as a Lender; and

- (B) except with respect to any amendment, modification, waiver, consent or other action (I) in Section 13.1 requiring the consent of all Lenders, all Lenders directly and adversely affected or specifically such Lender, (II) that alters an Affiliated Lender's pro rata share of any payments given to all Lenders, or (III) affects the Affiliated Lender (in its capacity as a Lender) in a manner that is disproportionate to the effect on any Lender in the same Class, the Loans held by an Affiliated Lender shall be disregarded in both the numerator and denominator in the calculation of any Lender vote (and, in the case of a plan of reorganization that does not affect the Affiliated Lender in a manner that is materially adverse to such Affiliated Lender relative to other Lenders, shall be deemed to have voted its interest in the Term Loans in the same proportion as the other Lenders) (and shall be deemed to have been voted in the same percentage as all other applicable Lenders voted if necessary to give legal effect to this paragraph); and
- (iii) the aggregate principal amount of Term Loans held at any one time by Affiliated Lenders may not exceed 30% of the aggregate principal amount of all Term Loans outstanding at the time of such purchase; and
- (iv) any such Loans acquired by an Affiliated Lender may, with the consent of the Borrower, be contributed to the Borrower and exchanged for debt or equity securities that are otherwise permitted to be issued at such time (and such Loans or Commitments shall be retired and cancelled promptly).

For avoidance of doubt, the foregoing limitations shall not be applicable to Affiliated Institutional Lenders. None of the Borrower, Holdings, any Subsidiary of Holdings or any Affiliated Lender shall be required to make any representation that it is not in possession of information which is not publicly available and/or material with respect to Holdings, the Borrower and their respective Subsidiaries or their respective securities for purposes of U.S. federal and state securities laws.

13.7 <u>Replacements of Lenders Under Certain Circumstances.</u>

The Borrower shall be permitted (x) to replace any Lender or (y) terminate the Commitment of such Lender or Letter of Credit Issuer, as the (a) case may be, and (1) in the case of a Lender (other than the Letter of Credit Issuer), repay all Obligations of the Borrower due and owing to such Lender relating to the Loans and participations held by such Lender as of such termination date and (2) in the case of the Letter of Credit Issuer, repay all Obligations of the Borrower owing to such Letter of Credit Issuer relating to the Loans and participations held by the Letter of Credit Issuer as of such termination date and cancel or backstop on terms satisfactory to such Letter of Credit Issuer any Letters of Credit issued by it that (a) requests reimbursement for amounts owing pursuant to Sections 2.10 or <u>5.4</u>, (b) is affected in the manner described in <u>Section 2.10(a)(iii)</u> and as a result thereof any of the actions described in such Section is required to be taken, or (c) becomes a Defaulting Lender, with a replacement bank or other financial institution; provided that (i) such replacement does not conflict with any Requirement of Law, (ii) no Event of Default under Sections 11.1 or 11.5 shall have occurred and be continuing at the time of such replacement, (iii) the Borrower shall repay (or the replacement bank or institution shall purchase, at par) all Loans and other amounts pursuant to Sections 2.10, 2.11, or 5.4, as the case may be, owing to such replaced Lender prior to the date of replacement, (iv) the replacement bank or institution, if not already a Lender, an Affiliate of the Lender, an Affiliated Lender or Approved Fund, and the terms and conditions of such replacement, shall be reasonably satisfactory to the Administrative Agent, (v) the replacement bank or institution, if not already a Lender shall be subject to the provisions of Section 13.6(b), (vi) the replaced Lender shall be obligated to make such replacement in accordance with the provisions of Section 13.6 (provided that unless otherwise agreed the Borrower shall be obligated to pay the registration and processing fee referred to therein), and (vii) any such replacement shall not be deemed to be a waiver of any rights that the Borrower, the Administrative Agent or any other Lender shall have against the replaced Lender.

(b) If any Lender (such Lender, a "Non-Consenting Lender") has failed to consent to a proposed amendment, waiver, discharge or termination that pursuant to the terms of Section 13.1 requires the consent of either (i) all of the Lenders directly and adversely affected or (ii) all of the Lenders, and, in each case, with respect to which the Required Lenders (or at least 50.1% of the directly and adversely affected Lenders) shall have granted their consent, then, the Borrower shall have the right (unless such Non-Consenting Lender grants such consent) to (x) replace such Non-Consenting Lender by requiring such Non-Consenting Lender to assign its Loans, and its Commitments hereunder to one or more assignees reasonably acceptable to the Administrative Agent (to the extent such consent would be required under Section 13.6) or to terminate the Commitment of such Lender or Letter of Credit Issuer, as the case may be, and (1) in the case of a Lender (other than the Letter of Credit Issuer), repay all Obligations of the Borrower due and owing to such Lender relating to the Loans and participations held by such Lender as of such termination date and (2) in the case of the Letter of Credit Issuer, repay all Obligations of the Borrower owing to such Letter of Credit Issuer relating to the Loans and participations held by the Letter of Credit Issuer as of such termination date and cancel or backstop on terms satisfactory to such Letter of Credit Issuer any Letters of Credit issued by it); provided that (a) all Obligations hereunder of the Borrower owing to such Non-Consenting Lender being replaced shall be paid in full to such Non-Consenting Lender concurrently with such assignment including any amounts that such Lender may be owed pursuant to Section 2.11, and (b) the replacement Lender shall purchase the foregoing by paying to such Non-Consenting Lender a price equal to the principal amount thereof plus accrued and unpaid interest thereon, and (c) the Borrower, the Administrative Agent, such Non-Consenting Lender and the r

13.8 Adjustments; Set-off.

- (a) Except as contemplated in Section 13.6 or elsewhere herein, if any Lender (a "Benefited Lender") shall at any time receive any payment of all or part of its Loans, or interest thereon, or receive any collateral in respect thereof (whether voluntarily or involuntarily, by set-off, pursuant to events or proceedings of the nature referred to in Section 11.5, or otherwise), in a greater proportion than any such payment to or collateral received by any other Lender, if any, in respect of such other Lender's Loans, or interest thereon, such Benefited Lender shall purchase for cash from the other Lenders a participating interest in such portion of each such other Lender's Loan, or shall provide such other Lenders with the benefits of any such collateral, or the proceeds thereof, as shall be necessary to cause such Benefited Lender to share the excess payment or benefits of such collateral or proceeds ratably with each of the Lenders; provided, however, that if all or any portion of such excess payment or benefits is thereafter recovered from such Benefited Lender, such purchase shall be rescinded, and the purchase price and benefits returned, to the extent of such recovery, but without interest.
- After the occurrence and during the continuance of an Event of Default, in addition to any rights and remedies of the Lenders provided by law, each Lender shall have the right, without prior notice to the Credit Parties but with the prior consent of the Administrative Agent, any such notice being expressly waived by the Credit Parties to the extent permitted by applicable law, upon any amount becoming due and payable by the Credit Parties hereunder (whether at the stated maturity, by acceleration or otherwise) to set-off and appropriate and apply against such amount any and all deposits (general or special, time or demand, provisional or final) (other than payroll, trust, tax, fiduciary, and petty cash accounts), in any currency, and any other credits, indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured, at any time held or owing by such Lender or any branch or agency thereof to or for the credit or the account of the Credit Parties. Each Lender agrees promptly to notify the Credit Parties and the Administrative Agent after any such set-off and application made by such Lender; provided that the failure to give such notice shall not affect the validity of such set-off and application.

- 13.9 <u>Counterparts</u>. This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts (including by facsimile or other electronic transmission), and all of said counterparts taken together shall be deemed to constitute one and the same instrument. A set of the copies of this Agreement signed by all the parties shall be lodged with the Borrower and the Administrative Agent.
- 13.10 <u>Severability</u>. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.
- 13.11 <u>Integration</u>. This Agreement and the other Credit Documents represent the agreement of Holdings, the Borrower, the Collateral Agent, the Administrative Agent and the Lenders with respect to the subject matter hereof, and there are no promises, undertakings, representations or warranties by Holdings, the Borrower, the Administrative Agent, the Collateral Agent nor any Lender relative to subject matter hereof not expressly set forth or referred to herein or in the other Credit Documents.

THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK. EACH LETTER OF CREDIT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.
 - 13.13 <u>Submission to Jurisdiction; Waivers</u>. Each party hereto irrevocably and unconditionally:
- (a) submits for itself and its property in any legal action or proceeding relating to this Agreement and the other Credit Documents to which it is a party to the exclusive general jurisdiction of the courts of the State of New York or the courts of the United States for the Southern District of New York, in each case sitting in New York City in the Borough of Manhattan, and appellate courts from any thereof;
- (b) consents that any such action or proceeding shall be brought in such courts and waives (to the extent permitted by applicable law) any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same or to commence or support any such action or proceeding in any other courts;
- (c) agrees that service of process in any such action or proceeding shall be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to such Person at its address set forth on <u>Schedule 13.2</u> at such other address of which the Administrative Agent shall have been notified pursuant to <u>Section 13.2</u>;

- (d) agrees that nothing herein shall affect the right of the Administrative Agent, any Lender or another Secured Party to effect service of process in any other manner permitted by law or to commence legal proceedings or otherwise proceed against Holdings or the Borrower or any other Credit Party in any other jurisdiction; and
- (e) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this <u>Section 13.13</u> any special, exemplary, punitive or consequential damages; <u>provided</u> that nothing in this clause (e) shall limit the Credit Parties' indemnification obligations set forth in Section 13.5.
 - 13.14 <u>Acknowledgments</u>. Each of Holdings and the Borrower hereby acknowledges that:
 - (a) it has been advised by counsel in the negotiation, execution, and delivery of this Agreement and the other Credit Documents;

(b)

- (i) the credit facilities provided for hereunder and any related arranging or other services in connection therewith (including in connection with any amendment, waiver or other modification hereof or of any other Credit Document) are an arm's-length commercial transaction between the Borrower and the other Credit Parties, on the one hand, and the Administrative Agent, the Lenders and the other Agents on the other hand, and the Borrower and the other Credit Parties are capable of evaluating and understanding and understand and accept the terms, risks and conditions of the transactions contemplated hereby and by the other Credit Documents (including any amendment, waiver or other modification hereof);
- (ii) in connection with the process leading to such transaction, each of the Administrative Agent and the other Agents, is and has been acting solely as a principal and is not the financial advisor, agent or fiduciary for the Borrower, any other Credit Parties or any of their respective Affiliates, stockholders, creditors or employees, or any other Person;
- (iii) neither the Administrative Agent nor any other Agent has assumed or will assume an advisory, agency or fiduciary responsibility in favor of the Borrower or any other Credit Party with respect to any of the transactions contemplated hereby or the process leading thereto, including with respect to any amendment, waiver or other modification hereof or of any other Credit Document (irrespective of whether the Administrative Agent or other Agent has advised or is currently advising the Borrower, the other Credit Parties or their respective Affiliates on other matters) and neither the Administrative Agent or other Agent has any obligation to the Borrower, the other Credit Parties or their respective Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Credit Documents;
- (iv) the Administrative Agent, each other Agent and each Affiliate of the foregoing may be engaged in a broad range of transactions that involve interests that differ from those of the Borrower and their Affiliates, and neither the Administrative Agent nor any other Agent has any obligation to disclose any of such interests by virtue of any advisory, agency or fiduciary relationship; and
- (v) neither the Administrative Agent nor any other Agent has provided and none will provide any legal, accounting, regulatory or tax advice with respect to any of the transactions contemplated hereby (including any amendment, waiver or other modification hereof or of any other Credit Document) and the Borrower have consulted their own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate. Each of Holdings and the Borrower hereby agrees that it will not claim that any Agent owes a fiduciary or similar duty to the Credit Parties in connection with the Transactions contemplated hereby and waives and releases, to the fullest extent permitted by law, any claims that it may have against the Administrative Agent or any other Agent with respect to any breach or alleged breach of agency or fiduciary duty; and

- (c) no joint venture is created hereby or by the other Credit Documents or otherwise exists by virtue of the transactions contemplated hereby among the Lenders or among the Borrower, on the one hand, and any Lender, on the other hand.
- 13.15 <u>WAIVERS OF JURY TRIAL</u>. EACH PARTY HERETO IRREVOCABLY AND UNCONDITIONALLY WAIVE (TO THE EXTENT PERMITTED BY APPLICABLE LAW) TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER CREDIT DOCUMENT AND FOR ANY COUNTERCLAIM THEREIN.
- Confidentiality. The Administrative Agent, each other Agent and each Lender (collectively, the "Restricted Persons" and, each a "Restricted Person") shall treat confidentially all non-public information provided to any Restricted Person by or on behalf of any Credit Party hereunder in connection with such Restricted Person's evaluation of whether to become a Lender hereunder or obtained by such Restricted Person pursuant to the requirements of this Agreement ("Confidential Information") and shall not publish, disclose or otherwise divulge such Confidential Information; provided that nothing herein shall prevent any Restricted Person from disclosing any such Confidential Information (a) pursuant to the order of any court or administrative agency or in any pending legal, judicial or administrative proceeding, or otherwise as required by applicable law, rule or regulation or compulsory legal process (in which case such Restricted Person agrees (except with respect to any routine or ordinary course audit or examination conducted by bank accountants or any governmental or bank regulatory authority exercising examination or regulatory authority), to the extent practicable and not prohibited by applicable law, rule or regulation, to inform the Borrower promptly thereof prior to disclosure), (b) upon the request or demand of any regulatory authority having jurisdiction over such Restricted Person or any of its Affiliates (in which case such Restricted Person agrees (except with respect to any routine or ordinary course audit or examination conducted by bank accountants or any governmental or bank regulatory authority exercising examination or regulatory authority) to the extent practicable and not prohibited by applicable law, rule or regulation, to inform the Borrower promptly thereof prior to disclosure), (c) to the extent that such Confidential Information becomes publicly available other than by reason of improper disclosure by such Restricted Person or any of its affiliates or any related parties thereto in violation of any confidentiality obligations owing under this Section 13.16, (d) to the extent that such Confidential Information is received by such Restricted Person from a third party that is not, to such Restricted Person's knowledge, subject to confidentiality obligations owing to any Credit Party or any of their respective subsidiaries or affiliates, (e) to the extent that such Confidential Information was already in the possession of the Restricted Persons prior to any duty or other undertaking of confidentiality or is independently developed by the Restricted Persons without the use of such Confidential Information, (f) to such Restricted Person's affiliates and to its and their respective officers, directors, partners, employees, legal counsel, independent auditors, and other experts or agents who need to know such Confidential Information in connection with providing the Loans or action as an Agent hereunder and who are informed of the confidential nature of such Confidential Information and who are subject to customary confidentiality obligations of professional practice or who agree to be bound by the terms of this Section 13.16 (or confidentiality provisions at least as restrictive as those set forth in this Section 13.16) (with each such Restricted Person, to the extent within its control, responsible for such person's compliance with this paragraph), (g) to potential or prospective Lenders, hedge providers, participants or assignees, in each case who agree (pursuant to customary syndication practice) to be bound by the terms of this <u>Section 13.16</u> (or confidentiality provisions at least as restrictive as those set forth in this <u>Section 13.16</u>); provided that (i) the disclosure of any such Confidential Information to any Lenders, hedge providers or prospective Lenders, hedge providers or participants or prospective participants referred to above shall be made subject to the acknowledgment and acceptance by such Lender, hedge provider or prospective Lender or participant or prospective participant that such Confidential Information is being disseminated on a confidential basis (on substantially the terms set forth in this Section 13.16 or confidentiality provisions at least as restrictive as those set forth in this Section 13.16) in accordance with the standard syndication processes of such Restricted Person or customary market standards for dissemination of such type of information, which shall in any event require "click through" or other affirmative actions on the part of recipient to access such Confidential Information and (ii) no such disclosure shall be made by such Restricted Person to any person that is at such time a Disqualified Lender, (h) for purposes of establishing a "due diligence" defense, or (i) to rating agencies in connection with obtaining ratings for the Borrower and the Facilities to the extent such rating agencies are subject to customary confidentiality obligations of professional practice or agree to be bound by the terms of this Section 13.16 (or confidentiality provisions at least as restrictive as those set forth in this Section 13.16). Notwithstanding the foregoing, (i) Confidential Information shall not include, with respect to any Person, information available to it or its Affiliates on a non-confidential basis from a source other than Holdings, its Subsidiaries or their respective Affiliates, (ii) the Administrative Agent shall not be responsible for compliance with this Section 13.16 by any other Restricted Person (other than its officers, directors or employees), (iii) in no event shall any Lender, the Administrative Agent or any other Agent be obligated or required to return any materials furnished by Holdings or any of its Subsidiaries, and (iv) each Agent and each Lender may disclose the existence of this Agreement and the information about this Agreement to market data collectors, similar services providers to the lending industry, and service providers to the Agents and the Lenders in connection with the administration, settlement and management of this Agreement and the other Credit Documents.

Direct Website Communications. Each of Holdings and the Borrower may, at its option, provide to the Administrative Agent any information, documents and other materials that it is obligated to furnish to the Administrative Agent pursuant to the Credit Documents, including, without limitation, all notices, requests, financial statements, financial, and other reports, certificates, and other information materials, but excluding any such communication that (A) relates to a request for a new, or a conversion of an existing, borrowing or other extension of credit (including any election of an interest rate or interest period relating thereto, (B) relates to the payment of any principal or other amount due under this Agreement prior to the scheduled date therefor, (C) provides notice of any default or event of default under this Agreement or (D) is required to be delivered to satisfy any condition precedent to the effectiveness of this Agreement and/or any borrowing or other extension of credit thereunder (all such non-excluded communications being referred to herein collectively as "Communications"), by transmitting the Communications in an electronic/soft medium in a format reasonably acceptable to the Administrative Agent to the Administrative Agent at an email address provided by the Administrative Agent from time to time; provided that (i) upon written request by the Administrative Agent, Holdings or the Borrower shall deliver paper copies of such documents to the Administrative Agent for further distribution to each Lender until a written request to cease delivering paper copies is given by the Administrative Agent and (ii) Holdings or the Borrower shall notify (which may be by facsimile or electronic mail) the Administrative Agent of the posting of any such documents and provide to the Administrative Agent by electronic mail electronic versions (i.e., soft copies) of such documents. Each Lender shall be solely responsible for timely accessing posted documents or requesting delivery of paper copies of such documents from the Administrative Agent and maintaining its copies of such documents. Nothing in this Section 13.17 shall prejudice the right of Holdings, the Borrower, the Administrative Agent, any other Agent or any Lender to give any notice or other communication pursuant to any Credit Document in any other manner specified in such Credit Document.

The Administrative Agent agrees that the receipt of the Communications by the Administrative Agent at its e-mail address set forth above shall constitute effective delivery of the Communications to the Administrative Agent for purposes of the Credit Documents. Each Lender agrees that notice to it (as provided in the next sentence) specifying that the Communications have been posted to the Platform shall constitute effective delivery of the Communications to such Lender for purposes of the Credit Documents. Each Lender agrees (A) to notify the Administrative Agent in writing (including by electronic communication) from time to time of such Lender's e-mail address to which the foregoing notice may be sent by electronic transmission and (B) that the foregoing notice may be sent to such e-mail address.

- (a) Each of Holdings and the Borrower further agrees that any Agent may make the Communications available to the Lenders by posting the Communications on Intralinks or a substantially similar electronic transmission system (the "**Platform**"), so long as the access to such Platform (i) is limited to the Agents, the Lenders and Transferees or prospective Transferees and (ii) remains subject to the confidentiality requirements set forth in <u>Section 13.16</u>.
- (b) THE PLATFORM IS PROVIDED "AS IS" AND "AS AVAILABLE." THE AGENT PARTIES DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF ANY MATERIALS OR INFORMATION PROVIDED BY THE CREDIT PARTIES (THE "BORROWER MATERIALS") OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall the Administrative Agent or any of its Related Parties (collectively, the "Agent Parties" and each an "Agent Party") have any liability to the Borrower, any Lender, or any other Person for losses, claims, damages, liabilities, or expenses of any kind (whether in tort, contract or otherwise) arising out of the Borrower's or the Administrative Agent's transmission of Borrower Materials through the internet, except to the extent the liability of any Agent Party resulted from such Agent Party's (or any of its Related Parties' (other than any trustee or advisor)) gross negligence, bad faith or willful misconduct or material breach of the Credit Documents as determined in the final non-appealable judgment of a court of competent jurisdiction.
- (c) Each of Holdings and the Borrower and each Lender acknowledge that certain of the Lenders may be "public-side" Lenders (Lenders that do not wish to receive material non-public information with respect to Holdings, the Borrower, the Subsidiaries or their securities) and, if documents or notices required to be delivered pursuant to the Credit Documents or otherwise are being distributed through the Platform, any document or notice that Holdings or the Borrower has indicated contains only publicly available information with respect to Holdings or the Borrower may be posted on that portion of the Platform designated for such public-side Lenders. If Holdings or the Borrower has not indicated whether a document or notice delivered contains only publicly available information, the Administrative Agent shall post such document or notice solely on that portion of the Platform designated for Lenders who wish to receive material nonpublic information with respect to Holdings, the Borrower, the Subsidiaries and their securities. Notwithstanding the foregoing, each of Holdings and the Borrower shall use commercially reasonable efforts to indicate whether any document or notice contains only publicly available information; provided however that, the following documents shall be deemed to be marked "PUBLIC," unless the Borrower notifies the Administrative Agent promptly that any such document contains material nonpublic information: (1) the Loan Documents, (2) any notification of changes in the terms of the Credit Facility and (3) all financial statements and certificates delivered pursuant to Sections 9.1(a),(b) and (d).

13.18 <u>USA PATRIOT Act</u>. Each Lender hereby notifies each Credit Party that pursuant to the requirements of the USA Patriot Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the "**Patriot Act**"), it is required to obtain, verify, and record information that identifies each Credit Party, which information includes the name and address of each Credit Party and other information that will allow such Lender to identify each Credit Party in accordance with the Patriot Act.

13.19 [Reserved].

- 13.20 Payments Set Aside. To the extent that any payment by or on behalf of Holdings or the Borrower is made to any Agent or any Lender, or any Agent or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by such Agent or such Lender in its discretion) to be repaid to a trustee, receiver, or any other party, in connection with any proceeding or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred, and (b) each Lender severally agrees to pay to the Administrative Agent upon demand its applicable share of any amount so recovered from or repaid by any Agent, plus interest thereon from the date of such demand to the date such payment is made at a rate per annum equal to the applicable Overnight Rate from time to time in effect.
- 13.21 No Fiduciary Duty. Each Agent, each Lender and their Affiliates (collectively, solely for purposes of this paragraph, the "Lenders"), may have economic interests that conflict with those of the Credit Parties, their stockholders and/or their affiliates. Each Credit Party agrees that nothing in the Credit Documents or otherwise will be deemed to create an advisory, fiduciary or agency relationship or fiduciary or other implied duty between any Lender, on the one hand, and such Credit Party, its stockholders or its affiliates, on the other. The Credit Parties acknowledge and agree that (i) the transactions contemplated by the Credit Documents (including the exercise of rights and remedies hereunder and thereunder) are arm's-length commercial transactions between the Lenders, on the one hand, and the Credit Parties, on the other, and (ii) in connection therewith and with the process leading thereto, (x) no Lender has assumed an advisory or fiduciary responsibility in favor of any Credit Party, its stockholders or its affiliates with respect to the transactions contemplated hereby (or the exercise of rights or remedies with respect thereto) or the process leading thereto (irrespective of whether any Lender has advised, is currently advising or will advise any Credit Party, its stockholders or its Affiliates on other matters) or any other obligation to any Credit Party except the obligations expressly set forth in the Credit Documents and (y) each Lender is acting solely as principal and not as the agent or fiduciary of any Credit Party, its management, stockholders or creditors. Each Credit Party acknowledges and agrees that it has consulted its own legal and financial advisors to the extent it deemed appropriate and that it is responsible for making its own independent judgment with respect to such transactions and the process leading thereto. Each Credit Party agrees that it will not claim that any Lender has rendered advisory services of any nature or respect, or owes a fiduciary or similar duty to such Cr

JOINDER AND AMENDMENT AGREEMENT, dated as of May 29, 2015 (this "<u>Agreement</u>" or "<u>Joinder and Amendment Agreement</u>"), by and among KKR Corporate Lending LLC (the "<u>New Term Loan Lender</u>"), the Borrower (as defined below), the Guarantors and Goldman Sachs Bank USA, as Administrative Agent and Collateral Agent.

RECITALS:

WHEREAS, reference is hereby made to the First Lien Credit Agreement, dated as of March 13, 2014 (as amended, restated, supplemented or otherwise modified from time to time, the "<u>Credit Agreement</u>"), among Nautilus Acquisition Holdings, Inc. ("<u>Holdings</u>"), National Vision, Inc. (the "<u>Borrower</u>"), the lenders or other financial institutions or entities from time to time party thereto and Goldman Sachs Bank USA, as Administrative Agent and Collateral Agent (capitalized terms used but not defined herein having the meaning provided in the Credit Agreement);

WHEREAS, subject to the terms and conditions of the Credit Agreement, the Borrower may establish New Term Loan Commitments by, among other things, entering into one or more Joinder Agreements with New Term Loan Lenders, as applicable;

WHEREAS, the Borrower has notified the Administrative Agent that it is requesting the establishment of New Term Loans in an aggregate principal amount of \$150,000,000 (the "New Term Loans") as an increase to the aggregate principal amount of Initial Term Loans outstanding under the Credit Agreement immediately prior to the effectiveness of this Joinder and Amendment Agreement;

WHEREAS, after giving effect to this amendment the aggregate principal amount of Initial Term Loans (which shall be deemed to include the New Term Loans) outstanding under the Credit Agreement is \$645,000,000;

WHEREAS, Section 13.1 of the Credit Agreement permits the Administrative Agent and the Borrower to amend any provision of the Credit Agreement to cure any ambiguity, omission, mistake, defect or inconsistency (as reasonably determined by the Administrative Agent and the Borrower), and such amendment will be deemed approved by the Lenders if the Lenders receive at least five (5) Business Days' prior written notice of such change, and the Administrative Agent shall have not received within five (5) Business Days of such notice a written objection to such amendments from the Required Lenders;

WHEREAS, the Borrower and the Administrative Agent have each reasonably determined that the amendment set forth in Article I herein (the "Amendment") is to solely cure a mistake and ambiguity in the Credit Agreement;

WHEREAS, the Administrative Agent posted notice of this Amendment to each of the Lenders on May 20, 2015 (the "<u>Amendment Notice Date</u>"), which is at least five (5) Business Days prior to the Amendment Effective Date (as defined below), thereby providing notice that the Borrower and the Administrative Agent intend to amend the Credit Agreement as set forth herein to cure such mistake and ambiguity in the Credit Agreement; and

WHEREAS, the Administrative Agent has not received a written notice of objection to the Amendment from the Required Lenders within five (5) Business Days following the Amendment Notice Date, and as a result, the Amendment is deemed approved by the Lenders, and shall become effective on the Amendment Effective Date pursuant to the terms of this Joinder and Amendment Agreement.

NOW, THEREFORE, in consideration of the premises and agreements, provisions and covenants herein contained, the parties hereto agree as

follows:

ARTICLE I. THE AMENDMENT

Effective as of the Amendment Effective Date, the definition of "Maximum Incremental Facilities Amount" under Section 1.1 of the Credit Agreement is hereby replaced in its entirety with the following:

"Maximum Incremental Facilities Amount" shall mean, at any date of determination, (i) the amount such that, after giving effect to the incurrence of such amount Holdings would be in compliance on a Pro Forma Basis (including any adjustments required by such definition as a result of a contemplated Permitted Acquisition and, only in the case of a simultaneous incurrence of the maximum amount permitted to be incurred under this clause (i) on the date of such incurrence together with an incurrence in reliance on clause (ii) below on such date, without giving pro forma effect to such simultaneous incurrence in reliance on clause (ii) below) with the First Lien Secured Leverage Test (assuming that all outstanding Indebtedness incurred pursuant to Section 2.14(a) or Section 10.1(x) prior to or on such date of determination would be included in the definition of Consolidated First Lien Secured Debt, whether or not such Indebtedness would otherwise be so included and assuming the Incremental Revolving Credit Commitments established at such time are fully drawn), plus (ii) the sum of (a) \$100,000,000 (less the Second Lien Base Incremental Amount) plus (b) the aggregate amount of voluntary prepayments of Loans (including purchases of the Loans by Holdings and its Subsidiaries at or below par, in which case the amount of voluntary prepayments of Loans shall be deemed not to exceed the actual purchase price of such Loans below par) (and in the case of any Loans that are not Term Loans, a corresponding commitment reduction), in each case, other than from proceeds of the incurrence of Indebtedness, minus (c) the sum of (1) the aggregate principal amount of New Loan Commitments incurred pursuant to Section 2.14(a) prior to such date and (2) the aggregate principal amount of Permitted Other Indebtedness issued or incurred (including any unused commitments obtained) pursuant to Section 10.1(x)(i)(a) prior to such date, in the case of each of the foregoing clauses (ii)(c)(1) and (ii)(c)(2) to the extent incurred in reliance on c

ARTICLE II. THE NEW TERM LOANS

The New Term Loan Lender party hereto hereby agrees to commit to provide its New Term Loan Commitment in the amount of \$150,000,000, on the terms and subject solely to the satisfaction (or waiver) of the Funding Date Conditions, to make New Term Loans on the Business Day of the proposed Borrowing to the Borrower in an aggregate principal amount not to exceed such New Term Loan Commitment.

The New Term Loan Lender (i) confirms that it has received a copy of the Credit Agreement and the other Credit Documents and the exhibits thereto, together with copies of the financial statements referred to therein and such other documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into this Agreement; (ii) agrees that it will, independently and without reliance upon the Administrative Agent, the Collateral Agent, any other New Term Loan Lender or any other Lender or Agent and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under the Credit Agreement; (iii) appoints and authorizes the Administrative Agent and the Collateral Agent to take such action as agent on its behalf and to exercise such powers under the Credit Agreement and the other Credit Documents as are delegated to the Administrative Agent or the Collateral Agent, as the case may be, by the terms thereof, together with such powers as are reasonably incidental thereto; and (iv) agrees that it will perform in accordance with their terms all of the obligations which by the terms of the Credit Agreement are required to be performed by it as a New Term Loan Lender.

The New Term Loan Lender hereby agrees that its New Term Loan Commitment and New Term Loans will be made on the terms set forth in this Article II and subject to the satisfaction (or waiver) of the Funding Date Conditions. The Borrower and the Administrative Agent hereby agree that the Credit Agreement will be amended to provide for the New Term Loans as set forth in this Article II upon the satisfaction (or waiver) of the Funding Date Conditions.

- 1. **Initial Drawing**. The New Term Loans shall be denominated in Dollars and shall be made in a single drawing on the Funding Date. Upon the funding of the New Term Loans on the Funding Date, the New Term Loan Commitment of the New Term Loan Lender shall be \$0.
- 2. **Applicable Margin**. The Applicable Margin for the New Term Loans shall be the same, as of any date of determination, as the Applicable Margin for the Initial Term Loans.
- 3. **Principal Payments**. The Borrower shall make principal payments on the Initial Term Loans (including the New Term Loans) on the dates set forth in Section 2.5(b) of the Credit Agreement occurring after the Funding Date in an amount equal to 0.25% of the product of (x) the sum of (I) the aggregate principal amount of Initial Term Loans outstanding under the Credit Agreement immediately prior to the Funding Date plus (II) the aggregate amount of the New Term Loans funded on the Funding Date and (y) a fraction, the numerator of which is equal to the aggregate principal amount of Initial Term Loans funded on March 13, 2014 and the denominator of which is equal to the aggregate principal amount of Initial Term Loans outstanding under the Credit Agreement immediately prior to the Funding Date (after such product is rounded to the nearest full dollar). Any remaining outstanding amount of Initial Term Loans (including the New Term Loans) shall be repaid in full on the Initial Term Loan Maturity Date.
- 4. **Voluntary and Mandatory Prepayments**. Scheduled installments of principal of the New Term Loans set forth above shall be reduced in connection with any voluntary or mandatory prepayments of the New Term Loans in accordance with Sections 5.1 and 5.2 of the Credit Agreement respectively. In the event that, on or prior to the date that is six months after the Funding Date, the Borrower (i) makes any prepayment of Initial Term Loans (including the New Term Loans) in connection with any Repricing Transaction the primary purpose of which is to decrease the Effective Yield on such Initial Term Loans (including the New Term Loans) or (ii) effects any amendment of the Credit Agreement resulting in a Repricing Transaction the primary purpose of which is to decrease the Effective Yield on the Initial Term Loans (including the New Term Loans), the Borrower shall pay to the Administrative Agent, for the ratable account of each of the applicable Lenders, (x) in the case of clause (i), a prepayment premium of 1.00% of the principal amount of the Initial Term Loans (including the New Term Loans) being prepaid in connection with such Repricing Transaction and (y) in the case of clause (ii), an amount equal to 1.00% of the aggregate amount of the applicable Initial Term Loans (including the New Term Loans) outstanding immediately prior to such amendment that are subject to an effective pricing reduction pursuant to such Repricing Transaction.
- 5. **Upfront Fees**. In connection with the syndication of the New Term Loans, the Borrower agrees to pay to the New Term Loan Lender upfront fees equal to 1.21% of the aggregate amount of such New Term Loans funded by the New Term Loan Lender on the Funding Date (the "<u>Upfront Fees</u>"). All Upfront Fees shall be payable in full on the Funding Date in immediately available funds and may, at the option of the Borrower, be netted against the proceeds of the New Term Loans.

- Amendment Agreement (unless the context dictates otherwise)), the New Term Loans shall have the same terms as the Initial Term Loans outstanding under the Credit Agreement immediately prior to the Funding Date and shall be treated for purposes of voluntary and mandatory prepayments (including any applicable prepayment fees and for scheduled principal payments) and all other terms as the same Class of Term Loans as the Initial Term Loans outstanding under the Credit Agreement immediately prior to the Funding Date. Upon the funding of the New Term Loans on the Funding Date, the New Term Loans shall automatically and without further action by any Person constitute Initial Term Loans for all purposes of the Credit Agreement and the other Credit Documents. The New Term Loans shall be structured as an increase to the existing Initial Term Loans outstanding under the Credit Agreement immediately prior to the Funding Date that will trade fungibly with such existing Initial Term Loans. The Administrative Agent shall take any and all action as may be reasonably necessary to ensure that the New Term Loans are included in each Borrowing and repayment of Initial Term Loans on a pro rata basis. In furtherance of the foregoing, on the Funding Date, there shall commence an initial Interest Period with respect to the New Term Loans, which Interest Period shall end on the last day of the Interest Period applicable to the existing Initial Term Loans as in effect immediately prior to the Funding Date.
- 7. **Proposed Borrowing**. This Agreement represents a request by the Borrower to borrow New Term Loans from the New Term Loan Lender as set forth on the applicable Borrowing notice delivered by the Borrower under the Credit Agreement.
- 8. **New Term Loan Lender**. To the extent not already a Lender, the New Term Loan Lender acknowledges and agrees that upon its execution of this Agreement that such New Term Loan Lender shall become a "Lender" and an "Initial Term Loan Lender" under, and for all purposes of, the Credit Agreement and the other Credit Documents, and shall be subject to and bound by the terms thereof, and shall perform all the obligations of and shall have all rights of a Lender thereunder. For purposes of <u>Section 12</u> and <u>Section 13.5</u> of the Credit Agreement, KKR Capital Markets LLC shall be deemed to be an Agent.
- 9. **Credit Agreement Governs.** Except as set forth in this Agreement, the New Term Loans shall otherwise be subject to the provisions of the Credit Agreement and the other Credit Documents.

ARTICLE III. OTHER TERMS OF THE JOINDER AND AMENDMENT AGREEMENT

- 1. **Representations and Warranties**. The Borrower hereby represents and warrants that this Agreement has been duly authorized, executed and delivered by each Credit Party hereto and constitutes the legal, valid and binding obligations of each such Credit Party enforceable against it in accordance with its terms, except that the enforceability hereof may be limited by bankruptcy, insolvency or similar laws affecting creditors' rights generally and subject to general principles of equity.
- 2. **Borrower and Guarantor Certifications**. By its execution of this Agreement, the undersigned officer of the Borrower and the Guarantors party hereto, to the best of his or her knowledge, and the Borrower and Guarantors hereby certify that (the "Borrower and Guarantor Certifications"):

RECITALS:

WHEREAS, reference is hereby made to the First Lien Credit Agreement, dated as of March 13, 2014 (as amended, restated, supplemented or otherwise modified from time to time, including pursuant to the Joinder and Amendment Agreement, dated as of May 29, 2015 (the "Amendment No. 1 Effective Date"), the "Credit Agreement"), among Nautilus Acquisition Holdings, Inc. ("Holdings"), National Vision, Inc. (the "Borrower"), the lenders or other financial institutions or entities from time to time party thereto and Goldman Sachs Bank USA, as Administrative Agent and Collateral Agent (capitalized terms used but not defined herein having the meaning provided in the Credit Agreement);

WHEREAS, subject to the terms and conditions of the Credit Agreement, the Borrower may establish New Term Loan Commitments by, among other things, entering into one or more Joinder Agreements with New Term Loan Lenders, as applicable;

WHEREAS, the Borrower has notified the Administrative Agent that it is requesting the establishment of New Term Loans in an aggregate principal amount of \$175,000,000 (the "New Term Loans") as an increase to the aggregate principal amount of Initial Term Loans outstanding under the Credit Agreement immediately prior to the effectiveness of this Joinder Agreement;

WHEREAS, after giving effect to this Joinder Agreement the aggregate principal amount of Initial Term Loans (which shall be deemed to include the New Term Loans) outstanding under the Credit Agreement is \$808,598,484.84.

NOW, THEREFORE, in consideration of the premises and agreements, provisions and covenants herein contained, the parties hereto agree as follows:

ARTICLE I. THE NEW TERM LOANS

The New Term Loan Lender party hereto hereby agrees to commit to provide its New Term Loan Commitment in the amount of \$175,000,000, on the terms and subject solely to the satisfaction (or waiver) of the Funding Date Conditions, to make New Term Loans on the Business Day of the proposed Borrowing to the Borrower in an aggregate principal amount not to exceed such New Term Loan Commitment.

The New Term Loan Lender (i) confirms that it has received a copy of the Credit Agreement and the other Credit Documents and the exhibits thereto, together with copies of the financial statements referred to therein and such other documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into this Agreement; (ii) agrees that it will, independently and without reliance upon the Administrative Agent, the Collateral Agent, any other New Term Loan Lender or any other Lender or Agent and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under the Credit Agreement; (iii) appoints and authorizes the Administrative Agent and the Collateral Agent to take such action as agent on its behalf and to exercise such powers under the Credit Agreement and the other Credit Documents as are delegated to the Administrative Agent or the Collateral Agent, as the case may be, by the terms thereof, together with such powers as are reasonably incidental thereto; and (iv) agrees that it will perform in accordance with their terms all of the obligations which by the terms of the Credit Agreement are required to be performed by it as a New Term Loan Lender.

The New Term Loan Lender hereby agrees that its New Term Loan Commitment and New Term Loans will be made on the terms set forth in this Article I and subject to the satisfaction (or waiver) of the Funding Date Conditions. The Borrower and the Administrative Agent hereby agree that the Credit Agreement will be amended to provide for the New Term Loans as set forth in this Article I upon the satisfaction (or waiver) of the Funding Date Conditions.

- 1. **Initial Drawing.** The New Term Loans shall be denominated in Dollars and shall be made in a single drawing on the Funding Date. Upon the funding of the New Term Loans on the Funding Date, the New Term Loan Commitment of the New Term Loan Lender shall be \$0.
- 2. **Applicable Margin**. The Applicable Margin for the New Term Loans shall be the same, as of any date of determination, as the Applicable Margin for the Initial Term Loans.
- 3. **Principal Payments**. The Borrower shall make principal payments on the Initial Term Loans (including the New Term Loans) on the dates set forth in Section 2.5(b) of the Credit Agreement occurring after the Funding Date in an amount equal to \$2,078,659.35. Any remaining outstanding amount of Initial Term Loans (including the New Term Loans) shall be repaid in full on the Initial Term Loan Maturity Date.
- 4. **Voluntary and Mandatory Prepayments**. Scheduled installments of principal of the New Term Loans set forth above shall be reduced in connection with any voluntary or mandatory prepayments of the New Term Loans in accordance with Sections 5.1 and 5.2 of the Credit Agreement respectively. In the event that, on or prior to the date that is six months after the Funding Date, the Borrower (i) makes any prepayment of Initial Term Loans (including the New Term Loans) in connection with any Repricing Transaction the primary purpose of which is to decrease the Effective Yield on such Initial Term Loans (including the New Term Loans) or (ii) effects any amendment of the Credit Agreement resulting in a Repricing Transaction the primary purpose of which is to decrease the Effective Yield on the Initial Term Loans (including the New Term Loans), the Borrower shall pay to the Administrative Agent, for the ratable account of each of the applicable Lenders, (x) in the case of clause (i), a prepayment premium of 1.00% of the principal amount of the Initial Term Loans (including the New Term Loans) being prepaid in connection with such Repricing Transaction and (y) in the case of clause (ii), an amount equal to 1.00% of the aggregate amount of the applicable Initial Term Loans (including the New Term Loans) outstanding immediately prior to such amendment that are subject to an effective pricing reduction pursuant to such Repricing Transaction.
- 5. **Upfront Fees**. In connection with the syndication of the New Term Loans, the Borrower agrees to pay to the New Term Loan Lender upfront fees equal to 0.75% of the aggregate amount of such New Term Loans funded by the New Term Loan Lender on the Funding Date (the "<u>Upfront Fees</u>"). All Upfront Fees shall be payable in full on the Funding Date in immediately available funds and may, at the option of the Borrower, be netted against the proceeds of the New Term Loans.

- 6. **Terms Generally**. Other than as set forth herein, for all purposes under the Credit Agreement and the other Credit Documents (including this Joinder Agreement (unless the context dictates otherwise)), the New Term Loans shall have the same terms as the Initial Term Loans outstanding under the Credit Agreement immediately prior to the Funding Date and shall be treated for purposes of voluntary and mandatory prepayments (including any applicable prepayment fees and for scheduled principal payments) and all other terms as the same Class of Term Loans as the Initial Term Loans outstanding under the Credit Agreement immediately prior to the Funding Date. Upon the funding of the New Term Loans on the Funding Date, the New Term Loans shall automatically and without further action by any Person constitute Initial Term Loans for all purposes of the Credit Agreement and the other Credit Documents. The New Term Loans shall be structured as an increase to the existing Initial Term Loans outstanding under the Credit Agreement immediately prior to the Funding Date that will trade fungibly with such existing Initial Term Loans. The Administrative Agent shall take any and all action as may be reasonably necessary to ensure that the New Term Loans are included in each Borrowing and repayment of Initial Term Loans on a pro rata basis. In furtherance of the foregoing, on the Funding Date, there shall commence an initial Interest Period with respect to the New Term Loans, which Interest Period shall end on the last day of the Interest Period applicable to the existing Initial Term Loans as in effect immediately prior to the Funding Date.
- 7. **Proposed Borrowing**. This Agreement represents a request by the Borrower to borrow New Term Loans from the New Term Loan Lender as set forth on the applicable Borrowing notice delivered by the Borrower under the Credit Agreement.
- 8. **New Term Loan Lender**. To the extent not already a Lender, the New Term Loan Lender acknowledges and agrees that upon its execution of this Agreement that such New Term Loan Lender shall become a "Lender" and an "Initial Term Loan Lender" under, and for all purposes of, the Credit Agreement and the other Credit Documents, and shall be subject to and bound by the terms thereof, and shall perform all the obligations of and shall have all rights of a Lender thereunder. For purposes of <u>Section 12</u> and <u>Section 13.5</u> of the Credit Agreement, KKR Capital Markets LLC shall be deemed to be an Agent.
- 9. **Credit Agreement Governs.** Except as set forth in this Agreement, the New Term Loans shall otherwise be subject to the provisions of the Credit Agreement and the other Credit Documents.

If any amount shall be paid to any Guarantor on account of such subrogation rights at any time prior to the Termination Date, such amount shall be held by such Guarantor in trust for the Collateral Agent and the other Secured Parties, segregated from other funds of such Guarantor, and shall, forthwith upon receipt by such Guarantor, be turned over to the Collateral Agent in the exact form received by such Guarantor (duly indorsed by such Guarantor to the Collateral Agent, if required), to be applied against the Obligations whether matured or unmatured, in accordance with Section 5.4 of the Security Agreement.
- Amendments, etc. with Respect to the Obligations; Waiver of Rights. Each Guarantor shall remain obligated hereunder notwithstanding that, without any reservation of rights against any Guarantor and without notice to or further assent by any Guarantor, (a) any demand for payment of any of the Obligations made by the Collateral Agent or any other Secured Party may be rescinded by such party and any of the Obligations continued, (b) the Obligations, or the liability of any other party upon or for any part thereof, or any collateral security or guarantee therefor or right of offset with respect thereto, may, from time to time, in whole or in part, be renewed, extended, amended, modified, accelerated, compromised, waived, surrendered or released by the Collateral Agent or any other Secured Party, (c) the Credit Agreement, the other Credit Documents, the Letters of Credit and any other documents executed and delivered in connection therewith and the Secured Cash Management Agreements and Secured Hedge Agreements and any other documents executed and delivered in connection therewith may be amended, modified, supplemented or terminated, in whole or in part, as the Administrative Agent (or the Required Lenders, as the case may be, or, in the case of any Secured Cash Management Agreement or Secured Hedge Agreement, the Cash Management Bank or Hedge Bank party thereto) may deem advisable from time to time and (d) any collateral security, guarantee or right of offset at any time held by the Collateral Agent or any other Secured Party for the payment of any of the Obligations may be sold, exchanged, waived, surrendered or released. 8. Guarantee Absolute and Unconditional.

- Each Guarantor waives any and all notice of the creation, contraction, incurrence, renewal, extension, amendment, waiver or accrual of any of the Obligations, and notice of or proof of reliance by the Collateral Agent or any other Secured Party upon this Guarantee or acceptance of this Guarantee. All Obligations shall conclusively be deemed to have been created, contracted or incurred, or renewed, extended, amended, waived or accrued, in reliance upon this Guarantee, and all dealings between the Borrower and any of the Guarantors, on the one hand, and the Collateral Agent and the other Secured Parties, on the other hand, likewise shall be conclusively presumed to have been had or consummated in reliance upon this Guarantee. To the fullest extent permitted by applicable law, each Guarantor waives diligence, promptness, presentment, protest and notice of protest, demand for payment or performance, notice of default or nonpayment, notice of acceptance and any other notice in respect of the Obligations or any part of them, and any defense arising by reason of any disability or other defense of the Borrower or any of the Guarantors with respect to the Obligations. Each Guarantor understands and agrees that this Guarantee shall be construed as a continuing, absolute and unconditional guarantee of payment without regard to (a) the validity, regularity or enforceability of the Credit Agreement, any other Credit Document, any Letter of Credit, any Secured Cash Management Agreement, any Secured Hedge Agreement, any of the Obligations or any collateral security therefor or guarantee or right of offset with respect thereto at any time or from time to time held by the Collateral Agent or any other Secured Party, (b) any defense, set-off or counterclaim (other than a defense of payment or performance) that may at any time be available to or be asserted by the Borrower against the Collateral Agent or any other Secured Party or (c) any other circumstance whatsoever (with or without notice to or knowledge of the Borrower or such Guarantor) that constitutes, or might be construed to constitute, an equitable or legal discharge of the Borrower for the Obligations, or of such Guarantor under this Guarantee, in bankruptcy or in any other instance. When pursuing its rights and remedies hereunder against any Guarantor, the Collateral Agent and any other Secured Party may, but shall be under no obligation to, pursue such rights and remedies as it may have against the Borrower or any Guarantor or any other Person or against any collateral security or guarantee for the Obligations or any right of offset with respect thereto, and any failure by the Collateral Agent or any other Secured Party to pursue such other rights or remedies or to collect any payments from the Borrower or any Guarantor or any such other Person or to realize upon any such collateral security or guarantee or to exercise any such right of offset, or any release of the Borrower or any Guarantor or any such other Person or any such collateral security, guarantee or right of offset, shall not relieve such Guarantor of any liability hereunder, and shall not impair or affect the rights and remedies, whether express, implied or available as a matter of law, of the Collateral Agent and the other Secured Parties against such Guarantor.
- (b) This Guarantee shall remain in full force and effect and be binding in accordance with and to the extent of its terms upon each Guarantor and the successors and assigns thereof and shall inure to the benefit of the Collateral Agent and the other Secured Parties and their respective successors, indorsees, transferees and assigns permitted under the Credit Agreement until the Termination Date, notwithstanding that from time to time during the term of the Credit Agreement and any Secured Cash Management Agreement or Secured Hedge Agreement the Credit Parties may be free from any Obligations.
- (c) A Guarantor shall automatically be released from its obligations hereunder and the Guarantee of such Guarantor shall be automatically released under the circumstances described in Section 13.1 of the Credit Agreement.
- (d) The Guarantors jointly and severally agree that, as between the Guarantors and the Secured Parties, the Obligations under the Credit Documents may be declared to be forthwith due and payable as provided in Section 11 of the Credit Agreement (and shall be deemed to have become automatically due and payable in the circumstances provided in such Section) for purposes of Section 2, notwithstanding any stay, injunction or other prohibition preventing such declaration (or such obligations from becoming automatically due and payable) as against the Borrower and that, in the event of such declaration (or such obligations being deemed to have become automatically due and payable), such obligations (whether or not due and payable by the Borrower) shall forthwith become due and payable by the Guarantors for purposes of Section 2.

- 9. <u>Reinstatement.</u> This Guarantee shall continue to be effective, or be reinstated, as the case may be, if at any time, payment, or any part thereof, of any of the Obligations is rescinded or must otherwise be restored or returned by the Collateral Agent or any other Secured Party upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of the Borrower or any Guarantor, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for, the Borrower or any Guarantor or any substantial part of its property, or otherwise, all as though such payments had not been made.
- 10. <u>Payments</u>. Each Guarantor hereby guarantees that payments hereunder will be paid to the Collateral Agent without set-off or counterclaim in Dollars (based on the Dollar Equivalent amount of such Obligations on the date of payment) at the Collateral Agent's office. Each Guarantor agrees that the provisions of Section 5.4 of the Credit Agreement shall apply to such Guarantor's obligations under this Guarantee.

11. Representations and Warranties; Covenants.

- (a) Each Guarantor hereby represents and warrants that the representations and warranties set forth in Section 8 of the Credit Agreement as they relate to such Guarantor and in the other Credit Documents to which such Guarantor is a party, each of which hereby incorporated herein by reference, are true and correct in all material respects as of the Closing Date (except where such representations and warranties expressly relate to an earlier date, in which case such representations and warranties were true and correct in all material respects as of such earlier date and if any such representation and warranties are qualified by materiality, material adverse effect or similar language, such representations and warranties shall be true and correct in all respects), and the Collateral Agent and each other Secured Party shall be entitled to rely on each of them as if they were fully set forth herein.
- (b) Each Guarantor hereby covenants and agrees with the Collateral Agent and each other Secured Party that, from and after the date of this Guarantee until the Termination Date, such Guarantor shall take, or shall refrain from taking, as the case may be, all actions that are necessary to be taken or not taken so that no violation of any provision, covenant or agreement contained in Section 9 or Section 10 of the Credit Agreement and so that no Default or Event of Default is caused by any act or failure to act of such Guarantor.

12. Authority of the Collateral Agent.

(a) The Collateral Agent enters into this Guarantee in its capacity as agent for the Secured Parties from time to time. The rights and obligations of the Collateral Agent under this Guarantee at any time are the rights and obligations of the Secured Parties at that time. Each of the Secured Parties has (subject to the terms of the Credit Documents) a several entitlement to each such right, and a several liability in respect of each such obligation, in the proportions described in the Credit Documents. The rights, remedies and discretions of the Secured Parties, or any of them, under this Guarantee may be exercised by the Collateral Agent. Upon such an occurrence, the persons then comprising the Secured Parties are vested with the rights, remedies and discretions and assume the obligations of the Secured Parties under this Guarantee. Each party to this Guarantee irrevocably authorizes the Collateral Agent to give effect to the change in Lenders contemplated in this Section 12(b) by countersigning an Assignment and Acceptance.
- (c) Neither the Collateral Agent nor any of its officers, directors, employees, agents, attorneys-in-fact or Affiliates shall be liable to any party for any action taken or omitted to be taken by any of them under or in connection with this Agreement or any Credit Document (except for its or such other Person's own gross negligence or willful misconduct, as determined in the final non-appealable judgment of a court of competent jurisdiction).
- 13. <u>Notices</u>. All notices, requests and demands pursuant hereto shall be made in accordance with Section 13.2 of the Credit Agreement. All communications and notices hereunder to any Guarantor shall be given to it in care of Holdings at the Holdings' address set forth in Section 13.2 of the Credit Agreement.
- 14. <u>Counterparts</u>. This Guarantee may be executed by one or more of the parties to this Guarantee on any number of separate counterparts (including by facsimile or other electronic transmission), and all of said counterparts taken together shall be deemed to constitute one and the same instrument. A set of the copies of this Guarantee signed by all the parties shall be lodged with the Collateral Agent and Holdings.
- 15. <u>Severability</u>. Any provision of this Guarantee that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.
- 16. <u>Integration</u>. This Guarantee, together with the other Credit Documents and each other document in respect of any Secured Hedge Agreement and any Secured Cash Management Agreement, represents the agreement of each Guarantor and the Collateral Agent with respect to the subject matter hereof, and there are no promises, undertakings, representations or warranties by the Guarantors or the Collateral Agent or any other Secured Party relative to the subject matter hereof not expressly set forth or referred to herein or in the other Credit Documents or each other document in respect of any Secured Hedge Agreement or any Secured Cash Management Agreement.
 - 17. <u>Amendments in Writing; No Waiver; Cumulative Remedies.</u>
- (a) None of the terms or provisions of this Guarantee may be waived, amended, supplemented or otherwise modified except in accordance with Section 13.1 of the Credit Agreement.
- (b) Neither the Collateral Agent nor any other Secured Party shall by any act (except by a written instrument pursuant to Section 17(a)), delay, indulgence, omission or otherwise be deemed to have waived any right or remedy hereunder or to have acquiesced in any Default or Event of Default or in any breach of any of the terms and conditions hereof. No failure to exercise, nor any delay in exercising, on the part of the Collateral Agent or any other Secured Party, any right, power or privilege hereunder shall operate as a waiver thereof. No single or partial exercise of any right, power or privilege hereunder shall preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

A waiver by the Collateral Agent or any other Secured Party of any right or remedy hereunder on any one occasion shall not be construed as a bar to any right or remedy that the Collateral Agent or any Secured Party would otherwise have on any future occasion.

Each Subsidiary of Holdings that is required to become a party to this Guarantee pursuant to Section 9.11 of the Credit Agreement shall become a Guarantor, with the same force and effect as if originally named as a Guarantor herein, for all purposes of this Guarantee, upon execution and delivery by such Subsidiary of a written supplement substantially in the form of Annex A hereto (each such written supplement, a "Guarantor Supplement"). The execution and delivery of any instrument adding an additional Guarantor as a party to this Guarantee shall not require the consent of any other Guarantor hereunder. The rights and obligations of each Guarantor hereunder shall remain in full force and effect notwithstanding the addition of any new Guarantor as a party to this Guarantee.
- 21. <u>WAIVER OF JURY TRIAL</u>. EACH PARTY HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES (TO THE EXTENT PERMITTED BY APPLICABLE LAW) TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS GUARANTEE OR ANY OTHER CREDIT DOCUMENT AND FOR ANY COUNTERCLAIM THEREIN.
 - 22. <u>Submission to Jurisdiction; Waivers; Service of Process</u>. Each party hereto hereby irrevocably and unconditionally:
 - (a) submits for itself and its property in any legal action or proceeding relating to this Guarantee and the other Credit Documents to which it is a party to the exclusive general jurisdiction of the courts of the State of New York or the courts of the United States for the Southern District of New York, in each case sitting in New York City in the Borough of Manhattan, and appellate courts from any thereof;
 - (b) consents that any such action or proceeding may be brought in such courts and waives (to the extent permitted by applicable law) any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same or to commence or support any such action or proceeding in any other courts;
 - (c) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to such Person at its address referred to in <u>Section 13</u> or at such other address of which the Collateral Agent shall have been notified pursuant thereto;

- (d) agrees that nothing herein shall affect the right of the Collateral Agent or any other Secured Party to effect service of process in any other manner permitted by law or to commence legal proceedings or otherwise proceed against any Guarantor in any other jurisdiction; and
- (e) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this <u>Section 22</u> any special, exemplary, punitive or consequential damages.

Each Guarantor hereby irrevocably and unconditionally appoints the Borrower as its agent for service of process in any suit, action or proceeding with respect to this Guarantee and each other Credit Document and agrees that service of process in any such suit, action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to such Guarantor in care of the Borrower at the Borrower's address set forth in the Credit Agreement and each Guarantor hereby irrevocably authorizes and directs the Borrower (or such other substitute agent) to accept such service on its behalf.

- (c) Anything herein to the contrary notwithstanding, each Grantor shall remain liable under each of the Accounts to observe and perform all the conditions and obligations to be observed and performed by it thereunder, all in accordance with the terms of any agreement giving rise thereto. Code and Other Remedies. Subject to the terms of the Intercreditor Agreements, if an Event of Default shall occur and be continuing, and after giving prior notice to the Borrower and any applicable Grantor, the Collateral Agent may exercise in respect of the Collateral, in addition to all other rights and remedies provided for herein or otherwise available to it, all the rights and remedies of a secured party upon default under the UCC or any other applicable law and also may with notice to the relevant Grantor, sell the Collateral or any part thereof in one or more parcels at public or private sale or sales, at any exchange, broker's board or office of the Collateral Agent or any Secured Party or elsewhere for cash or on credit or for future delivery at such price or prices and upon such other terms as are commercially reasonable irrespective of the impact of any such sales on the market price of the Collateral. To the extent permitted by law, each Grantor hereby waives any claim against the Collateral Agent arising by reason of the fact that the price at which any Collateral may have been sold at such a private sale was less than the price that might have been obtained at a public sale, even if the Collateral Agent accepts the first offer received and does not offer such Collateral to more than one offeree. Each Grantor further agrees, at the Collateral Agent's request, to assemble the Collateral and make it available to the Collateral Agent, at places which the Collateral Agent shall reasonably select, whether at such Grantor's premises or elsewhere. The Collateral Agent shall apply the net proceeds of any action taken by it pursuant to this <u>Section 5.5</u> in accordance with the provisions of <u>Section 5.4</u>.

- 5.6 <u>Deficiency</u>. Each Grantor shall remain liable for any deficiency if the proceeds of any sale or other disposition of the Collateral are insufficient to pay its Obligations and the reasonable and documented fees and disbursements of any attorneys employed by the Collateral Agent or any Secured Party to collect such deficiency (in each case subject to the limitations set forth in Section 13.5 of the Credit Agreement).

Neither the Collateral Agent nor any other Secured Party shall have any obligation to protect, secure, perfect or insure any Lien at any time held by it as security for the Obligations or for this Security Agreement or any property subject thereto. When making any demand hereunder against any Grantor, the Collateral Agent or any other Secured Party may, but shall be under no obligation to, make a similar demand on any Grantor or any other Person, and any failure by the Collateral Agent or any other Secured Party to make any such demand or to collect any payments from any Grantor or any other Person or any release of any Grantor or any other Person shall not relieve any Grantor in respect of which a demand or collection is not made or any Grantor not so released of its several obligations or liabilities hereunder, and shall not impair or affect the rights and remedies, express or implied, or as a matter of law, of the Collateral Agent or any other Secured Party against any Grantor. No single or partial exercise of any right, power or privilege hereunder shall preclude any other or further exercise thereof or the exercise of any other right, power or privilege. A waiver by the Collateral Agent or any other Secured Party of any right or remedy hereunder on any one occasion shall not be construed as a bar to any right or remedy that the Collateral Agent or such other Secured Party would otherwise have on any future occasion. - 8.6 <u>Successors and Assigns</u>. The provisions of this Security Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that no Grantor may assign, transfer or delegate any of its rights or obligations under this Security Agreement without the prior written consent of the Collateral Agent except pursuant to a transaction permitted by the Credit Agreement.
- 8.7 <u>Counterparts</u>. This Security Agreement may be executed by one or more of the parties to this Security Agreement on any number of separate counterparts (including by facsimile or other electronic transmission), and all of said counterparts taken together shall be deemed to constitute one and the same instrument. A set of the copies of this Security Agreement signed by all the parties shall be lodged with the Collateral Agent and Holdings.
- 8.8 <u>Severability.</u> Any provision of this Security Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. The parties hereto shall endeavor in good faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

 - (b) the Pledged Debt and the instruments evidencing the Pledged Debt owed to such Pledgor, and all interest, cash, instruments and other property or Proceeds from time to time received, receivable or otherwise distributed in respect of or in exchange for any or all of such Pledged Debt; and

(c) to the extent not covered by clauses (a) and (b) above, respectively, all Proceeds of any or all of the foregoing Collateral.

Notwithstanding the foregoing, the Collateral (and any defined term used in the definition thereof) for the Obligations shall not include any Excluded Stock and Stock Equivalents or any Excluded Property.

- 3. <u>Delivery of the Collateral</u>. All certificates or instruments, if any, representing or evidencing the Collateral shall be promptly (and in any event within 90 days (or such longer period as the Collateral Agent may reasonably agree)), delivered to and held by or on behalf of the Collateral Agent pursuant hereto to the extent required by the Credit Agreement and shall be in suitable form for transfer by delivery, or shall be accompanied by duly executed instruments of transfer or assignment in blank, all in form and substance reasonably satisfactory to the Collateral Agent. The Collateral Agent shall have the right, at any time after the occurrence and during the continuance of an Event of Default, subject to the Intercreditor Agreements, and upon at least 3 Business Days' prior written notice to the relevant Pledgor, to transfer to or to register in the name of the Collateral Agent or any of its nominees any or all of the Pledged Shares.
 - 4. Representations and Warranties. Each Pledgor represents and warrants, after giving effect to the Transactions, as follows:
 - (a) Schedule 1 hereto (i) correctly represents as of the Closing Date (A) the issuer, the certificate number, the Pledgor and the record and beneficial owner, the number and class and the percentage of the issued and outstanding Equity Interests of such class of all Pledged Shares and (B) the issuer, the initial principal amount, the Pledgor and holder, date of issuance and maturity date of all Pledged Debt and (ii) together with the comparable schedule to each supplement hereto, includes all Equity Interests, debt securities and promissory notes required to be pledged hereunder. Except as set forth on Schedule 1, and except for Excluded Stock and Stock Equivalents, the Pledged Shares represent all (or 66% in the case of pledges of the Voting Stock of Foreign Subsidiaries or any Domestic Subsidiary substantially all of the assets of which consist of Capital Stock and/or debt of Foreign Subsidiaries that are CFCs) of the issued and outstanding Equity Interests of each class of Equity Interests in the issuer on the Closing Date.
 - (b) Such Pledgor is the legal and beneficial owner of the Collateral pledged or collaterally assigned by such Pledgor hereunder free and clear of any Lien, except for Permitted Liens and the Lien created by this Pledge Agreement.
 - (c) As of the Closing Date, the Pledged Shares pledged by such Pledgor hereunder have been duly authorized and validly issued and, in the case of Pledged Shares issued by a corporation, are fully paid and non-assessable, in each case, to the extent such concepts are applicable in the jurisdiction of organization of the respective issuer.
 - (d) The execution and delivery by such Pledgor of this Pledge Agreement and the pledge of the Collateral pledged by such Pledgor hereunder pursuant hereto create a legal, valid and enforceable security interest in such Collateral (with respect to Collateral consisting of the Equity Interests or Pledged Debt of Foreign Subsidiaries, to the extent the creation of such Security Interest is governed by the Uniform Commercial Code of any applicable jurisdiction) and, upon delivery of such Collateral to the Collateral Agent, shall constitute a fully perfected Lien on and security interest in the Collateral, securing the payment of the Obligations, in favor of the Collateral Agent for the benefit of the Secured Parties (with respect to Collateral consisting of the Equity Interests or Pledged Debt of Foreign Subsidiaries, to the extent the creation and perfection of such Security Interest is governed by the Uniform Commercial Code of any applicable jurisdiction), except as enforceability thereof may be limited by bankruptcy, insolvency or other similar laws affecting creditors' rights generally and subject to general principles of equity and principles of good faith and fair dealing.

- (e) Such Pledgor has full organizational power, authority and legal right to pledge all the Collateral pledged by such Pledgor pursuant to this Pledge Agreement and this Pledge Agreement constitutes a legal, valid and binding obligation of each Pledgor (with respect to Collateral consisting of the Equity Interests or Pledged Debt of Foreign Subsidiaries, to the extent the enforceability of such Security Interest is governed by the Uniform Commercial Code of any applicable jurisdiction), enforceable in accordance with its terms, except as enforceability thereof may be limited by bankruptcy, insolvency or other similar laws affecting creditors' rights generally and subject to general principles of equity and principles of good faith and fair dealing.
 - 5. <u>Certification of Limited Liability Company, Limited Partnership Interests, Equity Interests in Foreign Subsidiaries and Pledged Debt.</u>
- (a) With respect to any Equity Interests in any Subsidiary that are not a security as defined in Section 8-102(a)(15) of the Uniform Commercial Code of any applicable jurisdiction or pursuant to Section 8-103 of the Uniform Commercial Code of any applicable jurisdiction, if any Pledgor shall take any action that, under such sections, converts such Equity Interests into a security, such Pledgor shall give prompt written notice thereof to the Collateral Agent and cause the issuer thereof to issue to it certificates or instruments evidencing such Equity Interests, which it shall promptly deliver to the Collateral Agent as provided in Section 3.
 - (b) Each Pledgor will comply with Section 9.12 of the Credit Agreement.
- (c) In the event that any Equity Interests in any Foreign Subsidiary pledged hereunder are not represented by a certificate, the Pledgors agree not to permit such Foreign Subsidiary to issue Equity Interests represented by a certificate to any other Person.
- 6. <u>Further Assurances</u>. Subject to the terms and limitations of Sections 9.11, 9.12 and 9.14 of the Credit Agreement and 3.2(c) of the Security Agreement, each Pledgor agrees that at any time and from time to time, at the expense of such Pledgor, it will execute or otherwise authorize the filing of any and all further documents, financing statements, agreements and instruments, and take all such further actions (including the filing and recording of financing statements, deeds of trust and other documents), which may be required under any applicable law, or which the Collateral Agent may reasonably request, in order (x) to perfect and protect any pledge, assignment or security interest granted or purported to be granted hereby (including the priority thereof) or (y) to enable the Collateral Agent to exercise and enforce its rights and remedies hereunder with respect to any Collateral. Each Pledgor hereby irrevocably authorizes the Collateral Agent and its Affiliates, counsel and other representatives, at any time and from time to time, to file or record financing statements, amendments to financing statements and, with notice to the applicable Grantors, other filing or recording documents or instruments with respect to the Collateral in such form and in such offices as the Collateral Agent reasonably determines appropriate to perfect the Security Interest of the Collateral Agent under this Pledge Agreement.
 - 7. <u>Voting Rights; Dividends and Distributions; Etc.</u>
 - (a) So long as no Event of Default shall have occurred and be continuing:

- (i) Each Pledgor shall be entitled to exercise any and all voting and other consensual rights pertaining to the Collateral or any part thereof for any purpose not prohibited by the terms of this Pledge Agreement or the other Credit Documents.
- (ii) The Collateral Agent shall execute and deliver (or cause to be executed and delivered) to each Pledgor all such proxies and other instruments as such Pledgor may reasonably request for the purpose of enabling such Pledgor to exercise the voting and other rights that it is entitled to exercise pursuant to paragraph (i) above.
- (b) Subject to paragraph (c) below, each Pledgor shall be entitled to receive and retain and use, free and clear of the Lien created by this Pledge Agreement, any and all dividends, distributions, principal and interest made or paid in respect of the Collateral to the extent permitted by the Credit Agreement, as applicable; provided, however, that any and all noncash dividends, interest, principal or other distributions that would constitute Pledged Shares or Pledged Debt, whether resulting from a subdivision, combination or reclassification of the outstanding Equity Interests of the issuer of any Pledged Shares or received in exchange for Pledged Shares or Pledged Debt or any part thereof, or in redemption thereof, or as a result of any merger, consolidation, acquisition or other exchange of assets to which such issuer may be a party or otherwise, shall be, and shall be forthwith delivered to the Collateral Agent to hold as, Collateral and shall, if received by such Pledgor, be received in trust for the benefit of the Collateral Agent, be segregated from the other property or funds of such Pledgor and be forthwith delivered to the Collateral Agent as Collateral in the same form as so received (with any necessary endorsement).
- (c) Upon at least three Business Days' prior written notice to a Pledgor by the Collateral Agent that the Collateral Agent is exercising its rights under this Section 7(c), following the occurrence and during the continuance of an Event of Default, subject to the terms of the Intercreditor Agreements,
 - (i) all rights of such Pledgor to exercise or refrain from exercising the voting and other consensual rights that it would otherwise be entitled to exercise pursuant to Section 7(a)(i) shall cease, and all such rights shall thereupon become vested in the Collateral Agent, which shall thereupon have the sole right to exercise or refrain from exercising such voting and other consensual rights during the continuance of such Event of Default, provided that, unless otherwise directed by the Required Lenders, the Collateral Agent shall have the right from time to time following the occurrence and during the continuance of an Event of Default, subject to the terms of the Intercreditor Agreements, to permit the Pledgors to exercise such rights. After all Events of Default have been cured or waived, each Pledgor will have the right to exercise the voting and consensual rights that such Pledgor would otherwise be entitled to exercise pursuant to the terms of Section 7(a)(i) (and the obligations of the Collateral Agent under Section 7(a)(ii) shall be reinstated);
 - (ii) all rights of such Pledgor to receive the dividends, distributions and principal and interest payments that such Pledgor would otherwise be authorized to receive and retain pursuant to <u>Section 7(b)</u> shall cease, and all such rights shall thereupon become vested in the Collateral Agent, which, subject to the terms of the Intercreditor Agreements, shall thereupon have the sole right to receive and hold as Collateral such dividends, distributions and principal and interest payments during the continuance of such Event of Default. After all Events of Default have been cured or waived, the Collateral Agent shall repay to each Pledgor (without interest) all dividends, distributions and principal and interest payments not otherwise applied in accordance with <u>Section 11(b)</u> that such Pledgor would otherwise be permitted to receive, retain and use pursuant to the terms of <u>Section 7(b)</u>;

- (iii) all dividends, distributions and principal and interest payments that are received by such Pledgor contrary to the provisions of Section Z(b) shall be received in trust for the benefit of the Collateral Agent and segregated from other property or funds of such Pledgor and shall forthwith be delivered to the Collateral Agent as Collateral in the same form as so received (with any necessary endorsements); and
- (iv) in order to permit the Collateral Agent to receive all dividends, distributions and principal and interest payments to which it may be entitled under Section 7(b) above, to exercise the voting and other consensual rights that it may be entitled to exercise pursuant to Section 7(c)(i) above, and to receive all dividends, distributions and principal and interest payments that it may be entitled to under Sections 7(c)(ii) and (c)(iii) above, such Pledgor shall from time to time execute and deliver to the Collateral Agent, appropriate proxies, dividend payment orders and other instruments as the Collateral Agent may reasonably request in writing, subject to the terms of the Intercreditor Agreements.
 - 8. <u>Transfers and Other Liens; Additional Collateral; Etc.</u> Subject to the terms of the Intercreditor Agreements, each Pledgor shall:
- (a) not (i) except as permitted by the Credit Agreement, sell or otherwise dispose of, or grant any option or warrant with respect to, any of the Collateral or (ii) create or suffer to exist any consensual Lien upon or with respect to any of the Collateral, except for Permitted Liens and the Lien created by this Pledge Agreement; provided that in the event such Pledgor sells or otherwise disposes of assets as permitted by the Credit Agreement to a Person that is not a Credit Party, and such assets are or include any of the Collateral, the Lien created by this Pledge Agreement shall be automatically released concurrently with the consummation of such sale, and upon the request of the applicable Pledgor the Collateral Agent shall evidence such release of such Collateral to such Pledgor; and
- (b) use commercially reasonable efforts to defend its and the Collateral Agent's title or interest in and to all the Collateral (and in the Proceeds thereof) against any and all Liens (other than Permitted Liens and the Lien created by this Pledge Agreement), however arising, and any and all Persons whomsoever (except to the extent that the Collateral Agent and the Borrower agree that the cost of such defense is excessive in relation to the benefit to the Lenders thereof).
- 9. <u>Collateral Agent Appointed Attorney-in-Fact.</u> Each Pledgor hereby appoints, which appointment is irrevocable and coupled with an interest, and shall automatically terminate with respect to such Pledgor on the Termination Date or, if sooner, upon the release of such Pledgor hereunder pursuant to <u>Section 13</u>, the Collateral Agent as such Pledgor's attorney-in-fact, with full authority in the place and stead of such Pledgor and in the name of such Pledgor or otherwise, to take any action and to execute any instrument, in each case solely after the occurrence and during the continuance of an Event of Default (and upon prior written notice to such Pledgor that the Collateral Agent intends to take such action), that the Collateral Agent may deem reasonably necessary or advisable to accomplish the purposes of this Pledge Agreement, including to receive, indorse and collect all instruments made payable to such Pledgor representing any dividend, distribution or principal or interest payment in respect of the Collateral or any part thereof and to give full discharge for the same.

- 10. The Collateral Agent's Duties. The powers conferred on the Collateral Agent hereunder are solely to protect its interest in the Collateral and shall not impose any duty upon it to exercise any such powers. Except for the safe custody of any Collateral in its possession and the accounting for moneys actually received by it hereunder, the Collateral Agent shall have no duty as to any Collateral, as to ascertaining or taking action with respect to calls, conversions, exchanges, maturities, tenders or other matters relative to any Pledged Shares, whether or not the Collateral Agent or any other Secured Party has or is deemed to have knowledge of such matters, or as to the taking of any necessary steps to preserve rights against any parties or any other rights pertaining to any Collateral. The Collateral Agent shall be deemed to have exercised reasonable care in the custody and preservation of any Collateral in its possession if such Collateral is accorded treatment substantially equal to that which the Collateral Agent accords its own property. The Collateral Agent shall not be responsible for or have a duty to ascertain or inquire into any representation or warranty regarding the existence, value or collectability of the Collateral, the existence, priority or perfection of the Collateral Agent's Lien thereon, or any certificate prepared by any Credit Party in connection therewith, nor shall the Collateral Agent be responsible or liable to the Lenders for any failure to monitor or maintain any portion of the Collateral.
 - 11. Remedies. Subject to the terms of the Intercreditor Agreements, if any Event of Default shall have occurred and be continuing:
 - (a) The Collateral Agent may exercise in respect of the Collateral, in addition to other rights and remedies provided for herein or otherwise available to it, all the rights and remedies of a secured party upon default under the UCC or any other applicable law (whether or not the UCC applies to the affected Collateral) and also may upon prior notice to the relevant Pledgor, sell the Collateral or any part thereof in one or more parcels at public or private sale or sales, at any exchange broker's board or at any of the Collateral Agent's offices or elsewhere, for cash, on credit or for future delivery, at such price or prices and upon such other terms as are commercially reasonable irrespective of the impact of any such sales on the market price of the Collateral. The Collateral Agent shall be authorized at any such sale of Pledged Shares or Pledged Debt (if it deems it advisable to do so) to restrict the prospective bidders or purchasers of Collateral to Persons who will represent and agree that they are purchasing the Collateral for their own account for investment and not with a view to the distribution or sale thereof, and, upon consummation of any such sale, the Collateral Agent shall have the right to assign, transfer and deliver to the purchaser or purchasers thereof the Pledged Shares or Pledged Debt so sold. Each purchaser at any such sale shall hold the property sold absolutely free from any claim or right on the part of any Pledgor, and each Pledgor hereby waives (to the extent permitted by law) all rights of redemption, stay and/or appraisal that it now has or may at any time in the future have under any rule of law or statute now existing or hereafter enacted. The Collateral Agent or any Secured Party shall have the right upon any such public sale, and, to the extent permitted by law, upon any such private sale, to purchase all or any part of the Collateral so sold, and the Collateral Agent or such Secured Party may pay the purchase price by crediting the amount thereof against the Obligations. Each Pledgor agrees that, to the extent notice of sale shall be required by law, at least ten days' notice to such Pledgor of the time and place of any public sale or the time after which any private sale is to be made shall constitute reasonable notification. The Collateral Agent shall not be obligated to make any sale of Collateral regardless of notice of sale having been given. The Collateral Agent may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned. To the extent permitted by law, each Pledgor hereby waives any claim against the Collateral Agent arising by reason of the fact that the price at which any Collateral may have been sold at such a private sale was less than the price that might have been obtained at a public sale, even if the Collateral Agent accepts the first offer received and does not offer such Collateral to more than one offeree.

- (b) Subject to the First Lien Intercreditor Agreement, the Collateral Agent shall apply the Proceeds of any collection or sale of the Collateral as well as any Collateral consisting of cash, at any time after receipt in the order set forth in Section 11.14 of the Credit Agreement. Upon any sale of the Collateral by the Collateral Agent (including pursuant to a power of sale granted by statute or under a judicial proceeding), the receipt of the Collateral Agent or of the officer making the sale shall be a sufficient discharge to the purchaser or purchasers of the Collateral so sold and such purchaser or purchasers shall not be obligated to see to the application of any part of the purchase money paid over to the Collateral Agent or such officer or be answerable in any way for the misapplication thereof.
- (c) All payments received by any Pledgor in respect of the Collateral after the occurrence and during the continuance of an Event of Default, shall be received in trust for the benefit of the Collateral Agent shall be segregated from other property or funds of such Pledgor and shall be forthwith delivered to the Collateral Agent as Collateral in the same form as so received (with any necessary endorsement).
- Amendments, etc. with Respect to the Obligations; Waiver of Rights. Each Pledgor shall remain obligated hereunder notwithstanding 12. that, without any reservation of rights against any Pledgor and without notice to or further assent by any Pledgor, (a) any demand for payment of any of the Obligations made by the Collateral Agent or any other Secured Party may be rescinded by such party and any of the Obligations continued, (b) the Obligations, or the liability of any other party upon or for any part thereof, or any collateral security or guarantee therefor or right of offset with respect thereto, may, from time to time, in whole or in part, be renewed, extended, amended, modified, accelerated, compromised, waived, surrendered or released by the Collateral Agent or any other Secured Party, (c) the Credit Agreement, the other Credit Documents and any other documents executed and delivered in connection therewith and the Secured Cash Management Agreements, Secured Hedge Agreements and any other documents executed and delivered in connection therewith may be amended, modified, supplemented or terminated, in whole or in part, as the Administrative Agent (or the Required Lenders, as the case may be, or, in the case of any Secured Hedge Agreement or Secured Cash Management Agreement, the Hedge Bank or Cash Management Bank party thereto) may deem advisable from time to time and (d) any collateral security, guarantee or right of offset at any time held by the Collateral Agent or any other Secured Party for the payment of the Obligations may be sold, exchanged, waived, surrendered or released. Neither the Collateral Agent nor any other Secured Party shall have any obligation to protect, secure, perfect or insure any Lien at any time held by it as security for the Obligations or for this Pledge Agreement or any property subject thereto. When making any demand hereunder against any Pledgor, the Collateral Agent or any other Secured Party may, but shall be under no obligation to, make a similar demand on any Pledgor or any other Person, and any failure by the Collateral Agent or any other Secured Party to make any such demand or to collect any payments from any Pledgor or any other Person or any release of the Company or any Pledgor or any other Person shall not relieve any Pledgor in respect of which a demand or collection is not made or any Pledgor not so released of its several obligations or liabilities hereunder, and shall not impair or affect the rights and remedies, express or implied, or as a matter of law, of the Collateral Agent or any other Secured Party against any Pledgor. For the purposes hereof "demand" shall include the commencement and continuance of any legal proceedings.
 - 13. <u>Continuing Security Interest; Assignments Under the Credit Agreement; Release.</u>
- (a) This Pledge Agreement shall remain in full force and effect and be binding in accordance with and to the extent of its terms upon each Pledgor and the successors and assigns thereof, and shall inure to the benefit of the Collateral Agent and the other Secured Parties and their respective successors, endorsees, transferees and assigns permitted under the Credit Agreement until the date on which all the Obligations under the Credit Documents (other than, in each case, any contingent indemnity obligations not then due, any Secured Hedge Obligations or any Secured Cash Management Obligations) shall have been satisfied by payment in full, the Commitments shall have been terminated, all Letters of Credit shall have expired or terminated, and all Letter of Credit Outstandings shall have been reduced to zero (or all such Letters of Credit and Letter of Credit Outstandings shall have been Cash Collateralized in a manner reasonably satisfactory to the applicable Letter of Credit Issuers) (such date, the "Termination Date"), notwithstanding that from time to time during the term of the Credit Agreement the Credit Parties may be free from any Obligations.

- (b) Any Pledgor shall automatically be released from its obligations hereunder and the Collateral of such Pledgor shall be automatically released as it relates to the Obligations upon such Pledgor ceasing to be a Credit Party in accordance with Section 13.1 of the Credit Agreement. Any such release in connection with any sale, transfer or other disposition of such Collateral permitted under the Credit Agreement to a Person that is not a Credit Party shall result in such Collateral being sold, transferred or disposed of, as applicable, free and clear of the Liens of this Pledge Agreement.
- (c) The Collateral shall be automatically released from the Liens of this Pledge Agreement as it relates to the Obligations (i) to the extent provided for in Section 13.1 of the Credit Agreement and (ii) upon the effectiveness of any written consent to the release of the security interest granted in such Collateral pursuant to Section 13.1 of the Credit Agreement.
- (d) In connection with any termination or release pursuant to the foregoing paragraph (a), (b) or (c), the Collateral Agent shall execute and deliver to any Pledgor or authorize the filing of, at such Pledgor's expense, all documents that such Pledgor shall reasonably request to evidence such termination or release subject to, if reasonably requested by the Collateral Agent, the Collateral Agent's receipt of a certification by the Borrower and the applicable Pledgor stating that such transaction is in compliance with the Credit Agreement and the other Credit Documents. Any execution and delivery of documents pursuant to this Section 13 shall be without recourse to or warranty by the Collateral Agent.
- Reinstatement. Each Pledgor further agrees that, if any payment made by any Credit Party or other Person and applied to the Obligations is at any time annulled, avoided, set aside, rescinded, invalidated, declared to be fraudulent or preferential or otherwise required to be refunded or repaid, or the Proceeds of Collateral are required to be returned by any Secured Party to such Credit Party, its estate, trustee, receiver or any other Person, including any Pledgor, under any bankruptcy law, state, federal or foreign law, common law or equitable cause, then, to the extent of such payment or repayment, any Lien or other Collateral securing such liability shall be and remain in full force and effect, as fully as if such payment had never been made or, if prior thereto the Lien granted hereby or other Collateral securing such liability hereunder shall have been released or terminated by virtue of such cancellation or surrender), such Lien or other Collateral shall be reinstated in full force and effect, and such prior cancellation or surrender shall not diminish, release, discharge, impair or otherwise affect any Lien or other Collateral securing the obligations of any Pledgor in respect of the amount of such payment.
- 15. <u>Notices</u>. All notices, requests and demands pursuant hereto shall be made in accordance with Section 13.2 of the Credit Agreement. All communications and notices hereunder to any Pledgor shall be given to it in care of Holdings at Holdings' address set forth in Section 13.2 of the Credit Agreement.
- 16. <u>Counterparts</u>. This Pledge Agreement may be executed by one or more of the parties to this Pledge Agreement on any number of separate counterparts (including by facsimile or other electronic transmission), and all of said counterparts taken together shall be deemed to constitute one and the same instrument.

- 17. Severability. Any provision of this Pledge Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. The parties hereto shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.
- 18. <u>Integration</u>. This Pledge Agreement together with the other Credit Documents represents the agreement of each of the Pledgors with respect to the subject matter hereof and there are no promises, undertakings, representations or warranties by the Collateral Agent or any other Secured Party relative to the subject matter hereof not expressly set forth herein or in the other Credit Documents.
 - 19. <u>Amendments in Writing; No Waiver; Cumulative Remedies.</u>
- (a) None of the terms or provisions of this Pledge Agreement may be waived, amended, supplemented or otherwise modified except by a written instrument executed by the affected Pledgor and the Collateral Agent in accordance with Section 13.1 of the Credit Agreement.
- (b) Neither the Collateral Agent nor any Secured Party shall by any act (except by a written instrument pursuant to Section 19(a)), delay, indulgence, omission or otherwise be deemed to have waived any right or remedy hereunder or to have acquiesced in any Default or Event of Default or in any breach of any of the terms and conditions hereof. No failure to exercise, nor any delay in exercising, on the part of the Collateral Agent or any other Secured Party, any right, power or privilege hereunder shall operate as a waiver thereof. No single or partial exercise of any right, power or privilege hereunder shall preclude any other or further exercise thereof or the exercise of any other right, power or privilege. A waiver by the Collateral Agent or any other Secured Party of any right or remedy hereunder on any one occasion shall not be construed as a bar to any right or remedy that the Collateral Agent or such other Secured Party would otherwise have on any future occasion.
- (c) The rights, remedies, powers and privileges herein provided are cumulative, may be exercised singly or concurrently and are not exclusive of any other rights or remedies provided by law.
- 20. <u>Section Headings</u>. The Section headings used in this Pledge Agreement are for convenience of reference only and are not to affect the construction hereof or be taken into consideration in the interpretation hereof.
- 21. <u>Successors and Assigns</u>. This Pledge Agreement shall be binding upon the successors and assigns of each Pledgor and shall inure to the benefit of the Collateral Agent and the other Secured Parties and their respective successors and permitted assigns, except that no Pledgor may assign, transfer or delegate any of its rights or obligations under this Pledge Agreement without the prior written consent of the Collateral Agent or as otherwise permitted by the Credit Agreement.
- 22. <u>WAIVER OF JURY TRIAL</u>. EACH PARTY HERETO IRREVOCABLY AND UNCONDITIONALLY WAIVES (TO THE EXTENT PERMITTED BY APPLICABLE LAW) TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS PLEDGE AGREEMENT, ANY OTHER CREDIT DOCUMENT AND FOR ANY COUNTERCLAIM THEREIN.
 - 23. <u>Submission to Jurisdiction; Waivers</u>. Each party hereto irrevocably and unconditionally:
 - (a) submits for itself and its property in any legal action or proceeding relating to this Pledge Agreement and the other Credit Documents to which it is a party to the exclusive general jurisdiction of the courts of the State of New York or the courts of the United States for the Southern District of New York, in each case sitting in New York City in the Borough of Manhattan, and appellate courts from any thereof;

- (b) consents that any such action or proceeding may be brought in such courts and waives (to the extent permitted by applicable law) any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same or to commence or support any such action or proceeding in any other courts;
- (c) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to such Person at its address referred to in <u>Section 15</u> or at such other address of which the Collateral Agent shall have been notified pursuant thereto;
- (d) agrees that nothing herein shall affect the right of any other party hereto (or any Secured Party) to effect service of process in any other manner permitted by law or to commence legal proceedings or otherwise proceed against any Pledgor in any other jurisdiction; and
- (e) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section 23 any special, exemplary, punitive or consequential damages.

24. GOVERNING LAW. THIS PLEDGE AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

25. <u>Intercreditor Agreements</u>. Notwithstanding anything herein to the contrary, the liens and security interests granted to the Collateral Agent pursuant to this Pledge Agreement and the exercise of any right or remedy by the Collateral Agent hereunder, are subject to the provisions of any Intercreditor Agreement then in effect. In the event of any conflict between the terms of any Intercreditor Agreement then in effect and the terms of this Pledge Agreement, the terms of such Intercreditor Agreement shall govern and control. No right, power or remedy granted to the Collateral Agent hereunder shall be exercised by the Collateral Agent, and no direction shall be given by the Collateral Agent, in contravention of any such Intercreditor Agreement.

26. <u>Enforcement Expenses; Indemnification</u>.

- (a) Each Pledgor agrees to pay any and all reasonable and documented out of pocket expenses (including all reasonable and documented fees and disbursements of counsel) that may be paid or incurred by any Secured Party in enforcing, or obtaining advice of counsel in respect of, any rights with respect to, or collecting, any or all of the Obligations and/or enforcing any rights with respect to, or collecting against, such Pledgor under this Pledge Agreement, in each case subject to the limitations on reimbursement of costs and expenses set forth in Section 13.5 of the Credit Agreement.
- (b) Each Pledgor agrees to pay, and to save the Collateral Agent and the Secured Parties harmless from, any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever with respect to the execution, delivery, enforcement, performance and administration of this Pledge Agreement to the extent the Borrower would be required to do so pursuant to Section 13.5 of the Credit Agreement.

- (c) The agreements in this <u>Section 26</u> shall survive repayment of the Obligations and all other amounts payable under the Credit Agreement and the other Credit Documents.
 - 27. <u>Acknowledgments</u>. Each party hereto hereby acknowledges that:
 - (a) it has been advised by counsel in the negotiation, execution and delivery of this Pledge Agreement and the other Credit Documents to which it is a party;
- (b) neither the Collateral Agent nor any other Secured Party has any fiduciary relationship with or duty to any Pledgor arising out of or in connection with this Pledge Agreement or any of the other Credit Documents, and the relationship between the Pledgors, on the one hand, and the Collateral Agent and the other Secured Parties, on the other hand, in connection herewith or therewith is solely that of debtor and creditor; and
- (c) no joint venture is created hereby or by the other Credit Documents or otherwise exists by virtue of the transactions contemplated hereby among the Lenders and any other Secured Party or among the Pledgors and the Lenders and any other Secured Party.
- 28. Additional Pledgors. Each Subsidiary that is required to become a party to this Pledge Agreement pursuant to Section 9.11 of the Credit Agreement shall become a Subsidiary Pledgor, with the same force and effect as if originally named as a Pledgor herein, for all purposes of this Pledge Agreement, upon execution and delivery by such Subsidiary of a written supplement substantially in the form of Annex A hereto. The execution and delivery of any instrument adding an additional Pledgor as a party to this Pledge Agreement shall not require the consent of any other Pledgor hereunder. The rights and obligations of each Pledgor hereunder shall remain in full force and effect notwithstanding the addition of any new Pledgor as a party to this Pledge Agreement.

- B. Capitalized terms used herein and not otherwise defined herein shall have the meanings assigned to such terms in the Pledge Agreement.
- C. The Pledgors have entered into the Pledge Agreement in order to induce the Administrative Agent, the Collateral Agent and the Lenders to enter into the Credit Agreement, to induce the Lenders to make their respective Loans to the Borrower, the Swingline Lender to make Swingline Loans and the Letter of Credit Issuers to issue Letters of Credit for the account of Holdings, the Borrower and the Restricted Subsidiaries (other than the Borrower) under the Credit Agreement and to induce one or more Lenders or Affiliates of Lenders to enter into Secured Cash Management Agreements and Secured Hedge Agreements with the Borrower and/or its Subsidiaries.
- D. The undersigned Guarantors (each an "Additional Pledgor") are, as of the date hereof, (a) the legal and beneficial owners of the Equity Interests described in Schedule 1 hereto and issued by the entities named therein (such Equity Interests, together with any Equity Interests of the issuer of such Equity Interests or any other issuer directly held directly by any such Additional Pledgor in the future, in each case, except to the extent excluded from the Additional Collateral for the Obligations pursuant to the penultimate paragraph of Section 1 below, referred to collectively herein as the "Additional Pledged Shares") and (b) the legal and beneficial owners of the Indebtedness evidenced by a promissory note in excess of \$10,000,000 described in Schedule 1 hereto (together with any other Indebtedness owed to any such Additional Pledgor hereafter and required to be pledged pursuant to Section 9.12 of the Credit Agreement, the "Additional Pledged Debt").

E. Section 9.11 of the Credit Agreement and Section 28 of the Pledge Agreement provide that additional Subsidiaries may become Subsidiary Pledgors under the Pledge Agreement by execution and delivery of an instrument in the form of this Supplement. Each undersigned Additional Pledgor is executing this Supplement in accordance with the requirements of Section 9.11 of the Credit Agreement and Section 28 of the Pledge Agreement to pledge to the Collateral Agent for the benefit of the Secured Parties the Additional Pledged Shares and the Additional Pledged Debt and to become a Subsidiary Pledgor under the Pledge Agreement in order to induce the Lenders to make their respective Loans to the Borrower, the Swingline Lenders to make Swingline Loans and the Letter of Credit Issuers to issue Letters of Credit for the account of Holdings, the Borrower and the Restricted Subsidiaries (other than the Borrower) under the Credit Agreement and to induce one or more Lenders or Affiliates of Lenders to enter into Secured Cash Management Agreements and Secured Hedge Agreements with the Borrower and/or its Subsidiaries.

Accordingly, the Collateral Agent and each undersigned Additional Pledgor agree as follows:

SECTION 1. Each Additional Pledgor by its signature hereby collaterally assigns and pledges to the Collateral Agent, for the benefit of the Secured Parties, and hereby grants to the Collateral Agent, for the benefit of the Secured Parties, a security interest in all of such Additional Pledgor's right, title and interest in the following, whether now owned or existing or hereafter acquired or existing (collectively, the "Additional Collateral"):

- (a) the Additional Pledged Shares held by such Additional Pledgor and the certificates representing such Additional Pledged Shares and any interest of such Additional Pledgor in the entries on the books of the issuer of the Additional Pledged Shares or any financial intermediary pertaining to the Additional Pledged Shares and all dividends, cash, warrants, rights, instruments and other property or Proceeds from time to time received, receivable or otherwise distributed in respect of or in exchange for any or all of the Additional Pledged Shares;
- (b) the Additional Pledged Debt and the instruments evidencing the Additional Pledged Debt owed to such Additional Pledgor, and all interest, cash, instruments and other property or Proceeds from time to time received, receivable or otherwise distributed in respect of or in exchange for any or all of such Additional Pledged Debt; and
 - (c) to the extent not covered by clauses (a) and (b) above, respectively, all Proceeds of any or all of the foregoing Additional Collateral.

Notwithstanding the foregoing, the Additional Collateral (and any defined term used in the definition thereof) for the Obligations shall not include any Excluded Stock and Stock Equivalents or any Excluded Property.

For purposes of the Pledge Agreement, the Collateral shall be deemed to include the Additional Collateral.

SECTION 2. Each Additional Pledgor by its signature below becomes a Pledgor under the Pledge Agreement with the same force and effect as if originally named therein as a Pledgor, and each Additional Pledgor hereby agrees to all the terms and provisions of the Pledge Agreement applicable to it as a Pledgor thereunder. Each reference to a "Subsidiary Pledgor" or a "Pledgor" in the Pledge Agreement shall be deemed to include each Additional Pledgor. The Pledge Agreement is hereby incorporated herein by reference.

- (a) Schedule 1 hereto correctly represents as of the date hereof (A) the issuer, the certificate number, the Additional Pledgor and registered owner, the number and class and the percentage of the issued and outstanding Equity Interests of such class of all Additional Pledged Shares and (B) the issuer, the initial principal amount, the Additional Pledgor and holder, date of and maturity date of all Additional Pledged Debt. Except as set forth on Schedule 1 and except for Excluded Stock and Stock Equivalents, the Additional Pledged Shares represent all (or 66% in the case of pledges of the Voting Stock of Foreign Subsidiaries or any Domestic Subsidiary substantially all of the assets of which consist of equity and/or debt of Foreign Subsidiaries that are CFCs) of the issued and outstanding Equity Interests of each class of Equity Interests of the issuer thereof on the date hereof.
- (b) Such Additional Pledgor is the legal and beneficial owner of the Additional Collateral pledged or collaterally assigned by such Additional Pledgor hereunder free and clear of any Lien, except for Permitted Liens and the Liens created by this Supplement to the Pledge Agreement.
- (c) As of the date of this Supplement, the Additional Pledged Shares pledged by such Additional Pledgor hereunder have been duly authorized and validly issued and, in the case of Additional Pledged Shares issued by a corporation, are fully paid and non-assessable, in each case, to the extent such concepts are applicable in the jurisdiction of organization of the respective issuer.
- (d) The execution and delivery by such Additional Pledgor of this Supplement and the pledge of the Additional Collateral pledged by such Additional Pledgor pursuant hereto create a legal, valid and enforceable security interest in such Additional Collateral (with respect to Collateral consisting of the Equity Interests or Pledged Debt of Foreign Subsidiaries, to the extent the creation of such Security Interest is governed by the Uniform Commercial Code of any applicable jurisdiction) and, upon delivery of such Additional Collateral to the Collateral Agent, shall constitute a fully perfected lien and security interest in the Additional Collateral (with respect to Collateral consisting of the Equity Interests or Pledged Debt of Foreign Subsidiaries, to the extent the creation and perfection of such Security Interest is governed by the Uniform Commercial Code of any applicable jurisdiction), securing the payment of the Obligations, in favor of the Collateral Agent for the benefit of the Secured Parties, except as enforceability thereof may be limited by bankruptcy, insolvency or other similar laws affecting creditors' rights generally and subject to general principles of equity and principles of good faith and fair dealing.
- (e) Such Additional Pledgor has full organizational power, authority and legal right to pledge all the Additional Collateral pledged by such Additional Pledgor pursuant to this Supplement, and this Supplement constitutes a legal, valid and binding obligation of each Additional Pledgor (with respect to Collateral consisting of the Equity Interests or Pledged Debt of Foreign Subsidiaries, to the extent the enforceability of such Security Interest is governed by the Uniform Commercial Code of any applicable jurisdiction), enforceable in accordance with its terms, except as enforceability thereof may be limited by bankruptcy, insolvency or other similar laws affecting creditors' rights generally and subject to general principles of equity and principles of good faith and fair dealing.

SECTION 4. This Supplement may be executed by one or more of the parties to this Supplement on any number of separate counterparts (including by facsimile or other electronic transmission), and all of said counterparts taken together shall be deemed to constitute one and the same instrument. A set of the copies of this Supplement signed by all the parties shall be lodged with the Collateral Agent and Holdings. This Supplement shall become effective as to each Additional Pledgor when the Collateral Agent shall have received counterparts of this Supplement that, when taken together, bear the signatures of such Additional Pledgor and the Collateral Agent.

SECTION 5. Except as expressly supplemented hereby, the Pledge Agreement shall remain in full force and effect.

SECTION 6. THIS SUPPLEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

SECTION 7. Any provision of this Supplement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof and in the Pledge Agreement, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. The parties hereto shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 8. All notices, requests and demands pursuant hereto shall be made in accordance with Section 15 of the Pledge Agreement. (a) For purposes of calculating the Fixed Charge Coverage Ratio, Investments, acquisitions, dispositions, mergers, consolidations, and disposed operations (as determined in accordance with GAAP) that have been made by Holdings or any Restricted Subsidiary during the Test Period or subsequent to such Test Period and on or prior to or simultaneously with the date of determination shall be calculated on a Pro Forma Basis assuming that all such Investments, acquisitions, dispositions, mergers, consolidations, and disposed operations (and the change in any associated fixed charge obligations and the change in Consolidated EBITDA resulting therefrom) had occurred on the first day of the Test Period. If since the beginning of such period any Person (that subsequently became a Restricted Subsidiary or was merged with or into Holdings or any Restricted Subsidiary since the beginning of such period) shall have made any Investment, acquisition, disposition, merger, consolidation, or disposed operation that would have required adjustment pursuant to this definition, then the Fixed Charge Coverage Ratio shall be calculated giving Pro Forma Effect thereto for such Test Period as if such Investment, acquisition, disposition, merger, consolidation, or disposed operation had occurred at the beginning of the Test Period.

Whenever Pro Forma Effect is to be given to a transaction, the pro forma calculations shall be made in good faith by a responsible financial or accounting officer of the Borrower (and may include, for the avoidance of doubt and without duplication, cost savings, and operating expense reductions resulting from such Investment, acquisition, merger, or consolidation which is being given Pro Forma Effect that have been or are expected to be realized; provided that such costs savings and operating expense reductions are made in compliance with the definition of Pro Forma Adjustment). If any Indebtedness bears a floating rate of interest and is being given Pro Forma Effect, the interest on such Indebtedness shall be calculated as if the rate in effect on the date of determination had been the applicable rate for the entire period (taking into account for such entire period, any Hedging Obligation applicable to such Indebtedness with a remaining term of 12 months or longer, and in the case of any Hedging Obligation applicable to such Indebtedness with a remaining term of less than 12 months, taking into account such Hedging Obligation to the extent of its remaining term). For the avoidance of doubt, if the Borrower has made an LCA Election and any of the ratios or baskets for which compliance was determined or tested as of the LCA Test Date are exceeded as a result of fluctuations in any such ratio or basket, including due to fluctuations in Consolidated EBITDA or Consolidated Total Assets of the Borrower or the Person subject to such Limited Condition Acquisition. at or prior to the consummation of the relevant transaction or action, such baskets or ratios will not be deemed to have been exceeded as a result of such fluctuations. If the Borrower has made an LCA Election for any Limited Condition Acquisition, then in connection with any subsequent calculation of any ratio or basket availability with respect to the incurrence of Indebtedness or Liens, or the making of Restricted Payments, mergers, the conveyance, lease or other transfer of all or substantially all of the assets of the Borrower, the prepayment, redemption, purchase, defeasance or other satisfaction of Indebtedness, or the designation of an Unrestricted Subsidiary on or following the relevant LCA Test Date and prior to the earlier of the date on which such Limited Condition Acquisition is consummated or the date that the definitive agreement for such Limited Condition Acquisition is terminated or expires without consummation of such Limited Condition Acquisition, any such ratio or basket shall be calculated on a Pro Forma Basis assuming such Limited Condition Acquisition and other transactions in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) have been consummated.

(b) Notwithstanding anything to the contrary in this Section 1.12 or in any classification under GAAP of any Person, business, assets or operations in respect of which a definitive agreement for the disposition thereof has been entered into as discontinued operations, no Pro Forma Effect shall be given to any discontinued operations (and the EBITDA attributable to any such Person, business, assets or operations shall not be excluded for any purposes hereunder) until such disposition shall have been consummated.

(c) Any determination of Consolidated Total Assets shall be made by reference to the last day of the Test Period most recently ended on or prior to the relevant date of determination.

Unless the Administrative Agent shall have been notified by any Lender prior to the date of any such Borrowing that such Lender does not intend to make available to the Administrative Agent its portion of the Borrowing or Borrowings to be made on such date, the Administrative Agent may assume that such Lender has made such amount available to the Administrative Agent on such date of Borrowing, and the Administrative Agent, in reliance upon such assumption, may (in its sole discretion and without any obligation to do so) make available to the Borrower a corresponding amount. If such corresponding amount is not in fact made available to the Administrative Agent by such Lender and the Administrative Agent has made available such amount to the Borrower, the Administrative Agent shall be entitled to recover such corresponding amount from such Lender. If such Lender does not pay such corresponding amount forthwith upon the Administrative Agent's demand therefor the Administrative Agent shall promptly notify the Borrower and the Borrower shall immediately pay such corresponding amount to the Administrative Agent in Dollars. The Administrative Agent shall also be entitled to recover from such Lender or the Borrower interest on such corresponding amount in respect of each day from the date such corresponding amount was made available by the Administrative Agent to the Borrower to the date such corresponding amount is recovered by the Administrative Agent, at a rate per annumequal to (i) if paid by such Lender, the Overnight Rate or (ii) if paid by the Borrower, the then-applic

- (d) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the Indebtedness of the Borrower to the appropriate lending office of such Lender resulting from each Loan made by such lending office of such Lender from time to time, including the amounts of principal and interest payable and paid to such lending office of such Lender from time to time under this Agreement.
- (e) The Administrative Agent shall maintain the Register pursuant to Section 13.6(b), and a subaccount for each Lender, in which Register and subaccounts (taken together) shall be recorded (i) the amount of each Loan made hereunder, whether such Loan is an Initial Term Loan or, New Term Loan, as applicable, the Type of each Loan made, the name of the Borrower and the Interest Period, if any, applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder, and (iii) the amount of any sum received by the Administrative Agent hereunder from the Borrower and each Lender's share thereof.
- (f) The entries made in the Register and accounts and subaccounts maintained pursuant to <u>clauses (d)</u> and (e) of this <u>Section 2.5</u> shall, to the extent permitted by applicable law, be prima facie evidence of the existence and amounts of the obligations of the Borrower therein recorded; <u>provided</u>, <u>however</u>, that the failure of any Lender or the Administrative Agent to maintain such account, such Register or subaccount, as applicable, or any error therein, shall not in any manner affect the obligation of the Borrower to repay (with applicable interest) the Loans made to such Borrower by such Lender in accordance with the terms of this Agreement.
- (g) The Borrower hereby agrees that, upon request of any Lender at any time and from time to time after a Borrower has made an initial borrowing hereunder, the Borrower shall provide to such Lender, at the Borrower's own expense, a promissory note, substantially in the form of Exhibit G evidencing the Initial Term Loans and New Term Loans, respectively, owing to such Lender. Thereafter, unless otherwise agreed to by the applicable Lender, the Loans evidenced by such promissory note and interest thereon shall at all times (including after assignment pursuant to Section 13.6) be represented by one or more promissory notes in such form payable to the order of the payee named therein (or, if requested by such payee, to such payee and its registered assigns).

2.6 Conversions and Continuations

(a) Subject to the penultimate sentence of this clause (a), (x) the Borrower shall have the option on any Business Day to convert all or a portion equal to at least \$5,000,000 of the outstanding principal amount of Term Loans of one Type and (y) the Borrower shall have the option on any Business Day to continue the outstanding principal amount of any LIBOR Loans as LIBOR Loans for an additional Interest Period; provided that (i) no partial conversion of LIBOR Loans shall reduce the outstanding principal amount of LIBOR Loans made pursuant to a single Borrowing to less than the Minimum Borrowing Amount, (ii) ABR Loans may not be converted into LIBOR Loans if an Event of Default is in existence on the date of the conversion and the Administrative Agent has or the Required Lenders have determined in its or their sole discretion not to permit such conversion, (iii) LIBOR Loans may not be continued as LIBOR Loans for an additional Interest Period if an Event of Default is in existence on the date of the proposed continuation and the Administrative Agent has or the Required Lenders have determined in its or their sole discretion not to permit such continuation, and (iv) Borrowings resulting from conversions pursuant to this Section 2.6 shall be limited in number as provided in Section 2.2. Each such conversion or continuation shall be effected by the Borrower by giving the Administrative Agent prior written notice at the Administrative Agent's Office prior to 1:00 p.m. (New York City time) at least (i) three Business Days prior, in the case of a continuation of or conversion to LIBOR Loans (other than in the case of a notice delivered on the Closing Date, which shall be deemed to be effective on the Closing Date), or (ii) one Business Day prior in the case of a conversion into ABR Loans (each, a "Notice of Conversion or Continuation" substantially in the form of Exhibit K) specifying the Loans to be so converted or continued, the Type of Loans to be converted or continued into and, if such Loans are to be converted into or continued as LIBOR Loans, the Interest Period to be initially applicable thereto. If no Interest Period is specified in any such notice with respect to any conversion to or continuation as a LIBOR Loan, the Borrower shall be deemed to have selected an Interest Period of one month's duration. The Administrative Agent shall give each applicable Lender notice as promptly as practicable of any such proposed conversion or continuation affecting any of its Loans.

- (b) If any Event of Default is in existence at the time of any proposed continuation of any LIBOR Loans denominated in Dollars and the Administrative Agent has or the Required Lenders have determined in its or their sole discretion not to permit such continuation, such LIBOR Loans shall be automatically converted on the last day of the current Interest Period into ABR Loans. If upon the expiration of any Interest Period in respect of LIBOR Loans, the Borrower has failed to elect a new Interest Period to be applicable thereto as provided in clause(a), the Borrower shall be deemed to have elected to convert such Borrowing of LIBOR Loans into a Borrowing of ABR Loans, effective as of the expiration date of such current Interest Period.
- 2.7 <u>Pro Rata Borrowings</u>. Each Borrowing of Initial Term Loans under this Agreement shall be made by the Lenders pro rataon the basis of their then-applicable Initial Term Loan Commitments. Each Borrowing of New Term Loans under this Agreement shall be made by the Lenders pro rataon the basis of their then-applicable New Term Loan Commitments. It is understood that (a) no Lender shall be responsible for any default by any other Lender in its obligation to make Loans hereunder and that each Lender severally but not jointly shall be obligated to make the Loans provided to be made by it hereunder, regardless of the failure of any other Lender to fulfill its commitments hereunder and (b) failure by a Lender to perform any of its obligations under any of the Credit Documents shall not release any Person from performance of its obligation, under any Credit Document.

2.8 Interest

- (a) The unpaid principal amount of each ABR Loan shall bear interest from the date of the Borrowing thereof until maturity (whether by acceleration or otherwise) at a rate per annumthat shall at all times be the Applicable Margin for ABR Loans *plus* the ABR, in each case, in effect from time to time.
- (b) The unpaid principal amount of each LIBOR Loan shall bear interest from the date of the Borrowing thereof until maturity thereof (whether by acceleration or otherwise) at a rate per annumthat shall at all times be the Applicable Margin for LIBOR Loans *plus* the relevant LIBOR Rate.
- (c) If all or a portion of (i) the principal amount of any Loan or (ii) any interest payable thereon or any other amount payable hereunder shall not be paid when due (whether at the stated maturity, by acceleration or otherwise), such overdue amount shall bear interest at a rate per annum (the "**Default Rate**") that is (x) in the case of overdue principal, the rate that would otherwise be applicable thereto *plus* 2.00% or (y) in the case of any other overdue amount, including overdue interest, to the extent permitted by applicable law, the rate described in <u>Section 2.8(a)</u> for the applicable Class *plus* 2.00% from the date of such non-payment to the date on which such amount is paid in full (after as well as before judgment).
- (d) Interest on each Loan shall accrue from and including the date of any Borrowing to but excluding the date of any repayment thereof; <u>provided</u> that any Loan that is repaid on the same date on which it is made shall bear interest for one day. Except as provided below, interest shall be payable (i) in respect of each ABR Loan, quarterly in arrears on the last Business Day of each fiscal quarter of the Borrower, (ii) in respect of each LIBOR Loan, on the last day of each Interest Period applicable thereto and, in the case of an Interest Period in excess of three months, on each date occurring at three-month intervals after the first day of such Interest Period, and (iii) in respect of each Loan, (A) on any prepayment in respect thereof, (B) at maturity (whether by acceleration or otherwise), and (C) after such maturity, on demand.

- (e) All computations of interest hereunder shall be made in accordance with Section 5.5.
- (f) The Administrative Agent, upon determining the interest rate for any Borrowing of LIBOR Loans, shall promptly notify the Borrower and the relevant Lenders thereof. Each such determination shall, absent clearly demonstrable error, be final and conclusive and binding on all parties hereto.
- 2.9 <u>Interest Periods</u>. At the time the Borrower gives a Notice of Borrowing or Notice of Conversion or Continuation in respect of the making of, or conversion into or continuation as, a Borrowing of LIBOR Loans in accordance with <u>Section 2.6(a)</u>, the Borrower shall give the Administrative Agent written notice of the Interest Period applicable to such Borrowing, which Interest Period shall, at the option of the Borrower be a one, two, three or six month period (or if available to all the Lenders making such LIBOR Loans as determined by such Lenders in good faith based on prevailing market conditions, a twelve month or shorter period).

Notwithstanding anything to the contrary contained above:

- (a) the initial Interest Period for any Borrowing of LIBOR Loans shall commence on the date of such Borrowing (including the date of any conversion from a Borrowing of ABR Loans) and each Interest Period occurring thereafter in respect of such Borrowing shall commence on the day on which the next preceding Interest Period expires;
- (b) if any Interest Period relating to a Borrowing of LIBOR Loans begins on the last Business Day of a calendar month or begins on a day for which there is no numerically corresponding day in the calendar month at the end of such Interest Period, such Interest Period shall end on the last Business Day of the calendar month at the end of such Interest Period;
- (c) if any Interest Period would otherwise expire on a day that is not a Business Day, such Interest Period shall expire on the next succeeding Business Day; <u>provided</u> that if any Interest Period in respect of a LIBOR Loan would otherwise expire on a day that is not a Business Day but is a day of the month after which no further Business Day occurs in such month, such Interest Period shall expire on the immediately preceding Business Day; and
- (d) the Borrower shall not be entitled to elect any Interest Period in respect of any LIBOR Loan if such Interest Period would extend beyond the Maturity Date of such Loan.

2.10 <u>Increased Costs, Illegality, Etc.</u>

(a) In the event that (x) in the case of <u>clause (i)</u> below, the Administrative Agent and (y) in the case of <u>clauses (ii)</u> and (iii) below, the Required Lenders shall have reasonably determined (which determination shall, absent clearly demonstrable error, be final and conclusive and binding upon all parties hereto):

- (i) on any date for determining the LIBOR Rate for any Interest Period that (x) deposits in the principal amounts and currencies of the Loans comprising such LIBOR Borrowing are not generally available in the relevant market or (y) by reason of any changes arising on or after the Closing Date affecting the interbank LIBOR market, adequate and fair means do not exist for ascertaining the applicable interest rate on the basis provided for in the definition of LIBOR Rate; or
- (ii) at any time, that such Lenders shall incur increased costs or reductions in the amounts received or receivable hereunder with respect to any LIBOR Loans (including any increased costs or reductions attributable to Taxes, other than any increase or reduction attributable to Indemnified Taxes, Excluded Taxes or Other Taxes) because of any Change in Law; or
- (iii) at any time, that the making or continuance of any LIBOR Loan has become unlawful by compliance by such Lenders in good faith with any law, governmental rule, regulation, guideline or order (or would conflict with any such governmental rule, regulation, guideline or order not having the force of law even though the failure to comply therewith would not be unlawful), or has become impracticable as a result of a contingency occurring after the Closing Date that materially and adversely affects the interbank LIBOR market;

(such Loans, "**Impacted Loans**"), then, and in any such event, such Required Lenders (or the Administrative Agent, in the case of <u>clause (i)</u> above) shall within a reasonable time thereafter give notice (if by telephone, confirmed in writing) to Holdings, the Borrower, and to the Administrative Agent of such determination (which notice the Administrative Agent shall promptly transmit to each of the other Lenders). Thereafter (x) in the case of <u>clause (i)</u> above, LIBOR Loans shall no longer be available until such time as the Administrative Agent notifies Holdings, the Borrower and the Lenders that the circumstances giving rise to such notice by the Administrative Agent no longer exist (which notice the Administrative Agent agrees to give at such time when such circumstances no longer exist), and any Notice of Borrowing or Notice of Conversion given by the Borrower with respect to LIBOR Loans that have not yet been incurred shall be deemed rescinded by the Borrower, (y) in the case of <u>clause (ii)</u> above, the Borrower shall pay to such Lenders, promptly after receipt of written demand therefor such additional amounts (in the form of an increased rate of, or a different method of calculating, interest or otherwise as such Required Lenders in their reasonable discretion shall determine) as shall be required to compensate such Lenders for such actual increased costs or reductions in amounts receivable hereunder (it being agreed that a written notice as to the additional amounts owed to such Lenders, showing in reasonable detail the basis for the calculation thereof, submitted to the Borrower by such Lenders shall, absent clearly demonstrable error, be final and conclusive and binding upon all parties hereto), and (z) in the case of <u>subclause (iii)</u> above, the Borrower shall take one of the actions specified in <u>subclause (x)</u> or (y), as applicable, of <u>Section 2.10(b)</u> promptly and, in any event, within the time period required by law.

Notwithstanding the foregoing, if the Administrative Agent has made the determination described in Section 2.10(a)(i)(x), the Administrative Agent, in consultation with the Borrower and the affected Lenders, may establish an alternative interest rate for the Impacted Loans, in which case, such alternative rate of interest shall apply with respect to the Impacted Loans until (1) the Administrative Agent revokes the notice delivered with respect to the Impacted Loans under clause (x) of the first sentence of the immediately preceding paragraph, (2) the Administrative Agent or the affected Lenders notify the Administrative Agent and the Borrower that such alternative interest rate does not adequately and fairly reflect the cost to such Lenders of funding the Impacted Loans, or (3) any Lender determines that any Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for such Lender or its applicable Lending Office to make, maintain or fund Loans whose interest is determined by reference to such alternative rate of interest or to determine or charge interest rates based upon such rate or any Governmental Authority has imposed material restrictions on the authority of such Lender to do any of the foregoing and provides the Administrative Agent and the Borrower written notice thereof.

- (b) At any time that any LIBOR Loan is affected by the circumstances described in Section 2.10(a)(ii) or (iii), the Borrower may (and in the case of a LIBOR Loan affected pursuant to Section 2.10(a)(iii) shall) either (x) if a Notice of Borrowing or Notice of Conversion or Continuation with respect to the affected LIBOR Loan has been submitted pursuant to Section 2.3 but the affected LIBOR Loan has not been funded or continued, cancel such requested Borrowing by giving the Administrative Agent written notice thereof on the same date that the Borrower was notified by Lenders pursuant to Section 2.10(a)(ii) or (iii) or (y) if the affected LIBOR Loan is then outstanding, upon at least three Business Days' notice to the Administrative Agent, require the affected Lender to convert each such LIBOR Loan into an ABR Loan; provided that if more than one Lender is affected at any time, then all affected Lenders must be treated in the same manner pursuant to this Section 2.10(b).
- (c) If, after the Closing Date, any Change in Law relating to capital adequacy or liquidity of any Lender or compliance by any Lender or its parent with any Change in Law relating to capital adequacy or liquidity occurring after the Closing Date, has or would have the effect of reducing the actual rate of return on such Lender's or its parent's or its Affiliate's capital or assets as a consequence of such Lender's commitments or obligations hereunder to a level below that which such Lender or its parent or its Affiliate could have achieved but for such Change in Law (taking into consideration such Lender's or its parent's policies with respect to capital adequacy or liquidity), then from time to time, promptly after demand by such Lender (with a copy to the Administrative Agent), the Borrower shall pay to such Lender such actual additional amount or amounts as will compensate such Lender or its parent for such actual reduction, it being understood and agreed, however, that a Lender shall not be entitled to such compensation as a result of such Lender's compliance with, or pursuant to any request or directive to comply with, any law, rule or regulation as in effect on the Closing Date or to the extent such Lender is not imposing such charges on, or requesting such compensation from, borrowers (similarly situated to the Borrower hereunder) under comparable syndicated credit facilities similar to the Credit Facility. Each Lender, upon determining in good faith that any additional amounts will be payable pursuant to this Section 2.10(c), will give prompt written notice thereof to the Borrower, which notice shall set forth in reasonable detail the basis of the calculation of such additional amounts, although the failure to give any such notice shall not, subject to Section 2.10(c) promptly following receipt of such notice.
- Compensation. If (a) any payment of principal of any LIBOR Loan is made by the Borrower to or for the account of a Lender other than on the last day of the Interest Period for such LIBOR Loan as a result of a payment or conversion pursuant to Sections 2.5, 2.6, 2.10, 5.1, 5.2 or 13.7, as a result of acceleration of the maturity of the Loans pursuant to Section 11 or for any other reason, (b) any Borrowing of LIBOR Loan is not made as a result of a withdrawn Notice of Borrowing or a failure to satisfy borrowing conditions, (c) any ABR Loan is not converted into a LIBOR Loan as a result of a withdrawn Notice of Conversion or Continuation, (d) any LIBOR Loan is not continued as a LIBOR Loan, as the case may be, as a result of a withdrawn Notice of Conversion or Continuation or (e) any prepayment of principal of any LIBOR Loan is not made as a result of a withdrawn notice of prepayment pursuant to Sections 5.1 or 5.2, the Borrower shall, after receipt of a written request by such Lender (which request shall set forth in reasonable detail the basis for requesting such amount), promptly pay to the Administrative Agent for the account of such Lender any amounts required to compensate such Lender for any additional losses, costs or expense that such Lender may reasonably incur as a result of such payment, failure to convert, failure to continue or failure to prepay, including any loss, cost or expense (excluding loss of anticipated profits) actually incurred by reason of the liquidation or reemployment of deposits or other funds acquired by any Lender to fund or maintain such LIBOR Loan. A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender as specified in this Section 2.11 and setting forth in reasonable detail the manner in which such amount or amounts were determined shall be delivered to the Borrower and shall be conclusive, absent manifest error.

- 2.12 <u>Change of Lending Office</u>. Each Lender agrees that, upon the occurrence of any event giving rise to the operation of <u>Sections 2.10(a)(ii)</u>, <u>2.10(a)(iii)</u>, <u>2.10(b)</u> or <u>5.4</u> with respect to such Lender, it will, if requested by the Borrower use reasonable efforts (subject to overall policy considerations of such Lender) to designate another lending office for any Loans affected by such event; <u>provided</u> that such designation is made on such terms that such Lender and its lending office suffer no unreimbursed cost or other material economic, legal or regulatory disadvantage, with the object of avoiding the consequence of the event giving rise to the operation of any such Section. Nothing in this <u>Section 2.12</u> shall affect or postpone any of the obligations of the Borrower or the right of any Lender provided in <u>Sections 2.10</u> or <u>5.4</u>.
- 2.13 <u>Notice of Certain Costs.</u> Notwithstanding anything in this Agreement to the contrary, to the extent any notice required by <u>Sections 2.10</u>, <u>2.11</u> or <u>5.4</u> is given by any Lender more than 120 days after such Lender has knowledge (or should have had knowledge) of the occurrence of the event giving rise to the additional cost, reduction in amounts, loss, or other additional amounts described in such Sections, such Lender shall not be entitled to compensation under <u>Sections 2.10</u>, <u>2.11</u> or <u>5.4</u>, as the case may be, for any such amounts incurred or accruing prior to the 121st day prior to the giving of such notice to the Borrower.

2.14 Incremental Facilities.

(a) The Borrower may by written notice to Administrative Agent elect to request the establishment of one or more additional tranches of term loans (the commitments thereto, the "New Term Loan Commitments"), by an aggregate amount not in excess of the Maximum Incremental Facilities Amount in the aggregate and not less than \$10,000,000 individually (or such lesser amount as (x) may be approved by the Administrative Agent or (y) shall constitute the difference between the Maximum Incremental Facilities Amount and all such New Term Loan Commitments obtained on or prior to such date). Each such notice shall specify the date (each, an "Increased Amount Date") on which the Borrower proposes that the New Term Loan Commitments shall be effective. In connection with the incurrence of any Indebtedness under this Section 2.14, at the request of the Administrative Agent, the Borrower shall provide to the Administrative Agent a certificate certifying that the New Term Loan Commitments do not exceed the Maximum Incremental Facilities Amount, which certificate shall be in reasonable detail and shall provide the calculations and basis therefor. The Borrower may approach any Lender or any Person (other than a natural Person) to provide all or a portion of the New Term Loan Commitments; provided that any Lender offered or approached to provide all or a portion of the New Term Loan Commitments may elect or decline, in its sole discretion, to provide a New Term Loan Commitment. In each case, such New Term Loan Commitments shall become effective as of the applicable Increased Amount Date; provided that (i) no Event of Default (except in connection with an acquisition or investment, no Event of Default under Section 11.1 or Section 11.5) shall exist on such Increased Amount Date before or after giving effect to such New Term Loan Commitments, as applicable, (ii) the New Term Loan Commitments shall be effected pursuant to one or more Joinder Agreements executed and delivered by the Borrower and Administrative Agent, and each of which shall be recorded in the Register and shall be subject to the requirements set forth in Section 5.4(e), and (iii) the Borrower shall make any payments required pursuant to Section 2.11 in connection with the New Term Loan Commitments, as applicable. No Lender shall have any obligation to provide any Commitments pursuant to this Section 2.14(a). Any New Term Loans made on an Increased Amount Date shall, at the election of the Borrower and agreed to by Lenders providing such New Term Loan Commitments, be designated as (a) a separate series (a "Series") of New Term Loans for all purposes of this Agreement or (b) as part of a Series of existing Term Loans for all purposes of this Agreement.

(b) [reserved]

- (c) On any Increased Amount Date on which any New Term Loan Commitments of any Series are effective, subject to the satisfaction of the foregoing terms and conditions, (i) each Lender with a New Term Loan Commitment (each, a "NewTerm Loan Lender") of any Series shall make a Loan to the Borrower (a "NewTerm Loan") in an amount equal to its New Term Loan Commitment of such Series, and (ii) each New Term Loan Lender of any Series shall become a Lender hereunder with respect to the New Term Loan Commitment of such Series and the New Term Loans of such Series made pursuant thereto.
- (d) The terms and provisions of the New Term Loans and New Term Loan Commitments of any Series shall be on terms and documentation set forth in the Joinder Agreement as determined by the Borrower; provided that (i) the applicable New Term Loan Maturity Date of each Series shall be no earlier than the Initial Term Loan Maturity Date; (ii) the weighted average life to maturity of all New Term Loans shall be no shorter than the weighted average life to maturity of the then existing Initial Term Loans, (iii) the pricing, interest rate margins, discounts, premiums, rate floors, fees, and amortization schedule applicable to any New Term Loans shall be determined by the Borrower and the Lenders thereunder; provided that solely in the case of New Term Loans incurred prior to the 18 month anniversary of the Closing Date, if the Effective Yield for LIBOR Loans in respect of such New Term Loans exceeds the Effective Yield for LIBOR Loans in respect of the then existing Initial Term Loans by more than 0.50%, the Applicable Margin for LIBOR Loans in respect of the then existing Initial Term Loans shall be adjusted so that the Effective Yield in respect of the then existing Initial Term Loans is equal to the Effective Yield for LIBOR Loans in respect of the New Term Loans minus 0.50%; and (iv) to the extent such terms and documentation are not consistent with the then existing Initial Term Loans (except to the extent permitted by clause (i), (ii) or (iii) above), they shall be reasonably satisfactory to the Administrative Agent (it being understood that, (1) to the extent that any financial maintenance covenant is added for the benefit of any such Indebtedness, no consent shall be required by the Administrative Agent or any of the Lenders if such Indebtedness or (2) no consent shall be required by the Administrative Agent or any of the Lenders if any covenants or other provisions are only applicable after the Latest Term Loan Maturity Date).

(e) [reserved]

- (f) Each Joinder Agreement may, without the consent of any other Lenders, effect technical and corresponding amendments to this Agreement and the other Credit Documents as may be necessary or appropriate, in the opinion of the Administrative Agent, to effect the provision of this Section 2.14.
- (g) (4) The Borrower may at any time and from time to time request that all or a portion of the Term Loans of any Class (an "Existing Term Loan Class") be converted to extend the scheduled maturity date(s) of any payment of principal with respect to all or a portion of any principal amount of such Term Loans (any such Term Loans which have been so converted, "Extended Term Loans") and to provide for other terms consistent with this Section 2.14(g). In order to establish any Extended Term Loans, the Borrower shall provide a notice to the Administrative Agent (who shall provide a copy of such notice to each of the Lenders of the applicable Existing Term Loan Extension Request shall be offered equally to all such Lenders) (a "Term Loan Extension Request") setting forth the proposed terms of the Extended Term Loans to be established, which shall not be materially more restrictive to the Credit Parties (as determined in good faith by the Borrower), when taken as a whole, than the terms of the Term Loans of the Existing Term Loan Class unless (x) the Lenders of the Term Loans of such applicable Existing Term Loan Class receive the benefit of such more restrictive terms or (y) any such provisions apply after the Initial Term Loan Maturity Date (a "Permitted Other Provision"); provided, however, that (x) the scheduled final maturity date shall be extended and all or any of the scheduled amortization payments of principal of the Extended Term Loans may be delayed to later dates than the scheduled amortization of principal of the Term Loans of such Existing Term Loan Class (with any such delay resulting in a corresponding adjustment to the scheduled amortization payments reflected in Section 2.5 or in the Joinder Agreement, as the case may be, with respect to the Existing Term Loan Class from which such Extended Term Loans were converted, in each case as more particularly set forth in paragraph (iv) of this Section 2.14(g) below), (y) (A) the interest margins with respect to the Extended Term Loans may be higher or lower than the interest margins for the Term Loans of such Existing Term Loan Class and/or (B) additional fees, premiums or AHYDO payments may be payable to the Lenders providing such Extended Term Loans in addition to or in lieu of any increased margins contemplated by the preceding clause (A), in each case, to the extent provided in the applicable Extension Amendment and to the extent that any Permitted Other Provision (including a financial maintenance covenant) is added for the benefit of any such Indebtedness, no consent shall be required by the Administrative Agent or any of the Lenders if such Permitted Other Provision is also added for the benefit of any corresponding Loans remaining outstanding after the issuance or incurrence of such Indebtedness or if such Permitted Other Provision applies only after the Initial Term Loan Maturity Date. Notwithstanding anything to the contrary in this Section 2.14 or otherwise, no Extended Term Loans may be optionally prepaid prior to the date on which the Existing Term Loan Class from which they were converted is repaid in full, except in accordance with the last sentence of Section 5.1(a). No Lender shall have any obligation to agree to have any of its Term Loans of any Existing Term Loan Class converted into Extended Term Loans pursuant to any Extension Request. Any Extended Term Loans of any Extension Series shall constitute a separate Class of Term Loans from the Existing Term Loan Class from which they were converted.

(ii) [reserved]

- (iii) Any Lender (an "Extending Lender") wishing to have all or a portion of its Loans converted into Extended Term Loans, shall notify the Administrative Agent (an "Extension Election") on or prior to the date specified in such Extension Request of the amount of its Loans of the Existing Class or Existing Classes subject to such Extension Request that it has elected to convert into Extended Term Loans. In the event that the aggregate amount of Loans of the Existing Classes subject to Extension Elections exceeds the amount of Extended Term Loans requested pursuant to the Extension Request, Loans of the Existing Class or Existing Classes subject to Extension Elections shall be converted to Extended Term Loans on a pro rata basis based on the amount of Loans in each such Extension Election.
- (iv) Extended Term Loans shall be established pursuant to an amendment (an "Extension Amendment") to this Agreement (which, except to the extent expressly contemplated by the penultimate sentence of this Section 2.14(g)(iv) and notwithstanding anything to the contrary set forth in Section 13.1, shall not require the consent of any Lender other than the Extending Lenders with respect to the Extended Term Loans established thereby) executed by the Credit Parties, the Administrative Agent and the Extending Lenders. No Extension Amendment shall provide for any tranche of Extended Term Loans in an aggregate principal amount that is less than \$10,000,000. In addition to any terms and changes required or permitted by Section 2.14(g)(i), each Extension Amendment may, but shall not be required to, impose additional requirements (not inconsistent with the provisions of this Agreement in effect at such time) with respect to the final maturity and weighted average life to maturity of New Term Loans incurred following the date of such Extension Amendment. Notwithstanding anything to the contrary in this Section 2.14(g) and without limiting the generality or applicability of Section 13.1 to any Section 2.14 Additional Amendments, any Extension Amendment may provide for additional terms and/or additional amendments other than those referred to or contemplated above (any such additional amendment, a "Section 2.14 Additional Amendment") to this Agreement and the other Credit Documents; provided that such Section 2.14 Additional Amendments are within the requirements of Section 2.14(g)(i) and do not become effective prior to the time that such Section 2.14 Additional Amendments have been consented to (including, without limitation, pursuant to (1) consents applicable to holders of New Term Loans provided for in any Joinder Agreement and (2) consents applicable to holders of any Extended Term Loans provided for in any Extension Amendment) by such of the Lenders, Credit Parties and other parties (if any) as may be required in orde

- (v) Notwithstanding anything to the contrary contained in this Agreement, on any date on which any Existing Class is converted to extend the related scheduled maturity date(s) in accordance with <u>clause (i)</u> above (an "Extension Date"), the aggregate principal amount of such existing Loans shall be deemed reduced by an amount equal to the aggregate principal amount of Extended Term Loans so converted by such Lender on such date, and the Extended Term Loans shall be established as a separate Class of Loans (together with any other Extended Term Loans so established on such date).
- (vi) The Administrative Agent and the Lenders hereby consent to the consummation of the transactions contemplated by this Section 2.14 (including, for the avoidance of doubt, payment of any interest, fees, or premium in respect of any Extended Term Loans on such terms as may be set forth in the relevant Extension Amendment) and hereby waive the requirements of any provision of this Agreement (including, without limitation, any pro rata payment or amendment section) or any other Credit Document that may otherwise prohibit or restrict any such extension or any other transaction contemplated by this Section 2.14.

2.15 <u>Permitted Debt Exchanges</u>.

(a) Notwithstanding anything to the contrary contained in this Agreement, pursuant to one or more offers (each, a "Permitted Debt Exchange Offer") made from time to time by the Borrower, the Borrower may from time to time following the Closing Date consummate one or more exchanges of Term Loans for Permitted Other Indebtedness in the form of notes (such notes, "Permitted Debt Exchange Notes," and each such exchange a "Permitted Debt Exchange"), so long as the following conditions are satisfied: (i) no Event of Default shall have occurred and be continuing at the time the final offering document in respect of a Permitted Debt Exchange Offer is delivered to the relevant Lenders, (ii) the aggregate principal amount (calculated on the face amount thereof) of Term Loans exchanged shall equal no more than the aggregate principal amount (calculated on the face amount thereof) of Permitted Debt Exchange Notes issued in exchange for such Term Loans; provided that the aggregate principal amount of the Permitted Debt Exchange Notes may include accrued interest and premium (if any) under the Term Loans exchanged and underwriting discounts, fees, commissions and expenses in connection with the issuance of such Permitted Debt Exchange Notes, (iii) the aggregate principal amount (calculated on the face amount thereof) of all Term Loans exchanged under each applicable Class by the Borrower pursuant to any Permitted Debt Exchange shall automatically be cancelled and retired by the Borrower on the date of the settlement thereof (and, if requested by the Administrative Agent, any applicable exchanging Lender shall execute and deliver to the Administrative Agent an Assignment and Acceptance, or such other form as may be reasonably requested by the Administrative Agent, in respect thereof pursuant to which the respective Lender assigns its interest in the Term Loans being exchanged pursuant to the Permitted Debt Exchange to the Borrower for immediate cancellation), (iv) if the aggregate principal amount of all Term Loans of a given Class (calculated on the face amount thereof) tendered by Lenders in respect of the relevant Permitted Debt Exchange Offer (with no Lender being permitted to tender a principal amount of Term Loans which exceeds the principal amount thereof of the applicable Class actually held by it) shall exceed the maximum aggregate principal amount of Term Loans of such Class offered to be exchanged by the Borrower pursuant to such Permitted Debt Exchange Offer, then the Borrower shall exchange Term Loans subject to such Permitted Debt Exchange Offer tendered by such Lenders ratably up to such maximum amount based on the respective principal amounts so tendered, (v) all documentation in respect of such Permitted Debt Exchange shall be consistent with the foregoing, and all written communications generally directed to the Lenders in connection therewith shall be in form and substance consistent with the foregoing and made in consultation with the Borrower and the Auction Agent, and (vi) any applicable Minimum Tender Condition shall be satisfied.

- (b) With respect to all Permitted Debt Exchanges effected by any of the Borrower pursuant to this Section 2.15, (i) such Permitted Debt Exchanges (and the cancellation of the exchanged Term Loans in connection therewith) shall not constitute voluntary or mandatory payments or prepayments for purposes of Section 5.1 or 5.2, and (ii) such Permitted Debt Exchange Offer shall be made for not less than \$10,000,000 in aggregate principal amount of Term Loans; provided that subject to the foregoing clause (ii) the Borrower may at its election specify as a condition (a "Minimum Tender Condition") to consummating any such Permitted Debt Exchange that a minimum amount (to be determined and specified in the relevant Permitted Debt Exchange Offer in the Borrower's discretion) of Term Loans of any or all applicable Classes be tendered.
- (c) In connection with each Permitted Debt Exchange, the Borrower and the Auction Agent shall mutually agree to such procedures as may be necessary or advisable to accomplish the purposes of this Section 2.15 and without conflict with Section 2.15(d); provided that the terms of any Permitted Debt Exchange Offer shall provide that the date by which the relevant Lenders are required to indicate their election to participate in such Permitted Debt Exchange shall be not less than a reasonable period (in the discretion of the Borrower and the Auction Agent) of time following the date on which the Permitted Debt Exchange Offer is made.
- (d) The Borrower shall be responsible for compliance with, and hereby agrees to comply with, all applicable securities and other laws in connection with each Permitted Debt Exchange, it being understood and agreed that (x) none of the Auction Agent, the Administrative Agent nor any Lender assumes any responsibility in connection with the Borrower's compliance with such laws in connection with any Permitted Debt Exchange and (y) each Lender shall be solely responsible for its compliance with any applicable "insider trading" laws and regulations to which such Lender may be subject under the Securities Exchange Act of 1934, as amended.

- Voluntary Prepayments. (a) The Borrower shall have the right to prepay Loans, other than as set forth in Section 5.1(b), without premium or penalty, in whole or in part from time to time on the following terms and conditions: (1) the Borrower shall give the Administrative Agent at the Administrative Agent's Office written notice of its intent to make such prepayment, the amount of such prepayment and (in the case of LIBOR Loans) the specific Borrowing(s) pursuant to which made, which notice shall be given by the Borrower no later than 12:00 Noon (New York City time) (i) in the case of LIBOR Loans, three Business Days prior to or (ii) in the case of ABR Loans, one Business Day prior to the date of such prepayment and shall promptly be transmitted by the Administrative Agent to each of the Lenders; (2) each partial prepayment of (i) any Borrowing of LIBOR Loans shall be in a minimum amount of \$1,000,000 in excess thereof, and (ii) any ABR Loans shall be in a minimum amount of \$1,000,000 and in multiples of \$100,000 in excess thereof, provided that no partial prepayment of LIBOR Loans made pursuant to a single Borrowing shall reduce the outstanding LIBOR Loans made pursuant to such Borrowing to an amount less than the applicable Minimum Borrowing Amount for such LIBOR Loans, and (3) in the case of any prepayment of LIBOR Loans pursuant to this Section 5.1 on any day other than the last day of an Interest Period applicable thereto, the Borrower shall, promptly after receipt of a written request by any applicable Lender (which request shall set forth in reasonable detail the basis for requesting such amount), pay to the Administrative Agent for the account of such Lender any amounts required pursuant to Section 2.11. Each prepayment in respect of any Loans pursuant to this Section 5.1 shall be applied to the Class or Classes of Loans as the Borrower may specify.
- (b) If any Initial Term Loans are voluntarily prepaid pursuant to <u>Section 5.1(a)</u> or mandatorily prepaid pursuant to <u>Section 5.2</u> pursuant to a Debt Incurrence Prepayment Event or as a result of the incurrence of Indebtedness under <u>Section 10.1(w)(i)</u> or <u>Section 10.1(x)(i)(b)</u> or as a result of an assignment by a Non-Consenting Lender in accordance with <u>Section 13.7(b)</u> prior to the second anniversary of the Closing Date, such prepayments shall be made at (x) 102% of the aggregate principal amount of Loans prepaid if such prepayment occurs prior to the first anniversary of the Closing Date and (y) 101% of the aggregate principal amount of Loans prepaid if such prepayment occurs on or after the first anniversary of the Closing Date but prior to the second anniversary of the Closing Date.
 - 5.2 <u>Mandatory Prepayments</u>.
 - (a) <u>Term Loan Prepayments</u>.

(i) On each occasion that a Prepayment Event occurs, the Borrower shall, within three Business Days after receipt of the Net Cash Proceeds of a Debt Incurrence Prepayment Event (other than one covered by <u>clause (iii)</u> below) and within ten Business Days after the occurrence of any other Prepayment Event (or, in the case of Deferred Net Cash Proceeds, within ten Business Days after the Deferred Net Cash Proceeds Payment Date), prepay, in accordance with <u>clause (c)</u> below, Term Loans with an equivalent principal amount equal to 100% of the Net Cash Proceeds from such Prepayment Event; <u>provided</u> that, with respect to the Net Cash Proceeds of an Asset Sale Prepayment Event, Casualty Event or Permitted Sale Leaseback, in each case solely to the extent with respect to any Collateral, the Borrower may use a portion of such Net Cash Proceeds to prepay or repurchase Permitted Other Indebtedness (and with such prepaid or repurchased Permitted Other Indebtedness permanently extinguished) with a Lien on the Collateral ranking *pari passu* with the Liens securing the Obligations to the extent any applicable Permitted Other Indebtedness Document requires the issuer of such Permitted Other Indebtedness to prepay or make an offer to purchase such Permitted Other Indebtedness with the proceeds of such Prepayment Event, in each case in an amount not to exceed the product of (x) the amount of such Net Cash Proceeds *multiplied* by (y) a fraction, the numerator of which is the outstanding principal amount of the Permitted Other Indebtedness with a Lien on the Collateral ranking *pari passu* with the Liens securing the Obligations and with respect to which such a requirement to prepay or make an offer to purchase exists and the denominator of which is the sum of the outstanding principal amount of Such Permitted Other Indebtedness and the outstanding principal amount of Term Loans.

(ii) Not later than ten Business Days after the date on which financial statements are required to be delivered pursuant to Section 9.1(a) for any fiscal year (commencing with and including the fiscal year ending January 3, 2015), the Borrower shall prepay (or cause to be prepaid), in accordance with clause (c) below, Loans with a principal amount equal to (x) 50% of Excess Cash Flow for such fiscal year; provided that (A) the percentage in this Section 5.2(a)(ii) shall be reduced to 25% if the Consolidated First Lien Secured Debt to Consolidated EBITDA Ratio on the date of prepayment (prior to giving effect thereto but giving effect to any prepayment described in clause (y) below and as certified by an Authorized Officer of Holdings) for the most recent Test Period ended prior to such prepayment date is less than or equal to 4.25 to 1.00 but greater than 4.00 to 1.00 and (B) no payment of any Loans shall be required under this Section 5.2(a)(ii) if the Consolidated First Lien Secured Debt to Consolidated EBITDA Ratio on the date of prepayment (prior to giving effect thereto but giving effect to any prepayment described in clause (y) below and as certified by an Authorized Officer of Holdings) for the most recent Test Period ended prior to such prepayment date is less than or equal to 4.00 to 1.00, minus (y) (i) the principal amount of First Lien Term Loans voluntarily prepaid pursuant to Section 5.1 or Section 13.6 of the First Lien Credit Agreement (or comparable provisions) and Loans voluntarily prepaid pursuant to Section 5.1 or 13.6 (in each case, including purchases of the Loans by Holdings and its Subsidiaries at or below par, in which case the amount of voluntary prepayments of Loans shall be deemed not to exceed the actual purchase price of such Loans below par) during such fiscal year or after such fiscal year and prior to the date of the required Excess Cash Flow payment, and (ii) to the extent accompanied by permanent optional reductions of Revolving Credit Commitments (as defined in the First Lien Credit Agreement), Extended Revolving Credit Commitments (as defined in the First Lien Credit Agreement) or Incremental Revolving Credit Commitment (as defined in the First Lien Credit Agreement), as applicable, Revolving Credit Loans (as defined in the First Lien Credit Agreement), Swing Line Loans (as defined in the First Lien Credit Agreement), Extended Revolving Credit Loans (as defined in the First Lien Credit Agreement), Incremental Revolving Credit Loans (as defined in the First Lien Credit Agreement), in each case of clauses (i) and (ii), other than to the extent any such prepayment is funded with the proceeds of Funded Debt.

- (iii) On each occasion that Permitted Other Indebtedness is issued or incurred pursuant to <u>Section 10.1(w)</u>, the Borrower shall within three Business Days of receipt of the Net Cash Proceeds of such Permitted Other Indebtedness prepay, in accordance with <u>clause (c)</u> below, Term Loans with a principal amount equal to 100% of the Net Cash Proceeds from such issuance or incurrence of Permitted Other Indebtedness.
- (iv) Notwithstanding any other provisions of this Section 5.2, (A) to the extent that any or all of the Net Cash Proceeds of any Prepayment Event by a Foreign Subsidiary giving rise to a prepayment pursuant to <u>clause (i)</u> above (a "Foreign Prepayment Event") or Excess Cash Flow are prohibited or delayed by any Requirement of Law from being repatriated to the Credit Parties, an amount equal to the portion of such Net Cash Proceeds or Excess Cash Flow so affected will not be required to be applied to repay Loans at the times provided in clauses (i) and (ii) above, as the case may be, but only so long, as the applicable Requirement of Law will not permit repatriation to the Credit Parties (the Credit Parties hereby agreeing to cause the applicable Foreign Subsidiary to promptly take all actions reasonably required by the applicable Requirement of Law to permit repatriation), and once a repatriation of any of such affected Net Cash Proceeds or Excess Cash Flow is permitted under the applicable Requirement of Law, an amount equal to such Net Cash Proceeds or Excess Cash Flow will be promptly (and in any event not later than ten Business Days after such repatriation is permitted) applied (net of any taxes that would be payable or reserved against if such amounts were actually repatriated whether or not they are repatriated) to the repayment of the Loans pursuant to clauses (i) and (ii) above, as applicable, and (B) to the extent that the Borrower has determined in good faith that repatriation of any of or all the Net Cash Proceeds of any Foreign Prepayment Event or Excess Cash Flow would have a material adverse tax consequence with respect to such Net Cash Proceeds or Excess Cash Flow, an amount equal to the Net Cash Proceeds or Excess Cash Flow so affected may be retained by the applicable Foreign Subsidiary; provided that in the case of this clause (B), on or before the date on which any Net Cash Proceeds from any Foreign Prepayment Event so retained would otherwise have been required to be applied to reinvestments or prepayments pursuant to clause (i) above or, in the case of Excess Cash Flow, a date on or before the date that is eighteen months after the date an amount equal to such Excess Cash Flow would have so required to be applied to prepayments pursuant to clause (ii) above unless previously actually repatriated in which case such repatriated Excess Cash Flow shall have been promptly applied to the repayment of the Term Loans pursuant to clause (ii) above, (x) the Borrower shall apply an amount equal to such Net Cash Proceeds or Excess Cash Flow to such reinvestments or prepayments as if such Net Cash Proceeds or Excess Cash Flow had been received by the Credit Parties rather than such Foreign Subsidiary, less the amount of any taxes that would have been payable or reserved against if such Net Cash Proceeds or Excess Cash Flow had been repatriated (or, if less, the Net Cash Proceeds or Excess Cash Flow that would be calculated if received by such Foreign Subsidiary) or (y) such Net Cash Proceeds or Excess Cash Flow shall be applied to the repayment of Indebtedness of a Foreign Subsidiary. For the avoidance of doubt, nothing in this Agreement, including Section 5 shall be construed to require any Foreign Subsidiary to repatriate cash.

(b) [reserved]

(c) <u>Application to Repayment Amounts</u>. Subject to <u>Section 5.2(f)</u>, each prepayment of Term Loans required by <u>Section 5.2(a)(i)</u> or (<u>ii)</u> shall be allocated pro rata among the Initial Term Loans, the New Term Loans and the Extended Term Loans and shall be applied within each Class of Term Loans in respect of such Term Loans in direct order of maturity thereof or as otherwise directed by the Borrower; <u>provided</u> that if any Class of Extended Term Loans have been established hereunder, the Borrower may allocate such prepayment in its sole discretion to the Term Loans of the Existing Term Loan Class, if any, from which such Extended Term Loans were converted (except, as to Term Loans made pursuant to a Joinder Agreement, as otherwise set forth in such Joinder Agreement, or as to a Replacement Term Loan). Subject to <u>Section 5.2(f)</u>, with respect to each such prepayment, the Borrower will, not later than the date specified in <u>Section 5.2(a)</u> for making such prepayment, give the Administrative Agent written notice which shall include a calculation of the amount of such prepayment to be applied to each Class of Term Loans requesting that the Administrative Agent provide notice of such prepayment to each Initial Term Loan Lender, New Term Loan Lender, or Lender of Extended Term Loans, as applicable.

(d) <u>Application to Term Loans</u>. With respect to each prepayment of Term Loans required by <u>Section 5.2(a)</u>, the Borrower may, if applicable, designate the Types of Loans that are to be prepaid and the specific Borrowing(s) pursuant to which made; <u>provided</u>, that if any Lender has provided a Rejection Notice in compliance with <u>Section 5.2(f)</u>, such prepayment shall be applied with respect to the Term Loans to be prepaid on a pro rata basis across all outstanding Types of such Term Loans in proportion to the percentage of such outstanding Term Loans to be prepaid represented by each such Class. In the absence of a Rejection Notice or a designation by the Borrower as described in the preceding sentence, the Administrative Agent shall, subject to the above, make such designation in its reasonable discretion with a view, but no obligation, to minimize breakage costs owing under <u>Section 2.11</u>.

(e) [reserved]

- (f) Rejection Right. Holdings or the Borrower shall notify the Administrative Agent in writing of any mandatory prepayment of Term Loans required to be made pursuant to Section 5.2(a) at least three Business Days prior to the date of such prepayment. Each such notice shall specify the date of such prepayment and provide a reasonably detailed calculation of the amount of such prepayment. The Administrative Agent will promptly notify each Lender holding Term Loans of the contents of such prepayment notice and of such Lender's pro rata share of the prepayment. Each Term Loan Lender may reject all (but not less than all) of its pro ratashare of any mandatory prepayment other than any such mandatory prepayment with respect to a Debt Incurrence Prepayment Event under Section 5.2(a)(ii) or Permitted Other Indebtedness under Section 5.2(a)(iii) (such declined amounts, the "Declined Proceeds") of Term Loans required to be made pursuant to Section 5.2(a) by providing written notice (each, a "Rejection Notice") to the Administrative Agent no later than 5:00 p.m. (New York City time) one Business Day after the date of such Lender's receipt of notice from the Administrative Agent regarding such prepayment. If a Lender fails to deliver a Rejection Notice to the Administrative Agent within the time frame specified above, any such failure will be deemed an acceptance of the total amount of such mandatory prepayment of Term Loans. Any Declined Proceeds remaining after offering such Declined Proceeds to the Lenders in accordance with the terms hereof shall be retained by the Borrower ("Retained Declined Proceeds").
- (g) Notwithstanding anything to the contrary in this <u>Section 5.2</u>, no prepayments of Loans shall be required pursuant to this <u>Section 5.2</u> until the Discharge of First Lien Obligations (as defined in the Intercreditor Agreement) has occurred (except amounts declined by the First Lien Term Loan Lenders pursuant to <u>Section 5.2(f)</u> of the First Lien Credit Agreement shall be required to be applied as a mandatory prepayment hereunder.

5.3 Method and Place of Payment.

(a) Except as otherwise specifically provided herein, all payments under this Agreement shall be made by the Borrower, without set-off, counterclaim or deduction of any kind, to the Administrative Agent for the ratable account of the Lenders entitled thereto, not later than 2:00 p.m. (New York City time), in each case, on the date when due and shall be made in immediately available funds at the Administrative Agent's Office or at such other office as the Administrative Agent shall specify for such purpose by notice to the Borrower. All repayments or prepayments of any Loans (whether of principal, interest or otherwise) hereunder and all other payments under each Credit Document shall, unless otherwise specified in such Credit Document, be made in Dollars. The Administrative Agent will thereafter cause to be distributed on the same day (if payment was actually received by the Administrative Agent prior to 2:00 p.m. (New York City time) or, otherwise, on the next Business Day in the Administrative Agent's sole discretion) like funds relating to the payment of principal or interest or Fees ratably to the Lenders entitled thereto.

(b) Any payments under this Agreement that are made later than 2:00 p.m. (New York City time) may be deemed to have been made on the next succeeding Business Day in the Administrative Agent's sole discretion for purposes of calculating interest thereon. Except as otherwise provided herein, whenever any payment to be made hereunder shall be stated to be due on a day that is not a Business Day, the due date thereof shall be extended to the next succeeding Business Day and, with respect to payments of principal, interest shall be payable during such extension at the applicable rate in effect immediately prior to such extension.

5.4 Net Payments.

- (a) Payments Free of Taxes; Obligation to Withhold; Payments on Account of Taxes.
- (i) Any and all payments by or on account of any obligation of any Credit Party hereunder or under any other Credit Document shall to the extent permitted by applicable laws be made free and clear of and without reduction or withholding for any Taxes.
- (ii) If any Credit Party, the Administrative Agent or any other applicable Withholding Agent shall be required by applicable law to withhold or deduct any Taxes from any payment, then (A) such Withholding Agent shall withhold or make such deductions as are reasonably determined by such Withholding Agent to be required by applicable law, (B) such Withholding Agent shall timely pay the full amount withheld or deducted to the relevant Governmental Authority, and (C) to the extent that the withholding or deduction is made on account of Indemnified Taxes or Other Taxes, the sum payable by the applicable Credit Party shall be increased as necessary so that after any required withholding or deductions have been made (including withholding or deductions applicable to additional sums payable under this Section 5.4) each Lender (or, in the case of a payment to the Administrative Agent for its own account, the Administrative Agent) receives an amount equal to the sum it would have received had no such withholding or deductions been made.
- (b) <u>Payment of Other Taxes by the Borrower</u>. Without limiting the provisions of subsection (a) above, the Borrower shall timely pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law or timely reimburse the Administrative Agent or any Lender for the payment of any Other Taxes.
- (c) <u>Tax Indemnifications</u>. Without limiting the provisions of subsection (a) or (b) above, the Borrower shall indemnify the Administrative Agent and each Lender, and shall make payment in respect thereof within 15 days after demand therefor, for the full amount of Indemnified Taxes or Other Taxes (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this <u>Section 5.4</u>) payable by the Administrative Agent or such Lender, as the case may be, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of any such payment or liability (along with a written statement setting forth in reasonable detail the basis and calculation of such amounts) delivered to the Borrower by a Lender, or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error. If the Borrower reasonably believes that any such Indemnified Taxes or Other Taxes were not correctly or legally asserted, the Administrative Agent and/or each affected Lender will use reasonable efforts to cooperate with the Borrower in pursuing a refund of such Indemnified Taxes or Other Taxes so long as such efforts would not, in the sole determination of the Administrative Agent or affected Lender, result in any additional costs, expenses or risks or be otherwise disadvantageous to it.

(d) Evidence of Payments. After any payment of Taxes by any Credit Party or the Administrative Agent to a Governmental Authority as provided in this Section 5.4, the Borrower shall deliver to the Administrative Agent or the Administrative Agent shall deliver to the Borrower, as the case may be, the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of any return required by laws to report such payment or other evidence of such payment reasonably satisfactory to the Borrower or the Administrative Agent, as the case may be.

(e) Status of Lenders and Tax Documentation.

(i) Each Lender shall deliver to the Borrower and to the Administrative Agent, at such time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation prescribed by applicable laws or by the taxing authorities of any jurisdiction and such other reasonably requested information as will permit the Borrower or the Administrative Agent, as the case may be, to determine (A) whether or not any payments made hereunder or under any other Credit Document are subject to Taxes, (B) if applicable, the required rate of withholding or deduction, and (C) such Lender's entitlement to any available exemption from, or reduction of, applicable Taxes in respect of any payments to be made to such Lender by any Credit Party pursuant to any Credit Document or otherwise to establish such Lender's status for withholding tax purposes in the applicable jurisdiction. Any documentation and information required to be delivered by a Lender pursuant to this Section 5.4(e) (including any specific documentation set forth in subsection (ii) below) shall be delivered by such Lender (i) on or prior to the Closing Date (or on or prior to the date it becomes a party to this Agreement), (ii) on or before any date on which such documentation expires or becomes obsolete or invalid, (iii) after the occurrence of any change in the Lender's circumstances requiring a change in the most recent documentation previously delivered by it to the Borrower and the Administrative Agent, and (iv) from time to time thereafter if reasonably requested by the Borrower or the Administrative Agent, and each such Lender shall promptly notify in writing the Borrower and the Administrative Agent if such Lender is no longer legally eligible to provide any documentation previously provided.

(ii) Without limiting the generality of the foregoing:

(A) any Lender that is a "United States person" within the meaning of Section 7701(a)(30) of the Code (a "U.S. Lender") shall deliver to the Borrower and the Administrative Agent executed originals of Internal Revenue Service Form W-9 or such other documentation or information prescribed by applicable laws or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent, as the case may be, to determine whether or not such Lender is subject to backup withholding or information reporting requirements;

- (B) each Non-U.S. Lender that is entitled under the Code or any applicable treaty to an exemption from or reduction of U.S. federal withholding tax with respect to any payments hereunder or under any other Credit Document shall deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) whichever of the following is applicable:
- (1) executed originals of Internal Revenue Service Form W-8BEN (or any successor form thereto) claiming eligibility for benefits of an income tax treaty to which the United States is a party;
 - (2) executed originals of Internal Revenue Service Form W-8ECI (or any successor form thereto);
- (3) in the case of a Non-U.S. Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate, substantially in the form of Exhibit J-1, J-2, J-3 or J-4, as applicable, (a "Non-Bank Tax Certificate"), to the effect that such Non-U.S. Lender is not (A) a "bank" within the meaning of Section 881(c)(3)(A) of the Code, (B) a "10 percent shareholder" of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or (C) a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code and that no payments under any Credit Document are effectively connected with such Non-U.S. Lender's conduct of a United States trade or business and (y) executed originals of Internal Revenue Service Form W-8BEN (or any successor thereto);
- (4) where such Lender is a partnership (for U.S. federal income tax purposes) or otherwise not a beneficial owner (e.g., where such Lender has sold a participation), IRS Form W-8IMY (or any successor thereto) and all required supporting documentation (including, where one or more of the underlying beneficial owner(s) is claiming the benefits of the portfolio interest exemption, a Non-Bank Tax Certificate of such beneficial owner(s)) (provided that, if the Non-U.S. Lender is a partnership and not a participating Lender, the Non-Bank Tax Certificate(s) may be provided by the Non-U.S. Lender on behalf of the direct or indirect partner(s)); or
- (5) executed originals of any other form prescribed by applicable laws as a basis for claiming exemption from or a reduction in United States federal withholding tax together with such supplementary documentation as may be prescribed by applicable laws to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made;
 - (C) if a payment made to a Lender under any Credit Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA, to determine whether such Lender has complied with such Lender's obligations under FATCA or to determine the amount, if any, to deduct and withhold from such payment. Solely for purposes of this clause (C), "FATCA" shall include any amendments made to FATCA after the date of this Agreement; and

- (D) If the Administrative Agent is a "United States person" (as defined in Section 7701(a)(30) of the Code), it shall provide the Borrower with two duly completed original copies of Internal Revenue Service Form W-9. If the Administrative Agent is not a "United States person" (as defined in Section 7701(a)(3) of the Code), it shall provide applicable Form W-8 (together with required accompanying documentation) with respect to payments to be received by it on behalf of the Lenders.
- (iii) Notwithstanding anything to the contrary in this <u>Section 5.4</u>, no Lender or the Administrative Agent shall be required to deliver any documentation that it is not legally eligible to deliver.
- (f) Treatment of Certain Refunds. If the Administrative Agent or any Lender determines, in its sole discretion exercised in good faith, that it has received a refund of any Indemnified Taxes or Other Taxes as to which it has been indemnified by any Credit Party or with respect to which any Credit Party has paid additional amounts pursuant to this Section 5.4, the Administrative Agent or such Lender (as applicable) shall promptly pay to the Borrower an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid, by the Credit Parties under this Section 5.4 with respect to the Indemnified Taxes or Other Taxes giving rise to such refund), net of all out-of-pocket expenses (including any Taxes) incurred by the Administrative Agent or such Lender, as the case may be, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); provided that the Borrower, upon the request of the Administrative Agent or such Lender, agrees to repay the amount paid over to the Borrower (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent or such Lender in the event the Administrative Agent or such Lender is required to repay such refund to such Governmental Authority. In such event, the Administrative Agent or such Lender, as the case may be, shall, at the Borrower's request, provide the Borrower with a copy of any notice of assessment or other evidence of the requirement to repay such refund received from the relevant taxing authority (provided that the Administrative Agent or such Lender may delete any information therein that it deems confidential). Notwithstanding anything to the contrary in this paragraph (f), in no event will the Administrative Agent or any Lender be required to pay any amount to an indemnifying party pursuant to this paragraph (f) the payment of which would place the Administrative Agent or any Lender in a less favorable net after-Tax position than the Administrative Agent or any Lender would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This subsection shall not be construed to require the Administrative Agent or any Lender to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to any Credit Party or any other Person.

- (g) For the avoidance of doubt, for purposes of this Section 5.4, the term "applicable law" includes FATCA.
- (h) Each party's obligations under this Section 5.4 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under the Credit Documents.

5.5 <u>Computations of Interest and Fees</u>.

- (a) Except as provided in the next succeeding sentence, interest on LIBOR Loans shall be calculated on the basis of a 360-day year for the actual days elapsed. Interest on ABR Loans shall be calculated on the basis of a 365- (or 366-, as the case may be) day year for the actual days elapsed.

12.1 Appointment.

- (a) Each Lender hereby irrevocably designates and appoints the Administrative Agent as the agent of such Lender under this Agreement and the other Credit Documents and irrevocably authorizes the Administrative Agent, in such capacity, to take such action on its behalf under the provisions of this Agreement and the other Credit Documents and to exercise such powers and perform such duties as are expressly delegated to the Administrative Agent by the terms of this Agreement and the other Credit Documents, together with such other powers as are reasonably incidental thereto. The provisions of this Section 12 (other than Section 12.1(c) with respect to the Joint Lead Arrangers and Bookrunners and Sections 12.1, 12.9, 12.11 and 12.12 with respect to Holdings) are solely for the benefit of the Agents and the Lenders, none of Holdings, the Borrower or any other Credit Party shall have rights as third party beneficiary of any such provision. Notwithstanding any provision to the contrary elsewhere in this Agreement, the Administrative Agent shall not have any duties or responsibilities, except those expressly set forth herein, or any fiduciary relationship with any Lender, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Credit Document or otherwise exist against the Administrative Agent. In performing its functions and duties hereunder, each Agent shall act solely as an agent of Lenders and does not assume and shall not be deemed to have assumed any obligation towards or relationship of agency or trust with or for Holdings, the Borrower or any of their respective Subsidiaries.
- (b) The Administrative Agent and each Lender hereby irrevocably designate and appoint the Collateral Agent as the agent with respect to the Collateral, and each of the Administrative Agent and each Lender irrevocably authorizes the Collateral Agent, in such capacity, to take such action on its behalf under the provisions of this Agreement and the other Credit Documents and to exercise such powers and perform such duties as are expressly delegated to the Collateral Agent by the terms of this Agreement and the other Credit Documents, together with such other powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary elsewhere in this Agreement, the Collateral Agent shall not have any duties or responsibilities except those expressly set forth herein, or any fiduciary relationship with any of the Administrative Agent or the Lenders, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Credit Document or otherwise exist against the Collateral Agent.
- (c) Each of the Joint Lead Arrangers and Bookrunners each in its capacity as such, shall not have any obligations, duties or responsibilities under this Agreement but shall be entitled to all benefits of this <u>Section 12</u>.

- 12.2 <u>Delegation of Duties</u>. The Administrative Agent and the Collateral Agent may each execute any of its duties under this Agreement and the other Credit Documents by or through agents, sub-agents, employees or attorneys-in-fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. Neither the Administrative Agent nor the Collateral Agent shall be responsible for the negligence or misconduct of any agents, subagents or attorneys-in-fact selected by it in the absence of its gross negligence or willful misconduct (as determined in the final non-appealable judgment of a court of competent jurisdiction).
- Exculpatory Provisions. No Agent nor any of its officers, directors, employees, agents, attorneys-in-fact or Affiliates shall be (a) liable for any action lawfully taken or omitted to be taken by any of them under or in connection with this Agreement or any other Credit Document (except for its or such Person's own gross negligence or willful misconduct, as determined in the final non-appealable judgment of a court of competent jurisdiction, in connection with its duties expressly set forth herein) or (b) responsible in any manner to any of the Lenders or any participant for any recitals, statements, representations or warranties made by any Credit Party or any officer thereof contained in this Agreement or any other Credit Document or in any certificate, report, statement or other document referred to or provided for in, or received by such Agent under or in connection with, this Agreement or any other Credit Document or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Credit Document, or the creation, perfection or priority of any Lien or security interest created or purported to be created under the Security Documents, or for any failure of any Credit Party to perform its obligations hereunder or thereunder. No Agent shall be under any obligation to any Lender to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Credit Document, or to inspect the properties, books or records of any Credit Party.
- Reliance by Agents. The Administrative Agent and the Collateral Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, resolution, notice, consent, certificate, affidavit, letter, telecopy, telex or teletype message, statement, order or other document or instruction believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons and upon advice and statements of legal counsel (including counsel to Holdings and the Borrower), independent accountants and other experts selected by the Administrative Agent or the Collateral Agent. The Administrative Agent may deem and treat the Lender specified in the Register with respect to any amount owing hereunder as the owner thereof for all purposes unless a written notice of assignment, negotiation or transfer thereof shall have been filed with the Administrative Agent. The Administrative Agent and the Collateral Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Credit Document unless it shall first receive such advice or concurrence of the Required Lenders as it deems appropriate or it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such action. The Administrative Agent and the Collateral Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement and the other Credit Documents in accordance with a request of the Required Lenders, and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders and all future holders of the Loans; provided that the Administrative Agent and the Collateral Agent shall not be required to take any action that, in its opinion or in the opinion of its counsel, may expose it to liability or that is contrary to any Credit Document or applicable law.

- Notice of Default. Neither the Administrative Agent nor the Collateral Agent shall be deemed to have knowledge or notice of the occurrence of any Default or Event of Default hereunder unless the Administrative Agent or the Collateral Agent has received written notice from a Lender or Holdings or the Borrower referring to this Agreement, describing such Default or Event of Default and stating that such notice is a "notice of default." In the event that the Administrative Agent receives such a notice, it shall give notice thereof to the Lenders and the Collateral Agent. The Administrative Agent shall take such action with respect to such Default or Event of Default as shall be reasonably directed by the Required Lenders; provided that unless and until the Administrative Agent shall have received such directions, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable in the best interests of the Lenders except to the extent that this Agreement requires that such action be taken only with the approval of the Required Lenders or each of the Lenders, as applicable.
- 12.6 Non-Reliance on Administrative Agent, Collateral Agent, and Other Lenders. Each Lender expressly acknowledges that neither the Administrative Agent nor the Collateral Agent nor any of their respective officers, directors, employees, agents, attorneys-in-fact or Affiliates has made any representations or warranties to it and that no act by the Administrative Agent or the Collateral Agent hereinafter taken, including any review of the affairs of any Credit Party, shall be deemed to constitute any representation or warranty by the Administrative Agent or the Collateral Agent to any Lender. Each Lender represents to the Administrative Agent and the Collateral Agent that it has, independently and without reliance upon the Administrative Agent, the Collateral Agent or any other Lender, and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, operations, property, financial and other condition and creditworthiness of the Borrower and each other Credit Party and made its own decision to make its Loans hereunder and enter into this Agreement. Each Lender also represents that it will, independently and without reliance upon the Administrative Agent, the Collateral Agent or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Credit Documents, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of any of the Credit Parties. Except for notices, reports, and other documents expressly required to be furnished to the Lenders by the Administrative Agent hereunder, neither the Administrative Agent nor the Collateral Agent shall have any duty or responsibility to provide any Lender with any credit or other information concerning the business, assets, opera
- Indemnification. The Lenders agree to severally indemnify each Agent in its capacity as such (to the extent not reimbursed by the Credit Parties 12.7 and without limiting the obligation of the Credit Parties to do so), ratably according to their respective portions of the Total Credit Exposure in effect on the date on which indemnification is sought (or, if indemnification is sought after the date upon which the Commitments shall have terminated and the Loans shall have been paid in full, ratably in accordance with their respective portions of the Total Credit Exposure in effect immediately prior to such date), from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses, or disbursements of any kind whatsoever that may at any time (including at any time following the payment of the Loans) be imposed on, incurred by or asserted against an Agent in any way relating to or arising out of the Commitments, this Agreement, any of the other Credit Documents or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by the Administrative Agent or the Collateral Agent under or in connection with any of the foregoing; provided that no Lender shall be liable to an Agent for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from such Agent's gross negligence or willful misconduct as determined by a final non-appealable judgment of a court of competent jurisdiction; provided, further, that no action taken by the Administrative Agent in accordance with the directions of the Required Lenders (or such other number or percentage of the Lenders as shall be required by the Credit Documents) shall be deemed to constitute gross negligence or willful misconduct for purposes of this Section 12.7. In the case of any investigation, litigation or proceeding giving rise to any liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever that may at any time occur (including at any time following the payment of the Loans), this Section 12.7 applies whether any such investigation, litigation or proceeding is brought by any Lender or any other Person. Without limitation of the foregoing, each Lender shall reimburse each Agent upon demand for its ratable share of any costs or out-of-pocket expenses (including attorneys' fees) incurred by such Agent in connection with the preparation, execution, delivery, administration, modification, amendment or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice rendered in respect of rights or responsibilities under, this Agreement, any other Credit Document, or any document contemplated by or referred to herein, to the extent that such Agent is not reimbursed for such expenses by or on behalf of Holdings or the Borrower; provided that such reimbursement by the Lenders shall not affect Holdings' or the Borrower's continuing reimbursement obligations with respect thereto. If any indemnity furnished to any Agent for any purpose shall, in the opinion of such Agent, be insufficient or become impaired, such Agent may call for additional indemnity and cease, or not commence, to do the acts indemnified against until such additional indemnity is furnished; provided, in no event shall this sentence require any Lender to indemnify any Agent against any liability, obligation, loss, damage, penalty, action, judgment, suit, cost, expense or disbursement in excess of such Lender's pro rata portion thereof; and provided, further, this sentence shall not be deemed to require any Lender to indemnify any Agent against any liability, obligation, loss, damage, penalty, action, judgment, suit, cost, expense or disbursement resulting from such Agent's gross negligence or willful misconduct as determined by a final non-appealable judgment of a court of competent jurisdiction. The agreements in this Section 12.7 shall survive the payment of the Loans and all other amounts payable hereunder. The indemnity provided to each Agent under this Section 12.7 shall also apply to such Agent's respective Affiliates, directors, officers, members, controlling persons, employees, trustees, investment advisors and agents and successors.

- Agents in Their Individual Capacities. The agency hereby created shall in no way impair or affect any of the rights and powers of, or impose any duties or obligations upon, any Agent in its individual capacity as a Lender hereunder. Each Agent and its Affiliates may make loans to, accept deposits from and generally engage in any kind of business with any Credit Party as though such Agent were not an Agent hereunder and under the other Credit Documents. With respect to the Loans made by it, each Agent shall have the same rights and powers under this Agreement and the other Credit Documents as any Lender and may exercise the same as though it were not an Agent, and the terms Lender and Lenders shall include each Agent in its individual capacity.
- Successor Agents. (a) Each of the Administrative Agent and the Collateral Agent may at any time give notice of its resignation to the Lenders and Holdings. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, subject to the consent of the Borrower (not to be unreasonably withheld or delayed) so long as no Event of Default under Sections 11.1 or 11.5 is continuing, to appoint a successor, which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Agent gives notice of its resignation (the "Resignation Effective Date"), then the retiring Agent may on behalf of the Lenders, appoint a successor Agent meeting the qualifications set forth above (including receipt of the Borrower's consent); provided that if the Administrative Agent or the Collateral Agent shall notify the Borrower and the Lenders that no qualifying Person has accepted such appointment, then such resignation shall nonetheless become effective in accordance with such notice.

(b) [reserved]

(c) With effect from the Resignation Effective Date, (1) the retiring or removed agent shall be discharged from its duties and obligations hereunder and under the other Credit Documents (except that in the case of any collateral security held by the Collateral Agent on behalf of the Lenders under any of the Credit Documents, the retiring or removed Collateral Agent shall continue to hold such collateral security as nominee until such time as a successor Collateral Agent is appointed) and (2) all payments, communications and determinations provided to be made by, to or through the retiring or removed Administrative Agent shall instead be made by or to each Lender directly, until such time as the Required Lenders appoint a successor Agent as provided for above in this paragraph. Upon the acceptance of a successor's appointment as the Administrative Agent or the Collateral Agent, as the case may be, hereunder, and upon the execution and filing or recording of such financing statements, or amendments thereto, and such amendments or supplements to the Mortgages, and such other instruments or notices, as may be necessary or desirable, or as the Required Lenders may request, in order to continue the perfection of the Liens granted or purported to be granted by the Security Documents, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) or removed Agent, and the retiring or removed Agent shall be discharged from all of its duties and obligations hereunder or under the other Credit Documents (if not already discharged therefrom as provided above in this Section 12.9). Except as provided above, any resignation or removal of Morgan Stanley Senior Funding, Inc. as the Administrative Agent pursuant to this Section 12.9 shall also constitute the resignation or removal of Morgan Stanley Senior Funding, Inc. as the Collateral Agent. The fees payable by Holdings or the Borrower (following the effectiveness of such appointment) to such Agent shall be the same as those payable to its predecessor unless otherwise agreed between Holdings or Borrower and such successor. After the retiring or removed Agent's resignation or removal hereunder and under the other Credit Documents, the provisions of this Section 12 (including Section 12.7) and Section 13.5 shall continue in effect for the benefit of such retiring or removed Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring or removed Agent was acting as an Agent.

Withholding Tax. To the extent required by any applicable law, the Administrative Agent may withhold from any payment to any Lender under any Credit Document an amount equivalent to any applicable withholding Tax. If the Internal Revenue Service or any authority of the United States or other jurisdiction asserts a claim that the Administrative Agent did not properly withhold Tax from amounts paid to or for the account of any Lender for any reason (including because the appropriate form was not delivered, was not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstances that rendered the exemption from, or reduction of, withholding Tax ineffective) or if the Administrative Agent reasonably determines that a payment was made to a Lender pursuant to this Agreement without deduction of applicable withholding Tax from such payment, such Lender shall indemnify the Administrative Agent (to the extent that the Administrative Agent has not already been reimbursed by any applicable Credit Party and without limiting the obligation of any applicable Credit Party to do so) fully for all amounts paid, directly or indirectly, by the Administrative Agent as Tax or otherwise, including penalties, additions to Tax and interest, together with all expenses incurred, including legal expenses, allocated staff costs and any out of pocket expenses. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Credit Document against any amount due to the Administrative Agent under this Section 12.10. The agreements in Section 12.10 shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfa

Agent, as applicable, on behalf of and for the benefit of the Secured Parties, to be the agent for and representative of the Secured Parties with respect to the Collateral and the Security Documents. Subject to Section 13.1, without further written consent or authorization from any Secured Party, the Administrative Agent or the Collateral Agent, as applicable, may execute any documents or instruments necessary to (a) release any Lien on any property granted to or held by the Administrative Agent or the Collateral Agent (or any sub-agent thereof) under any Credit Document (i) upon the Final Maturity Date and the payment in full of all Obligations (except for contingent indemnification obligations in respect of which a claim has not yet been made), (ii) that is sold or to be sold or transferred as part of or in connection with any sale or other transfer permitted hereunder or under any other Credit Document to a Person that is not a Credit Party or in connection with the designation of any Restricted Subsidiary as an Unrestricted Subsidiary, (iii) if the property subject to such Lien is owned by a Credit Party, upon the release of such Credit Party from its Guarantee otherwise in accordance with the Credit Documents, (iv) as to the extent provided in the Security Documents, (v) that constitutes Excluded Property or Excluded Stock and Stock Equivalents or (vi) if approved, authorized or ratified in writing in accordance with Section 13.1; (b) release any Guarantor from its obligations under the Guarantee if such Person ceases to be a Restricted Subsidiary (or becomes an Excluded Subsidiary) as a result of a transaction or designation permitted hereunder; (c) subordinate any Lien on any property granted to or held by the Administrative Agent or the Collateral Agent under any Credit Document to the holder of any Lien permitted under clause (vi) (solely with respect to Section 10.1(d)), and (ix) of the definition of Permitted Lien; or (d) enter into subordination or intercreditor agreements with respect to Indebtedne

The Collateral Agent shall have its own independent right to demand payment of the amounts payable by the Borrower under this <u>Section 12.11</u>, irrespective of any discharge of the Borrower's obligations to pay those amounts to the other Lenders resulting from failure by them to take appropriate steps in insolvency proceedings affecting the Borrower to preserve their entitlement to be paid those amounts.

Any amount due and payable by the Borrower to the Collateral Agent under this <u>Section 12.11</u> shall be decreased to the extent that the other Lenders have received (and are able to retain) payment in full of the corresponding amount under the other provisions of the Credit Documents and any amount due and payable by the Borrower to the Collateral Agent under those provisions shall be decreased to the extent that the Collateral Agent has received (and is able to retain) payment in full of the corresponding amount under this <u>Section 12.11</u>.

Right to Realize on Collateral and Enforce Guarantee. Anything contained in any of the Credit Documents to the contrary notwithstanding, Holdings, the Agents, and each Secured Party hereby agree that (i) no Secured Party shall have any right individually to realize upon any of the Collateral or to enforce the Guarantee, it being understood and agreed that all powers, rights, and remedies hereunder may be exercised solely by the Administrative Agent, on behalf of the Secured Parties in accordance with the terms hereof and all powers, rights, and remedies under the Security Documents may be exercised solely by the Collateral Agent, and (ii) in the event of a foreclosure by the Collateral Agent on any of the Collateral pursuant to a public or private sale or other disposition, the Collateral Agent or any Lender may be the purchaser or licensor of any or all of such Collateral at any such sale or other disposition and the Collateral Agent, as agent for and representative of the Secured Parties (but not any Lender or Lenders in its or their respective individual capacities unless Required Lenders shall otherwise agree in writing) shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such public sale, to use and apply any of the Obligations as a credit on account of the purchase price for any collateral payable by the Collateral Agent at such sale or other disposition.

12.13 <u>Intercreditor Agreement Governs.</u> The Administrative Agent, the Collateral Agent, and each Lender (a) hereby agrees that it will be bound by and will take no actions contrary to the provisions of any intercreditor agreement entered into pursuant to the terms hereof, (b) hereby authorizes and instructs the Administrative Agent and the Collateral Agent to enter into each intercreditor agreement entered into pursuant to the terms hereof and to subject the Liens securing the Secured Obligations to the provisions thereof, and (c) hereby authorizes and instructs the Administrative Agent and the Collateral Agent to enter into any intercreditor agreement that includes, or to amend any then existing intercreditor agreement to provide for, the terms described in the definition of Permitted Other Indebtedness.

Section 13. <u>Miscellaneous</u>

Amendments, Waivers, and Releases. Neither this Agreement nor any other Credit Document, nor any terms hereof or thereof, may be amended, supplemented or modified except in accordance with the provisions of this <u>Section 13.1</u>. Except as provided to the contrary under <u>Section 2.14</u> or <u>2.15</u> or the fifth and sixth paragraphs hereof in respect of Replacement Term Loans, and other than with respect to any amendment, modification or waiver contemplated in the proviso to clause (i) below, which shall only require the consent of the Lenders expressly set forth therein and not the Required Lenders, the Required Lenders may, or, with the written consent of the Required Lenders, the Administrative Agent and/or the Collateral Agent may, from time to time, (a) enter into with the relevant Credit Party or Credit Parties written amendments, supplements or modifications hereto and to the other Credit Documents for the purpose of adding any provisions to this Agreement or the other Credit Documents or changing in any manner the rights of the Lenders or of the Credit Parties hereunder or thereunder or (b) waive in writing, on such terms and conditions as the Required Lenders or the Administrative Agent and/or the Collateral Agent, as the case may be, may specify in such instrument, any of the requirements of this Agreement or the other Credit Documents or any Default or Event of Default and its consequences; provided, however, that each such waiver and each such amendment, supplement or modification shall be effective only in the specific instance and for the specific purpose for which given; and provided, further, that no such waiver and no such amendment, supplement or modification shall (x) (i) forgive or reduce any portion of any Loan or extend the final scheduled maturity date of any Loan or reduce the stated rate (it being understood that only the consent of the Required Lenders shall be necessary to waive any obligation of the Borrower to pay interest at the "default rate" or amend Section 2.8(c)), or forgive any portion thereof, or extend the date for the payment, of any interest or fee payable hereunder (other than as a result of waiving the applicability of any post-default increase in interest rates), or amend or modify any provisions of Sections 5.3(a) (with respect to the ratable allocation of any payments only) 13.8(a) or 13.20, or make any Loan, interest, Fee or other amount payable in any currency other than expressly provided herein, in each case without the written consent of each Lender directly and adversely affected thereby; provided that a waiver of any condition precedent in Section 6 or 7 of this Agreement, the waiver of any Default, Event of Default, default interest, mandatory prepayment or reductions, any modification, waiver or amendment to the financial definitions or financial ratios or any component thereof or the waiver of any other covenant shall not constitute an increase of any Commitment of a Lender, a reduction or forgiveness in the interest rates or the fees or premiums or a postponement of any date scheduled for the payment of principal, premium or interest or an extension of the final maturity of any Loan or the scheduled termination date of any Commitment, in each case for purposes of this clause (i), or (ii) consent to the assignment or transfer by the Borrower of its rights and obligations under any Credit Document to which it is a party (except as permitted pursuant to Section 10.3), in each case without the written consent of each Lender directly and adversely affected thereby, or (iii) amend, modify or waive any provision of Section 12 without the written consent of the then-current Administrative Agent and Collateral Agent in a manner that directly and adversely affects such Person, or (iv) release all or substantially all of the Guarantors under the Guarantees (except as expressly permitted by the Guarantees, the Intercreditor Agreement or this Agreement) or release all or substantially all of the Collateral under the Security Documents (except as expressly permitted by the Security Documents, the Intercreditor Agreement or this Agreement) without the prior written consent of each Lender, or (v) reduce the percentages specified in the definitions of the terms Required Lenders or amend, modify or waive any provision of this Section 13.1 that has the effect of decreasing the number of Lenders that must approve any amendment, modification or waiver, without the written consent of each Lender, (y) notwithstanding anything to the contrary in clause (x), (i) extend the final expiration date of any Lender's Commitment or (ii) increase the aggregate amount of the Commitments of any Lender, in each case, without the written consent of such Lender, or (z) in connection with an amendment that addresses solely a repricing transaction in which any Class of Term Loans is refinanced with a replacement Class of Term Loans bearing (or is modified in such a manner such that the resulting Term Loans bear) a lower Effective Yield (a "Permitted Repricing Amendment"), only the consent of the Lenders holding Term Loans subject to such permitted repricing transaction that will continue as a Lender in respect of the repriced tranche of Term Loans or modified Term Loans.

Any such waiver and any such amendment, supplement or modification shall apply equally to each of the affected Lenders and shall be binding upon Holdings, the Borrower, such Lenders, the Administrative Agent and all future holders of the affected Loans. In the case of any waiver, Holdings, the Borrower, the Lenders and the Administrative Agent shall be restored to their former positions and rights hereunder and under the other Credit Documents, and any Default or Event of Default waived shall be deemed to be cured and not continuing, it being understood that no such waiver shall extend to any subsequent or other Default or Event of Default or impair any right consequent thereon. In connection with the foregoing provisions, the Administrative Agent may, but shall have no obligations to, with the concurrence of any Lender, execute amendments, modifications, waivers or consents on behalf of such Lender.

Notwithstanding the foregoing, in addition to any credit extensions and related Joinder Agreement(s) effectuated without the consent of Lenders in accordance with Section 2.14, this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent, Holdings and the Borrower (a) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Credit Documents with the Term Loans and the accrued interest and fees in respect thereof and (b) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders and other definitions related to such new Term Loans.

In addition, notwithstanding the foregoing, this Agreement may be amended with the written consent of the Administrative Agent, Holdings, the Borrower and the Lenders providing the relevant Replacement Term Loans to permit the refinancing of all outstanding Term Loans of any Class ("Refinanced Term Loans") with a replacement term loan tranche ("Replacement Term Loans") hereunder; provided that (a) the aggregate principal amount of such Replacement Term Loans shall not exceed the aggregate principal amount of such Refinanced Term Loans (plus an amount equal to all accrued but unpaid interest, fees, premiums, and expenses incurred in connection therewith), (b) the Applicable Margin for such Replacement Term Loans shall not be higher than the Applicable Margin for such Refinanced Term Loans, unless any such Applicable Margin applies after the Initial Term Loan Maturity Date, (c) the weighted average life to maturity of such Replacement Term Loans shall not be shorter than the weighted average life to maturity of such Refinanced Term Loans at the time of such refinancing (except to the extent of nominal amortization for periods where amortization has been eliminated as a result of prepayment of the applicable Term Loans), and (d) the covenants, events of default and guarantees shall be not materially more restrictive (taken as a whole) (as determined in good faith by the Borrower) to the Lenders providing such Replacement Term Loans than the covenants, events of default and guarantees applicable to such Refinanced Term Loans, except to the extent necessary to provide for covenants, events of default and guarantees applicable to any period after the maturity date in respect of the Refinanced Term Loans in effect immediately prior to such refinancing.

The Lenders hereby irrevocably agree that the Liens granted to the Collateral Agent by the Credit Parties on any Collateral shall be automatically released (i) in full, upon the termination of this Agreement and the payment of all Obligations hereunder (except for contingent indemnification obligations in respect of which a claim has not yet been made), (ii) upon the sale or other disposition of such Collateral (including as part of or in connection with any other sale or other disposition permitted hereunder) to any Person other than another Credit Party, to the extent such sale or other disposition is made in compliance with the terms of this Agreement (and the Collateral Agent may rely conclusively on a certificate to that effect provided to it by any Credit Party upon its reasonable request without further inquiry), (iii) to the extent such Collateral is comprised of property leased to a Credit Party, upon termination or expiration of such lease, (iv) if the release of such Lien is approved, authorized or ratified in writing by the Required Lenders (or such other percentage of the Lenders whose consent may be required in accordance with this Section 13.1), (v) to the extent the property constituting such Collateral is owned by any Guarantor, upon the release of such Guarantor from its obligations under the applicable Guarantee (in accordance with the second following sentence), (vi) as required to effect any sale or other disposition of Collateral in connection with any exercise of remedies of the Collateral Agent pursuant to the Security Documents, and (vii) if such assets constitute Excluded Property or Excluded Stock or Stock Equivalents. Any such release shall not in any manner discharge, affect, or impair the Obligations or any Liens (other than those being released) upon (or obligations (other than those being released) of the Credit Parties in respect of) all interests retained by the Credit Parties, including the proceeds of any sale, all of which shall continue to constitute part of the Collateral except to the extent otherwise released in accordance with the provisions of the Credit Documents. Additionally, the Lenders hereby irrevocably agree that any Restricted Subsidiary that is a Guarantor shall be released from the Guarantees upon consummation of any transaction not prohibited hereunder resulting in such Subsidiary ceasing to constitute a Restricted Subsidiary. The Lenders hereby authorize the Administrative Agent and the Collateral Agent, as applicable, to execute and deliver any instruments, documents, and agreements necessary or desirable to evidence and confirm the release of any Guarantor or Collateral pursuant to the foregoing provisions of this paragraph, all without the further consent or joinder of any Lender.

Notwithstanding anything herein to the contrary, the Credit Documents may be amended to add syndication or documentation agents and make customary changes and references related thereto with the consent of only the Borrower and the Administrative Agent.

Notwithstanding anything in this Agreement or any Security Document to the contrary, the Administrative Agent may, in its sole discretion, grant extensions of time for the satisfaction of any of the requirements under Sections 9.12, 9.13 and 9.14 or any Security Documents in respect of any particular Collateral or any particular Subsidiary if it determines that the satisfaction thereof with respect to such Collateral or such Subsidiary cannot be accomplished without undue expense or unreasonable effort or due to factors beyond the control of Holdings and the Restricted Subsidiaries by the time or times at which it would otherwise be required to be satisfied under this Agreement or any Security Document.

- 13.3 <u>No Waiver; Cumulative Remedies.</u> No failure to exercise and no delay in exercising, on the part of the Administrative Agent, the Collateral Agent or any Lender, any right, remedy, power or privilege hereunder or under the other Credit Documents shall operate as a waiver thereof, nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided are cumulative and not exclusive of any rights, remedies, powers, and privileges provided by law.
- 13.4 <u>Survival of Representations and Warranties</u>. No Indemnified Person shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Credit Documents or the transactions contemplated hereby or thereby, except to the extent that such damages have resulted from the willful misconduct, bad faith or gross negligence of any Indemnified Person or any of its Related Parties as determined by a final and non-appealable judgment of a court of competent jurisdiction.

13.6 <u>Successors and Assigns; Participations and Assignments.</u>

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that (i) except as expressly permitted by Section 10.3, the Borrower may not assign or otherwise transfer any of their rights or obligations hereunder without the prior written consent of the Administrative Agent and each Lender (and any attempted assignment or transfer by the Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section 13.6. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants (to the extent provided in clause (c) of this Section 13.6) and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent, the Collateral Agent and the Lenders and each other Person entitled to indemnification under Section 13.5) any legal or equitable right, remedy or claim under or by reason of this Agreement.

- (b) (1) Subject to the conditions set forth in <u>clause (b)(ii)</u> below and <u>Section 13.7</u>, any Lender may at any time assign to one or more assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld or delayed; it being understood that, without limitation, the Borrower shall have the right to withhold its consent to any assignment if, in order for such assignment to comply with applicable law, the Borrower would be required to obtain the consent of, or make any filling or registration with, any Governmental Authority) of:
 - (A) the Borrower; <u>provided</u> that no consent of the Borrower shall be required for (1) an assignment of Term Loans to (X) a Lender, (Y) an Affiliate of a Lender, or (Z) an Approved Fund or (2) an assignment of Loans or Commitments to any assignee if an Event of Default under <u>Section 11.1</u> or <u>Section 11.5</u> (with respect to Holdings or the Borrower) has occurred and is continuing; and
 - (B) the Administrative Agent (not to be unreasonably withheld or delayed); <u>provided</u> that no consent of the Administrative Agent shall be required for an assignment of any Term Loan to a Lender, an Affiliate of a Lender or an Approved Fund.

Notwithstanding the foregoing, no such assignment shall be made to a natural Person or a Disqualified Lender. For the avoidance of doubt, the Administrative Agent shall bear no responsibility or liability for monitoring and enforcing the list of Persons who are Disqualified Lenders at any time.

- (ii) Assignments shall be subject to the following additional conditions:
- (A) except in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund or an assignment of the entire remaining amount of the assigning Lender's Commitment or Loans of any Class, the amount of the Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Acceptance with respect to such assignment is delivered to the Administrative Agent) shall not be less than \$1,000,000, unless each of the Borrower and the Administrative Agent otherwise consents (which consents shall not be unreasonably withheld or delayed); provided that no such consent of the Borrower shall be required if an Event of Default under Section 11.1 or Section 11.5 has occurred and is continuing; provided, further, that contemporaneous assignments by a Lender and its Affiliates or Approved Funds shall be aggregated for purposes of meeting the minimum assignment amount requirements stated above (and simultaneous assignments to or by two or more Related Funds shall be treated as one assignment), if any;
- (B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement; <u>provided</u> that this clause shall not be construed to prohibit the assignment of a proportionate part of all the assigning Lender's rights and obligations in respect of one Class of Commitments or Loans;
- (C) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Acceptance via an electronic settlement system or other method reasonably acceptable to the Administrative Agent, together with a processing and recordation fee in the amount of \$3,500; provided that the Administrative Agent may, in its sole discretion, elect to waive such processing and recordation fee in the case of any assignment; provided, further, that such recordation fee shall not be payable in the case of assignments by any Affiliate of the Joint Bookrunners;

- (D) the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an administrative questionnaire in a form approved by the Administrative Agent (the "AdministrativeQuestionnaire") and applicable tax forms (as required under <u>Section 5.4(e)</u>); and
- (E) any assignment to Holdings, the Borrower, any Subsidiary or an Affiliated Lender (other than an Affiliated Institutional Lender) shall also be subject to the requirements of <u>Section 13.6(h)</u>.

For the avoidance of doubt, the Administrative Agent bears no responsibility for tracking or monitoring assignments to or participations by any Affiliated Lender.

- (iii) Subject to acceptance and recording thereof pursuant to <u>clause (b)(v)</u> of this <u>Section 13.6</u>, from and after the effective date specified in each Assignment and Acceptance, the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Acceptance, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of <u>Sections 2.10</u>, <u>2.11</u>, <u>3.5</u>, <u>5.4</u> and <u>13.5</u>). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this <u>Section 13.6</u> shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with <u>clause (c)</u> of this <u>Section 13.6</u>. For the avoidance of doubt, in case of an assignment to a new Lender pursuant to this <u>Section 13.6</u>, (i) the Administrative Agent, the new Lender and other Lenders shall acquire the same rights and assume the same obligations between themselves as they would have acquired and assumed had the new Lender been an original Lender signatory to this Agreement with the rights and/or obligations acquired or assumed by it as a result of the assignment and to the extent of the assignment the assigning Lender shall each be released from further obligations under the Credit Documents and (ii) the benefit of each Security Document shall be maintained in favor of the new Lender.
- (iv) The Administrative Agent, acting for this purpose as a non-fiduciary agent of the Borrower, shall maintain at the Administrative Agent's Office a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amount of the Loans (and stated interest amounts) owing to each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive, absent manifest error, and the Borrower, the Administrative Agent, the Collateral Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower, the Collateral Agent, the Administrative Agent and its Affiliates and, with respect to itself, any Lender, at any reasonable time and from time to time upon reasonable prior notice.

- (v) Upon its receipt of a duly completed Assignment and Acceptance executed by an assigning Lender and an assignee, the assignee's completed Administrative Questionnaire and applicable tax forms (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in clause (b) of this Section 13.6 and any written consent to such assignment required by clause (b) of this Section 13.6, the Administrative Agent shall promptly accept such Assignment and Acceptance and record the information contained therein in the Register. No assignment, whether or not evidenced by a promissory note, shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this clause (b)(v).
- (c) (i) Any Lender may, without the consent of the Borrower or the Administrative Agent, sell participations to one or more banks or other entities (other than (x) a natural person, (y) Holdings and its Subsidiaries and (z) any Disqualified Lender provided, however, that, notwithstanding clause (y) hereof, participations may be sold to Disqualified Lenders unless a list of Disqualified Lenders has been made available to all Lenders) (each, a "Participant") in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans owing to it); provided that (A) such Lender's obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, and (C) the Borrower, the Administrative Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. For the avoidance of doubt, the Administrative Agent shall bear no responsibility or liability for monitoring and enforcing the list of Disqualified Lenders or the sales of participations thereto at any time. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement or any other Credit Document; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in clauses (i) and (vii) of the second proviso to Section 13.1 that affects such Participant. Subject to clause (c)(ii) of this Section 13.6, the Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.10, 2.11 and 5.4 to the same extent as if it were a Lender (subject to the limitations and requirements of those Sections as though it were a Lender and had acquired its interest by assignment pursuant to clause (b) of this Section 13.6, including the requirements of clause (e) of Section 5.4) (it being agreed that any documentation required under Section 5.4(e) shall be provided to the participating Lender)). To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 13.8(b) as though it were a Lender; provided such Participant shall be subject to Section 13.8(a) as though it were a Lender.
- (ii) A Participant shall not be entitled to receive any greater payment under Section 2.10, 2.11 or 5.4 than the applicable Lender would have been entitled to receive absent the sale of such the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent (which consent shall not be unreasonably withheld). Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest amounts) of each Participant's interest in the Loans or other obligations under this Agreement (the "Participant Register"). The entries in the Participant Register shall be conclusive, absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. No Lender shall have any obligation to disclose all or any portion of the Participant Register to any Person (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loan or its other obligations under any Credit Document) except to the extent that such disclosure is necessary to establish that such commitment, loan or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations.

- (d) Any Lender may, without the consent of the Borrower or the Administrative Agent, at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank, or other central bank having jurisdiction over such Lender and this Section 13.6 shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.
- (e) Subject to Section 13.16, the Borrower authorizes each Lender to disclose to any Participant, secured creditor of such Lender or assignee (each, a "Transferee") and any prospective Transferee any and all financial information in such Lender's possession concerning the Borrower and their Affiliates that has been delivered to such Lender by or on behalf of the Borrower and their Affiliates pursuant to this Agreement or that has been delivered to such Lender by or on behalf of the Borrower and their Affiliates in connection with such Lender's credit evaluation of the Borrower and their Affiliates prior to becoming a party to this Agreement.
- (f) The words "execution," "signed," "signedure," and words of like import in any Assignment and Acceptance shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.
- (g) SPV Lender. Notwithstanding anything to the contrary contained herein, any Lender (a "Granting Lender") may grant to a special purpose funding vehicle (an "SPV"), identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Borrower, the option to provide to the Borrower all or any part of any Loan that such Granting Lender would otherwise be obligated to make the Borrower pursuant to this Agreement; provided that (i) nothing herein shall constitute a commitment by any SPV to make any Loan and (ii) if an SPV elects not to exercise such option or otherwise fails to provide all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof. The making of a Loan by an SPV hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. Each party hereto hereby agrees that no SPV shall be liable for any indemnity or similar payment obligation under this Agreement (all liability for which shall remain with the Granting Lender). In furtherance of the foregoing, each party hereto hereby agrees (which agreement shall survive the termination of this Agreement) that, prior to the date that is one year and one day after the payment in full of all outstanding commercial paper or other senior indebtedness of any SPV, it shall not institute against, or join any other Person in instituting against, such SPV any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings under the laws of the United States or any State thereof. In addition, notwithstanding anything to the contrary contained in this Section 13.6, any SPV may (i) with notice to, but without the prior written consent of, the Borrower and the Administrative Agent and without paying any processing fee therefor, assign all or a portion of its interests in any Loans to the Granting Lender or to any financial institutions (consented to by the Borrower and the Administrative Agent) other than a Disqualified Lender providing liquidity and/or credit support to or for the account of such SPV to support the funding or maintenance of Loans and (ii) subject to Section 13.16, disclose on a confidential basis any non-public information relating to its Loans to any rating agency, commercial paper dealer or provider of any surety, guarantee or credit or liquidity enhancement to such SPV. This Section 13.6(g) may not be amended without the written consent of the SPV. Notwithstanding anything to the contrary in this Agreement but subject to the following sentence, each SPV shall be entitled to the benefits of Sections 2.10, 2.11 and 5.4 to the same extent as if it were a Lender (subject to the limitations and requirements of those Sections as though it were a Lender and had acquired its interest by assignment pursuant to clause (b) of this Section 13.6, including the requirements of clause (e) of Section 5.4 (it being agreed that any documentation required under Section 5.4(e) shall be provided to the Granting Lender)). Notwithstanding the prior sentence, an SPV shall not be entitled to receive any greater payment under Section 2.10, 2.11 or 5.4 than its Granting Lender would have been entitled to receive absent the grant to such SPV, unless such grant to such SPV is made with the Borrower's prior written consent (which consent shall not be unreasonably withheld).

- (h) Notwithstanding anything to the contrary contained herein, (x) any Lender may, at any time, assign all or a portion of its rights and obligations under this Agreement in respect of its Term Loans to Holdings, the Borrower, any Subsidiary or an Affiliated Lender and (y) Holdings, the Borrower and any Subsidiary may, from time to time, purchase or prepay Term Loans, in each case, on a non-pro rata basis through (x) Dutch auction procedures open to all applicable Lenders on a pro rata basis in accordance with customary procedures to be agreed between Holdings or the Borrower and the Auction Agent or (y) open market purchases; provided that:
 - (i) any Loans or Commitments acquired by Holdings, the Borrower, or any other Subsidiary shall be retired and cancelled promptly upon the acquisition thereof;
 - (ii) by its acquisition of Loans or Commitments, an Affiliated Lender shall be deemed to have acknowledged and agreed that:
 - (A) it shall not have any right to (i) attend or participate in (including, in each case, by telephone) any meeting (including "Lender only" meetings) or discussions (or portion thereof) among the Administrative Agent or any Lender to which representatives of the Borrower are not then present, (ii)receive any information or material prepared by the Administrative Agent or any Lender or any communication by or among the Administrative Agent and one or more Lenders or any other material which is "Lender only", except to the extent such information or materials have been made available to the Borrower or its representatives (and in any case, other than the right to receive notices of prepayments and other administrative notices in respect of its Loans required to be delivered to Lenders pursuant to Section 2) or receive any advice of counsel to the Administrative Agent or (iii) make any challenge to the Administrative Agent's or any other Lender's attorney-client privilege on the basis of its status as a Lender; and
 - (B) except with respect to any amendment, modification, waiver, consent or other action (I) in <u>Section 13.1</u> requiring the consent of all Lenders, all Lenders directly and adversely affected or specifically such Lender, (II) that alters an Affiliated Lender's pro rata share of any payments given to all Lenders, or (III) affects the Affiliated Lender (in its capacity as a Lender) in a manner that is disproportionate to the effect on any Lender in the same Class, the Loans held by an Affiliated Lender shall be disregarded in both the numerator and denominator in the calculation of any Lender vote (and, in the case of a plan of reorganization that does not affect the Affiliated Lender in a manner that is materially adverse to such Affiliated Lender relative to other Lenders, shall be deemed to have voted its interest in the Term Loans in the same proportion as the other Lenders) (and shall be deemed to have been voted in the same percentage as all other applicable Lenders voted if necessary to give legal effect to this paragraph); and

- (iii) the aggregate principal amount of Term Loans held at any one time by Affiliated Lenders may not exceed 30% of the aggregate principal amount of all Term Loans outstanding at the time of such purchase; and
- (iv) any such Loans acquired by an Affiliated Lender may, with the consent of the Borrower, be contributed to the Borrower and exchanged for debt or equity securities that are otherwise permitted to be issued at such time (and such Loans or Commitments shall be retired and cancelled promptly).

For avoidance of doubt, the foregoing limitations shall not be applicable to Affiliated Institutional Lenders. None of the Borrower, Holdings, any Subsidiary of Holdings or any Affiliated Lender shall be required to make any representation that it is not in possession of information which is not publicly available and/or material with respect to Holdings, the Borrower and their respective Subsidiaries or their respective securities for purposes of U.S. federal and state securities laws.

13.7 Replacements of Lenders Under Certain Circumstances.

- (a) The Borrower shall be permitted (x) to replace any Lender or (y) terminate the Commitment of such Lender and repay all Obligations of the Borrower due and owing to such Lender relating to the Loans and participations held by such Lender as of such termination date that (a) requests reimbursement for amounts owing pursuant to Sections 2.10 or 5.4, (b) is affected in the manner described in Section 2.10(a)(iii) and as a result thereof any of the actions described in such Section is required to be taken, with a replacement bank or other financial institution; provided that (i) such replacement does not conflict with any Requirement of Law, (ii) no Event of Default under Sections 11.1 or 11.5 shall have occurred and be continuing at the time of such replacement, (iii) the Borrower shall repay (or the replacement bank or institution shall purchase, at par) all Loans and other amounts pursuant to Sections 2.10, 2.11, or 5.4, as the case may be, owing to such replaced Lender prior to the date of replacement, (iv) the replacement bank or institution, if not already a Lender, an Affiliate of the Lender, an Affiliated Lender or Approved Fund, and the terms and conditions of such replacement, shall be reasonably satisfactory to the Administrative Agent, (v) the replacement bank or institution, if not already a Lender shall be subject to the provisions of Section 13.6(b), (vi) the replaced Lender shall be obligated to make such replacement in accordance with the provisions of Section 13.6 (provided that unless otherwise agreed the Borrower shall be obligated to pay the registration and processing fee referred to therein), and (vii) any such replacement shall not be deemed to be a waiver of any rights that the Borrower, the Administrative Agent or any other Lender shall have against the replaced Lender.

Each Lender shall be solely responsible for timely accessing posted documents or requesting delivery of paper copies of such documents from the Administrative Agent and maintaining its copies of such documents. Nothing in this Section 13.17 shall prejudice the right of Holdings, the Borrower, the Administrative Agent, any other Agent or any Lender to give any notice or other communication pursuant to any Credit Document in any other manner specified in such Credit Document.

Each Lender agrees that notice to it (as provided in the next sentence) specifying that the Communications have been posted to the Platform shall constitute effective delivery of the Communications to such Lender for purposes of the Credit Documents. Each Lender agrees (A) to notify the Administrative Agent in writing (including by electronic communication) from time to time of such Lender's e-mail address to which the foregoing notice may be sent by electronic transmission and (B) that the foregoing notice may be sent to such e-mail address.

In no event shall the Administrative Agent or any of its Related Parties (collectively, the "Agent Parties" and each an "Agent Party") have any liability to the Borrower, any Lender, or any other Person for losses, claims, damages, liabilities, or expenses of any kind (whether in tort, contract or otherwise) arising out of the Borrower's or the Administrative Agent's transmission of Borrower Materials through the internet, except to the extent the liability of any Agent Party resulted from such Agent Party's (or any of its Related Parties' (other than any trustee or advisor)) gross negligence, bad faith or willful misconduct or material breach of the Credit Documents as determined in the final non-appealable judgment of a court of competent jurisdiction.

- (c) Each of Holdings and the Borrower and each Lender acknowledge that certain of the Lenders may be "public-side" Lenders (Lenders that do not wish to receive material non-public information with respect to Holdings, the Borrower, the Subsidiaries or their securities) and, if documents or notices required to be delivered pursuant to the Credit Documents or otherwise are being distributed through the Platform, any document or notice that Holdings or the Borrower has indicated contains only publicly available information with respect to Holdings or the Borrower may be posted on that portion of the Platform designated for such public-side Lenders. - 13.21 No Fiduciary Duty. Each Agent, each Lender and their Affiliates (collectively, solely for purposes of this paragraph, the "Lenders"), may have economic interests that conflict with those of the Credit Parties, their stockholders and/or their affiliates. Each Credit Party agrees that nothing in the Credit Documents or otherwise will be deemed to create an advisory, fiduciary or agency relationship or fiduciary or other implied duty between any Lender, on the one hand, and such Credit Party, its stockholders or its affiliates, on the other. The Credit Parties acknowledge and agree that (i) the transactions contemplated by the Credit Documents (including the exercise of rights and remedies hereunder and thereunder) are arm's-length commercial transactions between the Lenders, on the one hand, and the Credit Parties, on the other, and (ii) in connection therewith and with the process leading thereto, (x) no Lender has assumed an advisory or fiduciary responsibility in favor of any Credit Party, its stockholders or its affiliates with respect to the transactions contemplated hereby (or the exercise of rights or remedies with respect thereto) or the process leading thereto (irrespective of whether any Lender has advised, is currently advising or will advise any Credit Party, its stockholders or its Affiliates on other matters) or any other obligation to any Credit Party except the obligations expressly set forth in the Credit Documents and (y) each Lender is acting solely as principal and not as the agent or fiduciary of any Credit Party, its management, stockholders or creditors. Each Credit Party acknowledges and agrees that it has consulted its own legal and financial advisors to the extent it deemed appropriate and that it is responsible for making its own independent judgment with respect to such transactions and the process leading thereto. The foregoing provisions are intended as an inducement to the lenders under the First Lien Credit Documents to extend credit to the Credit Parties and such lenders are intended third party beneficiaries of such provisions. - (e) Each Guarantor agrees that whenever, at any time, or from time to time, it shall make any payment to the Collateral Agent or any other Secured Party on account of its liability hereunder, it will notify the Collateral Agent in writing that such payment is made under this Guarantee for such purpose, but the failure to notify the Collateral Agent of any such payment will not create a breach or default hereunder or result in any liability to such Guarantor.

(f) Each Guarantor intends that its guarantee under this Section 2 constitute, and this Section 2 shall be deemed to constitute a guarantee or other arrangement for the benefit of each other Guarantor for all purposes of Section 1a(18)(A)(v)(II) of the Commodity Exchange Act.

The Collateral Agent shall have its own independent right to demand payment of the amounts payable by each applicable Guarantor under this Section 2, irrespective of any discharge of such Guarantor's obligations to pay those amounts to the other Secured Parties resulting from failure by them to take appropriate steps in insolvency proceedings affecting that Guarantor to preserve their entitlement to be paid those amounts.

Any amount due and payable by a Guarantor to the Collateral Agent under this Section 2 shall be decreased to the extent that the other Secured Parties have received (and are able to retain) payment in full of the corresponding amount under the other provisions of the Credit Documents and any amount due and payable by a Guarantor to the Collateral Agent under those provisions shall be decreased to the extent that the Collateral Agent has received (and is able to retain) payment in full of the corresponding amount under this Section 2.

- 3. <u>Limitation of Guarantee</u>. Anything herein or in any other Credit Document to the contrary notwithstanding, the maximum liability of each Guarantor hereunder and under the other Credit Documents shall in no event exceed the amount that can be guaranteed by such Guarantor under the Bankruptcy Code or any applicable laws relating to fraudulent conveyances, fraudulent transfers or the insolvency of debtors.
- 4. <u>Right of Contribution</u>. Each Guarantor hereby agrees that to the extent that a Guarantor shall have paid more than its proportionate share of any payment made hereunder (including by way of set-off rights being exercised against it), such Guarantor shall be entitled to seek and receive contribution from and against any other Guarantor hereunder who has not paid its proportionate share of such payment. Each Guarantor's right of contribution shall be subject to the terms and conditions of Section 6 hereof. The provisions of this Section 4 shall in no respect limit the obligations and liabilities of any Guarantor to the Collateral Agent and the other Secured Parties up to the maximum liability of such Guarantor hereunder.
- 5. Right of Set-off. In addition to any rights and remedies of the Secured Parties provided by law, each Guarantor hereby irrevocably authorizes each Secured Party at any time and from time to time following the occurrence and during the continuance of an Event of Default, without notice to such Guarantor or any other Guarantor but with the prior consent of the Administrative Agent, any such notice being expressly waived by each Guarantor to the extent permitted by applicable law, upon any amount becoming due and payable by such Guarantor hereunder (whether at stated maturity, by acceleration or otherwise), to set-off and appropriate and apply against such amount any and all deposits (general or special, time or demand, provisional or final) (other than payroll, trust, tax, fiduciary and petty cash accounts), in any currency, and any other credits, indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured, at any time held or owing by such Secured Party to or for the credit or the account of such Guarantor. Each Secured Party shall notify such Guarantor promptly of any such set-off and the appropriation and application made by such Secured Party, provided that the failure to give such notice shall not affect the validity of such set-off and application.

- 6. <u>Postponement of Subrogation</u>. Notwithstanding any payment or payments made by any of the Guarantors hereunder or any set-off or appropriation and application of funds of any of the Guarantors by the Collateral Agent or any other Secured Party, no Guarantor shall be entitled to be subrogated to any of the rights (or if subrogated by operation of law, such Guarantor hereby waives such rights to the extent permitted by applicable law) of the Collateral Agent or any other Secured Party against the Borrower or any Guarantor or any collateral security or guarantee or right of offset held by the Collateral Agent or any other Secured Party for the payment of any of the Obligations, nor shall any Guarantor seek or be entitled to seek any contribution or reimbursement from the Borrower or any Guarantor or other guarantor in respect of payments made by such Guarantor hereunder, in each case, until the Termination Date. If any amount shall be paid to any Guarantor on account of such subrogation rights at any time prior to the Termination Date, such amount shall be held by such Guarantor in trust for the Collateral Agent and the other Secured Parties, segregated from other funds of such Guarantor, and shall, forthwith upon receipt by such Guarantor, be turned over to the Collateral Agent in the exact form received by such Guarantor (duly indorsed by such Guarantor to the Collateral Agent, if required), to be applied against the Obligations whether matured or unmatured, in accordance with Section 5.4 of the Security Agreement.
- Amendments, etc. with Respect to the Obligations; Waiver of Rights. Each Guarantor shall remain obligated hereunder notwithstanding that, without any reservation of rights against any Guarantor and without notice to or further assent by any Guarantor, (a) any demand for payment of any of the Obligations made by the Collateral Agent or any other Secured Party may be rescinded by such party and any of the Obligations continued, (b) the Obligations, or the liability of any other party upon or for any part thereof, or any collateral security or guarantee therefor or right of offset with respect thereto, may, from time to time, in whole or in part, be renewed, extended, amended, modified, accelerated, compromised, waived, surrendered or released by the Collateral Agent or any other Secured Party, (c) the Credit Agreement, the other Credit Documents and any other documents executed and delivered in connection therewith may be amended, modified, supplemented or terminated, in whole or in part, as the Administrative Agent (or the Required Lenders, as the case may be) may deem advisable from time to time and (d) any collateral security, guarantee or right of offset at any time held by the Collateral Agent or any other Secured Party for the payment of any of the Obligations may be sold, exchanged, waived, surrendered or released. Neither the Collateral Agent nor any other Secured Party shall have any obligation to protect, secure, perfect or insure any Lien at any time held by it as security for the Obligations or for this Guarantee or any property subject thereto.

8. <u>Guarantee Absolute and Unconditional.</u>

Each Guarantor waives any and all notice of the creation, contraction, incurrence, renewal, extension, amendment, waiver or accrual of (a) any of the Obligations, and notice of or proof of reliance by the Collateral Agent or any other Secured Party upon this Guarantee or acceptance of this Guarantee. All Obligations shall conclusively be deemed to have been created, contracted or incurred, or renewed, extended, amended, waived or accrued, in reliance upon this Guarantee, and all dealings between the Borrower and any of the Guarantors, on the one hand, and the Collateral Agent and the other Secured Parties, on the other hand, likewise shall be conclusively presumed to have been had or consummated in reliance upon this Guarantee. To the fullest extent permitted by applicable law, each Guarantor waives diligence, promptness, presentment, protest and notice of protest, demand for payment or performance, notice of default or nonpayment, notice of acceptance and any other notice in respect of the Obligations or any part of them, and any defense arising by reason of any disability or other defense of the Borrower or any of the Guarantors with respect to the Obligations. Each Guarantor understands and agrees that this Guarantee shall be construed as a continuing, absolute and unconditional guarantee of payment without regard to (a) the validity, regularity or enforceability of the Credit Agreement, any other Credit Document, any of the Obligations or any collateral security therefor or guarantee or right of offset with respect thereto at any time or from time to time held by the Collateral Agent or any other Secured Party, (b) any defense, set-off or counterclaim (other than a defense of payment or performance) that may at any time be available to or be asserted by the Borrower against the Collateral Agent or any other Secured Party or (c) any other circumstance whatsoever (with or without notice to or knowledge of the Borrower or such Guarantor) that constitutes, or might be construed to constitute, an equitable or legal discharge of the Borrower for the Obligations, or of such Guarantor under this Guarantee, in bankruptcy or in any other instance. When pursuing its rights and remedies hereunder against any Guarantor, the Collateral Agent and any other Secured Party may, but shall be under no obligation to, pursue such rights and remedies as it may have against the Borrower or any Guarantor or any other Person or against any collateral security or guarantee for the Obligations or any right of offset with respect thereto, and any failure by the Collateral Agent or any other Secured Party to pursue such other rights or remedies or to collect any payments from the Borrower or any Guarantor or any such other Person or to realize upon any such collateral security or guarantee or to exercise any such right of offset, or any release of the Borrower or any Guarantor or any such other Person or any such collateral security, guarantee or right of offset, shall not relieve such Guarantor of any liability hereunder, and shall not impair or affect the rights and remedies, whether express, implied or available as a matter of law, of the Collateral Agent and the other Secured Parties against such Guarantor.

(b)	This Guarantee shall remain in full force and effect and be binding in accordance with and to the extent of its	
terms upon each Guarai	ntor and the successors and assigns thereof and shall inure to the benefit of the Collateral Agent and the other	
Secured Parties and the	eir respective successors, indorsees, transferees and assigns permitted under the Credit Agreement until the	
Termination Date, notwithstanding that from time to time during the term of the Credit Agreement the Credit Parties may be free from		
any Obligations.		

- (c) A Guarantor shall automatically be released from its obligations hereunder and the Guarantee of such Guarantor shall be automatically released under the circumstances described in Section 13.1 of the Credit Agreement.
- (d) The Guarantors jointly and severally agree that, as between the Guarantors and the Secured Parties, the Obligations under the Credit Documents may be declared to be forthwith due and payable as provided in Section 11 of the Credit Agreement (and shall be deemed to have become automatically due and payable in the circumstances provided in such Section) for purposes of Section 2, notwithstanding any stay, injunction or other prohibition preventing such declaration (or such obligations from becoming automatically due and payable) as against the Borrower and that, in the event of such declaration (or such obligations being deemed to have become automatically due and payable), such obligations (whether or not due and payable by the Borrower) shall forthwith become due and payable by the Guarantors for purposes of Section 2.
- 9. Reinstatement. This Guarantee shall continue to be effective, or be reinstated, as the case may be, if at any time, payment, or any part thereof, of any of the Obligations is rescinded or must otherwise be restored or returned by the Collateral Agent or any other Secured Party upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of the Borrower or any Guarantor, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for, the Borrower or any Guarantor or any substantial part of its property, or otherwise, all as though such payments had not been made.
- 10. <u>Payments</u>. Each Guarantor hereby guarantees that payments hereunder will be paid to the Collateral Agent without set-off or counterclaim in Dollars (based on the Dollar Equivalent amount of such Obligations on the date of payment) at the Collateral Agent's office. Each Guarantor agrees that the provisions of Section 5.4 of the Credit Agreement shall apply to such Guarantor's obligations under this Guarantee.

11. Representations and Warranties; Covenants.

- (a) Each Guarantor hereby represents and warrants that the representations and warranties set forth in Section 8 of the Credit Agreement as they relate to such Guarantor and in the other Credit Documents to which such Guarantor is a party, each of which hereby incorporated herein by reference, are true and correct in all material respects as of the Closing Date (except where such representations and warranties expressly relate to an earlier date, in which case such representations and warranties were true and correct in all material respects as of such earlier date and if any such representations and warranties are qualified by materiality, material adverse effect or similar language, such representations and warranties shall be true and correct in all respects), and the Collateral Agent and each other Secured Party shall be entitled to rely on each of them as if they were fully set forth herein.
- (b) Each Guarantor hereby covenants and agrees with the Collateral Agent and each other Secured Party that, from and after the date of this Guarantee until the Termination Date, such Guarantor shall take, or shall refrain from taking, as the case may be, all actions that are necessary to be taken or not taken so that no violation of any provision, covenant or agreement contained in Section 9 or Section 10 of the Credit Agreement and so that no Default or Event of Default is caused by any act or failure to act of such Guarantor.

12. <u>Authority of the Collateral Agent</u>.

- (a) The Collateral Agent enters into this Guarantee in its capacity as agent for the Secured Parties from time to time. The rights and obligations of the Collateral Agent under this Guarantee at any time are the rights and obligations of the Secured Parties at that time. Each of the Secured Parties has (subject to the terms of the Credit Documents) a several entitlement to each such right, and a several liability in respect of each such obligation, in the proportions described in the Credit Documents. The rights, remedies and discretions of the Secured Parties, or any of them, under this Guarantee may be exercised by the Collateral Agent. - (b) Each party to this Guarantee acknowledges and agrees that any changes (in accordance with the provisions of the Credit Documents) in the identity of the persons from time to time comprising the Secured Parties gives rise to an equivalent change in the Secured Parties, without any further act. Upon such an occurrence, the persons then comprising the Secured Parties are vested with the rights, remedies and discretions and assume the obligations of the Secured Parties under this Guarantee. Each party to this Guarantee irrevocably authorizes the Collateral Agent to give effect to the change in Lenders contemplated in this Section 12(b) by countersigning an Assignment and Acceptance.
- (c) Neither the Collateral Agent nor any of its officers, directors, employees, agents, attorneys-in-fact or Affiliates shall be liable to any party for any action taken or omitted to be taken by any of them under or in connection with this Agreement or any Credit Document (except for its or such other Person's own gross negligence or willful misconduct, as determined in the final non-appealable judgment of a court of competent jurisdiction).
- 13. <u>Notices</u>. All notices, requests and demands pursuant hereto shall be made in accordance with Section 13.2 of the Credit Agreement. All communications and notices hereunder to any Guarantor shall be given to it in care of Holdings at the Holdings' address set forth in Section 13.2 of the Credit Agreement.

- 14. <u>Counterparts</u>. This Guarantee may be executed by one or more of the parties to this Guarantee on any number of separate counterparts (including by facsimile or other electronic transmission), and all of said counterparts taken together shall be deemed to constitute one and the same instrument. A set of the copies of this Guarantee signed by all the parties shall be lodged with the Collateral Agent and Holdings.
- 15. <u>Severability</u>. Any provision of this Guarantee that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.
- 16. <u>Integration</u>. This Guarantee, together with the other Credit Documents, represents the agreement of each Guarantor and the Collateral Agent with respect to the subject matter hereof, and there are no promises, undertakings, representations or warranties by the Guarantors or the Collateral Agent or any other Secured Party relative to the subject matter hereof not expressly set forth or referred to herein or in the other Credit Documents.
 - 17. <u>Amendments in Writing; No Waiver; Cumulative Remedies.</u>
- (a) None of the terms or provisions of this Guarantee may be waived, amended, supplemented or otherwise modified except in accordance with Section 13.1 of the Credit Agreement.
- (b) Neither the Collateral Agent nor any other Secured Party shall by any act (except by a written instrument pursuant to Section 17(a)), delay, indulgence, omission or otherwise be deemed to have waived any right or remedy hereunder or to have acquiesced in any Default or Event of Default or in any breach of any of the terms and conditions hereof. No failure to exercise, nor any delay in exercising, on the part of the Collateral Agent or any other Secured Party, any right, power or privilege hereunder shall operate as a waiver thereof. No single or partial exercise of any right, power or privilege hereunder shall preclude any other or further exercise thereof or the exercise of any other right, power or privilege. A waiver by the Collateral Agent or any other Secured Party of any right or remedy hereunder on any one occasion shall not be construed as a bar to any right or remedy that the Collateral Agent or any Secured Party would otherwise have on any future occasion.
- (c) The rights, remedies, powers and privileges herein provided are cumulative, may be exercised singly or concurrently and are not exclusive of any other rights or remedies provided by law.
- 18. <u>Section Headings</u>. The Section headings used in this Guarantee are for convenience of reference only and are not to affect the construction hereof or be taken into consideration in the interpretation hereof.

This Guarantee shall be binding upon the successors and assigns of each Guarantor and shall inure to the benefit of the Collateral Agent and the other Secured Parties and their respective successors and assigns except that no Guarantor may assign, transfer or delegate any of its rights or obligations under this Guarantee without the prior written consent of the Collateral Agent or as otherwise permitted by the Credit Agreement.

- 20. <u>Additional Guarantors</u>. Each Subsidiary of Holdings that is required to become a party to this Guarantee pursuant to Section 9.11 of the Credit Agreement shall become a Guarantor, with the same force and effect as if originally named as a Guarantor herein, for all purposes of this Guarantee, upon execution and delivery by such Subsidiary of a written supplement substantially in the form of Annex A hereto (each such written supplement, a "<u>Guarantor Supplement</u>"). The execution and delivery of any instrument adding an additional Guarantor as a party to this Guarantee shall not require the consent of any other Guarantor hereunder. The rights and obligations of each Guarantor hereunder shall remain in full force and effect notwithstanding the addition of any new Guarantor as a party to this Guarantee.
- 21. <u>WAIVER OF JURY TRIAL</u>. EACH PARTY HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES (TO THE EXTENT PERMITTED BY APPLICABLE LAW) TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS GUARANTEE OR ANY OTHER CREDIT DOCUMENT AND FOR ANY COUNTERCLAIM THEREIN.
 - 22. Submission to Jurisdiction; Waivers; Service of Process. Each party hereto hereby irrevocably and unconditionally:
 - (a) submits for itself and its property in any legal action or proceeding relating to this Guarantee and the other Credit Documents to which it is a party to the exclusive general jurisdiction of the courts of the State of New York or the courts of the United States for the Southern District of New York, in each case sitting in New York City in the Borough of Manhattan, and appellate courts from any thereof;
 - (b) consents that any such action or proceeding may be brought in such courts and waives (to the extent permitted by applicable law) any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same or to commence or support any such action or proceeding in any other courts;
 - (c) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to such Person at its address referred to in <u>Section 13</u> or at such other address of which the Collateral Agent shall have been notified pursuant thereto;
 - (d) agrees that nothing herein shall affect the right of the Collateral Agent or any other Secured Party to effect service of process in any other manner permitted by law or to commence legal proceedings or otherwise proceed against any Guarantor in any other jurisdiction; and
 - (e) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section 22 any special, exemplary, punitive or consequential damages.

Each Guarantor hereby irrevocably and unconditionally appoints the Borrower as its agent for service of process in any suit, action or proceeding with respect to this Guarantee and each other Credit Document and agrees that service of process in any such suit, action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to such Guarantor in care of the Borrower at the Borrower's address set forth in the Credit Agreement and each Guarantor hereby irrevocably authorizes and directs the Borrower (or such other substitute agent) to accept such service on its behalf.

Any license granted pursuant to this Section 5.1(d) shall be exercisable solely during the continuance of an Event of Default.

5.2 <u>Communications with Credit Parties; Grantors Remain Liable.</u>

- (a) The Collateral Agent in its own name or in the name of others may at any time after the occurrence and during the continuance of an Event of Default, subject to the terms of the Intercreditor Agreement, after giving reasonable notice to the relevant Grantor of its intent to do so, communicate with obligors under the Accounts to verify with them to the Collateral Agent's satisfaction the existence, amount and terms of any Accounts. The Collateral Agent shall have the absolute right to share any information it gains from such inspection or verification with any Secured Party.
- (b) Upon the written request of the Collateral Agent at any time after the occurrence and during the continuance of an Event of Default, subject to the terms of the Intercreditor Agreement, each Grantor shall notify obligors on the Accounts that the Accounts have been assigned to the Collateral Agent for the benefit of the Secured Parties and that payments in respect thereof shall be made directly to the Collateral Agent.
- (c) Anything herein to the contrary notwithstanding, each Grantor shall remain liable under each of the Accounts to observe and perform all the conditions and obligations to be observed and performed by it thereunder, all in accordance with the terms of any agreement giving rise thereto. Unless the Collateral Agent has expressly in writing assumed the obligations and liabilities with respect thereto, and released the Grantors therefrom, neither the Collateral Agent nor any Secured Party shall have any obligation or liability under any Account (or any agreement giving rise thereto) by reason of or arising out of this Security Agreement or the receipt by the Collateral Agent or any Secured Party of any payment relating thereto, nor shall the Collateral Agent or any Secured Party be obligated in any manner to perform any of the obligations of any Grantor under or pursuant to any Account (or any agreement giving rise thereto), to make any payment, to make any inquiry as to the nature or the sufficiency of any payment received by it or as to the sufficiency of any performance by any party thereunder, to present or file any claim, to take any action to enforce any performance or to collect the payment of any amounts which may have been assigned to it or to which it may be entitled at any time or times.

- 5.3 Proceeds to be Turned Over To Collateral Agent. In addition to the rights of the Collateral Agent and the Secured Parties specified in Section 5.1 with respect to payments of Accounts, if an Event of Default shall occur and be continuing and the Collateral Agent, subject to the terms of the Intercreditor Agreement, so requires by notice in writing to the relevant Grantor, all Proceeds received by any Grantor consisting of cash, checks and other near cash items shall be held by such Grantor in trust for the Collateral Agent and the Secured Parties, segregated from other funds of such Grantor, and shall, forthwith upon receipt by such Grantor, be turned over to the Collateral Agent in the exact form received by such Grantor (duly endorsed by such Grantor to the Collateral Agent, if required). All Proceeds received by the Collateral Agent hereunder shall be held by the Collateral Agent in a Collateral Agent in a Collateral Account (or by such Grantor in trust for the Collateral Agent and the Secured Parties) shall continue to be held as collateral security for all the Obligations and shall not constitute payment thereof until applied as provided in Section 5.4.
- 5.4 <u>Application of Proceeds</u>. Subject to the terms of the Intercreditor Agreement, the Collateral Agent shall apply the proceeds of any collection or sale of the Collateral as well as any Collateral consisting of cash, at any time after receipt in the order set forth in Section 11.14 of the Credit Agreement.

If, despite the provisions of this Agreement, any Secured Party shall receive any payment or other recovery in excess of its portion of payments on account of the Obligations to which it is then entitled in accordance with this Agreement, such Secured Party shall hold such payment or other recovery in trust for the benefit of all Secured Parties hereunder for distribution in accordance with this <u>Section 5.4</u>.

Code and Other Remedies. Subject to the terms of the Intercreditor Agreement, if an Event of Default shall occur and be continuing, and after giving prior notice to the Borrower and any applicable Grantor, the Collateral Agent may exercise in respect of the Collateral, in addition to all other rights and remedies provided for herein or otherwise available to it, all the rights and remedies of a secured party upon default under the UCC or any other applicable law and also may with notice to the relevant Grantor, sell the Collateral or any part thereof in one or more parcels at public or private sale or sales, at any exchange, broker's board or office of the Collateral Agent or any Secured Party or elsewhere for cash or on credit or for future delivery at such price or prices and upon such other terms as are commercially reasonable irrespective of the impact of any such sales on the market price of the Collateral. The Collateral Agent shall be authorized at any such sale (if it deems it advisable to do so) to restrict the prospective bidders or purchasers of such Collateral to Persons who will represent and agree that they are purchasing the Collateral for their own account for investment and not with a view to the distribution or sale thereof, and, upon consummation of any such sale, the Collateral Agent shall have the right to assign, transfer and deliver to the purchaser or purchasers thereof the Collateral so sold. Each purchaser at any such sale shall hold the property sold absolutely free from any claim or right on the part of any Grantor, and each Grantor hereby waives (to the extent permitted by law) all rights of redemption, stay and/or appraisal that it now has or may at any time in the future have under any rule of law or statute now existing or hereafter enacted. The Collateral Agent and any Secured Party shall have the right upon any such public sale, and, to the extent permitted by law, upon any such private sale, to purchase the whole or any part of the Collateral so sold, and the Collateral Agent or such Secured Party may pay the purchase price by crediting the amount thereof against the Obligations. Each Grantor agrees that, to the extent notice of sale shall be required by law, at least ten (10) days' notice to such Grantor of the time and place of any public sale or the time after which any private sale is to be made shall constitute reasonable notification. The Collateral Agent shall not be obligated to make any sale of Collateral regardless of notice of sale having been given. The Collateral Agent may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned. To the extent permitted by law, each Grantor hereby waives any claim against the Collateral Agent arising by reason of the fact that the price at which any Collateral may have been sold at such a private sale was less than the price that might have been obtained at a public sale, even if the Collateral Agent accepts the first offer received and does not offer such Collateral to more than one offeree. Each Grantor further agrees, at the Collateral Agent's request, to assemble the Collateral and make it available to the Collateral Agent, at places which the Collateral Agent shall reasonably select, whether at such Grantor's premises or elsewhere. The Collateral Agent shall apply the net proceeds of any action taken by it pursuant to this <u>Section 5.5</u> in accordance with the provisions of <u>Section 5.4</u>.

- 5.6 <u>Deficiency.</u> Each Grantor shall remain liable for any deficiency if the proceeds of any sale or other disposition of the Collateral are insufficient to pay its Obligations and the reasonable and documented fees and disbursements of any attorneys employed by the Collateral Agent or any Secured Party to collect such deficiency (in each case subject to the limitations set forth in Section 13.5 of the Credit Agreement).
- Amendments, etc. with Respect to the Obligations; Waiver of Rights. Each Grantor shall remain obligated hereunder notwithstanding that, without any reservation of rights against any Grantor and without notice to or further assent by any Grantor, (a) any demand for payment of any of the Obligations made by the Collateral Agent or any other Secured Party may be rescinded by such party and any of the Obligations continued, (b) the Obligations, or the liability of any other party upon or for any part thereof, or any collateral security or guarantee therefor or right of offset with respect thereto, may, from time to time, in whole or in part, be renewed, extended, amended, modified, accelerated, compromised, waived, surrendered or released by the Collateral Agent or any other Secured Party, (c) the Credit Agreement, the other Credit Documents and any other documents executed and delivered in connection therewith may, in accordance with Section 13.1 of the Credit Agreement, be amended, modified, supplemented or terminated, in whole or in part, as the Administrative Agent (or the Required Lenders, as the case may be) may deem advisable from time to time and (d) any collateral security, guarantee or right of offset at any time held by the Collateral Agent or any other Secured Party for the payment of the Obligations may be sold, exchanged, waived, surrendered or released. Neither the Collateral Agent nor any other Secured Party shall have any obligation to protect, secure, perfect or insure any Lien at any time held by it as security for the Obligations or for this Security Agreement or any property subject thereto. When making any demand hereunder against any Grantor, the Collateral Agent or any other Secured Party may, but shall be under no obligation to, make a similar demand on any Grantor or any other Person, and any failure by the Collateral Agent or any other Secured Party to make any such demand or to collect any payments from any Grantor or any other Person or any release of any Grantor or any other Person shall not relieve any Grantor in respect of which a demand or collection is not made or any Grantor not so released of its several obligations or liabilities hereunder, and shall not impair or affect the rights and remedies, express or implied, or as a matter of law, of the Collateral Agent or any other Secured Party against any Grantor. For the purposes hereof "demand" shall include the commencement and continuance of any legal proceedings.

- (b) Such Pledgor is the legal and beneficial owner of the Collateral pledged or collaterally assigned by such Pledgor hereunder free and clear of any Lien, except for Permitted Liens and the Lien created by this Pledge Agreement.
- (c) As of the Closing Date, the Pledged Shares pledged by such Pledgor hereunder have been duly authorized and validly issued and, in the case of Pledged Shares issued by a corporation, are fully paid and non-assessable, in each case, to the extent such concepts are applicable in the jurisdiction of organization of the respective issuer.

- Certification of Limited Liability Company, Limited Partnership Interests, Equity Interests in Foreign Subsidiaries and Pledged Debt.
- (a) With respect to any Equity Interests in any Subsidiary that are not a security as defined in Section 8-102(a)(15) of the Uniform Commercial Code of any applicable jurisdiction or pursuant to Section 8-103 of the Uniform Commercial Code of any applicable jurisdiction, if any Pledgor shall take any action that, under such sections, converts such Equity Interests into a security, such Pledgor shall give prompt written notice thereof to the Collateral Agent and cause the issuer thereof to issue to it certificates or instruments evidencing such Equity Interests, which it shall promptly deliver to the Collateral Agent as provided in Section 3.
 - (b) Each Pledgor will comply with Section 9.12 of the Credit Agreement.
- (c) In the event that any Equity Interests in any Foreign Subsidiary pledged hereunder are not represented by a certificate, the Pledgors agree not to permit such Foreign Subsidiary to issue Equity Interests represented by a certificate to any other Person.

 - (a) So long as no Event of Default shall have occurred and be continuing:
 - (i) Each Pledgor shall be entitled to exercise any and all voting and other consensual rights pertaining to the Collateral or any part thereof for any purpose not prohibited by the terms of this Pledge Agreement or the other Credit Documents.
 - (ii) The Collateral Agent shall execute and deliver (or cause to be executed and delivered) to each Pledgor all such proxies and other instruments as such Pledgor may reasonably request for the purpose of enabling such Pledgor to exercise the voting and other rights that it is entitled to exercise pursuant to paragraph (i) above.
- Subject to paragraph (c) below, each Pledgor shall be entitled to receive and retain and use, free and clear of the Lien created by this Pledge Agreement, any and all dividends, distributions, principal and interest made or paid in respect of the Collateral to the extent permitted by the Credit Agreement, as applicable; provided, however, that any and all noncash dividends, interest, principal or other distributions that would constitute Pledged Shares or Pledged Debt, whether resulting from a subdivision, combination or reclassification of the outstanding Equity Interests of the issuer of any Pledged Shares or received in exchange for Pledged Shares or Pledged Debt or any part thereof, or in redemption thereof, or as a result of any merger, consolidation, acquisition or other exchange of assets to which such issuer may be a party or otherwise, shall be, and shall be forthwith delivered to the Collateral Agent to hold as, Collateral and shall, if received by such Pledgor, be received in trust for the benefit of the Collateral Agent, be segregated from the other property or funds of such Pledgor and be forthwith delivered to the Collateral Agent as Collateral in the same form as so received (with any necessary endorsement).

- (c) Upon at least three Business Days' prior written notice to a Pledgor by the Collateral Agent that the Collateral Agent is exercising its rights under this Section 7(c), following the occurrence and during the continuance of an Event of Default, subject to the terms of the Intercreditor Agreement,
 - (i) all rights of such Pledgor to exercise or refrain from exercising the voting and other consensual rights that it would otherwise be entitled to exercise pursuant to Section 7(a)(i) shall cease, and all such rights shall thereupon become vested in the Collateral Agent, which shall thereupon have the sole right to exercise or refrain from exercising such voting and other consensual rights during the continuance of such Event of Default, provided that, unless otherwise directed by the Required Lenders, the Collateral Agent shall have the right from time to time following the occurrence and during the continuance of an Event of Default, subject to the terms of the Intercreditor Agreement, to permit the Pledgors to exercise such rights. After all Events of Default have been cured or waived, each Pledgor will have the right to exercise the voting and consensual rights that such Pledgor would otherwise be entitled to exercise pursuant to the terms of Section 7(a)(i) (and the obligations of the Collateral Agent under Section 7(a)(ii) shall be reinstated);
 - all rights of such Pledgor to receive the dividends, distributions and principal and interest payments that such Pledgor would otherwise be authorized to receive and retain pursuant to Section 7(b) shall cease, and all such rights shall thereupon become vested in the Collateral Agent, which, subject to the terms of the Intercreditor Agreements, shall thereupon have the sole right to receive and hold as Collateral such dividends, distributions and principal and interest payments during the continuance of such Event of Default. After all Events of Default have been cured or waived, the Collateral Agent shall repay to each Pledgor (without interest) all dividends, distributions and principal and interest payments not otherwise applied in accordance with Section 11(b) that such Pledgor would otherwise be permitted to receive, retain and use pursuant to the terms of Section 7(b);
 - (iii) all dividends, distributions and principal and interest payments that are received by such Pledgor contrary to the provisions of <u>Section</u> <u>*Z*(b)</u> shall be received in trust for the benefit of the Collateral Agent and segregated from other property or funds of such Pledgor and shall forthwith be delivered to the Collateral Agent as Collateral in the same form as so received (with any necessary endorsements); and
 - (iv) in order to permit the Collateral Agent to receive all dividends, distributions and principal and interest payments to which it may be entitled under Section 7(b) above, to exercise the voting and other consensual rights that it may be entitled to exercise pursuant to Section 7(c)(i) above, and to receive all dividends, distributions and principal and interest payments that it may be entitled to under Sections 7(c)(ii) and (c)(iii) above, such Pledgor shall from time to time execute and deliver to the Collateral Agent, appropriate proxies, dividend payment orders and other instruments as the Collateral Agent may reasonably request in writing, subject to the terms of the Intercreditor Agreement.

8. <u>Transfers and Other Liens; Additional Collateral; Etc.</u> Subject to the terms of the Intercreditor Agreement, each Pledgor

shall:

- (a) not (i) except as permitted by the Credit Agreement, sell or otherwise dispose of, or grant any option or warrant with respect to, any of the Collateral or (ii) create or suffer to exist any consensual Lien upon or with respect to any of the Collateral, except for Permitted Liens and the Lien created by this Pledge Agreement; provided that in the event such Pledgor sells or otherwise disposes of assets as permitted by the Credit Agreement to a Person that is not a Credit Party, and such assets are or include any of the Collateral, the Lien created by this Pledge Agreement shall be automatically released concurrently with the consummation of such sale, and upon the request of the applicable Pledgor the Collateral Agent shall evidence such release of such Collateral to such Pledgor; and
- (b) use commercially reasonable efforts to defend its and the Collateral Agent's title or interest in and to all the Collateral (and in the Proceeds thereof) against any and all Liens (other than Permitted Liens and the Lien created by this Pledge Agreement), however arising, and any and all Persons whomsoever (except to the extent that the Collateral Agent and the Borrower agree that the cost of such defense is excessive in relation to the benefit to the Lenders thereof).
- 9. <u>Collateral Agent Appointed Attorney-in-Fact</u>. Each Pledgor hereby appoints, which appointment is irrevocable and coupled with an interest, and shall automatically terminate with respect to such Pledgor on the Termination Date or, if sooner, upon the release of such Pledgor hereunder pursuant to <u>Section 13</u>, the Collateral Agent as such Pledgor's attorney-in-fact, with full authority in the place and stead of such Pledgor and in the name of such Pledgor or otherwise, to take any action and to execute any instrument, in each case solely after the occurrence and during the continuance of an Event of Default (and upon prior written notice to such Pledgor that the Collateral Agent intends to take such action and subject to the terms of the Intercreditor Agreement), that the Collateral Agent may deem reasonably necessary or advisable to accomplish the purposes of this Pledge Agreement, including to receive, indorse and collect all instruments made payable to such Pledgor representing any dividend, distribution or principal or interest payment in respect of the Collateral or any part thereof and to give full discharge for the same.
- 10. The Collateral Agent's Duties. The powers conferred on the Collateral Agent hereunder are solely to protect its interest in the Collateral and shall not impose any duty upon it to exercise any such powers. Except for the safe custody of any Collateral in its possession and the accounting for moneys actually received by it hereunder, the Collateral Agent shall have no duty as to any Collateral, as to ascertaining or taking action with respect to calls, conversions, exchanges, maturities, tenders or other matters relative to any Pledged Shares, whether or not the Collateral Agent or any other Secured Party has or is deemed to have knowledge of such matters, or as to the taking of any necessary steps to preserve rights against any parties or any other rights pertaining to any Collateral. The Collateral Agent shall be deemed to have exercised reasonable care in the custody and preservation of any Collateral in its possession if such Collateral is accorded treatment substantially equal to that which the Collateral Agent accords its own property. The Collateral Agent shall not be responsible for or have a duty to ascertain or inquire into any representation or warranty regarding the existence, value or collectability of the Collateral, the existence, priority or perfection of the Collateral Agent's Lien thereon, or any certificate prepared by any Credit Party in connection therewith, nor shall the Collateral Agent be responsible or liable to the Lenders for any failure to monitor or maintain any portion of the Collateral.

- 11. Remedies. Subject to the terms of the Intercreditor Agreements, if any Event of Default shall have occurred and be continuing:
 - The Collateral Agent may exercise in respect of the Collateral, in addition to other rights and remedies provided for herein or otherwise available to it, all the rights and remedies of a secured party upon default under the UCC or any other applicable law (whether or not the UCC applies to the affected Collateral) and also may upon prior notice to the relevant Pledgor, sell the Collateral or any part thereof in one or more parcels at public or private sale or sales, at any exchange broker's board or at any of the Collateral Agent's offices or elsewhere, for cash, on credit or for future delivery, at such price or prices and upon such other terms as are commercially reasonable irrespective of the impact of any such sales on the market price of the Collateral. The Collateral Agent shall be authorized at any such sale of Pledged Shares or Pledged Debt (if it deems it advisable to do so) to restrict the prospective bidders or purchasers of Collateral to Persons who will represent and agree that they are purchasing the Collateral for their own account for investment and not with a view to the distribution or sale thereof, and, upon consummation of any such sale, the Collateral Agent shall have the right to assign, transfer and deliver to the purchaser or purchasers thereof the Pledged Shares or Pledged Debt so sold. Each purchaser at any such sale shall hold the property sold absolutely free from any claim or right on the part of any Pledgor, and each Pledgor hereby waives (to the extent permitted by law) all rights of redemption, stay and/or appraisal that it now has or may at any time in the future have under any rule of law or statute now existing or hereafter enacted. The Collateral Agent or any Secured Party shall have the right upon any such public sale, and, to the extent permitted by law, upon any such private sale, to purchase all or any part of the Collateral so sold, and the Collateral Agent or such Secured Party may pay the purchase price by crediting the amount thereof against the Obligations. Each Pledgor agrees that, to the extent notice of sale shall be required by law, at least ten days' notice to such Pledgor of the time and place of any public sale or the time after which any private sale is to be made shall constitute reasonable notification. The Collateral Agent shall not be obligated to make any sale of Collateral regardless of notice of sale having been given. The Collateral Agent may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned. To the extent permitted by law, each Pledgor hereby waives any claim against the Collateral Agent arising by reason of the fact that the price at which any Collateral may have been sold at such a private sale was less than the price that might have been obtained at a public sale, even if the Collateral Agent accepts the first offer received and does not offer such Collateral to more than one offeree.
 - (b) Subject to the Second Lien Intercreditor Agreement, the Collateral Agent shall apply the Proceeds of any collection or sale of the Collateral as well as any Collateral consisting of cash, at any time after receipt in the order set forth in Section 11.14 of the Credit Agreement.

Upon any sale of the Collateral by the Collateral Agent (including pursuant to a power of sale granted by statute or under a judicial proceeding), the receipt of the Collateral Agent or of the officer making the sale shall be a sufficient discharge to the purchaser or purchasers of the Collateral so sold and such purchaser or purchasers shall not be obligated to see to the application of any part of the purchase money paid over to the Collateral Agent or such officer or be answerable in any way for the misapplication thereof.

(c) All payments received by any Pledgor in respect of the Collateral after the occurrence and during the continuance of an Event of Default, shall be received in trust for the benefit of the Collateral Agent shall be segregated from other property or funds of such Pledgor and shall be forthwith delivered to the Collateral Agent as Collateral in the same form as so received (with any necessary endorsement).

- Amendments, etc. with Respect to the Obligations; Waiver of Rights. Each Pledgor shall remain obligated hereunder notwithstanding that, without any reservation of rights against any Pledgor and without notice to or further assent by any Pledgor, (a) any demand for payment of any of the Obligations made by the Collateral Agent or any other Secured Party may be rescinded by such party and any of the Obligations continued, (b) the Obligations, or the liability of any other party upon or for any part thereof, or any collateral security or guarantee therefor or right of offset with respect thereto, may, from time to time, in whole or in part, be renewed, extended, amended, modified, accelerated, compromised, waived, surrendered or released by the Collateral Agent or any other Secured Party, (c) the Credit Agreement, the other Credit Documents and any other documents executed and delivered in connection therewith may be amended, modified, supplemented or terminated, in whole or in part, as the Administrative Agent (or the Required Lenders, as the case may be) may deem advisable from time to time and (d) any collateral security, guarantee or right of offset at any time held by the Collateral Agent or any other Secured Party for the payment of the Obligations may be sold, exchanged, waived, surrendered or released. Neither the Collateral Agent nor any other Secured Party shall have any obligation to protect, secure, perfect or insure any Lien at any time held by it as security for the Obligations or for this Pledge Agreement or any property subject thereto. When making any demand hereunder against any Pledgor, the Collateral Agent or any other Secured Party may, but shall be under no obligation to, make a similar demand on any Pledgor or any other Person, and any failure by the Collateral Agent or any other Secured Party to make any such demand or to collect any payments from any Pledgor or any other Person or any release of the Company or any Pledgor or any other Person shall not relieve any Pledgor in respect of which a demand or collection is not made or any Pledgor not so released of its several obligations or liabilities hereunder, and shall not impair or affect the rights and remedies, express or implied, or as a matter of law, of the Collateral Agent or any other Secured Party against any Pledgor. For the purposes hereof "demand" shall include the commencement and continuance of any legal proceedings.
 - 13. <u>Continuing Security Interest; Assignments Under the Credit Agreement; Release.</u>
- (a) This Pledge Agreement shall remain in full force and effect and be binding in accordance with and to the extent of its terms upon each Pledgor and the successors and assigns thereof, and shall inure to the benefit of the Collateral Agent and the other Secured Parties and their respective successors, endorsees, transferees and assigns permitted under the Credit Agreement until the date on which all the Obligations under the Credit Documents (other than, in each case, any contingent indemnity obligations not then due) and the Commitments shall have terminated (such date, the "Termination Date"), notwithstanding that from time to time during the term of the Credit Agreement the Credit Parties may be free from any Obligations.
- (b) Any Pledgor shall automatically be released from its obligations hereunder and the Collateral of such Pledgor shall be automatically released as it relates to the Obligations upon such Pledgor ceasing to be a Credit Party in accordance with Section 13.1 of the Credit Agreement. Any such release in connection with any sale, transfer or other disposition of such Collateral permitted under the Credit Agreement to a Person that is not a Credit Party shall result in such Collateral being sold, transferred or disposed of, as applicable, free and clear of the Liens of this Pledge Agreement.
- (c) The Collateral shall be automatically released from the Liens of this Pledge Agreement as it relates to the Obligations (i) to the extent provided for in Section 13.1 of the Credit Agreement and (ii) upon the effectiveness of any written consent to the release of the security interest granted in such Collateral pursuant to Section 13.1 of the Credit Agreement.

- (d) In connection with any termination or release pursuant to the foregoing paragraph (a), (b) or (c), the Collateral Agent shall execute and deliver to any Pledgor or authorize the filing of, at such Pledgor's expense, all documents that such Pledgor shall reasonably request to evidence such termination or release subject to, if reasonably requested by the Collateral Agent, the Collateral Agent's receipt of a certification by the Borrower and the applicable Pledgor stating that such transaction is in compliance with the Credit Agreement and the other Credit Documents. Any execution and delivery of documents pursuant to this Section 13 shall be without recourse to or warranty by the Collateral Agent.
- Reinstatement. Each Pledgor further agrees that, if any payment made by any Credit Party or other Person and applied to the Obligations is at any time annulled, avoided, set aside, rescinded, invalidated, declared to be fraudulent or preferential or otherwise required to be refunded or repaid, or the Proceeds of Collateral are required to be returned by any Secured Party to such Credit Party, its estate, trustee, receiver or any other Person, including any Pledgor, under any bankruptcy law, state, federal or foreign law, common law or equitable cause, then, to the extent of such payment or repayment, any Lien or other Collateral securing such liability shall be and remain in full force and effect, as fully as if such payment had never been made or, if prior thereto the Lien granted hereby or other Collateral securing such liability hereunder shall have been released or terminated by virtue of such cancellation or surrender), such Lien or other Collateral shall be reinstated in full force and effect, and such prior cancellation or surrender shall not diminish, release, discharge, impair or otherwise affect any Lien or other Collateral securing the obligations of any Pledgor in respect of the amount of such payment.
- 15. <u>Notices.</u> All notices, requests and demands pursuant hereto shall be made in accordance with Section 13.2 of the Credit Agreement. All communications and notices hereunder to any Pledgor shall be given to it in care of Holdings at Holdings' address set forth in Section 13.2 of the Credit Agreement.
- 16. <u>Counterparts</u>. This Pledge Agreement may be executed by one or more of the parties to this Pledge Agreement on any number of separate counterparts (including by facsimile or other electronic transmission), and all of said counterparts taken together shall be deemed to constitute one and the same instrument.
- 17. <u>Severability</u>. Any provision of this Pledge Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. The parties hereto shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.
- 18. <u>Integration</u>. This Pledge Agreement together with the other Credit Documents represents the agreement of each of the Pledgors with respect to the subject matter hereof and there are no promises, undertakings, representations or warranties by the Collateral Agent or any other Secured Party relative to the subject matter hereof not expressly set forth herein or in the other Credit Documents.
 - 19. <u>Amendments in Writing; No Waiver; Cumulative Remedies.</u>
- (a) None of the terms or provisions of this Pledge Agreement may be waived, amended, supplemented or otherwise modified except by a written instrument executed by the affected Pledgor and the Collateral Agent in accordance with Section 13.1 of the Credit Agreement.

(b) Neither the Collateral Agent nor any Secured Party shall by any act (except by a written instrument pursuant to
Section 19(a)), delay, indulgence, omission or otherwise be deemed to have waived any right or remedy hereunder or to have acquiesced
in any Default or Event of Default or in any breach of any of the terms and conditions hereof. No failure to exercise, nor any delay in
exercising, on the part of the Collateral Agent or any other Secured Party, any right, power or privilege hereunder shall operate as a
waiver thereof. No single or partial exercise of any right, power or privilege hereunder shall preclude any other or further exercise
thereof or the exercise of any other right, power or privilege. A waiver by the Collateral Agent or any other Secured Party of any right or
remedy hereunder on any one occasion shall not be construed as a bar to any right or remedy that the Collateral Agent or such other
Secured Party would otherwise have on any future occasion.

- (c) The rights, remedies, powers and privileges herein provided are cumulative, may be exercised singly or concurrently and are not exclusive of any other rights or remedies provided by law.
- 20. <u>Section Headings</u>. The Section headings used in this Pledge Agreement are for convenience of reference only and are not to affect the construction hereof or be taken into consideration in the interpretation hereof.
- 21. <u>Successors and Assigns</u>. This Pledge Agreement shall be binding upon the successors and assigns of each Pledgor and shall inure to the benefit of the Collateral Agent and the other Secured Parties and their respective successors and permitted assigns, except that no Pledgor may assign, transfer or delegate any of its rights or obligations under this Pledge Agreement without the prior written consent of the Collateral Agent or as otherwise permitted by the Credit Agreement.
- 22. <u>WAIVER OF JURY TRIAL</u>. EACH PARTY HERETO IRREVOCABLY AND UNCONDITIONALLY WAIVES (TO THE EXTENT PERMITTED BY APPLICABLE LAW) TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS PLEDGE AGREEMENT, ANY OTHER CREDIT DOCUMENT AND FOR ANY COUNTERCLAIM THEREIN.
 - 23. <u>Submission to Jurisdiction; Waivers</u>. Each party hereto irrevocably and unconditionally:
 - (a) submits for itself and its property in any legal action or proceeding relating to this Pledge Agreement and the other Credit Documents to which it is a party to the exclusive general jurisdiction of the courts of the State of New York or the courts of the United States for the Southern District of New York, in each case sitting in New York City in the Borough of Manhattan, and appellate courts from any thereof;

 - (c) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to such Person at its address referred to in <u>Section 15</u> or at such other address of which the Collateral Agent shall have been notified pursuant thereto;

- (d) agrees that nothing herein shall affect the right of any other party hereto (or any Secured Party) to effect service of process in any other manner permitted by law or to commence legal proceedings or otherwise proceed against any Pledgor in any other jurisdiction; and
- (e) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this <u>Section 23</u> any special, exemplary, punitive or consequential damages.

In the event of any conflict between the terms of the Intercreditor Agreement then in effect and the terms of this Pledge Agreement, the terms of the Intercreditor Agreement shall govern and control. Notwithstanding anything to the contrary herein, prior to the Discharge of Senior Obligations (as defined in the Intercreditor Agreement), the requirements of this Pledge Agreement to deliver possession of Collateral to the Collateral Agent shall be deemed satisfied by the delivery of possession of such Collateral to a Senior Representative (as defined in the Intercreditor Agreement) and as bailee for the Collateral Agent as provided in the Intercreditor Agreement.

26. <u>Enforcement Expenses; Indemnification</u>.

- (a) Each Pledgor agrees to pay any and all reasonable and documented out of pocket expenses (including all reasonable and documented fees and disbursements of counsel) that may be paid or incurred by any Secured Party in enforcing, or obtaining advice of counsel in respect of, any rights with respect to, or collecting, any or all of the Obligations and/or enforcing any rights with respect to, or collecting against, such Pledgor under this Pledge Agreement, in each case subject to the limitations on reimbursement of costs and expenses set forth in Section 13.5 of the Credit Agreement.

- A.  - B. Capitalized terms used herein and not otherwise defined herein shall have the meanings assigned to such terms in the Pledge Agreement.
- C. The Pledgors have entered into the Pledge Agreement in order to induce the Administrative Agent, the Collateral Agent and the Lenders to enter into the Credit Agreement, to induce the Lenders to make their respective Loans to the Borrower.
- D. The undersigned Guarantors (each an "Additional Pledgor") are, as of the date hereof, (a) the legal and beneficial owners of the Equity Interests described in Schedule 1 hereto and issued by the entities named therein (such Equity Interests, together with any Equity Interests of the issuer of such Equity Interests or any other issuer directly held directly by any such Additional Pledgor in the future, in each case, except to the extent excluded from the Additional Collateral for the Obligations pursuant to the penultimate paragraph of Section 1 below, referred to collectively herein as the "Additional Pledged Shares") and (b) the legal and beneficial owners of the Indebtedness evidenced by a promissory note in excess of \$10,000,000 described in Schedule 1 hereto (together with any other Indebtedness owed to any such Additional Pledgor hereafter and required to be pledged pursuant to Section 9.12 of the Credit Agreement, the "Additional Pledged Debt").
- E. Section 9.11 of the Credit Agreement and Section 28 of the Pledge Agreement provide that additional Subsidiaries may become Subsidiary Pledgors under the Pledge Agreement by execution and delivery of an instrument in the form of this Supplement. Each undersigned Additional Pledgor is executing this Supplement in accordance with the requirements of Section 9.11 of the Credit Agreement and Section 28 of the Pledge Agreement to pledge to the Collateral Agent for the benefit of the Secured Parties the Additional Pledged Shares and the Additional Pledged Debt and to become a Subsidiary Pledgor under the Pledge Agreement in order to induce the Lenders to make their respective Loans to the Borrower.

Accordingly, the Collateral Agent and each undersigned Additional Pledgor agree as follows:

- SECTION 1. Each Additional Pledgor by its signature hereby collaterally assigns and pledges to the Collateral Agent, for the benefit of the Secured Parties, and hereby grants to the Collateral Agent, for the benefit of the Secured Parties, a security interest in all of such Additional Pledgor's right, title and interest in the following, whether now owned or existing or hereafter acquired or existing (collectively, the "Additional Collateral"):
 - (a) the Additional Pledged Shares held by such Additional Pledger and the certificates representing such Additional Pledged Shares and any interest of such Additional Pledger in the entries on the books of the issuer of the Additional Pledged Shares or any financial intermediary pertaining to the Additional Pledged Shares and all dividends, cash, warrants, rights, instruments and other property or Proceeds from time to time received, receivable or otherwise distributed in respect of or in exchange for any or all of the Additional Pledged Shares;
 - (b) the Additional Pledged Debt and the instruments evidencing the Additional Pledged Debt owed to such Additional Pledgor, and all interest, cash, instruments and other property or Proceeds from time to time received, receivable or otherwise distributed in respect of or in exchange for any or all of such Additional Pledged Debt; and
 - (c) to the extent not covered by clauses (a) and (b) above, respectively, all Proceeds of any or all of the foregoing Additional Collateral.

Notwithstanding the foregoing, the Additional Collateral (and any defined term used in the definition thereof) for the Obligations shall not include any Excluded Stock and Stock Equivalents or any Excluded Property.

For purposes of the Pledge Agreement, the Collateral shall be deemed to include the Additional Collateral.

SECTION 2. Each Additional Pledgor by its signature below becomes a Pledgor under the Pledge Agreement with the same force and effect as if originally named therein as a Pledgor, and each Additional Pledgor hereby agrees to all the terms and provisions of the Pledge Agreement applicable to it as a Pledgor thereunder. Each reference to a "Subsidiary Pledgor" or a "Pledgor" in the Pledge Agreement shall be deemed to include each Additional Pledgor. The Pledge Agreement is hereby incorporated herein by reference.

SECTION 3. Each Additional Pledgor represents and warrants as follows:

(a) Schedule 1 hereto correctly represents as of the date hereof (A) the issuer, the certificate number, the Additional Pledgor and registered owner, the number and class and the percentage of the issued and outstanding Equity Interests of such class of all Additional Pledged Shares and (B) the issuer, the initial principal amount, the Additional Pledgor and holder, date of and maturity date of all Additional Pledged Debt. Except as set forth on Schedule 1 and except for Excluded Stock and Stock Equivalents, the Additional Pledged Shares represent all (or 66% in the case of pledges of the Voting Stock of Foreign Subsidiaries or any Domestic Subsidiary substantially all of the assets of which consist of equity and/or debt of Foreign Subsidiaries that are CFCs) of the issued and outstanding Equity Interests of each class of Equity Interests of the issuer thereof on the date hereof.

- (b) Such Additional Pledgor is the legal and beneficial owner of the Additional Collateral pledged or collaterally assigned by such Additional Pledgor hereunder free and clear of any Lien, except for Permitted Liens and the Liens created by this Supplement to the Pledge Agreement.
- (c) As of the date of this Supplement, the Additional Pledged Shares pledged by such Additional Pledgor hereunder have been duly authorized and validly issued and, in the case of Additional Pledged Shares issued by a corporation, are fully paid and non-assessable, in each case, to the extent such concepts are applicable in the jurisdiction of organization of the respective issuer.
- (d) The execution and delivery by such Additional Pledgor of this Supplement and the pledge of the Additional Collateral pledged by such Additional Pledgor pursuant hereto create a legal, valid and enforceable security interest in such Additional Collateral (with respect to Collateral consisting of the Equity Interests or Pledged Debt of Foreign Subsidiaries, to the extent the creation of such Security Interest is governed by the Uniform Commercial Code of any applicable jurisdiction) and, upon delivery of such Additional Collateral to the Collateral Agent, shall constitute a fully perfected lien and security interest in the Additional Collateral (with respect to Collateral consisting of the Equity Interests or Pledged Debt of Foreign Subsidiaries, to the extent the creation and perfection of such Security Interest is governed by the Uniform Commercial Code of any applicable jurisdiction), securing the payment of the Obligations, in favor of the Collateral Agent for the benefit of the Secured Parties, except as enforceability thereof may be limited by bankruptcy, insolvency or other similar laws affecting creditors' rights generally and subject to general principles of equity and principles of good faith and fair dealing.
- (e) Such Additional Pledgor has full organizational power, authority and legal right to pledge all the Additional Collateral pledged by such Additional Pledgor pursuant to this Supplement, and this Supplement constitutes a legal, valid and binding obligation of each Additional Pledgor (with respect to Collateral consisting of the Equity Interests or Pledged Debt of Foreign Subsidiaries, to the extent the enforceability of such Security Interest is governed by the Uniform Commercial Code of any applicable jurisdiction), enforceable in accordance with its terms, except as enforceability thereof may be limited by bankruptcy, insolvency or other similar laws affecting creditors' rights generally and subject to general principles of equity and principles of good faith and fair dealing.
- SECTION 4. This Supplement may be executed by one or more of the parties to this Supplement on any number of separate counterparts (including by facsimile or other electronic transmission), and all of said counterparts taken together shall be deemed to constitute one and the same instrument. A set of the copies of this Supplement signed by all the parties shall be lodged with the Collateral Agent and Holdings. This Supplement shall become effective as to each Additional Pledgor when the Collateral Agent shall have received counterparts of this Supplement that, when taken together, bear the signatures of such Additional Pledgor and the Collateral Agent.

SECTION 5. Except as expressly supplemented hereby, the Pledge Agreement shall remain in full force and effect.

SECTION 6. THIS SUPPLEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

SECTION 7. SECTION 2.04. No New Liens. (a) Subject to the terms hereof, the parties hereto agree that, so long as the Discharge of Senior Obligations has not occurred, (a) none of the Grantors shall, or shall permit any of its subsidiaries to, (1) grant or permit any additional Liens on any asset or property of any Grantor to secure any Second Priority Debt Obligation unless it has granted, or substantially concurrently therewith grants, a Lien on such asset or property of such Grantor to secure the Senior Obligations, or (2) grant or permit any additional Liens on any asset or property of any Grantor to secure any Senior Obligations unless it has granted, or substantially concurrently therewith grants, a Lien on such asset or property of such Grantor to secure the Second Priority Debt Obligations; and (b) if any Second Priority Representative or any Second Priority Debt Party shall hold any Lien on any assets or property of any Grantor securing any Second Priority Obligations that are not also subject to the first- priority Liens securing all Senior Obligations under the Senior Collateral Documents, such Second Priority Representative or Second Priority Debt Party (i) shall notify the Designated Senior Representative promptly upon becoming aware thereof and, unless such Grantor shall promptly grant a similar Lien on such assets or property to each Senior Representative as security for the Senior Obligations, shall assign such Lien to the Designated Senior Representative as security for all Senior Obligations for the benefit of the Senior Secured Parties (but may retain a junior lien on such assets or property subject to the terms hereof) and (ii) until such assignment or such grant of a similar Lien to each Senior Representative, shall be deemed to hold and have held such Lien for the benefit of each Senior Representative and the other Senior Secured Parties as security for the Senior Obligations. To the extent that the provisions of the immediately preceding sentence are not complied with for any reason, without limiting any other right or remedy available to any Senior Representative or any other Senior Secured Party, each Second Priority Representative agrees, for itself and on behalf of the other Second Priority Debt Parties, that any amounts received by or distributed to any Second Priority Debt Party pursuant to or as a result of any Lien granted in contravention of this Section 2.04 shall be subject to Section 4.01 and Section 4.02.

Except for the limited agreements of the Senior Representatives pursuant to <u>Section 5.05</u> hereof, none of the Senior Representatives or the Senior Secured Parties shall be responsible for perfecting and maintaining the perfection of Liens with respect to the Shared Collateral for the benefit of the Second Priority Representatives or the Second Priority Debt Parties. The provisions of this Agreement are intended solely to govern the respective Lien priorities as between the Senior Secured Parties and the Second Priority Debt Parties and shall not impose on the Senior Representatives, the Senior Secured Parties, the Second Priority Debt Parties or any agent or trustee therefor any obligations in respect of the disposition of Proceeds of any Shared Collateral which would conflict with prior perfected claims therein in favor of any other Person or any order or decree of any court or governmental authority or any applicable law.

If, following the application of any such cash collateral, letter of credit or other credit support to the repayment of such Secured Obligations owing to the applicable Secured Party, such Secured Party has not received the full amount of the Secured Obligations then due and owing to it, it shall be entitled to its pro rata share of any Shared Collateral proceeds as, and to the extent, provided in Section 4.01. Nothing in this Agreement shall be construed to impair the right of any Secured Party to recoup, set off, net or off-set amounts against any cash and cash equivalents (or letter of credit support) that does not constitute Shared Collateral and that was specifically pledged to such Secured Party as provided in this Section 2.06 (including amounts delivered as margin or cash collateral) to the extent permitted under the applicable Senior Debt Document or Second Priority Debt Document, or exercise its rights and remedies with respect to any such cash collateral pledged for its sole benefit or as a beneficiary under and pursuant to any other such credit support issued solely in its favor, each of which will be governed by the terms of such Senior Debt Document or Second Priority Debt Document, as applicable.

- (e) The Senior Representatives shall not have by reason of the Second Priority Collateral Documents or this Agreement, or any other document, a fiduciary relationship in respect of any Second Priority Representative or any Second Priority Debt Party, and each, Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, hereby waives and releases the Senior Representatives from all claims and liabilities arising pursuant to the Senior Representatives' roles under this Section 5.05 as sub-agents and gratuitous bailees with respect to the Shared Collateral.

- (f) Upon the Discharge of Senior Obligations, each applicable Senior Representative shall, at the Grantors' sole cost and expense, (i) (A) deliver to the Designated Second Priority Representative, to the extent that it is legally permitted to do so, all Shared Collateral, including all Proceeds thereof, held or controlled by such Senior Representative or any of its agents or bailees, including the transfer of possession and control, as applicable, of the Pledged or Controlled Collateral, together with any necessary endorsements and notices to depositary banks, securities intermediaries and commodities intermediaries, and assign its rights under any landlord waiver or bailee's letter or any similar agreement or arrangement granting it rights or access to Shared Collateral, or (B) direct and deliver such Shared Collateral as a court of competent jurisdiction may otherwise direct, (ii) notify any applicable insurance carrier that it is no longer entitled to be a loss payee or additional insured under the insurance policies of any Grantor issued by such insurance carrier, and (iii) notify any governmental authority involved in any condemnation or similar proceeding involving any Grantor that the Designated Second Priority Representative is entitled to approve any awards granted in such proceeding. The Borrowers and the other Grantors shall take such further action as is required to effectuate the transfer contemplated hereby and shall indemnify each Senior Representative for loss or damage suffered by such Senior Representative as a result of such transfer, except for loss or damage suffered by any such Person as a result of its own gross negligence or willful misconduct as determined by a final non-appealable judgment of a court of competent jurisdiction. The Senior Representatives have no obligations to follow instructions from any Second Priority Representative or any other Second Priority Debt Party in contravention of this Agreement. No Senior Representative shall have any liability to any Second Priority Debt
- (g) None of the Senior Representatives nor any of the other Senior Secured Parties shall be required to marshal any present or future collateral security for any obligations of the Borrowers or any Subsidiary to any Senior Representative or any Senior Secured Party under the Senior Debt Documents or any assurance of payment in respect thereof or to any Second Priority Debt Party, or to resort to such collateral security or other assurances of payment in any particular order, and all of their rights in respect of such collateral security or any assurance of payment in respect thereof shall be cumulative and in addition to all other rights, however existing or arising.

SECTION 5.06. When Discharge of Senior Obligations Deemed To Not Have Occurred. If, at any time substantially concurrently with or after the Discharge of Senior Obligations has_occurred, the Borrowers or any Subsidiary of Holdings consummates any Refinancing or incurs any Senior Obligations (other than in respect of the payment of indemnities surviving the Discharge of Senior Obligations), then such Discharge of Senior Obligations shall automatically be deemed not to have occurred for all purposes of this Agreement (other than with respect to any actions taken prior to the date of such designation as a result of the occurrence of such first Discharge of Senior Obligations) and the applicable agreement governing such Senior Obligations shall automatically be treated as a Senior Debt Document for all purposes of this Agreement, including for purposes of the Lien priorities and rights in respect of Shared Collateral set forth herein and the agent, representative or trustee for the holders of such Senior Obligations shall be the Senior Representative for all purposes of this Agreement. Upon receipt of notice of such incurrence (including the identity of the new Senior Representative), each Second Priority Representative (including the Designated Second Priority Representative) shall promptly (a) enter into such documents and agreements (at the expense of the Borrowers), including amendments or supplements to this Agreement, as the Borrowers or such new Senior Representative shall reasonably request in writing in order to provide the new Senior Representative the rights of a Senior Representative contemplated hereby, (b) deliver to such Senior Representative, to the extent that it is legally permitted to do so, all Shared Collateral, including all Proceeds thereof, held or controlled by such Second Priority Representative or any of its agents or bailees, including the transfer of possession and control, as applicable, of the Pledged or Controlled Collateral, together with any necessary endorsements and notices to depositary banks, securities intermediaries and commodities intermediaries, and assign its rights under any landlord waiver or bailee's letter or any similar agreement or arrangement granting it rights or access to Shared Collateral and (c) notify any governmental authority involved in any condemnation or similar proceeding involving a Grantor that the new Senior Representative is entitled to approve any awards granted in such proceeding.

SECTION 5.07. Purchase Right. Without prejudice to the enforcement of the Senior Secured Parties' remedies, the Senior Secured Parties agree that following (a) the acceleration of the Senior Obligations in accordance with the terms of the Credit Agreement Loan Documents or (b) the commencement of an Insolvency or Liquidation Proceeding (each, a "Purchase Event"), within thirty (30) days of the Purchase Event, one or more of the Second Priority Debt Parties may request, and the Senior Secured Parties hereby offer the Second Priority Debt Parties the option, to purchase all, but not less than all, of the aggregate amount of outstanding Senior Obligations outstanding at the time of purchase at par, plus any premium that would be applicable upon prepayment of the Senior Obligations and accrued and unpaid interest, fees, and expenses without warranty or representation or recourse (except for representations and warranties required to be made by assigning lenders pursuant to the Assignment and Assumption (as such term is defined in the First Lien Credit Agreement)). If such right is exercised, the parties shall endeavor to close promptly thereafter but in any event within ten (10) Business Days of the request. If one or more of the Second Priority Debt Parties exercise such purchase right, it shall be exercised pursuant to documentation mutually acceptable to each of the Senior Representative and the Second Priority Representative, subject to any consent rights of the Borrowers under the First Lien Credit Agreement or any applicable Senior Debt Document. If none of the Second Priority Debt Parties exercise such right, the Senior Secured Parties shall have no further obligations pursuant to this Section 5.07 for such Purchase Event and may take any further actions in their sole discretion in accordance with the Senior Debt Documents and this Agreement.

ARTICLE VI

Insolvency or Liquidation Proceedings.

Financing Issues. Until the Discharge of Senior Obligations has occurred, if a Borrower or any other Grantor shall be subject to any Insolvency or Liquidation Proceeding and any Senior Representative or shall desire to consent (or not object) to the sale, use or lease of cash or other collateral or to consent (or not object) to the Borrowers' or any other Grantor's obtaining financing under Section 363 or Section 364 of the Bankruptcy Code or any similar provision of any other Bankruptcy Law ("DIP Financing"), then each Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, agrees that it will raise no (a) objection to and will not otherwise contest (or support any person in objecting or otherwise contesting) such sale, use or lease of such cash or other collateral or such DIP Financing and, except to the extent permitted by the proviso in clause (ii) of Section 3.01(a) and Section 6.03, will not request adequate protection or any other relief in connection therewith and, to the extent the Liens securing any Senior Obligations are subordinated or pari passu with such DIP Financing, will subordinate (and will be deemed hereunder to have subordinated) its Liens in the Shared Collateral to (x) such DIP Financing (and all obligations relating thereto) on the same basis as the Liens securing the Second Priority Debt Obligations are so subordinated to Liens securing Senior Obligations under this Agreement, (y) any adequate protection Liens granted to the Senior Secured Parties, and (z) to any "carve-out" for professional and United States Trustee fees agreed to by the Senior Representatives, (b) objection to (and will not otherwise contest) any motion for relief from the automatic stay or from any injunction against foreclosure or enforcement in respect of Senior Obligations made by any Senior Representative or any other Senior Secured Party with respect to the Senior Collateral, (c) objection to (and will not otherwise contest or support any person in objecting to) any lawful exercise by any Senior Secured Party of the right to credit bid Senior Obligations at any sale in foreclosure of Senior Collateral or under Section 363(k) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law, (d) objection to (and will not otherwise contest or support any person in objecting to) any other request for judicial relief made in any court by any Senior Secured Party relating to the lawful enforcement of any Lien on Senior Collateral, or (e) objection to (and will not otherwise contest or oppose or support any person in objecting to, contesting or opposing) any order relating to a sale or other disposition of assets of any Grantor for which any Senior Representative has consented or not objected that provides, to the extent such sale or other disposition is to be free and clear of Liens, that the Liens securing the Senior Obligations and the Second Priority Debt Obligations will attach to the Proceeds of the sale on the same basis of priority as the Liens on the Shared Collateral securing the Senior Obligations rank to the Liens on the Shared Collateral securing the Second Priority Debt Obligations pursuant to this Agreement; provided that the Second Priority Debt Parties may assert any objection to the proposed bidding procedures or protections to be utilized in connection with any such sale or disposition that may be asserted by any unsecured creditor of any Grantor, and further provided that the Second Priority Debt Parties are not deemed to have waived any rights to credit bid on the Shared Collateral in any such sale or disposition under Section 363(k) of the Bankruptcy Code (or any similar provision under the Bankruptcy Code or any other applicable law), so long as any such credit bid provides for the payment in full in cash of the Senior Obligations. Each Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, agrees that notice received two (2) Business Days prior to the entry of an order approving such usage of cash or other collateral or approving such financing shall be adequate notice.

SECTION 6.02. <u>Relief from the Automatic Stay.</u> Until the Discharge of Senior Obligations has occurred, each Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, agrees that none of them shall seek relief from the automatic stay or any other stay in any Insolvency or Liquidation Proceeding or take any action in derogation thereof, in each case in respect of any Shared Collateral, without the prior written consent of the Designated Senior Representative.

SECTION 6.03. Adequate Protection. Each Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, agrees that none of them shall (A) object, contest or support any other Person objecting to or contesting (a) any request by any Senior Representative or any Senior Secured Parties for adequate protection, (b) any objection by any Senior Representative or any Senior Secured Parties to any motion, relief, action or proceeding based on any Senior Representative's or Senior Secured Party's claiming a lack of adequate protection, or (c) the payment of interest, fees, expenses or other amounts of any Senior Representative or any other Senior Secured Party under Section 506(b) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law or (B) assert or support any claim for costs or expenses of preserving or disposing of any Collateral under Section 506(c) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law. Notwithstanding anything contained in this Section 6.03 or in Section 6.01, in any Insolvency or Liquidation Proceeding, (i) if the Senior Secured Parties (or any subset thereof) are granted adequate protection in the form of additional or replacement collateral or superpriority claims in connection with any DIP Financing or use of cash collateral under Section 363 or 364 of the Bankruptcy Code or any similar provision of any other Bankruptcy Law (other than in a role of DIP Financing provider), then each Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, may seek or request adequate protection in the form of a Lien or superpriority claim on such additional or replacement collateral, which (A) Lien or superpriority claim is subordinated to the Liens securing or claims with respect to all Senior Obligations and such DIP Financing (and all obligations relating thereto and any "carve-out") on the same basis as the other Liens securing the Second Priority Debt Obligations are so subordinated to the Liens securing Senior Obligations under this Agreement and (B) superpriority claim is subordinated to all claims of the Senior Secured Parties on the same basis as the other claims of the Second Priority Debt Parties are so subordinated to the claims of the Senior Secured Parties under this Agreement, and (ii) in the event any Second Priority Representatives, for themselves and on behalf of the Second Priority Debt Parties under their Second Priority Debt Facilities, seek or request adequate protection and such adequate protection is granted in the form of additional or replacement collateral, then such Second Priority Representatives, for themselves and on behalf of each Second Priority Debt Party under their Second Priority Debt Facilities, agree that each Senior Representative shall also be granted a senior Lien on such additional or replacement collateral as security for the Senior Obligations and any such DIP Financing and that any Lien on such additional or replacement collateral securing the Second Priority Debt Obligations shall be subordinated to the Liens on such collateral securing the Senior Obligations and any such DIP Financing (and all obligations relating thereto and any "carve-out") and any other Liens granted to the Senior Secured Parties as adequate protection on the same basis as the other Liens securing the Second Priority Debt Obligations are so subordinated to such Liens securing Senior Obligations under this Agreement (and, to the extent the Senior Secured Parties are not granted such adequate protection in such form, any amounts recovered by or distributed to any Second Priority Debt Party pursuant to or as a result of any Lien on such additional or replacement collateral so granted to the Second Priority Debt Parties shall be subject to Section 4.02), and (iii) in the event any Second Priority Representatives, for themselves and on behalf of the Second Priority Debt Parties under their Second Priority Debt Facilities, seek or request adequate protection and such adequate protection is granted (in each instance, to the extent such grant is otherwise permissible under the terms and conditions of this Agreement) in the form of a superpriority claim, then such Second Priority Representatives, for themselves and on behalf of each Second Priority Debt Party under their Second Priority Debt Facilities, agree that each Senior Representative shall also be granted adequate protection in the form of a superpriority claim, which superpriority claim shall be senior to the claims of the Second Priority Debt Parties (and, to the extent the Senior Secured Parties are not granted such adequate protection in such form, any amounts recovered by or distributed to any Second Priority Debt Party pursuant to or as a result of any such superpriority claim so granted to the Second Priority Debt Parties shall be subject to Section 4.02). Without limiting the generality of the foregoing, to the extent that the Senior Secured Parties are granted adequate protection in the form of payments in the amount of current post-petition fees and expenses, and/or other cash payments, then the Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, shall not be prohibited from seeking adequate protection in the form of payments in the amount of current postpetition incurred fees and expenses, and/or other cash payments (as applicable), subject to the right of the Senior Secured Parties to object to the reasonableness of the amounts of fees and expenses or other cash payments so sought by the Second Priority Debt Parties.

SECTION 6.04. <u>Preference Issues</u>. If any Senior Secured Party is required in any Insolvency or Liquidation Proceeding or otherwise to disgorge, turn over or otherwise pay any amount to the estate of any Borrower or any other Grantor (or any trustee, receiver or similar Person therefor), because the payment of such amount was declared to be fraudulent or preferential in any respect or for any other reason, any amount (a "<u>Recovery</u>"), whether received as Proceeds of security, enforcement of any right of setoff or otherwise, then the Senior Obligations shall be reinstated to the extent of such Recovery and deemed to be outstanding as if such payment had not occurred and the Senior Secured Parties shall be entitled to the benefits of this Agreement until a Discharge of Senior Obligations with respect to all such recovered amounts. If this Agreement shall have been terminated prior to such Recovery, this Agreement shall be reinstated in full force and effect, and such prior termination shall not diminish, release, discharge, impair or otherwise affect the obligations of the parties hereto. Each Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, hereby agrees that none of them shall be entitled to benefit from any avoidance action affecting or otherwise relating to any distribution or allocation made in accordance with this Agreement, whether by preference or otherwise, it being understood and agreed that the benefit of such avoidance action otherwise allocable to them shall instead be allocated and turned over for application in accordance with the priorities set forth in this Agreement.

Separate Grants of Security and Separate Classifications. Each Second Priority Representative, for itself and on behalf of SECTION 6.05. each Second Priority Debt Party under its Second Priority Debt Facility, acknowledges and agrees that (a) the grants of Liens pursuant to the Senior Collateral Documents and the Second Priority Collateral Documents constitute separate and distinct grants of Liens and (b) because of, among other things, their differing rights in the Shared Collateral, the Second Priority Debt Obligations are fundamentally different from the Senior Obligations and must be separately classified in any plan of reorganization proposed, confirmed or adopted in an Insolvency or Liquidation Proceeding. To further effectuate the intent of the parties as provided in the immediately preceding sentence, if it is held that any claims of the Senior Secured Parties and the Second Priority Debt Parties in respect of the Shared Collateral constitute a single class of claims (rather than separate classes of senior and junior secured claims), then each Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, hereby acknowledges and agrees that all distributions from the Shared Collateral shall be made as if there were separate classes of senior and junior secured claims against the Grantors in respect of the Shared Collateral (with the effect being that, to the extent that the aggregate value of the Shared Collateral is sufficient (for this purpose ignoring all claims held by the Second Priority Debt Parties), the Senior Secured Parties shall be entitled to receive, in addition to amounts distributed to them in respect of principal, pre-petition interest and other claims, all amounts owing in respect of post-petition interest, fees and expenses (whether or not allowed or allowable in such Insolvency or Liquidation Proceeding) before any distribution from the Shared Collateral is made in respect of the Second Priority Debt Obligations, with each Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, hereby acknowledging and agreeing to turn over to the Designated Senior Representative amounts otherwise received or receivable by them to the extent necessary to effectuate the intent of this sentence, even if such turnover has the effect of reducing the claim or recovery of the Second Priority Debt Parties.

SECTION 6.06. <u>No Waivers of Rights of Senior Secured Parties</u>. Nothing contained herein shall, except as expressly provided herein, prohibit or in any way limit any Senior Representative or any other Senior Secured Party from objecting in any Insolvency or Liquidation Proceeding or otherwise to any action taken by any Second Priority Debt Party, including the seeking by any Second Priority Debt Party of adequate protection or the asserting by any Second Priority Debt Party of any of its rights and remedies under the Second Priority Debt Documents or otherwise.

SECTION 6.07. <u>Application</u>. This Agreement, which the parties hereto expressly acknowledge is a "subordination agreement" under Section 510(a) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law, shall be effective before, during and after the commencement of any Insolvency or Liquidation Proceeding. The relative rights as to the Shared Collateral and Proceeds thereof shall continue after the commencement of any Insolvency or Liquidation Proceeding on the same basis as prior to the date of the petition therefor, subject to any court order approving the financing of, or use of cash collateral by, any Grantor. All references herein to any Grantor shall include such Grantor as a debtor-in-possession and any receiver or trustee for such Grantor.

SECTION 6.08. Other Matters. To the extent that any Second Priority Representative or any Second Priority Debt Party has or acquires rights under Section 363 or Section 364 of the Bankruptcy Code or any similar provision of any other Bankruptcy Law with respect to any of the Shared Collateral, such Second Priority Representative, on behalf of itself and each Second Priority Debt Party under its Second Priority Debt Facility, agrees not to assert any such rights without the prior written consent of each Senior Representative, provided that if requested by any Senior Representative, such Second Priority Representative shall timely exercise such rights in the manner requested by the Designated Senior Representative, including any rights to payments in respect of such rights.

SECTION 6.09. <u>506(c) Claims</u>. Until the Discharge of Senior Obligations has occurred, each Second Priority Representative, on behalf of itself and each Second Priority Debt Party under its Second Priority Debt Facility, agrees that it will not assert or enforce any claim under Section 506(c) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law senior to or on a parity with the Liens securing the Senior Obligations for costs or expenses of preserving or disposing of any Shared Collateral.

SECTION 6.10. Reorganization Securities; Voting.

- (a) If, in any Insolvency or Liquidation Proceeding, debt obligations of the reorganized debtor secured by Liens upon any property of the reorganized debtor are distributed, pursuant to a plan of reorganization or similar dispositive restructuring plan, on account of both the Senior Obligations and the Second Priority Debt Obligations, then, to the extent the debt obligations distributed on account of the Senior Obligations and on account of the Second Priority Debt Obligations are secured by Liens upon the same assets or property, the provisions of this Agreement will survive the distribution of such debt obligations pursuant to such plan and will apply with like effect to the Liens securing such debt obligations.
- (b) No Second Priority Debt Party (whether in the capacity of a secured creditor or an unsecured creditor) shall propose, vote in favor of, or otherwise directly or indirectly support any plan of reorganization that is inconsistent with the priorities or other provisions of this Agreement, other than with the prior written consent of the Designated Senior Representative or to the extent any such plan is proposed or supported by the number of Senior Secured Debt Parties required under Section 1126(c) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law.
- SECTION 6.11. Section 1111(b) of the Bankruptcy Code. The Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, shall not object to, oppose, support any objection, or take any other action to impede, the right of any Senior Secured Party to make an election under Section 1111(b)(2) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law with respect to the Senior Collateral. The Second Priority Representative, for itself and on behalf of each Second Priority Debt Party under its Second Priority Debt Facility, waives any claim it may hereafter have against any senior claimholder arising out of the election by any Senior Secured Party of the application of Section 1111(b) (2) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law with respect to the Senior Collateral.

SECTION 6.12. <u>Post-Petition Interest.</u>

- (a) Neither the Second Priority Representative nor any other Second Priority Debt Party shall oppose or seek to challenge any claim by the Senior Priority Representative or any other Senior Secured Party for allowance in any Insolvency or Liquidation Proceeding of Senior Obligations consisting of claims for post-petition interest, fees, or expenses under Section 506(b) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law or otherwise.
- (b) Neither the Senior Priority Representative nor any other Senior Secured Party shall oppose or seek to challenge any claim by the Second Priority Representative or any other Second Priority Debt Party for allowance in any Insolvency or Liquidation Proceeding of Second Priority Debt Obligations consisting of claims for post-petition interest, fees, or expenses under Section 506(b) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law or otherwise, to the extent of the value of the Lien of the Second Priority Representative on behalf of the Second Priority Debt Parties on the Shared Collateral (after taking into account the Senior Obligations).

ARTICLE VII

Reliance; Etc.

SECTION 7.01. Reliance. The consent by the Senior Secured Parties to the execution and delivery of the Second Priority Debt Documents to which the Senior Secured Parties have consented and all loans and other extensions of credit made or deemed made on and after the date hereof by the Senior Secured Parties to the Borrowers or any Subsidiary shall be deemed to have been given and made in reliance upon this Agreement. Each Second Priority Representative, on behalf of itself and each Second Priority Debt Party under its Second Priority Debt Facility, acknowledges that it and such Second Priority Debt Parties have, independently and without reliance on any Senior Representative or other Senior Secured Party, and based on documents and information deemed by them appropriate, made their own credit analysis and decision to enter into the Second Priority Debt Documents to which they are party or by which they are bound, this Agreement and the transactions contemplated hereby and thereby, and they will continue to make their own credit decisions in taking or not taking any action under the Second Priority Debt Documents or this Agreement.

No Warranties or Liability, Each Second Priority Representative, on behalf of itself and each Second Priority Debt Party SECTION 7.02. under its Second Priority Debt Facility, acknowledges and agrees that neither any Senior Representative nor any other Senior Secured Party has made any express or implied representation or warranty, including with respect to the execution, validity, legality, completeness, collectibility or enforceability of any of the Senior Debt Documents, the ownership of any Shared Collateral or the perfection or priority of any Liens thereon. The Senior Secured Parties will be entitled to manage and supervise their respective loans and extensions of credit under the Senior Debt Documents in accordance with law and as they may otherwise, in their sole discretion, deem appropriate, and the Senior Secured Parties may manage their loans and extensions of credit without regard to any rights or interests that the Second Priority Representatives and the Second Priority Debt Parties have in the Shared Collateral or otherwise, except as otherwise provided in this Agreement. Neither any Senior Representative nor any other Senior Secured Party shall have any duty to any Second Priority Representative or Second Priority Debt Party to act or refrain from acting in a manner that allows, or results in, the occurrence or continuance of an event of default under any agreement with the Borrowers or any Subsidiary (including the Second Priority Debt Documents), regardless of any knowledge thereof that they may have or be charged with. Except as expressly set forth in this Agreement, the Senior Representatives, the Senior Secured Parties, the Second Priority Representatives and the Second Priority Debt Parties have not otherwise made to each other, nor do they hereby make to each other, any warranties, express or implied, nor do they assume any liability to each other with respect to (a) the enforceability, validity, value or collectibility of any of the Senior Obligations, the Second Priority Debt Obligations or any guarantee or security which may have been granted to any of them in connection therewith, (b) any Grantor's title to or right to transfer any of the Shared Collateral or (c) any other matter except as expressly set forth in this Agreement.

SECTION 7.03. <u>Obligations Unconditional</u>. All rights, interests, agreements and obligations of the Senior Representatives, the Senior Secured Parties, the Second Priority Representatives and the Second Priority Debt Parties hereunder shall remain in full force and effect irrespective of:

(a) any lack of validity or enforceability of any Senior Debt Document or any Second Priority Debt Document;

- (b) any change in the time, manner or place of payment of, or in any other terms of, all or any of the Senior Obligations or Second Priority Debt Obligations, or any amendment or waiver or other modification, including any increase in the amount thereof, whether by course of conduct or otherwise, of the terms of the Credit Agreement or any other Senior Debt Document or of the terms of any Second Priority Debt Document;
- (c) any exchange of any security interest in any Shared Collateral or any other collateral or any amendment, waiver or other modification, whether in writing or by course of conduct or otherwise, of all or any of the Senior Obligations or Second Priority Debt Obligations or any guarantee thereof;
 - (d) the commencement of any Insolvency or Liquidation Proceeding in respect of any Borrower or any other Grantor; or
- (e) any other circumstances that otherwise might constitute a defense available to, or a discharge of, (i) any Borrower or any other Grantor in respect of the Senior Obligations (other than as set forth in <u>Section 5.06</u> hereof or other payments or performance) or (ii) any Second Priority Representative or Second Priority Debt Party in respect of this Agreement.

ARTICLE VIII

Miscellaneous

SECTION 8.01. Conflicts. In the event of any conflict between the provisions of this Agreement and the provisions of any Senior Debt Document or any Second Priority Debt Document, the provisions of this Agreement shall govern. Notwithstanding the foregoing, the relative rights and obligations of the Senior Secured Collateral Agent, the Senior Representatives and the Senior Secured Parties (as amongst themselves) with respect to any Senior Collateral shall be governed by the terms of the First Lien Intercreditor Agreement and in the event of any conflict between the First Lien Intercreditor Agreement and this Agreement with respect to such rights and obligations, the provisions of the First Lien Intercreditor Agreement shall control.

SECTION 8.02. <u>Continuing Nature of this Agreement; Severability.</u> Subject to <u>Section 6.04</u>, this Agreement shall continue to be effective until the Discharge of Senior Obligations shall_have occurred. This is a continuing agreement of Lien subordination, and the Senior Secured Parties may continue, at any time and without notice to the Second Priority Representatives or any Second Priority Debt Party, to extend credit and other financial accommodations and lend monies to or for the benefit of the Borrowers or any Subsidiary constituting Senior Obligations in reliance hereon. The terms of this Agreement shall survive and continue in full force and effect in any Insolvency or Liquidation Proceeding. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall not invalidate the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 8.03. <u>Amendments; Waivers</u>.

(a) No failure or delay on the part of any party hereto in exercising any right or power hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the parties hereto are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by any party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice or demand on any party hereto in any case shall entitle such party to any other or further notice or demand in similar or other circumstances.

- (b) This Agreement may be amended in writing signed by each Representative (in each case, acting in accordance with the documents governing the applicable Debt Facility) and the Grantors. Any such amendment, supplement or waiver shall be in writing and shall be binding upon the Senior Secured Parties and the Second Priority Debt Parties and their respective successors and assigns.
- (c) Notwithstanding the foregoing, without the consent of any Secured Party, any Representative may become a party hereto by execution and delivery of a Joinder Agreement in accordance with Section 8.09 of this Agreement and upon such execution and delivery, such Representative and the Secured Parties and Senior Obligations or Second Priority Debt Obligations of the Debt Facility for which such Representative is acting shall be subject to the terms hereof.

SECTION 8.04. <u>Information Concerning Financial Condition of the Company and the Subsidiaries</u>. The Senior Representatives, the Senior Secured Parties, the Second Priority_Representatives and the Second Priority Secured Parties shall each be responsible for keeping themselves informed of (a) the financial condition of the Borrowers and the Subsidiaries of Holdings and all endorsers or guarantors of the Senior Obligations or the Second Priority Debt Obligations and (b) all other circumstances bearing upon the risk of nonpayment of the Senior Obligations or the Second Priority Debt Obligations. The Senior Representatives, the Senior Secured Parties, the Second Priority Representatives and the Second Priority Secured Parties shall have no duty to advise any other party hereunder of information known to it or them regarding such condition or any such circumstances or otherwise. In the event that any Senior Representative, any Senior Secured Party, any Second Priority Representative or any Second Priority Debt Party, in its sole discretion, undertakes at any time or from time to time to provide any such information to any other party, it shall be under no obligation to (i) make, and the Senior Representatives, the Second Priority Representatives and the Second Priority Debt Parties shall not make or be deemed to have made, any express or implied representation or warranty, including with respect to the accuracy, completeness, truthfulness or validity of any such information so provided, (ii) provide any additional information or to provide any such information on any subsequent occasion, (iii) undertake any investigation or (iv) disclose any information that, pursuant to accepted or reasonable commercial finance practices, such party wishes to maintain confidential or is otherwise required to maintain confidential.

SECTION 8.05. <u>Subrogation</u>. Each Second Priority Representative, on behalf of itself and each Second Priority Debt Party under its Second Priority Debt Facility, hereby waives any rights of subrogation it may acquire as a result of any payment hereunder until the Discharge of Senior Obligations has occurred.

SECTION 8.06. <u>Application of Payments</u>. Except as otherwise provided herein, all payments received by the Senior Secured Parties may be applied, reversed and reapplied, in whole or in part, to such part of the Senior Obligations as the Senior Secured Parties, in their sole discretion, deem appropriate, in accordance with the terms of the Senior Debt Documents. Each Second Priority Representative, on behalf of itself and each Second Priority Debt Party under its Second Priority Debt Facility, assents to any such extension or postponement of the time of payment of the Senior Obligations or any part thereof and to any other indulgence with respect thereto, to any substitution, exchange or release of any security that may at any time secure any part of the Senior Obligations and to the addition or release of any other Person primarily or secondarily liable therefor.

SECTION 8.07. Additional Grantors. The Grantors agree that, if any Subsidiary shall become a Grantor after the date hereof, it will promptly cause such Subsidiary to become party hereto by executing and delivering an instrument substantially in the form of Annex II. Upon such execution and delivery, such Subsidiary will become a Grantor hereunder with the same force and effect as if originally named as a Grantor herein. The execution and delivery of such instrument shall not require the consent of any other party hereunder, and will be acknowledged by the Designated Second Priority Representative and the Designated Senior Representative. The rights and obligations of each Grantor hereunder shall remain in full force and effect notwithstanding the addition of any new Grantor as a party to this Agreement.

SECTION 8.08. Reserved.

SECTION 8.09. Additional Debt Facilities. To the extent, but only to the extent, permitted by the provisions of the Senior Debt Documents and the Second Priority Debt Documents, the Borrowers may incur or issue and sell (and the Guarantors may guarantee) one or more series or classes of Second Priority Debt pursuant to clause (b) of the definition hereof and one or more series or classes of Additional Senior Debt. Any such additional class or series of Second Priority Debt pursuant to clause (b) of the definition hereof (the "Second Priority Class Debt") may be secured by a second priority, subordinated Lien on Shared Collateral, in each case under and pursuant to the relevant Second Priority Collateral Documents for such Second Priority Class Debt, if and subject to the condition that the Representative of any such Second Priority Class Debt (each, a "Second Priority Class Debt Representative"), acting on behalf of the holders of such Second Priority Class Debt (such Representative and holders in respect of any Second Priority Class Debt being referred to as the "Second Priority Class Debt <u>Parties</u>"), becomes a party to this Agreement by satisfying conditions (i) through (iii), as applicable, of the immediately succeeding paragraph. The terms, conditions and limitations of each Grant under the Plan shall be set forth in a Grant Agreement, in a form approved by the Committee, consistent, however, with the terms of the Plan.

Grants

From time to time, the Committee will determine the forms and amounts of Grants for Participants. Such Grants may take the following forms in the Committee's sole discretion:

- (a) <u>Stock Options</u> These are options to purchase/subscribe for Common Stock ("<u>Stock Options</u>"). At the time of Grant of the Stock Options, the Committee shall determine, and shall include in the Grant Agreement, the option exercise period, the option exercise price, vesting requirements, and such other terms, conditions or restrictions on the grant or exercise of the option as the Committee deems appropriate including, without limitation, the right to receive dividend equivalent payments on options. Notwithstanding the foregoing, the exercise price per Share of a Stock Option shall in no event be less than the Fair Market Value on the date the Stock Option is granted (subject to later adjustment pursuant to Section 8 hereof). In addition to other restrictions contained in the Plan, a Stock Option granted under this Section 5(a) may not be exercised more than 10 years after the date it is granted. Payment of the Stock Option exercise price shall be made (i) in cash, (ii) with the consent of the Committee, in Shares (any such Shares valued at Fair Market Value on the date of exercise) that the Participant has held for such period of time as may be required by the Company's accountants, (iii) with the consent of the Committee, through the withholding of Shares (any such Shares valued at Fair Market Value on the date of exercise) otherwise issuable upon the exercise of the Stock Option in a manner that is compliant with applicable law, or (iv) with the consent of the Committee, a combination of the foregoing methods, in each such case in accordance with the terms of the Plan, the Grant Agreement and applicable law.
- Other Stock-Based Awards To the extent permitted by applicable law, the Committee may grant or sell awards of Shares, awards of restricted Shares and/or awards that are valued in whole or in part by reference to, or are otherwise based on the Fair Market Value of, Shares (including, without limitation, restricted stock units, stock appreciation rights, and dividend equivalent rights). At the time of Grant of the Stock Options, such "Other Stock-Based Awards" shall be in such form, and dependent on such conditions, as the Committee may determine, including, without limitation, the right to receive or vest with respect to, one or more Shares (or the equivalent cash value of such Shares) upon the completion of a specified period of service, the occurrence of an event and/or the attainment of performance objectives; (whether corporate or individual) whether such Other Stock-Based Awards shall be settled in cash, Shares or a combination of cash and Shares; and all other terms and conditions of such awards. Other Stock-Based Awards may be granted alone or in addition to any other Grants under the Plan.

6. Limitations and Conditions

- (a) The number of Shares available for Grants under this Plan is 17,907,000, subject to adjustment as provided for in Sections 8 and 9, unless restricted by applicable law. Shares related to Grants that are forfeited, terminated, canceled, expire unexercised, withheld to satisfy tax withholding obligations, or are repurchased by the Company shall immediately become available for new Grants.
- (b) Nothing contained herein shall affect the right of the Company or any other Service Recipient to terminate any Participant's employment or other service relationship at any time or for any or no reason.
- (c) Other than as specifically provided in the Management Stockholder's Agreement, no benefit under the Plan shall be subject in any manner to anticipation, alienation, sale, transfer, assignment, pledge, encumbrance, or charge, and any attempt to do so shall be void. No such benefit shall, prior to actual receipt thereof by the Participant, be in any manner liable for or subject to the debts, contracts, liabilities, engagements, or torts of the Participant.
- (d) Participants shall not be, and shall not have any of the rights or privileges of, stockholders of the Company in respect of any Shares purchasable in connection with any Grant unless and until (i) such Shares (in case of an issuance of new Shares) have been issued by the Company and (ii) such Participants and their ownership of such Shares have been entered into the register of issued and outstanding shares of the Company.
- (e) No election as to benefits or exercise of any Grant may be made during a Participant's lifetime by anyone other than the Participant except by a legal representative appointed for or by the Participant.

- (f) Absent express provisions to the contrary, any Grant under this Plan shall not be deemed compensation for purposes of computing benefits or contributions under any retirement or severance plan of the Company or other Service Recipient and shall not affect any benefits under any other benefit plan of any kind now or subsequently in effect under which the availability or amount of benefits is related to level of compensation. This Plan is not a "Retirement Plan" or "Welfare Plan" under the Employee Retirement Income Security Act of 1974, as amended.
- A Grant under this Plan does not form part of the Participant's entitlement (if any) to remuneration, payment or receipt of any other benefits pursuant to any Other Relevant Agreement he or she may have with the Company or a Service Recipient nor does the existence of any Other Relevant Agreement between any person and the Company or a Service Recipient give such person any right or entitlement to have any Grant under this Plan nor any expectation to such Grant. The rights and obligations of a Participant under the terms of his or her Other Relevant Agreement (if any) with the Company or a Service Recipient shall not be affected by any Grant hereunder. The rights granted to a Participant (who is also a party to any Other Relevant Agreement) upon a Grant hereunder shall not afford such Participant any rights or additional rights to compensation or damages in consequence of the loss or termination of his or her office or employment with or his or her provision of services to the Company or a Service Recipient for any reason whatsoever.
- (h) A Participant shall not be entitled to any compensation or damages for any loss or potential loss which he or she may suffer by reason of being or becoming unable to exercise an Option under the Plan in consequence of the loss or termination of his or her Other Relevant Agreement with the Company or a Service Recipient for any reason (including, without limitation, any breach of contract by the Participant).
- (i) Unless the Committee determines otherwise, no benefit or promise under the Plan shall be secured by any specific assets of the Company or any other Service Recipient, nor shall any assets of the Company or any other Service Recipient be designated as attributable or allocated to the satisfaction of the Company's obligations under the Plan.

7. <u>Transfers and Leaves of Absence</u>

For purposes of the Plan, unless the Committee determines otherwise: (a) a transfer of a Participant's employment without an intervening period of separation among the Company and any other Service Recipient shall not be deemed a termination of employment, and (b) a Participant who is granted in writing a leave of absence or who is entitled to a statutory leave of absence shall be deemed to have remained in the employ of the Company (and other Service Recipient) during such leave of absence.

8. Adjustments

In the event of any stock split, spin-off, share combination, reclassification, change of the legal form, recapitalization, liquidation, dissolution, reorganization, merger, payment of a dividend (other than a cash dividend paid as part of a regular dividend program) or other similar transaction or occurrence, the Committee shall (i) adjust the number and kind of shares subject to the Plan and available for or covered by Grants, (ii) adjust the share prices related to outstanding Grants, and/or (iii) take such other action (including, without limitation providing for payment of a cash amount to holders of outstanding Grants and adjusting performance targets), in each case in its sole discretion as it deems reasonably necessary to address, on an equitable basis and subject to prohibitions under applicable law, the effect of the applicable corporate event on the Plan and any outstanding Grants, taking into account the potential tax cons equences of any such adjustment or action under Section 409A of the Code. Any such adjustment made or action taken by the Committee in accordance with the preceding sentence shall be final and binding upon holders of Options and upon the Company.

9. <u>Change in Control</u>

In the event of a Change in Control, as provided in the applicable Grant Agreement or, if not provided in such Grant Agreement, as may otherwise be determined by the Committee in its sole discretion: (a) any outstanding Grants then held by Participants which are unexercisable or otherwise unvested or subject to lapse restrictions may automatically be deemed exercisable or otherwise vested or no longer subject to lapse restrictions, as the case may be, as of immediately prior to such Change in Control; and/or (b) the Committee may, to the extent determined by the Committee to be permitted under Section 409A of the Code, but shall not be obligated to: (i) cancel such awards for Fair Market Value which for these purposes shall equal the excess, if any, of (x) the value (as determined by the Committee in its sole discretion) of the consideration to be paid in the Change in Control transaction to holders of the same number of Shares subject to such Stock Options (or, if no consideration is paid in any such transaction, the Fair Market Value of the Shares subject to such Stock Options) over (v) the aggregate exercise price of such Stock Options or stock appreciation rights (and for the avoidance of doubt, any Stock Options or stock appreciation rights having an exercise price equal to or greater than the value of the consideration to be paid in the Change in Control may be cancelled without payment in respect thereof); (ii) provide for the issuance of substitute awards that will preserve in no less favorable a manner the otherwise applicable terms of any affected Grants previously granted hereunder, as determined by the Committee in its sole discretion; and/or (iii) provide that for a period of at least ten Business Days prior to the Change in Control, any Stock Options and stock appreciation rights shall be exercisable as to all Shares subject thereto (where, for the avoidance of doubt, a Participant shall have the ability to request that such Shares be withheld to satisfy the payment of the exercise price of such Stock Options and/or to satisfy any tax withholding obligations that the Participant may incur as a result of such exercise) and that upon the occurrence of the Change in Control, such Stock Options and stock appreciation rights shall terminate and be of no further force and effect. For the avoidance of doubt, the treatment of Grants hereunder shall not be required to be uniform among Participants or types of Grants outstanding hereunder.

10. Amendment and Termination

- (a) The Committee shall have the authority to make such amendments to any terms and conditions applicable to outstanding Grants as are consistent with this Plan, <u>provided</u> that no such action shall modify any Grant in a manner that is disadvantageous in more than a de minimis manner to a Participant with respect to any outstanding Grants, other than to correct any good faith typographical error or omission, without the Participant's consent, except as such modification is provided for or contemplated in the terms of the Grant or this Plan (including, without limitation, Sections 8, 9 and 10(c) hereof).
- (b) The Board may amend, suspend or terminate the Plan, <u>except</u> that no such action, other than an action under Section 8, 9 or 10(c) hereof, may be taken which would, without stockholder approval, increase the aggregate number of Shares available for Grants under the Plan, decrease the exercise price of outstanding Stock Options or stock appreciation rights, change the requirements relating to the Committee or extend the term of the Plan. However, no such action by the Board shall be materially disadvantageous to a Participant with respect to any outstanding Grants, without the Participant's consent, except as otherwise contemplated in the terms of the Grant or the Plan (including, without limitation, Sections 8, 9 and 10(c) hereof).

(c) This Plan is intended to comply with Section 409A of the Code and will be interpreted in a manner intended to comply with Section 409A of the Code. Notwithstanding anything herein to the contrary, (i) if at the time of the Participant's termination of employment with any Service Recipient the Participant is a "specified employee" as defined in Section 409A of the Code, and the deferral of the commencement of any payments or benefits otherwise payable hereunder as a result of such termination of service is necessary in order to prevent the imposition of any accelerated or additional tax under Section 409A of the Code, then the Company will defer the commencement of the payment of any such payments or benefits hereunder (without any reduction in such payments or benefits ultimately paid or provided to the Participant) until the date that is six months and one day following the Participant's termination of employment with all Service Recipients (or the earliest date as is permitted under Section 409A of the Code), if such payment or benefit is payable upon a termination of employment and (ii) if any other payments of money or other benefits due to the Participant hereunder would cause the application of an accelerated or additional tax under Section 409A of the Code, such payments or other benefits shall be deferred, if deferral will make such payment or other benefits compliant under Section 409A of the Code, or otherwise such payment or other benefits shall be restructured, to the extent possible, in a manner, reasonably determined by the Board in consultation with the Participant, that does not cause such an accelerated or additional tax or result in an additional cost to the Company (without any reduction in such payments or benefits ultimately paid or provided to the Participant). Any payment of any Award that is payable in installments shall be deemed a "separate payment" for purposes of Section 409A of the Code.

11. Governing Law; International Participants

- (a) This Plan shall be governed by and construed in accordance with the laws of the State of New York applicable therein.
- (b) With respect to Participants who reside or work outside the United States of America, the Committee may, in its sole discretion, amend the terms of the Plan or awards with respect to such Participants in order to conform such terms with the requirements of local law or to obtain more favorable tax or other treatment for a Participant, the Company or any other Service Recipient, including establish a sub-plan containing terms identical to those contained in this Plan document and any Grant Agreement.

12. Withholding Taxes

The Company shall have the right to deduct from any payment made under the Plan any federal, state or local income or other taxes required by law to be withheld with respect to such payment. It shall be a condition to the obligation of the Company to deliver Shares upon the exercise of a Stock Option that the Participant pays to the Company such amount as may be requested by the Company for the purpose of satisfying any liability for such withholding taxes.

13. <u>Effective Date and Termination Dates</u>

The Plan is effective as of March 13, 2014, in the form approved by the Board and Company stockholders and shall terminate ten years later, subject to earlier termination by the Board pursuant to Section 10, but the terms of Grants made on or before the expiration of the Plan shall extend beyond such expiration in accordance with their terms.

PERIOD OF EXERCISABILITY

Section 3.1. <u>Commencement of Exercisability</u>

- (a) So long as the Optionee continues to be employed by the Company or any of its Service Recipients through each applicable vesting date specified below, the Option shall become exercisable pursuant to the following schedules:
- (i) *Time Option*. The Time Option shall become vested and exercisable with respect to 20% of the Shares subject to such Option on each of the first five anniversaries of the Closing Date, respectively.
- (ii) *Performance Option.* As of each date that a Realization Event occurs, the Performance Option may become vested and exercisable with respect to a number of shares of Common Stock subject thereto, as follows:
 - (A) first, the Board shall determine whether the Sponsor has already achieved (or as a result of the given Realization Event does achieve), a Sponsor IRR that is equal to or greater than 20%; and if such Sponsor IRR threshold has been or is achieved, *then*
 - (B) the Board shall determine the Sponsor MOIC that has been achieved as of the given Realization Event, and upon such determination, the Performance Option shall become vested and exercisable as a result of the Realization Event as follows:
 - (1) if the Sponsor MOIC achieved in such Realization Event is less than 2x, then no portion of the Performance Option shall become vested and exercisable;
 - (2) upon the Realization Event that first results in the Sponsor MOIC being equal to 2x, the Performance Option shall become vested and exercisable as to 25% of the shares subject to the Performance Option; and
 - (3) upon such first (or any subsequent) Realization Event that results in the Sponsor Return being greater than 2x, then an additional percentage of the Performance Option above 25% shall become vested and exercisable (to the extent not previously vested and exercisable), up to 100% of the Performance Option upon the achievement of a Sponsor MOIC that equals or exceeds 5x, based on the following formula: (x) (the actual Sponsor MOIC achieved as of the given Realization Event, minus the Sponsor MOIC equal to 2), multiplied by (y) 25%. Please see Appendix A for an illustrative example of the foregoing calculation.

(b) Effect of Change in Control.

- (i) *Time Option*. Notwithstanding any of Section 3.1(a)(i) above, the Time Option shall become immediately vested and exercisable (to the extent not already vested and exercisable) as to 100% of the Shares subject to such Time Option and the Optionee is employed by the Company or any of its Service Recipients on the date of a Change in Control that occurs at a time when such Time Option is outstanding.
- (ii) *Performance Option*. Subject in all events to the requirements in Section 3.1(a)(ii)(A) above being met, but notwithstanding any of Section 3.1(a)(ii)(B) above, if a Realization Event that is a Change in Control occurs on or prior to December 31, 2016, and the Optionee is employed by the Company or any of its Service Recipients on the date of such Realization Event that occurs at a time when the Performance Option is outstanding, *then* the Performance Option shall become vested and exercisable up to the following percentage (to the extent the Performance Option has not already become vested and exercisable up to or in excess of the following percentage pursuant to the provisions of Section 3.1(a)(ii)(A) and (B) above):
 - (A) if the Sponsor MOIC achieved in such Realization Event is less than 2x, then no portion of the Performance Option shall become vested and exercisable;
 - (B) if the Sponsor MOIC achieved in such Realization Event is at least equal to 2x, the Performance Option shall become vested and exercisable as to 25% of the shares subject to the Performance Option; and
 - (C) if the Sponsor MOIC achieved in such Realization Event is greater than 2x, then an additional percentage of the Performance Option above 25% shall become vested and exercisable, up to 100% of the Performance Option upon the achievement of a Sponsor MOIC that equals or exceeds 4x, based on the following formula: (x) (the actual Sponsor MOIC achieved as of the given Realization Event, *minus* the Sponsor MOIC equal to 2), *multiplied by* (y) 37.5%. To the extent that the Performance Option does not become fully vested upon the occurrence of any Change in Control, any then unvested Performance Options will immediately expire as of the date thereof. *Please see Appendix A for an illustrative example of the foregoing calculation*.
 - (c) Treatment of Unvested Time Options on Death or Disability. Upon a termination of the Optionee's employment with the Company and all of its Service Recipients at any time by reason of the Optionee's death or Disability, that 20% portion of the Time Option that would have become exercisable on the next anniversary of the Closing Date following the date of such termination of employment, if the Optionee had remained employed with the Company or the applicable Service Recipient through such date, will become immediately vested and exercisable.

(d) Forfeit of Unvested Options on Termination of Employment. Except as otherwise provided in clause (c) above, no Option shall become exercisable as to any additional Shares following the termination of employment of the Optionee with the Company and all Service Recipients for any reason and any Option that is unexercisable as of the Optionee's termination of employment shall immediately expire without payment therefor.

Section 3.2. <u>Expiration of Option</u>

Except as otherwise provided in Section 4 or Section 5 of the Management Stockholder's Agreement, the Optionee may not exercise any vested and exercisable portion of the Time Option or of the Performance Option to any extent after the first to occur of the following events:

- (a) The tenth anniversary of the Grant Date;
- (b) The first anniversary of the date of the termination of the Optionee's employment with the Company and all Service Recipients, if the Optionee's employment is terminated by reason of death or Disability;
 - (c) Immediately upon the date of the termination of the Optionee's employment by the Company and all Service Recipients for Cause:
- (d) Thirty (30) days after the date of the termination by the Optionee's employment by the Company and all Service Recipients without Good Reason (except due to the Optionee's death or Disability);
- (e) One-hundred eighty (180) days after the date of an Optionee's termination of employment by the Company and all Service Recipients without Cause (except due to death or Disability) or by the Optionee for Good Reason;
 - (f) The date the Option is terminated pursuant to Section 4 or 5 of the Management Stockholder's Agreement; or
 - (g) Notwithstanding any of the foregoing, if the Committee so determines pursuant to Section 9 of the Plan.

ARTICLE IV

EXERCISE OF OPTION

Section 4.1. <u>Person Eligible to Exercise</u>

During the lifetime of the Optionee, only the Optionee (or his or her duly authorized legal representative) may exercise an Option or any portion thereof. After the death of the Optionee, any exercisable portion of an Option may, prior to the time when an Option becomes unexercisable under Section 3.2, be exercised by his personal representative or by any person empowered to do so under the Optionee's will or under the then applicable laws of descent and distribution.

Section 4.2. <u>Partial Exercise</u>

Any exercisable portion of an Option or the entire Option, if then wholly exercisable, may be exercised in whole or in part at any time prior to the time when the Option or portion thereof becomes unexercisable under Section 3.2; <u>provided</u>, <u>however</u>, that any partial exercise shall be for whole Shares only (and fractional Shares shall be cashed out by the Company).

Section 4.3. <u>Manner of Exercise</u>

Any exercisable Option or exercisable portion thereof, may be exercised solely by delivering to the Company at the address set out in $\underline{\mathbf{B}}$ all of the following prior to the time when the Option or such portion becomes unexercisable under Section 3.2:

- (a) Notice in writing signed by the Optionee or the other person then entitled to exercise the Option or portion thereof, stating that the Option or portion thereof is thereby exercised, such notice complying with all applicable rules established by the Committee;
- (b) Full payment (in cash or by wire transfer, or if the Optionee so elects, in the notice of exercise through the withholding of Shares (any such Shares valued at Fair Market Value on the date of exercise) otherwise issuable upon the exercise of the Option or portion thereof in a manner that is compliant with applicable law) or other form of payment if agreed by the Company of the Exercise Price for the Shares with respect to which such Option or portion thereof is exercised;
- (c) Full payment (in cash or by wire transfer, or, if vested Options are due to expire in any event described in 3.2(a), 3.2(b) or 3.2(e), if the Optionee so elects in the notice of exercise through the withholding of Shares (any such Shares valued at Fair Market Value on the date of exercise) otherwise issuable upon the exercise of the Option or portion thereof in a manner that is compliant with applicable law), or other form of payment if agreed by the Company, to satisfy the Optionee's minimum withholding tax obligation with respect to which such Option or portion thereof is exercised;
- (d) A bona fide written representation and agreement, in a form satisfactory to the Committee, signed by the Optionee or other person then entitled to exercise such Option or portion thereof, stating that the Shares are being acquired for his own account, for investment and without any present intention of distributing or reselling said shares or any of them except as may be permitted under (i) the Securities Act of 1933, as amended (the "Act"), and then applicable rules and regulations thereunder and (ii) the Management Stockholder's Agreement, and that the Optionee or other person then entitled to exercise such Option or portion thereof will indemnify the Company against and hold it free and harmless from any loss, damage, expense or liability resulting to the Company if any sale or distribution of the Shares by such person is contrary to the representation and agreement referred to above; provided, however, that the Committee may, in its reasonable discretion, take whatever additional actions it deems reasonably necessary to ensure the observance and performance of such representation and agreement and to effect compliance with the Act, if applicable and any other federal or state securities laws or regulations; and

(e) In the event the Option or portion thereof shall be exercised pursuant to Section 4.1 by any person or persons other than the Optionee, appropriate proof of the right of such person or persons to exercise the Option.

Without limiting the generality of the foregoing, the Committee may require an opinion of counsel acceptable to it, to the extent required under the Management Stockholder's Agreement, to the effect that any subsequent transfer of Shares acquired on exercise of an Option does not violate the Act or other applicable laws, and may issue stop-transfer orders covering such shares. Share certificates evidencing stock issued on exercise of this Option shall bear an appropriate legend referring to the provisions of subsection (d) above and the agreements herein. The written representation and agreement referred to in subsection (d) above shall, however, not be required if the Shares to be issued pursuant to such exercise have been registered under the Act and/or other applicable laws, and such registration is then effective in respect of such Shares.

Section 4.4. <u>Conditions to Issuance of Stock Certificates/Registration of Issuance of Shares</u>

The Shares deliverable upon the exercise of an Option, or any portion thereof, may be either non-issued and/or previously authorized but unissued Shares to the extent legally permitted or issued Shares, which have then been reacquired by the Company. Such Shares when issued shall be fully paid and nonassessable. The Company shall not be required to issue or deliver any certificate or certificates for Shares purchased and as the case may be subscribed for (if certificated, or if not certificated, register the issuance of such shares on its books and records) upon the exercise of an Option or portion thereof prior to fulfillment of all of the following conditions:

- (a) The obtaining of approval or other clearance from any state or federal governmental agency which the Committee shall, in its reasonable and good faith discretion, determine to be necessary or advisable;
- (b) The execution by the Optionee of the Management Stockholder's Agreement and the Sale Participation Agreement if the Optionee is not already a party to such agreements; and
- (c) The payment in full to the Company of the Exercise Price for the Shares for which the Option is exercised as provided in Section 4.3(b).

As soon as practicable after fulfillment of the conditions in this Section 4.4, the Company shall issue the Shares deliverable upon the exercise of the Option to the Optionee (either by delivery of a certificate for such Shares, or if not certificated by registering the issuance of such Shares on its books and records) and shall enter the Optionee's ownership of such Shares into the register of registered shares of the Company.

Section 4.5. Rights as Stockholder

The holder of an Option shall not be, nor have any of the rights or privileges of, a stockholder of the Company in respect of any Shares purchasable upon the exercise of the Option or any portion thereof unless and until such Shares shall have been issued by the Company to such holder (in case of issuance of new Shares) and/or the Shares have otherwise been recorded in the register of registered shares of the Company as owned by such holder (and then only to the extent such Shares are held directly by the holder).

Section 4.6. No Guarantee of Employment; No Entitlement to Future Option Grants

- (a) Nothing in this Grant Agreement or in the Plan shall confer upon the Optionee any right to continue in the employ or service relationship of the Company or any of its Service Recipients or shall interfere with or restrict in any way the rights of the Company and its Service Recipients, which are hereby expressly reserved, to terminate the employment of the Optionee at any time for any reason whatsoever, with or without cause, subject to the applicable provisions of, if any, of any Other Relevant Agreement that is an employment agreement with the Company or any Service Recipient.
- (b) The Option does not form a part of the Optionee's entitlement to remuneration, payment or receipt of any other benefits pursuant to any Other Relevant Agreement he or she may have with the Company or a Service Recipient or otherwise, nor does the existence of any Other Relevant Agreement between any person and the Company or a Service Recipient give such person any right or entitlement to receive any future Grant of Time Options or Performance Options nor any expectation to any such Grant. The rights and obligations of the Optionee under the terms of his or her Other Relevant Agreement (if any) with the Company or a Service Recipient shall not be affected by the grant or vesting of this Option.
- (c) The rights granted to the Optionee upon the grant of the Option hereunder shall not afford such Optionee any rights or additional rights to compensation or damages in consequence of the loss or termination of his or her office or employment with or his or her provision of services to the Company or a Service Recipient fo r any reason whatsoever.

Any notice or other communication hereunder shall be deemed duly given (i) upon electronic confirmation of facsimile, (ii) one Business Day following the date sent when sent by overnight delivery, and (iii) five (5) Business Days following the date mailed when mailed by registered or certified mail return receipt requested and postage prepaid, in each case as follows: Any notice to be given under the terms of this Grant Agreement to the Company shall be addressed to the Company in care of its Board, and any notice to be given to the Optionee shall be addressed to him at the address given beneath his signature hereto. By a notice given pursuant to this Section 5.3, either party may hereafter designate a different address for notices to be given to him. Any notice, which is required to be given to the Optionee, shall, if the Optionee is then deceased, be given to the Optionee's personal representative if such representative has previously informed the Company of his status and address by written notice under this Section 5.3.

Section 5.6. <u>Amendment</u>

Subject to Section 10 of the Plan, this Grant Agreement may be amended only by a writing executed by the parties hereto, which specifically states that it is amending this Grant Agreement.

Appendix 1

Illustrative Example of Performance Option Vesting Terms

Assuming the following facts, the Performance Option becomes vested as set forth below:

- 1) The Optionee is granted a Performance Option covering 20,000 shares of Common Stock on March 13, 2014. At all times below, the Optionee remains employed with the Company.
- 2) On March 1, 2015, the Company pays an extraordinary dividend to its shareholders that results in the Sponsor achieving a 20% Sponsor IRR and a Sponsor MOIC of 2x.
 - Ø A Sponsor MOIC of 2x results in immediate vesting of 25% of the Performance Option (i.e., the Performance Option becomes vested as to 5,000 shares of Common Stock).
- 3) On August 1, 2015, the Company effects an initial public offering of its Common Stock.
 - Ø No impact on vesting of Performance Option.
- 4) On December 1, 2015, the Sponsor sells a percentage of its shares of Common Stock through the public market, resulting, on a cumulative basis, in the Sponsor achieving a Sponsor MOIC of 2.5x.
 - Ø (Sponsor MOIC of 2.5 Sponsor MOIC of 2.0 = .5) x 25% = 12.5%
 - Ø The Performance Option becomes vested as to an additional 12.5%, such that, in total the Performance Option is now 37.5% vested (i.e., the Performance Option is now vested as to 7,500 shares of Common Stock, including the 5,000 shares previously vested upon the payment of the extraordinary dividend described in step 2).
- 5) On April 30, 2016, a Change in Control occurs, in which the Sponsor achieves a Sponsor MOIC of 3.5x.
 - Ø Due to this special set of circumstances, first we calculate the percentage of Performance Options that would have become vested if the maximum Sponsor MOIC needed to achieve 100% Performance Option vesting had always been 4x, and the Change in Control had been the first Realization Event to occur, as follows:
 - (a) A Sponsor MOIC of 2x would have resulted in immediate vesting of 25% of the Performance Option; and
 - (b) The Performance Option would have become vested in an additional percentage equal to 56.25% (i.e., (x) (Sponsor MOIC of 3.5 Sponsor MOIC of 2.0 = 1.5) x (y) 37.5% = 56.25%)
 - (c) The total percentage of Performance Options that would have become vested under these circumstances is (25% + 56.25%) = 81.25%
 - Ø Based on the foregoing, the additional percentage of Performance Options that become vested and exercisable upon the Change in Control is (81.25% 37.5%) = 43.75%. The Performance Option is now vested as to 16,250 shares of Common Stock, including the 7,500 shares previously vested upon the payment of the extraordinary dividend described in step 4.

MANAGEMENT STOCKHOLDER'S AGREEMENT

This Management Stockholder's Agreement (this "<u>Agreement</u>") is entered into as of March 13, 2014, between Nautilus Parent, Inc., a Delaware corporation (the "<u>Company</u>"), and the person identified as the signatory on the Omnibus Signature Page (the "<u>Management Stockholder</u>") (the Company and the Management Stockholder being hereinafter collectively referred to as the "<u>Parties</u>"). WHEREAS, this Agreement is one of several other agreements ("<u>Other Management Stockholders Agreements</u>") which concurrently with the execution hereof or in the future will be entered into between the Company and other persons who are or will be key employees of or key advisors (collectively, the "<u>Other Management Stockholders</u>") to the Company or one of the entities that shall become a subsidiary of the Company after the Merger (the "<u>Subsidiaries</u>").

NOW THEREFORE, to implement the foregoing and in consideration of the mutual agreements contained herein, the Parties agree as follows:

1. <u>Issuance of Purchased Stock and Rollover Stock</u>.

(a) Subject to the terms and conditions hereinafter set forth, the Management Stockholder hereby (i) subscribes for and shall purchase, as of the Closing Date, and the Company shall issue and deliver to the Management Stockholder as of the Closing Date, the number of shares of Purchased Stock, at a per share purchase price equal to the Base Price, each as shall be finally set forth on Schedule I hereto on the Closing Date and/or (ii) pursuant to the Contribution Agreement, shall acquire, and the Company shall issue and deliver to the Management Stockholder, as of the Closing Date, the number of shares of Rollover Stock as shall be finally set forth on Schedule II hereto on the Closing Date, which Schedule II shall be delivered to the Management Stockholder as soon as administratively practicable following the Closing Date.

(b) Subject to the terms and conditions hereinafter set forth and as set forth in the Option Rollover Agreement and the Pre-Merger Plans, as of the Closing Date, the Rollover Options shall be adjusted and granted as set forth in the Option Rollover Agreement and shall be subject to such terms and conditions as set forth therein and herein.

(d) The Company shall have no obligation to issue and sell any Investment Stock, or grant any Rollover Options to any Person who (i) is a resident or citizen of a state or other jurisdiction in which the issuance and sale of the Common Stock or the grant of Rollover Options to him or her would constitute a violation of the securities or "blue sky" laws of such jurisdiction, (ii) is not an employee or director of or senior advisor to the Company or its Subsidiaries as of the Closing Date or (iii) is not an "accredited investor" as defined in Rule 501(a) under the Act.

In the event the Company repurchases under this Section 4(a)(ii) and with respect to an Option the foregoing Option Excess Price is zero or a negative number, such Option shall be automatically terminated without any payment in respect thereof.
- (b) In the event the applicable Management Stockholder Entities intend to exercise their rights pursuant to Section 4(a), such Management Stockholder Entities shall send written notice to the Company, at any time during the Put Period, of their intention to sell shares of Stock in exchange for the payment referred to in Section 4(a) and shall indicate the number of shares of Stock to be sold and the number of Options (based on the number of Exercisable Option Shares) to be sold with payment in respect thereof (the "Redemption Notice"). The completion of the purchases shall take place at the principal office of the Company on no later than the twentieth (20th) Business Day (such date to be determined by the Company) after the giving of the Redemption Notice. The applicable Repurchase Price shall be paid by delivery to the applicable Management Stockholder Entities, at the option of the Company, of a certified bank check or checks in the appropriate amount payable to the order of each of the applicable Management Stockholder Entities (or by wire transfer of immediately available funds, if the Management Stockholder Entities provide to the Company wire transfer instructions) against delivery of certificates or other instruments representing the Stock so purchased and appropriate documents cancelling the Options so terminated, appropriately endorsed or executed by the applicable Management Stockholder Entities or any duly authorized representative of such Person.

(c) Notwithstanding anything in this Section 4 to the contrary, if there exists and is continuing a default or an event of default on the part of the Company or any Subsidiary of the Company under any loan, guarantee or other agreement under which the Company or any Subsidiary of the Company has borrowed money or if the repurchase referred to in Section 4(a) (or Section 5 below, as the case may be) would result in a default or an event of default on the part of the Company or any Affiliate of the Company under any such agreement or if a repurchase would reasonably be expected to be prohibited by the Delaware General Corporation Law ("DGCL") (or if the Company reincorporates in another state, the business corporation law of such state) or any federal or state securities laws or regulations (each such occurrence being an "Event"), the Company shall not be obligated to repurchase any of the Stock from the applicable Management Stockholder Entities to the extent it would cause any such default or would be so prohibited by the Event for cash but instead, with respect to such portion with respect to which cash settlement is prohibited, may satisfy its obligations with respect to the Management Stockholder Entities' exercise of their rights under Section 4(a) by delivering to the applicable Management Stockholder Entity a note with a principal amount equal to the amount payable under this Section 4 that was not paid in cash, having terms acceptable to the Company's (and its Affiliate's, as applicable) lenders and permitted under the Company's (and its Affiliate's, as applicable) debt instruments but which in any event (i) shall be mandatorily repayable promptly and to the extent that an Event no longer prohibits the payment of cash to the applicable Management Stockholder Entity pursuant to this Agreement; and (ii) shall bear interest at an annual rate equal to the effective rate of interest in respect of the Company's Senior Secured First Lien Credit Agreement (which the Company and/or one of its Subsidiaries will enter into on the Closing Date pursuant to the terms of the Merger Agreement) or a successor facility thereto. Notwithstanding the foregoing and subject to Section 4(d), if an Event exists and is continuing for one hundred and eighty (180) days after the date of the Redemption Notice, the Management Stockholder Entities shall be permitted by written notice to rescind any Redemption Notice with respect to that portion of the Stock and Options repurchased by the Company from the Management Stockholder Entities pursuant to this Section 4 with the note described in the foregoing sentence, and such repurchase shall be rescinded; provided that, upon such rescission, such note shall be immediately canceled without any action on the part of the Company or the Management Stockholder Entities, and notwithstanding anything herein or in such note to the contrary, the Company shall have no obligation to pay any amounts of principal or interest thereunder.

(d) Notwithstanding anything in this Agreement to the contrary, this Section 4 shall terminate and be of no further force or effect upon the later to occur of (i) the fifth anniversary of the Closing Date and (ii) a Change of Control, except that any payment obligation of the Company that has arisen prior to the expiration of this Section 4 shall remain in full force and effect until satisfied in accordance with the applicable provisions of this Section 4.

5. The Company's Option to Purchase Stock and Options of the Management Stockholder Upon Certain Events.

- (a) Termination for Cause by the Company and other Call Events.  - (A) With respect to any Investment Stock, the Company may purchase (or cause one or more of its Affiliates to purchase) all or any portion of the shares of such Investment Stock then held by the applicable Management Stockholder Entities at a per share purchase price equal to Fair Market Value on the Repurchase Calculation Date;
 - (B) With respect to any outstanding Rollover Options, the Company may purchase (or cause one or more of its Affiliates to purchase) all or any portion of such Rollover Options held by the applicable Management Stockholder Entities for an amount equal to the product of (x) the excess, if any, of the Fair Market Value on the Repurchase Calculation Date of a share of Rollover Option Stock underlying such Options over the Option Exercise Price and (y) the number of Exercisable Option Shares, which vested Options shall be terminated in exchange for such payment. In the event the Company elects to repurchase under this Section 5(a)(B) and, with respect to any Rollover Option, the foregoing Option Excess Price is zero or a negative number, such Rollover Option shall be automatically terminated without any payment in respect thereof.
 - (C) With respect to Stock other than Investment Stock, the Company may purchase (or cause one or more of its Affiliates to purchase) all or any portion of such shares of Stock then held by the applicable Management Stockholder Entities at a per share purchase price equal to the lesser of (I) the applicable price per share paid by such Management Stockholder Entities for such Stock and (II) the Fair Market Value on the Repurchase Calculation Date; and

- (A) With respect to any shares of Stock, the Company may purchase (or cause one or more of its Affiliates to purchase) all or any portion of the shares of such Stock then held by the applicable Management Stockholder Entities at a per share purchase price equal to Fair Market Value on the Repurchase Calculation Date;
- (B) With respect to any outstanding, exercisable and vested Options, the Company may purchase (or cause one or more of its Affiliates to purchase) all or any portion of such exercisable and vested Options held by the applicable Management Stockholder Entities for an amount equal to the product of (x) the excess, if any, of the Fair Market Value on the Repurchase Calculation Date of a share of Option Stock underlying such Options over the Option Exercise Price and (y) the number of Exercisable Option Shares, which vested Options shall be terminated in exchange for such payment. In the event the Company elects to repurchase under this Section 5(b)(B) and with respect to an Option the foregoing Option Excess Price is zero or a negative number, such Option shall be automatically terminated without any payment in respect thereof; and
- (C) With respect to unvested New Options, all outstanding and unvested New Options shall automatically be terminated without any payment in respect thereof.
- (c) *Termination Without Good Reason by the Management Stockholder (other than due to death or Disability)*. If the Management Stockholder's employment with the Company (or any of its Subsidiaries or Affiliates) is terminated by the Management Stockholder without Good Reason (other than due to his or her death or Disability) (a "Section 5(c) Call Event"), then:
 - (A) With respect to Investment Stock, the Company may purchase (or cause one or more of its Affiliates to purchase) all or any portion of the shares of such Stock then held by the applicable Management Stockholder Entities at a per share purchase price equal to Fair Market Value on the Repurchase Calculation Date;
 - (B) With respect to any outstanding Rollover Options, the Company may purchase (or cause one or more of its Affiliates to purchase) all or any portion of the Rollover Options then held by the applicable Management Stockholder Entities for an amount equal to the product of (x) the excess, if any, of the Fair Market Value on the Repurchase Calculation Date of a share of Rollover Option Stock underlying such Options over the Option Exercise Price and (y) the number of Exercisable Option Shares, which vested Options shall be terminated in exchange for such payment. In the event the Company elects to repurchase under this Section 5(c)(B), and with respect to any Rollover Option, the foregoing Option Excess Price is zero or a negative number, such Option shall be automatically terminated without any payment in respect thereof; and

- (C) Prior to the third anniversary of the Closing Date,
- (1) with respect to Stock other than Investment Stock, the Company may purchase (or cause one or more of its Affiliates to purchase) all or any portion of the shares of such Stock then held by the applicable Management Stockholder Entities at a per share purchase price equal to the lesser of (I) the applicable price per share paid by such Management Stockholder Entities for such Stock and (II) the Fair Market Value on the Repurchase Calculation Date; and
- (2) with respect to any outstanding, exercisable and vested New Options, the Company may, at its sole election, terminate such New Options without any payment in respect thereof;
 - (D) On and after the third anniversary of the Closing Date,
- (1) with respect to Stock other than Investment Stock, the Company may purchase (or cause one or more of its Affiliates to purchase) all or any portion of the shares of such Stock then held by the applicable Management Stockholder Entities at a per share purchase price equal to Fair Market Value on the Repurchase Calculation Date;
- (2) with respect to any outstanding, exercisable and vested New Options, the Company may purchase (or cause one or more of its Affiliates to purchase) all or any portion of such vested New Options held by the applicable Management Stockholder Entities for an amount equal to the product of (x) the excess, if any, of the Fair Market Value on the Repurchase Calculation Date of a share of Option Stock underlying such Options over the Option Exercise Price and (y) the number of Exercisable Option Shares, which vested Options shall be terminated in exchange for such payment. In the event the Company elects to repurchase under this Section 5(c)(D)(2) and with respect to an Option the foregoing Option Excess Price is zero or a negative number, such Option shall be automatically terminated without any payment in respect thereof: and
 - (E) All outstanding and unvested New Options shall automatically be terminated without any payment in respect thereof.

Notwithstanding the foregoing, if an Event exists and is continuing for 180 days from the date of the Call Event, the proposed repurchase of that portion of the Stock to be repurchased by the Company from the Management Stockholder Entities pursuant to this Section 5 with the note described in the foregoing sentence shall immediately and automatically terminate and the Company shall have no further rights or obligations under this Section 5.
- (f) Expiration of this Section 5. Notwithstanding anything in this Agreement to the contrary, this Section 5 shall terminate and be of no further force or effect upon the occurrence of the earlier of (i) the fifth anniversary of the Closing Date and (ii) a Change of Control, except that any payment obligation of the Company that has arisen prior to the expiration of this Section 5 shall remain in full force and effect until satisfied in accordance with the applicable provisions of this Section 5.

All Stock purchased or otherwise held by the applicable Management Stockholder Entities pursuant to this Agreement shall be deemed to be "Registrable Securities" as defined in the Registration Rights Agreement. Effective after the occurrence of an Initial Public Offering, if any of the Investors are selling stock in a circumstance in which the Management Stockholder would not have Piggyback Rights, the restrictions on transfer contained in Section 3(a) shall be waived with respect to the number of shares of Common Stock that would have been subject to such Piggyback Rights if such sale by the Investors had resulted in the Management Stockholder having Piggyback Rights.

(b) In the event of a sale of Common Stock by Parent or any of the Investors in accordance with the terms of the Registration Rights Agreement, the Company will promptly notify the Management Stockholder Entities in writing (a "Piggyback Notice") of any proposed registration (a "Proposed Registration"), which Piggyback Notice shall include: the principal terms and conditions of the proposed registration, including (i) the number of the shares of Common Stock to be sold, (ii) the fraction expressed as a percentage, determined by dividing the number of shares of Common Stock to be sold by the holders of Registrable Securities by the total number of shares held by the holders of Registrable Securities selling the shares of Common Stock, (iii) the proposed per share purchase price (or an estimate thereof), and (iv) the proposed date of sale. (c) The maximum number of shares of Stock which will be registered pursuant to a Request will be the lower of (i) the number of shares of Stock then held by the Management Stockholder Entities, including all shares of Stock which the Management Stockholder Entities are then entitled to acquire under an unexercised Option to the extent then exercisable, multiplied by a fraction, the numerator of which is the aggregate number of shares of Stock being sold by holders of Registrable Securities and the denominator of which is the aggregate number of shares of Stock owned by all holders of Registrable Securities and (ii) the maximum number of shares of Stock which the Company can register in connection with such Request in the Proposed Registration without adverse effect on the offering in the view of the managing underwriters (reduced pro rata as more fully described in Section 8(d) below).

(d) If a Proposed Registration involves an underwritten offering and the managing underwriter advises the Company in writing that, in its opinion, the number of shares of Common Stock requested to be included in the Proposed Registration exceeds the number which can be sold in such offering, so as to be likely to have an adverse effect on the price, timing or distribution of the shares of Common Stock offered in such Public Offering as contemplated by the Company, then, unless the managing underwriter advises that marketing factors require a different allocation, the Company will include in the Proposed Registration (i) first, 100% of the shares of Common Stock the Company proposes to sell and (ii) second, to the extent of the number of shares of Common Stock requested to be included in such registration which, in the opinion of such managing underwriter, can be sold without having the adverse effect referred to above, the number of shares of Common Stock which the selling holders of Registrable Securities, the Management Stockholder Entities and all Other Management Stockholders and any other Persons who are entitled to piggyback or incidental registration rights in respect of Common Stock (together, the "Holders") have requested to be included in the Proposed Registration, such amount to be allocated pro rata among all requesting Holders on the basis of the relative number of shares of Common Stock then held by each such Holder (including upon exercise of all exercisable Options) (provided that any shares thereby allocated to any such Holder that exceed such Holder's request will be reallocated among the remaining requesting Holders in like manner).

(e) Upon delivering a Request a Management Stockholder having Piggyback Rights pursuant to clause (b) of this Section 8 will, if requested by the Company, execute and deliver a custody agreement and power of attorney having customary terms and in form and substance reasonably satisfactory to the Company with respect to the shares of Stock to be registered pursuant to this Section 8 (a "<u>Custody Agreement and Power of Attorney</u>"). The Custody Agreement and Power of Attorney will provide, among other things, that the Management Stockholder will deliver to and deposit in custody with the custodian and attorney-in-fact named therein a certificate or certificates (to the extent applicable) representing such shares of Stock (duly endorsed in blank by the registered owner or owners thereof or accompanied by duly executed stock powers in blank) and irrevocably appoint said custodian and attorney-in-fact as the Management Stockholder's agent and attorney-in-fact with full power and authority to act under the Custody Agreement and Power of Attorney on the Management Stockholder's behalf with respect to the matters specified therein.

- (f) The Management Stockholder agrees that he or she will execute such other reasonable customary agreements as the Company may reasonably request to further evidence the provisions of this Section 8, including reasonable and customary lock-up agreements; provided that the other holders who are members of management and are selling securities pursuant to such registration are subject to similar agreements.
- (g) Notwithstanding Section 11(k) of the Registration Rights Agreement, this Section 8 will terminate on the earlier of (i) the occurrence of a Change of Control and (ii) with respect to each Management Stockholder, on the date on which such Management Stockholder ceases to own any Registrable Securities.
- (h) If the Board shall have elected to effect the Transfer Restriction Waiver in lieu of Piggyback Rights in accordance with Section 8(a), the Company will notify the Management Stockholder on or promptly following the completion of the Public Offering giving rise to the Transfer Restriction Waiver, which notice shall include: (i) the number of shares of Common Stock sold by Parent and the Investors in such Public Offering and (ii) the number of shares of Stock to which the waiver of transfer restrictions shall apply. For the avoidance of doubt, the provisions in Section 5 of the Registration Rights Agreement will apply to such shares of Stock notwithstanding the Transfer Restriction Waiver.
- 9. Rights to Negotiate Repurchase Price. Nothing in this Agreement shall be deemed to restrict or prohibit the Company from otherwise purchasing, redeeming, or otherwise acquiring for value shares of Stock or Options from the Management Stockholder, at any time, upon such terms and conditions, and for such price, as may be mutually agreed upon in writing between the Parties, whether or not at the time of such purchase, redemption, or acquisition circumstances exist which specifically grant the Company the right to purchase, or the Management Stockholder the right to sell, shares of Stock or any Options under the terms of this Agreement; provided that no such purchase, redemption, or acquisition shall be consummated, and no agreement with respect to any such purchase, redemption, or acquisition shall be entered into, without the prior approval of the Board.

Because the Management Stockholder's services are unique and because the Management Stockholder has had access to Confidential Information, the parties hereto agree that money damages will be an inadequate remedy for any breach of this Agreement. In the event of a breach or threatened breach of this Agreement, the Company or its successors or assigns may, in addition to other rights and remedies existing in their favor, apply to any court of competent jurisdiction for specific performance and/or injunctive relief in order to enforce, or prevent any violations of, the provisions hereof (without the posting of a bond or other security).

24. <u>Counterparts</u>. This Agreement may be executed in counterparts, and by different parties on separate counterparts, each of which shall be deemed an original, but all such counterparts shall together constitute one and the same instrument.

OPTION ROLLOVER AGREEMENT

OPTION ROLLOVER AGREEMENT (this "Agreement"), dated as of March 7, 2014 (the "Management Stockholder") is between Nautilus Parent, Inc., a Delaware corporation (the "Company"), and the Management Stockholder.

WHEREAS, pursuant to an Agreement and Plan of Merger, dated as of February 6, 2014 (the "Merger Agreement"), among Vision Holding Corp., a Delaware corporation ("VHC"), Nautilus Acquisition Holdings, Inc., a Delaware corporation and wholly owned subsidiary of the Company ("Buyer") and Nautilus Merger Sub, Inc., a Delaware corporation and wholly owned subsidiary of Buyer ("Merger Sub"), on March 13, 2014 (the "Closing Date"), Merger Sub will be merged with and into VHC with VHC as the surviving corporation and a wholly-owned indirect subsidiary of the Company (the "Merger");

WHEREAS, the Company will, at the consummation of the Merger, own, through a wholly-owned subsidiary, 100% of the equity interest of VHC, and immediately following the Merger, VHC will merge with and into National Vision, Inc., with National Vision, Inc. as the surviving corporation after such merger;

WHEREAS, the Management Stockholder holds certain time and performance- vesting options to purchase of common stock of VHC, par value \$0.01 per share ("VHC Stock"), which shall, to the extent not otherwise vested, become fully vested on the consummation of the Merger, to the extent provided under one or more of the Vision Holding Corp. 2005 Stock Incentive Plan and the Vision Holding Corp. 2013 Equity Incentive Plan and the applicable VHC Option grant agreement(s) (collectively, the "VHC Plans", and such vested options, the "VHC Options");

WHEREAS, the VHC Plans permit the VHC Options to be substituted for new options to purchase common stock in connection with transactions such as the Merger;

WHEREAS, in connection with the Merger, the Company has selected the Management Stockholder as a person eligible to make an investment in shares of common stock of the Company, par value \$0.01 per share ("Common Stock") through, among other methods, the exchange of all or a portion of his or her VHC Options as the Management Stockholder shall elect (the Management Stockholder's "Existing Options"), for fully-exercisable options to purchase shares of Common Stock, effective immediately upon the closing of the Merger (the "Rollover Options"), subject to such changes in the terms of such VHC Options as they currently exist under the VHC Plans and related stock option agreements, and any stockholder agreements applicable to any Existing Options or VHC Stock that could, prior to the Effective Time, be acquired upon exercise of the Existing Options, as applicable (collectively, the "Existing Plan Terms") as agreed between the Company and the Management Stockholder, and as otherwise adjusted, in each case pursuant to this Agreement.

NOW THEREFORE, in consideration of the foregoing, and the covenants and promises and representations set forth herein, and for other good and valuable consideration the receipt and sufficiency of which is hereby acknowledged and accepted, the parties hereto agree, subject to the Company's acceptance of the Management Stockholder's execution of this Agreement, to the following:

1

1. Rollover. The Management Stockholder hereby agrees to exchange a number of VHC Options (or portions thereof), as finally
determined under the Rollover Election Form to be provided to the Management Stockholder by the Company, for Rollover Options, and the Company hereby
agrees to grant such resulting Rollover Options, with such exchange to be effected as of the Closing Date. As a condition to such exchange, the Management
Stockholder hereby agrees to execute, effective as of the Closing Date, the Management Stockholder's Agreement, in the form attached as Exhibit A hereto, and
the Company agrees to countersign such agreement. In connection with the foregoing, the Management Stockholder will be eligible to be considered to receive
grant of nonqualified options to purchase shares of Common Stock pursuant a Stock Option Agreement in the form attached as Exhibit B hereto made under the
2014 Stock Incentive Plan for Key Employees of Nautilus Parent, Inc. and its Subsidiaries in the form attached as Exhibit C hereto (the
" <u>2014 Plan</u> ").

- 2. <u>Rollover Option Terms</u>. The Management Stockholder shall hold the Rollover Options pursuant to the Existing Plan Terms, subject to the following adjustments and amendments thereto, to be effective immediately upon the closing of the Merger (the "<u>Effective Time</u>"):
- (a) (i) The exercise price per share of the Common Stock underlying his or her Rollover Options will be reduced to the lowest possible per share price that can be effected pursuant to applicable tax rules and (ii) the Rollover Options will, immediately following the Effective Time, have an "aggregate spread value" equal to the Option Rollover Amount that the Management Stockholder has indicated on the Investment and Rollover Election Form previously provided by the Company to the Management Stockholder, which form the Management Stockholder has completed and returned in accordance with the procedures required by the Company. For purposes of this Agreement, the term "aggregate spread value" means the product of (x) the total number of shares of Common Stock subject to the Rollover Options and (y) the excess of \$5.00, minus the exercise price per share of the Rollover Options, in each case as in effect immediately prior to the Closing Date. The Company shall provide the actual number of shares subject to the Rollover Options, and the exercise price per share of the Rollover Options, promptly following the Closing Date upon its return of the fully executed Omnibus Signature Page to the Management Stockholder on a Schedule I to this Agreement.
- (b) The Rollover Options and any shares of Common Stock acquired pursuant to exercise thereof shall be subject to the terms of the Management Stockholder's Agreement and/or the Sale Participation Agreement in the form attached as Exhibit D hereto, as applicable, and any terms contained in either the Management Stockholder's Agreement or the Sale Participation Agreement, as applicable, that conflict with any Existing Plan Terms shall be superseded by the Management Stockholder's Agreement or the Sale Participation Agreement, as applicable; execept any covenants not to engage in competitive activities (including nonsolicitation and nondisclosure of confidential information) contained in any Existing Plan Terms shall remain in full force and effect, and any such similar covenants contained in Section 23 of the Management Stockholder's Agreement shall be in addition to, and shall not supersede or replace, such Existing Plan Terms.
- (c) Promptly following the Closing Date, the Company shall provide the Management Stockholder with amended and restated forms of the applicable Existing VHC Plans to reflect the provisions of this Agreement. Notwithstanding anything contained in the Existing VHC Plans, the Rollover Options shall be subject to the provisions of Section 8 and 9 of the 2014 Plan (inclusive of any defined terms contained therein), which are hereby incorporated by reference and made a part of the terms of the Rollover Options, and any similar provisions contained in the Existing Plan Terms are hereby superseded by, and replaced in their entirety with, such provisions.

- 3. <u>Management Stockholder Representations.</u>
- (a) The Management Stockholder hereby represents and warrants to the Company that the Management Stockholder is the sole (or joint with his or her spouse) record and beneficial owner of the Existing Options to be substituted with the Rollover Options and that the Management Stockholder has not sold, transferred, conveyed, pledged or hypothecated any interest in such Existing Options, and the Management Stockholder agrees not to take any action that would cause the foregoing representations and warranties not to be true as of the effective time of the Merger.
 - (b) The Management Stockholder further acknowledges and agrees that from and after the Effective Time:
 - (i) pursuant to the terms of the Existing VHC Plans, any VHC Options (or portion thereof), to the extent not vested as a result of the Merger, will immediately expire upon the Closing Date, and pursuant to the terms of the Merger Agreement, any VHC Options not otherwise to be exchanged for Rollover Options hereunder will be cancelled immediately prior to the Effective Time and will thereafter represent only the right to receive a cash payment as provided under the terms of the Merger Agreement, less any applicable withholding taxes, and will no longer be exercisable for any securities of VHC, the Company or any of their respective affiliates, subsidiaries, successors or assigns, all in accordance with the terms of the Merger Agreement; and
 - (ii) all of the Management Stockholder's rights and claims in respect of the Management Stockholder's Existing Options (or portions thereof) that are (and solely to the extent) permitted pursuant to this Agreement to become Rollover Options, as of the Effective Time, shall be limited to the terms and conditions of the agreements or instruments evidencing such Existing Options as in effect immediately prior to the Merger and under the Existing Plan Terms, as amended by this Agreement (including the terms and conditions of the Management Stockholder's Agreement, Sale Participation Agreement and Sections 8 and 9 of the 2014 Plan).
- 4. <u>Conflicts</u>. In the event of any conflict between the Existing Plan Terms and the terms of this Agreement, the Management Stockholder's Agreement and the Sale Participation Agreement, respectively, the terms of this Agreement, the Management Stockholder's Agreement and the Sale Participation Agreement, respectively, shall control.
- 5. <u>Termination</u>. This Agreement shall terminate automatically without any action on the part of the parties hereto on the termination of the Merger Agreement in accordance with the terms thereof.

6. <u>Effect of Termination</u>. If this Agreement is terminated pursuant to Section 5, this Agreement shall forthwith become null and void and there shall be no liability or obligation on the part of the Company or the Management Stockholder or their respective Affiliates. Notwithstanding the foregoing, (i) nothing in this Section 6 shall relieve any party to this Agreement of liability for its willful and material breach of this Agreement and (ii) the provisions in Sections 9, 10, and 11 will survive the termination hereof. For purposes of this Agreement, "willful and material breach" means a breach that is a consequence of an act undertaken by the breaching party with knowledge (actual or constructive) that the taking of such act would, or would reasonably be expected to, cause a breach of this Agreement.

7. <u>Amendments and Waivers.</u>

- (a) Any provision of this Agreement may be amended or waived if, but only if, such amendment or waiver is in writing and is signed, in the case of an amendment, by each party to this Agreement, or in the case of a waiver, by the party against whom the waiver is to be effective.
- (b) No failure or delay by any party in exercising any right, power or privilege hereunder shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies herein provided shall be cumulative and not exclusive of any rights or remedies provided by law.
- 8. <u>Successors and Assigns</u>. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns, provided that no party may assign, delegate or otherwise transfer any of its rights or obligations under this Agreement without the consent of the other party.
- 9. <u>Governing Law</u>. This Agreement, the legal relations between the parties and the adjudication and the enforcement thereof, shall be governed by and interpreted and construed in accordance with the laws of the State of New York applicable to agreements made and to be performed entirely within the State of New York, without regard to the conflict of law provisions thereof that could result in the application of the laws of any other jurisdiction.
- 10. <u>Jurisdiction</u>. Each party irrevocably submits to the jurisdiction of the Supreme Court of the State of New York, County of New York, and the United States District Court for the Southern District of New York (and appellate courts thereof), for the purposes of any suit, action or other proceeding arising out of this Agreement or the transactions contemplated hereby. Each party further agrees that service of any process, summons, notice or document by U.S. registered mail to such party's respective address set forth above shall be effective service of process for any action, suit or proceeding in New York with respect to any matters to which it has submitted to jurisdiction in this Section 10. Each party irrevocably and unconditionally waives any objection to the laying of venue of any action, suit or proceeding arising out of this Agreement or the transactions contemplated hereby in the Supreme Court of the State of New York, County of New York, or the United States District Court for the Southern District of New York (and appellate courts thereof), and hereby and thereby further irrevocably and unconditionally waives and agrees not to plead or claim in any such court that any such action, suit or proceeding brought in any such court has been brought in an inconvenient forum.

- 11. Waiver Of Jury Trial. EACH PARTY ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY WHICH MAY ARISE UNDER THIS AGREEMENT IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES, AND THEREFORE SUCH PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT SUCH PARTY MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY ACTION, SUIT OR PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT, OR THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT. EACH PARTY CERTIFIES AND ACKNOWLEDGES THAT (i) NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF SUCH ACTION, SUIT OR PROCEEDING, SEEK TO ENFORCE THE FOREGOING WAIVER, (ii) SUCH PARTY UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF THIS WAIVER, (iii) SUCH PARTY MAKES THIS WAIVER VOLUNTARILY, AND (iv) SUCH PARTY HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 11.
- 12. <u>Notices</u>. Unless otherwise provided herein, all notices and other communications hereunder shall be in writing and shall be deemed given and received (a) if delivered in person, on the date delivered, (b) if transmitted by facsimile (provided receipt is confirmed by telephone), on the date sent or (c) if delivered by an express courier, on the second business day after mailing, to the parties at the following addresses (or at such other address for a party as shall be specified by like notice):

SALE PARTICIPATION AGREEMENT

KKR Vision Aggregator L.P. 9 West 57th Street, 42nd Floor New York, NY 10019

March 13, 2014

To:

Dear

You have entered into a Management Stockholder's Agreement, dated as of the date hereof, between Nautilus Parent, Inc., a Delaware corporation (the "<u>Company</u>"), and you (the "<u>Stockholder's Agreement</u>") relating to (i) the exchange of all or a portion of your shares of common stock of Vision Holding Corp., a Delaware corporation ("<u>VHC</u>"), held by you immediately prior to the effective time of the Merger for Common Stock of the Company pursuant to the Contribution Agreement to be entered into between you and the Company prior to the date hereof, (ii) the exchange of all or a portion of your options to purchase shares of common stock of VHC outstanding immediately prior to the effective time of the Merger for fully-exercisable options to purchase shares of Common Stock after the Merger (the "<u>Rollover Options</u>"), (ii) the purchase/subscription by you of Purchased Stock; and/or (iii) the grant by the Company to you of options (the "<u>New Options</u>", and together with the Rollover Options, the "<u>Options</u>") to purchase/subscribe for Common Stock. Capitalized terms used but not defined herein shall have the meaning ascribed to such terms in the Stockholder's Agreement. KKR Vision Aggregator L.P., a Delaware limited partnership ("<u>Investor Holdings</u>"), which is the parent entity of the Company, hereby agrees with you as follows pursuant to the terms of this Sale Participation Agreement (this "<u>Agreement</u>"), effective as of the Effective Date:

1. (a) In the event that at any time on or after the Effective Date, Investor Holdings or any of its Affiliates proposes to sell directly for cash or any other consideration any Common Stock owned by Investor Holdings or any such Affiliate, in any transaction other than (x) a Public Offering or (y) a sale, directly or indirectly, to an Affiliate of Investor Holdings, then, unless Investor Holdings is entitled to and does exercise the drag-along rights pursuant to Section 8 below and the Drag Transaction is consummated, Investor Holdings will notify the applicable Management Stockholder Entities in writing (a "Notice") of such proposed sale (a "Proposed Sale") specifying the principal terms and conditions of the Proposed Sale, including (i) the number of shares of Common Stock to be included in the Proposed Sale, (ii) the percentage of the outstanding Common Stock at the time the Notice is given that is represented by the number of shares of Common Stock to be included in the Proposed Sale, (iii) the price per share of Common Stock subject to the Proposed Sale, including a description of any pricing formulae and of any non-cash consideration sufficiently detailed to permit valuation thereof, (iv) the Tag Along Sale Percentage (as defined below), (v) the name and address of the Person or Persons to whom the offered Common Stock is proposed to be sold, and (vi) if known, the date of the Proposed Sale.

(b) If, within ten (10) Business Days after the delivery of Notice under Section 1(a) (the "Exercise Period"), Investor Holdings receives from a Management Stockholder Entitya written request (a "Request") to include an amount of Common Stock held by such Person in the Proposed Sale (which Request shall be irrevocable except (i) as set forth in paragraphs (c) and (d) of this Section 1 below or (ii) if otherwise mutually agreed to in writing by the Management Stockholder Entity and Investor Holdings), then the Common Stock held by the Management Stockholder Entities, including shares of Common Stock which the Management Stockholder Entities are then entitled to acquire under any unexercised portion of Options, to the extent such Option is then exercisable or would become exercisable as a result of the consummation of the Proposed Sale (not in any event to exceed the Tag Along Sale Percentage multiplied by the aggregate number of shares of Common Stock held by the Management Stockholder Entities plus all shares of Common Stock which the Management Stockholder Entities are then entitled to acquire under any unexercised portion of Options, to the extent such Option is then exercisable or would become exercisable as a result of the consummation of the Proposed Sale) will be so included as provided herein; provided that only one Request, which shall be executed by the Management Stockholder Entities may be delivered with respect to any Proposed Sale. Promptly after the execution of the sale agreement entered into in connection with the Proposed Sale (the "Sale Agreement"), Investor Holdings will furnish the Management Stockholder Entities with a copy of such Sale Agreement, if any. For purposes of this Agreement, the "Tag Along Sale Percentage" shall mean the fraction, expressed as a percentage, determined by dividing the number of shares of Common Stock to be purchased from Investor Holdings and any of its Affiliates in the Proposed Sale by the total number of shares of Common Stock owned directly or indirectly by Investor Holdings and all of its Affiliates. In any Request, a Management Stockholder Entity shall be entitled to elect whether the Common Stock to be sold by such Person in the Proposed Sale shall consist of (x) Investment Stock owned by such Person and/or (y) shares of Common Stock which the Management Stockholder Entities are then entitled to acquire under any unexercised portion of Options, to the extent such Option is then exercisable or would become exercisable as a result of the consummation of the Proposed Sale, the amounts of securities referenced in each of (x) or (y) to be included in the Proposed Sale, and any preference to be given to securities referenced in either of (x) or (y) as compared to the other in any Proposed Sale. Subject to the other limitations set forth in this Agreement, Investor Holdings agrees to be bound by, and effectuate, any election made in accordance with the immediately preceding sentence to the extent reasonably practical and not otherwise detrimental to the Proposed Sale.

(c) Notwithstanding anything to the contrary contained in this Agreement, if any of the economic terms of the Proposed Sale change in a manner that is materially less favorable to the selling Management Stockholder Entities than those described in the Notice, including without limitation if the per share price will be less than the per share price disclosed in the Notice, Investor Holdings will provide written notice thereof to each Management Stockholder Entity who has made a Request and each such Person will then be given an opportunity to withdraw the offer contained in such holder's Request (by providing prompt (and in any event within five (5) Business Days or, if the proposed closing with respect to the Proposed Sale is to occur within five (5) Business Days or less, no later than three (3) Business Days prior to such closing) written notice of such withdrawal to Investor Holdings), whereupon such withdrawing Person will be released from all obligations thereunder.

(d) If Investor Holdings does not complete the Proposed Sale by the end of the 180th day following the date of the effectiveness of the Notice, each selling Management Stockholder Entity may elect to be released from all obligations under the applicable Request by notifying Investor Holdings in writing of its desire to so withdraw. Upon receipt of that withdrawal notice, the Notice of the relevant Management Stockholder Entity shall be null and void, and it will then be necessary for a separate Notice to be furnished, and the terms and provisions of paragraphs (a) and (b) of this Section 1 separately complied with, in order to consummate such Proposed Sale pursuant to this Section 1, unless the failure to complete such Proposed Sale resulted from any failure by any selling Management Stockholder Entity to comply with the terms of this Section 1.

2. (a) The number of shares of Common Stock that the Management Stockholder Entities will be permitted to include in a Proposed Sale pursuant to a Request will be the lesser of (i) the number of shares of Common Stock that such Management Stockholder Entities have offered to sell in the Proposed Sale as set forth in the Request (which shall be based upon such Management Stockholder Entities' Tag Along Sale Percentage) and (ii) the number of shares of Common Stock determined by multiplying (A) the number of shares of Common Stock that the purchaser in the Proposed Sale has agreed to purchase by (B) a fraction the numerator of which is the number of shares of Common Stock owned by the Management Stockholder Entities plus all shares of Common Stock which the Management Stockholder Entities are then entitled to acquire under any unexercised portion of Options, to the extent such Option is then exercisable or would become exercisable as a result of the consummation of the Proposed Sale and the denominator of which is the total number of shares of Common Stock owned by the Management Stockholder Entities and all other Persons participating in such sale as tag-along sellers pursuant to Other Management Stockholder Agreements or other agreements (all such participants, the "Tag Along Sellers") plus all shares of Common Stock which the Tag Along Sellers are then entitled to acquire under any unexercised portion of Options, to the extent such Options are then exercisable or would become exercisable as a result of the consummation of the Proposed Sale, plus all shares of Common Stock owned by Investor Holdings and all of its Affiliates. For purposes of the foregoing, each Management Stockholder Entity shall be eligible to conditionally exercise its exercisable Options through, at the Management Stockholder Entity's election, withholding an aggregate number of shares of Common Stock subject to such exercisable Options having a fair market value equal to the aggregate exercise price and minimum withholding for taxes due in

- (b) If one or more Tag Along Sellers elect not to include the maximum number of shares of Common Stock which such holders would have been permitted to include in a Proposed Sale pursuant to Section 2(a) (such non-included shares, the "Eligible Shares"), then each of Investor Holdings and the remaining Tag Along Sellers, or any of them, will have the right to sell in the Proposed Sale a number of additional shares of its Common Stock equal to its pro rata portion of the number of Eligible Shares, based on the relative number of shares of Common Stock then held by each such holder plus all shares of Common Stock which such holder is then entitled to acquire under any unexercised portion of Options, to the extent such Options are then exercisable or would become exercisable as a result of the consummation of the Proposed Sale; provided that such additional shares of Common Stock which any such holder or holders propose to sell shall not be included in any calculation made pursuant to Section 2(a) for the purpose of determining the number of shares of Common Stock which the Management Stockholder Entities will be permitted to include in a Proposed Sale. Investor Holdings will have the right to sell in the Proposed Sale additional shares of Common Stock owned by it equal to the number, if any, of remaining Eligible Shares which will not be included in the Proposed Sale pursuant to the foregoing.
- 3. Except as may otherwise be provided herein, shares of Common Stock subject to a Request will be included in a Proposed Sale pursuant hereto and in any agreements with purchasers relating thereto on the same terms and subject to the same conditions applicable to the shares of Common Stock which Investor Holdings proposes to sell in the Proposed Sale. Such terms and conditions shall include, without limitation: the sale price; the payment of fees, commissions and expenses; the provision of, and customary representations and warranties as to, information reasonably requested by Investor Holdings covering matters regarding the Management Stockholder Entities' ownership of shares; and the provision of requisite indemnification on a several but not joint basis; provided that any indemnification provided by the Management Stockholder Entities shall, with respect to each claim for indemnification made against the sellers, be paid by the sellers pro rata in proportion with the number of shares of Common Stock to be sold; provided, further, that no Management Stockholder Entity shall be required to indemnify any Person for an amount, in the aggregate, in excess of the net cash proceeds received by such Management Stockholder Entity in such Proposed Sale. Notwithstanding anything to the contrary in the foregoing, if the consideration payable for shares of Common Stock is securities and the acquisition of such securities by a Management Stockholder Entity would reasonably be expected to be prohibited under applicable U.S., foreign, or state securities laws, such Management Stockholder Entity shall be entitled to receive an amount in cash equal to the value of any such securities such Management Stockholder Entity would otherwise be entitled to receive.
- 4. Upon delivering a Request, the Management Stockholder Entities will, if requested by Investor Holdings, execute and deliver a custody agreement and power of attorney in form and substance reasonably satisfactory to Investor Holdings with respect to the shares of Common Stock which are to be sold by the Management Stockholder Entities pursuant hereto (a "Custody Agreement and Power of Attorney"). The Custody Agreement and Power of Attorney will contain customary provisions and will provide, among other things, that the Management Stockholder Entities will deliver to and deposit in custody with the custodian and attorney-in-fact named therein a certificate or certificates (if such shares are certificated) representing such shares of Common Stock (duly endorsed in blank by the registered owner or owners thereof) and irrevocably appoint said custodian and attorney-in-fact as the Management Stockholder Entities' agent and attorney-in-fact with full power and authority to act under the Custody Agreement and Power of Attorney on such Persons' behalf with respect to the matters specified therein (including without any limitation to make any entry in any books of the Company if such shares of Common Stock are in registered form).
- 5. The Management Stockholder Entities' right pursuant hereto to participate in a Proposed Sale shall be contingent on such Persons' material compliance with each of the provisions hereof and such Persons' respective willingness to execute such documents in connection therewith as may be reasonably requested by Investor Holdings.

- 6. Notwithstanding any terms to the contrary in this Agreement, only full shares of Common Stock are transferable under this Agreement. In case a number of shares of Common Stock as determined pursuant to the terms of this Agreement contains a fraction of a share of Common Stock, such number shall be reduced to the nearest number of full shares of Common Stock.
- 7. If the consideration to be paid in exchange for shares of Common Stock in a Proposed Sale pursuant to Section 1 includes any securities, and the receipt thereof by a Management Stockholder Entity would require under applicable law (a) the registration or qualification of such securities or of any Person as a broker or dealer or agent with respect to such securities or (b) the provision to any selling Management Stockholder Entity of any information regarding the Company, its Subsidiaries, such securities, or the issuer thereof that would not be required to be delivered in an offering solely to a limited number of "accredited investors" under Regulation D promulgated under the Securities Act of 1933, as amended, and the rules and regulations in effect thereunder, such Management Shareholder Entity shall not, subject to the following sentence, have the right to sell shares of Common Stock in such proposed sale. In such event, Investor Holdings shall have the right to cause to be paid to such selling Management Shareholder Entity in lieu thereof, against surrender of the shares of Common Stock which would have otherwise been sold by such selling Management Shareholder Entity to the prospective buyer in the Proposed Sale, an amount in cash equal to the value of any such securities such Management Stockholder Entity would otherwise be entitled to receive.
- 8. (a) If Investor Holdings or any of its Affiliates (including Parent) that owns shares of Common Stock proposes to transfer, directly or indirectly, a number of shares of Common Stock the sale of which would result in a Change of Control, taking into account all interests being dragged hereunder and under any other agreement containing similar rights (such Person or Persons to whom such shares would be transferred, the "<u>Drag-Along Purchaser</u>"), then if requested by Investor Holdings, the Management Stockholder Entities shall be required to sell a number of shares of Common Stock equal to the aggregate number of shares of Common Stock held by such Persons (including shares of Common Stock underlying exercisable Options) multiplied by the Tag Along Sale Percentage (such transaction, a "<u>Drag Transaction</u>").
- (b) Shares of Common Stock held by the Management Stockholder Entities included in a Drag Transaction will be included in any agreements with the Drag-Along Purchaser relating thereto on the same terms and subject to the same economic conditions applicable to the shares of Common Stock which Investor Holdings or any of its Affiliates propose to sell in the Drag Transaction. Such terms and conditions shall include: (i) the pro rata reduction of the number of shares of Common Stock to be sold by Investor Holdings and the Management Stockholder Entities to be included in the Drag Transaction if required by the Drag- Along Purchaser, (ii) the sale price, (iii) the payment of fees, commissions, and expenses, (iv) the provision of, and representation and warranty as to, information reasonably requested by Investor Holdings covering matters regarding the Management Stockholder Entities' ownership of shares, and (v) the provision of requisite indemnification on a several but not joint basis; provided that any indemnification provided by the Management Stockholder Entities shall, with respect to each indemnification claim made against the sellers, be paid by the sellers pro rata in proportion with the total number of shares of Common Stock to be sold by all sellers; provided, further, that no Management Stockholder Entity shall be required to indemnify any Person for an amount, in the aggregate, in excess of the net cash proceeds received by such Management Stockholder Entity in such Proposed Sale.

- (c) Your pro rata share of any indemnity amount to be paid by you and the other Company stockholders pursuant to Paragraph 3 or 8(b) shall be based upon the number of shares of Common Stock intended to be transferred by the Management Stockholder Entities plus the number of shares of Common Stock you would have the right to acquire under any unexercised portion of an Option which is then vested or would become vested as a result of the Proposed Sale or Drag Transaction, assuming that you received a payment in respect of such Option.
- (d) Notwithstanding anything to the contrary in the foregoing, if the consideration payable for shares of Common Stock is securities and the acquisition of such securities by a Management Stockholder Entity would reasonably be expected to be prohibited under applicable U.S., foreign, or state securities laws, such Person shall be entitled to receive an amount in cash equal to the value of any such securities such Person would otherwise be entitled to receive.
- (e) Notwithstanding anything to the contrary herein, in the event the Sponsor and/or the limited partners of Parent propose to sell limited partnership units in Parent that would result in a Change of Control of the Company, you agree that appropriate provisions shall be made (and you shall take any reasonable actions required in connection therewith) in order to permit, if contemplated by the purchaser, the purchase of your shares of Common Stock on a pro rata basis similar to the terms provided herein for a sale by Investor Holdings of Common Stock.
- 9. The obligations of Investor Holdings hereunder shall extend only to you and transferees of Permitted Transfers ("<u>Permitted Transferees</u>"), and none of the Management Stockholder Entities' successors or assigns, with the exception of any Permitted Transferee and only with respect to the Common Stock acquired by such Permitted Transferee pursuant to a Permitted Transfer, shall have any rights pursuant hereto.
- 10. This Agreement shall terminate and be of no further force or effect on the occurrence of the earlier of (a) the consummation of an Initial Public Offering and (b) a Change of Control, except that any obligations of the Parties that have arisen prior to the expiration of this Agreement or in connection with such Initial Public Offering or Change of Control shall remain in full force and effect until satisfied in accordance with the applicable provisions hereof.

11. All notices and other communications required or permitted hereunder shall be in writing and shall be deemed effectively given: (a) upon personal delivery to the party to be notified, (b) when sent by confirmed facsimile if sent during normal business hours of the recipient, if not, then on the next business day, (c) five (5) days after having been sent by registered or certified mail, return receipt requested, postage prepaid, or (d) one (1) business day after deposit with a nationally recognized overnight courier, specifying next day delivery, with written verification of receipt. CONTRIBUTION AGREEMENT

This Contribution Agreement, dated as of March 13, 2014 (this "<u>Agreement</u>") is entered into by and among Nautilus Parent, Inc., a Delaware corporation (the "<u>Company</u>") and the individual named in the signature page hereto (the "<u>Management Stockholder</u>"). Capitalized terms used and not otherwise defined herein shall have the meanings set forth in the Merger Agreement (as defined below).

WHEREAS, pursuant to an Agreement and Plan of Merger, dated as of February 6, 2014 (the "Merger Agreement"), among Vision Holding Corp., a Delaware corporation ("VHC"), Nautilus Acquisition Holdings, Inc., a Delaware corporation and wholly-owned subsidiary of the Company ("Buyer"), and Nautilus Merger Sub, Inc., a Delaware corporation and wholly-owned subsidiary of Buyer ("Merger Sub"), on the Closing Date, Merger Sub will be merged with and into VHC with VHC as the surviving corporation and a wholly-owned indirect subsidiary of the Company (the "Merger");

WHEREAS, the Company will, at the consummation of the Merger, own, through a wholly-owned subsidiary, 100% of the equity interest of VHC, and immediately following the Merger, VHC will merge with and into National Vision, Inc., with National Vision, Inc. as the surviving corporation after such merger;

WHEREAS, in connection with the Merger, the Management Stockholder desires to contribute a number of shares of common stock of VHC, par value \$0.01 per share ("VHC Stock"), with an Aggregate Closing Share Value (as defined below) equal to \$1,000,000 (the "Contributed Shares") to the Company in exchange for shares of common stock, par value \$.01 per share, of the Company ("Common Stock") and the Company has agreed thereto:

WHEREAS, immediately following the Contribution, the Company shall contribute the Contributed Shares to Buyer; and

WHEREAS, the Contributed Shares shall be automatically cancelled and extinguished without payment of any consideration therefor in connection with the consummation of the Merger;

NOW, THEREFORE, in consideration of the foregoing and the respective representations, warranties, covenants and agreements set forth in this Agreement, and intending to be legally bound hereby, the parties hereto agree as follows:

ARTICLE I

THE CONTRIBUTION

1.1 The Contribution. Upon the terms and subject to the conditions set forth in this Agreement, at the Contribution Closing (as defined below), the Management Stockholder holding Contributed Shares shall transfer (the "Contribution") all right, title and interest in and to such Contributed Shares, free and clear of any Liens (as defined below), to the Company in exchange for a number of shares of Common Stock having a value equal to the Aggregate Closing Share Value. For purposes of this agreement, "Aggregate Closing Share Value" means the aggregate pre-tax dollar amount of the cash Closing Per Share Price for all of such Management Stockholder's Contributed Shares less such Management Stockholder's Pro Rata Share of the Holdback Amount (as defined in the Letter of Transmittal) with respect to the Contributed Shares, determined as of the date of the closing of the Merger, that would be expected to be paid to the Management Stockholder in respect of the Management Stockholder's shares of VHC Stock in connection with the Merger if the Contribution were not to occur. Each of the parties hereto agrees that the contribution by the Management Stockholder of Contributed Shares to the Company in exchange for shares of Common Stock is intended to qualify as an exchange described in Section 351 of the Internal Revenue Code of 1986, as amended.

- 1.2 Contribution Closing. The closing (the "Contribution Closing") of the Contribution shall take place at the offices of Weil, Gotshal & Manages LLP, 100 Federal Street, 34th Floor, Boston Massachusetts, 02110, on the Closing Date but immediately prior to the consummation of the Merger, provided that the conditions set forth in Section 5.1 hereof shall have been satisfied or waived on or prior thereto. At the Contribution Closing, the Management Stockholder will deliver and surrender or will cause to be delivered and surrendered to the Company the certificate or certificates representing the Contributed Shares, in each case duly endorsed for transfer to the Company and/or accompanied by stock or other appropriate powers duly endorsed in blank or such other instruments of transfer as the Company may reasonably request, including if applicable a Spousal Consent in the form attached as Exhibit A hereto, and a properly completed Internal Revenue Service Form W-8. Immediately after the Closing, the Company will deliver or cause to be delivered to the Management Stockholder that number of shares of Common Stock to be received by such Management Stockholder pursuant to this Agreement.
- 1.3 <u>Closing under the Merger Agreement</u>. In the event that the Contribution Closing has occurred but the Closing does not occur for any reason whatsoever, the Company shall return, as promptly as practicable, to the Management Stockholder such Management Stockholder's Contributed Shares transferred to the Company at the Contribution Closing. Upon compliance with the foregoing, no party shall have any further rights or obligations under this Agreement.
- 1.4 <u>Transfer</u>. Except as otherwise permitted by that certain Management Stockholders Agreement (the "<u>Management Stockholders Agreement</u>") and by that certain Sale Participation Agreement (the "<u>Sale Participation Agreement</u>"), each to be entered into at the Contribution Closing, the shares of Common Stock issued to the Management Stockholder pursuant to this Agreement may not be directly or indirectly offered, transferred, sold, assigned, pledged, hypothecated or otherwise disposed of by the Management Stockholder.

As amended and restated As of

March 15, 2017

Plan 600

National Vision, Inc. Severance Plan

The National Vision, Inc. Severance Plan (the "Plan") provides separation pay benefits to eligible employees of National Vision, Inc. and its subsidiaries (the "Company").

The provisions of the Plan are set forth for each eligible group of employees in the following summary plan descriptions, all as amended from time to time, which are incorporated herein by reference:

Executives

Vice Presidents

Directors

District Managers

Managers and Other Associates at a similar job level

Assistant Managers and Associates (full-time and part-time working 30 hours or more in the field)

Exempt Employees – RSC (full-time exempt employees employed at the administrative office)

Non-exempt Employees – RSC (full-time and part-time working 30 hours or more at the administrative offices)

In addition, the provisions of the Plan are supplemented for each group by the terms of this document which is the "wrap" plan document.

Legal Status

The Plan is a welfare benefit plan for purposes of ERISA.

The Plan is unfunded and all benefits are paid from the general assets of the Company.

The Plan is established by the Company and the Company may amend, suspend, or terminate the Plan at any time by action of the Board of Directors of the Company, or by such person or entity as authorized by the Board of Directors.

Section 409A Compliance

It is intended that this Plan shall comply with the provisions of Section 409A of the Code and the Treasury regulations relating thereto, or an exemption to Section 409A of the Code. It is expected that payments under this Plan will be exempt from Section 409A of the Code.

For purposes of the limitations on nonqualified deferred compensation under Section 409A of the Code, each payment of compensation under this Plan shall be treated as a separate payment of compensation for purposes of applying the exclusion for certain short-term deferral amounts and separation pay amounts under Section 409A of the Code. Any payments that qualify for the "short-term deferral" exception under Section 409A shall be deemed to be paid first, remaining payments that qualify for the "separation pay plan" exception under Section 409A shall be deemed paid next, any remaining payments that may qualify for another exception under Section 409A of the Code shall be deemed paid next and then any remaining payments shall comply with Section 409A of the Code as deferred compensation.

All payments to be made upon a termination of employment under this Plan that constitute non-qualified deferred compensation may only be made upon a "separation from service" under Section 409A of the Code. Notwithstanding anything to the contrary in this Plan, if a termination of employment is not such a "separation from service", then, if required in order to comply with the provisions of Code Section 409A, payment of Severance Pay shall be delayed until such a separation from service occurs.

Notwithstanding anything in this Plan to the contrary, if an employee is deemed by the Company at the time of the employee's separation from service to be a "specified employee" for purposes of Section 409A and to the extent delayed commencement of any portion of the payments to which the employee is entitled under this Plan is required in order to avoid subjecting the employee to additional tax or interest (or both) under Section 409A, then any such payment shall not be provided to the employee prior to the earlier of (i) the expiration of the six (6) month period measured from the date of the separation from service or (ii) the date of the employee's death. Upon the first business day following the expiration of the applicable period, all payments deferred pursuant to the preceding sentence shall be paid in a lump sum to the employee (or, if applicable, the employee's estate, heirs or legal representatives), and any remaining payments due to the employee under this Plan shall be paid as otherwise provided herein.

In no event may a Participant of the Plan, directly or indirectly, designate the calendar year of any payment under this Plan.

To the extent permitted under Section 409A of the Code or any Internal Revenue Service ("IRS") or Treasury rules or other guidance issued thereunder, the Company may, in consultation with an affected Participant, modify the Plan in order to cause the provisions of the Plan to comply with the requirements of Section 409A of the Code, so as to avoid the imposition of taxes and penalties on the Participant pursuant to Section 409A of the Code.

Approval

	This Plan, as amended and restated, has been approved by the Board of Directors, or its duly designated officer or committee on the 15th day of March,
2017.

NATIONAL VISION, INC. SEVERANCE PLAN

SUMMARY PLAN DESCRIPTION

(Executives)

Effective July 21, 2011

OVERVIEW

The National Vision, Inc. Severance Plan (the "Plan") provides severance benefits to eligible employees of National Vision, Inc. and its subsidiaries ("the Company") whose employment is involuntarily terminated by the Company under certain circumstances. This booklet is provided to executives and other eligible management who are eligible for the Plan.

The Plan provides the exclusive source of severance benefits for eligible employees of the Company, and it supersedes any prior severance plan, program or arrangement, including the booklet for this Plan that was effective August 23, 2010. This booklet is intended to provide a summary of the major provisions of the Plan that apply to Executives. Benefits for other eligible employees are described in separate booklets. The benefits are described as clearly as possible with minimal use of the technical words and phrases appearing in legal documents. Certain terms must be defined for purposes of the Plan and these terms appear as capitalized words and are defined in various places in this booklet.

ELIGIBILITY

To be eligible for benefits under the Plan, as of the date of your termination of employment with the Company you must be classified by the Company as a regular, full-time, employee in an executive or other management position who participates in the Corporate Management Incentive Program at Level IV or above.

The following individuals are not eligible to participate in the Plan generally:

- (1) any individual whose terms and conditions of employment are determined by a collective bargaining agreement with a union;
- (2) any individual who has executed an employment or other employment-related agreement with the Company that specifically addresses severance, or the lack of severance, upon termination of employment;
- (3) any individual classified by the Company as part-time at a position above the associate level, seasonal, temporary, or intern, or who is working for the Company through a temporary service or on a contract basis;
 - (4) any individual terminated prior to the effective date of the Plan, as amended and restated;
 - (5) any individual who is not authorized to work in the United States or who does not reside in the United States,
 - (6) any individual transferred to or who accepts another position with the Company, including any subsidiary, or
- (7) any individual who refuses or declines an offer of employment within the Company or any subsidiary unless (a) the offer would result in a decrease of more than 5% of the individual's current base pay, or (b) the offer would require relocation which is more than 50 miles from the individual's work location, or (c) the offer is for an hourly position and the individual has been a salaried employee for more than 90 days prior to the date of termination.

In any event, you are not eligible for any severance if, as a result of, or in connection with the sale, transfer, or other disposition or divestiture of the work unit, division, subsidiary or other segment of the Company's business that you work in or are responsible for, you are offered continued employment (provided that the offer does not contain conditions described in item (7) above) with the purchaser or acquirer, including their affiliates, whether or not the new employment is accepted, except as may otherwise be specifically provided in any written sale, divestiture or other agreement executed by the Company.

PARTICIPATION

To qualify for participation in the Plan and receive severance, you must:

- · Meet the eligibility requirements described above;
- Be informed in writing by the Company that your employment is being terminated for a qualifying reason;
- · Remain employed until your last day of active employment; and
- · Sign (and, if applicable, not revoke) a Severance Agreement.

The date designated by the Company in its notice to you as your last day of active employment will be referred to as your "Severance Date."

A qualifying reason for termination of employment by the Company can be any one or more of the following, as determined by the Company:

- · Lack of work;
- · Reorganization;
- · Business necessity;
- · Economic conditions;
- · Termination by you for Good Reason; or
- · Termination by the Company (other than for Cause).

The following are <u>not</u> qualifying reasons for termination of employment and if your employment is terminated for one of these reasons, you will <u>not</u> receive severance:

- · Leaving Company employment voluntarily (other than for Good Reason), including retirement or failing to return after an authorized leave of absence;
- Cause;
- · Accident, illness or disability; or
- Death.

"Cause", for purposes of an executive qualifying for severance pay, means

A. the commission by you of an act or acts of fraud, dishonesty, gross negligence or willful misconduct in the performance of your duties that does, or could, if continued or repeated, result directly or indirectly in significant gain or personal enrichment to you at the expense of the Company or in injury to the Company;

- B. commission by you of an act or acts constituting any felony or any criminal act involving moral turpitude, or any other criminal act involving dishonesty, disloyalty, fraud or theft with respect to the Company; or
- C. the material breach by you of any agreement under which you have committed to confidentiality, nondisclosure or nonsolicitation protections for the Company;

<u>provided, however</u>, you shall not be deemed to have been involuntarily terminated for Cause unless and until the Company finds that, in the good faith opinion of the Board, you engaged or threatened to engage in conduct set forth above and specifying the particulars thereof in detail. The Board must also deliver to you a demand in writing for performance or cure, which demand specifically identifies the manner in which the Board believes that your conduct falls within such subsection and details the Board's requirements for you to "cure" such conduct, if appropriate. Involuntary termination occurs when you fail to "cure" within the time period given by the Board and in accordance with any other terms provided by the Board. The Board may delegate responsibilities under this Plan to the Compensation Committee.

"Good Reason" means your termination of employment upon the occurrence (without your express written consent) of any of the following acts by the Company, or failure by the Company to act, and such act or failure to act has not been corrected within thirty (30) days after you give the Company written notice of such act or failure to act:

- A significant, adverse change by the Company in your employment responsibilities;
- B. A reduction in your Base Salary; or
- C. The relocation of your job without your consent to a location more than fifty (50) miles from your principal office in the Atlanta metropolitan area, except for required travel on the Company's business; or
- D. the failure by the Company, without your consent, to pay you any portion of your then current compensation (including Base Salary and annual bonus), or any portion of an installment of deferred compensation under any deferred compensation program of the Company within seven (7) days of the date such compensation is due.

The Company, as Plan Administrator, will have the exclusive discretionary right and final authority to make any necessary determination concerning whether an individual qualifies to receive benefits under the Plan and such determination by the Plan Administrator shall be final and binding on all parties.

BENEFITS UNDER THE PLAN

If you meet the eligibility requirements and qualify as a participant in the Plan, you will be entitled to receive the Severance Pay described below.

A. <u>Severance Pay</u>

You will receive Severance Pay equivalent to twelve (12) months base salary, paid over the twelve (12) months following your Severance Date at the same time and in equal amounts as you were paid when actively employed, subject to applicable withholding, and subject to commencing payments on the First Payment Date, as described below.

Base salary is your regular pay for your last regularly scheduled month immediately preceding your Severance Date. If you terminate for "Good Reason" on account of a reduction in base pay, your base salary will be your regular pay rate immediately prior to such reduction. It excludes overtime pay, bonuses, commissions, fees, incentive allowances and employer-provided benefits.

To the extent that a federal, state or local law requires the Company to make a payment to an eligible employee because of involuntary termination of employment or in accordance with a plant closing law, including the Worker Adjustment and Retraining Notification Act (WARN), the Severance Pay otherwise payable under the Plan shall be coordinated with and reduced by the amount of such required payment.

If you have executed a non-compete and restrictive covenant agreement ("Non-Compete") with the Company on or after July 21, 2011, have not violated the Non-Compete, and properly elect COBRA continuation coverage for group health benefits, the Company will pay your COBRA premium for twelve (12) monthly COBRA premiums or, if earlier, until your COBRA coverage ends for any reason. The amount the Company pays on your behalf will be reported as additional income on your W-2. When Company payments for COBRA coverage end, you will be responsible for the full COBRA premium for the remainder of your COBRA period, if any. The COBRA payments will be considered as additional Severance Pay and are subject to the same terms, conditions, and limitations as descried in this booklet for Severance Pay.

If you have not executed a Non-Compete, you are not eligible for Company payment of any COBRA premiums.

B. <u>Severance Agreement</u>

Eligible employees must enter into a Severance Agreement to qualify for Severance Pay. "Severance Agreement" is an agreement between you and the Company that includes a waiver of claims that you might have against the Company (whether known or unknown, including any claims assigned by operation of law or otherwise) and is a condition to your receipt of Severance Pay. You will also agree not to sue the Company with respect to your employment and termination of employment. In the Severance Agreement, you also agree not to disparage the Company or any officer, director or employee of the Company and not to disclose or use any confidential information or trade secrets of the Company, unless you are required to do so by a court order. You must agree not to engage in any activities, directly or indirectly, which have the effect of disrupting the Company's operations or harming the Company's reputation with its customers, suppliers or employees. You also must not violate the terms of the Severance Agreement, or engage in any other conduct which the Plan Administrator considers to be contrary to the interests of the Plan and the Company. If the Plan Administrator determines that you are engaging in such activities or violating the Non-Compete you signed, it may, in its sole discretion, terminate the Severance Pay that you are otherwise eligible to receive under the Plan and may initiate proceedings to recover any payments that you received in violation of these provisions.

Generally, if you are age 40 or older, you will have 21 days from receiving the Severance Agreement to consider whether to sign it. This period is extended to 45 days from receiving the Severance Agreement for employees who are age 40 or older and who are terminated as part of a work force reduction or other group termination program. Employees under age 40 will have 7 days to consider whether to sign a Severance Agreement. To be effective, the completed and signed Severance Agreement must be completed and signed within the applicable time period and received promptly by the Company at the address designated in the Severance Agreement. For purposes of this deadline, the Company will be considered to have received a Severance Agreement at the time and on the date that the Company actually received the Severance Agreement, without regard to when it was mailed or otherwise delivered. You are advised to consult legal counsel in considering whether to sign the Severance Agreement.

Once you sign the Severance Agreement, if you are age 40 or older, you will have 7 days from the signing date to revoke the Severance Agreement. You may not revoke the Severance Agreement after this 7-day period expires. A revocation must be in writing, signed by you and hand delivered or sent by certified mail (with proof of mailing) and postmarked on or before the 7th day to the Company at the address designated in the Severance Agreement.

You must enter into a Severance Agreement to qualify for Severance Pay and if you do not sign (or sign but revoke) the Severance Agreement by the First Payment Date, you will not be paid any Severance Pay under the Plan.

The 60th day following your Severance Date is the "First Payment Date". By the First Payment Date, your Severance Agreement must be effective and not subject to revocation. Severance Pay will be paid in installments on the Company's normal payroll dates. No Severance Pay is paid before the First Payment Date and any Severance Pay that would have been paid on the payroll dates between your Severance Date and the First Payment Date are paid on the First Payment Date. To the extent permitted by law, the Company may choose to make actual payment before or after the First Payment Date if all other conditions for Severance Pay have been met. Severance Pay will be paid with appropriate deductions for federal and state taxes and all other legally required or otherwise authorized deductions. If you die after the Company has notified you of your eligible termination of employment and Severance Date and before payment of your Severance Pay will be paid to your designated beneficiary. Otherwise no Severance Pay is paid on account of your death. In any event, all severance payments will be paid within 24 months of the date the individual terminates employment.

C. Other Benefits at Termination of Employment: With the exception of the Severance Pay described above, after your Severance Date you will not be entitled to participate in any employee benefit plans, including, without limitation, life insurance, 401(k) plan, long term disability plan, except as health benefits are provided under COBRA. You will receive separate information about your eligibility to elect COBRA continuation coverage. You will not earn any additional vacation after your Severance Date. You will, however, be paid for any earned and unused vacation for the year in which your Severance Date occurs. The distribution of benefits you may be entitled to receive under the Company's other employee benefit plans will be governed by the terms and conditions of those plans.

CONDITIONS TO RECEIVING YOUR SEVERANCE PAY AND ACTS THAT MAY CAUSE YOU TO LOSE BENEFITS UNDER THE PLAN

You must remain employed with the Company until your Severance Date to be eligible for Severance Pay.

As a condition to your receipt of any of Severance Pay under the Plan, you must return all Company property in your possession, custody or control. This property includes all materials, documents, plans, records, disks, or papers, or any copies of such documents, which in any way relate to the Company's business or operations. This property further includes all tools, telephones, computers, pagers, vehicles, credit cards, manuals and any money due to the Company.

As a condition to your receipt of Severance Pay, you must enter into a Severance Agreement, as described above.

If penalties under Code Section 409A or Code Section 280G would be imposed on you, you may agree to forfeit a portion of your Severance Pay to avoid such penalties.

CLAIMS PROCEDURE

If you do not receive a benefit to which you believe you are entitled under the Plan, or if you believe that you are entitled to a greater benefit than was approved, you must, within 90 days following your Severance Date, file a written claim with the Plan Administrator. The Plan Administrator will investigate the claim and will send you a written decision within 90 days from the date upon which it receives the claim. If the claim is denied, the written decision will specify the reasons for the denial (including the pertinent Plan provisions upon which the denial is based), a description of additional material or information that would permit you to perfect your claim and why it is necessary, as well as an explanation of how you may obtain a further review by the Plan Administrator. If you do not receive a notice regarding your claim within these time periods, your claim will be considered denied.

<u>Important Note</u>: Because the Severance Agreement includes a release of claims, if you sign and do not revoke the Severance Agreement, you cannot file a claim with respect to a severance benefit and if, upon resolution of that claim, you are entitled to any severance benefit, you will be given time to consider and sign a Severance Agreement in accordance with the provisions of the Plan governing Severance Agreements.

If you disagree with the Plan Administrator's decision, in whole or in part, you have 60 days following your receipt of written notice from the Plan Administrator to request a review in writing. The request must describe the reasons why you believe the denial was wrong and whatever evidence (comments, documents and records) you believe supports your position. If you wish to examine any Company documents, you must request an examination and specify the documents requested. Upon your request and free of charge, the Plan Administrator will give you access to, and copies of, all documents, records and other information relevant to your claim.

Within 60 days following a request for review, the Plan Administrator will send you its written decision specifying the reasons for the decision, including the pertinent Plan provisions upon which it is based. Such decision will be final and binding.

You are not entitled to challenge a decision of the Plan Administrator in court or in any other administrative proceeding unless and until the claim and appeal procedures described above have been complied with and a final and binding decision reached. This is called "exhaustion" and you must exhaust the claims procedures before proceeding to court. In no event may any claimant challenge the Plan Administrator's decision upon appeal in any court or governmental proceeding after 120 days from the date of the Plan Administrator's decision of any appeal.

If special circumstances require an extension of time for the Plan Administrator to render a decision, the Plan Administrator will send you a written notice of the extension prior to the commencement of the extension and will explain the reasons for the delay. The extension will not exceed 90 days for the initial determination and 60 days for the review of a determination.

In the event the Plan Administrator request additional information from you that is necessary to determine the claim or appeal, you will have at least 45 days in which to respond. The period for making the benefit decision or deciding an appeal, as the case may be, is tolled from the date of notice to you of the request for additional information until the date you respond to such request or, if earlier, until the deadline provided by the Plan Administrator.

The Company, as Plan Administrator, has the exclusive discretionary authority to construe and interpret the Plan, to decide all questions of eligibility for Severance Pay and to determine the amount of such Severance Pay, and its decisions on such matters are final and conclusive. Benefits under the Plan will be paid only if the Plan Administrator decides in its discretion that you are entitled to them.

YOUR RIGHTS UNDER ERISA

The following statement is required by federal law and regulations. As a participant in the Plan, you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). ERISA provides that all Plan participants will be entitled to:

- Examine, without charge, at the Plan Administrator's office and at other specified locations, such as worksites, all Plan documents and copies of all documents filed by the Plan with the U.S. Department of Labor, such as detailed annual reports (Form 500 series) and available at the Public Disclosure Room of the Employee Benefits Security Administration.
- · Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The Plan Administrator may make a reasonable charge for the copies.

In addition to creating rights for Plan participants, ERISA imposes duties upon the people who are responsible for the operation of the Plan. The people who operate the Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other Plan participants and beneficiaries. No one, including your employer, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

If your claim for a welfare benefit is denied, in whole or in part, you have a right to know why this done, obtain documents relating to the decision without charge, and to appeal the denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request materials from the Plan and do not receive them within 30 days, you may file suit in a federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the Plan Administrator.

If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or federal court. If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees – for example, if it finds your claim is frivolous.

If you have questions about your Plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA or if you need assistance in obtaining documents from the Plan Administrator, you should contact you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue, N.W., Washington D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

National Vision, Inc. Management Incentive Plan

- I. <u>Name of Plan</u>: National Vision Management Incentive Plan (the "<u>Plan</u>")
- II. <u>Purpose</u>: The Plan is intended to provide an opportunity to eligible employees for incentive compensation linked to the achievements and performance of National Vision, Inc. and its subsidiaries and affiliates (the "Company") and to assist the Company in attracting and retaining employees.
- III. <u>Eligibility:</u> For each Company fiscal year, the Compensation Committee of the Board of Directors (the "<u>Committee</u>") of National Vision, Inc. ("<u>NVI</u>") designates employees of the Company for participation in the Plan ("<u>Participants</u>"). The Committee may add or remove employees from the group of Participants at any time prior to the Award decision. The Committee has no obligation to continue the eligibility of any Participant for any year or from year to year.
- IV. <u>Annual Incentive Pool</u>: For each Company fiscal year, the Board of Directors of NVI (the "Board") may set thresholds and/or targets for the fiscal year ("Corporate Goals") to use in determining the total amount to be awarded as incentive payments for such fiscal year (the "Incentive Pool"). It is the intent of the Board that Corporate Goals shall be based on the Company's EBITDA and cash flow, although the Board may choose any other factors by which the Company's performance and achievements are valued. After the conclusion of each fiscal year, the Board will determine the amount, if any, of the Incentive Pool. The Board may at any time adjust any Corporate Goal (and the Incentive Pool) to account for unplanned or unusual items (favorable or unfavorable), for changes in the Company's strategic plans, or for any other reason.
- V. Awards: The Committee will determine awards to Participants from the Incentive Pool ("Awards") for the applicable fiscal year. Although it is the intent of the Board that the Committee base Awards on attainment of the Corporate Goals, the Committee may also determine Awards on the basis of individual written performance goals approved by the Committee for the fiscal year ("Individual Goals") or any other period determined by the Committee ("Performance Period"); provided, however, that the Committee, in its sole discretion, may make an Award notwithstanding any Individual Goal or Performance Period and may adjust any Individual Goal or Performance Period for unplanned or unusual items (favorable or unfavorable), in anticipation of future events, to adjust to changes in the Company's strategic plans, or any other reason. The Committee may decrease the amount of the Award otherwise payable hereunder if, in the Committee's view, such adjustment is necessary or desirable, regardless of the extent to which a Corporate or Individual Goal has been achieved. Awards are paid in a single sum in cash or in property of equivalent value.
- VI. <u>Timing of Awards</u>: The Board determines the Incentive Pool and the Committee approves the Awards following the end of the applicable fiscal year or other Performance Period. All Awards will be paid on March 15 of the year immediately following the applicable fiscal year or on the 60th day following the end of the applicable other Performance Period.

- VII. <u>Adjustments for Death, Disability or Termination of Employment</u>: To receive an Award, a Participant must be employed by the Company on the last day of the applicable fiscal year or other Performance Period except as follows:
 - A. If the Participant dies during the Performance Period, any Award made at the discretion of the Committee is paid to the employee's beneficiary designated under the Company's basic group term life insurance, or in the absence of such designation, to the employee's estate.
 - B. If the Participant becomes disabled and qualifies, or is expected to become qualified, for benefits under the Company's long term disability plan, an Award will generally be made for the fiscal year or other Performance Period in which the disability occurs, but not subsequent years or periods, subject to the discretion of the Committee.
 - C. If the Participants resigns, quits or is involuntarily terminated by the Company, including, but not limited to, for "cause", as determined by the Company, no Award for the fiscal year or other Performance Period in which the termination of employment occurred will be paid.

VIII. <u>Award Conditions</u>: As directed by the Committee, any Award may be made on condition that the Participant sign an agreement subject to conditions, including the protection of the Company's confidential information and trade secrets and, in the event of violation of such agreement, an obligation to repay all or a portion of the Award, <u>provided</u>, <u>however</u>, that such agreement must be signed by the Participant and delivered to the Company no later than the date the Award is to be paid in accordance with Section VI above.

IX. <u>Amendment, Administration and Miscellaneous</u>:

- A. The Board has the right at any time and from time to time to amend, in whole or in part, any or all provisions of the Plan or to terminate the Plan in whole or in part.
- B. The Plan and the Awards will be administered by the Committee or such other persons designated by the Board. The Committee shall have the authority to select Participants, to determine the size and terms of an Award, to modify the terms of any Award that has been granted, to determine the time when Awards will be made and the Performance Period to which they relate, to establish performance objectives in respect of such Performance Periods and to certify that such performance objectives were attained. The Committee is authorized to interpret the Plan, to establish, amend and rescind any rules and regulations relating to the Plan, and to make any other determinations that it deems necessary or desirable for the administration of the Plan; provided, however, that any action permitted to be taken by the Committee may be taken by the Board, in its discretion. Any decision of the Committee or the Board in the interpretation and administration of the Plan, as described herein, shall lie within its sole and absolute discretion and shall be final, conclusive and binding on all parties concerned. Determinations made by the Committee or the Board under the Plan need not be uniform and may be made selectively among Participants, whether or not such Participants are similarly situated. Any dispute or disagreement which may arise under, or as a result of, or in any way relate to, the interpretation, construction or application of the Plan and any related document or instrument shall be resolved by the Committee.

- C. Payment of any Award will be subject to applicable tax withholding for any federal, state, local or foreign income or other taxes required by law to be withheld with respect to such payment.
- D. This Plan is effective for the 2010 fiscal year commencing January 3, 2010 and supersedes and cancels any previous documents regarding annual incentive for any previous fiscal year.
- E. Eligibility for or an Award does not alter the "at-will" status of employment with the Company and the Plan does not evidence any contract of employment nor is the Plan evidence of any contractual obligation to provide Awards.
- F. The Plan will be construed in accordance with and governed by the internal laws of the State of Georgia, without regard to its conflicts of laws principles. The Plan is not intended to be a deferred compensation plan and is intended to be exempt from Internal Revenue Code Section 409A and is to be interpreted consistent with Treas. Reg. Section 1.409A-1(b)(4) and any other guidance issued by the Internal Revenue Service. If the Plan or any Award is not exempt from Code Section 409A, the terms of the Plan shall be interpreted as necessary to comply with Code Section 409A. No Participant may designate, directly or indirectly, the taxable year of payment of any Award.
- G. The right or expectancy to an Award may not be assigned, transferred, pledged or encumbered by any employee.

 - (i) from and against any and all Obligations, whether incurred by such Indemnitee with respect to third parties or otherwise, in any way resulting from, arising out of or in connection with, based upon or relating to (A) the Securities Act, the Exchange Act or any other applicable securities or other laws, in connection with any Securities Offering, the Financings, any Related Document or any of the transactions contemplated thereby, (B) any other action or failure to act by any member of the Company Group (or any of their Agents) or any of their predecessors, whether such action or failure has occurred or is yet to occur or any obligation of any member of the Company Group or any of their predecessors or any such Agent, or (C) the performance by the Managers or any of their respective Affiliates of Transaction Services for any member of the Company Group (whether performed prior to the date hereof, hereafter, pursuant to the Monitoring Agreement, the Transaction Fee Agreements or otherwise);
 - (ii) to the fullest extent permitted by the law specified herein as governing this Agreement, by the law of the place of organization of an Indemnifying Party, or by any other applicable law in effect as of the date hereof or as amended to increase the scope of permitted indemnification, whichever is greater (except, with respect to any Indemnifying Party, to the extent that such indemnification may be prohibited by the law of the place of organization of such Indemnifying Party), from and against any and all Obligations whether incurred with respect to third parties or otherwise, in any way resulting from, arising out of or in connection with, based upon or relating to (A) the fact that such Indemnitee is or was a director, officer or manager of any member of the Company Group or is or was serving at the request of such entity as a director, officer, manager, member, employee or agent of or advisor or consultant to another corporation, partnership, joint venture, trust or other enterprise or (B) any breach or alleged breach by such Indemnitee of his or her fiduciary duty as a director, officer or manager of any member of the Company Group; and

(iii) to the fullest extent permitted by the law specified herein as governing this Agreement, by the law of the place of organization of an Indemnifying Party, or by any other applicable law in effect as of the date hereof or as amended to increase the scope of permitted indemnification, whichever is greater (except, with respect to any Indemnifying Party, to the extent that such indemnification may be prohibited by the law of the place of organization of such Indemnifying Party), who was or is a party, or is threatened to be made a party, to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (including (i) any action by or in the right of, or relating to, the Company Group and (ii) any past, current or future litigation relating to the Transactions or its equity ownership in the Company Group), by reason of any actions or omissions or alleged acts or omissions arising out of such Indemnitee's activities either on behalf of the Company Group or in furtherance of the interests of the Company Group or arising out of or in connection with its purchase and/or ownership of equity interests in the Company Group or its involvement in the Transactions, from and against any and all Obligations; provided, that such Indemnitee was not guilty of fraud, a willful breach of this Agreement or a willful illegal act;

in each case including any and all fees, costs and Expenses (including fees and disbursements of attorneys and other professional advisers) incurred by or on behalf of any Indemnitee in asserting, exercising or enforcing any of its rights, powers, privileges or remedies in respect of this Agreement, the Monitoring Agreement, the Transaction Fee Agreements or any Related Document.

- (b) Without in any way limiting the foregoing Section 2(a), each of the Indemnifying Parties agrees, jointly and severally, to indemnify, defend and hold harmless each Indemnitee from and against any and all Obligations resulting from, arising out of or in connection with, based upon or relating to liabilities under the Securities Act, the Exchange Act or any other applicable securities or other laws, rules or regulations in connection with (i) the inaccuracy or breach of or default under any representation, warranty, covenant or agreement in any Related Document, (ii) any untrue statement or alleged untrue statement of a material fact contained in any Related Document or (iii) any omission or alleged omission to state in any Related Document a material fact required to be stated therein or necessary to make the statements therein not misleading. Notwithstanding the foregoing, the Indemnifying Parties shall not be obligated to indemnify such Indemnitee from and against any such Obligation to the extent that such Obligation arises out of or is based upon an untrue statement or omission made in such Related Document in reliance upon and in conformity with written information furnished to the Indemnifying Parties, as the case may be, in an instrument duly executed by such Indemnitee and specifically stating that it is for use in the preparation of such Related Document.
- (c) Without limiting the foregoing, in the event that an Indemnitee or any member of the Company Group initiated, is subject to, or intervenes in any Proceeding in which the validity or enforceability of this Agreement is at issue, to recover damages for breach of this Agreement, or to enforce or interpret this Agreement or any rights of such Indemnitee to indemnification or advancement of expenses (or related Obligations of such Indemnitee) under any member of the Company Group's certificate of incorporation or bylaws (or similar organizational documents), any other agreement to which such Indemnitee and any member of the Company Group are party, any vote of directors of any member of the Company Group, the law of incorporation or formation of any member of the Company Group or any other applicable law or any liability insurance policy, the Indemnifying Parties shall indemnify such Indemnitee against all costs and Expenses incurred by such Indemnitee or on such Indemnitee's behalf in connection with such Proceeding, whether or not such Indemnitee is successful in such Proceeding, except to the extent that the court presiding over such Proceeding determines that material assertions made by such Indemnitee in such proceeding were in bad faith.

- (d) (i) Each of the Company Entities acknowledges and agrees that the obligations of the Indemnifying Parties under this Agreement, any Related Document or any Company Director Indemnity to indemnify or advance expenses to any Investor Director for the matters covered thereby shall be the primary source of indemnification and advancement of such Investor Director in connection therewith, and any obligation on the part of any Investor Indemnitor under any Investor Indemnification Agreement to indemnify or advance expenses to such Investor Director shall be secondary to the Indemnifying Party's obligation and shall be reduced by any amount that the Investor Director may collect as indemnification or advancement from the Indemnifying Party. In the event that the Indemnifying Party fails to indemnify or advance expenses to an Investor Director as required or contemplated by this Agreement, any Related Document or any Company Director Indemnity, and any Investor Indemnitor makes any payment to such Investor Director in respect of indemnification or advancement of expenses under any Investor Indemnification Agreement on account of such Unpaid Director Indemnity Amounts, such Investor Indemnitor shall be subrogated to the rights of such Investor Director under this Agreement, any Related Document or any Company Director Indemnity, as the case may be, in respect of such Unpaid Director Indemnity Amounts.
- (ii) Each of the Company Entities, each as an Indemnifying Party from time to time, agrees that, to the fullest extent permitted by applicable law (A) its obligation to indemnify any Indemnitee under this Agreement, any Related Documents or any Company Director Indemnity shall include any amounts expended by any Investor Indemnitor under the Investor Indemnification Agreements in respect of indemnification or advancement of expenses to any Investor Director in connection with litigation or other proceedings involving his or her service as a director of any member of the Company Group to the extent such amounts expended by such Investor Indemnitor are on account of any Unpaid Director Indemnity Amounts and (B) it shall not be entitled to contribution or indemnification from, or subrogation against, any Investor Indemnitor in respect of amounts expended by it to indemnify or advance expenses to any Investor Director under this Agreement, any Related Documents or any Company Director Indemnity.
- (e) The rights, indemnities and remedies herein provided are cumulative and are not exclusive of any rights, indemnities or remedies that any party or other Indemnitee may otherwise have by contract, at law or in equity or otherwise, provided that (i) to the extent that any Indemnitee is entitled to be indemnified by any Company Entity and by any other Indemnitee or any insurer under a policy procured by any Indemnitee, the obligations of the Company Entity hereunder shall be primary and the obligations of such other Indemnitee or insurer secondary, and (ii) none of the Company Entities shall be entitled to contribution or indemnification from or subrogation against such other Indemnitee or insurer.

Contribution.

- (a) If for any reason the indemnity provided for in Section 2(a) is unavailable or is insufficient to hold harmless any Indemnitee from any of the Obligations covered by such indemnity, then the Indemnifying Parties, jointly and severally, shall contribute to the amount paid or payable by such Indemnitee as a result of such Obligation in such proportion as is appropriate to reflect (i) the relative fault of each member of the Company Group and their Agents, on the one hand, and such Indemnitee, on the other, in connection with the state of facts giving rise to such Obligation, (ii) if such Obligation results from, arises out of, is based upon or relates to any Transaction or any Securities Offering, the relative benefits received by each member of the Company Group and their Agents, on the one hand, and such Indemnitee, on the other, from such Transaction or Securities Offering and (iii) if required by applicable law, any other relevant equitable considerations.
- (b) If for any reason the indemnity specifically provided for in Section 2(b) is unavailable or is insufficient to hold harmless any Indemnitee from any of the Obligations covered by such indemnity, then the Indemnifying Parties, jointly and severally, shall contribute to the amount paid or payable by such Indemnitee as a result of such Obligation in such proportion as is appropriate to reflect (i) the relative fault of each of the members of the Company Group and their Agents, on the one hand, and such Indemnitee, on the other, in connection with the information contained in or omitted from any Related Document, which inclusion or omission resulted in the inaccuracy or breach of or default under any representation, warranty, covenant or agreement therein, or which information is or is alleged to be untrue, required to be stated therein or necessary to make the statements therein not misleading, (ii) the relative benefits received by the members of the Company Group and their Agents, on the one hand, and such Indemnitee, on the other, from such Transaction or Securities Offering and (iii) if required by applicable law, any other relevant equitable considerations.
- (c) For purposes of Section 3(a), the relative fault of each member of the Company Group and their Agents, on the one hand, and of an Indemnitee, on the other, shall be determined by reference to, among other things, their respective relative intent, knowledge, access to information and opportunity to correct the state of facts giving rise to such Obligation. For purposes of Section 3(b), the relative fault of each of the members of the Company Group and their Agents, on the one hand, and of an Indemnitee, on the other, shall be determined by reference to, among other things, (i) whether the included or omitted information relates to information supplied by the members of the Company Group and their Agents, on the one hand, or by such Indemnitee, on the other, (ii) their respective relative intent, knowledge, access to information and opportunity to correct such inaccuracy, breach, default, untrue or alleged untrue statement, or omission or alleged omission, and (iii) applicable law. For purposes of Section 3(a) or 3(b), the relative benefits received by each member of the Company Group and their Agents, on the one hand, and an Indemnitee, on the other, shall be determined by weighing the direct monetary proceeds to the Company Group, on the one hand, and such Indemnitee, on the other, from such Transaction or Securities Offering.

(d) The parties hereto acknowledge and agree that it would not be just and equitable if contributions pursuant to Section 3(a) or 3(b) were determined by pro rata allocation or by any other method of allocation that does not take into account the equitable considerations referred to in such respective Section. No Indemnifying Party shall be liable under Section 3(a) or 3(b), as applicable, for contribution to the amount paid or payable by any Indemnitee except to the extent and under such circumstances such Indemnifying Party would have been liable to indemnify, defend and hold harmless such Indemnitee under the corresponding Section 2(a) or 2(b), as applicable, if such indemnity were enforceable under applicable law. No Indemnitee shall be entitled to contribution from any Indemnifying Party with respect to any Obligation covered by the indemnity specifically provided for in Section 2(b) in the event that such Indemnitee is finally determined to be guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) in connection with such Obligation and the Indemnifying Parties are not guilty of such fraudulent misrepresentation.

Indemnification Procedures.

Whenever any Indemnitee shall have actual knowledge of the assertion of a Claim against it, such Indemnitee shall notify the appropriate member of the Company Group in writing of the Claim (the "Notice of Claim") with reasonable promptness after such Indemnitee has such knowledge relating to such Claim; provided the failure or delay of such Indemnitee to give such Notice of Claim shall not relieve any Indemnifying Party of its indemnification obligations under this Agreement except to the extent that such omission results in a failure of actual notice to it and it is materially injured as a result of the failure to give such Notice of Claim. The Notice of Claim shall specify all material facts known to such Indemnitee relating to such Claim and the monetary amount or an estimate of the monetary amount of the Obligation involved if such Indemnitee has knowledge of such amount or a reasonable basis for making such an estimate. The Indemnifying Parties shall, at their expense, undertake the defense of such Claim with attorneys of their own choosing reasonably satisfactory in all respects to such Indemnitee, subject to the right of such Indemnitee to undertake such defense as hereinafter provided. An Indemnitee may participate in such defense with counsel of such Indemnitee's choosing at the expense of the Indemnifying Parties. In the event that the Indemnifying Parties do not undertake the defense of the Claim within a reasonable time after such Indemnitee has given the Notice of Claim, or in the event that such Indemnitee shall in good faith determine that the defense of any claim by the Indemnifying Parties is inadequate or may conflict with the interest of any Indemnitee (including Claims brought by or on behalf of any member of the Company Group), such Indemnitee may, at the expense of the Indemnifying Parties and after giving notice to the Indemnifying Parties of such action, undertake the defense of the Claim and compromise or settle the Claim, all for the account of and at the risk of the Indemnifying Parties. In the defense of any Claim against an Indemnitee, no Indemnifying Party shall, except with the prior written consent of such Indemnitee, consent to entry of any judgment or enter into any settlement that includes any injunctive or other non-monetary relief or any payment of money by such Indemnitee, or that does not include as an unconditional term thereof the giving by the Person or Persons asserting such Claim to such Indemnitee of an unconditional release from all liability on any of the matters that are the subject of such Claim and an acknowledgement that such Indemnitee denies all wrongdoing in connection with such matters. The Indemnifying Parties shall not be obligated to indemnify an Indemnitee against amounts paid in settlement of a Claim if such settlement is effected by such Indemnitee without the prior written consent of Parent (on behalf of all Indemnifying Parties), which shall not be unreasonably withheld. In each case, each Indemnitee seeking indemnification hereunder will cooperate with the Indemnifying Parties, so long as an Indemnifying Party is conducting the defense of the Claim, in the preparation for and the prosecution of the defense of such Claim, including making available evidence within the control of such Indemnitee, as the case may be, and persons needed as witnesses who are employed by such Indemnitee, as the case may be, in each case as reasonably needed for such defense and at cost, which cost, to the extent reasonably incurred, shall be paid by the Indemnifying Parties.

- (b) An Indemnitee shall notify the Indemnifying Parties in writing of the amount requested for advances ("Notice of Advances"). The Indemnifying Parties hereby agree to advance reasonable costs and Expenses incurred by any Indemnitee in connection with any Claim (but not for any Claim initiated or brought voluntarily by an Indemnitee other than a Proceeding pursuant to Section 2(c)) in advance of the final disposition of such Claim without regard to whether such Indemnitee will ultimately be entitled to be indemnified for such costs and expenses upon receipt of an undertaking by or on behalf of such Indemnitee to repay amounts so advanced if it shall ultimately be determined in a decision of a court of competent jurisdiction from which no appeal can be taken that such Indemnitee is not entitled to be indemnified by the Indemnifying Parties as authorized by this Agreement. The Indemnifying Parties shall make payment of such advances no later than 10 days after the receipt of the Notice of Advances.
- (c) An Indemnitee shall notify the Indemnifying Parties in writing of the amount of any Claim actually paid by such Indemnitee (the "Notice of Payment"). The amount of any Claim actually paid by such Indemnitee shall bear simple interest at the rate equal to the JPMorgan Chase Bank, N.A. prime rate as of the date of such payment plus 2% per annum, from the date the Indemnifying Parties receive the Notice of Payment to the date on which any Indemnifying Party shall repay the amount of such Claim plus interest thereon to such Indemnitee. The Indemnifying Parties shall make indemnification payments to such Indemnitee no later than 30 days after receipt of the Notice of Payment.

(d) <u>Independent Legal Counsel</u>. If there has not been a Change in Control, independent legal counsel shall be selected by the board of directors of Parent and approved by such Indemnitee (which approval shall not be unreasonably withheld or delayed). If there has been a Change in Control, independent legal counsel shall be selected by such Indemnitee and approved by Parent (which approval shall not be unreasonably withheld or delayed). The Indemnifying Parties shall pay the fees and expenses of such independent legal counsel and indemnify such independent legal counsel against any and all Expenses, claims, liabilities and damages arising out of or relating to its engagement.

5. Certain Covenants.

- (a) The rights of each Indemnitee to be indemnified under any other agreement, document, certificate or instrument or applicable law are independent of and in addition to any rights of such Indemnitee to be indemnified under this Agreement and, to the extent applicable, subject to Section 2(d). The rights of each Indemnitee and the obligations of the Indemnifying Parties hereunder shall remain in full force and effect regardless of any investigation made by or on behalf of such Indemnitee. Following the Transactions, each of the Company Entities, and each of their corporate successors, shall implement and maintain in full force and effect any and all corporate charter and by-law (or similar organizational document) provisions that may be necessary or appropriate to enable it to carry out its obligations hereunder to the fullest extent permitted by applicable law, including a provision of its certificate of incorporation (or similar organizational document) eliminating liability of a director for breach of fiduciary duty to the fullest extent permitted by applicable law, as amended from time to time. So long as Parent or any other member of the Company Group maintains liability insurance for any directors, officers, employees or agents of any such Person, the Indemnifying Parties shall ensure that each Indemnitee serving in such capacity is covered by such insurance in such a manner as to provide such Indemnitee the same rights and benefits as are accorded to the most favorably insured of Parent's and the Company Group's then current directors and officers.
- (b) Each of Parent and the Company hereby agrees that it will not amend any Company Director Indemnity as in effect on the date hereof to alter the rights of any Investor Director in any manner that would alter any Investor Director's rights with respect to conduct pre-dating the date of any such amendment without the consent of each of the Managers.

- (c) Each of the parties hereto hereby consents to process being served by any party to this Agreement in any suit, action or proceeding by the delivery of a copy thereof (other than by facsimile) in accordance with the provisions of Section 6.
- (d) EACH PARTY ACKNOWLEDGES AND AGREES THAT ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY (WHETHER IN CONTRACT OR TORT OR BY STATUTE OR OTHERWISE) IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES, AND THEREFORE EACH SUCH PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT SUCH PARTY MAY HAVE TO A TRIAL BY JURY IN RESPECT OF SUCH ACTION OR PROCEEDING. EACH PARTY CERTIFIES AND ACKNOWLEDGES THAT: (A) NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF SUCH ACTION OR PROCEEDING, SEEK TO ENFORCE THE FOREGOING WAIVER; (B) IT UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF THIS WAIVER; (C) IT MAKES THIS WAIVER VOLUNTARILY AND (D) IT HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 7.
- 8. <u>Severability</u>. If any provision or provisions of this Agreement shall be held to be invalid, illegal or unenforceable, (a) the validity, legality and enforceability of the remaining provisions hereof shall not in any way be affected or impaired thereby, and (b) to the fullest extent possible, the provisions of this Agreement shall be construed so as to give effect to the intent of the parties that the Indemnifying Parties provide protection to each Indemnitee to the fullest enforceable extent.

- 9. <u>Successors; Binding Effect</u>. Each Indemnifying Party will require any successor (whether direct or indirect, by purchase, merger, consolidation, reorganization or otherwise) to all or substantially all of the business and assets of such Indemnifying Party, by agreement in form and substance satisfactory to the Managers and their respective counsel, expressly to assume and agree to perform this Agreement in the same manner and to the same extent that such Indemnifying Party would be required to perform if no such succession had taken place. This Agreement shall be binding upon and inure to the benefit of each party hereto and its successors and permitted assigns, and each other Indemnitee, but neither this Agreement nor any right, interest or obligation hereunder shall be assigned, whether by operation of law or otherwise, by Parent or the Company without the prior written consent of the Managers.
- Miscellaneous. The headings contained in this Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement. All agreements and obligations of the parties contained herein shall continue during the period an Indemnitee is an Indemnitee for purposes of this Agreement and shall continue thereafter with respect to any possible claims based on the fact that the Indemnitee was an Investor Party, an Affiliate of an Investor Party (other than the Company Entities), the successor and/or assignee of an Investor Party, an Investor Party and its Affiliates' (including the Company Entities') director, officer, manager, partner, member, employee, agent, advisor, consultant, representative, a Controlling Person of an Investor Party or one of its Affiliates, or of their partners, members and Controlling Persons, or a director, officer or manager of any member of the Company Group. No amendment, modification, supplement or discharge of this Agreement, and no waiver hereunder shall be valid and binding unless set forth in writing and duly executed by the party or other Indemnitee against whom enforcement of the amendment, modification, supplement or discharge is sought. Neither the waiver by any of the parties hereto or any other Indemnitee of a breach of or a default under any of the provisions of this Agreement, nor the failure by any party hereto or any other Indemnitee on one or more occasions, to enforce any of the provisions of this Agreement or to exercise any right, powers or privilege hereunder, shall be construed as a waiver of any other breach or default of a similar nature, or as a waiver of any provisions hereof, or any rights, powers or privileges hereunder. Subject to Section 2(d) hereof, the rights, indemnities and remedies herein provided are cumulative and are not exclusive of any rights, indemnities or remedies that any party or other Indemnitee may otherwise have by contract, at law or in equity or otherwise. This Agreement may be executed in several counterparts, each of which shall be deemed an original, and all of which together shall constitute one and the same instrument. Whenever the words "include", "includes" or "including" are used in this Agreement they shall be deemed to be followed by the words "without limitation."

11. <u>Information</u>. Each of Parent and the Company hereby consents to the Investor Directors sharing any information such Investor Directors receive from any member of the Company Group with officers, directors, members, employees and representatives of the Managers and their respective Affiliates (other than other portfolio companies) and to the internal use by the Managers and such Affiliates of any information received from any member of the Company Group, subject, however, to the Managers maintaining adequate procedures to prevent such information from being used in connection with the purchase or sale of securities of Parent, Buyer, Holdings or the Company in violation of applicable law.

Dear Mr. Taylor:

This Letter Agreement reflects the mutual understanding of National Vision, Inc. ("Customer") and Essilor of America, Inc. ("Essilor") regarding Customer's purchase of direct lenses from Essilor for the Term (as hereinafter defined). This Letter Agreement will become effective on notification of signature by both parties.

Background

Customer currently operates a number of retail stores (the "Retail Stores") that provide prescription ophthalmic lenses and related services to consumers, including both single vision and multi-focal lenses (the "Direct Lenses"). Essilor is a leading manufacturer of lens products and operates an extensive network of optical laboratories. The parties have agreed that, subject to the terms of this Letter Agreement, Essilor will sell Direct Lenses to Customer's Retail Stores and owned laboratory and distribution center operations and ship, for the account of Customer, Direct Lenses to Customer's contracted laboratories outside of the U.S. as more particularly described below, and that Customer will purchase Direct Lenses from Essilor.

Direct Lenses

From and after September 1, 2011, and subject to the compliance by Essilor with the terms and conditions of this Letter Agreement, Customer grants Essilor the sole and exclusive right to provide the Direct Lenses (including digitally surfaced lenses) listed on the price list set forth in Schedule A, attached hereto (the "Price List"), to Customer's Retail Stores and owned laboratory and distribution center operations; provided, however, Customer will not, with respect to the Direct Lenses described on the Price List, be obligated to purchase from Essilor lenses for which Essilor cannot provide an equivalent or better product. For the avoidance of doubt, except as provided above with respect to exclusivity, the provisions of this Letter Agreement are effective for the Term, as hereafter defined.

The parties agree that, except as provided in the following sentence, Essilor will not sell lenses directly to Customer's Hong Kong partner laboratory ("HKO") or Mexico partner laboratory ("OMX") under this Letter Agreement and that all Direct Lenses purchased hereunder that are to be processed by HKO or OMX will be purchased by Customer. Notwithstanding the foregoing, Essilor will reasonably consider alternative arrangements for the supply by Essilor of lenses to HKO and OMX, which alternative arrangements may include the direct supply by Essilor of lenses to HKO and OMX.

Notwithstanding the foregoing, Customer agrees that the Direct Lenses supplied by Essilor pursuant to this Letter Agreement shall be utilized solely for resale in Customer's retail establishments and shall not be resold in a wholesale context.

Confidential treatment has been requested with respect to information contained within the [*] marking. Such portions have been omitted from this filing and have been separately filed with the Securities and Exchange Commission.

Term

The term of this Letter Agreement shall extend for a period starting on the date set forth above and expiring on August 31, 2016 (the "Term"), unless terminated earlier in accordance with the provisions of this Letter Agreement, and the Price List will be effective as of the date of this Letter Agreement for any orders Customer may submit to Essilor on or after this date. In addition, the exclusivity provisions set forth above shall, with respect to any Direct Lenses described on the Price List, become effective if, when, and during such time as Essilor is able to supply the Direct Lenses to Customer in accordance with the provisions of this Letter Agreement. Customer understands and acknowledges that certain products may not be immediately available for shipment.

Pricing

During the Term, Customer shall compensate Essilor for Direct Lenses in accordance with prices set forth in the Price List.

Payment Terms

[*]

Shipping and Freight

The parties agree that shipments by Essilor to HKO and OMX will be either to (i) the addresses set forth on Schedule B for the respective facilities, (ii) other addresses for HKO and OMX within their current shipping jurisdictions, upon the reasonable discussion between the parties regarding the technicalities and terms related to shipping to such addresses, or (iii) to such other addresses as mutually agreed between the parties.

Other than as described below with respect to lenses processed by an Essilor laboratory, Essilor will be responsible for all freight and other charges including duties on shipments to Customer's U.S. and OMX production facilities. Customer will be responsible for all freight and other charges including duties on shipments to HKO. Shipping method will be ground freight for stock replenishment orders and 2-Day freight to domestic labs. Customer agrees to cover actual shipping costs for all shipments of lenses processed by an Essilor laboratory that are then shipped to Customer from such laboratory. Other than with respect to shipments to HKO, which will be shipped Exworks, title for all shipments will pass and Customer will assume all risk of loss of product at the time of delivery, which will be F.O.B. point of delivery. Except as described above, Essilor shall ship lenses in accordance with practices and timeframes currently in effect for domestic shipments by Essilor to Customer.

Forecasting Information

Customer and Essilor agree to meet quarterly to review Customer's upcoming planned promotions, sales initiatives, planned new store openings, and seasonality trends as they may impact Essilor's supply chain forecasting.

Termination and Remedies

In addition to all other remedies provided by law or specified in this Letter Agreement, each of Customer and Essilor (the "Non-Breaching Party") may immediately terminate this Letter Agreement by providing notice of such termination to the other party (the "Breaching Party") upon the occurrence of any of the following events:

- a. The insolvency of, filing of a petition in bankruptcy by, against, or on behalf of, or appointment of a receiver or trustee for all or substantially all of the property of, the Breaching Party; or any dissolution, liquidation, or other insolvency proceeding by, against, or on behalf of the Breaching Party; or
- b. Breaching Party's material breach of or material failure to perform any of the terms, conditions, or covenants contained in this Agreement that is not corrected within thirty (30) days after receipt of notice of such breach; provided, however, if the breach is not capable of being cured within such thirty (30) day period and the Breaching Party is diligently pursuing such a cure, the Breaching Party shall not be deemed to be in default. In no event shall such cure period exceed sixty (60) days.

Representations and Warranties

Each party represents and warrants to the other that on and as of the date of this Letter Agreement, each and every representation and warranty set forth is true and accurate.

Each party has full corporate power and authority to execute, deliver and perform the obligations contemplated by this Letter Agreement and this Letter Agreement and the transactions contemplated hereby have been duly and validly authorized by all necessary corporate action on the part of such party.

This Letter Agreement, as executed and delivered, constitutes legal, valid and binding obligations of each party enforceable in accordance with its terms. The execution, delivery and performance of this Letter Agreement does not violate or contravene any provision of law, or conflict with the Articles of Incorporation of either party or any other document or charter under which such party was established, or conflict with or result in the breach of any provision of any agreement to which such party is a party, or constitute a default or an event that, with the giving of notice, or the passing of time, would create such a default.

Essilor represents and warrants that (a) it possesses all federal, state and local licenses and permits necessary to manufacture and sell the products in accordance with the terms of this Letter Agreement, (b) the products manufactured by Essilor will be in accordance with legal and industry specifications (including ANSI standards) and will be free from defects in workmanship and material, and (c) Essilor shall comply with all federal, state and local laws and regulations applicable to the manufacture and sale of the products in accordance with the terms of this Letter Agreement.

Force Majeure

In the event either party is prevented or delayed in the performance of any obligation required under the Agreement due to delays caused by fire, catastrophe, strikes or labor trouble, civil commotion, acts of God, governmental prohibitions or regulation, inability or difficulty to obtain materials or other causes beyond the performing party's reasonable control, the performing party shall, within ten (10) days of the event causing such delay, provide written notice to the other party of the event causing the delay and the anticipated period of delay, and the period of such delay shall be added to the time for performance thereof. The performing party shall have no liability by reason of such permitted delays. In the event the performing party fails to provide notice to the other party of the force majeure delay within such ten (10) day period, the performing party shall not be excused from the timely performance of such obligation regardless of the cause. Notwithstanding the foregoing, Customer shall have the right, in the event of a force majeure delay that adversely affects the ability of Essilor to timely deliver the Direct Lenses under this Letter Agreement, to order any Direct Lenses from a source other than Essilor.

Confidentiality

The contents of this Letter Agreement and confidential information exchanged in connection therewith are deemed confidential, shall not be disclosed to third parties, and shall be treated under an existing non-disclosure agreement between the parties. Notwithstanding the foregoing, each party may disclose such matters (a) in connection with tax proceedings, arbitration, or litigation that involves the terms of this Letter Agreement and (b) to (i) its officers, directors, affiliates, employees, accountants, attorneys, advisors, and other individuals who need to know such contents in connection with their duties on behalf of such party; (ii) actual or potential financing sources, and other parties that may enter into business transactions with each party or its affiliates (including any Contract Laboratories, hereafter defined); and (iii) government authorities (including courts and administrative agencies) if required by or advisable under applicable legal requirements. The foregoing shall not prevent either party from disclosing the existence of their vendor/customer arrangement.

Confidentiality of Price List as to HKO and Mexico Laboratory

The parties acknowledge that Essilor considers the Price List confidential and that Customer intends to contract with HKO and laboratories in Mexico, and may in the future contract with other laboratories not owned or under common control with Customer (all the foregoing, "Contract Laboratories") to process certain of the Direct Lenses for Customer. The parties accordingly agree that Customer will not contract with a Contract Laboratory for the processing of Direct Lenses unless and until either (a) the Contract Laboratory has entered into a customary confidentiality agreement, in a form and on terms substantially the same as that attached hereto as Schedule C, pursuant to which the Contract Laboratory has agreed to keep confidential the terms of the Price List or (b) Essilor and Customer have agreed upon procedures to enable the Contract Laboratory to process the Direct Lenses without having access to such terms (such procedure may include the direct shipment of the Direct Lenses to the Contract Laboratory). Essilor and Customer agree to work reasonably together to agree upon such procedures.

Relationships of the Parties

For purposes of the Letter Agreement and the transactions provided for herein, the parties to the Letter Agreement shall be deemed to be independent contractors. Nothing in the Letter Agreement is intended to create, nor shall it be construed to create, an employer-employee, franchisor-franchisee, joint venture or partnership relationship between the parties.

Indemnification, Warranties and Limitation of Remedy and Liabilities

Each party, on behalf of its respective successors, heirs and assigns, agrees to protect, defend, hold harmless and indemnify the other party, its respective parent, subsidiaries and affiliated corporations, as well as their directors, officers and employees, from and against any and all expenses, claims (including third party claims), actions, liabilities, losses and damages of any kind whatsoever (including, without limitation of the foregoing, death or injury to persons) resulting or arising out of the performance of or failure of the indemnifying party, its respective agents, employees or permitted assignees, to perform any of their joint or respective obligations pursuant to the terms of the Agreement or from any misrepresentation or the omission or commission of any act, lawful or unlawful, by the indemnifying party or any of its agents, employees or permitted assignees.

EXCEPT AS PROVIDED FOR HEREIN, ESSILOR HEREBY DISCLAIMS ALL WARRANTIES, REPRESENTATIONS AND CONDITIONS, STATUTORY OR OTHERWISE, EXPRESS OR IMPLIED, OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. THE SOLE AND EXCLUSIVE REMEDY AVAILABLE TO SHALL BE AS PROVIDED IN THIS LETTER AGREEMENT. IN NO EVENT WILL EITHER PARTY BE LIABLE FOR ANY DIRECT, INDIRECT, SPECIAL, INCIDENTAL, PUNITIVE, OR CONSEQUENTIAL DAMAGES ON ANY LEGAL THEORY, WHETHER IN CONTRACT, TORT, EQUITY, OR AT LAW, EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

Arbitration

Any controversy, dispute or claim arising out of the interpretation, performance or breach of the Agreement shall be resolved by binding arbitration at the request of either party, in accordance with the Commercial Arbitration Rules of the American Arbitration Association. The arbitrators shall apply New York substantive law and federal substantive law where state law is preempted. Civil discovery for use in such arbitration may be conducted in accordance with the provisions of New York law, and the arbitrator(s) selected shall have the power to enforce the rights, remedies, duties, liabilities and obligations of discovery by the imposition of the same terms, conditions and penalties as can be imposed in like circumstances in a civil action by a court of competent jurisdiction of the State of New York. The provisions of New York law concerning the right to discovery and the use of depositions in arbitration are incorporated herein by reference and made applicable to the Agreement. The arbitrators shall have the power to grant all legal and equitable remedies and award compensatory damages provided by New York law, subject to the limitations on damages set forth above. The arbitrators shall prepare in writing and provide to the parties an award including factual findings and the legal reasons on which the award is based. The arbitrators shall not have the power to commit errors of law or legal reasoning. Notwithstanding the above, in the event any party wishes to obtain injunctive relief or a temporary restraining order, such party may initiate an action for such relief in any court of competent jurisdiction. However, the courts shall not have the authority to review or grant any request or demand for damages.

Attorneys' Fees: Interest

In the event that either party to the Letter Agreement institutes litigation or arbitration against the other party to enforce any of the terms or conditions of the Agreement, the prevailing party in such litigation or arbitration shall be entitled to recover reasonable costs and attorneys' fees incurred by it from the other party. If any monthly statements are not timely paid by Customer, such obligation shall accrue interest at the lower of the highest interest rate allowed by applicable law and one and one-half percent (1 ½%) per month from the date that each such obligation is due until paid.

Waiver

The failure of either party to seek redress for violation of, or to insist upon strict performance of, any term, covenant or condition contained in the Agreement shall not prevent a similar subsequent act from constituting a default under the Agreement.

Previous Agreements, Modifications and Assignment

This Letter Agreement replaces any other preceding agreement, whether written or oral, between the parties on the subject matter hereof. No addition or modification to this Letter Agreement shall be valid unless made in writing signed by both parties hereto. If any provision or clause of this Letter Agreement is found to be null and void or unenforceable, the balance of this Letter Agreement will be construed as a whole to effect as closely as practicable the original intent of the parties. Neither party may assign any of its rights or obligations under this Letter Agreement to any other party without the prior written consent of the other, except for a transfer to an entity controlled by or under common control with the assigning party. Each and every assignee of any right(s) or obligation(s) under this Letter Agreement shall be bound by all of the terms and conditions hereof.

Notice

Any notices required or permitted to be given hereunder or under the Agreement shall be given in writing and shall be delivered (i) in person, (ii) by certified mail, postage prepaid, return receipt requested, (iii) by facsimile, or (iv) by a commercial overnight courier that guarantees next day delivery and provides a receipt, and such notices shall be addressed as follows:

The section "Term" of the Original Agreement shall be deleted and replaced in its entirety with the following paragraph:

Thereafter, the Letter Agreement shall extend for addition one year extensions (each a "Renewal Year, and together with Initial Term, the "Term"), unless either party gives the other at least ninety (90) days prior written notice of the end of the Initial Term or Renewal Term, as applicable, of its desire to terminate this Letter Agreement. - B. <u>Authority of Manager</u>. Subject to the terms and conditions of this Agreement and the ultimate authority of Walmart, Manager shall have the right and commensurate authority, express or implied, to manage and operate the Centers and to arrange for the Services to be provided in the Centers.
- C. <u>Exclusivity</u>. During the Term, Manager shall be the exclusive third party manager and operator of the Centers. Walmart may determine, in its sole discretion, to self-manage and self-operate any new vision center established after the Effective Date. In Stores that include Centers, Walmart shall not, with the exception of the Centers and the Offices, engage in or otherwise permit any person to engage in, the sale or the provision of prescription optical goods or the provision of vision care services. Manager may perform services for itself or persons other than Walmart that are similar or identical to the Services at non-Store locations.
- D. <u>Performance Standards</u>. Walmart shall evaluate Manager's provision of the Services consistent with this Agreement and the performance standards set forth in <u>Schedule B</u> (collectively, the "**Performance Standards"**). Manager's failure to satisfy the Performance Standards will subject Manager to the remedies set forth in

Schedule B and, after exercise of such remedies, as otherwise set forth in this Agreement.

- E. Independent Contractor. In performing its services hereunder, Manager shall be an independent contractor and not an employee of Walmart, except that Manager shall be the agent of Walmart solely to perform Manager's obligations set forth in this Agreement. Nothing in this Agreement will be construed to make one Party a partner or joint venturer with the other. Except as otherwise expressly provided in this Agreement, each Party shall be solely responsible for all employment related obligations and activities relating to its own employees that each Party had before execution of this Agreement, and that each Party would have in the absence of this Agreement, including the exclusive right to hire and fire its personnel at its sole discretion; conducting all necessary screenings and background checks of personnel before hiring them, including screening against the HHS Office of Inspector General List of Excluded Individuals and Entities, in accordance with applicable laws; classifying its personnel in accordance with applicable wage and hour laws; providing training to, and maintaining required training records for, its personnel; setting the work schedules of its personnel; evaluating the work performance of its personnel; disciplining its personnel, as it. deems necessary and in accordance with its policies; setting the compensation and other terms and conditions of employment for its personnel; compensating its own employees, maintaining all required payroll and personnel records for its own employees, providing all employee benefits for its own employees, providing its own employees with all required statutory employment notices, including notices relating to wage and hour, family and medical leave, unemployment insurance, disability insurance, equal employment opportunity, Workers' Compensation laws, and Occupational Health and Safety laws, and for making all filings and payment of all social security, withholding tax, employment insurance, workers' compensation insurance, and any other such payroll charges
- Elicensure and Accreditation. Subject to Regulatory Uncertainty, Manager shall with respect to all applicable state and local licenses, registrations and permits, accreditations, and all certifications required of or beneficial to the operation of the Centers during the Term (collectively "Licenses"): (i) identify in good faith the Party or Parties, as applicable, required to obtain and hold the Licenses; and (ii) obtain and hold the Licenses that must be obtained and held by Manager as provider of the Services. Manager shall maintain documentation of its communications with regulators for at least five years from date of creation and, subject to any reasonable and valid assertions of confidentiality, make such materials available to Walmart upon request. Subject to Regulatory Uncertainty, Walmart shall obtain and hold the Licenses that must be obtained and held by Walmart as owner or seller of the Centers. Manager shall assist Walmart to obtain, complete and submit applicable applications, forms and other materials necessary for Walmart to obtain and hold the Licenses that must be obtained and held by Walmart. The Parties will exercise commercially reasonable efforts to cooperate in their efforts to comply with applicable licensing rules and regulations. Upon request, each Party shall provide the other Party with all information and perform all actions necessary or

appropriate to enable each Party to obtain the Licenses necessary for each Party to comply with applicable licensing requirements.

G. <u>Billing and Collection</u>. During the Term, Walmart shall grant to Manager an exclusive special power of attorney and appoint Manager as Walmart's exclusive true and lawful agent and attorney-in-fact (which will be deemed revoked on the last day of the Term), and Manager accepts such special power of attorney and appointment, subject to the terms and conditions set forth in the Special Power of Attorney, attached as *Exhibit 1*. On the Effective Date, Walmart shall execute and deliver to Manager the Special Power of Attorney. Subject to review and approval by legal counsel or other personnel, determined at Walmart's sole discretion, Walmart will execute and deliver to Manager additional powers of attorney requested by Manager and necessary for Manager to manage and operate the Centers subject to the terms and conditions of this Agreement. Upon the request by Manager, Walmart will confirm to third parties that the Special Power of Attorney has not been revoked.

Walmart shall, subject to the provisions of this Section III, have sole and reasonable discretion to approve the Annual Plan subject to the provisions of Section XII.
 - b. In the event the Parties cannot agree on Net Gross Revenue for any Annual Plan, such Net Gross Revenue in the Annual Plan will be determined based on the five year compounded annual growth rate for Net Gross Revenue for the Centers, including, as applicable, the Net Gross Revenue recorded for the Centers during such time as Manager operated them under the License Agreement, using the most recently completed calendar year under this Agreement as the last year in such five year period.

- 2. <u>Semi-Annual Meetings</u>. Manager and Walmart will meet at least twice a calendar year, with each meeting at least four months apart, to discuss and prepare the Annual Plan and review Manager's performance.
- C. <u>Management and Operation</u>. The Parties have negotiated a division of responsibilities that is reflected in this Agreement and in the Services to be provided by Manager.  - 1. Provide licensed and non-licensed retail employees for the Centers and optical laboratory technicians for Manager's optical laboratories (collectively, the "Manager Personnel"). - 14. Implement and manage an electronic records system for prescription and related Goods sold in the Centers on behalf of Walmart Access to the records system for the Centers must be limited to those Manager employees who need access to such information in connection with their responsibilities on behalf of Manager under this Agreement. At the end of the Term, Manager shall deliver all such records and files to Walmart in an electronic format reasonably acceptable to Walmart. After the Term, Walmart shall give Manager and its representatives reasonable access to, and electronic or paper copies of all such records and files;
- 15. Give privacy notices to Center customers and post such notices in Centers, in a form substantially similar to that used by Walmart in its non-Center vision centers to indicate that Center customer data is collected by Manager for and on behalf of Walmart;

IV. COMPENSATION

[*]†

† The compensation provision that has been omitted and for which confidential treatment has been requested is more than one page of text. All such omitted material has been separately filed with the Securities and Exchange Commission.

C. Third Party, Contact Lenses and FS Items.

Third Party Contracts.

- a. The Parties acknowledge that under the License Agreement and until the Effective Date, Manager had engaged in sales of optical products comparable to the Goods to be sold under this Agreement ("Existing Third Party Items") to individuals at the Stores pursuant to safety and managed care plans and government health care program contracts to which Manager remains a party as of the Effective Date ("Existing Third Party Contracts"). From the Effective Date until the Third Party Transition Date, Manager may continue to engage in the sale of such optical products at the Centers ("New Third Party Items", together with Existing Third Party Items, the "Third Party Items") pursuant to such Existing Third Party Contracts.
- b. The Parties acknowledge that it is their intent that the Existing Third Party Contracts be assigned (by partial or full assignment) or transferred (whether by novation or otherwise) to Walmart (or a wholly-owned Walmart subsidiary entity as specified by Walmart) so that, as of the Third Party Transition Date, Walmart (or its designated subsidiary entity) will, with respect to the Centers, become the provider under such Existing Third Party Contracts. Notwithstanding anything to the contrary in the foregoing, in no event will Manager, without the prior consent of Walmart, transfer to Walmart (or its designated subsidiary entity) an Existing Third Party Contract that will subject Walmart (or its designated subsidiary entity) to requirements applicable to government contractors and sub-contractors, including without limitation any contract that would subject Walmart (or its designated subsidiary entity) to the jurisdiction of the U.S. Department of Labor's Office of Federal Contract Compliance Programs. The terms and conditions of the transferred or assigned Existing Third Party Contracts shall be identical or substantially similar to the terms and conditions of the Existing Third Party Contracts, and shall be reasonably satisfactory to the Parties.

- c. The Parties agree that the transfer or assignment of Existing Third Party Contracts will occur at such time as the Parties reasonably agree that the objectives of this Section IV.C have been met. The Parties further agree that the transfers or assignments of the Existing Third Party Contracts will occur on a single effective date (the "Third Party Transition Date") that will be identical to the Contact Lens Transition Date. The Parties contemplate to have the Third Party Transition Date and Contact Lens Transition Date occur no later than December 31, 2012 and agree to reasonably cooperate to cause the Third Party Transition Date to occur within a reasonable amount of time from the Effective Date, taking into account the number of Existing Third Party Contracts, the expected administrative effort on the part of the Parties as well as the third party payers, and coordination with the Contact Lens Transition Date. Such cooperation will include, without limitation, the formation by Walmart of a subsidiary entity or entities to serve as the contracted party under the assigned or transferred Existing Third Party Contracts, and the timely completion and submission of any applicable enrollment forms and applications.
- d. The Parties further agree to reasonably cooperate to prepare and submit, in a timely manner, all enrollment and application forms for participation in, and enter into new contracts with private and public health care programs that will become effective on or after the Third Party Transition Date ("New Third Party Contracts", together with Existing Third Party Contracts, "Third Party Contracts"). Notwithstanding anything to the contrary in the foregoing, in no event will Manager, without the prior consent of Walmart, arrange for Walmart (or its designated subsidiary entity) to enter into a New Third Party Contract that will subject Walmart (or its designated subsidiary entity) to requirements applicable to government contractors and sub-contractors, including without limitation any contract that would subject Walmart (or its designated subsidiary entity) to the jurisdiction of the U.S. Department of Labor's Office of Federal Contract Compliance Programs.
- e. Throughout the Term, Manager will use commercially reasonable efforts to obtain favorable contracting terms and conditions (to Walmart or designated subsidiary entity) for all New Third Party Contracts and shall not intentionally disadvantage Walmart through its negotiations with third parties on behalf of Manager's non-Center operations.
- f. The Parties agree and acknowledge that, in connection with the assignments or transfers of the Existing Third Party Contracts or the acquisition of New Third Party Contracts, it may be necessary that certain of the Licenses are transferred from one Party to the other Party or that the other Party will seek to obtain a new License. In such event, the Parties agree to cooperate reasonably with each other to enable each Party to continue to comply with applicable law or contract.

- 2. <u>Contact Lenses</u>. The Parties acknowledge that they contemplate that under this Agreement, Manager will initially sell contact lenses on its own behalf from non-California Offices and the Centers and that, upon notification from Walmart, Manager will sell contact lenses on behalf of Walmart under this Agreement (the effective date of such notification, the "<u>Contact Lens Transition Date</u>"). Walmart agrees to reasonably cooperate with Manager in connection with the Contact Lens Transition Date and to, among other matters, provide Manager with thirty days' notice of such date.
- 3. <u>FS Items</u>. The Parties further acknowledge that, with respect to contact lenses sold to customers by FS at any time during the Term, whether at retail or pursuant to managed care plans ("**FS Items**"),FS will, from the Offices located in California, sell such items on its own behalf and for its own account and shall be entitled to bill, seek payment, file claims, and receive all payments, whether copayments, provider payments, or otherwise from the relevant customers and under the relevant plans.

 [*]

G. <u>Reconciliation of Inventory for Centers</u>. No later than ten days after the end of each calendar month, Manager shall determine the supply of inventory at the Centers as of the end of such calendar month and shall issue a credit or invoice to Walmart for any shortfall or excess of inventory over the inventory level as the last day of the previous calendar month.

V. WALMART'S OBLIGATIONS

During the Term, Walmart shall at its expense provide and be responsible for, including all the costs related to, the following:

- A Determining appropriate Goods offerings for the Centers (notwithstanding anything to the contrary contained in this Agreement, in no event will any Center sell any Goods not usual and customary for the operation of a vision center without Walmart's express permission, which it may withhold in its sole discretion);

- H. Cooperating in good faith with Manager to ensure that all Goods are provided in the Centers in accordance with applicable laws, and the requirements of any private or governmental agency, and in obtaining any Licenses required;

- I. Providing all utilities to the Centers including, without limitation, all electrical services, gas services and water charges. The Parties acknowledge that Manager will maintain its current telephone system and that, with the cooperation of Walmart, Manager may install its own wired internet connections at the Centers. Walmart will provide access to Walmart's switchboard for telephone calls made to departments within Walmart;
- J. Notifying Manager immediately of any lawsuits or actions, or any threat thereof, that become known to Walmart that could reasonably be expected to have an adverse affect on the operation of one or more Centers; provided, that in, the case of a threat thereof, actual steps to enforce such threat must become known to Walmart or in Walmart's reasonable judgment appear imminent;
- K. Unless prohibited by law, notify Manager promptly of any actions by any regulatory board, personal injury or properly damage or other loss or damage occurring to or claimed by any party with respect to the Centers and forward promptly to Manager copies of any summons, subpoena, or other like legal document served upon Walmart relating to actual or alleged potential liability of Manager, and, unless prohibited by law, cooperate with the investigation and response to any claim in a manner consistent with the established risk management programs of Manager and Walmart; and
- L. Cooperating with Manager in connection with Third Party Contracts, including Manager's submission of all enrollment and application forms for participation in private and public health care programs in a timely manner.

VI. IMPLEMENTATION OF AGREEMENT

[*]

- C. <u>Sale of Warranty Plans</u>. The Parties agree to reasonably cooperate with each other in connection with the approval by Walmart and sale by Manager of warranty and similar programs on behalf of Walmart.
- D. Policies. The Parties acknowledge and agree that, pursuant to various provisions of this Agreement, Walmart has, subject to state and federal laws and the professional judgment of the Managed Personnel who are professionals licensed or registered under those laws, final control and authority over the operation of the Centers, including without limitation the Annual Plan and the associated budget as well as various policies and procedures, including without limitation, policies concerning pricing, marketing, merchandising, and inventory and supplier matters and the offering of Goods that will govern or affect the operation of the Centers and the provision of the Services (collectively, any and all such controls, policies, and procedures, the "Policies"). Walmart shall give Manager prior written notice of at least sixty days of the proposed adoption of any Policy and such Policy shall be deemed to be not an Adverse Policy unless Manager notifies Walmart, within thirty days after receipt by Manager of the notice from Walmart, that Manager has determined that the Policy is an Adverse Policy. The Parties further agree that, if Walmart adopts or requires Manager to adopt a Policy that, in the good faith judgment of Manager, may, either individually or in combination with other Policies, materially and adversely affect the revenues, profitability, management, or operation of the Centers (an "Adverse Policy"), the implementation of the Policy will be delayed until sixty days after the Parties have completed the procedures set forth in Section XII below. In the event that, after completion of these procedures, a Party withdraws from the mediation. Manager may, within thirty days of (1) receipt of notice of such withdrawal by Walmart or (2) the delivery of its own notice of withdrawal, elect to terminate this Agreement upon notice of thirty days to Walmart.

- Center Remodel.
 - 1. "Remodel" means painting, fixing and cleaning, including replacing ceiling tiles, if necessary in a Center.
 - 2. In 2012, Walmart shall pay to Remodel the Centers listed on the attached *Exhibit 4* and the timeframe for the Remodels will be determined in Walmart's sole discretion.
 - 3. In 2013, 2014 and 2015, Manager shall Remodel the Centers listed on the attached *Exhibit* 5.

- 4. Manager shall obtain the approval from Walmart for all Remodel work with a projected cost more than \$100,000 prior to performing any Remodel work. Any applicable Remodel work performed without approval of Walmart is subject to additional Remodel to Walmart's satisfaction.
- B. <u>Remodeled or Relocated Stores</u>. In connection with a remodel or expansion of a Store (a "**Remodeled Store**") or the replacement or relocation of a Store (a "**Relocated Store**"):
 - 1. Walmart may, upon sixty days' notice to Manager, change the format for any Store about to become a Remodeled Store or Relocated Store;
 - 2. at the expense of Walmart, Walmart may temporarily relocate a Center within the same Remodeled Store for up to thirty days or such additional time as reasonably required by Walmart;
 - 3. after completion of a Remodeled Store or Relocated Store, Walmart shall, in a manner consistent with its past practice, conform the format at the Center to the format implemented by Walmart with respect to other Centers, which will be at least in a "white box" condition and will not adversely affect the ability of Manager to operate the Centers, and Walmart shall at its expense relocate the operations from the temporary space to the original space or, as applicable, to the comparable location in the Relocated Store, pay for the costs associated with finishing to "white box" condition any Center, and Manager shall, at Manager's expense, furnish such Centers;
 - 4. the Term will, in each case where Manager provides invoices totaling more than \$100,000 in actual remodeling expenses for one Remodeled Store or Relocated Store, be extended seven days for every Remodeled Store or Relocated Store that contains a Center (any extension of the Term pursuant to this Section VII.B. shall be in addition to any extension pursuant to Section VIII.A. below); and 5.in exercising any of its rights under this Section, Walmart shall not materially interfere with the operations of the Centers and shall not, by way of example but not limitation, cause the Centers to close for business without having been previously relocated within the impacted Center's Remodeled Store or Relocated Store.
- C. <u>Closing</u>. Notwithstanding any provision of this Agreement, either Party may, at its sole discretion and upon ninety days' written notice to the other Party, close up to five Centers per rolling twelve-month period without any further obligation or liability to the other Party and this Agreement will, as of such closure of a given Center, be terminated with respect to such Center; provided however, that Centers closed by Walmart pursuant to Section VIII.B.5 of this Agreement shall not count against the five Center limit.

VIII. DURATION, TERMINATION AND DEFAULT

A. <u>Duration</u>.

1. This Agreement begins on the Effective Date and continues until May 31, 2017, unless sooner terminated or extended in accordance with the terms of this Agreement. This Agreement will automatically renew for one additional five-year term unless one Party gives the other Party written notice of non-renewal no later than November 1, 2016. The initial term and any renewal term of this Agreement are referred to collectively as the "Term."

- 2. Manager's right to perform the Services at the Centers expires at the end of the Term; provided, however, that if the Option is exercised (regardless of when), and either (a) the Closing occurs or (b) the Closing does not occur for reasons other than the breach by Manager of the provisions of the Option Agreement or the Stock Purchase Agreement, the Term will be extended by six months. Notwithstanding anything to the contrary in this Agreement, if Walmart exercises the Option but, as of May 31, 2017 (or, if the Agreement has been renewed, as of May 31, 2022) the Closing has not occurred, then
 - a. if and when the Closing occurs, the Term will, as of the Closing, be extended until November 30, 2017 or, if the Agreement has been renewed, until November 30, 2022;
 - b. if the Closing does not occur because of a breach by Manager of the Option Agreement or of the Stock Purchase Agreement, the Term will be deemed to expire sixty days after the date Walmart has terminated either the Option Agreement or the Stock Purchase Agreement as the result of such breach, or
 - c. if the Closing does not occur for any other reason, the Term will expire on November 30, 2017 or, if the Agreement has been renewed, on November 30, 2022.
- 3. Undefined terms used in this Section VIII will have the meanings given to them in the Option Agreement.
- 4. Notwithstanding anything to the contrary in this Agreement, if the Closing occurs, the terms of this Agreement, with respect only to Centers located in the State of California, will cease to apply, effective as of the date of the Closing.

B. <u>Termination</u>

- 1. Manager shall have the option to terminate this Agreement immediately upon notice to Walmart upon the occurrence of a Material Default by Walmart. "Material Default by Walmart" means Walmart's failure to perform its material duties and obligations under this Agreement and failure to cure the same within forty-five days after written notice is given by Manager to Walmart specifying the nature of such failure, breach, or default or if such breach or default cannot reasonably be cured within forty-five days, fails to commence such cure or remedy within said forty-five day period or at any time thereafter fails to diligently prosecute such cure or remedy to completion.
- 2. Walmart has the right, but not the obligation, to terminate this Agreement upon notice to Manager following the occurrence of any default by Manager. "Material Default by Manager" means Manager's failure to perform its material duties and obligations under this Agreement and failure to cure the same within forty-five days after written notice is given by

Walmart to Manager specifying the nature of such failure, breach, or default or if such breach or default cannot reasonably be cured within forty-five days, fails to commence such cure or remedy within said forty-five day period or at any time thereafter fails to diligently prosecute such cure or remedy to completion and includes the following (including the expiration of any notice and cure periods):

- a. Subject to Regulatory Uncertainty, Manager fails, for reasons solely within the control of Manager (and not, by way of example and not by limitation, arising out of the acts or omissions of Walmart), to hold and remain the holder of all necessary Licenses required of Manager as the operator, manager and provider of Services and, within a reasonable time (allowing for submission of appropriate materials by Manager, review by applicable authorities, and any associated processing time and similar matters) following receipt of notice from Walmart, fails to obtain such Licenses;
- b. Any member of the Board of Directors or executive officer of Manager commits an act of fraud, misappropriation, embezzlement or a felony directly against Walmart unless, following notice by Walmart to Manager of such act, Manager or one of its affiliates promptly reimburses Walmart for any direct or monetary out of pocket loss resulting from such act;
- c. Manager fails to maintain insurance in the amounts required by this Agreement and does not obtain such insurance within thirty days after written notice thereof is given by Walmart to Manager; or
- d. Manager shall file a voluntary petition in bankruptcy, or shall be adjudicated as bankrupt or insolvent, or shall file any petition or answer seeking any reorganization, arrangement, composition, readjustment, liquidation, dissolution, or similar relief under any present or future statute or law relating to bankruptcy, insolvency, or other relief for debtors, whether federal or state, or shall seek, consent to, or acquiesce in the appointment of any trustee, receiver, conservator, or liquidator of Manager, or of all or any substantial part of its properties (the term "acquiesce" as used in this Agreement, being deemed to include but not to be limited to the failure to file a petition or motion to vacate or discharge any order, judgment, or decree providing for such appointment within the time specified by law); or a court of competent jurisdiction shall enter an order, judgment, or decree approving a petition filed against Manager seeking any reorganization, arrangement, composition, readjustment, liquidation, dissolution, or similar relief under any present or future statute or law relating to bankruptcy, insolvency, or other relief for debtors, whether federal or state, and Manager shall consent to or acquiesce in the entry of such order, judgment, or decree, or the same shall remain unvacated and unstayed for an aggregate of sixty days from the date of entry thereof, or any trustee, receiver, conservator, or liquidator of Manager or of all or any substantial part of its properties

shall be appointed and such appointment shall remain unvacated and unstayed for an aggregate of sixty days.

- 3. This Agreement may be terminated at any time by the mutual written agreement of the Parties and such termination will be effective as of the date specified in such mutual written agreement.
- 4. During a period expiring sixty days after receipt by Walmart of the notice described below, Walmart has the right, but not the obligation, to terminate this Agreement upon notice that Manager or any of its affiliates, or any of their respective officers, directors, employees, stockholders, agents, accept an offer from a Competing Business with respect to the possible disposition of all or substantially all of the assets of Manager or the sale of a majority of the assets or capital stock of Manager, or a business combination in which Manager is acquired by a Competing Business, whether such combination occurs by way of merger, consolidation, share exchange or other transactions ("Acquisition Transaction"), Manager shall provide Walmart with not less than twenty days prior written notice of such Acquisition Transaction to include the name, address of the Competing Business. "Competing Business" means any of the entities listed on the attached *Exhibit 6*.
- 5. In the event of a default by Manager that relates to a particular Center, Walmart may proceed with its remedies, including closure of the defaulting Center, for default only as to that particular Center.

IX. POST-TERMINATION AND TRANSITION PROVISIONS

- A. <u>Transition Provisions</u>. Upon the expiration of the Term, Walmart and Manager shall reasonably cooperate to facilitate the transfer and transition of the management of the optical business conducted at the Centers from Manager to Walmart (or its designee) in the manner described in this Section.
- B. <u>Doctors and Associates</u>. Seven months before the scheduled expiration of the Term, Manager shall provide to Walmart the names and current contact information (the "Contact Information") of each optometrist and ophthalmologist and each of Manager Personnel then performing services for, in affiliation with, or employed by Manager, at each Office or Center (as applicable, the "Doctors" and the "Associates"). Manager shall reasonably cooperate with Walmart's efforts to review the qualifications of the Doctors and the Associates for, to the extent permitted by law, employment, sublease arrangement, license agreement or other working relationship with Walmart to commence on or after the expiration of the Term. During the period commencing six months before, and ending two months before, the expiration of the Term (the "Solicitation Period"), Walmart may approach any and all Doctors and Associates, as appropriate, about entering into an agreement for space and equipment or working for or licensing space from Walmart on or after the end of the Term. Walmart shall have a "first right" with respect to such Doctors and Associates during the Solicitation Period; that is, unless and until Walmart notifies Manager in writing that Walmart has elected not to offer to a specific Doctor or a specific Associate (a "Non-Restricted Person") the opportunity to affiliate with (e.g., through a license agreement) or, as permitted by law, work for

or with Walmart, Manager shall not, during the Solicitation Period, approach, solicit or otherwise attempt to induce any Doctor or Associate to affiliate with or work for or with any entity other than Walmart, including Manager; provided that Manager may solicit for employment, hire, or enter into sublease or comparable arrangements with, any such Non-Restricted Person; provided, further, such restrictions will not be construed to interfere with Manager's existing employment or contractual relationships with such Doctors or Associates, including changes to such relationships in the course of business. Within thirty days after the Solicitation Period, Walmart shall deliver to Manager a list of Doctors and Associates who during the Solicitation Period accepted an offer to affiliate with (through a license or sublease agreement) or accepted an offer of employment or contract to work for or with Walmart ("Designated Individuals"). Manager shall not, at any time before the expiration of the six months following the end of the Term, specifically solicit or otherwise attempt to recruit or contract with any of the Designated Individuals. During the Solicitation Period, Manager shall reasonably cooperate with Walmart in Walmart's efforts to affiliate or contract with, hire or otherwise retain the services of Doctors and Associates who are not Non-Restricted Persons and Manager shall reasonably cooperate with Walmart in the transition to employment or other relationship with Walmart of such persons who are offered employment or other relationships and affiliations with Walmart. The provisions of this Section will not prevent Manager from engaging in its normal recruitment and solicitation activities that are not specifically aimed at Doctors and Associates, including, without limitation, advertising employment and doctor openings and engaging employment agencies to recruit on behalf of Manager. With respect to such Doctors and Associates who can and do accept direct employment with Walmart, service and prior employment with Manager shall be treated as service and employment with Walmart for purposes of any service, seniority, or employment requirement for vesting or eligibility to participate in any employment benefit plan or arrangement maintained by Walmart. Walmart shall have no obligation whatsoever to hire or otherwise retain the services of or affiliation with any Doctor or Associate, and shall extend such offers in its sole discretion.

- C. <u>Equipment and Display Fixtures</u>. Upon notice given by Walmart to Manager at least ninety days before the end of the Term, Walmart may purchase, pursuant to <u>Schedule F</u>. or, pursuant to the lease attached as <u>Schedule G</u>. lease, for up to three years from the end of the Term, all of the optometric and related equipment, and optical display fixtures (the "E&F") at the particular Center designated by Walmart, provided, however, that, with respect to any particular Center, Walmart shall either purchase or lease all of the E&F or shall purchase or lease none of the E&F; and, upon at least thirty days' notice from Walmart of Walmart's election to discontinue use and lease of any particular E&F, to be given from time to time with respect to such E&F, Walmart shall deliver, at the expense of Manager and in accordance with Section 15 of the lease attached to this Agreement as <u>Schedule G</u>, such E&F to a location designated by Manager. Such option to purchase or lease the E&F will be void and of no force and effect if Walmart fails to timely exercise the option by
 - 1. providing notice to Manager; and

- 2. executing and delivering to Manager the purchase agreement (*Schedule F*) or the lease (*Schedule G*). Notwithstanding the foregoing, and consistent with the terms of Section 15 of the lease attached to this Agreement as *Schedule G*. that portion of the E&F that consists of optical displays will, upon the expiration or earlier termination of such lease, be deemed abandoned by Manager and disposed of by Walmart at its sole cost and expense, unless Manager, by notice to Walmart sent at least thirty days prior to the expiration or earlier termination of such lease, affirmatively directs Walmart to return such items to the location designated by Manager, in accordance with the terms of the lease attached to this Agreement as *Schedule G*. Walmart is under no obligation to purchase or lease any E&F from Manager.
- D. Removal of Property. Manager shall retain ownership of, and shall promptly remove from each Center no later than two days after the end of the Term, its point of sale (POS) equipment. Manager shall remove, at its sole cost and expense, any of its personal property other than the E&F purchased or leased by Walmart provided above, prior to the end of the Term. Any personal property of Manager, other than the E&F if and to the extent that Walmart has exercised the foregoing option, remaining in the Centers three days after the end of the Term will be deemed abandoned by Manager, unless Manager has previously notified Walmart of Manager's intention to remove such property. In such event, Walmart may store the property at the reasonable expense of Manager at a place and in a manner of Walmart's choosing. Regardless, in the event Manager has not removed any of its property within fifteen days following the end of the Term (other than the E&F that Walmart opts to purchase or lease as provided for above), such property will become the property of Walmart, at Walmart's sole option.
- E. <u>Records</u>. Upon termination of this Agreement for any reason:
 - All Confidential Information will be treated in accordance with Section XI of this Agreement.
 - 2. All PHI will be treated in accordance with Section XI of this Agreement.
 - 3. All records and files of the Centers that are not considered PHI for Goods, in whatever form or format, except as addressed in Sections XI, below and in this Section IX (the "**Records**"), shall remain the property of Walmart, provided, however, that to the extent readily identifiable and segregable, Manager shall be permitted to redact such Confidential Information or PHI from the Records.
 - 4. All Records in the possession of Manager or its affiliates shall be returned or transferred to Walmart upon the termination of this Agreement and Walmart shall assume responsibility for and custody and control of the Records.
 - 5. During the sixty day period following the termination of this Agreement, each Party will have full and free access to the Records if necessary, and Manager, at Manager's expense, will be entitled to retain any and all copies of Records as allowed by law and thereafter Manager will continue to have access to Records as permitted by this Agreement and applicable law; provided, further, however, that Manager will own any and

all records relating to the provision by Manager of Third Party Items before the Third Party Transition Date and contact lenses before the Contact Lens Transition Date, and that Manager will cooperate with Walmart with respect to requests by customers to transfer such records to Walmart locations in a manner consistent with applicable law.

- 6. The Parties agree to engage in good faith efforts to cooperate and coordinate the sharing and transfer of Records, to the extent permitted by applicable law and this Agreement, in order to provide services to the customers of the Centers, and for other legitimate corporate purposes.
- 7. Manager shall not copy or otherwise retain any information in the Records; provided, however, that subject to **Schedule H.** Manager shall not be required to destroy electronic backup tapes made in the ordinary course of business; provided, further, however, that Manager shall not use any such information in a manner inconsistent with the terms of this Agreement, including **Schedule H.** and shall not use such information to solicit or marketthose Center customers who received Goods at the Centers. Subject to applicable law, Walmart will grant Manager reasonable access, at Manager's cost, to the Records, with an opportunity to obtain paper or electronic copies at Manager's expense, during normal business hours and upon reasonable notice for appropriate legal and business purposes, including, without limitation, in connection with any audit or investigation of Manager by any government agency. Walmart will cooperate with Manager with respect to requests by customers to transfer their records to Manager locations other than the Centers in a manner consistent with applicable law; provided, however that the provisions of this sentence will not be construed to authorize Manager to use the Records to:
- solicit customers of Walmart; or
- 2. encourage customers not to do business with Walmart at any time. Manager also agrees to maintain and use Records, following a grant of access as described immediately above, in conformity with state law and the requirements of **Schedule H**.
- F. <u>Inventory.</u> Upon the termination of this Agreement, Manager shall purchase from Walmart all existing inventory in the Centers in exchange for a payment in an amount equal to the amount Walmart acquired such inventory from Manager; such payment to be made within five days of the final determination of the amount of such inventory.
- G. <u>Amounts Due</u>. Upon the termination of this Agreement, any amounts due to a Party under this Agreement will be paid within thirty days of the effective date of termination.
- H. <u>Cooperation</u>. The Parties shall cooperate with each other and take such other steps as are reasonably necessary to terminate their relationship.

- 2. All insurance policies must have such deductibles and cover such risks of loss as customarily maintained by persons engaged in similar businesses as Manager. With respect to policies (c), (d), (e), and (f) referenced above, Walmart shall be included as an additional insured as its interest may appear. Manager shall not allow coverage to lapse for any reason whatsoever without providing prior written notice of at least fifteen days to Walmart. Upon execution of this Agreement, at each annual renewal of insurance or upon request from Walmart, Manager shall deliver such certificates of insurance as may be necessary to show compliance with the insurance requirements of this Agreement. If Manager fails to maintain the insurance required by this Agreement and does not cure this deficiency within ten days after receipt of notice from Walmart, Walmart may, but is not be obligated to, procure such insurance and to deduct from amounts due to Manager for Services rendered any premium costs and other reasonable expenses incurred by Walmart in procuring any such insurance.
- B. <u>Indemnity by Manager</u>. Subject to the provisions of Section X.D. and X.E., Manager shall indemnify, defend, and hold harmless Walmart and its Indemnitees, against any Claim for Damages raised or asserted by a third party, including a government entity, even if the Claim is groundless, fraudulent, or false, to the extent resulting from or arising out of: (i) any violation by Manager of a patent, copyright, trademark, trade secret, or other proprietary right of such third party; (ii) any actual or alleged breach of this Agreement by Manager, including, but not limited to, any breach by Manager of the representations and warranties and covenants contained in this Agreement; (iii) any violation of applicable law by Manager; (iv) any actual or alleged negligence or willful misconduct by Manager; and (v) all sales, gross receipts and other taxes, including penalty and interest, assessed against Walmart if and to the extent such assessment is attributable to Manager's failure to collect or pay to Walmart or the taxing authority the correct amount of state or local tax or both on taxable sales of Goods. "Claim" means any action, cause of action, claim, or any other assertion of a legal right. "Damages" means out of pocket damages and expenses and includes punitive damages, fines, judgments, losses, liabilities and expenses (including, but not limited to, reasonable attorneys' fees and costs, expert witness fees and bond premiums) and regulatory actions, sanctions or settlement

- C. <u>Indemnity by Walmart</u>. Subject to the provisions of Section X.D. and X.E., Walmart shall indemnify, defend, and hold harmless Manager and its Indemnitees, against any Claim for Damages raised or asserted by a third party, including a government entity, even if the Claim is groundless, fraudulent, or false, to the extent resulting from or arising out of: (i) any violation by Walmart of a patent, copyright, trademark, trade secret, or other proprietary right of such third party; (ii) any actual or alleged breach of this Agreement by Walmart; (iii) any violation of applicable law by Walmart; (iv) any actual or alleged negligence or willful misconduct of Walmart or that of any of its officers, directors, agents, or employees; (v) any acts or omissions of Walmart or any of Walmart's employees, acts or omissions of Manager Personnel performed at the direction of Walmart, any other liability of Walmart and from any reasonable counsel fees and other costs and expenses incident to any of the above.
- D. <u>Waiver of Subrogation</u>. Walmart and Manager (each a "**Waiving Party**") each hereby waives and release all rights of recovery against the other and the other's agents and employees (the "**Released Parties**") on account of loss or damage to the property of the Waiving Party to the extent that such loss or damage is required to be insured against under any property damage insurance policies required to be carried by this Agreement. By this waiver it is the intent of the Parties that the Released Parties shall not be liable to the Waiving Party or any insurance company (by way of subrogation or otherwise) insuring the Waiving Party for any loss or damage insured against (or that could have been insured against) under any property damage insurance required by this Agreement, even though such loss or damage might be caused by the negligence of one (1) or more of the Released Parties; provided, however, that the mutual release contained herein will not apply to damage to the Waiving Party's property caused by the gross negligence or willful misconduct of any of the Released Parties. If the Waiving Party does not carry, or is not required to carry, property damage insurance pursuant to this Agreement, this release will apply to damage to the Waiving Party's property that would have been covered by a policy of "all risk" or "special form" property damage insurance if the Waiving Party had maintained such insurance.
- E. <u>Limitations</u>. Each Party and its Indemnitees shall not be entitled to recover any special, consequential, exemplary, future, or incidental Damages from the other Party or its Indemnitees under this Section X. The Parties agree that the sole and exclusive remedy for Damages suffered by a Party and its Indemnitees arising out of or related this Agreement shall be pursuant to this Section X.

Manager shall pay the Mediator compensation and other reasonable costs. The location of any Mediation will be Chicago, Illinois.

C. The Parties, their counsel and all attendees agree that the mediation and all negotiations and communications related thereto constitute settlement discussions. The Parties, their counsel, the Mediator, and all attendees shall make no statement of any type or nature, whether written or oral, to the news media or any other third party regarding the mediation, provided, however, that the Parties may report to a court whether the mediation was successful or unsuccessful, or if the disclosure is required under applicable laws. All statements by the Parties, their counsel, and the Mediator relating to the mediation, and any documents created for or during these proceedings, are inadmissible and not discoverable for any purpose, in any pending or subsequent judicial, quasi-judicial, arbitration, or any other proceeding, absent consent of all Parties, and absent such consent shall not be disclosed by the Mediator or any Party or counsel to the press or otherwise made public. The Mediator will not be subpoenaed or requested to testify by any Party or counsel in respect of the mediation without consent of all Parties. Notes and any other materials generated during the conference by the Mediator, the Parties, or otherwise in connection with the mediation shall be confidential and will not be subpoenaed by any Party. However, evidence that is otherwise admissible or discoverable shall not be rendered inadmissible or non-discoverable as a result of its use in the mediation. When a Party or counsel meets alone with the Mediator, he or she will clearly inform the Mediator what statements or documents shall remain confidential, and what may be shared with the other Party. If such information is not provided the Mediator, it shall be presumed that all such statements and documents may be shared with the opposing Party and counsel. The Mediator shall have the same immunity as judges under federal law, and the parties jointly and severally agree to hold harmless and defend the Mediator in connection with any subpoena or other

D. Any Party may withdraw from the mediation on written notice to the other Party if the Mediator declares the mediation at an impasse or if any Party rejects the Mediator's written recommendations.

XIII. REGULATORY & COMPLIANCE MATTERS

- A. <u>Government Approvals</u>. The Parties shall give any notices to, make any filings with and use their reasonable best efforts to obtain any authorizations, consents, and approvals of, governments and governmental agencies in connection with the transactions contemplated by this Agreement.
- B. <u>Compliance with All Applicable Laws</u>. The Parties shall comply with all applicable federal, state and local statutes, laws, ordinances, rules and regulations, and with the orders of all courts of law pertaining to the Agreement and the performance of the Parties' respective obligations in this Agreement.
- Immigration Compliance. Manager will at all times during the Term comply in all material respects with all immigration laws, statutes, rules, codes, orders, and regulations including, without limitation, the Immigration Reform and Control Act of 1986, as amended, and the Illegal Immigration Reform and Immigrant Responsibility Act of 1996, as amended, and any successor statutes. Manager shall at all times during the Term properly maintain all records required by the United States Citizenship and Immigration Services (the "USCIS") including, without limitation, the completion and maintenance of the Form 1-9 for all Manager's employees providing the Services at the Centers, and shall at all times during the Term respond in a timely fashion to any inspection requests related to such I-9 Forms. During the Term, Manager shall, and shall cause its directors, officers, managers, agents and employees to, fully cooperate in all respects with any audit, inquiry, inspection or investigation that may be conducted by the USCIS of Manager or any of its employees providing the Services at the Centers. Manager shall, on a bi-annual basis during the Term, conduct an audit of the I-9 Forms for its employees and shall promptly correct any defects or deficiencies that are identified because of such audit. If, at any time during the Term, Walmart informs Manager that it is in breach of this Section with respect to any employee of Manager performing Services at the Centers, Manager shall, within thirty days of receiving such notice, correct such non-compliance to Walmart's reasonable satisfaction (it being understood that the termination of such employee, together with the implementation by Manager of adequate controls in order to reasonably prevent such breach from re-occurring in the future with respect to any other employees of Manager performing Services at the Walmart facilities, will be a cure to such non-compliance that is reasonably satisfactory to Walmart). If Manager does not cure such non-compliance with such 30-day period in accordance with the immediately preceding sentence, then, during the 30-day period immediately following the expiration of the 30-day period referred to in the immediately preceding sentence, Walmart may terminate this Agreement unless, prior to the expiration of such second thirty day period, Manager has cured such non-compliance. The terms and provisions of this Section XIII.B shall apply only to those employees of Manager who provide Services.
- D. <u>Criminal Background Checks and Exclusion Screening</u>. In advance of assigning any employee who is hired on or after May 1, 2012, to do any work at the

Centers, each Party shall inquire diligently into and screen the qualifications of each person whom it assigns to do any work at the other Party's facilities, and each Party shall not assign any person to do any work at the other Party's facilities if the person poses a reasonably ascertainable risk to the safety or property of such other Party or its employees, customers, or business invitees. For purposes of this provision, "inquire diligently into and screen" means conducting a criminal background check in accordance with federal and state law, properly checking references, and using such other methods to determine the qualifications of any person whom such Party assigns to do any work at the other Party's facilities as a reasonable and prudent employer might utilize under the circumstances, and shall include the appropriate review at hire and periodically thereafter of the HHS OIG List of Excluded Persons and other industry standard screening practices. Also, "risk" means any propensity to engage in violence, sex crimes, fraud, theft, vandalism or any other conduct likely to result in harm to a person or property.

- E. <u>Authorization Verification Requirements</u>. Manager shall comply with all federal, state and local laws and regulations, including, but not limited to, labor and employment laws, such as the Immigration Reform and Control Act of 1986, as amended, and the Illegal Immigrant Responsibility Act of 1996, as amended. Manager shall comply with immigration laws requiring verification of employment authorization.
 - 1. Certification of Compliance. Manager represents and warrants that:
 - a. Manager will have a qualified professional review the I-9 forms, and supporting documentation, for all employees of Manager who work on any Walmart project and/or on any Walmart facilities;
 - b. Manager warrants that, it will exercise commercially reasonable efforts to obtain identity and employment authorization documentation for each worker that appears to be reasonably genuine on its face and relates to the person presenting it; and
 - c. Manager will require its subcontractors who work on any Walmart project or in any Walmart facilities to comply with applicable immigration law requirements.
 - 2. Plan of Compliance. Manager shall have, and require its subcontractors to comply with applicable immigration law requirements. In addition, Manager shall require the following:
 - a. Manager's employees and its subcontractor's employees have and maintain on their persons valid government-issued identification card when legally obligated to do so;
 - b. Manager will maintain copies of I-9s and supporting documentation for each Manager employee;
 - c. Manager will require its subcontractors to maintain copies of I-9s and supporting documentation for each subcontractor employee; and
 - d. Manager will maintain an updated list of all Manager's employees and subcontractors who work on any Walmart project and in any Walmart facilities.

3. The terms and provisions of this section will apply only to those employees of Manager who provide Services.

XIV. MISCELLANEOUS

- A. <u>Severability</u>. Each provision of this Agreement is severable. If any term or provision hereof is determined by a court of competent jurisdiction to be illegal or invalid for any reason whatsoever, such provision will be severed from this Agreement and will not affect the validity of the remainder of this Agreement.
- B. <u>Entire Agreement and Confirmation</u>. This Agreement (including the documents referred to in this Agreement) constitutes the entire agreement among the Parties and supersedes any prior understandings, agreements or representations by or among the Parties, written or oral, to the extent they relate in any way to the subject matter of this Agreement. Upon the reasonable request of a Party, the other Party shall provide a statement that this Agreement is unmodified and in full force and effect, except to the extent that the foregoing is not the case,
- C. <u>Waiver: Consents</u>. No consent or waiver, express or implied, by either Party to or of any breach or default by the other Party in the performance by the other of its obligations under this Agreement will be valid unless in writing and no such consent or waiver will be deemed or construed to be a consent or waiver to or of any other breach or default in the performance by such other Party of the same or any other obligations of such Party. Failure on the part of either Party to complain of any act or failure to act by the other Party or to declare the other Party in default, irrespective of how long such failure continues, will not constitute a waiver by such Party of its rights under this Agreement. The granting of any consent or approval in any other instance by or on behalf of Walmart or Manager will not be construed to waive or limit the need for such consent in any other or subsequent instance. The granting of such consent or approval will be determined in a reasonable and good faith manner.
- D. <u>Assignment</u>. Except as provided in this Section, neither Party shall have the right, power or authority to assign this Agreement, without the prior written approval of the other Party. Notwithstanding anything to the contrary in this Agreement, each Party may assign or convey its interest in this Agreement, to its parent or subsidiary companies at any level. Without waiver of the foregoing provisions, all of the rights, benefits, duties, liabilities and obligations of the Parties will inure to the benefit of and be binding upon the Parties and their respective successors and assigns.
- E. <u>Delegation</u>. Manager may delegate the performance of manufacturing, maintenance and fixture replacement to any delegates that meet the standards set forth in this Agreement and, if applicable, the supplier agreement between the Parties; provided however, that Manager shall obtain Walmart's approval for any delegation for the performance of different duties, which Walmart will not unreasonably withhold. Manager represents and warrants that the delegates set forth on <u>Schedule J</u> meet the standards set forth in this Agreement and the supplier agreement between the Parties and Walmart approves of these delegates. Manager shall provide thirty days advance written notice to Walmart to propose additions to <u>Schedule J</u>.

- F. <u>Entire Agreement and Amendment</u>. This Agreement, including the documents referred to in this Agreement, constitutes the entire agreement among the Parties and supersedes any prior understandings, agreements or representations by or among the Parties, written or oral, to the extent they relate in any way to the subject matter of this Agreement. To be effective, any modification of this Agreement must be in writing and signed by both Parties
- G. <u>Interpretation</u>. Whenever the context requires, all words used in the singular number will be deemed to include the plural and vice versa, and each gender will include any other gender. The use in this Agreement of the word "including," when following any general statement, term or matter, will not be construed to limit such statement, term or matter to the specific items or matters set forth immediately following such word or to similar items or matters, whether or not non-limiting language (such as "without limitation," or "but not limited to," or words of similar import) is used with reference thereto, but rather will be deemed to refer to all other items or matters that could reasonably be included within the broadest possible scope of such general statement, term, or matter. The terms "Exhibit" and "Schedule" used in this Agreement refer to the exhibits and schedules identified in and attached to this Agreement and that are incorporated and made a part of this Agreement.
- H. <u>Survival</u>. The expiration or earlier termination of the Term shall not destroy or diminish the binding force and effect of any of the provisions of this Agreement that expressly, or by reasonable implication, come into or continue in effect on or after such expiration or termination including, without limitation, (1) either Party's obligation to pay any fees, taxes, or charges incurred or due under the terms of this Agreement with respect to the time period before termination or expiration; and (2) the rights and obligations of the Parties contained in Sections IX, X, XI, XII, and XIV to this Agreement
- I. <u>Notices</u>. All notices, requests, demands, claims and other communications regarding this Agreement (exclusive, however, of invoices provided under this Agreement) must be in writing and will be deemed given (i) when delivered personally to the recipient, (ii) one business day after being sent to the recipient by reputable overnight courier service (charges prepaid), or (iii) four business days after being mailed to the recipient by certified or registered mail, return receipt requested and postage prepaid and addressed to the intended recipient as set forth below:

- J. <u>Counterparts</u>. This Agreement may be signed in counterparts and all reproductions of an executed original (with reproduced signatures) will be deemed an original but all of which together will constitute the same instrument.
- K. <u>Force Majeure</u>. A Party shall not be liable nor shall it be deemed to be in default for any delay or failure in performance under this Agreement or other interruption of service or employment deemed resulting directly or indirectly from Acts of God, civil or military authority, acts of public enemy, war, accidents, fires, explosions, earthquakes, floods, failure of transportation, or any similar or dissimilar cause beyond the reasonable control of the Party.
- L. Representations and Warranties. Each Party (in such capacity, the "Representing Party") represents and warrants to the other Party that:
 - 1. <u>Organization</u>. The Representing Party is a corporation duly organized, validly existing, and in good standing under the laws of the jurisdiction of its incorporation. The Representing Party is duly authorized to conduct business and is in good standing under the laws of each jurisdiction where such qualification is required for the operation of its business.
 - 2. <u>Authorization of Transaction</u>. The Representing Party has full power and authority (including full corporate power and authority) to execute and deliver this Agreement and to perform its obligations hereunder. This Agreement constitutes the valid and legally binding obligation of the Representing Party, enforceable in accordance with its terms and conditions.
 - 3. <u>Noncontravention</u>. Neither the execution and the delivery of this Agreement, nor the performance under this Agreement by the Representing Party, will:

- a. violate any constitution, statute, regulation, rule, injunction, judgment, order, decree, ruling, charge, or other restriction of any governmental authority to which the Representing Party is subject or any provision of the charter or bylaws of the Representing Party; or
- b. conflict with, result in a breach of, constitute a default under, result in the acceleration of, create in any party the right to accelerate, terminate, modify, or cancel, or require any notice under any agreement, contract, lease, license, instrument, or other arrangement to which the Representing Party is a party or by which it is bound or to which any of its assets is subject.
- M. <u>Governing Law.</u> This Agreement will be governed by and construed in accordance with the domestic laws of the State of Delaware without giving effect to any choice or conflict of law provision or rule that would cause the application of the laws of any jurisdiction other than the State of Delaware.
- N. <u>Jurisdiction: Venue</u>. The Parties agree that any claim or suit between or among any of the Parties relating to or arising under or in connection with this Agreement may only be brought in and decided by the state or federal courts located in the State of Delaware, such courts being a proper forum in which to adjudicate such claim or suit, and each Party hereby waives any objection to each such venue and waives any claim that such claim or suit has been brought in an inconvenient forum.
- O. Press Releases. Neither Party will issue public press releases of any kind referencing the other Party, this Agreement or the Parties' conduct under this Agreement without the express written permission of the other Party except as may be required by applicable law. If the Parties do agree to issue or allow the other Party to issue any such press release, then such press release will be subject to each Party's prior written approval of both the content and the type of release not to be unreasonably withheld or delayed. Without limiting the generality of the foregoing, a Party may not, except as otherwise provided in this Agreement, use the other Party's stock ticker symbol or logos without the other Party's express prior written consent. In no event will a Party be entitled to use the other Party's logo or other trademarks without such Party's prior written consent, and if such consent is given, such use must be in accordance with the fashion and style and usage as approved by such Party.
- P. Remedies Cumulative. Unless otherwise provided in this Agreement, (1) all rights and remedies granted to each Party under this Agreement are cumulative and in addition to, and not in lieu of, any other rights or remedies otherwise available to such Party in this Agreement; and (2) termination or expiration of this Agreement will not limit either Party from pursuing any other remedies available to it, including injunctive relief, in connection with any of its rights accrued or otherwise existing up to the date of such termination or expiration.
- Q. <u>LIMITATION OF DAMAGES</u>. EXCEPT WITH RESPECT TO A PARTY'S FRAUD OR WILLFUL MISCONDUCT AND EXCEPT WITH RESPECT TO A PARTY'S BREACH OF SECTION XI, NEITHER PARTY WILL BE LIABLE (WHETHER IN CONTRACT, WARRANTY, TORT (INCLUDING, BUT NOT LIMITED TO, NEGLIGENCE), PRODUCT LIABILITY OR OTHER THEORY), TO THE OTHER PARTY FOR ANY INCIDENTAL,

CONSEQUENTIAL, PUNITIVE, EXEMPLARY, SPECIAL, OR INDIRECT DAMAGES OR FOR ANY LOSS OF PROFIT, REVENUE, DATA, BUSINESS OR USE WHETHER IN CONTRACT OR TORT WHETHER OR NOT THE POSSIBILITY OF SUCH DAMAGES HAS BEEN DISCLOSED OR IS REASONABLY FORESEEABLE, provided, however, that either Party may recover any charges and fees that are owing under this Agreement.

- R. Remedies and Injunctive Relief. The Parties acknowledge that any violation of the material provisions of this Agreement will cause irreparable harm to the other Party for which a remedy at law would be inadequate and damages would not be readily calculable. Therefore, the Parties agree that, in addition to any other available remedies, the injured Party is entitled to seek a temporary restraining order, preliminary injunction or other equitable relief to prevent any threatened, actual or continuing violation of such provisions.
- S. <u>Third Party Beneficiaries</u>. Nothing in this Agreement, express or implied, is intended to confer any rights, benefits, remedies, obligations or liabilities on any person other than the Parties or their respective successors or permitted assigns.

The Parties are signing this Agreement as of the dates below.

- 8. **LESSOR REPRESENTATIONS:** Lessor represents to Lessee that it owns the FF&E and has the right to lease the FF&E to Lessee and that Lessee, upon paying the Rental Payments and all other charges herein provided for and observing and keeping the covenants, agreements and conditions of this Lease on its part to be kept, will have the exclusive right to use the FF&E at the locations set forth in Exhibit A for the duration of the Term, subject to the terms and conditions, and except as set forth, herein. Lessor also represents that optometric and other equipment may be used to reasonably accommodate persons with disabilities.
- NO OTHER REPRESENTATIONS OR WARRANTIES BY LESSOR: FF&E MAINTENANCE: COMPLIANCE WITH LAWS: Lessee acknowledges and agrees that: Lessor makes no representations or warranties as to the character of this transaction for tax or other purposes; Lessor is not the manufacturer of the FF&E or the manufacturer's agent; EXCEPT AS SET FORTH IN THIS LEASE, LESSEE LEASES THE FF&E "AS IS" AND "WITH ALL FAULTS" AND LESSOR HAS NOT MADE, AND DOES NOT MAKE, ANY REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, AS TO THE VALUE, CONDITION, QUALITY, MATERIAL, WORKMANSHIP, DESIGN, CAPACITY, MERCHANTABILITY DURABILITY, FITNESS OR SUITABILITY OF THE FF&E FOR ANY USE OR PURPOSE, OR ANY OTHER REPRESENTATION OR WARRANTY WHATSOEVER, EXPRESS OR IMPLIED EXCEPT AS SET FORTH HEREIN; and Lessee has fully inspected the FF&E and the FF&E is in good condition and to Lessee's complete satisfaction. Lessee will not assert any claim whatsoever, regardless of cause, against Lessor for loss of anticipatory profits or for consequential damages or for incidental damages arising out of the operation or condition of the FF&E unless solely the result of Lessor's gross negligence or willful misconduct. With regard to the specific FF&E leased by Lessee under this Lease, Lessee will not bring any suit or claim against or make any settlement with the manufacturer or seller to Lessor of the FF&E without Lessor's prior written consent. The selection, servicing and maintenance of the FF&E will be entirely at Lessee's risk and expense. Lessee agrees, at its own cost and expense: (a) to cause the FF&E to be operated with care and only by qualified personnel in the regular course of Lessee's or Lessee's assign's business; (b) to comply with all applicable laws, rules and regulations relating to the FF&E, including without limitation, all laws applicable to the operation of a retail vision center in Lessee's store; (c) to use and operate the FF&E only in accordance with its normal intended purposes, as specified in the instructions and specifications of the manufacturer of such FF&E (provided Lessor provides such information to Lessee); (d) to comply with all of the terms of any insurance policy covering the FF&E; (e) to obtain any certificates of use required by law with respect to the FF&E (provided Lessor shall reasonably cooperate with Lessee's efforts to obtain such certificates); and (f) to maintain the FF&E in good operating condition, repair and appearance, reasonable wear and tear resulting from normal use thereof, subject to the terms of this Lease.
 - 10. **COMMERCIAL PURPOSES:** Lessee specifically acknowledges that the FF&E is leased to Lessee solely for commercial purposes.
- 11. **NON-CANCELABLE LEASE:** This Lease cannot be canceled or terminated except as expressly provided herein. Notwithstanding the foregoing, Lessee may terminate this Lease with respect to all the FF&E (but not less than all) located at any one or more

Centers, or all FF&E, by delivering written notice to Lessor of such termination ("<u>Termination Notice</u>"), from time to time. Upon Lessor's receipt of any Termination Notice, if this Lease is not terminated with respect to all FF&E, Lessor and Lessee shall execute an Amendment to Equipment Lease Agreement specifying the FF&E remaining under the Lease and the Adjusted Rental Payment thereunder. Lessee's Termination Notice(s) will be effective ninety (90) days after delivery to Lessor whether or the above described amendment has been executed.

- 12. **LOSS OR DESTRUCTION OF FF&E:** If, for any reason, any of the FF&E is lost, stolen, destroyed or damaged beyond repair ("Lost FF&E"). Lessee shall (a) immediately and fully inform Lessor with regard thereto, and (b) promptly pay to Lessor the replacement value of such Lost FF&E calculated as of the date of payment thereof, except the depreciation in value to the loss date based upon straight line depreciation of 9 years. Any amounts actually received by Lessor from insurance policies maintained and paid for by Lessee or Lessor for such loss or damage will be applied to reduce Lessee's obligation under this paragraph. Lessor is not obligated to undertake, by litigation or otherwise, the collection of any claim against any person for such loss or damage. Lessee's notice to Lessor of any Lost FF&E will also constitute a Termination Notice with respect to such Lost FF&E.
- 13. **INSURANCE:** Lessee agrees to procure and maintain during the Term insurance policies covering the depreciated value of the FF&E naming Lessor as an additional insured and to immediately furnish evidence thereof reasonably satisfactory to Lessor. Lessee will deliver promptly to Lessor, upon request, certificates or policies satisfactory to Lessor evidencing such insurance. Each policy will provide that Lessor's interest therein will not be invalidated by any acts, omissions or neglect of anyone other than Lessor, and will contain insurer's agreement to give Lessor thirty (30) days prior written notice before cancellation for any reason, including nonpayment, or any material change in the policy will be effective as to Lessor, whether such cancellation or change is at the direction or the insurer. Lessee may provide self-insurance in lieu of the insurance required in this Paragraph 13, whether by the establishment of an insurance fund or reserve to be held and applied to make good losses from casualties, or otherwise, which conforms to the practice of large corporations maintaining systems of self-insurance. Upon request, Lessee will deliver promptly to Lessor evidence satisfactory to Lessor of such self-insurance.
- NET LEASE; TAXES: Lessee intends the rental payments hereunder to be net to Lessor. On or after the Effective Date, Lessee agrees to pay promptly to the appropriate governmental agency or, upon Lessor's request, to Lessor all taxes, levies, duties, assessments and other governmental charges (including any penalties and interest, and any fees for titling or registration) levied or assessed against Lessee, Lessor or the FF&E, upon or with respect to this Lease or the purchase, use, operation, leasing, ownership, value, return or other disposition of the FF&E, or the rent, earnings or receipts arising therefrom, exclusive, however, of any taxes based on Lessor's net income. Lessee further agrees to keep or cause to be kept and made available to Lessor any and all necessary records relevant to the use of the FF&E and pertaining to the aforesaid taxes, assessments and other governmental charges. For a period of six (6) years, the obligations arising under this paragraph will survive payment of all other obligations under this Lease and the termination of this Lease.

- 15. **LESSOR'S TITLE; RETURN OF FF&E UPON EXPIRATION OR TERMINATION OF LEASE; IDENTIFICATION OF FF&E:** Title to the FF&E will at all times remain in Lessor's name and Lessee will at all times, at its own cost and expense, protect and defend the title of Lessor from and against all claims, liens and legal processes of creditors of Lessee and keep the FF&E free and clear from all such claims, liens and processes resulting from Lessee's use or operation of the FF&E. Lessee agrees not to alter or modify the FF&E without first obtaining in each instance the prior written approval of Lessor. Upon the expiration or earlier termination of this Lease, as governed by Paragraph 2 above, Lessee, at Lessor's sole expense, and using a delivery or shipping method selected by Lessor and insured at Lessor's sole expense, shall return the FF&E unencumbered to Lessor at a place or places reasonably acceptable to Lessor ("Delivery Location"), and in the same condition as when received by Lessee, reasonable wear and tear resulting from normal use thereof alone excepted. Notwithstanding the foregoing, that portion of the FF&E which consists of optical displays will, upon the expiration or earlier termination of this Lease, be deemed abandoned by Lessor and disposed of by Lessee at its sole cost and expense, unless Lessor, by notice to Lessee sent at least thirty (30) days prior to the expiration or earlier termination of this Lease, affirmatively directs Lessee to return such items to the Delivery Location pursuant to the provisions of the preceding sentence.
- 16. **POSSESSION AND LOCATION OF FF&E; RIGHT OF INSPECTION:** The FF&E is and will remain personal property and not become part of any real property regardless of the manner of affixation and will be kept by Lessee at the locations indicated on <u>Exhibit A</u>. hereto, and will not be removed from such locations, except as set forth in this Lease, without the prior written consent of Lessor. Lessor shall have the right to inspect the FF&E at Lessee's premises during normal operating hours of Lessee following at least twenty-four hours prior written notice, from time to time, as Lessor may require, and Lessee shall permit Lessor such right of entry and make all commercially reasonable accommodations for such right.
- ASSIGNMENT: Lessee shall not sell, assign, transfer, pledge, encumber, sublet or otherwise dispose of the FF&E or any interest of Lessee in or under this lease without Lessor's prior written consent, which will not be unreasonably withheld, conditioned or delayed. This Lease and all rights of Lessor hereunder will be assignable by Lessor without Lessee's consent, but Lessee will not be obligated to any assignee of Lessor except after written notice of such assignment from Lessor. LESSEE HEREBY WAIVES, RELINQUISHES AND DISCLAIMS AS TO ANY ASSIGNEE OF LESSOR ALL CLAIMS, RIGHTS OF SET-OFF AND DEFENSES LESSEE MAY HAVE AGAINST LESSOR, INCLUDING THE RIGHT TO WITHHOLD PAYMENT OF ANY MONIES WHICH MAY BECOME DUE HEREUNDER. LESSEE FURTHER AGREES THAT LESSOR MAY WITHOUT CONSENT OF LESSEE, SELL OR GRANT A SECURITY INTEREST IN THE FF&E AND IN SUCH EVENT LESSEE'S RIGHTS IN AND TO THE FF&E WILL BE SUBJECT AND SUBORDINATE TO THE INTEREST AND RIGHTS, INCLUDING THE RIGHT OF POSSESSION, OF ANY SUCH PURCHASER OR HOLDER OF A SECURITY INTEREST IN THE FF&E. NOTWITHSTANDING THE FOREGOING, LESSEE HEREBY AGREES TO RECOGNIZE SUCH PURCHASER OR LIENHOLDER AS THE LESSOR UNDER THIS LEASE, PROVIDED SUCH LIENHOLDER OR PURCHASER SHALL AGREE TO ACCEPT THIS LEASE AND NOT DISTURB LESSEE'S POSSESSION AND USE OF THE FF&E SO LONG AS LESSEE TIMELY PAYS ANY AMOUNTS DUE HEREUNDER AND PRESERVES AND PERFORMS THE TERMS, COVENANTS AND CONDITIONS OF THIS LEASE TO BE OBSERVED

AND PERFORMED BY LESSEE. After receiving notice of any assignment by Lessor or of any sale or grant of a security interest in the FF&E, Lessee agrees that it will not, without the prior written consent of the assignee, purchaser or secured party, (i) prepay any amounts owing hereunder; (ii) modify or amend this Lease; or (iii) exercise any rights which are exercisable only with the consent of the Lessor. Lessee further agrees that at the same time it sends to Lessor any notice hereunder it will send a copy thereof to any assignee of Lessor or purchaser of the FF&E at the address specified from time to time by such assignee or purchaser. For purposes of this Lease, use of the FF&E by a tenant of Lessee or the operator of Lessee's visions centers will not be deemed an assignment; provided, however, that: (x) such use by a tenant or operation will not relieve Lessee of its obligations under this Lease; and (y) Lessee shall cause such tenant or operator to observe the terms of this Lease. Unless otherwise provided by law, any requirement of reasonable notice regarding the re-lease, sale or other disposition of the FF&E which Lessor may be obligated to give will be met if such notice is mailed to Lessee at its address shown herein at least five (5) days before the time of re-lease, sale or other disposition. Nothing herein contained will require Lessor to re-lease, sell or otherwise dispose of the FF&E.

- 18. **PERFORMANCE OF OBLIGATIONS OF LESSEE BY LESSOR:** If Lessee fails to perform duly and promptly any of its obligations under this Lease, Lessor may perform the same, but shall not be obligated to do so, for the account of Lessee to protect the interest of Lessor or Lessee or both, at Lessor's option. Any amount paid or expense (including reasonable attorney's fees), penalty or other liability incurred by Lessor in such performance will be payable by Lessee upon demand as additional rent for the FF&E.
- 19. **DEFAULT AND REMEDIES:** An event of default will occur if any of the following occurs (each, an "Event of Default"): (a) any Rental Payment or any other amount owed by Lessee to Lessor is not paid promptly when due; (b) Lessee breaches any of its representations, warranties, covenants or agreements herein, or in any other instrument or agreement to which Lessee and Lessor, or any of their respective subsidiaries, are parties; (c) a petition in bankruptcy or for an arrangement, reorganization, composition, liquidation, dissolution or similar relief is filed by or against Lessee under any present or future status, law or regulation; or (d) the filing of a material tax lien, or the existence of any other lien or encumbrance with respect to the FF&E.

Upon the occurrence of an Event of Default, Lessor may, at its option, upon ten (10) days prior notice to Lessee, which notice will specify Lessor's election: (a) proceed by appropriate court action or actions or other proceedings either at law or in equity to enforce performance by Lessee of any and all provisions of this lease and to recover damages (including past due Rental Payments) for the breach thereof; (b) require Lessee to assemble the FF&E and deliver the same forthwith to Lessor at Lessee's expense at such Delivery Location; or (c) enter the Licensed Premises on which the FF&E is located, and take repossession of the FF&E (provided, however, Lessor shall, at its sole cost and expense, repair any damaged caused to the Licensed Premises by the removal of such FF&E, and further provided Lessor shall neither have access to or remove any property from the Licensed Premises other than FF&E). Such remedies will not relieve Lessee of the obligation to pay Lessor past due Rental Payments and delinquency charges thereon. If any statute governing the proceeding in which such damages are to be proved specifies the amount of such claim, Lessor will be entitled to prove as and for damages for the breach an

amount equal to that allowed under such statute. The provisions of this Paragraph will be without prejudice to any rights given to Lessor by such statute to prove for any amounts allowed thereby. Lessee agrees that Lessor may bring any legal proceedings it deems necessary to enforce the payment and performance of Lessee's obligations hereunder in any state or federal courts located in the State of Delaware, such courts being a proper forum in which to adjudicate such claim or suit, and each Party hereby waives any objection to each such venue and waives any claim that such claim or suit has been brought in an inconvenient forum. Service of process may be made upon Lessee in accordance with Paragraph 21. No remedy of Lessor hereunder will be exclusive of any other remedy herein or provided by law, but each will be cumulative and in addition to every other remedy. A waiver of a default will not be a waiver of any other or a subsequent default. Lessee agrees to pay all expenses incurred by Lessor in enforcing its rights after the occurrence of an Event of Default hereunder, including the reasonable fees of any attorneys retained by Lessor.

- INDEMNITY: Lessor (which term as used in this Section 20 includes Lessor's successors, assigns, affiliates, agents and servants) shall have no responsibility or liability to Lessee, its successors or assigns or any other person with respect to any Indemnified Liabilities (defined below), and Lessee hereby assumes liability for, and hereby agrees, at its sole cost and expense, to indemnify, defend, protect and save Lessor and keep it harmless from and against, any and all Indemnified Liabilities. The term "Indemnified Liabilities" as used herein will include any and all liabilities, obligations, losses, damages, penalties, claims, actions, suits, costs, expenses and disbursements of whatsoever kind and nature, including legal fees and expenses imposed on, incurred by or asserted against Lessor arising out of Lessee's use of the FF&E, including claims for injury or damage to property, or injury or death to any person (including Lessee's employees, tenants or vision center operations), or penalties, fines or other losses from any noncompliance by Lessee or its employees, tenants, operators, agents or contractors with applicable regulations. Lessee agrees to give Lessor, and Lessor agrees to give Lessee, prompt written notice of any claim or liability hereby indemnified against. The indemnities arising under this Paragraph will survive payment of all other obligations under this Lease and the expiration or termination of this Lease.
- NOTICES AND FURTHER ASSURANCES: All notices relating hereto will either be delivered in person to an officer of Lessor or Lessee, sent by commercial overnight courier or be mailed certified to Lessor or Lessee at its respective address shown on the signature page(s) hereto or such other addresses as Lessor or Lessee may provide in advance and in writing to each other, in the manner set forth herein. Lessee agrees to execute and deliver to Lessor, upon Lessor's request, such documents and assurances as Lessor reasonably deems necessary or advisable for the confirmation or perfection of this Lease and Lessor's rights hereunder, including such documents as Lessor may require for filing or recording.
- 22. **SEVERABILITY:** Any provisions hereof contrary to, prohibited by or invalid under applicable laws or regulations will be inapplicable and deemed omitted herefrom, but will not invalidate the remaining provisions hereof.
- 23. **ENTIRE AGREEMENT:** This Lease and any addenda, exhibits or schedules referred to herein constitute the entire agreement of the parties hereto with respect to the subject matter hereof. No oral agreement, guaranty, promise, condition, representation or

warranty will be binding. All prior conversations, agreements or representations related hereto and/or to the FF&E are superseded hereby, and no modification hereof will be binding unless in writing and signed by an officer of the party to be bound.

- 24. **FINANCING STATEMENTS:** Lessor is hereby authorized by Lessee to cause this Lease, or any statement or other instrument in respect of this Lease showing the interest of Lessor in the FF&E, including Uniform Commercial Code financing statements, to be filed or recorded and re-recorded and Lessee authorizes Lessor, if it so elects, to file a financing statement Lessee agrees to execute and deliver any statement or instrument requested by Lessor for such purpose.
- 25. **GOVERNING LAW:** This agreement will be deemed to have been made under, and will be construed by the laws of the State of Delaware (without giving effect to its conflicts of laws rules). Lessee hereby knowingly and irrevocably waives any objection on the grounds of improper jurisdiction or venue to an action initiated as set forth above.
- 26. **COUNTERPARTS;** This Lease may be signed in counterparts, each of which will be deemed an original document, but all of which will constitute a single document.

The parties have caused this Lease to be duly signed and sealed, all as of the Effective Date, intending to be legally bound hereby.

EXHIBIT A to Equipment Lease Agreement

LEASED FF&E AND LOCATION

The rent per Center per month for all FF&E at a particular Center is \$125, subject to adjustment as provided in the following sentence. If Lessee notifies Lessor of Lessee's intention to reduce the number of business days a particular Center is open, then the rent for such Center for the next month which commences at least thirty (30) days after receipt by Lessor of such notice will equal the product of (a) \$125 multiplied by (b) a fraction, the numerator of which is the number of business days in such month such Center is open divided by the total number of regular business days in such month.

II. RESPONSIBILITIES OF BUSINESS ASSOCIATE.

- A. Business Associate shall implement and use appropriate Technical, Physical and Administrative Safeguards designed to reasonably and appropriately protect the Confidentiality, Integrity and Availability of PHI and to prevent Use or Disclosure of PHI, other than as permitted by this BAA or as required by law.
- B. Business Associate shall, within the earlier of the Compliance Date or 90- days from the Effective Date, comply with all applicable provisions of the Security Rule.
- C. No later than six months from the effective date of the Agreement, Business Associate shall Encrypt all transmissions of ePHI and all portable media or storage devices on which ePHI may be stored, including laptops, back-up media, CDs, or USB drives.
- D. Within 30-days after receiving a written request from Covered Entity, Business Associate shall make available information necessary for Covered Entity to make an accounting of disclosures of PHI about an Individual, as provided in 45 C.F.R. § 164.528; and in accordance with 42 U.S.C. § 17935(c) and its implementing regulations as of the Compliance Date, make that accounting directly to the Individual if directed to do so by Covered Entity.
- E. In the event that Business Associate, in connection with performing its obligations under this BAA or the Agreement, uses or maintains an Electronic Health Record of information of or about an Individual, then Business Associate shall provide an electronic copy (at the request of Covered Entity, and in the time and manner designated by Covered Entity, not to exceed 15-days) of the PHI to Covered Entity or, as directed by Covered Entity, to an Individual or a third party designated by the Individual, all in accordance with 42 U.S.C. § 17935 and its implementing regulations, as of its Compliance Date.
- F. To the extent that PHI in the Business Associate's possession constitutes a Designated Record Set, Business Associate shall:
 - 1. At the request of Covered Entity and in the time and manner designated by Covered Entity, not to exceed 15-days, provide access to PHI in a Designated Record Set to Covered Entity or, if directed by Covered Entity, to an Individual, in accordance with the requirements of 45 C.F.R § 164.524.
 - 2. Make available, no more than 30-days following receipt of a written request by Covered Entity, PHI for amendment and incorporate any amendments to the PHI as directed by Covered Entity, all in accordance with 45 C.F.R. §164.526.
- G. Business Associate shall notify Covered Entity, in writing, no more than 5-days following Business Associate's receipt directly from an Individual of any request

for an accounting of disclosures or access to or amendment of PHI as contemplated in Sections II (D) (E)(F), above.

- H. Business Associate shall require each Subcontractor to agree, in writing, to the same restrictions and conditions that apply to Business Associate. Furthermore, to the extent that Business Associate provides ePHI to Subcontractor, Business Associate shall require Subcontractor to comply with all applicable provisions of the Security Rule upon the earlier of the Compliance Date or 90-days from the Effective Date. If Subcontractor is not subject to the jurisdiction or laws of the United States, or if any use or disclosure of PHI in performing the obligations under this BAA or the Agreement will be outside of the jurisdiction of the United States, Business Associate must require Subcontractor to agree by written contract with Business Associate to be subject to the jurisdiction of the Secretary, the laws, and the courts of the United States, and waive any available jurisdictional defenses that pertain to the parties' obligations under this BAA, HIPAA, or ARRA.
- I. Business Associate shall not Use or Disclose PHI except as necessary to perform its obligations under the Agreement or as otherwise required by this BAA or for the proper management and administration of Business Associate, provided that such Use or Disclosure is permitted by applicable law and complies with each applicable requirement of 45 C.F.R. § 164.504(e) and this BAA.

 - 2. As of the Compliance Date of 42 U.S.C. §17936(a) and its implementing regulations, Business Associate shall not use PHI to make or cause to be made any communication about a product or service that is prohibited by 42 U.S.C. § 17936(a), and its implementing regulations.
- J. Business Associate shall report to Covered Entity any Use or Disclosure of PHI not permitted under this BAA or any Security Incident, without unreasonable delay, and in any event no more than 10-days following Discovery.
- K. Without unreasonable delay and, in any event, no more than 48-hours after Discovery, Business Associate shall notify Covered Entity of any actual or reasonably suspected Breach. Business Associate shall deliver the initial notification of such Breach, in writing, which must include a reasonably detailed description of the Breach and the steps Business Associate is taking and would propose to mitigate or terminate the Breach. Furthermore, Business Associate shall supplement the initial notification, no more than 10-days following Discovery, with information including, to the extent known to Business Associate after conducting a commercially reasonable investigation (i) the identification of each individual whose PHI was or is believed to have been involved in the Breach; (ii) a reasonably detailed description of the types of PHI involved; (iii) all other information reasonably requested by Covered Entity, including all information necessary to enable Covered Entity to perform and document a risk assessment in accordance with 45 C.F.R. Part 164 subpart D; and (iv)all other information necessary for Covered Entity to provide notice to individuals, the U.S. Department of Health & Human Services ("HHS"), or

the media, if required. Despite anything to the contrary in the preceding provisions, in Covered Entity's sole and absolute discretion and in accordance with its directions, to the extent a Breach results from a violation of this BAA or applicable law or the gross negligence or willful misconduct of Business Associate or its employees, agents or contractors (other than Covered Entity), Business Associate shall conduct, or pay the costs of conducting, an investigation of any Breach and shall provide or pay the costs of providing any notices required by the Breach Notice Rule or other applicable law.

- L. Business Associate shall mitigate, to the extent practicable, any harmful effect that is known to Business Associate of a Use or Disclosure of PHI by Business Associate that is not permitted by this BAA.
- M. Business Associate shall make available to HHS its internal practices, books, and records, relating to the Use and Disclosure of PHI pursuant to the Agreement for purposes of determining Business Associate's and Covered Entity's compliance with the Privacy Rule.
- N. Business Associate shall not directly or indirectly receive remuneration in exchange for any PHI, as provided in 42 U.S.C.§ 17935(d).
- **III.** RESPONSIBILITIES OF COVERED ENTITY. Covered Entity shall notify Business Associate, in writing, of an Individual's request to restrict the Use or Disclosure of such Individual's PHI, any limitations in Covered Entity's Notice of Privacy Practices relevant to Business Associate's performance of its obligations under this BAA or the Agreement, or any revocation by an Individual of authorization to Use or Disclose PHI.

IV. TERM. TERMINATION AND DAMAGES.

- A. This BAA is effective as of the effective date of the Agreement ("**Effective Date**") and terminates when Business Associate and its Subcontractors no longer have access to PHI, and when all of the PHI in Business Associate's possession, inclusive of PHI in the possession of Business Associate's Subcontractors, has been returned or destroyed, unless earlier terminated in accordance with Sections IV(B) through (C) of this BAA.
- B. Upon Covered Entity's determination of a breach of a material term of this BAA by Business Associate, Covered Entity may terminate this BAA. As of the Compliance Date of 42 U.S.C. § 17934(b) and its implementing regulations, if either party knows of a pattern of activity or practice of the other party that constitutes a material breach or violation of this BAA, the non-breaching party will provide notice thereof to the other party. Such notice must clearly specify the nature of the breach or violation. Each party must take reasonable steps to cure the breach or end the violation. If after 30-days or such longer time specified in writing by the non-breaching party, the non-breaching party reasonably determines that such steps are unsuccessful in curing the breach or ending the violation, the non-breaching party may terminate this BAA and the Agreement, if feasible. In the event that termination is not feasible, the non-breaching party shall report the problem to HHS.
- C. Except as provided in the Agreement or as provided below, Business Associate shall, if feasible to do so, return or destroy all PHI, including all PHI in possession of its Subcontractors, within 30 days following the termination or expiration of this BAA. In any case that Business Associate believes return or

destruction of PHI is not feasible, Business Associate will notify Covered Entity in writing of the reasons return or destruction is not feasible. If Covered Entity agrees, Business Associate will extend any and all protections, limitations, and restrictions contained in this BAA to Business Associate's use and/or disclosures of any such PHI retained after the termination or expiration of this BAA and will limit any further uses and/or disclosures solely to the purposes that make return or destruction of the PHI infeasible. If, following discussion between the parties, Covered Entity disagrees on the basis of good faith and the exercise of reasonable business judgment, Business Associate will return or destroy PHI within 30-days of Covered Entity's determination. In addition, in the event that Business Associate is legally obligated to retain such PHI, Business Associate may do so provided that:

- 1. Business Associate notifies Covered Entity of such legal obligation, in writing, immediately upon Business Associate's notice of such legal obligation, which such writing must describe in detail the legal obligation;
- 2. Business Associate extends all protections, limitations, and restrictions contained in this BAA to Business Associate's Use or Disclosures of any PHI retained after termination or expiration of this BAA;

Such audit may be conducted on-site by Walmart personnel or Walmart's contracted third party assessors or through surveys and interviews, at the option of Walmart; provided, however, that such audit shall be conducted in a manner that will not materially disrupt Manager's day-to-day operations.
- 3. In the event Manager has any security audits or reviews of its own systems, performed by Manager or a third party, including vulnerability and penetration assessments, it will give Walmart notice of any non-privileged current findings that are likely to adversely impact Walmart Information, and will keep Walmart timely informed of its remediation efforts.

Re: Management & Services Agreement dated as of May 1, 2012 by and between Wal-Mart Stores, Inc. and National Vision, Inc., as amended (the "M&S Agreement")

Dear Paul:

We have discussed an extension of the term of the M&S Agreement.

Undefined capitalized terms used in this letter have the meanings given to them in the M&S Agreement.

The Parties accordingly agree as follows:

- 1. The Term is hereby extended for three (3) years, until August 23, 2020 (the "Extension Date").
- 2. After the Extension Date, the Term will automatically renew for an additional three (3) year term unless, no later than seven months before the Extension Date, one Party gives the other Party written notice of non-renewal.
- 3. The initial phrase of Section IV.A. of the M&S Agreement ("Walmart shall pay Manager, in consideration for the provision of the Services the fees set forth below:") is hereby deleted and the following substituted therefor: "Walmart shall pay Manager as a management fee, in consideration for the provision of the Services described in Section III of this Agreement, the fees set forth below:"
- 4. Section VI. C. of the M&S Agreement is hereby deleted and the following substituted therefor: "The Parties agree to reasonably cooperate with each other in connection with the approval by Walmart and sale by Manager of warranty and similar programs on behalf of Walmart. The Parties agree that they will work to satisfy the customer as it relates to warranty and similar programs. Specifically, Manager will honor the Walmart 12 Month Guarantee for Walmart Vision Center customers in Centers unless the same or similar frame (to customer satisfaction) is not available, at which time the customer will be advised to return to a Walmart Vision Center. Walmart will honor Manager's 90 day warranty upon receiving confirmation from Manager that customer's warranty is valid."
- 5. The following Section II. H. is hereby added to the M&S Agreement:
- "H. <u>Revenue Recognition</u>. "The Parties agree to amend the Agreement if and to the extent necessary to comply with relevant guidance and pronouncements from applicable authorities (as such guidance and pronouncements are reasonably interpreted by Walmart) as to revenue recognition; provided, however, that no such amendment shall materially change the economic and other material provisions of this Agreement in a way that is adverse to a Party."

In all other respects, the Parties affirm and ratify the M&S Agreement. This letter agreement and the M&S Agreement, together with any exhibit, addendum, amendment, or any other document attached to and incorporated into the M&S Agreement, contain the entire understanding of the Parties with respect to their subject matter. This letter agreement controls in the event of any conflict with the terms and provisions of the M&S Agreement.

Please sign below to confirm the agreement of Walmart to the terms of this letter.

Very truly yours,

/s/ Reade Fahs Reade Fahs Chief Executive Officer National Vision, Inc.
